Dear Sirs/Mesdames,

Re: Update No. 2 to Purchasers

As you were previously advised, the amended and restated initial order of the Court pronounced on June 26, 2026 (the "ARIO") extended CCAA protection and the Monitor's appointment over Symphony Homes (Moonlight Sonata) Limited, 1168386 B.C. LTD., 1197030 B.C. LTD., 1197062 B.C. LTD., Symphony Homes (Wayburne) Ltd., and 663466 B.C. LTD. (collectively, "Symphony").

We are writing to inform you that on July 29, 2026, the Court made a further order (the "Enhanced Powers Order") increasing the Monitor's powers to exclusively control all management and activities of Symphony, including the Project.

A copy of the Enhanced Powers Order and updates about the CCAA proceedings can be found on the Monitor's website: <https://www.ksvadvisory.com/experience/case/Moonlight-Sonata>.

Key Points from Enhanced Powers Order

The Court's Enhanced Powers Order includes the following key provisions:

1. **Enhanced Powers:** the Monitor has exclusive authority over the management, direction and administration of the Project, including with respect to the pre-sale agreements of the Purchasers.
2. **Extension of Stay Period:** the stay of proceedings has been extended until September 11, 2026.

Next Steps

Please note that all instructions concerning the Project must come from the Monitor or its authorized representatives. You should not seek or act on instructions from the principals, directors, officers, management or other representatives of Symphony in respect of the Project.

Effective immediately, we ask that Purchasers please send all communications regarding Symphony or the Project to the Monitor at the following points of contact:

- Andrew Young – T: (312) 810-0044 / E: ayoung@alixpartners.com
- Murtaza Tallat – T: (416) 932-6031 / E: murtaza.tallat@alixpartners.com

We encourage you to check the Monitor's website regularly for updates and important documents related to the CCAA proceedings.

Thank you for your patience and understanding.

Yours truly,

AlixPartners Restructuring, Inc.
