The Operator shall provide or cause to be provided to each Co-Owner not later than 120 days after the end of each calendar year, financial statements showing the financial results for the Property for such calendar year. The Operator shall retain, at the expense of the Co-Owners, an independent firm of chartered accountants qualified in Canada to prepare such financial statements. Such financial statements shall contain a balance sheet, and a statement of cash flows and shall be prepared in accordance with Canadian accounting standards for private enterprises ("**ASPE**") applicable to the real estate industry in Canada and applied on a consistent basis from year to year. The financial statements shall not be required to be audited unless the Co-Owners by Ordinary Resolution require audited financial statements. For greater certainty, the funds in the Concept Planning Fund are hereby recognized as being the funds of the Operator, not of the Co-Owners.

17. AMENDMENT OF AGREEMENT

This Agreement may be amended in writing on the initiative of the Operator with the consent of the Co-Owners given by Ordinary Resolution. Notwithstanding the foregoing, the Operator may, without any prior notice to or consent from the Co-Owners amend any provision of this Agreement from time to time:

(a) to cure an ambiguity or to correct or supplement any provision contained herein which, in the reasonable opinion of the Operator, may be defective or inconsistent with any other provision contained herein, and with respect to which the cure, correction or supplemental provision does not and will not adversely affect the Interests of the Co-Owners; or

(b) to make such other provisions in regard to matters or issues relating to or arising under this Agreement which, in the reasonable opinion of the Operator, do not and will not adversely affect the Interests of the Co-Owners.

The Operator agrees to inform the Co-Owners by written notice within 60 days following the effective date of an amendment to this Agreement and provide copies of the amending agreement within the said 60 days.

18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

The Operator shall prepare, perform and take or cause to be prepared, performed and taken all Planning Activities as it determines in its reasonable discretion are necessary for and on behalf of the Co-Owners including, without limitation, the following:

(a) surveys and concept plans in connection with the rezoning of the Property;

(b) in the reasonble discretion of the Operator, engage all consultants and professionals including, without limitation, legal counsel with respect to rezoning of the Property or any other Planning Activities;

(c) enter into or request the Nominee to enter into and deliver any documents, consent, acknowledgements or agreements including, without limitation, easements, rights in the nature of an easement, transfers, undertakings, applications, appeals and/or any other similar or related agreements or documents which may be required in the reasonable discretion of the Operator in connection with the Planning Activities;

(d) pay for all costs and expenses associated with Planning Activities, municipal property taxes and the cost of maintaining the Property, out of the Concept Planning Fund, and if insufficient, out of additional funds provided by the Co-Owners; and

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

20. HST AND LTT

The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

LONDON VALLEY II INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 50/620TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV II459-LV II508

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000) for each 1/620TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of FOUR HUNDRED SEVENTY FIVE THOUSAND DOLLARS ONLY of lawful money of Canada (C$475,000.00) (the "**Purchase Price**"), and to pay the amount of TWENTY FIVE THOUSAND DOLLARS ONLY of lawful money of Canada (C$25,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). 15. LOST DECLARATIONS OF TRUST

Where a Co-Owner by notice in writing advises the Operator that the Declaration of Trust with respect to such Co-Owner's Interest has been defaced, lost or destroyed or wrongly taken, the Operator may cause a new Declaration of Trust to be issued, provided that the Co-Owner files with the Operator an indemnity in such form as is satisfactory to the Operator to indemnify the Operator, the Nominee and the other Co-Owners from any loss, cost, liability or damages that it or they may incur or suffer by complying with the request to issue a new Declaration of Trust, and provided further that the Co-Owner satisfies all other reasonable requirements of the Operator, including delivery of a form of proof of loss.

The Operator shall provide or cause to be provided to each Co-Owner not later than 120 days after the end of each calendar year, financial statements showing the financial results for the Property for such calendar year. The Operator shall retain, at the expense of the Co-Owners, an independent firm of chartered accountants qualified in Canada to prepare such financial statements. Such financial statements shall contain a balance sheet, and a statement of cash flows and shall be prepared in accordance with Canadian accounting standards for private enterprises ("**ASPE**") applicable to the real estate industry in Canada and applied on a consistent basis from year to year. The financial statements shall not be required to be audited unless the Co-Owners by Ordinary Resolution require audited financial statements. 18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV II INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY II INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV II409-LV II458-35322

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 50/620TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV II409-LV II458

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000) for each 1/620TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of FOUR HUNDRED SEVENTY FIVE THOUSAND DOLLARS ONLY of lawful money of Canada (C$475,000.00) (the "**Purchase Price**"), and to pay the amount of TWENTY FIVE THOUSAND DOLLARS ONLY of lawful money of Canada (C$25,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of FIVE THOUSAND EIGHT HUNDRED EIGHTY SIX DOLLARS AND SEVENTY CENTS of lawful money of Canada (C$5,886.70).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). Following the Closing Date, the Vendor shall deliver the Concept Planning Fund Contribution to the Operator for deposit into the Concept Planning Fund.

3.2 All payments of the Purchase Price, the Concept Planning Fund Contribution, and such other amounts shall be made through the appointed agent (the "**Vendor's Agent**"), the Vendor's authorised agent and representative in the jurisdiction of residence of the Purchaser, and the Vendor hereby directs the Purchaser to make all such payments to the Vendor's Agent, who is authorised by the Vendor to acknowledge receipt of the Purchase Price and other amounts paid hereunder.

(h) the transferor provides such other documents, agreements, acknowledgements and confirmations as may be required by the Operator or by law (including compliance by the transferring Co-Owner with the provisions of the *Securities Act* (Ontario) if and to the extent applicable).

For the avoidance of doubt, a Transfer by Co-Owner may include a transfer into trust, in which case the terms "sale and purchase agreement", "Purchaser", "purchase", "purchased", and "sale", wherever such terms appear in this Agreement, shall be read so as to recognize that such Transfer is not a purchase and sale transaction between a Co-Owner and a purchaser but a transaction in the nature of a transfer into trust by the transferring Co-Owner to a trustee. Nothing in this Section 11 shall be construed to affect the provisions of Section 12 of this Agreement.

12. OPERATOR NOT BOUND TO SEE TO TRUST OR EQUITY

15. LOST DECLARATIONS OF TRUST

Where a Co-Owner by notice in writing advises the Operator that the Declaration of Trust with respect to such Co-Owner's Interest has been defaced, lost or destroyed or wrongly taken, the Operator may cause a new Declaration of Trust to be issued, provided that the Co-Owner files with the Operator an indemnity in such form as is satisfactory to the Operator to indemnify the Operator, the Nominee and the other Co-Owners from any loss, cost, liability or damages that it or they may incur or suffer by complying with the request to issue a new Declaration of Trust, and provided further that the Co-Owner satisfies all other reasonable requirements of the Operator, including delivery of a form of proof of loss.

The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV II INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY II INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV II359-LV II378-35214

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 20/620TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV II359-LV II378

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000) for each 1/620TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of ONE HUNDRED NINETY THOUSAND DOLLARS ONLY of lawful money of Canada (C$190,000.00) (the "**Purchase Price**"), and to pay the amount of TEN THOUSAND DOLLARS ONLY of lawful money of Canada (C$10,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of ONE THOUSAND SEVEN HUNDRED SEVEN DOLLARS AND NINETY TWO CENTS of lawful money of Canada (C$1,707.92).

The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). This Agreement may be amended in writing on the initiative of the Operator with the consent of the Co-Owners given by Ordinary Resolution. Notwithstanding the foregoing, the Operator may, without any prior notice to or consent from the Co-Owners amend any provision of this Agreement from time to time:

(a) to cure an ambiguity or to correct or supplement any provision contained herein which, in the reasonable opinion of the Operator, may be defective or inconsistent with any other provision contained herein, and with respect to which the cure, correction or supplemental provision does not and will not adversely affect the Interests of the Co-Owners; or

(b) to make such other provisions in regard to matters or issues relating to or arising under this Agreement which, in the reasonable opinion of the Operator, do not and will not adversely affect the Interests of the Co-Owners.

LV II359-LV II378-35214

The Operator agrees to inform the Co-Owners by written notice within 60 days following the effective date of an amendment to this Agreement and provide copies of the amending agreement within the said 60 days.

18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

The Operator shall prepare, perform and take or cause to be prepared, performed and taken all Planning Activities as it determines in its reasonable discretion are necessary for and on behalf of the Co-Owners including, without limitation, the following:

(b) in the reasonble discretion of the Operator, engage all consultants and professionals including, without limitation, legal counsel with respect to rezoning of the Property or any other Planning Activities;

(d) pay for all costs and expenses associated with Planning Activities, municipal property taxes and the cost of maintaining the Property, out of the Concept Planning Fund, and if insufficient, out of additional funds provided by the Co-Owners; and

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

LV II359-LV II378-35214

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

(b) to make such other provisions in regard to matters or issues relating to or arising under this Agreement which, in the reasonable opinion of the Operator, do not and will not adversely affect the Interests of the Co-Owners.

LV II339-LV II358,LV II379-LV II388-35211

The Operator agrees to inform the Co-Owners by written notice within 60 days following the effective date of an amendment to this Agreement and provide copies of the amending agreement within the said 60 days.

18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

(d) pay for all costs and expenses associated with Planning Activities, municipal property taxes and the cost of maintaining the Property, out of the Concept Planning Fund, and if insufficient, out of additional funds provided by the Co-Owners; and

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

LV II339-LV II358,LV II379-LV II388-35211

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV II INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY II INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV II142-LV II161-34824

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 20/620TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV II142-LV II161

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000) for each 1/620TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of ONE HUNDRED NINETY THOUSAND DOLLARS ONLY of lawful money of Canada (C$190,000.00) (the "**Purchase Price**"), and to pay the amount of TEN THOUSAND DOLLARS ONLY of lawful money of Canada (C$10,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of ONE THOUSAND SEVEN HUNDRED SEVEN DOLLARS AND NINETY TWO CENTS of lawful money of Canada (C$1,707.92).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). Following the Closing Date, the Vendor shall deliver the Concept Planning Fund Contribution to the Operator for deposit into the Concept Planning Fund.

3.2 All payments of the Purchase Price, the Concept Planning Fund Contribution, and such other amounts shall be made through the appointed agent (the "**Vendor's Agent**"), the Vendor's authorised agent and representative in the jurisdiction of residence of the Purchaser, and the Vendor hereby directs the Purchaser to make all such payments to the Vendor's Agent, who is authorised by the Vendor to acknowledge receipt of the Purchase Price and other amounts paid hereunder.

LV III42-LV III61-34824

This Agreement shall only become binding upon the Vendor and the Nominee following the Vendor and the Nominee having each accepted this Agreement as signified by its respective execution of this Agreement where indicated below.

4.5 All representations, warranties and covenants of the Purchaser as set out in this Agreement shall not merge upon closing but shall survive closing and the Closing Date.

5. VENDOR REPRESENTATIONS AND WARRANTIES

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV II INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY II INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV II87-LV II106-34752

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 20/620TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV II87-LV II106

2.. PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000) for each 1/620TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of ONE HUNDRED NINETY THOUSAND DOLLARS ONLY of lawful money of Canada (C$190,000.00) (the "**Purchase Price**"), and to pay the amount of TEN THOUSAND DOLLARS ONLY of lawful money of Canada (C$10,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of ONE THOUSAND SEVEN HUNDRED SEVEN DOLLARS AND NINETY TWO CENTS of lawful money of Canada (C$1,707.92).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

15. LOST DECLARATIONS OF TRUST

Where a Co-Owner by notice in writing advises the Operator that the Declaration of Trust with respect to such Co-Owner's Interest has been defaced, lost or destroyed or wrongly taken, the Operator may cause a new Declaration of Trust to be issued, provided that the Co-Owner files with the Operator an indemnity in such form as is satisfactory to the Operator to indemnify the Operator, the Nominee and the other Co-Owners from any loss, cost, liability or damages that it or they may incur or suffer by complying with the request to issue a new Declaration of Trust, and provided further that the Co-Owner satisfies all other reasonable requirements of the Operator, including delivery of a form of proof of loss.

16. BOOKS AND RECORDS AND FINANCIAL REPORTS

The Operator will keep or cause to be kept on behalf of the Co-Owners at the Operator's principal place of business in Ontario:

The Operator shall provide or cause to be provided to each Co-Owner not later than 120 days after the end of each calendar year, financial statements showing the financial results for the Property for such calendar year. The Operator shall retain, at the expense of the Co-Owners, an independent firm of chartered accountants qualified in Canada to prepare such financial statements. Such financial statements shall contain a balance sheet, and a statement of cash flows and shall be prepared in accordance with Canadian accounting standards for private enterprises ("**ASPE**") applicable to the real estate industry in Canada and applied on a consistent basis from year to year. The financial statements shall not be required to be audited unless the Co-Owners by Ordinary Resolution require audited financial statements. For greater certainty, the funds in the Concept Planning Fund are hereby recognized as being the funds of the Operator, not of the Co-Owners.

17. AMENDMENT OF AGREEMENT

This Agreement may be amended in writing on the initiative of the Operator with the consent of the Co-Owners given by Ordinary Resolution. Notwithstanding the foregoing, the Operator may, without any prior notice to or consent from the Co-Owners amend any provision of this Agreement from time to time:

(a) to cure an ambiguity or to correct or supplement any provision contained herein which, in the reasonable opinion of the Operator, may be defective or inconsistent with any other provision contained herein, and with respect to which the cure, correction or supplemental provision does not and will not adversely affect the Interests of the Co-Owners; or

(b) to make such other provisions in regard to matters or issues relating to or arising under this Agreement which, in the reasonable opinion of the Operator, do not and will not adversely affect the Interests of the Co-Owners.

LV II87-LV II106-34752

The Operator agrees to inform the Co-Owners by written notice within 60 days following the effective date of an amendment to this Agreement and provide copies of the amending agreement within the said 60 days.

18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

The Operator shall prepare, perform and take or cause to be prepared, performed and taken all Planning Activities as it determines in its reasonable discretion are necessary for and on behalf of the Co-Owners including, without limitation, the following:

(a) surveys and concept plans in connection with the rezoning of the Property;

(b) in the reasonble discretion of the Operator, engage all consultants and professionals including, without limitation, legal counsel with respect to rezoning of the Property or any other Planning Activities;

(c) enter into or request the Nominee to enter into and deliver any documents, consent, acknowledgements or agreements including, without limitation, easements, rights in the nature of an easement, transfers, undertakings, applications, appeals and/or any other similar or related agreements or documents which may be required in the reasonable discretion of the Operator in connection with the Planning Activities;

(d) pay for all costs and expenses associated with Planning Activities, municipal property taxes and the cost of maintaining the Property, out of the Concept Planning Fund, and if insufficient, out of additional funds provided by the Co-Owners; and

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

LV II87-LV II106-34752

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

20. HST AND LTT

Each of the Co-Owners hereby authorizes the Operator to make any and all filings, payments and/or remittances for HST with respect to the purchase by each Co-Owner of his respective Interest and any other payments of HST applicable to the services provided to the Nominee or in respect of the Property or the Interest of a Co-Owner.

For greater certainty, each of the Co-Owners hereby authorizes the Operator on behalf of the Co-Owner and with the Co-Owner's funds to make any and all payments, remittances and filings under the provisions of the *Land Transfer Tax Act* relating to LTT and within the time period required therefor under the *Land Transfer Tax Act*, arising from the acquisition and/or ownership of the Interest. The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

21. POWER OF ATTORNEY

リスク要因

＜不動産評価＞
現在投資対象の土地は農業用地として使用されており、開発されていません。この土地の開発計画も特に無く、たとえ承認がおりても、開発のための企画案を所有者が共同で承認する必要があります。
不動産開発及び投資は、総じて景気に左右されます。土地単価評価額と販売もしくは開発見込みは、景気動向により、上下します。そのため、購入者の利益もかかる動向の影響を受ける可能性があります。

検討事項

現在、金利が歴史的に低いレベルとなっており、住宅及び商業開発の需要を刺激しています。さらに、借り入れ金利が低いため、一般的に、より大きな住宅を望むようになっています。従って、高級住宅の需要がこれまでになく高くなっています。加えて、今後15年間で200万人以上の人口増加が見込まれており、人口拡大に伴う雇用増加のため、ビジネスパークの開発が重要視されています。

＜非流動投資＞
不動産投資は相対的に非流動的な傾向があります。このような非流動性は、景気や個人的投資状況が変化し、速やかな土地売却を望んでも難しい場合があります。仮に購入者が清算を迫られても売却代金は、土地の長期評価額を下回る可能性があります。

検討事項

現在、この土地に対する流通市場はありません。しかし、カナダでは歴史的に見て、不動産価格は評価額を保ってきたか、または、急激に上昇してきました。日本では過去何年にも渡り、金利が0%と低迷していますので、多くの投資家が海外投資を行ってきました。さらに、人口の増加により開発用の土地の需要が増えています。そのため、このユニットが非流動的なままでも、急激な成長のため、評価額を維持していくものと思われます。

＜開発承認＞
土地開発には、地方自治体の区画再整備や諸々の承認が必要となります。このような承認を得るのに時として何ヶ月、もしくは何年もかかる場合があり、又、いずれのプロジェクトにおいても、必要な承認が下りるのかどうかは不確定要素となります。

検討事項

LV III は、土地用途予測にあわせた土地の区画整理と同様、公定計画修正の必要性があります。 LV IIIに隣接する土地はすでに同様の用途目的で認可が下り、現在開発が終了、あるいは、開発途中にあります。

＜政治及び経済情勢＞
ンタリオ州、厳密に言えば、大トロント地区の社会、経済、政治情勢はまずまずの安定感を示しています。しかし、州政府およびカナダ連邦政府が、土地評価に悪影響を与えるような政策実施を打ち出す可能性も考えられます。例えば、税制の見直し、区画併合手続きまたは、経済的、金融財政的その両方またはいずれか一方の政策などがこれに当てはまります。

検討事項

カナダは G8 のメンバー国で、国連による最も住みやすい国に過去8年間で7回選ばれています。トロントは正に国際的な都市で急速に拡大しています。北米第4位の人口を抱え、ローコストでの事業展開が可能です。また、北米第2位の自動車生産の中心地で、世界 169 カ国からの人々が移住し暮らしています。雇用も伸びを示し、多くの人々を引きつけています。トロント市は将来的にも活発な雇用の中心となっていくと思われます。

TSI-LV III INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY III INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV III104-LV III123,LV III220-LV III229-33408

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 30/322ND undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV III104-LV III123,LV III220-LV III229

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000) for each 1/322ND undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of TWO HUNDRED EIGHTY FIVE THOUSAND DOLLARS ONLY of lawful money of Canada (C$285,000.00) (the "**Purchase Price**"), and to pay the amount of FIFTEEN THOUSAND DOLLARS ONLY of lawful money of Canada (C$15,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. General

- Use this form if you are a non-resident receiving rent from real property or a timber royalty and you want your agent to be able to elect to deduct and remit tax at the applicable rate on the net amounts available to you. Your agent must be a resident of Canada to whom the rental payments are paid or credited on your behalf when this form is signed.
- File a separate form for each tax year. For individuals, the tax year corresponds to the calendar year (January 1 to December 31). For corporations, estates, and trusts, the tax year can differ from the calendar year; therefore, for these entities, indicate the fiscal year end.
- File this form on or before the first day of each tax year, or when the first rental payment is due.
- Complete all applicable sections on this form. An incomplete form will not be accepted as a valid undertaking and will be returned.
- The non-resident individual, corporation, trust, estate, or member of a partnership should forward one completed copy of this form to the Canadian agent who, after completing Section 4, will file it with the International Tax Services Office, 2204 Walkley Road, Ottawa ON K1A 1A8.
- We will advise both the non-resident and the agent in writing when a valid undertaking is approved.
- Your agent must continue to withhold and remit non-resident tax based on the gross rental income until we approve a valid undertaking in writing. If a valid NR6 is approved, the non-resident withholding tax must be determined when the actual rental payment is made taking into account expenses (excluding CCA). We must receive any non-resident tax withheld by the 15th day of the month following the month during which the rental payment was paid or credited to the agent on the non-resident's behalf.
- The non-resident undertakes to file an income tax return, whether there is a profit or a loss situation, under subsection 216(4) of the Canadian Income Tax Act within six months of the end of the tax year for which the undertaking is filed. Each non-resident member of a partnership who files a valid undertaking must file a separate income tax return. For information on how to complete a Secton 216 return, see the Income Tax Guide for Non-Residents Electing Under Section 216.
- The agent has to file an NR4 return before March 31 of the year after the year in which the rental income was paid or credited, or within 90 days of the fiscal year end for estates and trusts. For information on how to complete the NR4 return, see the Non-Resident Withholding Tax Guide.
- For more information, see Information Circular 77-16R4, Non-Resident Income Tax and Interpretation Bulletin 393R2, Election Re: Tax on Rents and Timber Royalties – Non-Residents, or contact the International Tax Services Office, toll free, at 1 800-267-3395 (in Canada or the United States) or (613) 952-2344 (elsewhere).

Instructions

General

- Use this form if you are a non-resident receiving rent from real property or a timber royalty and you want your agent to be able to elect to deduct and remit tax at the applicable rate on the net amounts available to you. Your agent must be a resident of Canada to whom the rental payments are paid or credited on your behalf when this form is signed.
- File a separate form for each tax year. For individuals, the tax year corresponds to the calendar year (January 1 to December 31). For corporations, estates, and trusts, the tax year can differ from the calendar year; therefore, for these entities, indicate the fiscal year end.
- File this form on or before the first day of each tax year, or when the first rental payment is due.
- Complete all applicable sections on this form. An incomplete form will not be accepted as a valid undertaking and will be returned.
- The non-resident individual, corporation, trust, estate, or member of a partnership should forward one completed copy of this form to the Canadian agent who, after completing Section 4, will file it with the International Tax Services Office, 2204 Walkley Road, Ottawa ON K1A 1A8.
- We will advise both the non-resident and the agent in writing when a valid undertaking is approved.
- Your agent must continue to withhold and remit non-resident tax based on the gross rental income until we approve a valid undertaking in writing. If a valid NR6 is approved, the non-resident withholding tax must be determined when the actual rental payment is made taking into account expenses (excluding CCA). We must receive any non-resident tax withheld by the 15th day of the month following the month during which the rental payment was paid or credited to the agent on the non-resident's behalf.
- The non-resident undertakes to file an income tax return, whether there is a profit or a loss situation, under subsection 216(4) of the Canadian Income Tax Act within six months of the end of the tax year for which the undertaking is filed. Each non-resident member of a partnership who files a valid undertaking must file a separate income tax return. For information on how to complete a Secton 216 return, see the Income Tax Guide for Non-Residents Electing Under Section 216.
- The agent has to file an NR4 return before March 31 of the year after the year in which the rental income was paid or credited, or within 90 days of the fiscal year end for estates and trusts. For information on how to complete the NR4 return, see the Non-Resident Withholding Tax Guide.
- For more information, see Information Circular 77-16R4, Non-Resident Income Tax and Interpretation Bulletin 393R2, Election Re: Tax on Rents and Timber Royalties – Non-Residents, or contact the International Tax Services Office, toll free, at 1 800-267-3395 (in Canada or the United States) or (613) 952-2344 (elsewhere).

GENERAL INSTRUCTIONS

Is this form for you?

Use this form to apply for an individual tax number (ITN) from the Canada Revenue Agency (CRA). An ITN is a nine-digit number issued to non-resident individuals who need an identification number but who are not eligible to obtain a social insurance number (SIN).

Who can apply

You can apply if you do not have, and are not eligible to obtain, a SIN but you need to provide an individual tax number to the CRA. For example, this could occur if you are:

- an international student who either has to file or intends to file a Canadian income tax return;
- a non-resident filing an application to waive or reduce Canadian withholding tax;
- a non-resident disposing of taxable Canadian property; or
- a non-resident who has to file or intends to file a Canadian income tax return

Note: Do not complete Form T1261 if you already have an ITN, a SIN, or a temporary taxation number.

How to apply

You can apply by mail or in person. Be sure to mail or bring with you:

- your completed Form T1261; and

Examples of acceptable documents include a passport, driver's licence, birth certificate, work permit, study permit/student authorization, visitor record, and diplomatic identity card.
We may, at a later date, request other supporting documentation.

Documents can be certified by local officials such as doctors, accountants, lawyers, teachers or officials in a federal department or a provincial ministry.

When to apply

Complete this form as soon as you meet the requirements described in **"Who can apply"** on this page. Apply early to make sure you receive an ITN before you need to use it. Allow four to six weeks for us to notify you in writing of your ITN. If you have not received your ITN at the end of the six-week period, you may call us to find out the status of your application (see **"Telephone help"** on this page).

Where to apply

In person: You can apply for an ITN at the International Tax Services Office, 2204 Walkley Road, Ottawa, Ontario, CANADA.
By mail: If you are completing Form T1261 for the purpose of filing an income tax return, sign and date the form, and send it to us along with the original, certified, or notarized copies of your documents.

Why do you need to complete this form?

Tax information is confidential. If you want the ministry to deal with another individual (such as your spouse, accountant or solicitor) as your representative for fuel, gas, tobacco, land transfer, payments in lieu of additional municipal and school taxes, IFTA, and/or gross revenue charge matters, the ministry needs your authorization. You can do this by completing Parts 1, 2, and 4 of this form.

Your authorization will stay in effect until you cancel it. It is important that you remember each authorization given to the ministry so that you can cancel the authorization when it is no longer needed. You can cancel an existing authorization by completing Parts 1, 3, and 4 of this form. All authorizations are automatically cancelled upon notification of death.

You will have to complete a new Authorizing or Cancelling a Representative form if you want to change any information about an existing representative. For example, if your representative is a firm, you may authorize the ministry to deal with a specific individual from that firm. In a future year, should you want to replace that individual with another individual from the same firm, you will have to complete a new form to update your authorization.

You can have more than one representative authorized at the same time. However, you have to complete a separate Authorizing or Cancelling a Representative form for each representative.

Note: If your representative is a firm and you do not identify a specific individual in the firm as your representative, you are giving the ministry authority to deal with anyone from that firm.

Does your spouse, common-law partner, or other family member need your authorization?

Yes. The ministry cannot deal with your spouse, common-law partner, son, daughter, or other family member without your authorization.

What will your representative be allowed to do?

When you authorize the ministry to deal with a representative, you are allowing that person to act on your behalf in almost all tax matters for the tax year or years you specify. For example, the representative will be allowed to discuss your confidential tax information with the ministry and ask the ministry to make changes to your tax return. Should you wish to authorize your representative to represent you in specific issues, please specify which issues in Part 2.

What happens if you do not sign this form?

If you do not sign this form, the ministry cannot be sure that you have given the ministry the authority to deal with the representative identified on the form. To protect the confidentiality of your tax information, the ministry will not accept or act on any information given on this form unless you have signed the form.

Open Letter of Inquiry

To: TSI Global K.K.
Representative Director Hiroyuki Kawashima
Akasaka 7-3-37 Palace Canada 3F, Minato-ku, Tokyo

This letter is written jointly in the name of Kobayashi Kyohodo K.K., Kobard K.K., Mrs. Akiko Kobayashi, and six other members, and Mr. Chiaki Hayashi (financial advisor of Mrs. Akiko Kobayashi).

I received a letter dated April 1, 2016. The outline of the letter is as follows.
In April 4, 2016, the group organization will be changed and called by the new name "Trans Global Partners".
In Japan, TSI Global K.K. will provide the same support services as has been provided till the date. (partially omitted)
In Canada, after the new organization, "Trans Global Partners"… (partially omitted).

After two years and three months, no explanation or report has been provided. The fact that investors who have invested a few billion yen has been continuously ignored shows that TSI fails to fulfill its duty and responsibilities at all as the company which received the investment money. We request you to provide clear answers to the following questions within two weeks from the receipt of this letter:

1. Please clarify that the names of all your group companies, their representatives, and their businesses operations, in order to show that TSI is properly functioning as well as where responsibilities lie.
2. Please clarify how “Investment funds”, “Deposits” and “Loans” of the members of Kobayashi family and its related companies are currently held.
3. Please clarify the total amount of interest and due date for “Deposits” and “Loans” as of the date.

If you do not respond to the above questions within the above period, we will determine that you are not eligible as a company which receives money from investors and will immediately begin legal procedures with cooperation of the competent authorities and administrative agencies.

Notice

1. Introduction

Global-I K.K. has been receiving investments from investors for various investment products sold by TSI international group Asia Limited (hereinafter referred to as "TSI international group") as an official agent of TSI international group. As Global-I K.K. and Mr. Hayashi are aware, TSI Global K.K. is a company that provides after-sales services to investors with respect to the investment products sold by TSI international group.

In this context, as TSI Global K.K. has received a number of questions from Mrs. Akiko Kobayashi and her related persons and companies (hereinafter referred to as “Mrs. Kobayashi etc.”) regarding investments in TSI international group from Mrs. Kobayashi etc.. we notify Global-I K.K. and Mr. Hayashi as follows just to be certain.

2. The Background of Investments in LVIII by Mrs. Kobayashi etc.

(1) Around September 3, 2015, TSI international group received a remittance of more than JPY 328 million from Mrs. Kobayashi, etc.. As we had not received any prior notice, the notifier asked Global-I K.K. and Mr. Hayashi about what this remittance was, and you and your company asked us to keep the money as an investment fund on behalf of Mrs. Kobayashi, etc.. Then, the notifier received a notice from you and your company that the fund should be invested in LVIII. Accordingly, the notifier informed TSI international group of this and TSI international group treated the fund as the investment fund into LVIII around September 13, 2016.
Global-I K.K. and Mr. Hayashi seem to be explaining to Mrs. Kobayashi, etc. that the money has been kept as deposit, but that is not true. Please correct your explanations to Mrs. Kobayashi, etc as soon as possible.

(2) For the avoidance of doubt, what is meant by treating the fund as the investment into LVIII is that Mrs. Kobayashi, etc. are made shareholders of SPC (2533430ONTARIO INC), which owns 45 acres of the land in London, Ontario, Canada. The owner of the 45 acres is the SPC, not Mrs. Kobayashi, etc.

(3) Regarding the ownership of the land corresponding to the 45 acres invested by Mrs. Kobayashi, etc., Mr. Yoshinobu Odaira, the founder of Shogun Maitake purchased 10 acres out of the 45 acres, under your instructions. The purchase price of the 10 acres, CAD 1.1 million was invested in another land banking project, after TSI international group received the payment from Mr. Odaira, again under your instructions. As it seems that Global-I K.K. and Mr. Hayashi have not adequately explained this investment to Mrs. Kobayashi, etc., please provide an accurate explanation immediately. As directed by Global-I K.K. and Mr. Hayashi, TSI international group reinvested the said payment.

(4) Although Global-I K.K. and Mr. Hayashi seem to have explained to Mrs. Kobayashi, etc. that the above fund could be converted into cash at any time, this is not true. Mrs. Kobayashi, etc. invested into the land. In the future once the land is developed, the price rises, and the land is resold, the investment funds will be repaid in cash together with profits.

3. Existence of Loans from Mrs. Kobayashi, etc. to TSI international group or the Notifier

As explained above, all funds remitted from Mrs. Kobayashi, etc. to TSI international group have been invested in land banking and other projects, and there are no funds held by TSI international group.

4. Contents-certified Mails between Mr. Hayashi and the Notifier

(1) Notices exchanged between you and the notifier are as follows:

① Open letter of inquiry dated July 8, 2019 sent by Mr. Hayashi (by certified mail)

② Response from the notifier dated July 22, 2019 (by certified mail)

(2) In addition, we noticed that Mrs. Kobayashi, etc. holds a copy of the following notices.

③ Confirmation of response dated October 7, 2019 sent by Mr. Hayashi (by certified mail)

④ Response from the notifier dated October 26, 2019 (by certified mail)

(3) Authenticity

A. Each of the documents ① and ② above is an authentic document, but each of the documents ③ and ④ is not authentic. The notifier has not received the document ③. Mr. Hayashi had the document registered and sent out but immediately instructed the postal office to cancel and have the mail returned to him. As a result, it was made to look that the mail was actually sent out. We believe that you do not have the delivery certificate which is supposed to be kept by you and shows that the document ③ was delivered to the notifier.

B. Regarding the document ④, we must say that you fabricated the document by affixing forged seal of the notifier as if you are the notifier, and sent it out to yourself. The seal impression in the name of the notifier affixed to the document ④ is not the seal impression which matches the actual seal of the notifier.

(4) Since Mrs. Kobayashi, etc. stated that they had received the documents ③ and ④ above from Global-I K.K. and Mr. Hayashi, it must be Global-I K.K. and Mr. Hayashi who prepared the documents ③ and ④. Global-I K.K. and Mr. Hayashi committed the serious misconducts of fabricating the documents, which should be taken seriously. Global-I K.K. and Mr. Hayashi must promptly provide accurate explanations to Mrs. Kobayashi, etc..

5. Agency Arrangements between You and TSI international group

Given the improper and unlawful acts committed by Global-I K.K. and Mr. Hayashi against Mrs. Kobayashi, etc., the agency agreement between TSI international group and Global-I K.K. must be terminated. TSI international group sent to Global-I K.K. the other day a notice of termination of the agency agreement. From now on, you must fully recognize that you are not an agent of TSI international group anymore and must not act as an agent.

6. Commissions Paid to Mr. Hayashi

From 2012 to this day, Global-I K.K. has been acting as an agent with respect to investment agreements between Mrs. Kobayashi, etc. and TSI international group. Accordingly, the notifier has paid Global-I K.K. CND 2,972,200 as commission fees. When converted to Japanese yen, it is about JPY 300 million. In this regard, Global-I K.K. seems to have explained to Mrs. Kobayashi, etc. that the

commission fees received from the notifier was approximately JPY 28 million, which is not true. We request that you explain to Mrs. Kobayashi etc. the accurate amount of commission fees immediately.

7. Global-I K.K. and Mr. Hayashi's Explanations

We have heard that Global-I K.K. and Mr. Hayashi are still being asked by Mrs. Kobayashi, etc. to give explanations, and that each time you explain that you are not able to provide explanations because there is no response from the notifier. Such explanation is inappropriate and we demand you to stop giving such explanations immediately.

8. Summary

We notify Global-I K.K. and Mr. Hayashi as described above. If you have any questions or inquiries about the contents of this document, please contact me, the counsel representing the notifier.

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV IV INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY IV INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV IV6-LV IV55-35637

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 50/512TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV IV6-LV IV55

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000) for each 1/512TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of FOUR HUNDRED SEVENTY FIVE THOUSAND DOLLARS ONLY of lawful money of Canada (C$475,000.00) (the "**Purchase Price**"), and to pay the amount of TWENTY FIVE THOUSAND DOLLARS ONLY of lawful money of Canada (C$25,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of FIVE THOUSAND EIGHT HUNDRED EIGHTY SIX DOLLARS AND SEVENTY CENTS of lawful money of Canada (C$5,886.70).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). 3.2 All payments of the Purchase Price, the Concept Planning Fund Contribution, and such other amounts shall be made through the appointed agent (the "**Vendor's Agent**"), the Vendor's authorised agent and representative in the jurisdiction of residence of the Purchaser, and the Vendor hereby directs the Purchaser to make all such payments to the Vendor's Agent, who is authorised by the Vendor to acknowledge receipt of the Purchase Price and other amounts paid hereunder.

The Operator agrees to inform the Co-Owners by written notice within 60 days following the effective date of an amendment to this Agreement and provide copies of the amending agreement within the said 60 days.

18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

The Operator shall prepare, perform and take or cause to be prepared, performed and taken all Planning Activities as it determines in its reasonable discretion are necessary for and on behalf of the Co-Owners including, without limitation, the following:

(a) surveys and concept plans in connection with the rezoning of the Property;

(b) in the reasonble discretion of the Operator, engage all consultants and professionals including, without limitation, legal counsel with respect to rezoning of the Property or any other Planning Activities;

(c) enter into or request the Nominee to enter into and deliver any documents, consent, acknowledgements or agreements including, without limitation, easements, rights in the nature of an easement, transfers, undertakings, applications, appeals and/or any other similar or related agreements or documents which may be required in the reasonable discretion of the Operator in connection with the Planning Activities;

(d) pay for all costs and expenses associated with Planning Activities, municipal property taxes and the cost of maintaining the Property, out of the Concept Planning Fund, and if insufficient, out of additional funds provided by the Co-Owners; and

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

20. HST AND LTT

For greater certainty, each of the Co-Owners hereby authorizes the Operator on behalf of the Co-Owner and with the Co-Owner's funds to make any and all payments, remittances and filings under the provisions of the *Land Transfer Tax Act* relating to LTT and within the time period required therefor under the *Land Transfer Tax Act*, arising from the acquisition and/or ownership of the Interest. The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV IV INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY IV INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV IV56-LV IV105-35640

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 50/512TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV IV56-LV IV105

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000) for each 1/512TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of FOUR HUNDRED SEVENTY FIVE THOUSAND DOLLARS ONLY of lawful money of Canada (C$475,000.00) (the "**Purchase Price**"), and to pay the amount of TWENTY FIVE THOUSAND DOLLARS ONLY of lawful money of Canada (C$25,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of FIVE THOUSAND EIGHT HUNDRED EIGHTY SIX DOLLARS AND SEVENTY CENTS of lawful money of Canada (C$5,886.70).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. (hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV IV INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY IV INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV IV132-LV IV266-35961

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 135/512TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV IV132-LV IV266

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000.00) for each 1/512TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500.00) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500.00) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of ONE MILLION TWO HUNDRED EIGHTY TWO THOUSAND FIVE HUNDRED DOLLARS ONLY of lawful money of Canada (C$1,282,500.00) (the "**Purchase Price**"), and to pay the amount of SIXTY SEVEN THOUSAND FIVE HUNDRED DOLLARS ONLY of lawful money of Canada (C$67,500.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of EIGHTEEN THOUSAND FOUR HUNDRED FORTY EIGHT DOLLARS AND TWENTY EIGHT CENTS of lawful money of Canada (C$18,448.28).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). A Co-Owner may Transfer an Interest or part thereof provided that such Co-Owner complies and satisfies each of the following conditions:

(a) the transferor first delivers to the Operator an original or notarial copy of the executed document or instrument effecting the Transfer which shall be in such form as may be acceptable to the Operator, acting reasonably;

(b) the transferee agrees in writing and in such form as may be acceptable to the Operator, to be bound by the terms of this Agreement and upon completion of the Transfer to

(c) the transferor delivers or causes to be delivered to the Operator a direction addressed to both the Nominee and the Operator, in form and substance satisfactory to the Operator and the Nominee, directing the Nominee to execute and deliver a Declaration of Trust for the Interest subject to the Transfer in favour of the transferee;

(d) the transferee pays such costs, expenses and disbursements, including legal fees, as are reasonably incurred by the Operator by reason of the Transfer;

(e) the transferee pays all applicable HST pursuant to the *Excise Tax Act*, and all applicable LTT pursuant to the *Land Transfer Tax Act*, and makes or causes to be made any and all necessary filings, payments and remittances within the time periods required therefor under the provisions of the *Excise Tax Act* and the *Land Transfer Tax Act* and the respective regulations thereunder;

(f) the transferor either provides the transferee with evidence reasonably satisfactory to the transferee that the transferring Co-Owner is not then a "non-resident" of Canada within the meaning of the *Income Tax Act* or provide the transferee with a certificate pursuant to subsection 116(2) of the *Income Tax Act* with a certificate limit in an amount not less than the purchase price for the Interest subject to the Transfer; provided that if such evidence or certificate is not forthcoming, the transferee shall be entitled to make the payment of tax required under section 116 of the *Income Tax Act* and to deduct such payment from the purchase price for the Interest subject to the Transfer;

(g) the transferee executes and delivers to the Operator a counterpart of the Agreement; and

(h) the transferor provides such other documents, agreements, acknowledgements and confirmations as may be required by the Operator or by law (including compliance by the transferring Co-Owner with the provisions of the *Securities Act* (Ontario) if and to the extent applicable).

When a transferee of an Interest is entitled to become a Co-Owner pursuant to the provisions hereof, the Operator will:

(i) record a Transfer of the Interest; and

(j) forward a Declaration of Trust to the transferee in respect of the Interest so transferred.

For the avoidance of doubt, a Transfer by Co-Owner may include a transfer into trust, in which case the terms "sale and purchase agreement", "Purchaser", "purchase", "purchased", and "sale", wherever such terms appear in this Agreement, shall be read so as to recognize that such Transfer is not a purchase and sale transaction between a Co-Owner and a purchaser but a transaction in the nature of a transfer into trust by the transferring Co-Owner to a trustee. Nothing in this Section 11 shall be construed to affect the provisions of Section 12 of this Agreement.

12. OPERATOR NOT BOUND TO SEE TO TRUST OR EQUITY

Other than pursuant to the terms of the Declaration of Trust, the Operator shall not be bound to see to the execution of any trust, express, implied or constructive, or any charge, pledge or equity to which any Interest is subject, or to ascertain or inquire whether any sale or transfer of any such Interest by any Co-Owner or by his personal representatives is authorized by such trust, charge, pledge or equity, or to recognize any person having any interest therein except for the person or persons recorded by the Operator as the Co-Owner.

LV IV132-LV IV266-35961

13. INCAPACITY, DEATH, INSOLVENCY OR BANKRUPTCY

(b) he has delivered such other evidence, approvals and consents in respect of such entitlement as the Operator may require and as may be required by applicable law or by this Agreement.

14. DECLARATIONS OF TRUST

A separate Declaration of Trust shall be executed and delivered by the Nominee to each Co-Owner, wherein the Nominee shall declare that it holds title to the Property as nominee and bare trustee for and on behalf of a Co-Owner to the extent of the Co-Owner's Interest. Provided that the Transfer of an Interest has been effected in accordance with the provisions of Section 11 of this Agreement, a separate Declaration of Trust shall be executed and delivered by the Nominee to each transferee Co-Owner of an Interest from a transferring Co-Owner, wherein the Nominee shall declare that it holds title to the Property as nominee and bare trustee for and on behalf of the transferee Co-Owner to the extent of such Co-Owner's Interest.

15. LOST DECLARATIONS OF TRUST

Where a Co-Owner by notice in writing advises the Operator that the Declaration of Trust with respect to such Co-Owner's Interest has been defaced, lost or destroyed or wrongly taken, the Operator may cause a new Declaration of Trust to be issued, provided that the Co-Owner files with the Operator an indemnity in such form as is satisfactory to the Operator to indemnify the Operator, the Nominee and the other Co-Owners from any loss, cost, liability or damages that it or they may incur or suffer by complying with the request to issue a new Declaration of Trust, and provided further that the Co-Owner satisfies all other reasonable requirements of the Operator, including delivery of a form of proof of loss.

16. BOOKS AND RECORDS AND FINANCIAL REPORTS

The Operator will keep or cause to be kept on behalf of the Co-Owners at the Operator's principal place of business in Ontario:

(a) full and accurate books of account and records of all financial transactions relating to the Property including, without limitations, the receipts and expenditures relating to the Property and the Concept Planning Fund;

(c) copies this Agreement and all counterparts.

At any time upon 10 Business Days written notice to the Operator a Co-Owner may request the Operator to examine any of the documents noted in clauses (a) and (b) above at the office of the Operator and may take copies thereof provided that such requesting Co-Owner pays the reasonable cost to the Operator for making such copies, provided further that any such requesting Co-Owner shall have first provided an affidavit and undertaking, in form and substance satisfactory to the Operator, acting reasonably, duly sworn before a notary public or other individual authorized to administer oaths in the jurisdiction of residence of the

The Operator shall provide or cause to be provided to each Co-Owner not later than 120 days after the end of each calendar year, financial statements showing the financial results for the Property for such calendar year. The Operator shall retain, at the expense of the Co-Owners, an independent firm of chartered accountants qualified in Canada to prepare such financial statements. Such financial statements shall contain a balance sheet, and a statement of cash flows and shall be prepared in accordance with Canadian accounting standards for private enterprises ("**ASPE**") applicable to the real estate industry in Canada and applied on a consistent basis from year to year. The financial statements shall not be required to be audited unless the Co-Owners by Ordinary Resolution require audited financial statements. For greater certainty, the funds in the Concept Planning Fund are hereby recognized as being the funds of the Operator, not of the Co-Owners.

17. AMENDMENT OF AGREEMENT

This Agreement may be amended in writing on the initiative of the Operator with the consent of the Co-Owners given by Ordinary Resolution. Notwithstanding the foregoing, the Operator may, without any prior notice to or consent from the Co-Owners amend any provision of this Agreement from time to time:

(a) to cure an ambiguity or to correct or supplement any provision contained herein which, in the reasonable opinion of the Operator, may be defective or inconsistent with any other provision contained herein, and with respect to which the cure, correction or supplemental provision does not and will not adversely affect the Interests of the Co-Owners; or

(b) to make such other provisions in regard to matters or issues relating to or arising under this Agreement which, in the reasonable opinion of the Operator, do not and will not adversely affect the Interests of the Co-Owners.

LV IV132-LV IV266-35961

The Operator agrees to inform the Co-Owners by written notice within 60 days following the effective date of an amendment to this Agreement and provide copies of the amending agreement within the said 60 days.

18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

The Operator shall prepare, perform and take or cause to be prepared, performed and taken all Planning Activities as it determines in its reasonable discretion are necessary for and on behalf of the Co-Owners including, without limitation, the following:

(a) surveys and concept plans in connection with the rezoning of the Property;

(b) in the reasonble discretion of the Operator, engage all consultants and professionals including, without limitation, legal counsel with respect to rezoning of the Property or any other Planning Activities;

(c) enter into or request the Nominee to enter into and deliver any documents, consent, acknowledgements or agreements including, without limitation, easements, rights in the nature of an easement, transfers, undertakings, applications, appeals and/or any other similar or related agreements or documents which may be required in the reasonable discretion of the Operator in connection with the Planning Activities;

(d) pay for all costs and expenses associated with Planning Activities, municipal property taxes and the cost of maintaining the Property, out of the Concept Planning Fund, and if insufficient, out of additional funds provided by the Co-Owners; and

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

20. HST AND LTT

Each of the Co-Owners hereby authorizes the Operator to make any and all filings, payments and/or remittances for HST with respect to the purchase by each Co-Owner of his respective Interest and any other payments of HST applicable to the services provided to the Nominee or in respect of the Property or the Interest of a Co-Owner.

For greater certainty, each of the Co-Owners hereby authorizes the Operator on behalf of the Co-Owner and with the Co-Owner's funds to make any and all payments, remittances and filings under the provisions of the *Land Transfer Tax Act* relating to LTT and within the time period required therefor under the *Land Transfer Tax Act*, arising from the acquisition and/or ownership of the Interest. The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

21. POWER OF ATTORNEY

Each Co-Owner hereby nominates, constitutes and appoints each of the Operator and the Nominee, acting alone or together, with full power of substitution, as his true and lawful attorney and agent with full power and authority in his name, place and stead, for his use and benefit, to do the following, as fully and effectually as the Co-Owner could do if personally performed including, without limitation:

TSI-LV IV INTERNATIONAL CANADA INC.,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY IV INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 135/512TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV IV267-LV IV401

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000.00) for each 1/512TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500.00) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500.00) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of ONE MILLION TWO HUNDRED EIGHTY TWO THOUSAND FIVE HUNDRED DOLLARS ONLY of lawful money of Canada (C$1,282,500.00) (the "**Purchase Price**"), and to pay the amount of SIXTY SEVEN THOUSAND FIVE HUNDRED DOLLARS ONLY of lawful money of Canada (C$67,500.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

(d) pay for all costs and expenses associated with Planning Activities, municipal property taxes and the cost of maintaining the Property, out of the Concept Planning Fund, and if insufficient, out of additional funds provided by the Co-Owners; and

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

15. LOST DECLARATIONS OF TRUST

The Operator shall provide or cause to be provided to each Co-Owner not later than 120 days after the end of each calendar year, financial statements showing the financial results for the Property for such calendar year. The Operator shall retain, at the expense of the Co-Owners, an independent firm of chartered accountants qualified in Canada to prepare such financial statements. Such financial statements shall contain a balance sheet, and a statement of cash flows and shall be prepared in accordance with Canadian accounting standards for private enterprises ("**ASPE**") applicable to the real estate industry in Canada and applied on a consistent basis from year to year. The financial statements shall not be required to be audited unless the Co-Owners by Ordinary Resolution require audited financial statements. 18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

LV V598-LV V617-41933

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

For greater certainty, each of the Co-Owners hereby authorizes the Operator on behalf of the Co-Owner and with the Co-Owner's funds to make any and all payments, remittances and filings under the provisions of the *Land Transfer Tax Act* relating to LTT and within the time period required therefor under the *Land Transfer Tax Act*, arising from the acquisition and/or ownership of the Interest. The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

21. POWER OF ATTORNEY

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV V INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY V INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV V548-LV V577-41921

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 30/797TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV V548-LV V577

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000.00) for each 1/797TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Three Hundred Dollars Only (C$9,300.00) of lawful money of Canada will be paid on account of the purchase price for such interest, and Seven Hundred Dollars Only (C$700.00) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of TWO HUNDRED SEVENTY NINE THOUSAND DOLLARS ONLY of lawful money of Canada (C$279,000.00) (the "**Purchase Price**"), and to pay the amount of TWENTY ONE THOUSAND DOLLARS ONLY of lawful money of Canada (C$21,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of TWO THOUSAND NINE HUNDRED THIRTY ONE DOLLARS AND THREE CENTS of lawful money of Canada (C$2,931.03).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). Following the Closing Date, the Vendor shall deliver the Concept Planning Fund Contribution to the Operator for deposit into the Concept Planning Fund.

3.2 All payments of the Purchase Price, the Concept Planning Fund Contribution, and such other amounts shall be made through the appointed agent (the "**Vendor's Agent**"), the Vendor's authorised agent and representative in the jurisdiction of residence of the Purchaser, and the Vendor hereby directs the Purchaser to make all such payments to the Vendor's Agent, who is authorised by the Vendor to acknowledge receipt of the Purchase Price and other amounts paid hereunder.

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV V INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY V INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 30/797TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV V518-LV V547

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000.00) for each 1/797TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Three Hundred Dollars Only (C$9,300.00) of lawful money of Canada will be paid on account of the purchase price for such interest, and Seven Hundred Dollars Only (C$700.00) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of TWO HUNDRED SEVENTY NINE THOUSAND DOLLARS ONLY of lawful money of Canada (C$279,000.00) (the "**Purchase Price**"), and to pay the amount of TWENTY ONE THOUSAND DOLLARS ONLY of lawful money of Canada (C$21,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of TWO THOUSAND NINE HUNDRED THIRTY ONE DOLLARS AND THREE CENTS of lawful money of Canada (C$2,931.03).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). 17. AMENDMENT OF AGREEMENT

This Agreement may be amended in writing on the initiative of the Operator with the consent of the Co-Owners given by Ordinary Resolution. Notwithstanding the foregoing, the Operator may, without any prior notice to or consent from the Co-Owners amend any provision of this Agreement from time to time:

(a) to cure an ambiguity or to correct or supplement any provision contained herein which, in the reasonable opinion of the Operator, may be defective or inconsistent with any other provision contained herein, and with respect to which the cure, correction or supplemental provision does not and will not adversely affect the Interests of the Co-Owners; or

(b) to make such other provisions in regard to matters or issues relating to or arising under this Agreement which, in the reasonable opinion of the Operator, do not and will not adversely affect the Interests of the Co-Owners.

LV V518-LV V547-41918

The Operator agrees to inform the Co-Owners by written notice within 60 days following the effective date of an amendment to this Agreement and provide copies of the amending agreement within the said 60 days.

18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

The Operator shall prepare, perform and take or cause to be prepared, performed and taken all Planning Activities as it determines in its reasonable discretion are necessary for and on behalf of the Co-Owners including, without limitation, the following:

(b) in the reasonble discretion of the Operator, engage all consultants and professionals including, without limitation, legal counsel with respect to rezoning of the Property or any other Planning Activities;

(d) pay for all costs and expenses associated with Planning Activities, municipal property taxes and the cost of maintaining the Property, out of the Concept Planning Fund, and if insufficient, out of additional funds provided by the Co-Owners; and

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

LV V518-LV V547-41918

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

20. HST AND LTT

The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

15. LOST DECLARATIONS OF TRUST

Where a Co-Owner by notice in writing advises the Operator that the Declaration of Trust with respect to such Co-Owner's Interest has been defaced, lost or destroyed or wrongly taken, the Operator may cause a new Declaration of Trust to be issued, provided that the Co-Owner files with the Operator an indemnity in such form as is satisfactory to the Operator to indemnify the Operator, the Nominee and the other Co-Owners from any loss, cost, liability or damages that it or they may incur or suffer by complying with the request to issue a new Declaration of Trust, and provided further that the Co-Owner satisfies all other reasonable requirements of the Operator, including delivery of a form of proof of loss.

The Operator shall provide or cause to be provided to each Co-Owner not later than 120 days after the end of each calendar year, financial statements showing the financial results for the Property for such calendar year. The Operator shall retain, at the expense of the Co-Owners, an independent firm of chartered accountants qualified in Canada to prepare such financial statements. Such financial statements shall contain a balance sheet, and a statement of cash flows and shall be prepared in accordance with Canadian accounting standards for private enterprises ("**ASPE**") applicable to the real estate industry in Canada and applied on a consistent basis from year to year. The financial statements shall not be required to be audited unless the Co-Owners by Ordinary Resolution require audited financial statements. (b) to make such other provisions in regard to matters or issues relating to or arising under this Agreement which, in the reasonable opinion of the Operator, do not and will not adversely affect the Interests of the Co-Owners.

LV V367-LV V456-41714

18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

LV V367-LV V456-41714

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

For greater certainty, each of the Co-Owners hereby authorizes the Operator on behalf of the Co-Owner and with the Co-Owner's funds to make any and all payments, remittances and filings under the provisions of the *Land Transfer Tax Act* relating to LTT and within the time period required therefor under the *Land Transfer Tax Act*, arising from the acquisition and/or ownership of the Interest. The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

21. POWER OF ATTORNEY

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV V INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY V INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV V93-LV V106-41432

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 14/797TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV V93-LV V106

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000.00) for each 1/797TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Three Hundred Dollars Only (C$9,300.00) of lawful money of Canada will be paid on account of the purchase price for such interest, and Seven Hundred Dollars Only (C$700.00) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of ONE HUNDRED THIRTY THOUSAND TWO HUNDRED DOLLARS ONLY of lawful money of Canada (C$130,200.00) (the "**Purchase Price**"), and to pay the amount of NINE THOUSAND EIGHT HUNDRED DOLLARS ONLY of lawful money of Canada (C$9,800.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of ONE THOUSAND ONE HUNDRED THIRTEEN DOLLARS AND EIGHTY SIX CENTS of lawful money of Canada (C$1,113.86).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). Following the Closing Date, the Vendor shall deliver the Concept Planning Fund Contribution to the Operator for deposit into the Concept Planning Fund.

3.2 All payments of the Purchase Price, the Concept Planning Fund Contribution, and such other amounts shall be made through the appointed agent (the "**Vendor's Agent**"), the Vendor's authorised agent and representative in the jurisdiction of residence of the Purchaser, and the Vendor hereby directs the Purchaser to make all such payments to the Vendor's Agent, who is authorised by the Vendor to acknowledge receipt of the Purchase Price and other amounts paid hereunder.

15. LOST DECLARATIONS OF TRUST

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV V INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY V INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 20/797TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV V73-LV V92

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000.00) for each 1/797TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Three Hundred Dollars Only (C$9,300.00) of lawful money of Canada will be paid on account of the purchase price for such interest, and Seven Hundred Dollars Only (C$700.00) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of ONE HUNDRED EIGHTY SIX THOUSAND DOLLARS ONLY of lawful money of Canada (C$186,000.00) (the "**Purchase Price**"), and to pay the amount of FOURTEEN THOUSAND DOLLARS ONLY of lawful money of Canada (C$14,000.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of ONE THOUSAND SEVEN HUNDRED SEVEN DOLLARS AND NINETY TWO CENTS of lawful money of Canada (C$1,707.92).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). Following the Closing Date, the Vendor shall deliver the Concept Planning Fund Contribution to the Operator for deposit into the Concept Planning Fund.

3.2 All payments of the Purchase Price, the Concept Planning Fund Contribution, and such other amounts shall be made through the appointed agent (the "**Vendor's Agent**"), the Vendor's authorised agent and representative in the jurisdiction of residence of the Purchaser, and the Vendor hereby directs the Purchaser to make all such payments to the Vendor's Agent, who is authorised by the Vendor to acknowledge receipt of the Purchase Price and other amounts paid hereunder.

The Operator shall provide or cause to be provided to each Co-Owner not later than 120 days after the end of each calendar year, financial statements showing the financial results for the Property for such calendar year. The Operator shall retain, at the expense of the Co-Owners, an independent firm of chartered accountants qualified in Canada to prepare such financial statements. Such financial statements shall contain a balance sheet, and a statement of cash flows and shall be prepared in accordance with Canadian accounting standards for private enterprises ("**ASPE**") applicable to the real estate industry in Canada and applied on a consistent basis from year to year. The financial statements shall not be required to be audited unless the Co-Owners by Ordinary Resolution require audited financial statements. For greater certainty, the funds in the Concept Planning Fund are hereby recognized as being the funds of the Operator, not of the Co-Owners.

17. AMENDMENT OF AGREEMENT

This Agreement may be amended in writing on the initiative of the Operator with the consent of the Co-Owners given by Ordinary Resolution. Notwithstanding the foregoing, the Operator may, without any prior notice to or consent from the Co-Owners amend any provision of this Agreement from time to time:

(a) to cure an ambiguity or to correct or supplement any provision contained herein which, in the reasonable opinion of the Operator, may be defective or inconsistent with any other provision contained herein, and with respect to which the cure, correction or supplemental provision does not and will not adversely affect the Interests of the Co-Owners; or

(b) to make such other provisions in regard to matters or issues relating to or arising under this Agreement which, in the reasonable opinion of the Operator, do not and will not adversely affect the Interests of the Co-Owners.

LV V73-LV V92-41429

The Operator agrees to inform the Co-Owners by written notice within 60 days following the effective date of an amendment to this Agreement and provide copies of the amending agreement within the said 60 days.

18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

The Operator shall prepare, perform and take or cause to be prepared, performed and taken all Planning Activities as it determines in its reasonable discretion are necessary for and on behalf of the Co-Owners including, without limitation, the following:

(a) surveys and concept plans in connection with the rezoning of the Property;

(b) in the reasonble discretion of the Operator, engage all consultants and professionals including, without limitation, legal counsel with respect to rezoning of the Property or any other Planning Activities;

(c) enter into or request the Nominee to enter into and deliver any documents, consent, acknowledgements or agreements including, without limitation, easements, rights in the nature of an easement, transfers, undertakings, applications, appeals and/or any other similar or related agreements or documents which may be required in the reasonable discretion of the Operator in connection with the Planning Activities;

(d) pay for all costs and expenses associated with Planning Activities, municipal property taxes and the cost of maintaining the Property, out of the Concept Planning Fund, and if insufficient, out of additional funds provided by the Co-Owners; and

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

LV V73-LV V92-41429

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

20. HST AND LTT

Each of the Co-Owners hereby authorizes the Operator to make any and all filings, payments and/or remittances for HST with respect to the purchase by each Co-Owner of his respective Interest and any other payments of HST applicable to the services provided to the Nominee or in respect of the Property or the Interest of a Co-Owner.

Each of the Co-Owners hereby authorizes the Operator to make any and all filings payments and/or remittances, from funds provided by the Co-Owner, relating to LTT arising from the purchase by each Co-Owner from the Vendor of his respective Interest in the Property. For greater certainty, each of the Co-Owners hereby authorizes the Operator on behalf of the Co-Owner and with the Co-Owner's funds to make any and all payments, remittances and filings under the provisions of the *Land Transfer Tax Act* relating to LTT and within the time period required therefor under the *Land Transfer Tax Act*, arising from the acquisition and/or ownership of the Interest. The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

21. POWER OF ATTORNEY

The Vendor may at any time and from time to time Transfer and assign all or any part of such Retained Interest to any person or persons it deems appropriate and upon such Transfer or assignment, the assignee or transferee thereof shall execute a counterpart of this Agreement and shall be a Co-Owner to the extent of the Retained Interest so transferred or assigned.

TSI-LV V INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY V INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV V25-LV V48,LV V212-LV V294-41423

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 107/797TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV V25-LV V48,LV V212-LV V294

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000.00) for each 1/797TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Three Hundred Dollars Only (C$9,300.00) of lawful money of Canada will be paid on account of the purchase price for such interest, and Seven Hundred Dollars Only (C$700.00) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of NINE HUNDRED NINETY FIVE THOUSAND ONE HUNDRED DOLLARS ONLY of lawful money of Canada (C$995,100.00) (the "**Purchase Price**"), and to pay the amount of SEVENTY FOUR THOUSAND NINE HUNDRED DOLLARS ONLY of lawful money of Canada (C$74,900.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

LV V25-LV V48,LV V212-LV V294-41423

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of FOURTEEN THOUSAND THREE HUNDRED TEN DOLLARS AND THIRTY FOUR CENTS of lawful money of Canada (C$14,310.34).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. (hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV V INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY V INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A. The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B. The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of

LV V1-LV V24,LV V159-LV V211-41420

property and environmental legislation), changes in governments and the political environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 77/797TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV V1-LV V24,LV V159-LV V211

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000.00) for each 1/797TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Three Hundred Dollars Only (C$9,300.00) of lawful money of Canada will be paid on account of the purchase price for such interest, and Seven Hundred Dollars Only (C$700.00) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of SEVEN HUNDRED SIXTEEN THOUSAND ONE HUNDRED DOLLARS ONLY of lawful money of Canada (C$716,100.00) (the "**Purchase Price**"), and to pay the amount of FIFTY THREE THOUSAND NINE HUNDRED DOLLARS ONLY of lawful money of Canada (C$53,900.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under

the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of NINE THOUSAND EIGHT HUNDRED SEVENTY SIX DOLLARS AND EIGHTY FIVE CENTS of lawful money of Canada (C$9,876.85).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). Operator receives a release in form and content satisfactory to the Operator, acting reasonably, executed by the Nominee and by the Designated Person for and on behalf of itself and each of the Co-Owners, releasing the Operator from any liability, and the Co-Owners expressly acknowledge and agree that the Designated Person shall have the power and authority to deliver such release, without any further approval or authorization required from the Co-Owners;

(f) otherwise co-operate and assist to carrying out and giving effect to each of the actions set out in Section 10(a), (b), (c), (d) and (e) above.

The Operator may at any time and from time to time by notice in writing, substantially in the form annexed hereto as Schedule "3" (the "**Notice Requisitioning a Special Resolution**") to all Co-Owners, request the Co-Owners to consider and approve any matter relating to the Property requiring a Special Resolution pursuant to the terms of this Agreement. The Notice Requisitioning a Special Resolution shall specify with reasonable detail the matter to be considered and approved by Special Resolution.

Any Co-Owner holding an Interest of 15% or more in the Property or any group of Co-Owners holding Interests of 15% or more in the Property, may at any time and from time to time by written notice to the Operator require the Operator to deliver a Notice Requisitioning a Special Resolution with respect to any matter relating to the Property, including any matter requiring a Special Resolution pursuant to this Agreement. If the Operator fails to deliver such Notice Requisitioning a Special Meeting within 21 days after receiving the written request to do so, then in such event, a Co-Owner holding an Interest of 15% or more in the Property or any group of Co-Owners holding Interests of 15% or more in the Property, may deliver to the other Co-Owners the Notice Requisitioning a Special Resolution which the Operator failed to deliver within the time provided in this Section 10 for the Operator to do so.

11. CO-OWNERS RECORD AND TRANSFERS OF INTEREST

The Operator shall record and at all times maintain and keep up to date a record of the names, addresses and other contact information for the Co-Owners, and the Interest held by each of the Co-Owners as well as particulars of any Transfer of Interests (collectively, the "**Co-Owners Record**").

No Co-Owner shall sell, transfer, assign, mortgage, pledge, grant a security interest or otherwise encumber or dispose of its Interest in the Property (each, a "**Transfer**"), except in compliance with any applicable requirements of the *Securities Act* (Ontario) and any other applicable legislation and otherwise in accordance with the provisions of this Agreement, if and to the extent required.

A Co-Owner may Transfer an Interest or part thereof provided that such Co-Owner complies and satisfies each of the following conditions:

(a) the transferor first delivers to the Operator an original or notarial copy of the executed document or instrument effecting the Transfer which shall be in such form as may be acceptable to the Operator, acting reasonably;

(b) the transferee agrees in writing and in such form as may be acceptable to the Operator, to be bound by the terms of this Agreement and upon completion of the Transfer to

LV V1-LV V24,LV V159-LV V211-41420

(c) the transferor delivers or causes to be delivered to the Operator a direction addressed to both the Nominee and the Operator, in form and substance satisfactory to the Operator and the Nominee, directing the Nominee to execute and deliver a Declaration of Trust for the Interest subject to the Transfer in favour of the transferee;

(d) the transferee pays such costs, expenses and disbursements, including legal fees, as are reasonably incurred by the Operator by reason of the Transfer;

(e) the transferee pays all applicable HST pursuant to the *Excise Tax Act*, and all applicable LTT pursuant to the *Land Transfer Tax Act*, and makes or causes to be made any and all necessary filings, payments and remittances within the time periods required therefor under the provisions of the *Excise Tax Act* and the *Land Transfer Tax Act* and the respective regulations thereunder;

(f) the transferor either provides the transferee with evidence reasonably satisfactory to the transferee that the transferring Co-Owner is not then a "non-resident" of Canada within the meaning of the *Income Tax Act* or provide the transferee with a certificate pursuant to subsection 116(2) of the *Income Tax Act* with a certificate limit in an amount not less than the purchase price for the Interest subject to the Transfer; provided that if such evidence or certificate is not forthcoming, the transferee shall be entitled to make the payment of tax required under section 116 of the *Income Tax Act* and to deduct such payment from the purchase price for the Interest subject to the Transfer;

(g) the transferee executes and delivers to the Operator a counterpart of the Agreement; and

(h) the transferor provides such other documents, agreements, acknowledgements and confirmations as may be required by the Operator or by law (including compliance by the transferring Co-Owner with the provisions of the *Securities Act* (Ontario) if and to the extent applicable).

When a transferee of an Interest is entitled to become a Co-Owner pursuant to the provisions hereof, the Operator will:

(i) record a Transfer of the Interest; and

(j) forward a Declaration of Trust to the transferee in respect of the Interest so transferred.

For the avoidance of doubt, a Transfer by Co-Owner may include a transfer into trust, in which case the terms "sale and purchase agreement", "Purchaser", "purchase", "purchased", and "sale", wherever such terms appear in this Agreement, shall be read so as to recognize that such Transfer is not a purchase and sale transaction between a Co-Owner and a purchaser but a transaction in the nature of a transfer into trust by the transferring Co-Owner to a trustee. Nothing in this Section 11 shall be construed to affect the provisions of Section 12 of this Agreement.

12. OPERATOR NOT BOUND TO SEE TO TRUST OR EQUITY

Other than pursuant to the terms of the Declaration of Trust, the Operator shall not be bound to see to the execution of any trust, express, implied or constructive, or any charge, pledge or equity to which any Interest is subject, or to ascertain or inquire whether any sale or transfer of any such Interest by any Co-Owner or by his personal representatives is authorized by such trust, charge, pledge or equity, or to recognize any person having any interest therein except for the person or persons recorded by the Operator as the Co-Owner.

LV V1-LV V24,LV V159-LV V211-41420

13. INCAPACITY, DEATH, INSOLVENCY OR BANKRUPTCY

Where a person becomes entitled to an Interest by incapacity, death, insolvency or bankruptcy of a Co-Owner or otherwise by operation of law, in addition to the requirements of Section 11 hereof, that person will not be recorded as or become a Co-Owner until:

(a) he produces evidence satisfactory to the Operator of such entitlement; and

(b) he has delivered such other evidence, approvals and consents in respect of such entitlement as the Operator may require and as may be required by applicable law or by this Agreement.

14. DECLARATIONS OF TRUST

A separate Declaration of Trust shall be executed and delivered by the Nominee to each Co-Owner, wherein the Nominee shall declare that it holds title to the Property as nominee and bare trustee for and on behalf of a Co-Owner to the extent of the Co-Owner's Interest. Provided that the Transfer of an Interest has been effected in accordance with the provisions of Section 11 of this Agreement, a separate Declaration of Trust shall be executed and delivered by the Nominee to each transferee Co-Owner of an Interest from a transferring Co-Owner, wherein the Nominee shall declare that it holds title to the Property as nominee and bare trustee for and on behalf of the transferee Co-Owner to the extent of such Co-Owner's Interest.

15. LOST DECLARATIONS OF TRUST

Where a Co-Owner by notice in writing advises the Operator that the Declaration of Trust with respect to such Co-Owner's Interest has been defaced, lost or destroyed or wrongly taken, the Operator may cause a new Declaration of Trust to be issued, provided that the Co-Owner files with the Operator an indemnity in such form as is satisfactory to the Operator to indemnify the Operator, the Nominee and the other Co-Owners from any loss, cost, liability or damages that it or they may incur or suffer by complying with the request to issue a new Declaration of Trust, and provided further that the Co-Owner satisfies all other reasonable requirements of the Operator, including delivery of a form of proof of loss.

16. BOOKS AND RECORDS AND FINANCIAL REPORTS

The Operator will keep or cause to be kept on behalf of the Co-Owners at the Operator's principal place of business in Ontario:

Purchaser, stating: (aa) the name and address of such requesting Co-Owner, and that the Co-Owner is a Co-Owner; (bb) that the Co-Owners Record shall not be used by the requesting Co-Owner or any other person except in connection with a *bona fide* effort to influence the voting by Co-Owners on an Ordinary Resolution or a Special Resolution; (ccc) that the information so provided is subject to applicable privacy rules and regulations; (ddd) that none of the information provided pursuant to clause (a) above shall be disclosed by or on behalf of the requesting Co-Owner to any person who is not a Co-Owner, that such information is proprietary to the Operator and the Co-Owners, and that its disclosure could cause irreparable harm to the other Co-Owners and the Operator; (eee) that the requesting Co-Owner will not, directly or indirectly, offer for sale or purchase, or otherwise traffic in, a list or copy of a list of the Co-Owners or any information contained in the Co-Owners Record; (fff) the requesting Co-Owner acknowledges and agrees that in the event of a breach of any of the covenants, provisions and restrictions in affidavit, the Co-Owners' and Operator's remedy in the form of monetary damages may be inadequate and that the Operator, for itself and on behalf of the other Co-Owners, shall be authorized and entitled, in addition to all other rights and remedies available to it and them, to apply for and obtain from any court of competent jurisdiction interim and permanent injunctive relief and an accounting of all profits and benefits arising out of such breach; and (ggg) that the requesting Co-Owner shall indemnify and hold harmless the Operator and the Nominee and the other Co-Owners from and against any and all losses, costs, expenses, liabilities and damages (including reasonable legal fees and disbursements) incurred by the Operator or the Nominee or the other Co-Owners by reason of any breach by such requesting Co-Owner of any of the covenants, provisions and restrictions contained in the affidavit.

The Operator shall provide or cause to be provided to each Co-Owner not later than 120 days after the end of each calendar year, financial statements showing the financial results for the Property for such calendar year. The Operator shall retain, at the expense of the Co-Owners, an independent firm of chartered accountants qualified in Canada to prepare such financial statements. Such financial statements shall contain a balance sheet, and a statement of cash flows and shall be prepared in accordance with Canadian accounting standards for private enterprises ("**ASPE**") applicable to the real estate industry in Canada and applied on a consistent basis from year to year. The financial statements shall not be required to be audited unless the Co-Owners by Ordinary Resolution require audited financial statements. For greater certainty, the funds in the Concept Planning Fund are hereby recognized as being the funds of the Operator, not of the Co-Owners.

17. AMENDMENT OF AGREEMENT

This Agreement may be amended in writing on the initiative of the Operator with the consent of the Co-Owners given by Ordinary Resolution. Notwithstanding the foregoing, the Operator may, without any prior notice to or consent from the Co-Owners amend any provision of this Agreement from time to time:

(a) to cure an ambiguity or to correct or supplement any provision contained herein which, in the reasonable opinion of the Operator, may be defective or inconsistent with any other provision contained herein, and with respect to which the cure, correction or supplemental provision does not and will not adversely affect the Interests of the Co-Owners; or

(b) to make such other provisions in regard to matters or issues relating to or arising under this Agreement which, in the reasonable opinion of the Operator, do not and will not adversely affect the Interests of the Co-Owners.

LV V1-LV V24,LV V159-LV V211-41420

The Operator agrees to inform the Co-Owners by written notice within 60 days following the effective date of an amendment to this Agreement and provide copies of the amending agreement within the said 60 days.

18. PLANNING ACTIVITIES AND CONCEPT PLANNING FUND

As agent for the Vendor, the Operator shall deposit an amount equivalent to the Concept Planning Fund Contribution (as such term is defined in each Sale and Purchase Agreement) received by the Vendor under every completed Sale and Purchase Agreement into a single, segregated account (the "**Concept Planning Fund**") to be in the name of the Operator and to be used by the Operator solely for the purpose of paying the costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities, and those costs and expenses enumerated in Section 6(j) of this Agreement.

The Concept Planning Fund is intended to be a deposit account. Each Co-Owner's respective proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Co-Owner following completion of the sale of the Property. Each Co-Owner's share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of this Agreement) will be paid by the Co-Owner and deducted from his proportionate share of any sale proceeds receivable by him, if and when the Property is sold or otherwise disposed of. Each Co-Owner hereby irrevocably authorizes and directs the Operator to withhold from his proportionate share of any amounts otherwise receivable by it under this Agreement the amount of any such shortfall, and to pay such amount to the Operator.

The Operator shall keep proper and accurate records and details of all expenses paid out of the Concept Planning Fund, and at the request of the Vendor, provide access to the Vendor's representatives to such records and details of expenses to permit the Vendor to satisfy itself that such expenses were paid in accordance with the provisions of this Agreement.

The Operator shall prepare, perform and take or cause to be prepared, performed and taken all Planning Activities as it determines in its reasonable discretion are necessary for and on behalf of the Co-Owners including, without limitation, the following:

(d) pay for all costs and expenses associated with Planning Activities, municipal property taxes and the cost of maintaining the Property, out of the Concept Planning Fund, and if insufficient, out of additional funds provided by the Co-Owners; and

(e) keep detailed records and accounts for or pertaining to the Planning Activities.

LV V1-LV V24,LV V159-LV V211-41420

If the amount set aside in the Concept Planning Fund is not sufficient to defray all costs and expenses related to the Property of every nature and kind, including without limitation, those incurred in connection with any Planning Activities and those costs and expenses enumerated in Section 6(j) of this Agreement, the Operator, in the exercise of its absolute discretion, and without the approval of the Co-Owners, may advance to the Co-Owners an amount or amounts on account of such shortfall to a maximum of 5% of the aggregate purchase prices paid by all Co-Owners for their respective Interests(collectively, the "**Initial Advance**"). The Initial Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance made to the Co-Owners out of the proceeds of the sale of the Property.

If the cost of Planning Activities exceeds the combination of the Concept Planning Fund and the Initial Advance, the Operator, as it deems necessary in the exercise of its absolute discretion but subject to the approval of the Co-Owners by way of an Ordinary Resolution, may advance to the Co-Owners additional amounts as may be required for such purposes (collectively, the "**Additional Advance**"). The Additional Advance amount shall bear no interest and shall be fully repaid out of the proceeds derived from the Property including from the sale of the Property, after repayment of the Initial Advance, and the Operator shall be entitled to withhold an amount sufficient to repay the aggregate amount of the Initial Advance and the Additional Advance made to the Co-Owners out of the proceeds of the sale of the Property.

19. SALE OF THE PROPERTY

Any offer to purchase the Property received by the Operator or the Nominee, which the Operator deems acceptable (the "**Offer**") shall be presented to all of the Co-Owners for consideration and if approved by an Ordinary Resolution such Offer shall be accepted by the Nominee and such acceptance shall be binding upon all of the Co-Owners. Any sale of the Property by the Nominee resulting from an Offer the acceptance of which was approved by an Ordinary Resolution of the Co-Owners shall be deemed to include the sale by the Co-Owners of the Interests.

The Co-Owners hereby agree that Operator shall have the right, exercisable by notice in writing to the Co-Owners within 30 days after the Co-Owners have passed an Ordinary Resolution to accept the Offer, to purchase the Property at the same price and on the same terms and conditions as are contained in the Offer approved by Ordinary Resolution of the Co-Owners.

If the Operator fails to provide the notice exercising its right to purchase the Property on the same terms and conditions as are contained in the Offer within the said 30 days, then the Nominee shall accept the Offer and complete the transaction with the party that made the Offer the acceptance of which was approved by Ordinary Resolution of the Co-Owners.

20. HST AND LTT

Each of the Co-Owners hereby authorizes the Operator to make any and all filings, payments and/or remittances for HST with respect to the purchase by each Co-Owner of his respective Interest and any other payments of HST applicable to the services provided to the Nominee or in respect of the Property or the Interest of a Co-Owner.

For greater certainty, each of the Co-Owners hereby authorizes the Operator on behalf of the Co-Owner and with the Co-Owner's funds to make any and all payments, remittances and filings under the provisions of the *Land Transfer Tax Act* relating to LTT and within the time period required therefor under the *Land Transfer Tax Act*, arising from the acquisition and/or ownership of the Interest. The Operator shall provide each Co-Owner with copies of such filings and evidence of the payments and remittances upon the written request of a Co-Owner.

21. POWER OF ATTORNEY

Each Co-Owner hereby nominates, constitutes and appoints each of the Operator and the Nominee, acting alone or together, with full power of substitution, as his true and lawful attorney and agent with full power and authority in his name, place and stead, for his use and benefit, to do the following, as fully and effectually as the Co-Owner could do if personally performed including, without limitation:

(hereinafter referred to as the "**Purchaser**")

-and-

TSI-LV V INTERNATIONAL CANADA INC.,
a corporation incorporated under the laws of the Province of Ontario,

(hereinafter referred to as the "**Vendor**");

-and-

LONDON VALLEY V INC.,
a corporation incorporated under the laws of the Province of Ontario

(hereinafter referred to as the "**Nominee**")

WHEREAS:

A The Vendor is the beneficial owner of an undivided interest in a parcel of land described in Schedule "B" annexed to this Agreement (the "**Property**") and title to which Property is registered in the name of the Nominee.

B The Vendor is engaged in the business of land banking, the prime focus of which is to locate and purchase raw land and to endeavour to rezone the land through the applicable land development process to an approved use determined by the Vendor to be suitable and appropriate in all of the circumstances, and to thereby enhance the value of the land.

C. The Purchaser acknowledges that rezoning of the Property is uncertain and may take many years to achieve, often six years or longer, and that there can be no assurance that rezoning will be obtained, or if obtained, to permit for such use or uses as were requested and/or otherwise on terms and conditions that are satisfactory.

D. The Vendor may from time to time sell undivided beneficial interests in the Property to various purchasers.

E. The Purchaser acknowledges that real estate investments are generally subject to various risks, including a lack of liquidity, the highly competitive nature of the real estate industry, changes in general economic conditions (such as the availability and cost of mortgage funds), conditions of supply and demand for any particular type of real estate in the particular area, government regulations and changes thereto (including uncertainties and delays in zoning, subdivision and development regulatory approval processes, taxation of property and environmental legislation), changes in governments and the political

environment in the jurisdiction where the real estate is located, and sensitivity to interest rates, among other factors.

F. The Purchaser acknowledges having had the opportunity to review this Agreement and its schedules with its advisors and to conduct such due diligence investigations as the Purchaser deemed appropriate with respect to all matters pertaining to the Property and to the Vendor.

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the premises and the covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. SALE OF UNDIVIDED BENEFICIAL INTEREST IN LAND

1.1 The Purchaser hereby agrees to purchase from the Vendor and the Vendor hereby agrees to sell to the Purchaser a 41/797TH undivided beneficial interest in the Property (the "**Purchaser's Land Interest**").

1.2 The Purchaser's Land Interest will be identified by the following designated identification number: LV V295-LV V335

2. . PURCHASE PRICE

2.1 The Purchaser shall pay the aggregate sum of Ten Thousand Dollars of lawful money of Canada (C$10,000.00) for each 1/797TH undivided beneficial interest in the Property upon execution of this Sale and Purchase Agreement, of which Nine Thousand Five Hundred Dollars (C$9,500.00) of lawful money of Canada will be paid on account of the purchase price for such interest, and Five Hundred Dollars (C$500.00) of lawful money of Canada will be paid into a segregated account known as the "Concept Planning Fund" (the "**Concept Planning Fund**") to be used to defray costs, expenses and fees to be incurred in connection with the Property, as more particularly hereinafter described and as described in the Co-Owners Agreement (as such term is hereinafter defined).

2.2 The Purchaser hereby agrees to purchase the Purchaser's Land Interest for a total purchase price of THREE HUNDRED EIGHTY-NINE THOUSAND AND FIVE HUNDRED DOLLARS ONLY of lawful money of Canada (C$389,500.00) (the "**Purchase Price**"), and to pay the amount of TWENTY THOUSAND AND FIVE HUNDRED DOLLARS ONLY of lawful money of Canada (C$20,500.00) into the Concept Planning Fund (the "**Concept Planning Fund Contribution**"). All references in this Agreement to payments of money being made shall mean lawful money of Canada.

2.3 The Purchase Price excludes applicable harmonized sales tax (the "**HST**") pursuant to the *Excise Tax Act*, R.S.C. 1985, c E-15, as amended (the "**ETA**") and the Purchaser agrees to pay the HST in addition to the Purchase Price and the Concept Planning Fund Contribution, unless the Purchaser has obtained and inserted (or instructed to be inserted) its HST registration number set forth below on the signing page of this Agreement, below its signature, prior to acceptance of this Agreement by the Vendor, in which case the Purchaser hereby represents and warrants that it is a registrant for HST purposes under the provisions of the ETA, under such registration number.

2.4 Included in the Purchase Price and the Concept Planning Fund Contribution, the Purchaser shall be responsible for the payment of land transfer tax ("**LTT**") under the *Land Transfer Act*, R.S.O., c L.6. as amended (the "**LTTA**"), in the amount of FOUR

THOUSAND FIVE HUNDRED AND EIGHTY-THREE DOLLARS AND THIRTY-THREE CENTS of lawful money of Canada (C$4,583.33).

2.5 The Purchaser covenants to pay, make and submit all necessary payments, filings and remittances within the time periods required therefor under the provisions of the ETA, if applicable, and the LTTA, and the regulations thereunder. The Purchaser hereby authorizes the Vendor on behalf of the Purchaser and with the Purchaser's funds, to make any and all payments, filings and remittances within the time periods required therefore under the provisions of the ETA relating to HST, if applicable, and under the provisions of the LTTA relating to LTT required to be made by the Purchaser arising from its acquisition of the Purchaser's Land Interest. While the Vendor agrees to assist the Purchaser in submitting such payments, remittances and filings, for greater certainty, nothing herein contained shall oblige the Vendor to make any payments or remittances from its own resources or funds and all such payments and remittances and filings shall be the Purchaser's obligation.

2.6 Funds in the Concept Planning Fund shall be applied towards defraying future costs of every nature and kind related to the Property, including property management costs, costs, fees, and services incurred in connection with planning activities, development submissions, subdivision applications, operational costs and all other activities and matters concerning or related to the Property, as determined by the Operator (as such term is defined in the Co-Owners Agreement) which would be incurred by or on behalf of the Purchaser as a Co-Owner. The Concept Planning Fund is intended to be a deposit account. The Purchaser's proportionate share of any excess cash remaining in the Concept Planning Fund, as determined by the Operator, will be refunded without interest to the Purchaser following completion of the sale of the Property. The Purchaser's proportionate share of any shortfall in the Concept Planning Fund (and in the payment of those other costs and expenses enumerated in Section 6(j) of the Co-Owners Agreement) will be paid by the Purchaser (in its capacity as a Co-Owner) and deducted from its proportionate share of any sale proceeds receivable by it, if and when the Property is sold or otherwise disposed of.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Purchaser hereby agrees that the Purchase Price, the Concept Planning Fund Contribution, and all other amounts due and payable hereunder, shall be paid to the Vendor on the Closing Date (as hereinafter defined). Following the Closing Date, the Vendor shall deliver the Concept Planning Fund Contribution to the Operator for deposit into the Concept Planning Fund.

3.2 All payments of the Purchase Price, the Concept Planning Fund Contribution, and such other amounts shall be made through the appointed agent (the "**Vendor's Agent**"), the Vendor's authorised agent and representative in the jurisdiction of residence of the Purchaser, and the Vendor hereby directs the Purchaser to make all such payments to the Vendor's Agent, who is authorised by the Vendor to acknowledge receipt of the Purchase Price and other amounts paid hereunder.

4. CLOSING DATE, DELIVERIES, COSTS, NON-MERGER

4.1 The date on which this Agreement is signed by the Purchaser and is accepted and signed by the Vendor and the Nominee shall be the "**Closing Date**". On the Closing Date, in addition to delivering the Purchase Price and this Agreement, the Purchaser agrees to deliver to the Vendor's Agent a copy of the Co-Owners Agreement signed by the Purchaser.

4.2 Within ninety (90) days after the Closing Date, the Vendor agrees to deliver to the Purchaser the following documents (the "**Closing Documents**"):

(a) this Agreement, duly executed by the Vendor and the Nominee;

(b) a Declaration of Trust (as hereinafter defined), duly executed by the Nominee; and

(c) the Co-Owners Agreement (as hereinafter defined), duly executed by the Nominee and Operator (as therein defined).

4.3 The Vendor shall pay for the cost of drafting and/or settling the Closing Documents. The Vendor shall not be obligated to pay any other costs associated with the purchase of the Purchaser's Land Interest.
