ENDORSEMENT OF JUSTICE STEELE:

[1] The applicants seek a short extension of the stay to November 13, 2026 to provide them with the time needed to complete the transaction that was approved by the court.

[2] The Stay Period currently expires today, and the Applicants seek to extend the Stay Period to November 13, 2026. Pursuant to s. 11.02(2) of the *CCAA*, this Court is empowered to extend the stay of proceedings granted to a debtor company. In doing so, the Court must consider whether: (a) the order sought is appropriate in the circumstances; and (b) the applicant has been acting in good faith and with due diligence. The Cash Flow Forecast provided in the Seventh Report reflects that there is sufficient funding to fund operations and the costs of these proceedings during the proposed extension period. The Monitor does not expect any party to suffer material prejudice as a result of the proposed stay extension and is not aware of any opposition to the relief sought. The requested extension is supported by the Monitor who is of the view that the Applicants are acting in good faith and with due diligence. There is no evidence to suggest otherwise. The order sought is appropriate in the circumstances because additional time is needed to close the transaction that has been approved by the court. Accordingly, the requested stay extension is approved.

[3] Order to go in the form attached with immediate effect.

Date: Oct 16, 2026
