

September 29, 2026

To: Creditors of SIREG MANAGEMENT INC. (the "Company")

We are writing to advise you that on September 25, 2026 the Company commenced restructuring proceedings by filing a Notice of Intention to Make a Proposal ("NOI") pursuant to the *Bankruptcy and Insolvency Act* ("BIA"). A copy of the NOI and a preliminary listing of creditors is attached. AlixPartners Restructuring, Inc. has been appointed as the Licensed Insolvency Trustee under the NOI (the "Trustee").

Although the NOI proceeding is pursuant to the BIA, it is important to note that the Company is not bankrupt.

The principal purpose of these proceedings is to create a stabilized environment to allow the Company to consider its restructuring options.

At present, creditors are not required to file a proof of claim. The Trustee will provide you with further information and a proof of claim form at a later date.

During the restructuring proceedings:

- no person may terminate or amend any agreement, including a security agreement, with the Company, or claim an accelerated payment, or a forfeiture of the term, under any agreement, including a security agreement, by reason only that the Company is insolvent or by reason of the filing of the NOI, pursuant to Section 65.1(1) of the BIA;
- no creditor has any remedy against the Company or its property or shall commence or continue any action, execution, or other proceedings against the Company, pursuant to Section 69.1(1) of the BIA; and
- Suppliers should discuss directly with their usual Company representative the terms of payment for goods and/or services they provide to the Company. If any issues arise, the Proposal Trustee is available to assist.

Regards,

AlixPartners Restructuring, Inc.
