AMENDED NOTICE OF MOTION

Monarch Realty Fund LLC (“**Monarch**”), the second mortgagee of the real properties (the “**Monarch Properties**”) owned by the debtor companies listed in Schedule “A” hereto (the “**SIREG Entities**”) will bring an urgent motion before the Honourable Justice Steele presiding over the Ontario Superior Court of Justice, Toronto (Commercial List) on October 13, 2026 at 12:30 pm at the courthouse located at 330 University Avenue, Toronto.

PROPOSED METHOD OF HEARING: The Motion is to be heard via judicial videoconference accessible at the following link:

<https://ca01web.zoom.us/j/67927063702?pwd=c1Z2eFN3NXB1N0xOK0lYSWtCL2ZBZz09#success>

THE MOTION IS FOR:

1. An order substantially in the form included at Tab 3 in the motion record of Monarch dated October 9¹², 2026 (the “**Motion Record**”), among other things:

- (a) Declaring, pursuant to section 69.4 of the *Bankruptcy and Insolvency Act* (the “BIA”), that the automatic stay of proceedings under section 69.1(1) of the BIA in favour of the SIREG Entities no longer operates in respect of Monarch in its capacity as the second-ranking mortgagee of the Monarch Properties listed in the Schedule “A” hereto, permitting Monarch to exercise all of its rights and remedies as mortgagee as against the Monarch Properties; and
 - (b) Abridging the time for service of the Motion Record and validating service thereof; and
2. Such further and other relief as this Honourable Court may deem just.

THE GROUNDS FOR THE MOTION:

Overview

3. Each of the SIREG Entities is a single-purpose real estate entity whose principal or exclusive assets are the Monarch Properties. None carries on an independent operating business. There is no operating business to restructure through these proceedings.
4. Monarch is owed in excess of \$7 million by the SIREG Entities under separate mortgage loan facilities secured by second-ranking mortgages over the Monarch Properties.
5. The Monarch Properties comprise two groups of residential rental properties located in Brockville and London, Ontario. Monarch’s mortgage loan facilities are property-specific and are secured by, among other things, second-ranking mortgages over the applicable Monarch Properties and assignments of the rents generated therefrom.

6. The SIREG Entities have failed to make required mortgage payments to Monarch and have defaulted.

NOI Proceedings

7. On September 25, 2026, each of the SIREG Entities filed a notice of intention to make a proposal pursuant to section 50.4(1) of the BIA, thereby commencing these proceedings and staying creditors' enforcement efforts. AlixPartners Restructuring, Inc. (formerly KSV) was appointed as proposal trustee in each of the proceedings (in such capacity, the "**Proposal Trustee**").

8. The continuation of the stay is causing ongoing prejudice to Monarch and prejudice will continue and increase if the stay is not lifted. No payments are being made on Monarch's mortgages, interest continues to accrue, and serious operational and maintenance issues at many of the Monarch Properties remain outstanding, creating an ongoing risk of deterioration and erosion in the value of Monarch's collateral.

Requested Relief

9. Monarch seeks the right to exercise straightforward mortgage enforcement remedies against its collateral.

10. The SIREG Entities and Proposal Trustee consent to the relief sought by Monarch on this motion.

11. Rules 1.04, 1.05, 2.01, 2.03, 3.02, and 37 of the *Rules of Civil Procedure*;

12. Section 69.4 of the BIA;

13. The inherent and equitable jurisdiction of this Honourable Court; and

14. Such further and other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE:

15. Affidavit of Robert Klimov sworn October 9, 2026; and

16. Affidavit of Paulina Goncalves affirmed October 12, 2026; and

17. Such further and other evidence as the lawyers may advise and this Honourable Court may permit.

AFFIDAVIT OF ROBERT KLIMOV

(Sworn October 9, 2026)

I, Robert Klimov, of Monaco City within the Country of Monaco, MAKE OATH AND
SAY:

A. INTRODUCTION

1. I am the Director of Monarch Realty Fund LLP (“**Monarch**”), and, as such, have knowledge of the matters addressed herein. Where I rely upon information and belief, I have stated the source and believe it to be true.

2. In swearing this affidavit, I do not intend to, and do not, waive any applicable legal privilege regarding my relationship with my counsel.

3. I swear this affidavit in support of Monarch’s motion to lift the stay of proceedings resulting from the Notices of Intention to Make a Proposal (the “**NOIs**”) filed by SIREG 1-4

Balmoral Inc. (“**Balmoral**”) and 1000001856 Ontario Inc. (“**Kipps**”) on September 25, 2026 (collectively, Balmoral and Kipps are referred to as the “**Monarch Properties**”).

4. On September 25, 2026, the Monarch Properties filed the NOIs, staying enforcement actions. AlixPartners Restructuring, Inc. was named as proposal trustee under the NOIs filed by the Monarch Properties (in such capacity, the “**Proposal Trustee**”).

5. In addition to the Monarch Properties, several other entities within the SIREG group filed NOIs on the same date or the following business day.

6. The aggregate indebtedness owing to Monarch in respect of the Monarch Properties is in excess of \$7 million plus accrued interest, fees, and costs. Monarch wants to protect its interest in respect of the properties on which it has registered security.

7. The continuation of the stay is causing ongoing prejudice to Monarch, as described further below.

B. INDEBTEDNESS TO MONARCH

8. Pursuant to a commitment letter dated November 26, 2024, (the “**Monarch Commitment Letter**”), Monarch agreed to provide a mortgage loan in the principal amount of \$5,000,000 with the borrower having an obligation to repay \$7,000,000 (the “**Monarch Loan**”). A copy of the Monarch Commitment Letter is attached hereto as **Exhibit “A”**.

9. While Kipps was the borrower under the Monarch Commitment Letter, Todd Slater advised that the funds would be used for the benefit of the acquisition and development of the entire Brockville development, which included Balmoral as well as SIREG 4 Cartier Inc., SIREG 6 Cartier Inc., SIREG 8 Cartier Inc., SIREG 10 Cartier Inc., SIREG 12 Cartier Inc., SIREG 14

Cartier Inc., SIREG 16 Cartier Inc., SIREG 1390 Kensington Inc., and SIREG 1400-1410 Kensington Inc. (collectively with Balmoral, the “**Brockville Properties**”).

10. As such, the Monarch Loan required payment of \$70,000 from the sale of each condominium unit at Balmoral, and a lump sum payment on or before May 26, 2025 of the outstanding amounts. The reason that the payments were limited to sales from condominium units at Balmoral is because at the time it was the only Brockville Property that was going to be immediately converted to condominium units.

11. The borrower’s obligations under the Monarch Commitment Letter in respect of the Monarch Loan are secured by a comprehensive security package. Among other things, the Monarch Commitment Letter grants security in favour of Monarch over Balmoral, including a guarantee by Balmoral of Kipps’ obligations, a Charge on Balmoral, and a General Assignment of Rents on Balmoral, all of which may be registered if there is an event of default.

12. The Monarch Loan was fully advanced. The funds were used for the benefit of the Brockville Properties collectively.

13. As of July 31, 2026, the outstanding amounts owing under the Monarch Loan totaled \$7,011,362.49, plus fees, and costs.

14. In May 2025, the Monarch Loan was extended until July 26, 2025 with a 2% fee per month payable on the principal amount outstanding. Attached hereto and marked as **Exhibit “B”** is a copy of the email exchange reflecting the agreement to extend the Monarch Loan.

15. On June 27, 2025, counsel for the SIREG entities and Monarch agreed that SIREG would make a principal payment of \$100,000 forthwith; SIREG would make certain payments in respect

of sales of each Kipps unit and each Balmoral unit; SIREG would pledge its shares in SIREG 700 Parkhill Inc.; and Monarch would provide Firm Capital Mortgage Fund Inc. (“**Firm Capital**”) with a postponement of its amended charge and any related documentation forthwith. Attached hereto and marked as **Exhibit “C”** is a copy of the email exchange reflecting the agreement to extend the Monarch Loan.

16. After the expiry of the extension to July 2025, the indebtedness was not repaid and the borrower was in default of the Monarch Commitment Letter and the Monarch Loan. Monarch engaged in various negotiations with Mr. Slater about extending the Monarch Loan on terms. Mr. Slater caused the borrower to make some payments but failed to pay the full amount outstanding owed under the Monarch Loan.

17. The last payment received from Mr. Slater occurred on July 30, 2026, and this payment was limited to repayment in respect of condominium unit sales and discharges.

18. In August 2026, I spoke with Mr. Slater on several occasions demanding that he satisfy the Monarch Loan, which he did not do.

19. Given the ongoing default, in September 2026, Monarch registered a second Charge and General Assignment of Rents against Balmoral as provided by the Monarch Commitment Letter.

20. As a result, Monarch holds the following security over Kipps and Balmoral:

- (a) A second-ranking mortgage in the principal amount of \$7,000,000 registered on title to Kipps on December 4, 2024 (the “**Kipps Mortgage**”), and a General Assignment of Rents registered on title to Kipps on December 4, 2025. A copy of the Kipps Mortgage is attached hereto as **Exhibit “D”**. A copy of the Kipps

Assignment of Rents is attached hereto as **Exhibit “E”**. A copy of the parcel register for the Kipps property is attached hereto as **Exhibit “F”**;

- (b) A second-ranking charge in the amount of \$7,800,000 registered on title to Balmoral on September 18, 2026, and a General Assignment of Rents registered on title to Balmoral on September 22, 2026. A copy of the Balmoral Charge is attached hereto as **Exhibit “G”**. A copy of the Balmoral Assignment of Rents is attached hereto as **Exhibit “H”**. A copy of the parcel register for the Balmoral property is attached hereto as **Exhibit “I”**;
- (c) A general security agreement dated November 26, 2024, granting Monarch a security interest in Kipp’s present and after-acquired personal property (the “**Kipps GSA**”), perfected under the *Personal Property Security Act* (“**PPSA**”) A copy of the Kipps GSA is attached hereto as **Exhibit “J”**; and
- (d) A guarantee of the Monarch Loan from each of SIREG Holdings Inc. (“**SIREG Holdings**”) and Todd C. Slater, the founder and President of the SIREG group, both perfected under the *Personal Property Security Act*. Copies of the guarantees are attached hereto as **Exhibit “K”** and **Exhibit “L”**.

21. Firm Capital has a first mortgage on Kipps, a first, blanket mortgage over the Brockville Properties (only one of which is Balmoral), as well as other properties on which Monarch does not have a registration on title.

C. PREJUDICE IF THE STAY IS NOT LIFTED

22. Until late on October 7, 2026, I understood that the Proposal Trustee would not consent to lift the stay of proceedings in respect of any of the debtors and that the stakeholders were waiting on appraisals from the Proposal Trustee to consider next steps.

23. I am advised by Derek Knoke that, until late on October 7, 2026, Monarch's counsel was advised by counsel for Firm Capital that the October 8, 2026 15-minute attendance before the Court was simply to schedule a motion to lift the stay on SIREG 700 Parkhill Inc. and that no relief was sought regarding Kipps, Balmoral, or any of the Brockville Properties.

24. At that time, Monarch's counsel and I learned that Firm Capital was bringing a motion for an order to lift the stay of proceedings with respect to Kipps, Balmoral, and all the Brockville Properties, despite the fact that creditors had received no information from the Proposal Trustee, including appraisals of the relevant real property.

25. I am concerned that if the stay is lifted only for Firm Capital, it alone will decide when and which properties are listed for sale, with which broker, at what price, for how long, and on what terms. Monarch, which bears the risk of any shortfall in sale price at Kipps, Balmoral, and Brockville Properties, will likely have a more limited role in those actions, and it will have no ability to enforce its own security or to seek relief on short notice while the stay remains in place against it.

26. For this reason, it would be unfair and prejudicial to lift the stay for Firm Capital but to refuse to lift the stay for Monarch.

27. I swear this affidavit in support of the relief sought in Monarch's Notice of Motion dated October 9, 2026, and for no other purpose.

- g. The provisions and conditions of this Commitment shall survive the execution and registration of the Security and there shall be no merger therein. However, should there arise any inconsistencies between this Commitment and the Security, then the terms of this Commitment shall govern. In the event that there is no inconsistency or conflict between the terms of the Security and this Commitment then the Lender shall have the rights given to the Lender under all the said documents.
- h. The Borrower and Guarantors shall promptly cure any defect or defects in the execution and delivery of this Commitment, the Security or any other document arising here from and the Borrower and Guarantors shall, from time to time, promptly execute and deliver to the Lender, at the request of the Lender, any additional or other documents, agreements, mortgage amending agreements and instruments in compliance with or to effect better the covenants of the Borrower and Guarantors hereunder.
- i. This Commitment may be executed in counterparts, each of which shall be deemed to be an original and both of which taken together shall be deemed to constitute one and the same instrument. To evidence its execution of an original counterpart of this Commitment, a party hereto may send a copy of its original signature on the execution page hereof to the other parties by electronic means, and such transmission shall constitute delivery of an executed copy of this Commitment to the receiving party.

Please signify your acceptance of this Commitment by executing, dating and delivering this Commitment where indicated.

ADDITIONAL PROVISIONS

The following additional provisions shall be incorporated in the electronic Charge form to which this schedule is annexed (the “**Charge**”) between **1000001856 ONTARIO INC.** (the “**Chargor**”); **TODD C. SLATER** and **SIREG HOLDINGS INC.** (the “**Guarantors**”) and **MONARCH REALTY FUND LLC** (the “**Chargee**”).

1. **PROMISE TO PAY.** The Chargor, for value received, hereby acknowledges itself indebted and promises to pay to the Chargee, on demand, all amounts now or hereafter owing by the Chargor to the Chargee up to the maximum principal amount of **SEVEN MILLION DOLLARS (\$7,000,000)** in lawful money of Canada, and to pay interest thereon (if applicable) at the rate of interest of Eighteen per cent (18.0%) per annum, in accordance with the Commitment (as hereinafter defined), calculated and compounded monthly.

2. **COLLATERAL SECURITY.** This Charge is given by the Chargor to the Chargee as security for the payment and performance of all indebtedness, obligations and liabilities of the Chargor to the Chargee, present or future, direct or indirect, absolute or contingent, matured or not, extended or renewed at any time owing by the Chargor to the Chargee or remaining unpaid or performed by the Chargor to the Chargee, whether incurred prior to, at the time of, or subsequent to the execution hereof, and whether otherwise secured or not and whether arising from agreement or dealings between the Chargor and the Chargee and whether incurred by the Chargor on its own behalf or on behalf of others and any unpaid balance thereof, including, without limitation, pursuant to:

a. a commitment letter between the Chargor, the Guarantors and the Chargee (the “**Commitment**”) dated the 26th day of November, 2024, as such Commitment may be amended, modified, supplemented or replaced from time to time; and/or

b. this Charge,

(collectively the “**Secured Obligations**”).

Notwithstanding any other provision contained herein, the Chargor’s liability hereunder shall be limited to the amount of the Secured Obligations.

3. INTERPRETATION

In this Charge:

a. the term “**Charge**” means the Charge to which this schedule is attached, the set of Standard Charge Terms filed as Number 200033 and this schedule, as the same may be amended, modified, supplemented, extended or replaced from time to time;

- b. the term “**Lands**” or “**lands**” or “**the said lands**” as used herein, and the term “**land**” as used in the set of Standard Charge Terms filed as Number 200033, shall mean the fee simple estate of the Chargor in the lands described in the Charge to which this schedule is attached, and shall include all tenements, hereditaments, appurtenances, buildings and structures now or hereafter erected thereon, and all easements and rights of way now or hereafter appurtenant thereto and any interest therein enjoyed by the Chargor;
 - c. the term “**Person**” means an individual, a partnership, a corporation, a government or any department or agency thereof, a trustee, any unincorporated organization and the heirs, executors, administrators or other legal representatives of an individual, and words importing “**Person**” have similar meanings; and
 - d. all headings inserted herein are for convenience of reference only and shall not limit or extend the meaning of the terms and provisions hereof.
4. **PAYMENT CURRENCY.** Unless otherwise expressly provided, the Chargor shall make all payments pursuant hereto in Canadian dollars.
5. **DEFAULT.** The Chargee may declare the Secured Obligations to be immediately due and payable on an occurrence of a default under the Commitment and all rights and remedies hereunder, in law, in equity or otherwise of the Chargee shall thereupon become enforceable by the Chargee. The Chargee may, by notice to the Chargor, waive any default of the Chargor on such terms and conditions as the Chargee may determine, but no such waiver shall be taken to affect any subsequent default or the rights resulting therefrom.
6. **RIGHTS AND REMEDIES.** Upon the rights and remedies of the Chargee hereunder becoming enforceable:
- a. The Chargee may by instrument in writing appoint any Person, whether an officer or officers or an employee or employees of the Chargee or not, to be a receiver or receivers of all or any part of the Lands and may remove any receiver or receivers so appointed and may appoint another or others in his or their stead. Any such receiver shall, so far as concerns responsibility for his acts, be deemed the agent of the Chargor and in no event the agent of the Chargee, and the Chargee shall not be in any way responsible for any misconduct, negligence, or non-feasance on the part of any such receiver. Subject to the provisions of the instrument appointing such receiver, any such receiver or receivers so appointed shall have power to take possession of the Lands or any part thereof and to carry on or concur in carrying on the business of the Chargor therein conducted and to sell or concur in selling all or any part of the Lands. Except as may be otherwise directed by the Chargee, all moneys from time to time received by such receiver shall be in trust for and paid over to the Chargee. The rights and powers conferred by this paragraph are supplemental to and not in substitution for any rights or powers that the Chargee may from time to time have as the Chargee under this Charge, and every such receiver may in the discretion of the Chargee be vested with all or any of the rights and powers of the Chargee. The term “receiver”, as used in this Charge, includes a receiver and manager; and/or

- b. To the extent permitted by law, the Chargee may immediately take possession of the Lands and may, either before or after any entry, and either before or after giving any notice, immediately lease the Lands or any part thereof and/or sell or otherwise dispose of the Lands or any part thereof either as a whole or in separate parcels at public auction or by tender or by private sale at such time or times as the Chargee may determine, and may make such sale, either for cash or credit or part cash and part credit, and with or without advertisement, and with or without a reserve bid, as the Chargee may deem proper, and the Chargee may also rescind or vary any contract of sale that may have been entered into and resell with or under any of the powers conferred hereunder and adjourn any such sale from time to time and may execute and deliver to the purchaser or purchasers of the said Lands or any part thereof good and sufficient deed or deeds for the same, the Chargee being hereby constituted the irrevocable attorney of the Chargor for the purpose of making such sale and executing such deeds, and any such sale made as aforesaid shall be a perpetual bar both in law and in equity against the Chargor and all other persons claiming any interest in the Lands or any part thereof by, from, through or under the Chargor. Any purchaser or lessee shall not be bound to see to the propriety or regularity of any sale or lease or be affected by any express notice that any sale or lease is improper and to the extent permitted by law no want of notice or publication shall invalidate any sale or lease hereunder; and/or
- c. The Chargee may borrow money on the security of the Lands in priority to the security constituted by the Charge for the purpose of maintaining, preserving or protecting the Lands or any part thereof or carrying on all or any part of the business of the Chargor relating to the said land; and/or
- d. Upon the Chargor receiving notice from the Chargee of the taking of possession of the Lands or the appointment of a receiver, all the powers, functions, rights and privileges of each of the directors and officers of the Chargor with respect to the said Lands shall, to the extent permitted by law, cease, unless specifically continued by the written consent of the Chargee; however, all other powers, functions, rights and privileges of such directors shall be unaffected by such events; and/or
- e. For greater certainty, the parties hereto agree that in addition to, and not in substitution for, all the rights and remedies of the Chargee at law or contained herein, the Chargee may, upon the rights and remedies of the Chargee hereunder becoming enforceable, subject to the rights of prior encumbrancers, mortgagees and chargees of the said Lands:
 - (i) foreclose all the right, title and interest in the equity of redemption of the Chargor to and in the said Lands;
 - (ii) immediately enter into and take possession of the said Lands free from all manner of former conveyances, mortgages, charges or encumbrances without the let, suit, hindrance, interruption or denial of the Chargor or any other person whatsoever; and/or
- f. The Chargee or any agent or representative thereof may become purchaser at any sale of any of the Lands whether made under the power of sale herein contained or pursuant to foreclosure or other judicial proceedings; and/or

- g. The Chargor expressly agrees that the rights and remedies of the Chargee hereunder are cumulative and in addition to and not in substitution for any rights or remedies provided by law. Any single or partial exercise by the Chargee of any right or remedy for a default or breach of any term, covenant or condition in this Charge does not waive, alter, affect or prejudice any other right or remedy to which the Chargee may be lawfully entitled for the same default or breach. Any waiver by the Chargee of the strict observance, performance or compliance with any term, covenant or condition of this Charge is not a waiver of any subsequent default and any indulgence by the Chargee with respect to any failure to strictly observe, perform or comply with any term, covenant or condition of this Charge is not a waiver of the entire term, covenant or condition or any subsequent default. No delay or omission of the Chargee to exercise any remedy or right hereunder or at law, in equity or otherwise, shall impair any such remedy or shall be construed to be a waiver of any default hereunder or acquiescence therein.

7. MORTGAGE NOT TO BE VOID. In addition to, and not in substitution for, any other provision of this Charge and notwithstanding Subsection 6(2) of the *Land Registration Reform Act* (Ontario), the parties hereto agree that this Charge shall not be void unless the Chargor shall pay or cause to be paid to the Chargee the Secured Obligations and shall otherwise observe and perform the terms hereof and unless all credit facilities granted in connection with the Secured Obligations shall have been cancelled and terminated.

8. OTHER SECURITY/PAYMENTS RECEIVED. This security is in addition to and not in substitution for any other security now or hereafter held by the Chargee in respect of the Secured Obligations. No rights or remedies of the Chargee pursuant to this Charge and such other security shall be exclusive or dependent upon any other, and the Chargee may from time to time exercise any one or more of such rights or remedies independently or in combination, such remedies being cumulative and not in the alternative.

9. NON-MERGER. Neither the taking of any judgment or the obtaining of any order nor the exercise of any power of seizure or sale shall operate to extinguish the liability of the Chargor to pay the Secured Obligations, nor shall the same operate as a merger of any covenant herein contained or contained in the Commitment or affect the right of the Chargee to interest at the rate herein specified, nor shall the acceptance of any payment or other security constitute or create any novation, and it is further agreed that the taking of a judgment under any covenant herein contained shall not operate as a merger of such covenant or affect the Chargee's right to interest as herein provided.

10. PERSONS DEALING WITH THE CHARGEES OR THE RECEIVER. No person dealing with the Chargee or the receiver or receivers appointed by it or their agents shall be concerned to enquire whether the security constituted hereby has become enforceable or whether the powers which the Chargee or the receiver or receivers appointed by it are purporting to exercise have become exercisable, or whether any monies or obligations remain due under the security hereof, or as to the necessity or expediency of stipulations and conditions subject to which any sale, lease, subletting or any disposition shall be made, or otherwise as to the propriety or regularity of any sale, lease, subletting or disposition, or of any other dealing by the Chargee or its receiver or receivers, with the lands hereby charged or any part thereof, or to see to the application of any monies paid to the Chargee or to its receiver or receivers appointed by it.

11. NOTICE. All notices and other communications shall be in writing and shall be personally delivered to an officer or other responsible employee or sent by direct written electronic means, if to the Chargor, the Chargee or the Guarantors at or to such address or addresses, or email address as any party may from time to time designate to the other parties. Any communication which is personally delivered as aforesaid shall be deemed to have been validly and effectively given on the date of such delivery if such date is a Banking Day and such delivery was made during normal business hours of the recipient; otherwise, it shall be deemed to have been validly and effectively given on the Banking Day next following such date of delivery. Any communication which is transmitted by direct written electronic means as aforesaid shall be deemed to have been validly and effectively given on the date of transmission if such date is a Banking Day and such transmission was made during normal business hours of the recipient; otherwise, it shall be deemed to have been validly and effectively given on the Banking Day next following such date of transmission. For the purposes of this Charge, "Banking Day" shall mean any day other than a Saturday, Sunday or statutory holiday in Canada, on which banks generally are open for business in Toronto, Ontario.

12. RESTRICTIVE COVENANTS. The Chargor hereby covenants and agrees with the Chargee that the Chargor shall not enter into or grant, create, assume or suffer to exist any mortgage, charge, assignment, pledge, lien or other security interest or encumbrance of whatever kind or nature, regardless of form and whether consensual or arising by law (statutory or otherwise) that secures the payment of any indebtedness or liability or the observance or performance of any obligations (including any agreement to give any of the foregoing) affecting the land subject to this Charge except as otherwise permitted in accordance with the terms of the Commitment.

13. GENERAL

- a. The Secured Obligations shall be paid and shall be assignable free from any right of set-off or counterclaim or equities between the Chargor and the Chargee.
- b. If for any reason whatsoever any term, covenant or condition of this Charge, or the application thereof to any person or circumstance, is to any extent held or rendered invalid, unenforceable or illegal, then such term, covenant or condition (i) is deemed to be independent of the remainder of this Charge and to be severable and divisible therefrom and its invalidity, unenforceability or illegality does not affect, impair or invalidate the remainder of this Charge or any part thereof; and (ii) continues to be applicable to and enforceable to the fullest extent permitted by law against any Person and circumstances other than those as to which it has been held or rendered invalid, unenforceable or illegal.
- c. This Charge and all its provisions shall enure to the benefit of the Chargee and its successors and assigns and shall be binding upon the Chargor and its successors and assigns.
- d. This Charge shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada.
- e. In the event of any conflict or inconsistency between the provisions of this Schedule and those contained in the Standard Charge Terms filed as No. 200033, the relevant provisions of this Schedule shall prevail and be paramount. In the event of any conflict or inconsistency between the provisions of this Charge and the provisions of the Commitment, the provisions of the Commitment shall prevail and be paramount. If any covenant or event of default contained in

this Charge is in conflict with or is inconsistent with a provision of the Commitment relating to the same specific matter, such covenant or event of default shall be deemed to be amended to the extent necessary to ensure that it is not in conflict with or inconsistent with the provision of the Commitment relating to the same specific matter.

GENERAL ASSIGNMENT OF RENTS

WHEREAS:

- a. **1000001856 ONTARIO INC.** (the “**Chargor**”) is the registered owner of the lands and premises described herein (the “**Lands**”);
- b. the Lands are subject to a Charge/Mortgage of Land (the “**Charge**”) in favour of **MONARCH REALTY FUND LLC** (the “**Chargee**”), the registration number of said Charge being as set out herein;
- c. the Chargor’s title to the Lands is or may be subject to leases and the Chargor has agreed to assign such leases and the rents therefrom to the Chargee as well as all future leases of and rental income from the Lands, for the purpose of securing the payment of the principal, interest and other monies secured by the said Charge.

NOW THEREFORE in consideration of the sum of TWO (\$2.00) DOLLARS of lawful money of Canada now paid by the Chargee to the Chargor (the receipt and sufficiency whereof is hereby acknowledged by the Chargor) the Chargor hereby transfers, assigns and sets over unto the Chargee all of its right, title and interest in:

- (a) the present leases of the Lands, if any;
- (b) all future leases of the Lands;
- (c) all rents and other monies (herein called the rents) now due and payable or hereafter to become due and payable under such leases or any extensions or renewals thereof; and
- (d) the benefit of all covenants, stipulations and provisions contained in such leases.

TO HOLD and receive the same unto the Chargee.

PROVIDED that nothing herein contained shall be deemed to have the effect of making the Chargee responsible for the collection of the rents or any part thereof or for the performance of any covenants, terms and conditions either by the landlord or by the tenant contained in the said leases, and the Chargee shall not by virtue of this Assignment be deemed a Chargee in possession of the Lands or any part thereof, and that this Assignment shall not of itself create the relationship of landlord and tenant as between the Chargee and any tenants of the Lands.

AND PROVIDED FURTHER that the Chargee shall be liable to account for only such monies as shall actually come into its possession by virtue of this Assignment and that such monies when received by the Chargee shall be applied on account of the monies from time to time due under the Charge and any renewal thereof or amendment thereto or under any agreement collateral thereto, and out of the surplus (if any) shall be paid the taxes and assessments whether municipal or provincial which are charged against the Lands.

AND IT IS HEREBY declared and agreed that none of the rights or remedies of the Chargee under the Charge shall be delayed or in any way prejudiced by this Assignment or by any act of the Chargee pursuant thereto.

AND IT IS FURTHER agreed that notwithstanding any variation of the terms of the Charge or any agreement or arrangement with the Chargor or any extension of time for payment or any release of part or parts of the charged Lands, or of any collateral or additional security which may be given to the Chargee, the leases, rents and other benefits hereby assigned shall continue as security until the whole of the monies secured by the Charge shall be fully paid and satisfied.

AND the Chargor covenants and agrees from time to time and at all times hereafter at the request of the Chargee to execute and deliver at the expense of the Chargor further assurances for the better and more perfectly assigning to the Chargee of the said leases and any renewals thereof and the rents payable thereunder in the manner aforesaid as the Chargee shall be reasonably advised and at the request of the Chargee to assign to the Chargee any leases of part or parts of the Lands which may be created in the future and which the Chargee may require assigned to it, and to give any other parties thereto a notice of such assignment and to obtain from them acknowledgments of such notice, such notice and acknowledgements to be similar to the forms heretofore given to the Chargor by the Chargee.

THE Chargor further agrees that it will not lease or agree to lease any part of the Lands except at a rent, upon terms and conditions, and to tenants which are not less favourable or desirable to the Chargor than those which a prudent landlord would expect to receive for the premises to be leased.

PROVIDED that until default shall have been made in payment of any installment of principal or of interest or of other monies as provided in the Charge or any renewal thereof or amendment thereto or until the breach of any covenants contained in the Charge, the Chargor shall be entitled to receive all rents payable under the said leases and shall not be liable to account therefor to the Chargee, but immediately upon default in payment of either principal or interest or other monies being made, or upon a breach on the part of the Chargor of any of the covenants contained in the Charge, and so often as either may occur the Chargee upon written notice to the tenants shall be entitled to all rent falling due subsequent to the date of service of such notice pursuant to the terms hereof.

PROVIDED FURTHER that nothing herein contained shall be deemed to be a consent on the part of the Chargee to the payment of rent in advance by a tenant or to an alteration of the terms of the said leases, except where such alteration does not reduce the value of the lease as security, without the consent of the Chargee, whether default has occurred under the Charge or not.

AND the Chargor covenants to and with the Chargee to perform and fulfill all the covenants and agreements contained in the said leases to be performed by the Chargor as landlord thereunder.

AND the Chargor hereby covenants with the Chargee that notwithstanding any act of the Chargor, the said leases, if any, are good, valid and subsisting and that the covenants and obligations therein have been duly observed and performed by the Chargor up to the date hereof and that notwithstanding any act of the Chargor, the Chargor now has full power and absolute authority to assign the said leases and the said rents and other benefits in the manner aforesaid accruing to the true intent and meaning of this Agreement.

THE Chargee may waive any default or breach of covenant and shall not be bound to serve any notice upon a tenant upon the happening of any default or breach of covenant but any such waiver shall not extend to any subsequent default or breach of covenants.

UPON THE repayment by the Chargor of the whole of the monies secured by the Charge and upon performance of all the covenants therein contained, a discharge of the Charge shall, upon delivery of such discharge to the Chargor, constitute a re-assignment of the leases to the Chargor and the Chargee agrees to execute such further re-assignments and discharges thereof and financing change statements with respect thereto as the Chargor may reasonably request.

THIS ASSIGNMENT and everything herein contained shall enure to the benefit of and be binding upon not only the parties hereto but also their successors and assigns.

This is Exhibit “F” referred to in the Affidavit of Robert Klimov sworn by Robert Klimov of the Monaco City, in the Country of Monaco, before me at the City of Toronto, in the Province of Ontario, on October 9, 2026 in accordance with O. Reg. 431/20, Administering Oath or Declaration Remotely.

2.01 Grant of Security Interest. Subject to Section 2.04, as continuing security for the due and timely payment and performance by the Borrower of the Obligations, the Borrower hereby grants to the Lender a security interest (the **"Security Interest"**) in the Collateral.

2.02 Proceeds of Collateral. For greater certainty, the Security Interest shall extend to the Proceeds of the Collateral.

2.03 No Postponement. The Borrower and the Lender acknowledge and agree that value has been given, that the Borrower has rights in the Collateral, and that the parties have not agreed to postpone the time for attachment of the Security Interest created hereby.

2.04 Excepted from Collateral. The last day of any term reserved by any lease, verbal or written, or any agreement therefor, now held or hereafter acquired by the Borrower is hereby excepted out of the Collateral. As further continuing security for the due and timely payment and performance by the Borrower of the Obligations, the Borrower agrees that it will stand possessed of the reversion of one day remaining in the Borrower in respect of each such term, respectively, upon trust to assign and dispose of the same in such manner as the Lender may from time to

time direct in writing and, upon any sale of any such leasehold premises by the Lender as provided for herein, the Lender shall, for the purpose of vesting the aforesaid residue of any such term in any purchaser or any other person, firm or corporation, be entitled by deed or other written instrument to appoint such purchaser or other person, firm or corporation as a new trustee of the aforesaid residue of any such term in place of the Borrower and to vest the same accordingly in the new trustee freed and discharged from any obligation whatsoever respecting the same.

2.05 Transfers to Lender. The Borrower shall, upon request from the Lender, forthwith deliver to the Lender to be held by the Lender hereunder all instruments, securities, letters of credit, advances of credit and negotiable documents of title in its possession or control, and shall, where appropriate, duly endorse the same for transfer in blank or as the Lender may direct and shall make all reasonable efforts to forthwith deliver to the Lender any and all consents or other instruments or documents necessary to comply with any restrictions on the transfer thereof in order to transfer the same to the Lender.

2.06 Additional Security. As further continuing security for the due and timely payment and performance by the Borrower of the Obligations, the Borrower, subject to Section 2.04, hereby grants, bargains, sells, assigns and transfers to the Lender all Collateral such that title thereto and ownership therein shall belong to and be vested in the Lender, provided that the Lender shall not thereby assume or be liable for any obligations or payments in respect of any of the Collateral and further provided that, upon the sale of any Inventory by the Borrower in accordance with the provisions of Section 2.07, title thereto and ownership therein shall be automatically divested from the Lender and provided further that, upon the termination of this Agreement in accordance with Section 10.02, title to and ownership in the Collateral shall be automatically revested in the Borrower without any further act of the Lender or the Borrower.

2.07 Ordinary Course of Business. Unless and until an Event of Default shall occur, the Inventory may be sold by the Borrower in the ordinary course of its business and for the purpose of carrying on the same.

2.08 The Borrower not to Encumber Collateral. The Borrower shall not create, assume, incur or permit to exist any mortgage, hypothec, charge, pledge, assignment, security interest, lien or other encumbrance in, on or of the Collateral or any part or parts thereof other than the Security Interest.

2.09 Collateral. For greater certainty, the Security Interest created hereby shall be operative as a present, attached, fixed and specific assignment, mortgage and charge of and security interest in any and all of the Collateral now owned by the Borrower and, with respect to any and all of the Collateral acquired by the Borrower after the date hereof, shall be operative as a present, specific assignment, mortgage and charge of and security interest in such Collateral which shall attach as a fixed and specific mortgage and charge of and security interest in such Collateral as of the moment the Borrower acquires any rights or interests therein.

2.10 After Acquired Collateral. Without limiting the generality of the description of Collateral set out above, the Collateral shall include all present and future personal property of the Borrower located on or about or in transit to or from the address of the Borrower and the location set out in **Schedule "A"** attached hereto, and all other present and future personal

property of the Borrower. The Borrower agrees to promptly inform the Lender in writing of the acquisition by the Borrower of any personal property which is not of the nature or type described herein, and the Borrower agrees to execute and deliver at its own expense from time to time amendments to this Agreement or additional security agreements as may be reasonably required by the Lender in order that the Security Interest created hereunder shall attach to such personal property.

ARTICLE THREE THE BORROWER'S REPRESENTATIONS AND WARRANTIES

3.01 Representations and Warranties. The Borrower hereby represents, warrants and agrees with the Lender as follows:

- (a) Except for the Security Interest granted hereby and the permitted encumbrances set forth in **Schedule "B"** annexed hereto (the "**Permitted Encumbrances**"), the Borrower is, or, as to Collateral acquired after the date hereof will be the owner of the Collateral, free from any adverse lien, security interest or encumbrance, and agrees that it will defend the Collateral against all claims and demands of all persons at any time claiming the same or any interest therein.

All debts and liabilities present and future of the Borrower to the Guarantor are hereby assigned to the Lender as security, and are hereby fully postponed and subordinated to the payment in full of all present and future debts and liabilities of the Borrower to the Lender, and any moneys received by the Guarantor in respect thereof shall be received in trust for and forthwith paid over to the Lender, the whole without in any way limiting or lessening the liability of the Guarantor under Part I.

11. The provisions of this Part II are independent of and severable from the provisions of Part I and shall remain in effect whether or not the Guarantor is liable for any amount under Part I; provided, however, that the provisions of this Part II may be terminated by the Guarantor, by written notice to the office of the Lender at which this instrument is held, at any time when the Debtor is not indebted or liable to the Lender.

PART III

12. This instrument is in addition and without prejudice to any securities of any kind including, without limitation, guarantees and postponement agreements whether or not in the same form as this instrument, now or hereafter held by the Lender.
13. There are no representations, collateral agreements or conditions with respect to this instrument or affecting the Guarantor's liability hereunder other than as contained herein.
14. This instrument shall be construed in accordance with the laws of the Province of Ontario and the Guarantor agrees that any legal suit, action or proceeding arising out of or relating to this instrument may be instituted in the courts of such province, and the Guarantor hereby accepts and irrevocably submits to the jurisdiction of such courts and acknowledges their competence and agrees to be bound by any judgment thereof; provided that nothing herein shall limit the Lender's right to bring proceedings against the Guarantor elsewhere.
15. This instrument shall extend to and enure to the benefit of the successors and assigns of the Lender, and shall be binding upon the Guarantor and his heirs, executors, estate trustees, permitted successors and assigns.
16. The undersigned hereby each acknowledge receipt of a true copy of this instrument.

GUARANTEE AND POSTPONEMENT OF CLAIM

TO: MONARCH REALTY FUND LLC

PART I

FOR VALUABLE CONSIDERATION, the undersigned, **TODD C. SLATER** (the "**Guarantor**") hereby guarantees payment to **MONARCH REALTY FUND LLC** (the "**Lender**"), forthwith after demand as hereinafter provided, of all of the debts, liabilities and obligations which **1000001856 ONTARIO INC.** (the "**Borrower**") has incurred or is under or may incur or be under to the Lender; whether arising from dealings between the Lender and the Borrower or from any other dealings by which the Borrower may become in any manner whatever liable to the Lender, including, without limitation, all advances made to the Borrower, and all liabilities of the Borrower to pay interest, fees and costs, together with interest thereon.

AND THE GUARANTOR HEREBY COVENANTS AND AGREES THAT:

1. The Lender may grant extensions of time or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Borrower and the other parties and securities as the Lender may see fit, and may apply all moneys received from the Borrower or others, or from securities, upon such part of the Borrower's liability as it may think best, without prejudice to or in any way limiting or lessening the liability of the Guarantor under this guarantee.
2. The Lender shall not be bound to exhaust its recourse against the Borrower, any other guarantors or other parties or the securities it may hold before being entitled to payment from the Guarantor under this guarantee.
3. Any loss of or in respect of securities received by the Lender from the Borrower or any other person, whether occasioned through the fault of the Lender or otherwise, shall not discharge pro tanto or limit or lessen the liability of the Guarantor under this guarantee.
4. This shall be a continuing guarantee and shall cover present liabilities (if any) of the Borrower to the Lender and all liabilities incurred after the date hereof and shall apply to and secure any ultimate balance due or remaining due to the Lender and shall be binding as a continuing security on the Guarantor.
5. Any change or changes in the name of the Borrower shall not affect or in any way limit or lessen the liability of the Guarantor hereunder and this guarantee shall extend to the person, firm or corporation acquiring or from time to time carrying on the business of the Borrower.

6. All moneys, advances, renewals and credits in fact borrowed or obtained from the Lender shall be deemed to form part of the liabilities hereby guaranteed notwithstanding any incapacity, disability or lack or limitation of status or of power of the Borrower or of the directors, partners or agents thereof, or that the Borrower may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys, advances, renewals or credits; and any amount which may not be recoverable from the Guarantor on the footing of a guarantee shall be recoverable from the Guarantor as principal Borrower in respect thereof and shall be paid to the Lender after demand therefor as hereinafter provided.
7. Any account settled or stated by or between the Lender and the Borrower shall be accepted by the Guarantor as conclusive evidence that the balance or amount thereby appearing due by the Borrower to the Lender is so due.
8. Should the Lender receive from the Guarantor a payment or payments in full or on account of the liability under this guarantee, the Guarantor shall not be entitled to claim repayment against the Borrower or the Borrower's estate until the Lender's claims against the Borrower have been paid in full; and in case of liquidation, winding up or bankruptcy of the Borrower (whether voluntary or compulsory) or in the event that the Borrower shall make a bulk sale of any of the Borrower's assets within the bulk transfer provisions of any applicable legislation or any composition with creditors or scheme of arrangement, the Lender shall have the right to rank for its full claim and receive all dividends or other payments in respect thereof until its claim has been paid in full and the Guarantor shall continue liable less any payments made by the Guarantor, for any balance which may be owing to the Lender by the Borrower; and in the event of the valuation by the Lender of any of its securities and/or retention thereof by the Lender, such valuation and/or retention shall not, as between the Lender and the Guarantor, be considered as a purchase of such securities, or as payment or satisfaction or reduction of the Borrower's liabilities to the Lender, or any part thereof.
9. The Guarantor shall make payment to the Lender of the amount of the liability of the Guarantor forthwith after demand therefor is made in writing and such demand shall be conclusively deemed to have been effectually made three (3) days after the date upon which an envelope containing it addressed to the Guarantor at the last address of the Guarantor known to the Lender is deposited, postage prepaid and registered, in the post office and the liability of the Guarantor shall bear interest from the date of such demand at the rate or rates then applicable to the liabilities of the Borrower to the Lender.

PART II

AND FOR THE FURTHER SECURITY OF THE LENDER, THE GUARANTOR COVENANTS AND AGREES THAT:

10. All debts and liabilities present and future of the Borrower to the Guarantor are hereby assigned to the Lender as security, and are hereby fully postponed and subordinated to the payment in full of all present and future debts and liabilities of the Borrower to the Lender, and any moneys received by the Guarantor in respect thereof shall be received in trust for and forthwith paid over to the Lender, the whole without in any way limiting or lessening the liability of the Guarantor under Part I.

11. The provisions of this Part II are independent of and severable from the provisions of Part I and shall remain in effect whether or not the Guarantor is liable for any amount under Part I; provided, however, that the provisions of this Part II may be terminated by the Guarantor, by written notice to the office of the Lender at which this instrument is held, at any time when the Debtor is not indebted or liable to the Lender.

PART III

12. This instrument is in addition and without prejudice to any securities of any kind including, without limitation, guarantees and postponement agreements whether or not in the same form as this instrument, now or hereafter held by the Lender.
13. There are no representations, collateral agreements or conditions with respect to this instrument or affecting the Guarantor's liability hereunder other than as contained herein.
14. This instrument shall be construed in accordance with the laws of the Province of Ontario and the Guarantor agrees that any legal suit, action or proceeding arising out of or relating to this instrument may be instituted in the courts of such province, and the Guarantor hereby accepts and irrevocably submits to the jurisdiction of such courts and acknowledges their competence and agrees to be bound by any judgment thereof; provided that nothing herein shall limit the Lender's right to bring proceedings against the Guarantor elsewhere.
15. This instrument shall extend to and enure to the benefit of the successors and assigns of the Lender, and shall be binding upon the Guarantor and his heirs, executors, estate trustees, permitted successors and assigns.
16. The undersigned hereby each acknowledge receipt of a true copy of this instrument.

AFFIDAVIT OF PAULINA GONCALVES
(Affirmed October 12, 2026)

I, Paulina Goncalves, of the City of Toronto, in the Province of Ontario, AFFIRM:

1. I am a law clerk with Lenczner Slaght LLP, lawyers for Monarch Realty Fund LLP (“**Monarch**”) in this proceeding, and, as such, have knowledge of the matters addressed herein. Where I rely upon information received from others, I have stated the source of that information and believe it to be true.
2. Robert Klimov swore an affidavit in this proceeding on October 9, 2026 (the “**Klimov Affidavit**”) in support of Monarch’s motion to lift the stay of proceedings resulting from the Notices of Intention to Make a Proposal filed by SIREG 1-4 Balmoral Inc. (“**Balmoral**”) and 1000001856 Ontario Inc. (“**Kipps**”). Capitalized terms not otherwise defined in this affidavit have the meanings given to them in the Klimov Affidavit.

3. I swear this supplementary affidavit for the limited purpose of explaining why Monarch has not placed before the Court the parcel registers for each of the individual parcels comprising the Balmoral and Kipps properties.

4. At paragraphs 20(a) and 20(b) of the Klimov Affidavit, Mr. Klimov attached a copy of the parcel register for the Kipps property as Exhibit “F” and a copy of the parcel register for the Balmoral property as Exhibit “I”. The Kipps property and the Balmoral property are each comprised of multiple parcels, each with its own property identification number (“PIN”), and the parcel registers for many of those parcels were not included in Exhibits “F” and “I” to the Klimov Affidavit.

5. Based on a search I conducted through Teraview on October 12, 2026, the Balmoral property is comprised of approximately 150 separate PINs. A copy of the results of that search, listing the PINs associated with the Balmoral property, is attached as **Exhibit “A”**.

6. Based on a search I conducted through Teraview on October 12, 2026, the Kipps property is comprised of approximately 50 separate PINs. A copy of the results of that search, listing the PINs associated with the Kipps property, is attached as **Exhibit “B”**.

7. A parcel register must be ordered separately for each PIN, and a fee is charged for each parcel register ordered. The current base fee to obtain a single parcel register through Teraview is approximately \$40, plus applicable taxes, and an additional charge applies for each additional page. A copy of the fee schedule setting out those fees is attached as **Exhibit “C”**.

8. Accordingly, I believe that obtaining the parcel registers for all of the approximately 200 PINs comprising the Balmoral and Kipps properties would cost approximately \$10,000 in fees alone, and it would take many hours to do so.

9. I regularly conduct title searches through Teraview in the course of my work as a law clerk. Based on my experience, ordering, downloading, reviewing and compiling the parcel registers for approximately 200 PINs would take approximately one full day.

10. In any event, the PINs comprising the Balmoral and Kipps properties are before the Court. Each of the Kipps Mortgage (Exhibit “D” to the Klimov Affidavit), the Kipps Assignment of Rents (Exhibit “E”), the Balmoral Mortgage (Exhibit “G”) and the Balmoral Assignment of Rents (Exhibit “H”) lists each of the PINs against which that instrument was registered. In addition, the Klimov Affidavit attaches representative parcel registers for those PINs at Exhibits “F” and “I”, which reflect the registration of Monarch’s security on title.

11. Additionally, the Proposal Trustee and Debtors have confirmed consent to the form of Order attached as Tab 3 to Monarch's Motion Record and **Exhibit "D"** to this affidavit.

12. I affirm this affidavit in further support of the relief sought in Monarch's Notice of Motion dated October 9, 2026, and for no other purpose.

AFFIRMED by Paulina Goncalves at the City of Toronto, in the Province of Ontario, before me at the City of Toronto, in the Province of Ontario on October 12, 2026 in accordance with O. Reg. 431/20, Administering Oath or Declaration Remotely. }
