NOTICE OF MOTION
(Priority Claims Procedure, Distribution Approval and Commission Repayment)
(Returnable October 1, 2026)

AlixPartners Restructuring, Inc. in its capacity as Court-appointed receiver and manager (in such capacity, the "**Receiver**") without security, of all of the assets, undertakings and properties of Nova Ridge (Manderley) Limited Partnership (the "**Borrower**") and Nova Ridge (Manderley) GP Corp. (the "**Borrower GP**" and collectively with the Borrower, the "**Debtors**") acquired for, or used in relation to a business carried on by the Debtors, pursuant to an order of the Honourable Justice Myers dated June 23, 2026 (the "**Receivership Order**"), will make a motion to a judge of the Ontario Superior Court of Justice (Commercial List) on October 1, 2026 at 12:00 p.m. or as soon after that time as the motion can be heard, by judicial videoconference via Zoom at Toronto, Ontario.

THE MOTION IS FOR:

1. An order (the "**Priority Claims Procedure Order**"), substantially in the form of the draft order attached at Tab 3 to the Receiver's Motion Record, which, among other things, authorizes and directs the Receiver to carry out the Priority Claims Procedure;

2. An order (the "**Distribution Approval Order"**), substantially in the form of the draft order attached at Tab 4 of the Receiver's Motion Record, which, among other things:

   (a) authorizes and directs the Receiver to make certain distributions to the Lenders, subject to maintaining appropriate reserves for Priority Claims and the costs of the receivership; and

   (b) approving the reports, activities, fees and disbursements of the Receiver and its counsel, McCarthy Tétrault LLP; and

3. An order (the "**Commission Repayment Order**"), substantially in the form of the draft Order attached at Tab 5 of the Receiver's Motion Record, directing the applicable brokers to pay the Unearned Commissions to the Receiver by no later than October 16, 2026 unless otherwise agreed by the Receiver.

THE GROUNDS FOR THE MOTION ARE:

4. All capitalized terms used and not otherwise defined herein have the meanings given to them in the Second Report of the Receiver dated September 22, 2026 (the "**Second Report**").

Background

5. The Debtors have substantially completed the construction of an 11-storey condominium development known as "The Manderley".

6. On June 23, 2026, the Court issued the Receivership Order appointing the Receiver. The Receiver was appointed to, among other things, carry out a court-supervised process to complete the sale of the Unsold Units in the development.

Priority Claims Procedure

7. The Receiver has developed the Priority Claims Procedure to identify, determine and resolve Priority Claims against the Debtors.

8. Priority Claims are claims that are secured against the Debtors or their assets and that rank ahead of the Senior Secured Lenders' Claim. Priority Claims do not include claims that do not have a basis to rank in priority to the Senior Secured Lenders' Claim, Post-Filing Claims, or amounts that have priority under charges granted by the Receivership Order.

9. The Receiver will give notice to Priority Claimants by posting the Priority Claims Procedure Order and related schedules on its website, sending Claims Packages to known potential Priority Creditors identified from the Debtors' records, and publishing notice in *The Globe and Mail* and *Insolvency Insider*.

10. Priority Claimants must deliver a completed Proof of Priority Claim, with supporting documentation, to the Receiver by 5:00 p.m. (Toronto time) on November 5, 2026. The time period provided to Priority Claimants to file a Proof of Priority Claim is sufficient, as Priority Claimants are expected to be primarily construction lien claimants already identified on title, on the Service List, and aware of the proceedings.

11. The Receiver will review timely Proofs of Priority Claim and may accept, revise or disallow the amount or status of any claim. It may request further information and seek consensual resolution. If it revises or disallows a claim, it will issue a Notice of Revision or Disallowance with reasons, which will be binding unless disputed within seven days.

12. A Priority Creditor must deliver any Notice of Dispute within seven days, unless extended by the Receiver or ordered by the Court. The Receiver may then seek consensual resolution or bring the dispute before the Court.

13. The Receiver believes the Priority Claims Procedure is reasonable and appropriate because it provides broad notice, establishes an efficient process for determining the nature, validity, quantum and priority of Priority Claims, and allows distributions to proceed as soon as practicable, subject to necessary reserves and receivership costs.

Distribution Approval

14. The Lender Indebtedness was approximately $30.6 million as of June 8, 2026, before accruing fees, costs and interest, and is secured by the Debenture Charge. The Receiver has obtained a security opinion confirming that, subject to standard qualifications and assumptions, the Debtors' security in favour of the Lenders is valid and enforceable under Ontario law.

15. After the Claims Bar Date, the Receiver will be able to identify the asserted Priority Claims and determine an appropriate reserve for those claims.

16. The Lenders hold first-priority security against the Property, subject only to any Priority Claims and the receivership charges. Accordingly, once appropriate reserves are established for Priority Claims and receivership costs, it is appropriate for the Receiver to make one or more distributions to the Lenders from available funds.

Approval of Reports and Activities

17. The Receiver has acted diligently, independently and in accordance with its obligations under the *Bankruptcy and Insolvency Act* (Canada) and the Receivership Order in carrying out its activities as set out in the Prior Reports and the Second Report. The Receiver's activities as set out in the Prior Reports and the Second Report should be approved.

Fees and Disbursements for the Receiver and Receiver's Counsel

18. The fees and disbursements incurred by the Receiver and its counsel, as described in the Fee Affidavits, are reasonable in the circumstances and have been validly incurred in respect of the receivership. The fees and disbursements of the Receiver and its counsel should be approved.

Commission Repayment Order

19. Before the receivership proceedings, the Debtors paid certain brokers commission advances after agreements of purchase and sale were signed and deposits paid. Those

commissions were not earned unless and until the applicable sale closed, and if the sale failed to close, the brokers were required to repay the advances in full.

20. The Receiver has identified approximately $112,000 in outstanding Unearned Commissions payable by three brokerages, acting through four co-operating agents, in respect of seven condominium unit sales that failed to close. Each applicable Broker Cooperating Agreement requires repayment of commission advances within five days if the sale does not close for any reason.

21. The Receiver sent demand letters, follow-up letters and final notices to the Brokers, but all of the brokers except one have refused or failed to repay the Unearned Commissions. The Receiver has advised each Broker that it will seek an order requiring repayment by October 16, 2026, unless otherwise agreed by the Receiver, and considers the order necessary and appropriate given the objections raised by one Broker and the lack of response from the others.

Other Grounds

22. The Receiver also relies upon the following:

    (a) the provisions of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3;

    (b) the provisions of the *Courts of Justice Act*, RSO 1990, c. C-43, as amended; and

    (c) such further and other grounds as counsel may advise and this Honourable Court may permit.

23. The following documentation evidence will be used at the hearing of the motion:

    (a) the Second Report and the Appendices thereto;

    (b) the Fee Affidavit of Trevor Courtis;

    (c) the Fee Affidavit of Robert Kofman; and,

such further and other materials as counsel may advise and this Court may permit.

SECOND REPORT OF ALIXPARTNERS RESTRUCTURING, INC.
AS RECEIVER AND MANAGER

SEPTEMBER 22, 2026

1.0 Introduction

1. On June 23, 2026, the Ontario Superior Court of Justice (Commercial List) (the "**Court**") issued an order (the "**Receivership Order**"), among other things, appointing AlixPartners Restructuring, Inc. ("**AlixPartners**") as the receiver and manager (in such capacity, the "**Receiver**"), without security, of the assets, undertakings and properties of Nova Ridge (Manderley) Limited Partnership ("**Nova Ridge LP**") and Nova Ridge (Manderley) GP Corp. ("**Nova Ridge GP**" and with Nova Ridge LP, the "**Debtors**") acquired for, or used in relation to a business carried on by the Debtors (the "**Business**"), including all proceeds thereof (collectively, the "**Property**"). A copy of the Receivership Order is attached as **Appendix "A"**.

2. The application to appoint AlixPartners as the Receiver was filed by United Overseas Bank Limited ("**UOB**"), in its capacity as administrative agent for the Construction Lenders and as Mezzanine Lender (each as defined below), and as the Debtors' senior secured creditor.

3. The principal purpose of these receivership proceedings is to provide the Debtors a stay of proceedings so that the Receiver has a stabilized environment to preserve and sell the Property, address outstanding construction lien claims, and distribute the proceeds of sale in accordance with priorities.

4. Background information concerning the Debtors, the Project and these receivership proceedings is set out in the Receiver's prior reports and, except as necessary, is not repeated in this report (the "**Second Report**"). Those reports (collectively, the "**Prior Reports**") include the First Report of the Receiver dated July 8, 2026 (the "**First Report**"), and the Supplement to the First Report dated July 24, 2026, the Second Supplement to the First Report dated August 4, 2026, and the Third Supplement to the First Report dated August 28, 2026 (together, the "**Supplemental Reports**"). Unless otherwise defined, capitalized terms used in this Second Report have the meanings given to them in the Prior Reports.

5. Pursuant to an order of the Honourable Justice Black dated August 5, 2026 (the "**Sale Approval Order**"), the Court approved a sale process (the "**Sale Process**") for the sale of the Unsold Units (as defined below), on an individual and/or *en bloc* basis, and approved the retention of Milborne Real Estate Inc. as sales agent (the **"Sales Agent"**).

6. As the Receiver completes transactions under the Sale Process and begins to realize proceeds, it is necessary to determine the nature, validity, quantum and priority of certain claims against the Property. Once the scope of potential priority claims has been ascertained, and as those claims are determined, it will be appropriate for the Receiver to proceed with distributing proceeds to the Lenders while maintaining sufficient reserves for the remaining potential priority claims. This Second Report is filed in support of the Receiver's motion for an order approving a priority claims procedure and a distribution approval order for that purpose.

1.1 Purposes of this Report

1. The purposes of this Second Report are to:

   a) provide background information concerning the Debtors and these proceedings;

   b) summarize the proposed priority claims procedure (the "**Priority Claims Procedure**") for the identification, determination and resolution of Priority Claims (as defined below) against the Debtors;

c) provide an update on the status of the Receiver's efforts to recover certain commissions paid by the Debtors to real estate brokers in respect of the sale by such brokers of the Debtors' condominiums that did not close (the "**Unearned Commissions**");

d) outline the fees and disbursements of the Receiver and its counsel, McCarthy Tétrault LLP ("**McCarthy**");

e) provide an update on the progress of the Sale Process and the Receiver's activities since the First Report; and

f) recommend that the Court issue the following three orders:

i. an order approving the Priority Claims Procedure and authorizing and directing the Receiver to carry it out (the "**Priority Claims Procedure Order**");

ii. an order authorizing and directing the Receiver to make certain distributions to the Lenders, subject to maintaining appropriate reserves for any priority claims and costs of administration, and approving the reports, activities and fees of the Receiver (the "**Distribution Approval Order**"); and

iii. an order directing the applicable brokers to pay the Unearned Commissions to the Receiver by no later than October 16, 2026, unless otherwise agreed by the Receiver (the "**Commission Repayment Order**").

1.2 Currency

1. All currency references in this Report are to Canadian dollars.

1.3 Restrictions

1. In preparing this Report, the Receiver has relied upon the Debtors' unaudited financial information, books and records and discussions with the Sales Agent and the Debtors' management team. The Receiver has also relied upon information obtained while administering these proceedings and from consultation with certain of the Debtors' stakeholders.

2. The Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the financial information relied on to prepare this Report in a manner that complies with Canadian Auditing Standards ("**CAS**") pursuant to the Chartered Professional Accountants of Canada Handbook and, accordingly, the Receiver expresses no opinion or other form of assurance contemplated under the CAS in respect of such

information. Any party, other than the Court, placing reliance on the financial information should perform its own diligence.

3. This Second Report summarizes and discusses the Priority Claims Procedure. Interested parties are strongly encouraged to review the Priority Claims Procedure Order in its entirety. To the extent there is any inconsistency between this Second Report and the Priority Claims Procedure Order, the Priority Claims Procedure Order shall prevail. Not all details of the Priority Claims Procedure have been reproduced in this Second Report.

2.0 Background

2.1 The Debtors and the Project

1. Nova Ridge LP is a limited partnership formed under the *Limited Partnerships Act* (Ontario). Nova Ridge GP is the sole general partner of Nova Ridge LP and is a corporation incorporated under the *Business Corporations Act* (Ontario). Nova Ridge LP is the registered title holder of the Real Property, including the Unsold Units (as defined below).

2. The Project is comprised of 194 residential condominium units (the "**Suites**") and two ground-floor retail units. The Project achieved substantial completion on April 28, 2026, and the certificate of substantial completion was published on May 5, 2026. The two retail units have been sold and those transactions have closed. As at the date of the Receivership Order, 70 Suites, 34 parking spots, 28 lockers and 23 combined parking spots and lockers remained unsold (collectively, the "**Unsold Units**"). As detailed further below, since the commencement of the receivership, the Receiver has negotiated the sale of four units, one of which has closed, and the Receiver, through the Sales Agent, is in advanced discussions with several potential purchasers on other units.

2.2 The Creditors

1. As described in the First Report, UOB, as administrative agent (in such capacity, the **"Agent"**), and UOB and Laurentian Bank of Canada (**"Laurentian"**), as lenders (collectively, the **"Construction Lenders"**), made available to the Debtors a non-revolving term construction facility of up to $79,916,000 (the **"Term Construction Facility"**) and a non-revolving standby letter of credit / letter of guarantee facility of up to $2,500,000 (the **"LC Facility"** and, together with the Term Construction Facility, the **"Construction Loan Facilities"**). UOB (in such capacity, the **"Mezzanine Lender"** and, together with the Construction Lenders, the **"Lenders"**) also made available to the Debtors a non-revolving term mezzanine facility of up to $9,050,000 (the **"Mezzanine Facility"** and, together with the Construction Loan Facilities, the **"Facilities"**).

2. As of June 8, 2026, the Debtors were indebted to the Lenders in the aggregate approximate amount of $30.6 million in respect of the Facilities (before fees, costs and interest, which continue to accrue) (the **"Lender Indebtedness"**), comprised of approximately $21,123,337 under the Term Construction Facility, $605,737 under the LC Facility, and $8,913,611 under the Mezzanine Facility.

3. The Facilities are secured by, among other things, a Demand Debenture given by the Debtors and registered against the Real Property (the **"Debenture Charge"**), pursuant to which the Debtors granted a first-ranking fixed and specific mortgage and charge over the Real Property. As described in the First Report, the Debenture Charge ranks in priority to all other charges registered on title to the Real Property, subject to certain potential priority amounts, including registrations and construction lien claims that may rank in priority — for instance, to the extent of any unpaid statutory holdback. The claim of the Lenders secured by the Debenture Charge is referred to in the Priority Claims Procedure Order as the **"Senior Secured Lenders' Claim."**

2.3 Liens

1. The Certificate of Substantial Performance published on May 5, 2026 required construction liens to be preserved by registration against the Real Property within 60 days, being on or before July 4, 2026. As set out in the First Report, a number of construction liens and related security interests were registered against the Real Property as of that date, in the aggregate amount of $11,357,528 (collectively, the **"Liens"**), including a lien of Wilkinson Manderley Inc. in the amount of approximately $8.4 million, and liens of a number of other trades and suppliers.

2. As described in the Prior Reports, the registration of the Liens, together with the Debtors' defaults under the Facilities, was among the circumstances that necessitated a court-supervised process to complete the sale of the Unsold Units while addressing the registered construction liens.

2.4 Status of the Sale Process

1. Pursuant to the Sale Approval Order, the Court approved the Sale Process for the marketing and sale of the Unsold Units, on an individual and/or en bloc basis, and approved the retention of the Sales Agent.

2. Since the granting of the Sale Approval Order, the Receiver and the Sales Agent have been actively marketing the Unsold Units on both an individual and an en bloc basis. The Sales Agent's activities have included listing Unsold Units, contacting prospective purchasers (including purchasers under terminated pre-receivership agreements of purchase and sale), soliciting interest from prospective en bloc purchasers, and arranging open-house events, including open houses scheduled for September 26 and 27, 2026.

3. As noted above, as at the date of this Second Report, four transactions have been negotiated and contracts signed for the sale of Unsold Units, one which has closed, while several other transactions are subject to ongoing negotiations. The Sale Approval Order provides a streamlined process for the Receiver to obtain an Approval and Vesting Order from the registrar for sales of individual Unsold Units without the need for a further court attendance, provided that (i) the total accepted sale price is not less than the court-approved target price, and (ii) the agreement of purchase and sale is substantially the form of the court-approved template agreement, subject to such minor deviations as the Receiver deems appropriate.

4. The Receiver is also pursuing the sale of some or all of the Unsold Units on an en bloc basis, and the Sales Agent has engaged with prospective en bloc purchasers who are reviewing the information provided to them.

5. As the Receiver completes transactions under the Sale Process and realizes proceeds from the Unsold Units, it is necessary to determine the nature, validity, quantum and priority claims in these proceedings. The Priority Claims Procedure is intended to provide a court-supervised process for that purpose.

3.0 The Proposed Priority Claims Procedure[1]

3.1 Overview and Purpose

1. The Receiver has developed the Priority Claims Procedure to identify, determine and resolve priority claims (each a "**Priority Claim**", together the "**Priority Claims**") against the Debtors. As defined in the Priority Claims Procedure Order, a Priority Claim is a claim that is secured against either or both of the Debtors and/or any of their assets and that ranks in priority to the Senior Secured Lenders' Claim.[2] A claimant asserting a Priority Claim is a Priority Claimant.

[1] Capitalized terms in this section have the meaning provided to them in the Priority Claims Procedure Order unless otherwise defined herein.

[2] This includes claims for a statutory holdback in relation to valid and properly registered construction liens to the extent they have priority over the Senior Secured Lenders' Claim pursuant to the Construction Act (Ontario), and claims for amounts held in trust.

2. For greater certainty, the Priority Claims Procedure will not determine the following claims and they should not be submitted as part of the Priority Claims Procedure:

   a) unsecured claims or claims that otherwise do not have a basis to rank ahead of the Senior Secured Lenders' Claim;

   b) Post-Filing Claims, which are claims relating to a time period after the date of the Receivership Order and/or not based on facts existing on or prior to the date of the Receivership Order; and

   c) amounts that have priority pursuant to charges granted by the Court under the Receivership Order and which are not required to be proven in the Claims Procedure.

3. The following are the key dates and deadlines:

Event	Date/Deadline
Hearing	October 1, 2026
Order and Claims Package posted on Receiver's Website	October 6, 2026
Claims Package sent to all known potential Priority Creditors	October 6, 2026
Notice to potential Priority Creditors published in *The Globe and Mail (National Edition)* and Insolvency Insider	October 8, 2026
Claims Bar Date	November 5, 2026 at 5:00 p.m.

3.2 Notice to Potential Priority Creditors

1. The Priority Claims Procedure Order provides that the Receiver will give notice of the Priority Claims Procedure to potential Priority Creditors as follows:

   a) by October 6, 2026, the Receiver will post the Priority Claims Procedure Order, with schedules, on the Receiver's Website;

   b) by October 6, 2026, the Receiver will send a Claims Package to each person that the Debtors' books and records disclose to be a potential Priority Creditor whose amounts owing remain unpaid, in whole or in part, as at the date of the Priority Claims Procedure Order; and

   c) by October 8, 2026, the Receiver will cause the Notice to potential Priority Creditors to be published in *The Globe and Mail* (National Edition) and *Insolvency Insider*.

2. The Claims Package will include a copy of (or a hyperlink to) the Priority Claims Procedure Order, an Instruction Letter, a Proof of Priority Claim form, and such other materials as the Receiver considers appropriate. The Receiver will also deliver a Claims Package to any person claiming to be a Priority Creditor who requests one prior to the Claims Bar Date.

3. Pursuant to paragraph 24 of the Priority Claims Procedure Order, notices and other documents delivered by the Receiver are deemed to have been received on the next Business Day following delivery where, sent by courier, personal delivery or electronic transmission (including email), and on the fourth Business Day after mailing where sent by ordinary mail.

3.3 Claims Bar Date and Filing of Proofs of Priority Claim

1. Any Priority Creditor wishing to assert a Priority Claim is required to deliver to the Receiver a completed Proof of Priority Claim, together with supporting documentation, by no later than 5:00 p.m. (Toronto time) on November 5, 2026 (the **"Claims Bar Date"**), being 35 days after the date of the Priority Claims Procedure Order.

2. Any Priority Creditor that does not file a Proof of Priority Claim by the Claims Bar Date will be forever barred from asserting or enforcing its Priority Claim and will not be entitled to receive any distribution from the Receiver or the Debtors in respect of such Priority Claim.

3. In the Receiver's view, the Claims Bar Date affords Priority Claimants sufficient time to file a Proof of Priority Claim, particularly given that the Priority Claimants are expected to consist primarily of the construction lien claimants identified on title, each of whom is already on the Service List and aware of these proceedings.

3.4 Review and Determination of Priority Claims

1. The Receiver will review each Proof of Priority Claim filed by the Claims Bar Date and may accept, revise or disallow (in whole or in part) the amount and/or status of the Priority Claim asserted. The Receiver may request additional information and may attempt to resolve the amount and/or status of any Priority Claim with the Priority Claimant on a consensual basis.

2. Where the Receiver determines to revise or disallow a Proof of Priority Claim (in whole or in part), it will send the Priority Claimant a Notice of Revision or Disallowance setting out the reasons. A Priority Claimant that does not dispute a Notice of Revision or Disallowance within seven days of delivery will be deemed to have accepted the amount and status of its Priority Claim as set out in that notice.

3.5 Dispute and Resolution of Priority Claims

1. A Priority Claimant that wishes to dispute a Notice of Revision or Disallowance must deliver a Notice of Dispute so that it is received by the Receiver by no later than 5:00 p.m. (Toronto time) on the Business Day that is seven days after delivery of the Notice of Revision or Disallowance (or such later date as the Receiver may agree in writing or the Court may order).

2. If a Notice of Dispute is delivered in accordance with the Priority Claims Procedure Order, the Receiver may attempt to resolve the Priority Claim with the Priority Claimant on a consensual basis and/or schedule a hearing before the Court to determine the matter, in which case the Priority Claimant will be deemed to be the applicant and the Receiver the respondent. The Receiver may also bring a motion to the Court for a final determination of a Priority Claim at any time, on notice to the applicable Priority Claimant, and either the Receiver or a Priority Claimant may seek directions from the Court.

3.6 Other Terms of the Priority Claims Procedure

1. The Priority Claims Procedure Order also addresses, among other matters, the treatment of transferred or assigned Priority Claims, the conversion of Priority Claims denominated in foreign currency, the Receiver's right of set-off, the protections afforded to the Receiver in carrying out the Priority Claims Procedure, and the manner of, and deemed timing for, service and delivery of notices and other documents.

3.7 Recommendation re: Priority Claims Procedure

1. The Receiver believes that the Priority Claims Procedure is reasonable and appropriate for the following reasons:

    a) the notice provisions – including direct delivery of Claims Packages to known potential Priority Claimants (which will include all claimants with construction liens registered against title to the Project and security interests registered against the Debtors under the PPSA), posting on the Receiver's Website, and publication in *The Globe and Mail* (National Edition) and *Insolvency Insider* – are reasonably designed to bring the Priority Claims Procedure to the attention of potential Priority Creditors;

    b) the Claims Bar Date and the review, determination and dispute mechanics are consistent with priority claims procedures approved by this Court in comparable insolvency proceedings and, in the Receiver's view, establish an efficient and orderly process for Priority Claims to be identified, asserted and resolved;

c) the Priority Claims Procedure will enable the Receiver to determine the nature, validity, quantum and priority of claims, which is a necessary step before any distribution of the proceeds of the Unsold Units can be made; and

d) the Priority Claims Procedure is in the interest of all stakeholders so that distributions can be made as soon as possible in these proceedings, subject to such holdbacks that the Receiver believes are necessary to advance these proceedings and to pay all receivership fees and costs.

4.0 Distribution Approval

1. As noted above, the Lender Indebtedness was approximately $30.6 million as of June 8, 2026 (before fees, costs and interest, which continue to accrue) and is secured by the Debenture Charge.

2. The Receiver retained Reconstruct LLP (**"Recon"**) to conduct a review of the Lenders' security as McCarthy Tétrault LLP, the Receiver's counsel, formerly acted for the Lenders. As reported in the First Report, the Receiver received a written opinion from Recon confirming that, subject to standard qualifications and assumptions, the security granted by the Debtors to the Lenders is valid and enforceable in accordance with its terms under the laws of the Province of Ontario.

3. Once the Claims Bar Date has passed, the Receiver will know the universe of the potential Priority Claims that are asserted to rank in priority to the Senior Secured Lenders' Claim. The Receiver will be in a position to determine an appropriate reserve for potential distributions with respect to those potential Priority Claims. As those potential Priority Claims are determined and become Proven Claims or are disallowed in whole or in part in accordance with the Priority Claims Procedure, the Receiver will be able to adjust the reserve accordingly.

4. The Lenders hold first-priority security against the Property, subject only to any Priority Claims and the charges established pursuant to the Receivership Order to fund the administration of the receivership. Once appropriate reserves have been determined for (i) the Priority Claims and (ii) the costs of the administration of the receivership, it will be appropriate for the balance of any funds held by the Receiver from time to time to be distributed to the Lenders.

5. Accordingly, the Receiver is seeking authorization in the Distribution Approval Order to make one or more distributions to the Lenders, subject to any necessary or desirable reserves maintained as may be determined by the Receiver with respect to any Priority Claims and the funding of the receivership (the "**Distribution Approval**"). The Receiver believes that the Distribution Approval is reasonable and appropriate in the circumstances.

5.0 Approval of Reports and Activities

1. The Receiver is seeking approval of the Previous Reports and this Second Report and its activities set out therein.

2. During the period from the Receivership Order to the date of this Second Report, the Receiver undertook the following activities, among others, as further outlined in the Previous Reports and this Second Report:

    a. Took possession of the Debtors' assets, including the cash in its bank accounts, and familiarized itself with all aspects of the Debtors' Business, Real Property, Project, and Unsold Units;

    b. Sent the statutory notices required by the *Bankruptcy and Insolvency Act* (Canada) (the "**BIA**");

    c. Retained the Sales Agent to provide sales and marketing services in respect of the Unsold Units;

    d. Prepared a list of target prices for the Unsold Units and a template agreement for sales of individual Unsold Units, with the assistance of the Sales Agent and in consultation with the Lenders;

    e. Prepared the Sale Process for the Unsold Units, obtained the Sale Approval Order and advanced the Sale Process with the assistance of the Sales Agent;

    f. Negotiated sale transactions with respect to the Unsold Units, four of which have been executed and one of which has closed;

    g. Obtained a review of the security of the Lenders;

    h. Provided regular updates to the Lenders on the progress of the Sale Process and other material developments in these proceedings;

    i. Communicated with various construction lien claimants and other stakeholders of the Debtors; and

    j. Developed the Priority Claims Procedure.

3. In the Receiver's view, the activities undertaken as outlined in the Prior Reports and this Second Report were necessary and appropriate in furtherance of the sale of the Unsold Units and the administration of the receivership. The Receiver has acted diligently, independently, and in accordance with its obligations under the Receivership Order and the BIA.

6.0 Approval of Fees and Disbursements

1. The Receiver is seeking approval of its fees and disbursements for the period from June 1, 2026 to August 31, 2026 (the "**AlixPartners Fee Period**"), and those of McCarthy from June 8, 2026 to September 21, 2026, (the "**McCarthy Fee Period**"), in connection with the performance of their duties during the Receivership Proceedings.

2. The total fees and disbursements of AlixPartners during the AlixPartners Fee Period amount to $384,145.25 and $446.07, respectively, each excluding sales tax (collectively, the "**AlixPartners Accounts**"). These amounts represent professional fees and disbursements not yet approved by the Court. The affidavit of Robert Kofman sworn on September 22, 2026 and attached hereto as **Appendix "B"** includes details of the AlixPartners Accounts.

3. The total fees and disbursements of McCarthy during the McCarthy Fee Period amount to $251,619 and $1,197.44, respectively, each excluding sales tax (collectively, the "**McCarthy Accounts**"). These amounts represent professional fees and disbursements not yet approved by the Court. The affidavit of Trevor Courtis sworn on September 22, 2026 and attached hereto as **Appendix "C"** includes details of the McCarthy Accounts.

4. The Receiver has reviewed the accounts of McCarthy during the McCarthy Fee Period and confirms that the services reflected therein have been duly authorized and duly rendered, and that, in the Monitor's opinion, the charges are reasonable.

7.0 Repayment of Unearned Commissions

7.1 Obligation to Repay Unearned Commissions

1. The Receiver understands that, prior to the commencement of these receivership proceedings, in at least some cases, the Debtors paid advances to brokers on commissions that they would be entitled to upon the sale closing. The commissions were not earned and the brokers were not entitled to retain the commissions unless and until the sale of the applicable unit closed. If the sale did not close, the brokers were required to repay the commission advances to the Debtors in full.

2. As of the date of this Second Report, the Receiver has identified outstanding Unearned Commissions totaling approximately $112,000 payable by three brokerages, acting through four co-operating agents (collectively, the "**Brokers**"), in respect of sales for seven condominium units that failed to close. The Unearned Commissions, by Broker, are set out in the table below:

Broker	Unit(s)	Amount
Bay Street Group Inc.	724	$25,169.10
Royal Lepage Supreme Realty	906, 914	$37,165.60
Homelife Landmark Realty Inc. (Victor Li)	908, LPH09	$12,979.80
Homelife Landmark Realty Inc. (Helen He)	LPH08, LPH10	$36,359.60
Total		**$111,674.10**

3. Each of the Brokers is a party to a broker cooperating agreement with the Debtors with respect to the sales that failed to close (the "**Broker Cooperating Agreements**"). Each of the Broker Cooperating Agreements contains the following provision requiring the Brokers to repay any commission advances within five days if the sale has not closed for any reason whatsoever:

> *Any portions of the commission paid or payable in advance of the actual transfer of title to the subject unit from the Vendor to the Purchaser are considered advances and are subject to recovery by the Vendor if the transaction between the Vendor and Purchaser named hereunder fails to close or shall not close for any reason whatsoever. The Co-operating Broker shall deliver a certified cheque to the Vendor for all advances on commission that were paid to the Co-operating Broker within five (5) days after written notice is delivered to the Co-operating Broker with regards to a transaction that has not or shall not close for any reason whatsoever.*

4. Copies of the Broker Cooperating Agreements are attached hereto as **Appendices "D-1"** to **"D-7"**.

7.2 Unearned Commissions are Determined on a Net Basis

1. Certain of the Brokers that are required to repay commission advances are owed commissions by the Debtors in respect of sales of other units that closed prior to the date of the Receivership Order. The Receiver has determined that such Brokers are entitled to set off the commissions owing to the Debtors against commissions owing from the Debtors, as the elements of legal set-off (mutuality, liquidated debts, and obligations due) are present, both debts related to the period prior to the Receivership

Order (i.e. it would be "pre-pre" set-off) and, in any event, a broker would likely be entitled to equitable set-off.

2. Accordingly, the Unearned Commissions set out in the table above are calculated on a net basis and include only those Brokers that owe money to the Receiver on a net basis. Brokers whose commissions owing to them exceed the commission advances they are required to repay have not been included. Set-off has been applied only where both obligations arose prior to the date of the Receivership Order.

7.3 Brokers Have Failed to Repay Unearned Commissions

1. The Receiver sent demand letters to each of the four Brokers in the week of August 17, 2026 (the "**Demand Letters**"). The Receiver subsequently sent follow-up emails to Royal LePage Supreme Realty and Homelife Landmark Realty Inc. on September 4, 2026 (the "**Follow-Up Emails**"). These emails were followed by final notices sent between September 11, 2026 and September 14, 2026 (the "**Final Notices**"). Copies of the Demand Letters are attached hereto as **Appendices "E-1"** to **"E-4"**. Copies of the Follow-Up Emails are attached hereto as **Appendices "F-1"** to **"F-3"**. Copies of the Final Notices are attached hereto as **Appendices "G-1"** to **"G-3"**.

2. Despite the multiple notices, each of the Brokers has refused or failed to repay the Unearned Commissions as required by the Broker Cooperating Agreements:

    a. Bay Street Group Inc. ("**Bay Street**") has disputed the demand, claiming a discrepancy in the amount and raising certain legal arguments. The Receiver has reviewed the Broker's response and is satisfied that Bay Street is required to repay the Unearned Commission. The Receiver sought Bay Street's approval to append its response to this Second Report, as it was marked "Confidential". This approval was obtained by email on September 21, 2026. Bay Street's response and the Receiver's email exchange with Bay Street's representatives are attached as Appendix "H".

    b. The Receiver has not received any response from Royal Lepage Supreme Realty or Homelife Landmark Realty Inc. (Victor Li and Helen He) to any of the Initial Demand, Follow-Up Email or Final Notice.

3. One other broker, which is not listed above, was sent an initial demand and has agreed to repay its unearned commission of $23,219.70 to the Receiver pursuant to a payment arrangement. No relief is being sought against that broker.

4. The Receiver has advised each of the Brokers of its intention to seek an order of the Court requiring them to repay their respective Unearned Commissions. Each of the Brokers will be served with the materials for the motion seeking the Commission Repayment Order.

5. The Commission Repayment Order would require the Brokers to repay their respective Unearned Commissions to the Receiver by no later than October 16, 2026, unless otherwise agreed by the Receiver. It is necessary and appropriate for the Court to issue the Commission Repayment Order considering the meritless objections raised by one of the Brokers to repaying the Unearned Commissions and the lack of response from the other Brokers.

8.0 Conclusion and Recommendation

1. For the reasons set out in this Second Report, the Receiver respectfully recommends that the Court grant the Priority Claims Procedure Order, the Distribution Approval Order and the Commission Repayment Order.

4. **THIS COURT ORDERS** that (i) the Debtors, (ii) all of the Debtors' current and former directors, officers, employees, agents, accountants, legal counsel and shareholders, and all other persons acting on the Debtors' instructions or behalf, and (iii) all other individuals, firms, corporations, governmental bodies or agencies, or other entities having notice of this Order (all of the foregoing, collectively, being "**Persons**" and each being a "**Person**") shall forthwith advise the Receiver of the existence of any Property in such Person's possession or control, shall grant immediate and continued access to the Property to the Receiver, and shall deliver all such Property to the Receiver upon the Receiver's request.

5. **THIS COURT ORDERS** that all Persons shall forthwith advise the Receiver of the existence of any books, documents, securities, contracts, orders, corporate and accounting records, and any other papers, records, information and cloud-based data of any kind related to the business or affairs of any of the Debtors, and any computer programs, computer tapes, computer disks, cloud or other data storage media containing any such information (the foregoing, collectively, the "**Records**") in that Person's possession or control, and shall provide to the Receiver or permit the Receiver to make, retain and take away copies thereof and grant to the Receiver unfettered access to and use of accounting, computer, software, cloud and physical

facilities relating thereto, provided however that nothing in this paragraph 5 or in paragraph 6 of this Order shall require the delivery of Records, or the granting of access to Records, which may not be disclosed or provided to the Receiver due to the privilege attaching to solicitor-client communication or due to statutory provisions prohibiting such disclosure.

6. **THIS COURT ORDERS** that if any Records are stored or otherwise contained on a computer, in the cloud or other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto paper or making copies of computer disks or such other manner of retrieving and copying the information as the Receiver in its discretion deems expedient, and shall not alter, erase or destroy any Records without the prior written consent of the Receiver. Further, for the purposes of this paragraph, all Persons shall provide the Receiver with all such assistance in gaining immediate access to the information in the Records as the Receiver may in its discretion require including providing the Receiver with instructions on the use of any computer, cloud or other system and providing the Receiver with any and all access codes, account names and account numbers that may be required to gain access to the information.

9. **THIS COURT ORDERS** that all rights and remedies against any of the Debtors, the Receiver, or affecting the Property, are hereby stayed and suspended except with the written consent of the Receiver or leave of this Court, provided however that this stay and suspension does not apply in respect of any "eligible financial contract" as defined in the BIA, and further provided that nothing in this paragraph shall (i) empower the Receiver or any of the Debtors to carry on any business which the Debtors are not lawfully entitled to carry on, (ii) exempt the Receiver or the Debtors from compliance with statutory or regulatory provisions relating to health, safety or the environment, (iii) prevent the filing of any registration to preserve or perfect a security interest, or (iv) prevent the registration of a claim for lien.

NO INTERFERENCE WITH THE RECEIVER

10. **THIS COURT ORDERS** that no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by any of the Debtors, without written consent of the Receiver or leave of this Court.

CONTINUATION OF SERVICES

11. **THIS COURT ORDERS** that all Persons having oral or written agreements with any of the Debtors or statutory or regulatory mandates for the supply of goods and/or services, including without limitation, all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, property maintenance or management services, utility or other services to any of the Debtors are hereby restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Receiver, and that the Receiver shall be entitled to the continued use of the Debtors' current telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the date of this Order are paid by the Receiver in accordance with normal payment practices of the Debtors or such other practices

as may be agreed upon by the supplier or service provider and the Receiver, or as may be ordered by this Court.

RECEIVER TO HOLD FUNDS

12. **THIS COURT ORDERS** that all funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the "**Post Receivership Accounts**") and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further Order of this Court.

EMPLOYEES

13. **THIS COURT ORDERS** that all employees of any of the Debtors shall remain the employees of the applicable Debtor until such time as the Receiver, on the applicable Debtor's behalf, may terminate the employment of such employees. The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. The Receiver is empowered but not obligated to interact with, and provide direction to, individuals who are on the Property, but are not employed by any of the Debtors, in matters relating to safety, access and use of the Property.

PIPEDA

14. **THIS COURT ORDERS** that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act,* the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a "**Sale**"). Each prospective purchaser or bidder to

whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtors, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

15. **THIS COURT ORDERS** that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "**Possession**") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the Ontario *Environmental Protection Act*, the *Ontario Water Resources Act*, or the Ontario *Occupational Health and Safety Act* and regulations thereunder (the "**Environmental Legislation**"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

16. **THIS COURT ORDERS** that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in

this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

17. **THIS COURT ORDERS** that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the "**Receiver's Charge**") on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts (including, without limitation, deemed trusts), liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

18. **THIS COURT ORDERS** that the Receiver and its legal counsel shall pass their accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

Avi,

The Broker Cooperating Agreement (attached) provides that the Co-Operating Broker is only entitled to commission on the closing of the transaction contemplated in the particular Agreement specified. That Agreement was terminated and the Broker Cooperating Agreement is clear that the commission advances must be repaid. Any negotiations that may now be occurring on a different agreement are irrelevant. The receiver will include your letter in its entirety with its report, as well as this email exchange. You will be served with the motion materials and have an opportunity to make submissions should you wish.

Thank you for your email.

I understand that the Receiver intends to append my August 22, 2026 letter to its upcoming Report to the Court. I do not object to the inclusion of my letter, provided it is included in its entirety and without alteration.

However, I must place a critical factual update on the record, as it directly contradicts the premise underlying the Receiver's intended motion. It has come to my attention that, as of today, a representative associated with the developer's listing side has actively re-engaged with the purchaser and has issued a counter-offer to complete this transaction at a revised purchase price. I am not presently aware of the capacity in which that representative is acting

or by whom they have been appointed or authorized. This confirms that the APS has not failed and that efforts continue to pursue closing.

Given that there are active negotiations to complete the sale, the transaction cannot be characterized as "failed." A motion seeking the return of a commission advance on the basis of a terminated agreement is premature, contradictory, inequitable, and inconsistent with the current efforts to complete the transaction.

Please ensure that the ongoing negotiations, including the counter-offer to the purchaser, are fully and accurately disclosed in the Receiver's Report and in any motion materials being submitted to the Court.

All rights and defences remain expressly reserved.

Best,

Avi Sodhi

Nova Ridge (Manderley) Receivership – Court File No. CL-26-00000276-0000

Project: “The Manderley” (1478-1496 Kingston Road, Toronto, ON)
Purchaser(s): Manish Kumar & Supreet Kaur

Dear Mesdames,

I write in response to your demand letter of August 20, 2026 seeking repayment of $25,169.10 in commission advances relating to Unit 724.

Liability is denied. Your demand relies on the May 16, 2026 notice from former developer counsel. That claim was already disputed in writing in May and June 2026 on the basis of triable issues of fact, equity, and law. Those issues remain live.

1. No Contractual Basis for Repayment of Earned Commission
The commission at issue was earned and disbursed following the completion of all required procuring duties under the Agreement of Purchase and Sale and the Broker Cooperating Agreement. The Receiver has not established the specific contractual mechanism or provision that converts fully earned, disbursed commission into a repayable debt under the particular circumstances of this file.

2. Waiver and Estoppel — The Alleged Default Was Not Available to the Debtors
Even if the Cooperating Agreement provides for the recovery of commission advances where a transaction fails to close, the Debtor’s own conduct prevents them (and therefore the Receiver) from relying on the June 15, 2023 deposit default:

- On July 2, 2023 — more than two weeks after the alleged default, authorized Nova Ridge sales representatives met the purchasers for a design-selection appointment and confirmed their accounting ledger was clear.
- The purchasers were permitted to select custom finishes, which the Debtors accepted without qualification.
- The Debtors remained silent for more than five months before issuing a default notice in late November 2023.

This course of conduct constitutes waiver by conduct and estoppel by representation. Having treated the Agreement of Purchase and Sale as continuing after knowledge of the alleged breach, the Debtors lost the right to terminate on that ground. The Receiver stands in no better position.

3. Equitable Set-off and Unjust Enrichment
The Debtors retained a substantial deposit from the purchasers upon termination. The estate has already secured the economic benefit of the transaction through deposit forfeiture. Seeking recovery of the commission which the Receiver now characterizes as a repayable advance while simultaneously retaining the deposit engages established principles of unjust enrichment and equitable set-off, for which there is no juristic reason.

4. Intended Court Application
If the Receiver proceeds with an application after August 25, 2026, please include a complete copy of this letter in the Motion Record so the Court is aware of the genuine triable issues of contract interpretation, estoppel/waiver, and equity.

I reserve the right to file responding materials should the Receiver proceed with its application.

I remain prepared to discuss a standstill or practical resolution once your office has reviewed the complete transaction file, the design-selection records of July 2, 2023, and the deposit accounting. All rights and defences are expressly reserved.

Sincerely,

Avi Sodhi

(b) the Receiver shall send a copy of the Claims Package by October 6, 2026 to any Person the Books and Records disclose to be a potential Priority Creditor owed monies by one or more the Debtors as of the date of this Order and which monies remain unpaid in whole or in part;

(d) the Receiver shall, provided such request is received prior to the Claims Bar Date, deliver as soon as reasonably practicable following receipt of a request therefor, a

copy of the Claims Package to any Person claiming to be a Priority Creditor and requesting such material.

PROOFS OF PRIORITY CLAIM

4. **THIS COURT ORDERS** that all Priority Claimants wishing to assert a Priority Claim, shall **file with the Receiver a Proof of Priority Claim by the Claims Bar Date**. For greater certainty **no Person need submit a Proof of Priority Claim in respect of (i) a Claim that is not alleged to be a Priority Claim, including any unsecured Claim; and (ii) a Post-Filing Claim.**

DEADLINE FOR FILING PROOF OF PRIORITY CLAIM

5. **THIS COURT ORDERS** that all Proofs of Priority Claim, together with supporting documentation, must be filed with the Receiver by prepaid ordinary mail, courier, personal delivery or electronic or digital transmission, so that such Proof of Priority Claim is received by the Receiver by no later than the Claims Bar Date.

6. **THIS COURT ORDERS** that any Priority Claimant who does not file a Proof of Priority Claim, together with supporting documentation, by the Claims Bar Date:

(a) shall be and is hereby forever barred from asserting or enforcing any such Priority Claim; and

(b) shall not be entitled to receive any distributions from the Receiver or Debtors in respect of such Priority Claim.

DETERMINATION OF CLAIMS

7. **THIS COURT ORDERS** that the Receiver shall review all Proofs of Priority Claim filed on or before the Claims Bar Date and may accept, revise or disallow (in whole or in part) the amount and/or status of a Priority Claim set out in any Proof of Priority Claim. At any time, the Receiver may request additional information with respect to any Priority Claim, and may request that the Priority Claimant file a revised Proof of Priority Claim.

8. **THIS COURT ORDERS** that if the Receiver determines to revise or disallow a Proof of Priority Claim, then the Receiver shall send a Notice of Revision or Disallowance to the Priority Claimant in accordance with paragraphs 24-25.

9. **THIS COURT ORDERS** that the Receiver may attempt to resolve the amount and/or status of any Priority Claim with the Priority Claimant on a consensual basis prior to accepting, revising or disallowing such Claim.

10. **THIS COURT ORDERS** that where a Proof of Priority Claim has been revised or disallowed (in whole or in part) by a Notice of Revision or Disallowance, the revised or disallowed portion of that Priority Claim shall not establish a Proven Claim unless the Priority Claimant has disputed the revision or disallowance in accordance with paragraphs 11-12, and proven the revised or disallowed Priority Claim (or portion thereof) in accordance with paragraphs 13-15 of this Priority Claims Procedure Order.

NOTICES OF DISPUTE

11. **THIS COURT ORDERS** that if a Priority Claimant disputes a Notice of Revision or Disallowance received by it and intends to contest the Notice of Revision or Disallowance then such Priority Claimant shall deliver a Notice of Dispute, together with all additional documentation and evidence, by prepaid ordinary mail, courier, personal delivery or electronic or digital transmission so that such Notice of Dispute is received by the Receiver by **no later than 5:00 p.m. (Toronto time) on the Business Day which is seven (7) days after delivery of the Notice of Revision or Disallowance** or such later date as the Receiver may agree in writing or the Court may order. The filing of a Notice of Dispute with the Receiver within the time limited therefor shall constitute an application to have the amount or status of such Priority Claim determined as set out in paragraphs 13-15 hereof.

12. **THIS COURT ORDERS** that if a Person who receives a Notice of Revision or Disallowance fails to file a Notice of Dispute with the Receiver within the time limit therefore, then the amount and status of such Person's Priority Claim shall be deemed to be as set out in the Notice of Revision or Disallowance and such amount and status, if any, shall constitute such Priority Claimant's Proven Claim.

RESOLUTION OF CLAIMS

13. **THIS COURT ORDERS** that if a Notice of Dispute is received by the Receiver in accordance with paragraph 11 hereof, then the Receiver may:

(a) attempt to resolve the classification and amount of the Priority Claim with the Priority Claimant on a consensual basis; and/or

(b) schedule an appointment with the Court for the purpose of scheduling a motion to have the classification and/or amount of the Priority Claim determined by the Court, and at such motion the Priority Claimant shall be deemed to be the applicant and the Receiver shall be deemed to be the respondent.

14. **THIS COURT ORDERS** that, notwithstanding the other provisions of this Priority Claims Procedure Order, the Receiver may make a motion to the Court for a final determination of a Priority Claim at any time, whether or not a Notice of Revision or Disallowance has been sent by the Receiver, on full notice to the applicable Priority Claimant.

15. **THIS COURT ORDERS** that in the event that the dispute between the Priority Claimant and the Receiver is not settled within a time period or in a manner satisfactory to the Receiver or the Priority Claimant, the Receiver or the Priority Claimant may make a motion to the Court for directions, on notice to each other.

ADEQUACY OF INFORMATION/CURRENCY

16. **THIS COURT ORDERS** that:

(a) the Receiver may, where it is satisfied that a Priority Claim has been adequately proven, waive strict compliance with the requirements of this Priority Claims Procedure Order as to completion and execution of Proofs of Priority Claim; and

(b) any Priority Claims denominated in a currency other than Canadian dollars shall, for the purposes of this Priority Claims Procedure Order, be converted to, and constitute obligations in, Canadian dollars, such calculation to be effected by the Receiver using the Bank of Canada daily exchange rate on the date of the Receivership Order.

NOTICE OF TRANSFEREES

17. **THIS COURT ORDERS** that the Receiver shall not be obligated to give notice to or otherwise deal with a transferee or assignee of a Priority Claim as the Priority Claimant in respect thereof unless:

(a) actual written notice of the transfer or assignment, together with satisfactory evidence of a valid transfer or assignment of the Priority Claim, has been received by the Receiver; and

(b) the Receiver has acknowledged in writing such transfer or assignment,

and thereafter such transferee or assignee shall for the purposes hereof constitute the "Priority Claimant" in respect of such Priority Claim. Any such transferee or assignee of a Priority Claim, and such Priority Claim, shall be bound by any notices given or steps taken in respect of such Priority Claim in accordance with this Priority Claims Procedure Order prior to the written acknowledgement by the Receiver of such transfer or assignment.

18. **THIS COURT ORDERS** that if the holder of a Priority Claim has transferred or assigned the whole of such Priority Claim to more than one Person or part of such Priority Claim to another Person or Persons, such transfer or assignment shall not create a separate Priority Claim or Claims and such Priority Claim shall continue to constitute and be dealt with as a single Priority Claim notwithstanding such transfer or assignment, and the Receiver shall in each such case not be bound to acknowledge or recognize any such transfer or assignment and shall be entitled to give notices to and to otherwise deal with such Priority Claim only as a whole and then only to and with the Person last holding such Priority Claim in whole as the Priority Claimant in respect of such Priority Claim. Provided that a transfer or assignment of the Priority Claim has taken place in accordance with paragraph 17 of this Priority Claims Procedure Order and the Receiver has acknowledged in writing such transfer or assignment, the person last holding such Priority Claim in whole as the Priority Claimant in respect of such Priority Claim may by notice in writing to the Receiver direct that subsequent dealings in respect of such Priority Claim, but only as a whole, shall be with a specified Person and, in such event, such Priority Claimant, such transferee or assignee of the Priority Claim and the whole of such Priority Claim shall be bound by any notices given or steps

taken in respect of such Priority Claim by or with respect to such Person in accordance with this Priority Claims Procedure Order.

19. **THIS COURT ORDERS** that the Receiver is under no obligation to give notice of a valid transfer or assignment made pursuant to this Priority Claims Procedure Order to any Person other than the Priority Claimant holding the Priority Claim and shall, without limitation, have no obligation to give notice to any Person holding a security interest, lien, or charge in, or a pledge or assignment by way of security in, a Priority Claim.

20. **THIS COURT ORDERS** that the transferee or assignee of any Priority Claim:

(a) shall take the Priority Claim subject to the rights and obligations of the transferor/assignor of the Priority Claim, and subject to the rights of the Debtors and Receiver against any such transferor or assignor, including any rights of set-off which the Debtors had against such transferor or assignor, and

(b) cannot use any transferred or assigned Priority Claim to reduce any amount owing by the transferee or assignee to the Debtors or Receiver, whether by way of set-off, application, merger, consolidation or otherwise.

PROTECTIONS FOR THE RECEIVER

21. **THIS COURT ORDERS** that the Receiver, in addition to its prescribed rights, duties, responsibilities and obligations under: (i) the *Bankruptcy and Insolvency Act* (Canada) (the "**BIA**"), (ii) the Receivership Order, and/or (iii) any other Order of the Court, is hereby directed and empowered to take such other actions and fulfill such other roles as are contemplated by this Priority Claims Procedure Order or incidental thereto.

22. **THIS COURT ORDERS** that in carrying out the terms of this Priority Claims Procedure Order:

(a) the Receiver shall have all the protections given to it by the BIA, the Receivership Order, any other Order of this Court, and as an officer of this Court, as applicable;

(b) the Receiver shall incur no liability or obligation as a result of the carrying out of the provisions of this Priority Claims Procedure Order save and except for any gross negligence or willful misconduct on its part;

(c) the Receiver shall be entitled to rely on the Books and Records and any information provided by the Debtors as well as documentation and information provided by others, including information and documentation provided by Priority Claimants pursuant to this Priority Claims Procedure Order, which the Receiver believes to be accurate and true, without independent investigation; and

(d) the Receiver shall not be liable for any claims or damages resulting from any errors or omissions in such Books and Records or information.

DIRECTIONS

23. **THIS COURT ORDERS** that the Receiver may, at any time, and with such notice as this Court may require, seek directions from this Court with respect to this Priority Claims Procedure Order, the Priority Claims Procedure set out herein and the forms attached as Schedules hereto.

SERVICE AND NOTICE

24. **THIS COURT ORDERS** that the Receiver be at liberty to deliver the Claims Package, and any letters, notices or other documents to Priority Claimants or other interested Persons, by forwarding true copies thereof by prepaid ordinary mail, courier, personal delivery or electronic or digital transmission (including email) to such Persons at the address as last shown on the records of the Debtors or set out in the Person's Proof of Claim or, if applicable, by email to their counsel/representative listed on the Service List (as defined in the Receivership Order) and that any such service or notice by courier, personal delivery or electronic or digital transmission shall be deemed to be delivered and received on the next Business Day following the date of forwarding thereof, or if sent by prepaid ordinary mail, on the fourth Business Day after mailing.

25. **THIS COURT ORDERS** that all Proofs of Priority Claim shall include an email address for the Priority Claimant and the Receiver may deliver any letters, notices or other documents to the Priority Claimant by email to that address.

27. **THIS COURT ORDERS** that any notice or other communication (including, without limitation, Proofs of Priority Claim and Notices of Dispute) to be given under this Priority Claims Procedure Order by a Priority Claimant to the Receiver shall be in writing substantially in the form, if any, provided for in this Priority Claims Procedure Order and will be sufficiently given only if given by prepaid ordinary mail, courier, personal delivery or electronic or digital transmission (including email) addressed to:
