8. Subject to the terms of paragraph 7 above, the Consultant may also sell existing furniture, fixtures and equipment owned by the Merchant and located in the Stores that are (i) fully owned by the Merchant; (ii) owned jointly by the Merchant and one or more third-party vendors of the Merchant, as directed by Merchant with the consent of the Information Officer, if any, and agreed to by such third-parties; or (iii) fully owned by a third party if agreed to by such third-party and the Merchant with the consent of the Information Officer, if any, during the Sales and the FF&E Removal Period, if any (collectively, the "**FF&E**"). For greater certainty, FF&E does not include any fixtures and affixed equipment that comprise all or any portion of a Store's mechanical, electrical, plumbing, security, HVAC, fire suppression and fire alarm or sprinkler systems. The Merchant and the Consultant may advertise the sale of FF&E consistent with these Canadian Sale Guidelines on the understanding that the applicable Landlord may require such signs to be placed in discreet locations within the Stores reasonably acceptable to such Landlord. Additionally, the purchasers of any FF&E sold during the Sales and the FF&E Removal Period, if any, shall only be permitted to remove such FF&E either through the back shipping areas designated by the applicable Landlord or through other areas after regular Store business hours or, through the front door of the Store during Store business hours if such FF&E can fit in a shopping bag, with the applicable Landlord's supervision as required by such Landlord and in accordance with the U.S. Store Closing Order and the Orders of the Canadian Court in the Recognition Proceedings. The Consultant shall repair any damage to the Stores resulting from the removal of any FF&E of Merchant by the Consultant or by third party purchasers of FF&E from the Consultant.

9. The Consultant shall not make any alterations to interior or exterior Store lighting, except as authorized pursuant to the affected Lease. The hanging of exterior banners or other signage, where permitted in accordance with the terms of these Canadian Sale Guidelines, shall not constitute an alteration to a Store.

10. The Merchant hereby provides notice to the Landlords of the Merchant and the Consultant's intention to sell and remove FF&E from the Stores. The Consultant shall make commercially reasonable efforts to arrange with each Landlord represented by counsel on the Service List and

with any other Landlord that so requests, a walk-through with the Consultant to identify FF&E subject to the Sales. The relevant Landlord shall be entitled upon request to have a representative present in the applicable Stores to observe such removal. If the relevant Landlord disputes the Consultant's entitlement to sell or remove any FF&E under the provisions of the applicable Lease, such FF&E shall remain on the premises and shall be dealt with as agreed between the Merchant, the Consultant and such Landlord, in consultation with the Information Officer, if any, or by further Order of the Canadian Court upon motion by the Merchant on at least two days' notice to such Landlord and the Information Officer, if any. If the Merchant has rejected the Lease governing such Store in accordance with the Assumption and Rejection Procedures Order, it shall not be required to pay rent under such Lease pending resolution of any such dispute (other than rent payable for the notice period provided for in the Assumption and Rejection Procedures Order), and the rejection of the Lease shall be without prejudice to the Merchant's or the Consultant's claim to FF&E in dispute.

11. If a notice of rejection is delivered pursuant to the Assumption and Rejection Procedures Order to a Landlord while the Sales are ongoing and the Store in question has not yet been vacated, then: (i) during the notice period prior to the effective time of the rejection, the Landlord may show the affected Store to prospective tenants during normal business hours, on giving the Merchant, the Information Officer, if any, and the Consultant at least twenty-four hours' prior written notice; and (ii) at the effective time of the rejection, the relevant Landlord shall be entitled to take possession of any such Store without waiver of or prejudice to any claims or rights such Landlord may have against the Merchant in respect of such Lease or Store, provided that nothing herein shall relieve such Landlord of any obligation to mitigate any damages claimed in connection therewith.

12. The Consultant and its agents and representatives shall have the same access rights to the Stores as the Merchant under the terms of the applicable Lease, and the Landlords shall have the rights of access to the Stores during the Sales provided for in the applicable Lease (subject, for greater certainty, to any applicable stay of proceedings).

13. The Merchant and the Consultant shall not conduct any auctions of merchandise or FF&E at any of the Stores.

14. The Consultant shall designate a party to be contacted by the Landlords should a dispute arise concerning the conduct of the Sales. The initial contact persons for the Consultant shall be [●] and [●], Attn.: [●] ([●]) and [●] ([●]). If the parties are unable to resolve the dispute between themselves, the applicable Landlord or the Merchant shall have the right to schedule a "status hearing" before the Canadian Court on no less than two days' written notice to the other party or parties and the Information Officer, if any, during which time the Consultant shall cease all activity in dispute other than activity expressly permitted herein, pending determination of the matter by the Canadian Court; provided, however, subject to paragraph 4 of these Canadian Sale Guidelines, if a banner has been hung in accordance with these Canadian Sale Guidelines and is the subject of a dispute, the Consultant shall not be required to take any such banner down pending determination of any dispute.

15. Nothing herein or in the Consulting Agreement is, or shall be deemed to be a sale, assignment or transfer of any Lease to the Consultant nor a consent by any Landlord to the sale, assignment or transfer of any Lease, or shall, or shall be deemed to, or grant to any Landlord any greater rights in relation to the sale, assignment or transfer of any Lease than already exist under the terms of any applicable Lease.

These Canadian Sale Guidelines may be amended on a Store-by-Store basis by written agreement among the Consultant, the Merchant and the applicable Landlord, in consultation with the Information Officer, if any; provided, however, that such amended Canadian Sale Guidelines shall not affect or bind any other Landlord not privy thereto without further Order of the Bankruptcy Court or Canadian Court approving such amended Canadian Sale Guidelines.

Debtors in Possession

In re: THE CHILDREN'S PLACE, INC., *et al*., Debtors.[1]	Chapter 11 Case No. 26-22682 (SLM) (Joint Administration Requested)

FINAL ORDER (I) AUTHORIZING THE DEBTORS TO ASSUME THE CONSULTING AGREEMENT; (II) AUTHORIZING AND APPROVING THE CONDUCT OF STORE CLOSING SALES AND THE RELATED SALE GUIDELINES, WITH SUCH SALES TO BE FREE AND CLEAR OF ALL LIENS, CLAIMS, AND ENCUMBRANCES; (III) MODIFYING CUSTOMER PROGRAMS AT THE CLOSING STORES; AND (IV) GRANTING RELATED RELIEF

The relief set forth on the following pages, numbered three (3) through twenty-seven (27), is **ORDERED**.

[1] A complete list of each of the Debtors, including each Debtor's tax identification number, in these chapter 11 cases may be obtained on the website of the Debtors' proposed claims and noticing agent at https://omniagentsolutions.com/TCP . The location of the Debtors' service address for purposes of these chapter 11 cases is 500 Plaza Drive, Secaucus, New Jersey 07094.

Upon the Debtors' motion (the "Motion")[2] for entry of a final order (this "Final Order") (i) authorizing the Debtors to assume the Consulting Agreement; (ii) authorizing and approving the conduct of the Sales; (iii) modifying certain customer programs at the Closing Stores; and (iv) granting related relief, all as more fully set forth in the Motion; and upon the First Day Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of Reference to the Bankruptcy Court Under Title 11* of the United States District Court for the District of New Jersey, entered July 23, 1984, and amended on June 6, 2025 (Bumb, C.J.); and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b); and this Court having found that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing, establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, **IT IS HEREBY FOUND AND DETERMINED THAT**:

[2] Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

A. The Debtors have advanced sound business reasons for assuming the Consulting Agreement and adopting the Sale Guidelines, on a final basis, as set forth in the Motion and at the Hearing, and assuming the Consulting Agreement is a reasonable exercise of the Debtors' business judgment and in the best interest of the Debtors and their estates.

B. The Consulting Agreement, a copy of which is attached to this Final Order as **Exhibit 1**, was negotiated, proposed, and entered into by the Consultant and the Debtors without collusion, in good faith and from arm's length bargaining positions.

C. The assumption of the Consulting Agreement on a final basis is a sound exercise of the Debtors' business judgment.

D. The U.S. Sale Guidelines and the Canadian Sale Guidelines, which are included as Exhibit D-1 and Exhibit D-2, respectively, to the Consulting Agreement attached hereto, are reasonable and appropriate, and the conduct of the Sales in accordance with the Sale Guidelines will provide an efficient means for the Debtors to dispose of the Store Closure Assets and are in the best interest of the Debtors' estates.

E. The relief set forth herein is necessary to avoid immediate and irreparable harm to the Debtors and their estates, and the Debtors have demonstrated good, sufficient and sound business purposes and justifications for the relief approved herein.

F. The Dispute Resolution Procedures are fair and reasonable and comply with applicable law.

will be authorized to distribute e-mails and promotional materials to the Debtors' customers consistent with the Debtors' existing policies on the use of consumer information.

H. The entry of this Final Order is in the best interests of the Debtors and their estates, creditors, and interest holders and all other parties in interest herein; and now therefore it is hereby

ORDERED THAT:

1. The Motion is **GRANTED** on a final basis as set forth herein.

2. Any objections to the entry of this Final Order, to the extent not withdrawn or settled, are overruled.

3. The Debtors are authorized and empowered to take any and all further actions as may be reasonably necessary or appropriate to give effect to this Final Order.

4. To the extent of any conflict between this Final Order, the Sale Guidelines, and the Consulting Agreement, the terms of this Final Order shall control over all other documents, and the Sale Guidelines shall control over the Consulting Agreement; *provided*, *however*, that solely with respect to the Canadian Closing Stores, the Warehouses located in Canada, and the Debtors' property in Canada, to the extent of any conflict between the Consulting Agreement or Final Order, on the one hand, and the Canadian Recognition Order (as defined in the Consulting Agreement), any other order of the Canadian Court or the Canadian Sale Guidelines, on the other hand, the orders of the Canadian Court and the Canadian Sale Guidelines shall govern and the Canadian Sale Guidelines shall control over the Consulting Agreement.

I. Authority to Assume the Consulting Agreement.

5. The Debtors are authorized to assume and perform under the Consulting Agreement pursuant to sections 363 and 365 of the Bankruptcy Code, including making payments required by the Consulting Agreement to the Consultant, including with respect to reasonable and documented costs and expenses incurred by the Consultant pursuant to the Consulting Agreement and fees due to the Consultant, without further order of the Court and without any need for the Consultant to file any request for payment with the Court or to provide notice to any party other than those required by the Consulting Agreement. All such payments of fees and reimbursement of expenses shall be free and clear of any and all Encumbrances.

6. Subject to the restrictions set forth in this Final Order, the Sale Guidelines, and any Side Letters, the Debtors and the Consultant are hereby authorized to take all actions as may be necessary or desirable to implement the Consulting Agreement and the Sales, and each of the transactions contemplated by the Consulting Agreement, and any actions taken by the Debtors and the Consultant necessary or desirable to implement the Consulting Agreement and/or the Sales prior to the date of this Final Order, are hereby approved and ratified.

7. The Consulting Agreement and related documents may be modified, amended or supplemented by the parties thereto in accordance with the terms thereof without further order of this Court, so long as any such modifications are in a writing signed by the Debtors and the Consultant (e-mail acknowledgment among parties or counsel being acceptable), and only if not materially adverse to the Debtors or estates; *provided* that the Debtors shall provide five calendar

days' advance notice of any contemplated material modification(s) (which may be via email) to the U.S. Trustee and counsel to any statutory committees appointed in these chapter 11 cases.

8. Notwithstanding anything to the contrary herein, the Debtors' indemnification obligations remain subject to all limitations and exclusions in sections 9.1 and 10.4 of the Consulting Agreement, including the exclusion of Losses arising out of or in connection with fraud, gross negligence (including omissions), or willful misconduct of the Consultant, any Supervisor, or their specified affiliates and related persons, or the Consultant's breach of the Consulting Agreement. The Debtors and their estates shall not indemnify the Consultant for damages arising from the Consultant's fraud, willful misconduct, or gross negligence.

9. The Consultant shall not be liable for sales taxes except as expressly provided in the Consulting Agreement and the payment of any and all sales taxes is the responsibility of the Debtors. The Debtors are directed to remit all taxes arising from the Sales to the applicable Governmental Units as and when due, provided that in the case of a bona fide dispute the Debtors are only directed to pay such taxes upon the resolution of the dispute, if and to the extent that the dispute is decided in favor of the applicable Governmental Unit. For the avoidance of doubt, sales taxes collected and held in trust by the Debtors shall not be used to pay any creditor or any other party, other than the applicable Governmental Unit for which the sales taxes are collected. The Consultant shall report the collection of sales taxes as and to the extent provided in the Consulting Agreement. This Final Order does not enjoin, suspend, or restrain the assessment, levy, or

collection of any tax under state law, and does not constitute a declaratory judgment with respect to any party's liability for taxes under state law.

10. The failure to include any provisions of the Consulting Agreement in this Final Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Court that such provisions of the Consulting Agreement be, and hereby are, authorized and approved.

II. Authority to Engage in Sales and Conduct Store Closings.

11. The Debtors are authorized, but not directed, pursuant to sections 105(a) and 363(b)(1) of the Bankruptcy Code, to immediately continue the Sales at the Closing Stores in accordance with this Final Order, the Sale Guidelines, and the Consulting Agreement, as may be modified by any Side Letters between the Debtors, or the Consultant acting at the Debtors' direction, and the affected landlords, with the Consultant's participation or consent to the extent required by the applicable Sale Guidelines, provided that such Side Letters do not have a material adverse effect on the Debtors or their estates.

12. The Sale Guidelines are approved in their entirety on a final basis.

13. All entities that are presently in possession of some or all of the Store Closure Assets in which the Debtors hold an interest that are or may be subject to the Consulting Agreement or this Final Order hereby are directed to surrender possession of such Store Closure Assets to the Debtors or the Consultant.

14. Neither the Debtors nor the Consultant nor any of their officers, employees, or agents shall be required to obtain the approval of any third party, including (without limitation) any Governmental Unit (as defined under section 101(27) of the Bankruptcy Code) or landlord, to conduct the Sales and Store Closings and to take the related actions authorized herein, including pausing or discontinuing a Store Closing in their business judgment. Nothing in this paragraph dispenses with any notice, consent, approval, or other condition required by the Consulting Agreement, including the conditions applicable to pausing or discontinuing Store Closings.

III. Conduct of the Sales.

15. The Debtors and Consultant are hereby authorized to take such actions as may be necessary and appropriate to implement the Consulting Agreement and to conduct the Sales and Store Closings without necessity of further order of this Court as provided in the Consulting Agreement and the Sale Guidelines (subject to any Side Letters), including, but not limited to, advertising the sale as a "store closing sale," "sale on everything," "everything must go," "going-out-of-business," or similar themes, and signs, exterior banners, signwalkers, A-frames, and street signage as contemplated by the Sale Guidelines. Exterior banners at enclosed mall locations remain limited to entrances not requiring entry into the enclosed mall common area, as provided in the Sale Guidelines. All advertising and signage, including E-Commerce Platform advertising, are subject to the Debtors' reasonable advance approval.

16. In accordance with the Consulting Agreement, the Consultant is authorized to supplement the Merchandise in the Closing Stores with Additional Goods pursuant to § 13 of the Consulting Agreement, and any other relevant provisions therein or in the Sale Guidelines.

17. All transactions relating to the Additional Goods are, shall be construed as, and are acknowledged by the Debtors to be a true consignment from Consultant to the Debtors under Article 9 of the Uniform Commercial Code in effect (the "UCC"), and not a consignment for security purposes, as provided in section 13.2 of the Consulting Agreement. Entry of this Order constitutes notice of such consignment to all persons and entities holding security interests against the Debtors in lieu of the Consultant filing a Form UCC-1 Financing Statement (*provided, however*, that the Consultant is hereby authorized to do so). Subject only to the Consultant's obligation to pay the Debtors the Additional Goods Fee, Additional Goods and their proceeds remain the Consultant's exclusive property, and no other person or entity shall have a claim against or interest in them. The Debtors shall collect the actual proceeds from Additional Goods sales (the "Additional Goods Proceeds"), hold them in trust (less the amounts in (a) and (b) below) for the benefit of the Consultant, and, as part of each weekly reconciliation, distribute them to the Consultant less (a) the Merchant's fee of 6.5% of Additional Goods Proceeds (the "Additional Goods Fee") and (b) applicable sales taxes, which the Debtors shall collect and remit in accordance with section 13.3 of the Consulting Agreement. Reconciliation, audit access, and final payments related to Additional Goods Proceeds remain subject to sections 5 and 13.5 of the Consulting Agreement.

18. Except as expressly provided in the Consulting Agreement and the Sale Guidelines, the sale of the Store Closure Assets shall be conducted by the Debtors and the Consultant notwithstanding any restrictive provision of any lease, sublease, restrictive covenant, or other agreement affecting or purporting to restrict the conduct of the Store Closings or the Sales (including the sale of the Store Closure Assets), the rejection of leases, abandonment of assets, and "going dark" provisions shall not be enforceable in conjunction with the Store Closings or the Sales. Breach of any such provisions in these chapter 11 cases in connection with the Store Closings or the Sales shall not constitute a default under the applicable instrument; provided that the Store Closings and Sales are conducted in accordance with the terms of this Final Order, any Side Letter, and the Sale Guidelines. The Debtors, or the Consultant acting at the Debtors' direction, and the affected landlords, with the Consultant's participation or consent to the extent required by the applicable Sale Guidelines, provided that such Side Letters do not have a material adverse effect on the Debtors or their estates, are authorized to enter into Side Letters between themselves modifying the Sale Guidelines without further order of the Court, and such Side Letters shall be binding as among the Debtors, the Consultant, and any such landlords, provided that nothing in such Side Letters contravenes the provisions of this Final Order. In the event of any conflict between the Sale Guidelines, the Consulting Agreement, and any Side Letter, the terms of such Side Letter shall control.

19. Copies of any Side Letters will be provided by the Debtors to counsel to any statutory committee appointed in these Cases (attorneys' eyes only) and to the U.S. Trustee as soon as reasonably practicable, but not longer than two (2) business days after execution.

20. Except as expressly provided for herein or in the Sale Guidelines, no person or entity, including, but not limited to, any landlord, licensor, service providers, utilities, or creditors, shall take any action to directly or indirectly prevent, interfere with, or otherwise hinder consummation of the Sales or the sale of Store Closure Assets, or the advertising and promotion (including the posting of signs and exterior banners or the use of sign-walkers) of such sales, and all such parties and persons of every nature and description, including, but not limited to, any landlord, licensor, service providers, utilities, and creditors and all those acting for or on behalf of such parties, are prohibited and enjoined from (a) interfering in any way with, obstructing, or otherwise impeding, the conduct of the Store Closings, and/or (b) instituting any action or proceeding in any court (other than in the Court or Canadian Court, as applicable) or administrative body seeking an order or judgment against, among others, the Debtors, the Consultant, or the landlords at the closing locations that might in any way directly or indirectly obstruct or otherwise interfere with or adversely affect the conduct of the Sales or sale of the Store Closure Assets or other liquidation sales at the closing locations and/or seek to recover damages for breach(es) of covenants or provisions in any lease, sublease, license, or contract based upon any relief authorized herein.

21. In accordance with and subject to the terms and conditions of the Consulting Agreement, the Consultant shall have the right to use the Closing Stores and all related Closing Store services, furniture, fixtures, equipment and other assets of the Debtors for the purpose of conducting the Sales, free of any interference from any entity or person, subject to compliance with the Sale Guidelines (as modified by any Side Letters) and this Final Order.

22. Pursuant to section 363(f) of the Bankruptcy Code, the Consultant, on behalf of the Debtors, is authorized to sell the Store Closure Assets and all sales of Store Closure Assets, whether by the Consultant or the Debtors, shall be free and clear of any and all Encumbrances; *provided*, however, that any such Encumbrances shall attach to the proceeds of the sale of the Store Closure Assets with the same validity, in the same amount, with the same priority as, and to the same extent that any such Encumbrances have with respect to the Store Closure Assets, subject to any claims and defenses that the Debtors may possess with respect thereto and the Consultant's fees and expenses (as provided in the Consulting Agreement).

23. The Debtors and/or the Consultant (as the case may be) are authorized and empowered to transfer Store Closure Assets among, and into, the Closing Stores in accordance with the Sale Guidelines, as applicable. The Consultant is authorized to sell the Debtors' FF&E and abandon FF&E and items incidental thereto, in each case, as provided for and in accordance with the terms of the Consulting Agreement and the Sale Guidelines. Any abandonment of property by the Debtors will be in accordance with the Rejection Procedures.

24. Notwithstanding anything to the contrary in this Final Order, the Debtors and/or the Consultant shall not sell or abandon any property that the Debtors know is not owned by the Debtors (except in accordance with the Sale Guidelines); provided that the Debtors will use their best efforts to notify the owners or lessors of such property of the location at which it may be retrieved; provided, further, that the Debtors may abandon property owned by the landlord at the applicable Closing Store.

25. The Debtors assert that the Sales are consistent with the Debtors' privacy policies, and, as such, are authorized to conduct the Sales on a final basis without the appointment of a consumer privacy ombudsman. However, nothing contained in this Final Order shall prejudice parties in interest, including the U.S. Trustee and any statutory committees appointed in these cases, from seeking the appointment of a consumer privacy ombudsman at a later date in connection with any proposed Sales.

26. Nothing herein shall limit the Debtors' right to pause or discontinue a Sale at a Closing Store, subject to the provisions of the Consulting Agreement.

27. The Sales and Store Closings may be advertised in all newspapers and other digital and traditional advertising media. All landlords and all governmental units, are directed to accept this Final Order as binding authority so as to authorize the Debtors and the Consultant to conduct the Sales and Store Closings pursuant to the Consulting Agreement, including, without limitation, to conduct and advertise the sale of the Store Closure Assets in the manner contemplated by and

in accordance with this Final Order, the Sale Guidelines, and the Consulting Agreement, notwithstanding any restrictions in any applicable leases or applicable laws.

IV. Closing Store Customer Policies.

28. The Debtors will continue to honor rewards on account of the Debtors' My Place Rewards Program for 21 days from the date of the Interim Order, after which the Debtors will discontinue the My Place Rewards Program with respect to the Closing Stores, and customers will no longer earn rewards on account of purchases at Closing Stores nor will such Closing Stores honor My Place Rewards points.

29. The Debtors will continue to accept the Debtors' validly-issued gift cards at Closing Stores for 21 days from the date of the Interim Order, after which the Debtors will no longer accept gift cards at such Closing Stores. Notwithstanding any policy or state law to the contrary, the gift cards and related Customer Programs shall not be redeemable for cash at any time.

30. Merchandise sold in the Sales, on or after November 6, 2026, will be sold on a "final" basis, and returns of such items will not be accepted at any of the Debtors' retail locations. Returns of Merchandise purchased in the period between October 23, 2026, and November 6, 2026 may be allowed subject to the Debtors' return policies at the time of sale.

31. The Debtors shall post notice of changes to the customer policies at cash registers and on the website of the Debtors' proposed claims and noticing agent's website at https://omniagentsolutions.com/TCP.

V. Dispute Resolution Procedures with Governmental Units.

32. Nothing in this Final Order, the Consulting Agreement, the Sale Guidelines, or any Side Letter releases, nullifies, or enjoins the enforcement of any liability to a Governmental Unit under environmental laws or regulations (or any associated liabilities for penalties, damages, cost recovery, or injunctive relief) to which any entity would be subject as the owner, lessor, lessee, or operator of the property after the date of entry of this Final Order. Nothing contained in this Final Order, the Consulting Agreement, the Sale Guidelines, or any Side Letter shall in any way diminish the obligation of any entity, including the Debtors, to comply with environmental laws consistent with their rights and obligations as debtors in possession under the Bankruptcy Code. The Store Closings and the Sales shall not be exempt from laws of general applicability, including, without limitation, public health and safety, criminal, tax, (including, but not limited to, the collection of Sales Taxes), labor, employment, environmental, antitrust, fair competition, traffic and consumer protection laws, including consumer laws regulating deceptive practices and false advertising, consumer protections, express or implied warranties of goods, and "weights and measures" regulation and monitoring (collectively, "General Laws"). Nothing in this Final Order, the Consulting Agreement, the Sale Guidelines, or any Side Letter shall alter or affect obligations to comply with all applicable federal or provincial safety laws and regulations. Nothing in this Final Order shall be deemed to bar any Governmental Unit (as such term is defined in section 101(47) of the Bankruptcy Code) from enforcing General Laws in the applicable non-bankruptcy forum, subject to the Debtors' rights to assert in the applicable forum that any such laws are not in fact

General Laws or that such enforcement is impermissible under the Bankruptcy Code or this Final Order. Notwithstanding any other provision in this Final Order, no party waives any rights to argue any position with respect to whether the conduct was in compliance with this Final Order and/or any applicable law, or that enforcement of such applicable law is preempted by the Bankruptcy Code or the CCAA, as applicable. Nothing in this Final Order shall be deemed to have made any rulings on any such issues.

33. To the extent that the sale of Store Closure Assets is subject to any Liquidation Sale Laws, including any federal, state, provincial, or local statute, ordinance, rule, or licensing requirement directed at regulating "going out of business," "store closing," or similar inventory liquidation sales, or bulk sale laws, laws restricting safe, professional and non-deceptive, customary advertising such as signs, banners, signage, and use of sign-walkers solely in connection with the sale of the Store Closure Assets, including ordinances establishing license or permit requirements, waiting periods, time limits, or bulk sale restrictions that would otherwise apply solely to the sale of the Store Closure Assets, the dispute resolution procedures set forth in section V in this Final Order shall apply, and the Dispute Resolution Procedures shall control over any Side Letters (provided that, subject to recognition of this Final Order by the Canadian Court, the Dispute Resolution Procedures shall not apply with respect to the conduct of the Sales of the Store Closure Assets in Canadian Closing Stores and the Warehouses located in Canada, the Canadian Sale Guidelines, or the Debtors' property in Canada, and that any such disputes shall be resolved by the Canadian Court). Additionally:

i. Provided that the Sales are conducted in accordance with this Final Order and the Sale Guidelines, the Debtors, the Consultant, and the Debtors' landlords shall be deemed to be in compliance with any requirements of all county, parish, or municipal or other local government (hereinafter referred to as "Local") and state Liquidation Sale Laws establishing licensing or permitting requirements, waiting periods or time limits, or bulk sale restrictions that would otherwise apply to the Sales and sales of the Store Closure Assets of any state or local Governmental Unit (as defined in section 101(27) of the Bankruptcy Code); provided, that the term "Liquidation Sale Laws" shall be deemed not to include any public health or safety laws of any state (collectively, the "Safety Laws"), and the Debtors and the Consultant shall continue to be required to comply, as applicable, with such Safety Laws and laws of general applicability, including, without limitation, Safety Laws, criminal, tax (including, but not limited to the collection of Sales Taxes), labor, employment, environmental, antitrust, fair competition, traffic and consumer protection laws, including consumer laws regulating deceptive practices and false advertising, consumer protection, the sale of gift certificates, layaway programs, return of goods, express or implied warranties of goods, and "weights and measures" regulation and monitoring (collectively "General Laws"), subject to any applicable provision of the Bankruptcy Code and federal law, and nothing in this Final Order shall be deemed to bar Governmental Units (as defined in section 101(27) of the Bankruptcy Code) or public officials from enforcing Safety Laws or General Laws.

ii. Within five business days after entry of this Final Order, the Debtors will serve by first-class mail, copies of this Final Order, the Consulting Agreement, and the U.S. Sale Guidelines on the following: (a) the Attorney General's office for each state where the Sales are being held; (b) the county consumer protection agency or similar agency for each county where the Sales are being held; (c) the division of consumer protection for each state where the Sales are being held; and (d) the landlords for the Closing Stores (other than the Canadian Closing Stores) as of the date of service (collectively, the "Dispute Notice Parties").

iii. To the extent that there is a dispute arising from or relating to the Sales, this Final Order, the Consulting Agreement, or the U.S. Sale Guidelines, which dispute relates to any Liquidation Sale Laws (a "Reserved Dispute"), the Court shall retain exclusive jurisdiction to resolve the Reserved Dispute. Any time within ten (10) days following entry of this Final Order, any Governmental Unit may assert that a Reserved Dispute exists by sending a notice (the "Dispute

Notice") explaining the nature of the dispute to: (a) proposed co-counsel to the Debtors, (i) White & Case LLP, 1221 Avenue of the Americas, New York, New York 10020, Attn. Gregory F. Pesce (gregory.pesce@whitecase.com), Andrew F. O'Neill (aoneill@whitecase.com), Amanda Parra Criste (aparracriste@whitecase.com), and Varoon Sachdev (varoon.sachdev@whitecase.com) and (ii) Cole Schotz P.C., Court Plaza North, 25 Main Street, Hackensack, New Jersey 07601, Attn. Michael D. Sirota (msirota@coleschotz.com), Warren A. Usatine (wusatine@coleschotz.com), Seth Van Aalten (svanaalten@coleschotz.com), and Justin R. Alberto (jalberto@coleschotz.com); and (b) the Office of the United States Trustee for the District of New Jersey, One Newark Center, Suite 2100, Newark, New Jersey 07102, Attn. Fran B. Steele (fran.b.steele@usdoj.gov) and Aiden Murphy (aiden.murphy@usdoj.gov). If the Debtors and the Governmental Unit are unable to resolve the Reserved Dispute within fifteen days after service of the notice, the Governmental Unit may file a motion with the Court requesting that the Court resolve the Reserved Dispute (a "Dispute Resolution Motion").

iv. In the event that a Dispute Resolution Motion is filed, nothing in this Final Order shall preclude the Debtors, a landlord, or any other interested party from asserting (a) that the provisions of any Liquidation Sale Laws are preempted by the Bankruptcy Code, or (b) that neither the terms of this Final Order nor the conduct of the Debtors pursuant to the Final Order, violates such Liquidation Sale Laws. Filing a Dispute Resolution Motion as set forth herein shall not be deemed to affect the finality of this Final Order, or to limit or interfere with the Debtors' or the Consultant's ability to conduct, or to continue to conduct, the Sales pursuant to this Final Order absent further order of the Court. Upon the entry of the Interim or the Final Order, the Debtors and the Consultant shall be authorized to conduct the Sales pursuant to the terms of this Final Order, the Consulting Agreement, and the U.S. Sale Guidelines (as may be modified by any Side Letters) and to take all actions reasonably related thereto or arising in connection therewith. Any Governmental Unit will be entitled to assert any jurisdictional, procedural, or substantive arguments it wishes with respect to the requirements of its Liquidation Sale Laws or the lack of any preemption of such Liquidation Sale Laws by the Bankruptcy Code. Nothing in this Final Order will constitute a ruling with respect to any issues to be raised in any Dispute Resolution Motion.

v. If, at any time, a dispute arises among the Debtors and/or the Consultant, on the one hand and a Governmental Unit, on the other hand, as to whether a particular law is a Liquidation Sale Law, and subject to any provisions contained in this

Final Order related to the Liquidation Sale Laws, then any party to that dispute may utilize the provisions of subparagraphs (iii) and (iv) above by serving a notice to the other party and proceeding thereunder in accordance with those paragraphs. Any determination with respect to whether a particular law is a Liquidation Sale Law shall be made de novo.

34. Subject to the foregoing, every federal, state, provincial, or local agency, departmental, or Governmental Unit with regulatory authority over the Sales and all newspapers and other advertising media in which the Sales are advertised shall consider this Final Order as binding authority that no further approval, license, or permit of any Governmental Unit shall be required, nor shall the Debtors or the Consultant be required to post any bond, to conduct the Sales.

35. Provided that the Sales are conducted in accordance with the terms of this Final Order, the Consulting Agreement, and the Sale Guidelines (as may be modified by Side Letters) and in light of the provisions in the laws that exempt court-ordered sales from their provisions, the Debtors and Consultant shall be presumed to be in compliance with any Liquidation Sale Laws and are authorized to conduct the Sales in accordance with the terms of this Final Order and the Sale Guidelines (as may be modified by Side Letters) without the necessity of further showing compliance with any such Liquidation Sale Laws, subject to the dispute resolution provisions set forth in this section V of this Final Order.

VI. Other Provisions.

36. To the extent the Debtors are subject to any state Fast Pay Laws in connection with the Store Closings, the Debtors shall be presumed to be in compliance with such laws to the extent, in applicable states, such payroll payments are made by the Debtors' next regularly scheduled

payroll and consistent with, and subject to, any previous orders of this Court regarding payment of the same.

37. Not later than seven days prior to the objection deadline related to entry of an order approving the Motion on a final basis, the Consultant shall file a declaration disclosing connections to the Debtors, their creditors, and other parties in interest in these chapter 11 cases, and the Debtors shall serve the same on the U.S. Trustee, counsel to any statutory committees appointed in these cases, and all parties who have filed requests for service under Bankruptcy Rule 2002, by e-mail, or if the e-mail address is not available to the Debtors, then by first class mail.

38. To the extent the Consultant seeks to contract with additional parties as additional consultants (each an "Additional Consultant"), and subject to relevant provisions in the Consulting Agreement such as § 12.6, such Additional Consultant shall promptly file a declaration disclosing the information set forth in paragraph 37 of this Final Order and, upon being contracted with, be subject to the provisions of this Final Order and the Consulting Agreement.

39. The Consultant acts as an independent consultant and contractor, not as a partner or joint venturer of the Debtors. Nothing herein limits its obligations or liabilities under the Consulting Agreement, including sections 6.3, 9.1, 10.4, 12.6, and 12.9, or applicable Sale Guidelines, or excuses fraud, gross negligence, willful misconduct, breach, or other liability allocated to it thereunder. The Consultant shall not solely by reason of the engagement be deemed an employer or joint, successor, related, or common employer of the Debtors' Store Employees or assume the Debtors' employment liabilities; this does not affect its responsibilities for its own

Supervisors or other engaged persons. Each Consultant Party remains jointly and severally liable for all Consultant obligations and liabilities under the Consulting Agreement.

40. Consistent with sections 5.1 and 15.1 of the Consulting Agreement, the Debtors shall include all of the Consultant's fees and expenses (as estimated by the parties) in any budget presented and approved in connection with any debtor-in-possession financing or use of cash collateral. The Additional Goods Proceeds remain subject to the provisions of the Consulting Agreement and Paragraph 17 hereof. For the avoidance of doubt, (i) the Debtors shall not seek to amend any financing order or budget in any manner that Caps or limits any amounts due under the Consulting Agreement and (ii) nothing in this Final Order or any financing order or budget shall (a) inhibit the Debtors' ability to pay the Consultant any amounts due under the Consulting Agreement or (y) deem Additional Goods or Additional Goods Proceeds (net of the Additional Goods Fee and applicable sales taxes) to be property of the Debtors' estates.

41. Notwithstanding anything to the contrary in this Final Order or any other order, in the event the Debtors (i) fail to timely pay any amount due to the Consultant that is not subject to dispute under the Consulting Agreement, this Final Order, or any other order, or (ii) or seek approval of a budget that does not provide for the timely payment in full of all such amounts (in either case, a "Payment Default"), the automatic stay is hereby modified so that two (2) business days after providing notice to the Debtors, Prepetition Agents, any agent to a postpetition financing facility, and any committee of any such Payment Default the Consultant may, at its election, (a) suspend the provision of services to the Debtors under the Consulting Agreement until the Debtors

have paid all outstanding amounts due or (b) terminate the Consulting Agreement pursuant to its terms and, in either case, shall have no further obligation to provide services under the Consulting Agreement during any such period of suspension or after termination, as applicable. The Consultant shall have no liability for any claims arising from the suspension or termination of services pursuant to this paragraph 41.

42. Notwithstanding anything to the contrary herein, nothing contained in the Motion or any actions taken pursuant to this Final Order granting the relief requested by the Motion is intended as or should be construed or deemed to be: (a) an implication or admission as to the amount of, basis for, priority of, or validity of any particular claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' rights to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or any order granting the relief requested by the Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease (with the exception of the Consulting Agreement) pursuant to section 365 of the Bankruptcy Code or otherwise affecting the Debtors' rights under section 365 of the Bankruptcy Code; (f) an admission by the Debtors as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law; or (h) a waiver of the obligation of any party in interest to file a proof

of claim. Nothing contained in this Final Order shall be deemed to increase, reclassify, elevate to an administrative expense status, or otherwise affect any claim on account of such claim not being paid.

43. On a confidential, professionals'-eyes-only basis and upon written request (including email) by the U.S. Trustee (whose request has been made), Prepetition Agents, any agent to a postpetition financing facility, any statutory committee, or Canadian Information Officer, the Debtors shall provide existing monthly periodic reports prepared by the Debtors, their professionals, or Consultant concerning the Sales and Store Closings; no additional or new reporting must be prepared for that purpose. Within thirty calendar days after completion of all Store Closings and Sales, the Debtors shall file (a) a summary identifying all Store Closings, gross Store Closing Sale revenue, and total Consultant fees and expense reimbursements under the Consulting Agreement, and (b) a report detailing calculation and payment of each Consultant fee and expense reimbursement, served on the U.S. Trustee, statutory committees, and requesting parties. The U.S. Trustee may object solely to reasonableness of the Consultant fee and expense reimbursements, and must do so, if at all, within twenty calendar days after filing; unresolved objections shall be coordinated for the next omnibus hearing or another agreed hearing. The Consultant's information and cooperation obligations under section 15.2 of the Consulting Agreement remain unaffected.

44. Notwithstanding the foregoing paragraph, the Debtors shall deliver to the Prepetition Agents and any agent to a postpetition financing facility, concurrently with delivery to

the Debtors, copies of all reports, statements, and reconciliations delivered to the Debtors pursuant to the Consulting Agreement and the Consultant shall promptly respond to reasonable requests of the Prepetition Agents and any agent to a postpetition financing facility for additional information related to the Sales and Store Closings, solely to the extent such information is in the Consultant's possession or reasonably obtainable by the Consultant.

45. Nothing herein prevents the Consultant or its affiliates, individually or with others, from proposing additional services or bidding on Debtor assets outside the Consulting Agreement ("Additional Assets") in a future process. Any such services, guarantee, acquisition, or transaction requires a separate Court order and, where required, a separate written agreement with the Debtors. All rights of the U.S. Trustee and other parties to object are reserved. No fee or other entitlement for excluded assets or services is created hereby.

46. The Debtors are authorized, but not directed, to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein.

47. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order.

48. Nothing in this Final Order directs the Debtors to accelerate any payments not otherwise due.

49. Notwithstanding Bankruptcy Rule 2002(a)(2), to the extent applicable, the Debtors may limit service of the Motion only to the core service list and affected creditors. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion, and the requirements of the Bankruptcy Rules and the Bankruptcy Local Rules are satisfied by such notice.

50. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(a).

51. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable, the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

52. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Final Order in accordance with the Motion.

53. The Debtors shall serve by e-mail (if available) or by regular mail (if e-mail is unavailable) a copy of this Final Order and the Motion on all parties required to receive such service pursuant to Bankruptcy Local Rule 9013-5(f) within two business days after the entry of this Final Order.

54. Any party may move for modification of this Final Order in accordance with Bankruptcy Local Rule 9013-5(e).

55. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order or the Consulting Agreement, including, but not limited to: (a) any claim or issue relating to any efforts by any party

or person to prohibit, restrict or in any way limit banner and sign-walker advertising, including with respect to any allegations that such advertising is not being conducted in a safe, professional, and non-deceptive manner; (b) any claim of the Debtors, the landlords and/or the Consultant for protection from interference with the Store Closings or Sales; (c) any other disputes related to the Store Closings or Sales; and (d) protecting the Debtors and/or the Consultant against any assertions of any Encumbrances; *provided* that applicable orders of the Canadian Court govern with respect to, and the Canadian Court retains jurisdiction over, the conduct of the Sales at the Canadian Closing Stores and the Warehouses located in Canada, the Canadian Sale Guidelines, and disputes relating to the Debtors' property in Canada, including landlord disputes. No person shall take action contrary to the relief granted herein pending resolution by the competent Court, subject to the governmental-enforcement reservations herein. Requests for resolution shall be heard on an expedited basis as appropriate.

In addition, store and merchandise credits, gift certificates, gift cards and the like shall not constitute Merchandise.

2. CONSULTING

2.1 Merchant hereby retains Consultant and Consultant hereby agrees to serve as an independent consultant to Merchant to conduct the Sale and provide the other services, in each case as set forth herein. With respect to the Sale, Consultant shall serve as Merchant's sole and exclusive consultant relative thereto throughout the Sale Term, it being understood, for the avoidance of doubt, that the foregoing shall not preclude Merchant and its affiliates from selling any merchandise, furniture, fixtures (trade or other) and/or equipment through Amazon independently from Consultant prior to the Bankruptcy Case filing (or following the filing of the Bankruptcy Case, (a) with the consent of the Lenders (it being understood and agreed that such consent shall be deemed to have been given if the Lenders have not affirmatively rejected such terms within 48 hours of receipt of such terms) or (b) in the event that the board of directors of The Children's Place, Inc. determines in good faith after consultation with outside counsel that the failure to do so would be inconsistent with their fiduciary duties under applicable law), and provided that such exclusivity is consistent with Merchant's obligations under its other contracts in effect as of the date hereof, including (i) the Distribution and License Agreement between The Children's Place Services Company, LLC ("**TCPSC**") and Children's Apparel Network Ltd. dated November 19, 2025 (as amended) and (ii) the Authorization Letter between TCPSC and Network 360 Global, Inc. dated October 31, 2025 (and all related agreements thereunder). Following the filing of the Bankruptcy Case, Consultant shall not sell any merchandise, furniture, fixtures (trade or other) and/or equipment through Amazon without first obtaining the prior written consent of the Lenders (the "**Lender Consent**") to the economic terms of such sale (it being understood and agreed that such consent shall be deemed to have been given if the Lenders have not affirmatively rejected such terms within 48 hours of receipt of such terms).

2.2 On the terms and conditions set forth herein, commencing as of the Sale Commencement Date, Consultant shall provide Merchant with the following Services with respect to the conduct of the Sale, using commercially reasonable efforts to maximize the Gross Proceeds and complying at all times with the Sale Guidelines, applicable law, court orders and, in each case, subject to any further directions with respect to the Sale given by Merchant at any time until the end of the Sale Term:

(a) provide qualified, full-time Supervisors to assist Merchant in conducting the Sale as further described in Section 2.3 below;

(b) oversee the Sale of the Merchandise from the Stores and the Warehouses, which for the avoidance of doubt shall, to the extent requested by Merchant, include the effectuation of the Sale through e-commerce channels in accordance with Section 16 hereof;

(c) recommend and implement appropriate advertising to effectively sell the Merchandise during the Sale Term, consistent with the applicable sale theme agreed to with Merchant;

(d) recommend appropriate pricing, display and discounting of Merchandise, as well as recommend appropriate staffing levels for the Stores (including Store Employees), in each case subject to Merchant's prior approval;

(e) assist Merchant in connection with loss prevention, as appropriate;

(f) determine the applicable permits and governmental approvals necessary to conduct the Sale, and work with Merchant to obtain each in a timely and orderly fashion and prepare or cause to be prepared all forms necessary to assist in Merchant's securing any applicable permits and governmental approvals necessary to conduct the Sale, the costs and expenses of which shall be paid by Merchant within the Consultant Expense Budget or a supplemental budget approved by Merchant in advance;

(g) maintain the confidentiality of all non-public information regarding Merchant received by Consultant or any representative thereof under or in connection with this Agreement (all of which is agreed to constitute "Confidential Information" for purposes of the Applicable Confidentiality Agreement (as defined below)) in accordance with the provisions of the applicable confidentiality agreements, dated October 6, 2026 with GA Retail Solutions, LLC, October 7, 2026 with Tiger Capital Group, LLC and October 8, 2026 with SB360 Capital Partners, LLC, each signed by The Children's Place, Inc. on the one hand, and the applicable Consultant Party on the other hand (each, an "**Applicable Confidentiality**

Agreement"), each of which shall survive this Agreement. Without limiting the generality of the foregoing, Consultant shall use Merchant's and customer data solely for the Services, maintain reasonable security safeguards, promptly notify Merchant of unauthorized access or disclosure, and return Merchant's data and customer data on request or conclusion of the Sale, subject to confidential archival retention required by law or for reconciliation, and shall comply with all applicable privacy laws in respect of any personal information of Merchant's customers or employees; provided that, notwithstanding anything herein to the contrary, Consultant shall not, to the extent practicable under the circumstances and permitted under applicable laws, have access to customer personal identifiable information; and

(h) provide, for no additional consideration, such other related services deemed necessary or prudent by Merchant and Consultant, acting reasonably, under the circumstances giving rise to the Sale.

2.3 In connection with the Sale, Consultant shall directly retain and engage the Supervisors. Each Supervisor shall be an independent contractor engaged by Consultant and not be and shall not be deemed to be an employee or agent of Merchant in any manner whatsoever; and it is understood and agreed that no Supervisor shall have or be deemed to have any relationship with Merchant by virtue of this Agreement or otherwise which creates any liability or responsibility on behalf of Merchant for any Supervisor. In consideration of Consultant's engagement of the Supervisors, Merchant shall pay Consultant, as a Sale Expense, the budgeted amounts for Supervisors' services, out-of-pocket travel costs and deferred compensation based on the results of the Sale (collectively, the "**Supervisor Costs**"), which amount shall not exceed the amount budgeted therefor in the Consultant Expense Budget without the prior written consent of Merchant.

2.4 Title to all Merchandise shall remain with Merchant at all times during the Sale Term until such Merchandise is sold by or on behalf of Merchant. All sales of Merchandise shall be made on behalf of Merchant.

2.5 Merchant may upon three (3) days' notice notify Consultant (a) following either (x) the receipt of written consent of Wells Fargo Bank, National Association and Crystal Financial LLC d/b/a SLR Credit Solutions (together, the "**Lenders**"), or (y) the board of directors of The Children's Place, Inc. having determined in good faith after consultation with outside counsel that the failure to do so would be inconsistent with their fiduciary duties under applicable law, that one or more Stores, Warehouses or the E-Commerce Platform shall no longer be included in the Sale, in which case such location shall no longer be identified as a Store, Warehouse or E-Commerce Platform, respectively, subject to the Sale hereunder, and as from the date of such designation, for the avoidance of doubt, Consultant shall not be entitled to make any sales with respect to, or to any consideration in respect of any sales made at or with respect to such location (and shall not thereafter be required or permitted to effect any sales at or with respect to such location

unless and until Merchant notifies Consultant in writing that such location is once again in-scope) and/or (b) that any specific assets at one or more Stores or Warehouses shall no longer be included in the Sale (and/or should not be included in any FF&E sale), in which case (i) such asset(s) at such location(s) shall no longer be identified as Merchandise or otherwise for sale pursuant to this Agreement, (ii) as from the date of such designation, for the avoidance of doubt, Consultant shall not be entitled to sell, or to any consideration in respect of any sales of, such assets (and shall not thereafter be required or permitted to effect any sales of such assets unless and until Merchant notifies Consultant in writing that such asset is once again in-scope), and (iii) Merchant and Consultant shall in good faith discuss an appropriate reduction in the Consultant Expense Budget in connection with any exclusion referred to in clause (i) and/or clause (ii). With effect from such notice from Merchant until such location or asset is no longer deemed part of the Sale in accordance with the preceding sentence, Consultant shall not for the avoidance of doubt seek to accelerate sales of such assets or at such locations (and to the extent practicable shall try to terminate all such sales prior to such third day), or increase or implement any new discounts or sale offerings at the affected location or with respect to the affected assets as compared to the discounts and sale offerings which were in place immediately prior to Merchant's notice. Merchant shall pay Consultant the Sale Expenses, the FF&E Fee, the FF&E Expenses and the Base Fee with regard to sales that occur prior to the date of such withdrawal.

2.6 With respect to the Stores, Warehouses and (solely after November 7, 2026) E-Commerce Platform, Consultant may advertise the Sale as a "going out of business", "store closing", "everything must go", "sale on everything", or similar themed sale; provided, that prior to November 7, 2026, Consultant may only advertise the Sale as conducted through the E-Commerce Platform as an "inventory blowout" or similar themed sale and not for the avoidance of doubt as a "going out of business", "store closing", "everything must go", "sale on everything", or similar themed sale. Notwithstanding anything to the contrary in this Agreement or in the Sale Guidelines, all advertising and signage (including interior and exterior signage, banners and sign walkers, and any signage, including any signage relating to "store closing", "everything must go", "inventory blowout" or similarly themed sales) relating to the Sale (including through the E-Commerce Platform) shall be subject to the reasonable approval in advance of Merchant.

3. EXPENSES

3.1 In connection with the Sale, Merchant shall be responsible for the payment of all expenses incurred in operating the Stores, the E-Commerce Platform and the Warehouses and conducting the Sale, including all Sale Expenses (to the extent included in the Consultant Expense Budget), subject to Section 15. All Sale Expenses shall be set forth on the Consultant Expense Budget which may only be amended with mutual agreement of Consultant and Merchant. Any Sale Expenses incurred by Consultant in excess of the Consultant Expense Budget without the prior written consent of Merchant shall be the sole responsibility of Consultant. Consultant shall not be entitled to any reimbursement from Merchant of any costs or expenses incurred under or in connection

with this Agreement that is not included in the Consultant Expense Budget (which such reimbursements shall be limited to the amounts set forth in the Consultant Expense Budget).

3.2 As an advance against Sale Expenses and to secure payment of the same, upon execution of this Agreement, Merchant shall pay Consultant a deposit towards the Consultant Expense Budget in the amount of $3,140,000 (the "**Deposit**"), which shall be applied against Sale Expenses, the FF&E Fee, the FF&E Expenses or the Base Fee (as defined below) at the end of the Sale Term with respect to all Stores, Warehouses and the E-Commerce Platform and to the extent not expended shall be returned to the Merchant as part of the Final Reconciliation or such other time that Merchant and Consultant mutually agree.

4. CONSULTANT'S FEES

4.1 Consultant shall be entitled to a base fee equal to two and one-half percent (2.5%) of the Gross Proceeds generated from the sale of the Merchandise through the Stores and Warehouses (including to the extent any such channels are agreed by Merchant, the e-commerce channels operated by Consultant but excluding for the avoidance of doubt Amazon or any other e-commerce channels operated independently from Consultant) during the Sale (the "**Base Fee**"); provided, however that notwithstanding the foregoing or anything in this Agreement to the contrary, in no event shall Consultant be entitled to earn any Base Fee with respect to merchandise, furniture, fixtures (trade or other) and/or equipment that is sold through Amazon (whether sold through Consultant's efforts or otherwise) pursuant to purchase orders placed before the filing of the Bankruptcy Case (and the same shall be deemed not to be "Merchandise"). The Base Fee due to Consultant shall be paid weekly from the proceeds of the Sale after it is earned as provided below. For the avoidance of doubt, no Base Fee is payable on assets that do not constitute Merchandise or which are otherwise withdrawn from the Sale or are otherwise sales outside the Stores or the Warehouses (or to the extent any such channels are agreed by Merchant, the e-commerce channels operated by Consultant), and any disposition or sale of (or fees or consideration for the disposition or sale of) accounts receivable, intellectual property or real estate (or the provision of real estate services), if any, would require a separate written agreement with Merchant.

5. INVOICES; RECONCILIATION

5.1 Consultant shall submit invoices to Merchant on a weekly basis setting forth any actual, reasonable and documented Sale Expenses and FF&E Expenses it has incurred and the applicable portion of the Base Fee, the FF&E Fee and the Additional Goods Fee (as defined below) that have been earned during the prior one-week period, together with invoices and statements supporting such amounts. Within two business days of the submission of such invoices and supporting documents, any amount of such invoices not disputed by Merchant shall be paid in full by Merchant to Consultant or, in case of the Additional Goods Fee, by Consultant to Merchant. The Merchant shall include Sale Expenses, FF&E Expenses, and the Base Fee in the budget approved in any financing or

cash collateral order entered by the Bankruptcy Court; provided that no such amount shall be in contravention of the terms of this Agreement or in excess of the Consultant Expense Budget.

5.2 Within thirty (30) days following the Sale Termination Date, the Parties shall complete a final reconciliation of the Gross Proceeds from the Sale, the expenses incurred and the fee payable to Consultant (the "**Final Reconciliation**") and pay any amounts due hereunder.

6. STORE EMPLOYEES

6.1 Following consultation with Consultant regarding appropriate staffing levels for the Stores, Merchant shall select and use commercially reasonable efforts to seek to retain an appropriate number of Store Employees during the Sale Term to meet such staffing levels.

6.2 Subject to Section 9.1 hereof, Consultant shall have no liability to the Store Employees (or any of Merchant's former employees) with respect to severance pay, termination pay, vacation pay, pay in lieu of reasonable notice of termination, or any other expenses or liability arising from Merchant's employment of such Store Employees prior to, during, and subsequent to the Sale.

6.3 At Merchant's request, in the event that any Store Employees terminate their employment or services during the Sale Term, Consultant agrees to use commercially reasonable efforts to assist Merchant supplementing or replacing such Store Employees as mutually deemed necessary by the Parties with temporary employees (the "**Temporary Employees**"). Merchant shall be responsible for any wages payable with respect to such Temporary Employees during the Sale Term (following approval by Merchant of the engagement and compensation of such Temporary Employee), and to the extent such wages are payable by Consultant they shall be deemed Sale Expenses.

7. REPRESENTATIONS AND WARRANTIES OF CONSULTANT

7.1 Consultant hereby represents, warrants and covenants in favor of Merchant as follows:

(a) Each Consultant Party has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, and Consultant has taken all necessary action required to authorize the execution, performance and delivery of this Agreement and to consummate the transactions contemplated hereby.

(b) This Agreement has been duly and validly executed by Consultant and is a valid and binding obligation of Consultant enforceable in accordance with its terms, subject only to any applicable

bankruptcy, insolvency or similar laws affecting the rights of creditors generally and the availability of equitable remedies.

(c) No action or proceeding has been instituted or, to Consultant's knowledge, threatened, affecting the consummation of this Agreement or the transactions contemplated herein.

(d) Consultant will comply with and act in accordance with any and all applicable federal, state, provincial, municipal and local laws, rules and regulations and other legal obligations of all governmental authorities and the terms/restrictions of the underlying Store leases, except as otherwise allowed pursuant to any Bankruptcy Court order or, with respect to the Canada Stores and the Warehouses located in Canada, the Canadian Sale Guidelines or any order of the Canadian Court.

8. REPRESENTATIONS AND WARRANTIES OF MERCHANT

(a) Merchant has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, and Merchant shall have taken all necessary action required to authorize its execution, performance and delivery of this Agreement and to consummate the transactions contemplated hereby.

(b) This Agreement shall be a valid and binding obligation of Merchant enforceable in accordance with its terms, subject only to any applicable bankruptcy, insolvency or similar laws affecting the rights of creditors generally and the availability of equitable remedies.

(c) To the best of Merchant's knowledge, no action or proceeding has been instituted or threatened that affects the consummation of this Agreement or the transactions contemplated herein.

(d) Merchant will own on the Sale Commencement Date, and will own at all times during the Sale Term until they are sold, good and marketable title to all of the Merchandise, which Merchandise when sold shall be sold free and clear of all liens, claims and encumbrances of any nature with any such liens, claims and encumbrances to attach to the Gross Proceeds subject to the Base Fee, FF&E Fee and Sale Expenses.

(e) To the best of Merchant's knowledge: (i) Merchant has maintained its pricing files with respect to the Merchandise in the ordinary course of business, and prices charged to the public for such Merchandise are the same in all material respects as set forth in such pricing files for the periods indicated therein; and (ii) all pricing files as of the Sale Commencement Date relative to the Merchandise have been or upon request will be made available to Consultant.

(f) To the best of Merchant's knowledge, all Merchandise is in compliance with all applicable federal, provincial, state, municipal or local product safety laws, rules, and standards in all material respects.

(g) Throughout the Sale Term, Merchant will use commercially reasonable efforts to provide that Consultant shall have the right to the unencumbered use and occupancy of, and peaceful and quiet possession of, each of the Stores, the Merchandise, and the utilities and other services provided at the Stores. Merchant shall, throughout the Sale Term, use commercially reasonable efforts to maintain in good working order, condition and repair all cash registers, heating systems, air conditioning systems, elevators, escalators, and all other mechanical devices necessary for the conduct of the Sale at the Stores.

9. AFFIRMATIVE DUTIES OF CONSULTANT

9.1 Consultant shall indemnify and hold harmless Merchant and its affiliates and its and their respective officers, directors, employees, agents, representatives and independent contractors (collectively, "**Merchant Indemnified Parties**") from and against any and all claims, causes of action, demands, penalties, losses, liability, damage or other obligations, including, without limitation, reasonable attorneys' fees and expenses (collectively, "**Losses**"), resulting from or arising out of: (i) Consultant's material breach of or failure to comply with any of its agreements, covenants, representations or warranties contained herein or in any written agreement entered into in connection with this

Agreement or the transactions contemplated hereby; (ii) any claims by any party engaged by Consultant as an employee or independent contractor (including Supervisors) arising out of such engagement (including any payroll claims, wage claims, claims for taxes or other amounts required to be withheld, or unemployment compensation claims, or claims for harassment or any other unlawful, tortious or otherwise actionable treatment); (iii) any harassment or any other unlawful, tortious or otherwise actionable treatment of any employees, contractors, customers or representatives of any Merchant Indemnified Party by Consultant or any of its affiliates, or any of their respective representatives, including any Supervisor ("**Harassment Claims**"); (iv) any consumer warranty or products liability claims relating to Additional Goods; (v) any amounts related to sales taxes for Additional Goods; and (vi) the fraud, gross negligence (including omissions) or willful misconduct of Consultant or any Supervisor, or any of their respective affiliates, or their or their respective affiliates' officers, directors, employees, agents or representatives under or in connection with this Agreement or otherwise in connection with the Sale. Notwithstanding anything to the contrary in this Section 9.1, Consultant does not indemnify or hold harmless any Merchant Indemnified Party from or against any Loss resulting from or related to or which otherwise arise out of or in connection with the fraud, gross negligence (including omissions) or willful misconduct of Merchant or any of its affiliates, or its or their respective affiliates' officers, directors, employees, agents or representatives or Merchant's breach of this Agreement. For purposes of this Agreement, "**Losses**" shall exclude (x) punitive or exemplary damages, (y) any damages that are speculative or whose existence or amount cannot be established with reasonable certainty and (z) any indirect, incidental, special or consequential damages (including lost profits) except to the extent reasonably foreseeable as a natural probable consequence of the matter giving rise to the applicable claim, except in case of clause (x) and clause (z) to the extent paid by the applicable indemnified Party in connection with a third party claim.

9.2 Consultant shall comply with applicable federal, provincial, state, municipal and local laws, rules and regulations in connection with the Sale and otherwise in connection with this Agreement, except as otherwise allowed pursuant to any Bankruptcy Court order or, with respect to the Canada Stores and the Warehouses located in Canada, the Canadian Sale Guidelines or any order of the Canadian Court.

9.3 Consultant shall conduct the Sale in accordance with the terms of this Agreement, the Sale Guidelines, the Order (as defined below), and with respect to the Canada Stores and the Warehouses located in Canada, the Canadian Recognition Order (as defined below).

9.4 Consultant will not take any disciplinary action against any employee of Merchant or any of its affiliates, including any Store Employee.

9.5 Consultant shall use commercially reasonable efforts to cause all Supervisors, Temporary Employees and all other representatives and agents of Consultant to cooperate with Merchant and its agents in connection with the Sale during the Sale Term.

10. AFFIRMATIVE DUTIES OF MERCHANT

10.1 Merchant shall be solely liable for, and shall pay when due, all Sale Expenses (solely up to an amount not to exceed the Consultant Expense Budget) as well as (in each case excluding Sale Expenses) all other taxes, costs, expenses, accounts payable and other liabilities relating to the Sale, the Stores, Store Employees and Merchant's business operations during the Sale, including all occupancy expenses, excluding, in each case, any such matters (a) for which Consultant is required to indemnify Merchant pursuant to Section 9, (b) for which the taxes, costs, expenses, accounts payable or other liabilities are specifically otherwise allocated to Consultant pursuant to this Agreement or (c) which otherwise arise out of or in connection with the fraud, gross negligence (including omissions) or willful misconduct of Consultant or any Supervisor, or any of their respective affiliates, or their or their respective affiliates' officers, directors, employees, agents or representatives or Consultant's breach of this Agreement.

10.2 Merchant shall prepare and process all reporting forms, certificates, reports and other documentation required in connection with the payment of all applicable taxes for the Stores to the appropriate taxing authorities. Merchant shall collect all sales taxes from sales of Merchandise and Additional Goods, and shall pay the same to the appropriate taxing authorities in accordance with the applicable law.

10.3 Merchant shall use commercially reasonable efforts to cause all Store Employees and all other representatives and agents of Merchant to cooperate with Consultant and its agents in connection with the Sale during the Sale Term.

10.4 Merchant shall indemnify and hold harmless Consultant and its affiliates and their respective officers, directors, employees, agents, representatives and independent contractors (collectively, "**Consultant Indemnified Parties**") from and against any and all Losses resulting from or arising out of: (i) Merchant's material breach of or failure to comply with any of its agreements, covenants, representations or warranties contained herein or in any written agreement entered into in connection with this Agreement or the transactions contemplated hereby; (ii) except in respect of Additional Goods, any failure by Merchant to pay when due any sales taxes to the proper taxing authorities, to properly file with any taxing authorities any reports or documents required by applicable law to be filed in respect thereof, or to pay any amounts due pursuant to Section 10.1 hereof; (iii) any claims by any party engaged by Merchant as an employee or independent contractor (including Store Employees) arising out of such engagement (including any payroll claims, wage claims, claims for taxes or other amounts required to be withheld, unemployment compensation claims or claims by employees arising under workers' compensation or the WARN Act), other than (A) Harassment Claims or (B) claims arising from (1) the fraud, gross negligence or willful misconduct of Consultant or any of its affiliates or any of their representatives (including for the avoidance of doubt any Supervisor or Temporary Employee) or (2) Consultant's breach of this Agreement; (iv) any liability or other claims, including, without limitation, any consumer warranty or products liability claims asserted by customers against Consultant or any Consultant Indemnified Party with respect to the Merchandise or FF&E, except claims arising from (A) the fraud, gross negligence or willful misconduct of Consultant or any of its affiliates or any of their representatives or (B)

Consultant's breach of this Agreement; (v) any harassment or any other unlawful, tortious, or otherwise actionable treatment of any employees, contractors, customers or representatives of any Consultant Indemnified Party by Merchant or any of its affiliates, or any of their respective representatives; (vi) the fraud, gross negligence (including omissions) or willful misconduct of Merchant or any of its officers, directors, employees, agents or representatives under or in connection with this Agreement or otherwise in connection with the Sale; and (vii) any liability or other claims arising out of liens, claims, interests and encumbrances asserted against the Merchandise or FF&E by any third parties. Notwithstanding anything to the contrary in this Section 10.4, Merchant does not indemnify and hold harmless any Consultant Indemnified Party from or against any Loss resulting from or related to or which otherwise arise out of or in connection with the fraud, gross negligence (including omissions) or willful misconduct of Consultant or any Supervisor, or any of their respective affiliates, or their or their respective affiliates' officers, directors, employees, agents or representatives or Consultant's breach of this Agreement.

10.5 In connection with the Sale during the applicable Sale Term, Consultant shall utilize Merchant's trade name in Consultant's Sale-related advertising and on Consultant's website. The Sale of Merchandise shall be conducted utilizing the Merchant's trade names in a manner consistent with past practice; provided further that advertisements may be made in the manner specified in this Agreement in accordance with this Agreement. Except for the limited permission expressly provided in this Section 10.5, no right, title or interest in Merchant's trade names, trademarks, logos or trade dress is granted to Consultant, and all goodwill arising from their permitted use shall inure solely to the benefit of Merchant or the applicable owner. Upon expiration of the applicable Sale Term or earlier termination of this Agreement, Consultant shall cease such use and promptly remove the applicable materials from its website and other advertising channels.

11. INSURANCE

11.1 Merchant shall maintain throughout the Sale Term liability insurance policies (including, but not limited to, product liability, comprehensive public liability insurance and auto liability insurance), consistent with its existing coverage, covering injuries to persons and property in or in connection with Merchant's operation of the Stores and the Warehouses and with respect to the E-Commerce Platform (as applicable), and shall cause Consultant to be an additional insured with respect to all applicable policies. Merchant shall be responsible for the payment of all deductibles, self-insurance and other amounts payable in connection with any claim asserted under such policies, except for any claims arising directly from the negligence, willful misconduct or unlawful acts of Consultant or its employees, representatives, agents or Supervisors or Temporary Employees.

11.2 Consultant shall maintain throughout the Sale Term liability insurance policies (including, but not limited to, product liability, comprehensive public liability insurance and auto liability insurance) covering injuries to persons and property in or in

connection with Consultant's provision of services at the Stores, and shall cause Merchant to be an additional insured with respect to applicable policies.

12.2 This Agreement shall be governed by and interpreted in accordance with the internal laws of the State of Delaware without reference to any conflict of laws provisions to the extent they would have the effect of applying the laws of any other jurisdiction. Any action of any kind whatsoever, including a counterclaim, cross-claim, or defense, regardless of the legal theory under which any liability or obligation may be sought to be imposed, whether sounding in contract or in tort or under statute, or whether at law or in equity, or otherwise under any legal or equitable theory, that may be based upon, arising out of, or related to this Agreement, the negotiation, execution, or

performance of this Agreement, or the transactions contemplated hereby and any questions concerning the construction, interpretation, validity, and enforceability of this Agreement (each, an "**Agreement Dispute**") brought by any other Party or its successors or assigns will be brought and determined only in (a) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (b) if the Bankruptcy Court is unwilling or unable to hear such action, in the Court of Chancery of the State of Delaware (or if such court lacks jurisdiction, any other state or federal court sitting in the State of Delaware) (the courts referred to in clause (a) and clause (b), the "**Chosen Courts**"). Each of the Parties irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any Agreement Dispute. No Party will commence any Agreement Dispute except in the Chosen Courts, other than actions in any court of competent jurisdiction to enforce any order rendered by any Chosen Courts, and no Party will file a motion to dismiss any Agreement Dispute filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine *of forum non-conveniens.* Venue would be proper in any of the Chosen Courts, and each Party hereby irrevocably waives any objection that any Chosen Court is an improper or inconvenient forum for any Agreement Dispute. Each of the Parties irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 12.1. Nothing in this Agreement will affect the right of any Party to serve process in any other manner permitted by law.

12.3 ANY AGREEMENT DISPUTE IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND THEREFORE EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY AGREEMENT DISPUTE. ANY AGREEMENT DISPUTE WILL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE IRREVOCABLE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY AGREEMENT DISPUTE, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 12.3.

12.4 Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by, or invalid, under applicable law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction. Upon such determination that any provision is prohibited by, or invalid, under applicable law, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the

transactions contemplated hereby are fulfilled to the fullest extent possible. If the Parties are unable to agree on such a modification, the court or other authority making such determination of prohibition or invalidity will have the power to reduce the scope, duration, area, or applicability of the provision, to delete specific words or phrases, or to replace the prohibited or invalid provision with a provision that is valid and enforceable and that comes closest to expressing the intention of the prohibited or invalid provision.

12.5 This Agreement, together with the Applicable Confidentiality Agreements, constitute the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior negotiations and understandings, and can only be modified by a writing signed by Merchant and Consultant. The Parties have participated jointly in the negotiation and drafting of this Agreement; consequently, in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement.

12.6 Consultant may not assign this Agreement without the express prior written consent of Merchant. This Agreement shall inure to the benefit of, and be binding upon, the Parties and their respective successors and permitted assigns. Notwithstanding the foregoing, Consultant shall have the right to syndicate its rights under this Agreement but in any event shall remain responsible to Merchant for all acts and omissions of any third party that Consultant syndicates its rights to (and the actions and omissions of such third parties for the avoidance of doubt shall be attributed to Consultant for purposes of Section 9.1 and the carveouts to Merchant's obligations pursuant to Section 10.4), and for the performance in accordance with this Agreement of the portion of the Services that are syndicated. Unless Merchant provides prior written consent, Consultant may syndicate rights only to firms with a similar reputation and standing in the applicable market as Consultant possesses in the United States.

12.7 This Agreement may be executed in several counterparts, each of which when so executed shall be deemed to be an original and such counterparts, together, shall constitute one and the same instrument. Delivery by electronic mail of this Agreement or an executed counterpart hereof shall be deemed a good and valid execution and delivery hereof or thereof.

12.8 Nothing contained herein shall be deemed to create any relationship between Consultant and Merchant other than that of an independent contractor. It is stipulated that the Parties are not partners or joint venturers.

12.9 Each of the Consultant Parties shall be jointly and severally liable for all obligations and liabilities of Consultant under this Agreement. Merchant may enforce any such obligation or liability against any one or more Consultant Parties without first seeking recovery from any other Consultant Party.

12.10 With respect to Merchant, The Children's Place, Inc. is authorized to act on behalf of each of its subsidiaries in all matters under this Agreement, including giving and

receiving notices, consents, approvals and other communications. Any action taken or notice or other communication given or received by The Children's Place, Inc. on behalf of any subsidiary under this Agreement shall be deemed taken, given or received on behalf of such subsidiary and shall be binding upon it.

12.11 In the event of any conflict or inconsistency between (i) this Agreement and the US Sale Guidelines, as may be approved, modified or amended by the Bankruptcy Court, the US Sale Guidelines shall govern with respect to the Stores located in the United States (the "**US Stores**"), and (ii) this Agreement and the Canadian Sale Guidelines, as may be approved, modified or amended by the Canadian Court, the Canadian Sale Guidelines shall govern with respect to the Stores located in Canada (the "**Canada Stores**") and the Warehouses located in Canada.

13. ADDITIONAL GOODS

13.1 After the Sale Commencement Date, upon the express prior written consent of Merchant with respect to each applicable Store, Consultant may deliver, at Consultant's sole cost and expense, to any Store certain items of merchandise (the "**Additional Goods**") of like kind and quality to the Merchandise in the Stores to be sold during the Sale. Merchant acknowledges that Consultant may discuss acquiring Additional Goods for the Sale with existing vendors of Merchant as well as Consultant's sources.

13.2 Consultant and Merchant intend that the transactions relating to the Additional Goods are, and shall be, construed as, a true consignment from Consultant to the Merchant in all respects and not a consignment for security purposes. Subject solely to Consultant's obligations to pay to the Merchant the Additional Goods Fee (as defined below), at all times and for all purposes the Additional Goods and their proceeds shall be the exclusive property of the Consultant, and no other person or entity shall have any claim against any of the Additional Goods or the Additional Goods Proceeds, including the Lenders other than as as to the Additional Goods Fee payable to Merchant. The Merchant acknowledges that the Additional Goods shall be consigned to the Merchant as a true consignment under Article 9 of the Uniform Commercial Code. The Lenders shall not be granted any liens on the Additional Goods or the Additional Goods Proceeds (other than the Additional Goods Fee payable to Merchant) in any financing or cash collateral order entered by the Bankruptcy Court.

13.3 Consultant shall utilize distinct SKUs or other means to distinguish the Additional Goods from Merchandise at the Stores. The process shall be mutually acceptable to the Parties. Merchant shall collect all actual proceeds from sales of Additional Goods ("**Additional Goods Proceeds**") and distribute those proceeds to Consultant, less a fee to Merchant equal to six and one-half percent (6.5%) of Additional Goods Proceeds (the "**Additional Goods Fee**"), and less the applicable sales taxes from sales of Additional Goods, as part of the weekly reconciliation hereunder. Merchant shall collect applicable sales taxes from sales of Additional Goods at the point of sale and Merchant shall have full responsibility for the payment of such sales taxes to the appropriate taxing authorities in accordance with the applicable law, as well as in preparing and processing all reporting

forms, certificates, reports and other documentation required in connection with the payment of such taxes.

13.4 Subject to Merchant's consent, Consultant may make arrangements for the purchase of Additional Goods from Consultant's suppliers of goods as well as Merchant's existing suppliers of goods in a manner that is not disruptive to the Sale or Merchant's business relationships with such persons. To assist Consultant in that regard, from and after the date of this Agreement and solely on a non-binding basis without any liability to Merchant in connection therewith, Merchant shall, if requested by Consultant in writing, use Merchant's commercially reasonable efforts to assist Consultant with its efforts to negotiate orders with Merchant's suppliers for goods that Consultant is interested in purchasing as Additional Goods.

13.5 Immediately following the Sale Termination Date, Consultant shall remove, at its sole cost and expense, the remaining Additional Goods, if any, from the Stores. As part of the Final Reconciliation, Consultant and Merchant shall jointly prepare a final reconciliation of the sale of Additional Goods, consisting of a summary of Additional Goods Proceeds and any sales taxes paid in respect thereto. During the Sale, and until the Final Reconciliation is complete and all obligations under this Agreement have been satisfied, Merchant and Consultant shall have reasonable access to review and audit each other's records with respect to Additional Goods Proceeds and sales taxes related thereto. The Parties shall cooperate in good faith to resolve any disputes regarding such reconciliation. Upon completion of the Final Reconciliation, the Parties shall pay any remaining amounts necessary to give effect to the Additional Goods Fee under Section 13.3.

13.6. Consultant shall use its reasonable best efforts to ensure that sales of Additional Goods do not cannibalize sales of Merchandise.

14. FIXTURES

14.1 Consultant shall sell the furnishings, trade fixtures, equipment and improvements to real property owned by Merchant that are located in the Stores, the corporate and other offices of Merchant, and (solely after January 31, 2027) the Warehouses (collectively, "**FF&E**") for Merchant's benefit, for a commission equal to fifteen percent (15%) of the gross proceeds (net of applicable sales and other taxes) from the sale of such FF&E (the "**FF&E Fee**"), plus reimbursement of Consultant's actual, reasonable and documented out-of-pocket expenses incurred in connection with the sale of such assets (the "**FF&E Expenses**"), pursuant to a budget established by mutual agreement between Merchant and Consultant, provided that Consultant shall not sell any FF&E necessary for the operation of the E-Commerce Platform or located at the Owned Distribution Center or at any corporate office until Merchant provides its written approval, and shall ensure that FF&E sales with respect to all Stores and Warehouses and the E-Commerce Platform are effected in a manner that is not disruptive to the execution of the Sale. If requested in writing by Merchant, Consultant shall cease any and all FF&E sales as promptly as practicable and in any event within three days.

15. BANKRUPTCY

15.1 In the event that Merchant seeks relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the "**Bankruptcy Code**" and the case commenced thereby, a "**Bankruptcy Case**"), Merchant shall promptly seek United States Bankruptcy Court for District of New Jersey ("**Bankruptcy Court**") authority and approval (as applicable) to, among other things, (a) assume this Agreement and (b) conduct the Sale pursuant to the Sale Guidelines under sections 363 and 365 of the United States Bankruptcy Code (and not pursuant to sections 327, 328, 330, or 331 thereof). Such authority and approval will be sought pursuant to one or more interim and final orders (collectively, the "**Order**") with terms acceptable to both Merchant and Consultant that provide for, among other things, the following relief: (i) assumption of this Agreement; (ii) the payment of all fees and reimbursement of expenses hereunder to Consultant without further order of the Bankruptcy Court or the Canadian Court, free and clear of all liens, claims and encumbrances, on a weekly basis and otherwise in accordance with this Agreement; (iii) approval of the Sale Guidelines; (iv) approval of the transactions contemplated hereby, including the Sale pursuant to the Sale Guidelines and, in respect of the US Stores, without the necessity of complying with state and local rules, laws, ordinances and regulations, including, without limitation, permitting and licensing requirements, that could otherwise govern the Sale (it being acknowledged that the Sale at the Canada Stores and the Warehouses located in Canada shall be conducted in accordance with applicable federal, provincial and municipal laws and regulations, except as otherwise provided in the Canadian Sale Guidelines or ordered by the Canadian Court); (v) authorizing the Sale notwithstanding restrictions in leases, reciprocal easement agreements or other contracts that purport to restrict the Sale or the necessity of obtaining any third party consents; (vi) authorizing the sale of Additional Goods on the terms herein; (vii) inclusion of Consultant's fees and expenses in the budget approved in any financing order entered by the Bankruptcy Court; and (vii) authorizing Merchant to take all further actions as are necessary or appropriate to carry out the terms and conditions of this Agreement. In the event of a Bankruptcy Case filing and subject to Section 15.2, and notwithstanding Section 12.2, the Bankruptcy Court shall have exclusive jurisdiction to resolve any issues arising in connection with this Agreement, including any legal action, suit or proceeding arising after the commencement of a Bankruptcy Case, and each Party hereby waives any defenses or objections based on lack of jurisdiction, improper venue, and/or forum non conveniens. From and after entry of the Order, if applicable, Consultant shall conduct the Sale in accordance with the terms of the Agreement, the Order, the Canadian Recognition Order (in respect of the Canada Stores and the Warehouses located in Canada) and the Sale Guidelines in all material respects. In the event Merchant commences a Bankruptcy Case and the Order is not entered by the Bankruptcy Court or does not include all material terms and conditions contained herein, (x) Merchant shall reimburse Consultant for any actual, reasonable and documented Sale Expenses actually incurred in connection with the Sale through and including the day immediately after denial of such motion by the Bankruptcy Court and (y) Consultant may, in its sole discretion, elect to apply the Deposit and/or to terminate this Agreement.

15.2 In the event of a Bankruptcy Case, Merchant shall, as soon as reasonably practicable following entry of each interim and final Order, as applicable, seek an order (the "**Canadian Recognition Order**") of the Ontario Superior Court of Justice (Commercial List) or such other court of competent jurisdiction (the "**Canadian Court**") in the proceedings commenced in respect of Merchant under Part IV of the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the "**CCAA**" and such proceedings, the "**Recognition Proceedings**") recognizing and giving full force and effect to the Order in Canada pursuant to section 49 of the CCAA. Consultant acknowledges and agrees that: (i) the Sale at the Canada Stores and the Warehouses located in Canada following the commencement of the Recognition Proceedings shall be subject to the Canadian Recognition Order, and Consultant shall conduct the Sale at the Canada Stores and the Warehouses located in Canada in accordance with the Canadian Recognition Order and the Canadian Sale Guidelines as approved by the Canadian Court; (ii) in the event of any conflict between this Agreement or the Order, on the one hand, and the Canadian Recognition Order or any other order of the Canadian Court, on the other hand, the orders of the Canadian Court shall govern solely with respect to the Canada Stores and the Warehouses located in Canada and the property of Merchant in Canada; (iii) notwithstanding Section 15.1 and Section 12.2, the Canadian Court shall have jurisdiction to resolve any dispute relating to the conduct of the Sale at the Canada Stores and the Warehouses located in Canada, the Canadian Sale Guidelines or the property of Merchant in Canada, including any dispute with landlords of the Canada Stores and the Warehouses located in Canada; and (iv) Consultant shall cooperate with Merchant and any information officer appointed by the Canadian Court in the Recognition Proceedings (the "**Information Officer**"), including by providing such information as the Information Officer may reasonably require to report to the Canadian Court, and shall use commercially reasonable efforts to assist Merchant in resolving any objections to the relief sought in the Recognition Proceedings. In the event the Canadian Recognition Order is not granted by the Canadian Court or does not include all material terms and conditions contained herein, (x) Merchant shall reimburse Consultant for any actual, reasonable and documented Sale Expenses incurred in connection with the Sale at the Canada Stores and the Warehouses located in Canada through and including the day immediately after denial of such relief by the Canadian Court and (y) Consultant may, in its sole discretion, elect to terminate this Agreement solely with respect to the Canada Stores, the Warehouses located in Canada and the Sale in Canada, and this Agreement shall otherwise remain in full force and effect.

16. E-COMMERCE PLATFORM

16.1 Consultant shall have the right to use Merchant's e-commerce site and related sales platform ("**E-Commerce Platform**") in connection with the Sale to fulfill customer orders made during the Sale Term and otherwise promote, subject to Merchant's approval rights herein, the Sale (in Consultant's capacity as Consultant hereunder) and Merchant shall use commercially reasonable efforts to continue to seek to provide for the operation and maintenance of the E-Commerce Platform in the ordinary course of business

and seek to provide Consultant with reasonable assistance with respect to the functionality of the E-Commerce Platform, fulfillment of orders, and promotion of the Sale. Consultant shall use commercially reasonable efforts to notify Merchant of its intention to stop using the E-Commerce Platform as soon as possible. Upon discontinuing the use of the E-Commerce Platform as a sales platform to fulfill customer orders, Merchant, at its option, shall either (a) host the E-Commerce Platform, at no cost or expense to Consultant, for the limited purposes of advertising and promoting the Sale at the Stores, periodically updating such advertising and promotions, and maintaining and updating the Store locator function or (b) shall cooperate with Consultant to allow Consultant to transition and host the E-Commerce Platform, at no cost or expense to Consultant, for the limited purposes of advertising and promoting the Sale at the Stores, periodically updating such advertising and promotions, and maintaining and updating the Store locator function. US Sale Guidelines

EXHIBIT D-1

US SALE GUIDELINES

The following procedures shall apply to the sales of Merchandise and FF&E at the Stores, Warehouses and corporate offices in the US.

1. The Sale will be conducted during normal business hours or such hours as otherwise permitted by the applicable unexpired lease.

2. The Sale will be conducted in accordance with applicable state and local "Blue Laws," and thus, where such a law is applicable, no Sale will be conducted on Sunday unless the Merchant has been operating such stores on Sundays.

3. On "shopping center" property, neither the Merchant nor the Consultant shall distribute handbills, leaflets, or other written materials to customers outside of any stores' premises, unless permitted by the applicable lease or if distribution is customary in the "shopping center" in which such store is located; *provided* that the Merchant and the Consultant may solicit customers in the stores themselves. On "shopping center" property, neither the Merchant nor the Consultant shall use any flashing lights or amplified sound to advertise the Sale or solicit customers, except as permitted under the applicable lease or agreed in writing by the landlord.

4. Subject to Section 14.1 of the Consulting Agreement, the Merchant and the Consultant shall have the right to use and sell the FF&E. The Merchant and the Consultant may advertise the sale of the FF&E in a manner consistent with these Sale Guidelines. The purchasers of any FF&E sold during the Sale shall be permitted to remove the FF&E either through the back or alternative shipping areas at any time, or through other areas after Store business hours; *provided*, however, that the foregoing shall not apply to *de minimis* FF&E sales made whereby the item can be carried out of a Store in a shopping bag.

5. Subject to Section 2.6 of the Consulting Agreement, (a) the Merchant and the Consultant may, but are not required to, advertise the Sale as "store closing," "sale on everything/everything on sale," "everything must go," "going out of business," or similarly themed Sale and (b) the Merchant and the Consultant may also have a "countdown to closing" sign prominently displayed in a manner consistent with these Sale Guidelines.

6. Subject to Section 2.6 of the Consulting Agreement, the Merchant and the Consultant shall be permitted to utilize sign walkers, displays, hanging signs, and interior banners in connection with the Sale; *provided* that such sign walkers, displays, hanging signs, and interior banners shall be professionally produced and hung in a professional manner. Neither the Merchant nor the Consultant shall use neon or day-glo on their sign walkers, displays, hanging signs, or interior banners if prohibited by the applicable lease or applicable law. Furthermore, with respect to enclosed mall locations, no exterior signs or signs in common areas of a mall shall be used unless otherwise expressly permitted in these Sale Guidelines. In addition, the Merchant and the Consultant shall be permitted to utilize exterior banners at (a) non-enclosed mall stores and (b) enclosed mall stores to the extent

the entrance to the applicable Store does not require entry into the enclosed mall common area; *provided*, however, that such banners shall be located or hung so as to make clear that the Sale is being conducted only at the affected Store and shall not be wider than the storefront of the Store. In addition, the Merchant shall be permitted to utilize sign walkers in a safe and professional manner. Nothing contained in these Sale Guidelines shall be construed to create or impose upon the Merchant or the Consultant any additional restrictions not contained in the applicable lease agreement.

7. Neither the Merchant nor the Consultant shall make any alterations to the storefront, roof, or exterior walls of any stores or shopping centers, or to interior or exterior store lighting, except as authorized by the applicable lease. The hanging of in-Store signage shall not constitute an alteration to a Store.

8. Affected landlords will have the ability to negotiate with the Merchant, or at the Merchant's direction, the Consultant, modifications to the Sale Guidelines. The Merchant and the landlord of any Store are authorized to enter into agreements ("**Side Letters**") without further order of the Bankruptcy Court, *provided*, that Side Letters do not have a material adverse effect on the Merchant or their estates.

9. To the extent relevant, and as set forth in more detail in the Consulting Agreement, conspicuous signs will be posted in each of the affected stores to the effect that all Sale are "final."

10. The Merchant will keep store premises and surrounding areas clear and orderly, consistent with past practices.

11. An unexpired nonresidential real property lease will not be deemed rejected by reason of the Sale or the adoption of these Sale Guidelines.

12. The rights of landlords against the Merchant for any damages to a store shall be reserved in accordance with the provisions of the applicable lease.

13. If and to the extent that the landlord of any Store contends that the Merchant or the Consultant are in breach of or default under these Sale Guidelines, such landlord shall provide at least five days' written notice, served by email or overnight delivery, on:

Canadian Sale Guidelines

EXHIBIT D-2

CANADIAN SALE GUIDELINES

The following procedures (the "**Canadian Sale Guidelines**") shall apply to the sales (the "**Sales**") of any merchandise, inventory, furniture, fixtures and equipment at The Children's Place (Canada), LP retail store locations in Canada set forth in Exhibit A to the Consulting Agreement (as defined below), as may be amended from time to time in accordance with the Consulting Agreement (individually, a "**Store**" and collectively, the "**Stores**").

Terms capitalized but not defined in these Canadian Sale Guidelines have the respective meanings ascribed to them in the Debtors' motion for entry of the U.S. Store Closing Order (as defined herein).

1. Except as otherwise expressly set out herein, and subject to (i) any Interim Order and Final Order of the Bankruptcy Court made in cases commenced by the Debtors under the Bankruptcy Code authorizing, among other things, the Debtors to assume that certain Consulting Agreement dated as of November 3, 2026 (as amended from time to time, the "**Consulting Agreement**"), by and among The Children's Place, Inc. and certain of its subsidiaries, and The Children's Place (Canada), LP (collectively, and as applicable, the "**Merchant**") and Tiger Capital Group, LLC, SB360 Capital Partners, LLC, and GA Retail Solutions, LLC (collectively, the "**Consultant**") and the transactions contemplated thereunder, to the extent each is recognized and given full force and effect in Canada, subject to the terms of such Orders, pursuant to section 49 of the CCAA (collectively, the Interim Order and the Final Order, as applicable, the "**U.S. Store Closing Order**", and any such recognition proceedings under the CCAA, the "**Recognition Proceedings**"), (ii) any further Order of the Canadian Court or recognition of a further Order of the Bankruptcy Court by the Canadian Court, as applicable, or (iii) any subsequent written agreement or Side Letter between the Merchant and its applicable landlord(s) (individually, a "**Landlord**" and, collectively, the "**Landlords**") and approved by the Consultant, the Sales shall be conducted in accordance with the terms of the applicable leases or other occupancy agreements for each of the affected Stores (individually, a "**Lease**" and, collectively, the "**Leases**"). However, nothing contained herein shall be construed so as to create or impose upon the Merchant or the Consultant any additional restrictions not contained in the applicable Lease.

2. The Sales shall be conducted so that each of the Stores remain open during their normal hours of operation provided for in the respective Leases for the Stores until the earlier of (i) the applicable Sale Termination Date (as defined below) and (ii) the effective time on which such Lease is rejected in accordance with any Assumption and Rejection Procedures Order of the Bankruptcy Court recognized by the Canadian Court (the "**Assumption and Rejection Procedures Order**") or otherwise terminated. The Sales at the Stores shall end on the applicable premises vacate date for each Store pursuant to the Consulting Agreement, which shall be no later than February 28, 2027 (which may be adjusted pursuant to the terms of the Consulting Agreement), (such date, or such other date as determined in accordance with any U.S. Store Closing Order or any Order of the Canadian Court in the Recognition Proceedings, the "**Sale Termination Date**"). Rent payable under the respective Leases shall be paid by the Merchant as required pursuant to chapter 11 of the Bankruptcy Code or, in respect of any individual Store, as may otherwise be agreed by the Merchant and the applicable Landlord.

3. The Sales shall be conducted in accordance with applicable federal, provincial and municipal laws and regulations, unless otherwise set out herein or otherwise ordered by the Canadian Court in the Recognition Proceedings.

4. All display and hanging signs used by the Consultant in connection with the Sales shall be professionally produced and all hanging signs shall be hung in a professional manner. Notwithstanding anything to the contrary contained in the Leases, all advertising and signage (including interior and exterior signage, banners and sign walkers, and any signage relating to "store closing", "everything must go", "inventory blowout" or similarly themed sales) relating to the Sale (including through any e-commerce channel) shall not be used without Merchant's prior approval. Forthwith upon request from a Landlord, the Landlord's counsel, the Merchant or any information officer appointed in the Recognition Proceedings (the "**Information Officer**") or their respective counsel, or the Consultant or its counsel shall provide the proposed signage packages along with proposed dimensions by email to the applicable Landlords or to their counsel of record and the applicable Landlord shall notify the Consultant of any requirement for such signage to otherwise comply with the terms of the Lease and/or these Canadian Sale Guidelines and where the provisions of the Lease conflict with these Canadian Sale Guidelines, these Canadian Sale Guidelines shall govern. The Consultant shall not use neon or day-glow signs or any handwritten signage (save that handwritten "you pay" or "topper" signs may be used). If a Landlord is concerned with "Store Closing" signs being placed in the front window of a Store or with the number or size of the signs in the front window, the Merchant, the Consultant and the Landlord will work together to resolve the dispute. Furthermore, with respect to enclosed mall Store locations without a separate entrance from the exterior of the enclosed mall, no exterior signs or signs in common areas of a mall shall be used unless explicitly permitted by the applicable Lease and shall otherwise be subject to all applicable laws. In addition, the Consultant shall be permitted to utilize exterior banners/signs at stand alone or strip mall Stores or enclosed mall Store locations with a separate entrance from the exterior of the enclosed mall (subject to Merchant's approval in advance); provided, however, that: (i) no signage in any other common areas of a mall shall be used unless explicitly permitted by the applicable Lease; and (ii) where such banners are not explicitly permitted by the applicable Lease and the applicable Landlord requests in writing that banners are not to be used, no banners shall be used absent further Order of the Canadian Court, which may be sought on an expedited basis on notice to the service list in the Recognition Proceedings (the "**Service List**"). Any banners used shall be located or hung so as to make clear that the Sales are being conducted only at the affected Store and shall not be wider than the premises occupied by the affected Store. All exterior banners shall be professionally hung and to the extent that there is any damage to the facade of the premises of a Store as a result of the hanging or removal of the exterior banner, such damage shall be professionally repaired at the expense of the Consultant.

5. Subject to Merchant's express prior written consent with respect to each applicable Store, the Consultant shall be entitled to include additional merchandise in the Sales; provided that each of the following is satisfied: (i) the additional merchandise is owned by the Debtors, is currently in the possession of, or in the control of, the Debtors (including in any distribution centre used by the Debtors), or is ordered by or on behalf of the Debtors from an existing supplier, including merchandise currently in transit to the Debtors (including to any distribution centre used by the Debtors) or a Store; and (ii) the additional merchandise is of the type and quality typically sold in the Stores and is consistent with any restriction on the usage of the Stores as set out in the applicable Leases.

6. The Consultant shall not distribute handbills, leaflets or other written materials to customers outside of any of the Stores on a Landlord's property, unless explicitly permitted by Merchant and by the applicable Lease or if distribution is customary in the shopping centre in which the Store is located. Otherwise, the Consultant may solicit customers in the Stores themselves. The Consultant shall not use any giant balloons, flashing lights or amplified sound to advertise the Sales or solicit customers, except as explicitly permitted by Merchant or permitted under the applicable Lease or agreed to by the applicable Landlord, and no advertising trucks shall be used on Landlord property or mall ring

roads, except as explicitly permitted under the applicable Lease or otherwise agreed to by such Landlord.

7. As used in these Canadian Sale Guidelines, the "**FF&E Removal Period**" shall mean the period between (i) the end of the Sales in the applicable Store, and (ii) the effective time of the rejection of the applicable Lease pursuant to the Assumption and Rejection Procedures Order; provided that the expiry of the FF&E Removal Period shall be no later than the Sale Termination Date. At the conclusion of the Sales and FF&E Removal Period, if any, in each Store, the Consultant shall arrange that the premises for each Store are in "broom-swept" and clean condition, and shall arrange that the Stores are in the same condition as on the commencement of the Sales, ordinary wear and tear excepted. No property of any Landlord of a Store shall be removed or sold during the Sales. No permanent fixtures (other than FF&E (as defined below) for clarity) may be removed without the applicable Landlord's written consent unless otherwise provided by the applicable Lease and in accordance with the U.S. Store Closing Order or any Orders of the Canadian Court in the Recognition Proceedings. In addition to the foregoing, unless otherwise agreed with the applicable Landlord, any trade fixtures or personal property left in a Store after the conclusion of the Sales and the applicable FF&E Removal Period, if any, in respect of which the applicable Lease has been rejected by the Merchant shall be deemed abandoned, with the applicable Landlord having the right to dispose of the same as the Landlord chooses, without any liability whatsoever on the part of such Landlord. Nothing in this paragraph shall derogate from or expand upon the Consultant's obligations under the Consulting Agreement.

8. Subject to the terms of paragraph 7 above, the Consultant may also sell existing furniture, fixtures and equipment owned by the Merchant and located in the Stores that are (i) fully owned by the Merchant; (ii) owned jointly by the Merchant and one or more third-party vendors of the Merchant, as directed by Merchant with the consent of the Information Officer, if any, and agreed to by such third-parties; or (iii) fully owned by a third party if agreed to by such third-party and the Merchant with the consent of the Information Officer, if any, during the Sales and the FF&E Removal Period, if any (collectively, the "**FF&E**"). For greater certainty, FF&E does not include any fixtures and affixed equipment that comprise all or any portion of a Store's mechanical, electrical, plumbing, security, HVAC, fire suppression and fire alarm or sprinkler systems. The Merchant and the Consultant may advertise the sale of FF&E consistent with these Canadian Sale Guidelines on the understanding that the applicable Landlord may require such signs to be placed in discreet locations within the Stores reasonably acceptable to such Landlord. Additionally, the purchasers of any FF&E sold during the Sales and the FF&E Removal Period, if any, shall only be permitted to remove such FF&E either through the back shipping areas designated by the applicable Landlord or through other areas after regular Store business hours or, through the front door of the Store during Store business hours if such FF&E can fit in a shopping bag, with the applicable Landlord's supervision as required by such Landlord and in accordance with the U.S. Store Closing Order and the Orders of the Canadian Court in the Recognition Proceedings. The Consultant shall repair any damage to the Stores resulting from the removal of any FF&E of Merchant by the Consultant or by third party purchasers of FF&E from the Consultant.

9. The Consultant shall not make any alterations to interior or exterior Store lighting, except as authorized pursuant to the affected Lease. The hanging of exterior banners or other signage, where permitted in accordance with the terms of these Canadian Sale Guidelines, shall not constitute an alteration to a Store.

10. The Merchant hereby provides notice to the Landlords of the Merchant and the Consultant's intention to sell and remove FF&E from the Stores. The Consultant shall make commercially reasonable efforts to arrange with each Landlord represented by counsel on the Service List and

with any other Landlord that so requests, a walk-through with the Consultant to identify FF&E subject to the Sales. The relevant Landlord shall be entitled upon request to have a representative present in the applicable Stores to observe such removal. If the relevant Landlord disputes the Consultant's entitlement to sell or remove any FF&E under the provisions of the applicable Lease, such FF&E shall remain on the premises and shall be dealt with as agreed between the Merchant, the Consultant and such Landlord, in consultation with the Information Officer, if any, or by further Order of the Canadian Court upon motion by the Merchant on at least two days' notice to such Landlord and the Information Officer, if any. If the Merchant has rejected the Lease governing such Store in accordance with the Assumption and Rejection Procedures Order, it shall not be required to pay rent under such Lease pending resolution of any such dispute (other than rent payable for the notice period provided for in the Assumption and Rejection Procedures Order), and the rejection of the Lease shall be without prejudice to the Merchant's or the Consultant's claim to FF&E in dispute.

11. If a notice of rejection is delivered pursuant to the Assumption and Rejection Procedures Order to a Landlord while the Sales are ongoing and the Store in question has not yet been vacated, then: (i) during the notice period prior to the effective time of the rejection, the Landlord may show the affected Store to prospective tenants during normal business hours, on giving the Merchant, the Information Officer, if any, and the Consultant at least twenty-four hours' prior written notice; and (ii) at the effective time of the rejection, the relevant Landlord shall be entitled to take possession of any such Store without waiver of or prejudice to any claims or rights such Landlord may have against the Merchant in respect of such Lease or Store, provided that nothing herein shall relieve such Landlord of any obligation to mitigate any damages claimed in connection therewith.

12. The Consultant and its agents and representatives shall have the same access rights to the Stores as the Merchant under the terms of the applicable Lease, and the Landlords shall have the rights of access to the Stores during the Sales provided for in the applicable Lease (subject, for greater certainty, to any applicable stay of proceedings).

13. The Merchant and the Consultant shall not conduct any auctions of merchandise or FF&E at any of the Stores.

14. The Consultant shall designate a party to be contacted by the Landlords should a dispute arise concerning the conduct of the Sales. The initial contact persons for the Consultant shall be [●] and [●], Attn.: [●] ([●]) and [●] ([●]). If the parties are unable to resolve the dispute between themselves, the applicable Landlord or the Merchant shall have the right to schedule a "status hearing" before the Canadian Court on no less than two days' written notice to the other party or parties and the Information Officer, if any, during which time the Consultant shall cease all activity in dispute other than activity expressly permitted herein, pending determination of the matter by the Canadian Court; provided, however, subject to paragraph 4 of these Canadian Sale Guidelines, if a banner has been hung in accordance with these Canadian Sale Guidelines and is the subject of a dispute, the Consultant shall not be required to take any such banner down pending determination of any dispute.

15. Nothing herein or in the Consulting Agreement is, or shall be deemed to be a sale, assignment or transfer of any Lease to the Consultant nor a consent by any Landlord to the sale, assignment or transfer of any Lease, or shall, or shall be deemed to, or grant to any Landlord any greater rights in relation to the sale, assignment or transfer of any Lease than already exist under the terms of any applicable Lease.

These Canadian Sale Guidelines may be amended on a Store-by-Store basis by written agreement among the Consultant, the Merchant and the applicable Landlord, in consultation with the Information Officer, if any; provided, however, that such amended Canadian Sale Guidelines shall not affect or bind any other Landlord not privy thereto without further Order of the Bankruptcy Court or Canadian Court approving such amended Canadian Sale Guidelines.

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5. The bases for the relief requested herein are sections 105(a), 363, 365, and 554 of title 11 of the United States Code (the "Bankruptcy Code"), rules 2002, 6004, and 6007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and rules 6004-1, 6007-1, and 9013-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the District of New Jersey (the "Local Rules").

Background

6. Founded in 1969 and headquartered in Secaucus, New Jersey, the Debtors own and operate a specialty retailer of children's apparel, accessories, and footwear, operating under The Children's Place and Gymboree brands. The Debtors design and source products through third-party manufacturers and sell them at value prices for babies, toddlers, and children. The Debtors reach customers through two digital storefronts, retail stores in North America, and wholesale marketplaces, including Amazon, a key customer acquisition channel. Internationally, various franchise and wholesale partners distribute the Debtors' products in thirteen countries, generating product sales and royalty revenue for the Debtors.

7. On November 8, 2026 (the "Petition Date"), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Concurrent with the filing of this Motion, the Debtors filed a motion requesting procedural consolidation and joint administration of these chapter 11 cases. No request for the

appointment of a trustee or examiner has been made in these chapter 11 cases and no official committees have been appointed or designated.

The Debtors' Executory Contracts and Unexpired Leases

8. The Debtors are party to thousands of Contracts, which include agreements with vendors for the supply of goods and services and other contracts related to the Debtors' business, and leases with respect to real and personal property, many of which may be considered nonresidential real property leases subject to section 365(d)(4) of the Bankruptcy Code. During the pendency of these chapter 11 cases, the Debtors may, on a consensual or non-consensual basis, seek to assume, assume and assign, or reject the Contracts.

9. The Debtors are in the process of evaluating all of their Contracts to determine whether such Contracts should be (a) rejected as unfavorable to the Debtors or no longer beneficial for business operations, or (b) assumed or assumed and assigned, as they are favorable or otherwise valuable to the Debtors' estates, including those Contracts to be assumed as amended through consensual negotiations with the relevant counterparties. Absent the relief requested in this Motion, the Debtors would be required to file separate motions to reject or assume individual Contracts, resulting in substantial costs to, and administrative burdens on, the Debtors' estates—not to mention the attendant burden on the Court's docket. To that end, and for the reasons discussed further herein, the Debtors hereby request approval of the assumption and rejection procedures contemplated hereby to minimize such costs and burdens.

The Proposed Rejection Procedures

10. The Debtors seek entry of the Order authorizing and approving the following procedures with respect to rejection of the Contracts (the "Rejection Procedures"):

a. ***Rejection Notice***. The Debtors shall file a notice substantially in the form attached to the Order as Exhibit 1 (the "Rejection Notice") indicating the Debtors' intent to reject a Contract or Contracts pursuant to section 365 of

the Bankruptcy Code, which Rejection Notice shall set forth, among other things: (i) the Contract or Contracts to be rejected; (ii) the names and addresses of the counterparties to such Contract(s) (each a "Rejection Counterparty"); (iii) the proposed effective date of the rejection for each such Contract (each a "Rejection Date"); (iv) if any such Contract is a lease, the personal property to be abandoned (the "Abandoned Property"), if any, and, if practicable, an estimate of the book value of such property; and (v) the deadlines and procedures for filing objections to the Rejection Notice (as set forth below). The Rejection Notice may list multiple Contracts; *provided* that the number of Contracts listed on the Rejection Notice shall be limited to no more than 100, and the Rejection Counterparties shall be listed in alphabetical order.

b. ***Service of the Rejection Notice***. No later than two (2) business days after filing, or as soon as reasonably practicable thereafter, the Debtors will cause the Rejection Notice to be served (i) by overnight delivery service upon the Rejection Counterparties affected by the Rejection Notice at the notice address provided in the applicable Contract (and their counsel, if known) and all parties who may have any interest in any Abandoned Property (if known), and (ii) by first class mail, email, or fax upon: (a) the U.S. Trustee for the District of New Jersey; (b) the holders of the thirty (30) largest unsecured claims against the Debtors (on a consolidated basis); (c) counsel to Wells Fargo Bank, National Association, as Prepetition ABL Agent; (d) counsel to Crystal Financial LLC d/b/a SLR Credit Solutions, as Prepetition Term Loan Agent; (e) counsel to Mithaq Capital SPC, as prepetition unsecured lender; (f) the office of the attorney general for each of the states in which the Debtors operate; (g) the United States Attorney's Office for the District of New Jersey; (h) the Internal Revenue Service; and (i) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the "Service Parties"). The Debtors will cause any Rejection Notice served on a Rejection Counterparty with an address in the Province of Québec to be provided in both the English and French languages.

c. ***Objection Procedures***. Parties objecting to a proposed rejection must file and serve a written objection[3] so that such objection is filed with the Court and is ***actually received*** by the following parties (collectively, the "Objection Service Parties") no later than seven days after the date the Debtors serve the applicable Rejection Notice (the "Rejection Objection Deadline"): (i) proposed co-counsel to the Debtors, (a) White & Case LLP, 1221 Avenue of the Americas, New York, New York 10020, Attn: Gregory F. Pesce (gregory.pesce@whitecase.com), Andrew F. O'Neill (aoneill@whitecase.com), Amanda Parra Criste (aparracriste@whitecase.com), and Varoon Sachdev

[3] An objection to the rejection of any particular Contract listed on a Rejection Notice shall not constitute an objection to the rejection of any other Contract listed on such Rejection Notice.

(varoon.sachdev@whitecase.com) and (b) Cole Schotz P.C., Court Plaza North, 25 Main Street, Hackensack, New Jersey 07601, Attn: Michael D. Sirota (msirota@coleschotz.com), Warren A. Usatine (wusatine@coleschotz.com), Seth Van Aalten (svanaalten@coleschotz.com), Justin R. Alberto (jalberto@coleschotz.com), and Daniel J. Harris (dharris@coleschotz.com); (ii) the Office of the United States Trustee for the District of New Jersey, One Newark Center, Suite 2100, Newark, New Jersey 07102, Attn: Fran B. Steele (fran.b.steele@usdoj.gov) and Aiden Murphy (aiden.murphy@usdoj.gov); (iii) counsel to Wells Fargo Bank, National Association, as Prepetition ABL Agent, (a) Choate, Hall and Stewart LLP, Two International Place, Boston, Massachusetts, 02110, Attn: Kevin J. Simard (ksimard@choate.com) and Michael E. Comerford (mcomerford@choate.com) and (b) McCarter & English, LLP, Four Gateway Center, 100 Mulberry Street, Newark, New Jersey 07102, Attn: Joseph Lubertazzi (jlubertazzi@McCarter.com) and Jeffrey Testa (jtesta@mccarter.com); (iv) counsel to Crystal Financial LLC d/b/a SLR Credit Solutions, as Prepetition Term Loan Agent, (a) Morgan, Lewis & Bockius LLP, One Federal Street, Boston, Massachusetts, 02110, Attn: Sandra J. Vrejan (sandra.vrejan@morganlewis.com) and Christopher Carter (christopher.carter@morganlewis.com) and (b) McGrail & Bensinger LLP, 888-C Eighth Avenue, #107, New York, New York, 10019, Attn: Ilana Volkov (ivolkov@mcgrailbensinger.com); (v) counsel to Mithaq Capital SPC, as prepetition unsecured lender, Wollmuth Maher & Deutsch LLP, 500 5th Ave, New York, New York 10110, Attn: David Wollmuth (dwollmuth@wmd-law.com) and Paul DeFilippo (pdefilippo@wmd-law.com); and (vi) if any statutory committee has been appointed in these chapter 11 cases, counsel to such committee.

d. ***No Objection Timely Filed***. If no objection to the rejection of any Contract is timely filed, each Contract listed in the applicable Rejection Notice shall be rejected as of the applicable Rejection Date set forth in the Rejection Notice or such other date as the Debtors and the applicable Rejection Counterparty agree; *provided* that the Rejection Date for a rejection of a lease of nonresidential real property shall not occur until the later of (i) the Rejection Date set forth in the Rejection Notice and (ii) the date the Debtors relinquish control of the premises by notifying the affected landlord in writing of the Debtors' surrender of the premises and (A) turning over keys, key codes, and security codes, if any, to the affected landlord or (B) notifying the affected landlord in writing that the keys, key codes, and security codes, if any, are not available, but the landlord may rekey the leased premises; *provided*, *further*, that the Rejection Date for a rejection of a lease of nonresidential real property rejected pursuant to these Rejection Procedures shall not occur earlier than the date the Debtors filed and served the applicable Rejection Notice.

e. ***Unresolved Timely Objections***. If an objection to the rejection of any

Contract(s) listed in the applicable Rejection Notice is timely filed and properly served as specified above and not withdrawn or consensually resolved, the Debtors shall file a notice for a hearing to be held on not less than five days' notice to the applicable Rejection Counterparty to consider the objection for the Contract(s) to which such objection relates. If such objection is overruled or withdrawn, such Contract(s) shall be rejected as of (i) the applicable Rejection Date set forth in the Rejection Notice, (ii) such other date as the Debtors and the applicable Rejection Counterparty agree, or (iii) such other date as the Court may so order.

f. ***No Application of Security Deposits***. If the Debtors have deposited monies with a Rejection Counterparty as a security deposit or other arrangement, such Rejection Counterparty may not setoff, recoup, or otherwise use such monies without further order of the Court, unless the Debtors and the applicable Rejection Counterparty to such Contract(s) otherwise agree.

g. ***Abandoned Property***. The Debtors are authorized, but not directed, at any time on or before the applicable Rejection Date, to remove or abandon any of the Debtors' personal property that may be located on the Debtors' leased premises that are subject to a rejected Contract. If the Debtors decide to abandon any personal property, the Debtors shall generally describe the abandoned personal property in the Rejection Notice. Absent a timely objection, the property will be deemed abandoned pursuant to section 554 of the Bankruptcy Code, as is, effective as of the Rejection Date. For the avoidance of doubt, any and all property located on the Debtors' leased premises on the Rejection Date of the applicable lease of nonresidential real property shall be deemed abandoned pursuant to section 554 of the Bankruptcy Code, as is, effective as of the Rejection Date. Landlords may, in their sole discretion and without further notice or order of this Court, utilize and/or dispose of such property without liability to the Debtors or third parties and, to the extent applicable, the automatic stay is modified to allow such disposition.

h. ***Proofs of Claim***. Claims arising out of the rejection of Contracts, if any, must be filed in accordance with the Plan on or before the later of (i) the deadline for filing proofs of claim established in these chapter 11 cases, if any, and (ii) thirty (30) days after the later of (A) if no objection is timely filed, the Rejection Objection Deadline, and (B) if an objection is timely filed, the date that all such filed objections have either been overruled or withdrawn. If no proof of claim is timely filed, such claimant shall be forever barred from asserting a claim for damages arising from the rejection and from participating in any distributions on such a claim that may be made in connection with these chapter 11 cases.

i. ***Removal from the Rejection Notice***. The Debtors reserve the right to remove any Contract from the schedule to a Rejection Notice at any time prior to the Rejection Date.

The Proposed Assumption Procedures

11. The Debtors seek entry of the Order authorizing and approving the following assumption procedures with respect to assumption of the Contracts (the "Assumption Procedures" and together with the Rejection Procedures, collectively, the "Contract Procedures"):

a. ***Assumption Notice***. The Debtors shall file a notice substantially in the form attached to the Order as Exhibit 2 (the "Assumption Notice") indicating the Debtors' intent to assume or assume and assign a Contract or Contracts pursuant to section 365 of the Bankruptcy Code, which shall set forth, among other things: (i) the Contract or Contracts to be assumed or assumed and assigned; (ii) the names and addresses of the counterparties to such Contract(s) (each an "Assumption Counterparty"); (iii) the identity of the proposed assignee of such Contracts (the "Assignee"), if applicable; (iv) the proposed effective date of the assumption for each such Contract (the "Assumption Date"); (v) the proposed cure amount, if any, for each such Contract; (vi) a description of any material amendments to the Contract made outside of the ordinary course of business; and (vii) the deadlines and procedures for filing objections to the Assumption Notice (as set forth below). The Assumption Notice may list multiple Contracts; *provided* that the number of Contracts listed on the Assumption Notice shall be limited to no more than 100, and the Assumption Counterparties shall be listed in alphabetical order.

b. ***Service of the Assumption Notice and Evidence of Adequate Assurance***. No later than two (2) business days after filing, or as soon as reasonably practicable thereafter, the Debtors will cause the Assumption Notice to be served (i) by overnight delivery service upon the Assumption Counterparties affected by the Assumption Notice and each Assignee, if applicable, at the address set forth in the notice provision of the applicable Contract (and their counsel, if known) and (ii) by first class mail, email, or fax upon the Service Parties.[4] To the extent the Debtors seek to assume and assign a lease of non-residential real property, the Debtors will cause evidence of adequate assurance of future performance to be served with the Assumption Notice by overnight delivery service upon the Contract counterparties affected by the Assumption Notice at the address set forth in the notice provision of the applicable Contract (and their counsel, if known, by electronic mail). The Debtors will cause any Assumption Notice served on a Counterparty with an address in the Province of Québec to be provided in both the English and French languages.

[4] The Debtors shall serve a counterparty to a Contract to be assumed under the Contract Procedures with evidence of adequate assurance upon such counterparty's written request to the Debtors' proposed counsel.

c. ***Objection Procedures***. Parties objecting to a proposed assumption or assumption and assignment (including as to the cure amount), as applicable, of a Contract must file and serve a written objection[5] so that such objection is filed with the Court and ***actually received*** by the Objection Service Parties no later than seven days after the date the Debtors serve the relevant Assumption Notice (the "Assumption Objection Deadline").

d. ***No Objection***. If no objection to the assumption or assumption and assignment of any Contract is timely filed, each Contract shall be assumed or assumed and assigned as of the Assumption Date set forth in the applicable Assumption Notice or such other date as the Debtors and the Assumption Counterparties agree and the proposed cure amount shall be binding on all counterparties to such Contract and no amount in excess thereof shall be paid for cure purposes; *provided* that the Assumption Date for a lease of nonresidential real property shall not occur earlier than the date the Debtors filed and served the applicable Assumption Notice.

e. ***Unresolved Timely Objections***. If an objection to the assumption or assumption and assignment of any Contract(s) is timely filed and properly served as specified above and not withdrawn or consensually resolved, the Debtors shall file a notice for a hearing to be held on not less than five (5) days' notice to the applicable Assumption Counterparty to consider the objection for the Contract(s) to which such objection relates. The Debtors may adjourn the hearing to a later date from time to time upon filing an amended notice of hearing. If such objection is overruled or withdrawn, such Contract(s) shall be assumed or assumed and assigned as of the Assumption Date set forth in the Assumption Notice or such other date as the Debtors and the counterparty or counterparties to such Contract(s) agree.

f. ***Modifications of Assumption Notice***. The Debtors reserve the right to remove any Contract from an Assumption Notice at any time prior to the Assumption Date (including, without limitation, upon the failure of any proposed assumption and assignment to close).

12. In addition, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the Debtors request that the assignment of any Contract pursuant to the Assumption Procedures: (a) be free and clear of (i) all liens (and any liens shall attach to the proceeds of such assignment in the same order and priority subject to all existing defenses, claims, setoffs, and rights) and (ii) any and all claims (as that term is defined in section 101(5) of the Bankruptcy Code), obligations,

[5] An objection to the assumption of any particular Contract listed on the Assumption Notice shall not constitute an objection to the assumption of any other Contract listed on such Assumption Notice.

demands, guarantees of or by the Debtors, debts, rights, contractual commitments, restrictions, interests, and matters of any kind and nature, whether arising prior to or subsequent to the commencement of these chapter 11 cases, and whether imposed by agreement, understanding, law, equity, or otherwise (including, without limitation, claims, and encumbrances that purport to give to any party a right or option to effect any forfeiture, modification, or termination of the interest of any Debtor or Assignee, as the case may be, in the Contract(s) (but only in connection with the assignment by the Debtor to the Assignee)); and (b) constitute a legal, valid, and effective transfer of such Contract(s) and vest the applicable Assignee with all rights, titles, and interests to the applicable Contract(s). For the avoidance of doubt, all provisions of the applicable assigned Contract, including any provision limiting assignment, shall be binding on the applicable Assignee.[6]

[6] Certain of the Contracts may contain provisions that restrict, prohibit, condition, or limit the assumption and/or assignment of such Contract. The Debtors reserve the right to argue that such clauses are unenforceable as anti-assignment or *ipso facto* clauses under section 365 of the Bankruptcy Code.

Basis for Relief

I. The Contract Procedures Are in the Best Interests of the Debtors' Estates.

13. Given the large number of Contracts to which the Debtors are a party, establishing the Contract Procedures will streamline the administration of these chapter 11 cases and enhance the efficiency of the reorganization process by eliminating substantial legal expenses that would otherwise be incurred if multiple hearings were held on separate motions with respect to every Contract that the Debtors seek to assume or reject. The Contract Procedures are reasonable and fair to Contract counterparties because they afford parties in interest the opportunity to be heard with respect to the rejection, assumption, or assumption and assignment of the Contracts (and any amendments to Contracts or abandonment of property related thereto).

14. Courts in this circuit often enter orders approving similar relief as requested in this Motion. *See, e.g.*, *In re Eddie Bauer LLC*, No. 26-11422 (SLM) (Bankr. D.N.J. Mar. 3, 2026) (entering an order for procedures to reject executory contracts and unexpired leases); *In re David's Bridal, LLC*, No. 23-13131 (CMG) (Bankr. D.N.J. May 18, 2023) (same); *In re Bed Bath & Beyond Inc.*, No. 23-13359 (VFP) (Bankr. D.N.J. May 17, 2023) (same); *In re L'Occitane, Inc.*, No. 21-10632 (MBK) (Bankr. D.N.J. Jan. 28, 2021) (same); *In re Alex and Ani*, *LLC*, No. 21-10918 (CTG) (Bankr. D. Del. July 16, 2021) (same); *In re Bluestem Brands*, *Inc.*, No. 20-10566 (MFW) (Bankr. D. Del. Apr. 13, 2020) (same).[7]

II. Rejection, Assumption, Assignment, and Amendment of the Contracts Is an Exercise of the Debtors' Business Judgment.

15. Section 365(a) of the Bankruptcy Code provides that a debtor in possession, "subject to the court's approval, may assume or reject any executory contract or unexpired lease

[7] Because of the voluminous nature of the orders cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request of the Debtors' proposed counsel.

of the debtor." 11 U.S.C. § 365(a). The ability to assume or reject executory contracts and unexpired leases is "vital to the basic purpose of a Chapter 11 reorganization, because rejection can release the debtor's estate from burdensome obligations that can impede a successful reorganization." *N.L.R.B. v. Bildisco and Bildisco*, 465 U.S. 513, 528 (1984). The decision to assume or reject an executory contract or unexpired lease is a matter within the "business judgment" of the debtor. *See, e.g.*, *Stewart Title Guar. Co. v. Old Republic Nat'l Title Ins. Co.*, 83 F.3d 735, 741 (5th Cir. 1996); *see also Nat'l Labor Relations Bd. v. Bildisco and Bildisco* (*In re Bildisco*), 682 F.2d 72, 79 (3d Cir. 1982) ("The usual test for rejection of an executory contract is simply whether rejection would benefit the estate, the 'business judgment' test." (citation omitted)). The business judgment standard mandates that a court approve a debtor's business decision unless the decision is the product of bad faith, whim, or caprice. *See Lubrizol Enters., Inc. v. Richmond Metal Finishers*, 756 F.2d 1043, 1047 (4th Cir. 1985), *cert. denied*, 475 U.S. 1057 (1986).

16. The Court may also authorize the Contract Procedures under section 105(a) of the Bankruptcy Code. Section 105(a) codifies a bankruptcy court's inherent equitable powers, and allows the Court to "issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title." 11 U.S.C. § 105(a). Accordingly, a bankruptcy court's exercise of its authority under section 105(a) of the Bankruptcy Code is appropriately used to carry out one of the central policies underlying chapter 11—*i.e.*, to preserve value and maximize property available to satisfy the debtor's stakeholders.

17. Courts generally will not second-guess a debtor's business judgment concerning the assumption or rejection of an executory contract or unexpired lease. Further, the business judgment standard is satisfied when a debtor determines that assumption or rejection will benefit

the estate. *See In re Trans World Airlines, Inc.*, 261 B.R. 103, 123 (Bankr. D. Del. 2001) (noting that in a rejection motion determination, the focus of the court's analysis is on the benefit to the debtor's estate); *see also In re TS Indus., Inc.*, 117 B.R. 682, 685 (Bankr. D. Utah 1990) (discussing business judgment standard); *In re Del Grosso*, 115 B.R. 136, 138 (Bankr. N.D. Ill. 1990) (discussing business judgment standard).

18. Further, as with the assumption or rejection of an executory contract or an unexpired lease under section 365, any amendment to an executory contract or unexpired lease that may be deemed outside the ordinary course of business is authorized under section 363 of the Bankruptcy Code when there is a "sound business purpose" that justifies such action. *See In re Borders Grp. Inc.*, 453 B.R. 477, 482 (Bankr. S.D.N.Y. 2011) ("In approving a transaction conducted pursuant to section 363(b)(1), courts consider whether the debtor exercised sound business judgment."); *see also Crystalin, LLC v. Selma Props. Inc.* (*In re Crystalin, LLC*), 293 B.R. 455, 463 (B.A.P. 8th Cir. 2003); *Comm. of Equity Sec. Holders v. Lionel Corp.* (*In re Lionel Corp.*), 722 F.2d 1063, 1070 (2d Cir. 1983); *see also In re Delaware and Hudson Ry. Co.*, 124 B.R. 169, 176 (Bankr. D. Del. 1991) (noting that the Third Circuit has adopted the "sound business judgment" standard for transactions under section 363 of the Bankruptcy Code).

19. The Debtors have determined, in their sound business judgment, that the rejection, assumption, or assumption and assignment of Contracts (and any amendments thereto) in accordance with the Contract Procedures proposed herein is and will be in the best interest of the Debtors' estates. Further, the Contract Procedures will avoid substantial legal expense and the use of Court time that would result if a motion were filed and a hearing held for every motion seeking the rejection, assumption, or assumption and assignment of Contracts. The information provided on the Rejection Notices and Assumption Notices will provide the Court and interested parties

with sufficient information to establish that the Debtors are entitled to make such a rejection, assumption, or assumption and assignment (and any amendments thereto) in their sound business judgment. Accordingly, the Debtors respectfully request that the Court approve the Contract Procedures.

III. The Debtors Should Be Permitted to Assign Contracts Free and Clear of Interests.

20. Section 363(f) of the Bankruptcy Code permits a debtor to sell property free and clear of another party's interest in such property if: (a) applicable nonbankruptcy law permits a free and clear sale; (b) the holder of the interest consents; (c) the interest is a lien and the sale price of the property exceeds the value of all liens on the property; (d) the interest is in bona fide dispute; or (e) the holder of the interest could be compelled in a legal or equitable proceeding to accept a monetary satisfaction of its interest. 11 U.S.C. § 363(f).

21. Executory contracts and unexpired leases are property of a debtor's estate. To the extent the Debtors assume and assign a Contract pursuant to the Assumption Procedures, such assignment is tantamount to a sale of estate property and may be transferred free and clear of the interests in such property held by an entity other than the estate, so long as one of the criteria under section 363(f) of the Bankruptcy Code is satisfied. The Debtors propose that if a party in interest fails to timely object to an assumption and assignment consistent with the Assumption Procedures, such party shall be deemed to "consent" to such assumption and assignment within the meaning of section 363(f)(2) of the Bankruptcy Code. If a party in interest timely objects to an assumption and assignment consistent with the Assumption Procedures, and such objection is not withdrawn or resolved, the Debtors shall request the Court set a hearing on the objection; if such objection is overruled or withdrawn, the Contract(s) in question shall be assumed. The requirements of section

363(f) of the Bankruptcy Code would thus be satisfied for any proposed "transfer" of a Contract free and clear of liens, claims, encumbrances, and other interests.

22. Courts have granted similar authority. *See, e.g.*, *In re Joann, Inc.*, No. 25-10068 (CTG) (Bankr. D. Del. Feb. 14, 2025) (authorizing the assignment of contracts and leases free and clear of liens and claims); *In re Cyxtera Technologies, Inc.*, No. 23-14853 (JKS) (Bankr. D.N.J. June 29, 2023) (same); *In re Specialty Retail Shops Holding Corp.*, No. 19-80064 (TLS) (Bankr. D. Neb. Jan. 17, 2019) (same).

IV. Abandonment of Personal Property Is in the Best Interests of the Debtors' Estates.

23. With respect to the Debtors' request for authority to abandon property, the Debtors submit that the standard set forth in section 554(a) of the Bankruptcy Code is satisfied. Section 554(a) provides that a debtor in possession may abandon, subject to court approval, "property of the estate that . . . is of inconsequential value and benefit to the estate." 11 U.S.C. § 554(a). Before authorizing abandonment of property, a bankruptcy court must find that either: (a) the property is burdensome to the estate; or (b) the property is both of inconsequential value and inconsequential benefit to the estate. *See, e.g.*, *Midlantic Nat'l Bank v. N.J. Dep't of Env't. Prot.*, 474 U.S. 494, 497 (1986); *In re Boogaard*, 89 B.R. 397, 397 (Bankr. D. Del. 1988); *In re Pilz Compact Disc, Inc.*, 229 B.R. 630, 635 (Bankr. E.D. Pa. 1999). The personal property proposed to be abandoned in connection with any future rejections of Contracts that are real property leases would primarily consist of fixtures, furniture, advertising displays, and other office and store equipment that could not be liquidated in the store closing sales and is (a) of minimal or no material value or benefit to the Debtors' estates and/or (b) burdensome insofar as the costs and expenses of removal and storage of such property are likely to exceed the net proceeds realizable from their sale.

V. The Contract Procedures Satisfy Due Process.

24. The Contract counterparties will not be prejudiced by the Contract Procedures because, upon receipt of an Assumption Notice or a Rejection Notice, such counterparties will have received advance notice of the Debtors' intent to reject, assume, or assume and assign their respective Contract and of the effective date of such assumption or rejection. *See, e.g.*, *In re Thane Int'l, Inc.*, 586 B.R. 540, 548 (Bankr. D. Del. 2018) (finding that the requirements of the Bankruptcy Code are meant to protect the interests of the non-debtor parties to executory contracts, so they may avoid having to deal with an assumption of which they had no notice and which they had no opportunity to contest); *In re Mid Region Petrol. Inc.*, 111 B.R. 968, 970 (Bankr. N.D. Okla. 1990) (holding effective date of rejection of leases was the date the trustee gave notice to lessor of intent to reject), *aff'd*, 1 F.3d 1130 (10th Cir. 1993); *In re Carlisle Homes, Inc.*, 103 B.R. 524, 535 (Bankr. D.N.J. 1988) (finding debtor may reject executory contract by clearly communicating intention to reject).

25. Additionally, in the case of unexpired leases of non-residential real property, the Debtors will likely vacate the premises before or upon serving the Rejection Notice, thereby allowing the counterparties to take possession of and relet the property promptly. *See, e.g.*, *Adelphia Bus. Sols., Inc. v. Abnos*, 482 F.3d 602, 608–09 (2d Cir. 2007) (holding that bankruptcy court did not abuse its discretion in finding balance of equities favored making rejection of a non-residential lease of real property retroactive to date tenant vacated premises, as tenant's action provided landlord with opportunity to relet premises); *In re New Valley Corp.*, No. 98-982, 2000 U.S. Dist. LEXIS 12663, at *44–46 (D.N.J. Aug. 31, 2000) (holding that bankruptcy court properly exercised its discretion in adjusting the effective date of rejection from the date the court signed the order authorizing rejection to the date on which the debtor vacated and the landlord

exercised control over the property); *In re Amber's Stores, Inc.*, 193 B.R. 819, 827 (Bankr. N.D. Tex. 1996) (holding that lease at issue should be deemed rejected as of the petition date due to equities of the case where debtor turned over keys and vacated premises and served motion to reject lease as soon as possible).

26. As a procedural matter, a "proceeding to assume, reject, or assign an executory contract or unexpired lease . . . is governed by Rule 9014." Bankruptcy Rule 6006(a). Bankruptcy Rule 9014 provides that: "[i]n a contested matter . . . , not otherwise governed by these rules, relief shall be requested by motion, and reasonable notice and opportunity for hearing shall be afforded the party against whom relief is sought." Bankruptcy Rule 9014(a). The notice and hearing requirements for contested matters under Bankruptcy Rule 9014 are satisfied if appropriate notice and an opportunity for hearing are given *in light of the particular circumstances*. *See* 11 U.S.C. § 102(1)(A) (defining "after notice and a hearing" or a similar phrase to mean such notice and an opportunity for hearing "as [are] appropriate in the particular circumstances").

27. Under Bankruptcy Rule 6006(f), a debtor may join requests for authority to assume or reject multiple executory contracts or unexpired leases in one motion, subject to Bankruptcy Rule 6006(e). Bankruptcy Rule 6006(f) sets forth six requirements that motions to assume or reject multiple executory contracts or unexpired leases must satisfy. These requirements are procedural in nature. A motion to assume or reject multiple executory contracts or unexpired leases that are not between the same parties shall:

i. state in a conspicuous place that parties receiving the omnibus motion should locate their names and their contracts or leases listed in the motion;

ii. list parties alphabetically and identify the corresponding contract or lease;

iii. specify the terms, including the curing of defaults, for each requested assumption or assignment;

iv. specify the terms, including the identity of each assignee and the adequate assurance of future performance by each assignee, for each requested assignment;

v. be numbered consecutively with other omnibus motions to assume, assign, or reject executory contracts or unexpired leases; and

vi. be limited to no more than 100 executory contracts or unexpired leases.

Bankruptcy Rule 6006(f).

28. The clear purpose of Bankruptcy Rule 6006(f), as amended, is to protect the due process rights of counterparties to the Contracts while conserving estate resources. Counterparties must be able to locate their Contracts and readily determine whether their Contracts are being assumed or rejected.

29. The Contract Procedures satisfy Bankruptcy Rule 6006(f), including the 100-contract or lease limit set forth in subsection (vi) thereof. Further, given the substantial number of Contracts the Debtors will be seeking to assume, assume and assign, or reject, obtaining Court approval of each assumption, assignment, or rejection would impose unnecessary administrative burdens on the Debtors and the Court and result in costs to the Debtors' estates that may decrease the economic benefits of rejection or assumption or assumption and assignment.

30. In accordance with Bankruptcy Rule 6007(a), the Debtors will provide the United States Trustee for the District of New Jersey and other parties in interest with the requisite notice and an opportunity to object to any proposed abandonment of property.

31. As a result, the Contract Procedures afford Contract counterparties and all other parties in interest their due process rights by providing notice and the opportunity to be heard. Moreover, Court oversight is maintained in the event of an objection. For the foregoing reasons,

the Contract Procedures should be approved, and the Debtors should be authorized to reject, assume, and assume and assign the Contracts consistent with the terms of such procedures.

32. In sum, the Contract Procedures will minimize costs to the Debtors' estates and reduce the burden on the Court's docket while protecting parties in interest by providing notice and the opportunity to object and obtain a hearing. The Debtors have determined that the Contract Procedures are an appropriate means to protect and maximize the value of the Debtors' estates.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

33. To implement the foregoing successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the fourteen-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h) for the reasons set forth herein.

Reservation of Rights

34. Notwithstanding anything to the contrary herein, nothing contained in this Motion or any actions taken pursuant to any order granting the relief requested by this Motion is intended or should be construed as: (a) an implication or admission as to the amount of, basis for, or validity of any particular claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in this Motion or any order granting the relief requested by this Motion; (e) a request, approval, or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code (or otherwise affect the Debtors' rights under section 365 of the Bankruptcy Code); (f) an admission by the Debtors as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of

the Debtors', or any other party in interest's, claims, causes of action, or other rights under the Bankruptcy Code or any other applicable law; (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens; or (i) a waiver of the obligation of any party in interest to file a proof of claim. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

No Prior Request

35. No prior request for the relief sought in this Motion has been made to this Court or any other court.

Notice

36. The Debtors will provide notice of this Motion to the following parties or their respective counsel: (a) the U.S. Trustee for the District of New Jersey; (b) the holders of the thirty (30) largest unsecured claims against the Debtors (on a consolidated basis); (c) Wells Fargo Bank, National Association, as Prepetition ABL Agent; (d) Crystal Financial LLC d/b/a SLR Credit Solutions, as Prepetition Term Loan Agent; (e) counsel to Mithaq Capital SPC, as prepetition unsecured lender; (f) the office of the attorney general for each of the states in which the Debtors operate; (g) the United States Attorney's Office for the District of New Jersey; (h) the Internal Revenue Service; (i) the Canada Revenue Agency; and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request that the Court enter the Order, substantially in the form attached hereto as **Exhibit A**, (a) granting the relief requested herein and (b) granting such other relief as is just and proper.

all of the proceedings had before the Court and after due deliberation and sufficient cause appearing therefor **IT IS HEREBY ORDERED THAT**:

1. The Motion is GRANTED as set forth herein.

2. The following Rejection Procedures are approved in connection with rejecting Contracts:

a. ***Rejection Notice***. The Debtors shall file a notice substantially in the form attached to the Order as Exhibit 1 (the "Rejection Notice") indicating the Debtors' intent to reject a Contract or Contracts pursuant to section 365 of the Bankruptcy Code, which Rejection Notice shall set forth, among other things: (i) the Contract or Contracts to be rejected; (ii) the names and addresses of the counterparties to such Contract(s) (each a "Rejection Counterparty"); (iii) the proposed effective date of the rejection for each such Contract (each a "Rejection Date"); (iv) if any such Contract is a lease, the personal property to be abandoned (the "Abandoned Property"), if any, and, if practicable, an estimate of the book value of such property; and (v) the deadlines and procedures for filing objections to the Rejection Notice (as set forth below). The Rejection Notice may list multiple Contracts; *provided* that the number of Contracts listed on the Rejection Notice shall be limited to no more than 100, and the Rejection Counterparties shall be listed in alphabetical order.

b. ***Service of the Rejection Notice***. No later than two business days after filing, or as soon as reasonably practicable thereafter, the Debtors will cause the Rejection Notice to be served (i) by overnight delivery service upon the Rejection Counterparties affected by the Rejection Notice at the notice address provided in the applicable Contract (and their counsel, if known) and all parties who may have any interest in any Abandoned Property (if known), and (ii) by first class mail, email, or fax upon: (a) the U.S. Trustee for the District of New Jersey; (b) the holders of the thirty (30) largest unsecured claims against the Debtors (on a consolidated basis); (c) counsel to Wells Fargo Bank, National Association, as Prepetition ABL Agent; (d) counsel to Crystal Financial LLC d/b/a SLR Credit

The Debtors will cause any Rejection Notice served on a Rejection Counterparty with an address in the Province of Québec to be provided in both the English and French languages.

c. ***Objection Procedures***. Parties objecting to a proposed rejection must file and serve a written objection[3] so that such objection is filed with the Court and is ***actually received*** by the following parties (collectively, the "Objection Service Parties") no later than seven days after the date the Debtors serve the applicable Rejection Notice (the "Rejection Objection Deadline"): (i) proposed co-counsel to the Debtors, (a) White & Case LLP, 1221 Avenue of the Americas, New York, New York 10020, Attn: Gregory F. [3] An objection to the rejection of any particular Contract listed on a Rejection Notice shall not constitute an objection to the rejection of any other Contract listed on such Rejection Notice.

New Jersey 07102, Attn: Joseph Lubertazzi (jlubertazzi@McCarter.com) and Jeffrey Testa (jtesta@mccarter.com); (iv) counsel to Crystal Financial LLC d/b/a SLR Credit Solutions, as Prepetition Term Loan Agent, (a) Morgan, Lewis & Bockius LLP, One Federal Street, Boston, Massachusetts, 02110, Attn: Sandra J. d. ***No Objection Timely Filed***. If no objection to the rejection of any Contract is timely filed, each Contract listed in the applicable Rejection Notice shall be rejected as of the applicable Rejection Date set forth in the Rejection Notice or such other date as the Debtors and the applicable Rejection Counterparty agree; *provided* that the Rejection Date for a rejection of a lease of nonresidential real property shall not occur until the later of (i) the Rejection Date set forth in the Rejection Notice and (ii) the date the Debtors relinquish control of the premises by notifying the affected landlord in writing of the Debtors' surrender of the premises and (A) turning over keys, key codes, and security codes, if any, to the affected landlord or (B) notifying the affected landlord in writing that the keys, key codes, and security codes, if any, are not available, but the landlord may rekey the leased premises; *provided*, *further*, that the Rejection Date for a rejection of a lease of nonresidential real property rejected pursuant to these Rejection Procedures shall not occur earlier than the date the Debtors filed and served the applicable Rejection Notice.

e. ***Unresolved Timely Objections***. If an objection to the rejection of any Contract(s) listed in the applicable Rejection Notice is timely filed and properly served as specified above and not withdrawn or consensually resolved, the Debtors shall file a notice for a hearing to be held on not less than five days' notice to the applicable

Rejection Counterparty to consider the objection for the Contract(s) to which such objection relates. If such objection is overruled or withdrawn, such Contract(s) shall be rejected as of (i) the applicable Rejection Date set forth in the Rejection Notice, (ii) such other date as the Debtors and the applicable Rejection Counterparty agree, or (iii) such other date as the Court may so order.

f. ***No Application of Security Deposits***. If the Debtors have deposited monies with a Rejection Counterparty as a security deposit or other arrangement, such Rejection Counterparty may not setoff, recoup, or otherwise use such monies without further order of the Court, unless the Debtors and the applicable Rejection Counterparty to such Contract(s) otherwise agree.

g. ***Abandoned Property.*** The Debtors are authorized, but not directed, at any time on or before the applicable Rejection Date, to remove or abandon any of the Debtors' personal property that may be located on the Debtors' leased premises that are subject to a rejected Contract. If the Debtors decide to abandon any personal property, the Debtors shall generally describe the abandoned personal property in the Rejection Notice. Absent a timely objection, the property will be deemed abandoned pursuant to section 554 of the Bankruptcy Code, as is, effective as of the Rejection Date. For the avoidance of doubt, any and all property located on the Debtors' leased premises on the Rejection Date of the applicable lease of nonresidential real property shall be deemed abandoned pursuant to section 554 of the Bankruptcy Code, as is, effective as of the Rejection Date. Landlords may, in their sole discretion and without further notice or order of this Court, utilize and/or dispose of such property without liability to the Debtors or third parties and, to the extent applicable, the automatic stay is modified to allow such disposition.

h. ***Proofs of Claim***. Claims arising out of the rejection of Contracts, if any, must be filed on or before the later of (i) the deadline for filing proofs of claim established in these chapter 11 cases, if any, and (ii) thirty days after the later of (A) if no objection is timely filed, the Rejection Objection Deadline, and (B) if an objection is timely filed, the date that all such filed objections have either been overruled or withdrawn. If no proof of claim is timely filed, such claimant shall be forever barred from asserting a claim for damages arising from

the rejection and from participating in any distributions on such a claim that may be made in connection with these chapter 11 cases.

3. ***Modification of Rejection Notice***. The Debtors reserve the right to remove any Contract from the schedule to a Rejection Notice at any time prior to the Rejection Date. Approval of the Rejection Procedures and this Order will not prevent the Debtors from seeking to reject a Contract by separate motion or pursuant to a chapter 11 plan.

4. The following Assumption Procedures are approved in connection with assuming and assuming and assigning Contracts:

a. ***Assumption Notice***. The Debtors shall file a notice substantially in the form attached to the Order as Exhibit 2 (the "Assumption Notice") indicating the Debtors' intent to assume or assume and assign a Contract or Contracts pursuant to section 365 of the Bankruptcy Code, which shall set forth, among other things: (i) the Contract or Contracts to be assumed or assumed and assigned; (ii) the names and addresses of the counterparties to such Contract(s) (each an "Assumption Counterparty"); (iii) the identity of the proposed assignee of such Contracts (the "Assignee"), if applicable; (iv) the proposed effective date of the assumption for each such Contract (the "Assumption Date"); (v) the proposed cure amount, if any, for each such Contract; (vi) a description of any material amendments to the Contract made outside of the ordinary course of business; and (vii) the deadlines and procedures for filing objections to the Assumption Notice (as set forth below). The Assumption Notice may list multiple Contracts; *provided* that the number of Contracts listed on the Assumption Notice shall be limited to no more than 100, and the Assumption Counterparties shall be listed in alphabetical order.

b. ***Service of the Assumption Notice and Evidence of Adequate Assurance***. No later than two business days after filing, or as soon as reasonably practicable thereafter, the Debtors will cause the Assumption Notice to be served (i) by overnight delivery service upon the Assumption Counterparties affected by the Assumption

Notice and each Assignee, if applicable, at the address set forth in the notice provision of the applicable Contract (and their counsel, if known) and (ii) by first class mail, email, or fax upon the Service Parties.[4] To the extent the Debtors seek to assume and assign a lease of non-residential real property, the Debtors will cause evidence of adequate assurance of future performance to be served with the Assumption Notice by overnight delivery service upon the Contract counterparties affected by the Assumption Notice at the address set forth in the notice provision of the applicable Contract (and their counsel, if known, by electronic mail). The Debtors will cause any Assumption Notice served on a Counterparty with an address in the Province of Québec to be provided in both the English and French languages.

c. ***Objection Procedures***. Parties objecting to a proposed assumption or assumption and assignment (including as to the cure amount), as applicable, of a Contract must file and serve a written objection[5] so that such objection is filed with the Court and ***actually received*** by the Objection Service Parties no later than seven days after the date the Debtors serve the relevant Assumption Notice (the "Assumption Objection Deadline").

d. ***No Objection***. If no objection to the assumption or assumption and assignment of any Contract is timely filed, each Contract shall be assumed or assumed and assigned as of the Assumption Date set forth in the applicable Assumption Notice or such other date as the Debtors and the Assumption Counterparties agree and the proposed cure amount shall be binding on all counterparties to such Contract and no amount in excess thereof shall be paid for cure purposes; *provided* that the Assumption Date for a lease of nonresidential real property shall not occur earlier than the date the Debtors filed and served the applicable Assumption Notice.

e. ***Unresolved Timely Objections***. If an objection to the assumption or assumption and assignment of any Contract(s) is timely filed and

[4] The Debtors shall serve a counterparty to a Contract to be assumed under the Contract Procedures with evidence of adequate assurance upon such counterparty's written request to the Debtors' proposed counsel.

[5] An objection to the assumption of any particular Contract listed on the Assumption Notice shall not constitute an objection to the assumption of any other Contract listed on such Assumption Notice.

properly served as specified above and not withdrawn or consensually resolved, the Debtors shall file a notice for a hearing to be held on not less than five days' notice to the applicable Assumption Counterparty to consider the objection for the Contract(s) to which such objection relates. The Debtors may adjourn the hearing to a later date from time to time upon filing an amended notice of hearing. If such objection is overruled or withdrawn, such Contract(s) shall be assumed or assumed and assigned as of the Assumption Date set forth in the Assumption Notice or such other date as the Debtors and the counterparty or counterparties to such Contract(s) agree.

f. ***Modifications of Assumption Notice***. The Debtors reserve the right to remove any Contract from an Assumption Notice at any time prior to the Assumption Date (including, without limitation, upon the failure of any proposed assumption and assignment to close).

5. With regard to Contracts to be assigned, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the assignment of any Contract shall: (a) be free and clear of (i) all liens (and any liens shall attach to the proceeds of such assignment in the same order and priority subject to all existing defenses, claims, setoffs, and rights) and (ii) any and all claims (as that term is defined in section 101(5) of the Bankruptcy Code), obligations, demands, guarantees of or by the Debtors, debts, rights, contractual commitments, restrictions, interests, and matters of any kind and nature, whether arising prior to or subsequent to the commencement of these chapter 11 cases, and whether imposed by agreement, understanding, law, equity, or otherwise (including, without limitation, claims, and encumbrances that purport to give to any party a right or option to effect any forfeiture, modification, or termination of the interest of any Debtor or Assignee, as the case may be, in the Contract(s) (but only in connection with the assignment by the Debtor to the Assignee)); and (b) constitute a legal, valid, and effective transfer of such Contract(s) and vest the

applicable Assignee with all rights, titles, and interests to the applicable Contract(s).[6] For the avoidance of doubt, all provisions of the applicable assigned Contract, including any provision limiting assignment, shall be binding on the applicable Assignee.

6. Subject to the other provisions of this Order (including the aforementioned Assumption Procedures), the Debtors are hereby authorized in accordance with sections 365(b) and (f) of the Bankruptcy Code to (a) assume and assign to any Assignee the applicable Contracts with any applicable Assignee being responsible only for the post-assignment liabilities or defaults under the applicable Contracts except as otherwise provided for in this Order and (b) execute and deliver to any applicable Assignee such assignment documents as may be reasonably necessary to sell, assign, and transfer any such Contract.

7. The Debtors' right to assert that any provisions in the Contract that expressly or effectively restrict, prohibit, condition, or limit the assignment of or the effectiveness of the Contract to an Assignee are unenforceable anti-assignment or ipso facto clauses is fully reserved.

8. The Assignee shall have no liability or obligation with respect to defaults relating to the assigned Contracts arising, accruing, or relating to a period prior to the applicable Assumption Date.

9. The Debtors are hereby authorized, pursuant to section 363(b) of the Bankruptcy Code, to enter into the consensual amendments as set forth in an Assumption Notice.

---

[6] Certain of the Contracts may contain provisions that restrict, prohibit, condition, or limit the assumption and/or assignment of such Contract. The Debtors reserve all rights with respect to the enforceability of such provisions.

10. Approval of the Contract Procedures and this Order will not prevent the Debtors from seeking to reject, assume, or assume and assign a Contract by separate motion.

11. The 14-day stay required of any assignment of any Contract pursuant to Bankruptcy Rule 6006(d) is hereby waived.

12. All rights and defenses of the Debtors are preserved, including all rights and defenses of the Debtors with respect to a claim for damages arising as a result of a Contract rejection, including any right to assert an offset, recoupment, counterclaim, or deduction. In addition, nothing in this Order or the Motion shall limit the Debtors' ability to subsequently assert that any particular Contract is expired or terminated and is no longer an executory contract or unexpired lease, respectively.

13. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

14. The requirement set forth in Local Rule 9013-1(a)(3) that any motion be accompanied by a memorandum of law is hereby deemed satisfied by the contents of the Motion or otherwise waived.

15. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

16. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

17. This Court retains jurisdiction with respect to all matters arising from or related

to the implementation, interpretation, and enforcement of this Order.

Internationally, various franchise and wholesale partners distribute the Debtors' products in thirteen countries, generating product sales and royalty revenue for the Debtors.

6. On November 8, 2026 (the "Petition Date"), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases and no official committees have been appointed or designated.

7. Information regarding the Debtors' history and business operations, capital structure and primary secured indebtedness, and the events leading up to the commencement of the chapter 11 cases can be found in the First Day Declaration, which is incorporated herein by reference.

8. As described in the First Day Declaration, the Debtors are pursuing an expedited chapter 11 process that includes a potential transaction that would preserve the Debtors' business as a going concern. To help facilitate that process, the Debtors seek to establish the proposed deadlines, including the General Bar Date for filing proofs of claim, as discussed in further detail below.

The Proposed Bar Dates

9. Bankruptcy Rule 3003(c)(3) provides that the Court shall fix the time within which Proofs of Claim must be filed in a chapter 11 case pursuant to section 501 of the Bankruptcy Code. Moreover, Bankruptcy Rule 3003(c)(2) provides that any creditor who has a claim against the Debtors that arose prior to the Petition Date, and whose claim is not scheduled in the Debtors' schedules of assets and liabilities and statements of financial affairs (collectively, the "Schedules") or whose claim is listed on the Schedules as disputed, contingent, or unliquidated, must file a Proof of Claim. Section 502(b)(9) of the Bankruptcy Code further provides that governmental units shall

have a minimum of 180 days after the entry of the order for relief to file Proofs of Claim. Contemporaneous with this Motion, the Debtors have filed the *Debtors' Motion Seeking Entry of an Order (I) Extending Time to File Schedules of Assets and Liabilities, Schedules of Executory Contracts and Unexpired Leases, and Statements of Financial Affairs, and (II) Granting Related Relief*, requesting that the Court extend the deadline to file Schedules by nineteen (19) days, for a total of thirty-three (33) days from the Petition Date. The Debtors intend to file their Schedules by December 7, 2026.

10. The Debtors propose to allow creditors other than governmental units until **11:59 p.m., prevailing Eastern Time on January 6, 2027**, and governmental units until **11:59 p.m., prevailing Eastern Time on May 7, 2027,** to file Proofs of Claim. Accordingly, the Debtors anticipate that they will file their Schedules at least thirty (30) days before the Debtors' proposed General Claims Bar Date and at least 151 days before the proposed Governmental Bar Date. The proposed timeline will give all parties in interest adequate notice of the Bar Dates and an opportunity to respond.

I. General Claims Bar Date.

11. The Debtors request that the Court establish **11:59 p.m., prevailing Eastern Time on January 6, 2027**, as the General Claims Bar Date. The General Claims Bar Date would be the date and time by which all entities, other than governmental units holding prepetition claims, must file Proofs of Claim, including requests for payment under section 503(b)(9), so that such Proofs of Claim are actually received by Omni Agent Solutions, Inc. ("Omni" or the "Notice and Claims Agent") as of the General Claims Bar Date, unless such entity's claim falls within one of the exceptions set forth in this Motion. Subject to these exceptions, the General Claims Bar Date would apply to all claims against the Debtors that arose or are deemed to have arisen prior to the Petition Date, including 503(b)(9) Claims, secured claims, unsecured priority claims, unsecured

non-priority claims, and rejection damage claims for executory contracts and unexpired leases that have already been rejected by order of the Court in these chapter 11 cases.

II. Governmental Bar Date.

12. Section 502(b)(9) of the Bankruptcy Code provides, in relevant part, that "[a] claim of a governmental unit shall be timely filed if it is filed before 180 days after the date of the order for relief or such later time as the [Bankruptcy Rules] may provide." 11 U.S.C. § 502(b)(9). The Debtors request that the Court establish **11:59 p.m., prevailing Eastern Time on May 7, 2027**, as the Governmental Bar Date for all Governmental Claims. The Governmental Bar Date would apply to all governmental units holding claims against the Debtors (whether secured, unsecured priority, or unsecured non-priority) that arose prior to the Petition Date, including governmental units with claims against the Debtors for unpaid taxes, whether such claims arise from prepetition tax years or periods or prepetition transactions to which the Debtors were a party. All governmental units holding such claims against the Debtors would be required to file Proofs of Claim so that such Proofs of Claim are actually received by the Notice and Claims Agent by the Governmental Bar Date.

III. Amended Schedules Bar Date.

13. In the event that the Debtors amend their Schedules after December 7, 2026, in accordance with Bankruptcy Local Rule 1009-1, the Debtors request that the Court establish the Amended Schedules Bar Date as the deadline by which claimants holding Claims affected by the amendment must file Proofs of Claim with respect to such Claims so that such Proofs of Claim are actually received by the Notice and Claims Agent as of the later of (a) the General Claims Bar Date or the Governmental Bar Date, as applicable, and (b) **11:59 p.m. prevailing Eastern Time on the date that is thirty (30) calendar days** from the date on which the Debtors provide notice of the amendment to the Schedules.

IV. Rejection Damages Bar Date.

14. The Debtors also seek to require any person or entity that holds a Claim arising from the rejection of an executory contract or unexpired lease to submit a Proof of Claim based on such rejection on or before the later of (a) the General Claims Bar Date or the Governmental Bar Date, as applicable, and (b) **11:59 p.m., prevailing Eastern Time, on the date that is thirty calendar days** from the date of entry of such order, unless otherwise ordered by the Court. The Debtors will provide notice of the Rejection Damages Bar Date to the contract or lease counterparty whose contract or lease is being rejected at the time the Debtors reject any executory contract or unexpired lease.

The Proposed Procedures for Submitting Proofs of Claim

I. Proposed Filing Procedures.

A. Parties and Forms.

15. All holders of Claims shall file Proofs of Claim, using the Proof of Claim Form, by the General Claims Bar Date, **except** as set forth below:

a. All governmental units shall file Proofs of Claim by the Governmental Bar Date.

b. All holders of Rejection Claims shall file Proofs of Claim by the Rejection Damages Bar Date.

c. All holders of Claims affected by an amendment to the Schedules shall file Proofs of Claim by the Amended Schedules Bar Date.

16. In addition to the exceptions listed in the paragraph above, the Debtors propose that entities holding the following Claims be **exempt** from any requirement to file a Proof of Claim on account of the below claims before any Bar Date:

a. any Claim that has already been asserted in a Proof of Claim against the Debtors with the Notice and Claims Agent in a form substantially similar to Official Bankruptcy Form No. 410 (unless such person or entity wishes to

assert a Claim against a Debtor not identified in the prior Proof of Claim, in which case an additional Proof of Claim must be filed);

b. any Claim that is listed on the Schedules filed by the Debtors, provided that (i) the Claim is ***not*** scheduled as "disputed," "contingent," or "unliquidated"; (ii) the claimant does not disagree with the amount, nature, and priority of the Claim as set forth in the Schedules; and (iii) the claimant does not dispute that the Claim is an obligation only of the specific Debtor against which the Claim is listed in the Schedules;

c. any Claim that has previously been allowed by order of this Court;

d. any Claim that has already been paid in full by any of the Debtors;

e. any Claim for which a different deadline has previously been fixed by this Court;

f. any Claim held by a Debtor against another Debtor or any of the non-Debtor subsidiaries (whether direct or indirect) of THE CHILDREN'S PLACE, INC.;

g. any person or entity that holds an equity interest in the Debtors, which interest is based exclusively upon the ownership of common or preferred stock, membership interests, partnership interests, warrants, options, or rights of purchase, or who sell or subscribe to such a security or interest; *provided* that any holder of an equity interest in the Debtors who wishes to assert a Claim (as opposed to an ownership interest) against the Debtors (including a Claim relating to such equity interest or the purchase or sale of such equity interest), must file a Proof of Claim on or before the applicable Bar Date;

h. any Claim held by a current employee of the Debtors if an order of the Court authorizes the Debtors to honor such Claim in the ordinary course of business as a wage, commission, or benefit; *provided, however*, that any current or former employee must submit a Proof of Claim by the General Claims Bar Date for all other Claims arising before the Petition Date, including Claims for wrongful termination, discrimination, harassment, hostile work environment, and retaliation;

i. any Professional Compensation Claim;[5]

[5] "*Professional Compensation Claims*" means, at any given moment, all Claims for accrued fees and expenses (including success fees) for services rendered by a Professional (as defined below) through and including the Effective Date, to the extent such fees and expenses have not been paid pursuant to any other order of the Court and regardless of whether a fee application has been filed for such fees and expenses. To the extent the Court denies or reduces by a final order any amount of a Professional's fees or expenses, then the amount by which such fees or expenses are reduced or denied shall reduce the applicable Professional Compensation Claim.

j. any Claim held by a current officer or director for indemnification, contribution, or reimbursement;

k. as provided in any interim or final order entered by the Court authorizing the Debtors to obtain postpetition financing and/or use cash collateral (each, a ("Financing Order"), the financing parties thereunder, on account of any claims arising under or in connection with the Financing Order documentation or the ABL Credit Facility or SLR Term Loan, it being understood that no Bar Date shall apply to such claims, such parties shall not be required to file requests for allowance of administrative expenses on account of such claims, and each of the Prepetition ABL Agent and the Prepetition Term Loan Agent may file proofs of claim, including aggregate or master proofs of claim, as and to the extent provided in any Financing Order; and

l. any Claim held by any person or entity solely against a non-Debtor entity.

17. The Debtors have prepared and now seek approval of the Proof of Claim Form attached as **Exhibit 1** to the Bar Date Order, which, although based on Official Form 410, is modified to allow creditors to request payment for claims under section 503(b)(9) of the Bankruptcy Code.

18. So long as a creditor otherwise complies in all respects with the Bar Date Order, the creditor can submit a Proof of Claim in hard copy or through the Debtors' case website established by the Notice and Claims Agent, at https://omniagentsolutions.com/TCP.

II. Proposed Preparation and Filing Instructions.

19. The Debtors request that the Court require all Proofs of Claim submitted in these chapter 11 cases be consistent with the following:

a. ***Contents***. Each Proof of Claim must: (i) be written in English; (*provided* that a Proof of Claim submitted by a creditor located in Canada may be written in English or French, and the Debtors shall, to the extent reasonably practicable, arrange for the translation of any Proof of Claim

"*Professional*" means an entity: (a) retained in these chapter 11 cases pursuant to a Final Order in accordance with sections 327, 328, 363, or 1103 of the Bankruptcy Code and to be compensated for services rendered and expenses incurred before or on the confirmation date, pursuant to sections 327, 328, 329, 330, 363, or 331 of the Bankruptcy Code; or (b) awarded compensation and reimbursement by the Bankruptcy Court pursuant to section 503(b)(4) of the Bankruptcy Code.

submitted in French through the Notice and Claims Agent) (ii) be denominated in United States dollars; (iii) conform substantially with a Proof of Claim Form provided by the Debtors or the Official Form 410; and (iv) be signed or electronically transmitted through the interface available on Notice and Claims Agent's website at https://omniagentsolutions.com/TCP by the claimant or by an authorized agent or legal representative of the claimant;

b. ***Section 503(b)(9) Claim***. In addition to the requirements set forth above, any Proof of Claim asserting a 503(b)(9) Claim must also: (i) include the value of the goods delivered to and received by the Debtors in the twenty days prior to the Petition Date; (ii) attach documentation of the date on which the goods were delivered to and received by the Debtors; (iii) attach any documentation identifying the particular invoices for which the 503(b)(9) Claim is being asserted; (iv) attach documentation of any reclamation demand made to any Debtor under section 546(c) of the Bankruptcy Code (if applicable); and (v) set forth whether any portion of the 503(b)(9) Claim was satisfied by payments made by the Debtors pursuant to any order of the Court authorizing the Debtors to pay prepetition Claims;

c. ***Receipt of Service***. Claimants submitting a Proof of Claim through non-electronic means who wish to receive a proof of receipt of their Proofs of Claim from the Notice and Claims Agent must also include with their Proof of Claim a copy of their Proof of Claim and a self-addressed, stamped envelope;

d. ***Identification of the Debtor Entity***. Each Proof of Claim must specify by name and case number the Debtor against which the Claim is submitted by selecting the applicable Debtor at the top of the proposed Proof of Claim Form. A Proof of Claim submitted under Case No. 26-22682 (SLM) or that does not identify a Debtor will be deemed as submitted only against THE CHILDREN'S PLACE, INC. A Proof of Claim that names a subsidiary Debtor but is submitted under Case No. 26-22682 (SLM) will be treated as having been submitted against the subsidiary Debtor with a notation that a discrepancy in the submission exists;

e. ***Claim Against Multiple Debtor Entities***. Each Proof of Claim must state a Claim against only one Debtor and clearly indicate the Debtor against which the Claim is asserted. To the extent more than one Debtor is listed on the Proof of Claim, such Claim may be treated as if filed only against THE CHILDREN'S PLACE, INC.; and

f. ***Supporting Documentation***. Each Proof of Claim must include supporting documentation in accordance with Bankruptcy Rules 3001(c) and 3001(d). If, however, such documentation is voluminous, upon prior written consent of the Debtors' counsel, such Proof of Claim may include a summary of

such documentation or an explanation as to why such documentation is not available; *provided* that any creditor that received such written consent shall be required to transmit such supporting documentation to Debtors' counsel upon request no later than ten (10) days from the date of such request.

PROOFS OF CLAIM MUST BE SUBMITTED BY MAIL, BY HAND DELIVERY, OR THROUGH OMNI'S WEBSITE.

PROOFS OF CLAIM SUBMITTED BY FACSIMILE OR EMAIL WILL NOT BE ACCEPTED AND WILL NOT BE DEEMED TIMELY SUBMITTED.

III. Consequences of Failing to Timely Submit a Proof of Claim.

20. In accordance with Bankruptcy Rule 3003(c)(2), the Debtors propose that any person or entity that is required, but fails, to submit a Proof of Claim in accordance with the Bar Date Order on or before the applicable Bar Date will be forever barred, estopped, and enjoined from asserting such Claim—including any such Claim asserting administrative expense status under section 503(b)(9) of the Bankruptcy Code—against the Debtors (or submitting a Proof of Claim with respect to that Claim), and the Debtors and their property, will be forever discharged from any and all indebtedness or liability with respect to or arising from that Claim. Moreover, such creditor will be prohibited from (a) voting on any chapter 11 plan filed in these chapter 11 cases on account of such Claim, (b) participating in any distribution in these chapter 11 cases on account of such Claim, and (c) receiving further notices regarding such Claim. Such person or entity shall not be treated as a creditor with respect to such Claim for any purpose in these chapter 11 cases.

The Bar Date Notice

21. Among other things, the Bar Date Notice: (a) identifies the Bar Dates; (b) includes detailed procedures for submitting a timely and accurate Proof of Claim; (c) lists the parties who are not required to submit a Proof of Claim; (d) describes the consequences of failing to submit a

Proof of Claim in accordance with the Bar Date Order; and (e) provides creditors with the name and telephone number of the Notice and Claims Agent, where questions may be addressed and from whom additional information may be obtained.

22. With the assistance of the Notice and Claims Agent, by no later than five (5) business days after entry of the Bar Date Order, the Debtors will serve the Bar Date Notice and a Proof of Claim Form by email from the Notice and Claims Agent as applicable and/or first-class mail on:

a. the United States Trustee;

b. all persons or entities that have requested notice pursuant to Bankruptcy Rule 2002 (as of the date of entry of the Bar Date Order);

c. all known creditors and other known holders of potential Claims against the Debtors as of the date of entry of the Bar Date Order, including all persons or entities listed in the Schedules for which the Debtors have mailing addresses or email addresses;

d. all entities that have filed Proofs of Claim in these chapter 11 cases as of the date of entry of the Bar Date Order;

e. all known equity and interest holders of the Debtors as of the date of entry of the Bar Date Order;

f. all entities who are party to executory contracts and unexpired leases with the Debtors;

g. all entities who are party to litigation with the Debtors;

h. all current and certain former employees (to the extent that contact information for former employees is available in the Debtors' records);

i. the Internal Revenue Service, the United States Attorney's Office for the District of New Jersey, the Securities and Exchange Commission and any other governmental units applicable to the Debtors' business, including those in Canada and all taxing authorities for the jurisdictions in which the Debtors maintain or conduct business; and

j. all regulatory authorities that regulate the Debtors' businesses, including consumer protection, environmental, taxing, and permitting authorities.

23. The Debtors also intend to provide notice of the Bar Dates by publication to help ensure that all potential claimants receive adequate notice of the Bar Dates. Specifically, the Debtors propose to publish the Bar Date Notice, modified for publication substantially in the form attached as **Exhibit 3** to the Bar Date Order (the "Publication Notice"), on one occasion in a national publication in the United States, and in Canada (in English and, to the extent reasonably practicable, in French), and any such other publication that the Debtors deem appropriate.

24. The Debtors, to the extent reasonably practicable, will cause the Bar Date Notice, the Publication Notice and the Proof of Claim Form to be translated into French for all known creditors with an address in the Province of Québec. Further, the Debtors, to the extent reasonably practicable, shall post the Proof of Claim Form and the Bar Date Notice in both the English and French languages on the Debtors' case website established by the Notice and Claims Agent at https://omniagentsolutions.com/TCP.

Basis for Relief

I. Authority to Approve the Bar Dates and the Procedures for Filing Proofs of Claim.

25. Generally, claimants must submit a Proof of Claim to assert a Claim in a bankruptcy proceeding. *See* 11 U.S.C. § 501(a). Bankruptcy Rule 3003(c)(3) typically governs the submission of proofs of claim in a chapter 11 case and provides, in relevant part, that "[t]he court shall fix and for cause shown may extend the time within which proofs of claim or interest may be filed." It is well recognized that a claims bar date plays an essential role in the twin goals of bankruptcy—preserving a debtor's going-concern value and maximizing property available to satisfy creditors. *See Bank of Am. Nat'l Trust and Sav. Assoc. v. 203 N LaSalle St. P'ship*, 526 U.S. 434, 453 (1999). Indeed, prolonged uncertainty regarding the aggregate liabilities of the bankruptcy estate could delay or derail the development of a sound restructuring plan process to the detriment of creditors and parties in interest. *See In re Waterman S.S. Corp.*, 59 B.R. 724, 726

(Bankr. S.D.N.Y. 1986) ("Absent the setting of a bar date, a Chapter 11 case could not be administered to a conclusion."). Further, the absence of such a deadline in contrast, would prolong claimholder uncertainty, increase the costs and expenses incurred by the Debtors in connection with the claims reconciliation process, and delay or even derail the claims process, thus undercutting one of the principal purposes of bankruptcy law — "secur[ing] within a limited period the prompt and effectual administration and settlement of the debtor's estate." *Chemetron Corp. v. Jones*, 72 F.3d 341, 346 (3d Cir. 1995); *see also Ellis v. Westinghouse Elec. Co., LLC*, 11 F. 4th 221, 232 (3d Cir. 2021) (stating that a bar date "not only allows the trustee or debtor-in-possession to estimate the debtor's potential liabilities, it is also essential in formulating a viable reorganization plan. Without a final claims deadline, participants in the reorganization process would be hindered by undue caution in their negotiations and in voting on the plan.").

26. Local Rule 3003-1 provides that: (i) a "creditor (other than a governmental unit) or equity security holder subject to Bankruptcy Rule 3003(c)(2) must file a proof of Claim . . . not later than 70 days after the date of the order for relief;" (ii) that a "governmental unit subject to Bankruptcy Rule 3003(c)(2) must file a proof of claim not later than 180 days after the date of the order for relief;" and (iii) that a "proof of claim arising from the rejection of an executory contract or unexpired lease must be filed by the later of (1) thirty (30) days after rejection; or (2) seventy (70) days after the date of the order for relief." *See* D.N.J. LBR 3003-1.

27. To ensure that the Debtors are able to confirm and consummate a chapter 11 plan, the Debtors will require accurate information regarding the nature, validity, amount, and status of all Claims that will be asserted against their estates in these chapter 11 cases. Given the sheer number of potential claimants in these chapter 11 cases, it is important that the Debtors begin the Claims analysis and reconciliation process as soon as possible pursuant to clear procedures

designed to both limit confusion on the part of creditors and facilitate an efficient process that conserves estate resources. Fixing the Bar Dates as set forth herein will help the Debtors accomplish the foregoing objectives.

28. Recognizing the importance of setting deadlines for submitting claims against a debtor, courts in this and other jurisdictions routinely approve relief similar to that requested in this Motion. *See, e.g.*, *In re FreshRealm, Inc.*, No. 26-14656 (MEH) (Bankr. D.N.J. June 18, 2026) (establishing deadlines by which certain holders of claims were required to file proofs of claims); *In re Eddie Bauer LLC*, Case No. 26-11422 (SLM) (Bankr. D.N.J. Mar. 16, 2026) (same); *In re STG Logistics, Inc.*, No. 26-10258 (MEH) (Bankr. D.N.J. Feb. 11, 2026) (same); *In re Del Monte Foods Corp. II Inc.*, No. 25-16984 (MBK) (Bankr. D.N.J. [6] Because of the voluminous nature of the orders cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request.

29. Further, the Debtors submit that the adjustments to the Proof of Claim Form set forth herein are justified and warranted under the circumstances present here. Courts in this jurisdiction regularly adjust a proof of claim form with respect to fixing bar dates for submitting Claims under section 503(b)(9) of the Bankruptcy Code. *See, e.g.*, *In re SIMAD Holdings, Ltd.*, No. 26-16388 (CMG) (Bankr. D.N.J. July 16, 2026) (permitting Debtors to utilize a modified proof of claim form); *In re FreshRealm, Inc.*, No. 26-14656 (MEH) (Bankr. D.N.J. 30. To ensure that the Debtors are able to confirm and consummate a chapter 11 plan, the Debtors will require accurate information regarding the nature, validity, amount, and status of all claims that will be asserted against their estates in these chapter 11 cases. It is important that the Debtors begin the claims analysis and reconciliation process as soon as possible pursuant to clear procedures designed to both limit confusion on the part of creditors and facilitate an efficient

[7] Because of the voluminous nature of the orders cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request.

process that conserves estate resources. Fixing the Bar Dates as set forth herein will help the Debtors accomplish the foregoing objectives.

31. The Bar Dates herein comply with the Bankruptcy Code, Bankruptcy Rules, and Local Rules; as such, they are appropriate and should be approved. The Debtors anticipate that their Schedules will be on file at least thirty (30) days before the General Claims Bar Date and at least one-hundred-fifty-one (151) days before the Governmental Bar Date. Further, the proposed timeline provides that the Rejection Damages Bar Date is the later of (a) the General Claims Bar Date or the Governmental Bar Date, as applicable, and (b) thirty (30) calendar days from the date of entry of such order, unless otherwise ordered by the Court. Accordingly, the Debtors request that the Court establish the Bar Dates set forth herein.

II. The Procedures for Submitting Proofs of Claim Should Be Approved.

32. The Debtors have worked to design procedures that: (a) provide creditors with ample notice and opportunity to submit Proofs of Claim; (b) provide a clear process for effecting the same; and (c) achieve administrative and judicial efficiency. Indeed, the procedures described above are calibrated to achieve the twin goals of providing comprehensive notice and clear instructions to creditors, on the one hand, and allowing these chapter 11 cases to move forward quickly with a minimum of administrative expense and delay, on the other hand.

33. Among other things, the procedures provide clear instructions for submitting Proofs of Claim that are calculated to avoid confusion or uncertainty among creditors that might lead them to submit unnecessary protective Proofs of Claim or multiple Proofs of Claim, which, in either event, would result in unnecessary expense and delay in the Claims reconciliation process for all parties affected thereby.

34. The Debtors propose that claimants be permitted to submit Proofs of Claim in person, by hand delivery, or via mail. Although Proofs of Claim submitted by fax or email will

not be accepted, the Debtors propose that Proofs of Claim be permitted to be submitted electronically using the interface available on the Notice and Claims Agent's website at https://omniagentsolutions.com/TCP. A similar electronic interface has been utilized in other large bankruptcy cases in this district. *See, e.g.*, *In re SIMAD Holdings, Ltd.*, No. 26-16388 (CMG) (Bankr. D.N.J. July 16, 2026) (approving procedures for submission of proofs of claim through electronic interface); *In re FreshRealm, Inc.*, No. 26-14656 (MEH) (Bankr. D.N.J. June 18, 2026) (same); *In re Eddie Bauer LLC*, Case No. 26-11422 (SLM) (Bankr. D.N.J. Mar. 16, 2026) (same); *In re STG Logistics, Inc.*, No. 26-10258 (MEH) (Bankr. D.N.J. Feb. 11, 2026) (same); *In re Del Monte Foods Corp. II Inc.*, No. 25-16984 (MBK) (Bankr. D.N.J. Sept. 25, 2025) (same); *In re CCA Construction, Inc.*, No. 24-22548 (CMG) (Bankr. D.N.J. Jun. 25, 2025); *In re Thrasio Holdings, Inc.*, No. 24-11840 (CMG) (Bankr. D.N.J. Apr. 4, 2024) (same); *In re Invitae Corporation*, No. 24-11362 (MBK) (Bankr. D.N.J. Mar. 18, 2024) (same); *In re Rite Aid Corporation*, No. 23-18993 (MBK) (Bankr. D.N.J. Nov. 20, 2023) (same); *In re Cyxtera Technologies, Inc.*, No. 23-13359 (JKS) (Bankr. D.N.J. 35. These procedures will facilitate the claims process by establishing protocols for noticing and publishing the Bar Dates and providing claimants with clear instructions regarding the procedures and other requirements for submitting a Proof of Claim. Accordingly, these procedures should be approved.

[8] Because of the voluminous nature of the orders cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request.

III. The Proposed Notice and Service Satisfy Due Process Requirements.

36. Bankruptcy Rule 2002(a)(7) requires that the Debtors provide claimants at least twenty-one (21) days' notice by mail of the time fixed for submitting proofs of claim pursuant to Bankruptcy Rule 3003(c). In addition, Bankruptcy Rule 2002(l) provides that the Court may order notice by publication if it finds that notice by mail is impractical or that it is desirable to supplement other notice. Bankruptcy Rule 9008 also provides that the Court shall determine the form and manner of publication notice, the newspapers used, and the frequency of publication.

37. In conjunction with setting deadlines to file Proofs of Claim, the Debtors must give appropriate notice to interested parties. The Debtors propose to mail and/or email the Bar Date Notice to their known creditors and, thus, must rely on publication to give notice to its unknown creditors. This procedure is consistent with applicable case law and practice in this district. *See, e.g.*, *In re SIMAD Holdings, Ltd.*, No. 26-16388 (CMG) (Bankr. D.N.J. July 16, 2026) (relying on publication to give notice to its unknown creditors); *In re FreshRealm, Inc.*, No. 26-14656 (MEH) (Bankr. D.N.J. June 18, 2026) (same); *In re Eddie Bauer LLC*, Case No. 26-11422 (SLM) (Bankr. D.N.J. Mar. 16, 2026) (same); *In re STG Logistics, Inc.*, No. 26-10258 (MEH) (Bankr. D.N.J. Jun. 25, 2025); *In re Thrasio Holdings, Inc.*, No. 24-11840 (CMG) (Bankr. D.N.J. Apr. 4, 2024) (same); *In re Invitae Corporation*, No. 24-11362 (MBK) (Bankr. D.N.J. Mar. 18, 2024) (same); *In re Rite Aid Corporation*, No. 23-18993 (MBK) (Bankr. D.N.J. Nov. 20, 2023) (same); *In re Cyxtera Technologies, Inc.*, No. 23-13359 (JKS) (Bankr. D.N.J. S.D.N.Y, Nov. 16, 2022) (same); *In re Voyager Digital Holdings, Inc.*, No. 22-10943 (MEW) (Bankr. S.D.N.Y. Aug. 3, 2022) (same).[9]

38. To determine the adequacy of notice given to a creditor, bankruptcy law distinguishes between "known" and "unknown" creditors. *Chemetron*, 72 F.3d at 346. As the Third Circuit explained in *Chemetron*, "[k]nown creditors must be provided with actual written notice of a debtor's bankruptcy filing and bar claims date." *Id.* at 346 (citations omitted). A "known" creditor is one whose identity is either known or is "reasonably ascertainable by the debtor." *Id.* (citing *Tulsa Prof'l Collection Servs., Inc. v. Pope*, 485 U.S. 478, 490 (1988)). An "unknown" creditor is one whose "interests are either conjectural or future or, although they could be discovered upon investigation, do not in due course of business come to knowledge [of the debtor]." *Id.* (citing *Mullane v. Central Hanover Bank & Trust Co.*, 339 U.S. 306, 317 (1950)).

39. Where a creditor is known to the debtor, due process requires that the debtor take reasonable steps, such as direct mailing, to provide actual notice of the deadline for submitting proofs of claim. *See, e.g.*, *In re Enron Corp.*, 2006 WL 898031, at *4 (Bankr. S.D.N.Y. Mar. 29, 2006) ("[D]ebtor must send actual notice of the bar date to any known creditor, while constructive notice is generally sufficient with an unknown creditor."); *Daewoo Int'l (Am.) Corp. Creditor Trust v. SSTS Am. Corp.*, 2003 WL 21355214, at *3 (S.D.N.Y. June 11, 2003) (same); *Pope*, 485 U.S. at 491 (holding that where creditor was known or "reasonably ascertainable," then due process only requires "notice by mail or other means as certain to ensure actual notice").

40. Where a creditor is unknown to the debtor, due process requires only that the debtor take reasonable steps, such as notice by publication, to provide constructive notice of the deadline for submitting proofs of claim. *See, e.g.*, *In re XO Commc'ns*, 301 B.R. 782, 793 (Bankr. S.D.N.Y.

[9] Because of the voluminous nature of the orders cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request.

2003) (finding that if a creditor is unknown constructive notice is generally sufficient); *DePippo v. Kmart Corp.*, 335 B.R. 290, 296 (S.D.N.Y. 2005) ("It is well-settled that when a creditor is 'unknown' to the debtor, publication notice of the Claims bar date is adequate constructive notice sufficient to satisfy due process requirements . . . ."); *In re U.S.H. Corp. of New York*, 223 B.R. 654, 659 (Bankr. S.D.N.Y. 1998) (same). Furthermore, debtors are not required to publish notice in an excessive number of publications. *See In re Best Prods. Co., Inc.*, 140 B.R. 353, 358 (Bankr. S.D.N.Y. 1992) (finding it impracticable to expect a debtor to publish notice in every newspaper that an unknown creditor possibly may read).

41. The Debtors submit that the relief requested herein provides clear notice of the Bar Dates in satisfaction of the requirements of the Bankruptcy Rules and is consistent with the underlying policies of the Bankruptcy Code. Specifically, to the extent the General Bar Date is established as proposed, the Debtors intend to cause the Bar Date Notice to be served by email and/or first-class mail, as applicable, within five (5) business days of entry of the Bar Date Order. This will provide for at least fifty (50) days' notice of the General Claims Bar Date.

42. After the initial mailings of the Bar Date Notices and Proof of Claim Forms, the Debtors may, in their discretion, make supplemental mailings of notices, including in the event that: (a) notices are returned by the post office with forwarding addresses;[10] (b) notices served by email are confirmed to be undeliverable; (c) certain parties acting on behalf of parties in interest (*e.g.*, banks and brokers with respect to equity interest holders) decline to pass along notices to these parties and instead provide their names and addresses to the Debtors for direct mailing; and (d) additional potential claimants become known to the Debtors. In these and similar circumstances, the Debtors request that the Court permit them to make supplemental mailings of

[10] If notices are returned as "return to sender" without a forwarding address or bounceback (via email), the Debtors request that they should not be required to mail additional notices to such creditors.

the Bar Date Notices and Proof of Claim Forms at any time up to seven (7) days in advance of the applicable Bar Date, with any such mailings deemed timely and the applicable Bar Date being enforced against the relevant creditors, and such claimants shall submit their claims by the later of (i) the applicable Bar Date, or (ii) the date that is thirty (30) calendar days after such person or entity is re-served with the Bar Date Notice and Proof of Claim Form. The Debtors believe that these proposed supplemental mailings will help provide actual notice to known creditors wherever practicable, while at the same time preserving the integrity of the applicable Bar Date.

43. To provide creditors unknown to the Debtors with constructive notice of the Bar Dates herein, the Debtors propose to publish the Bar Date Notice, modified as necessary, in a national publication in the United States, and in Canada (in English and, to the extent reasonably practicable, in French), and any such other publication that the Debtors deem appropriate and disclose in their Affidavit of Service. The Debtors, to the extent reasonably practicable, will cause the Bar Date Notice, the Publication Notice and the Proof of Claim Form to be translated into French for all known creditors with an address in the Province of Québec.

44. In light of the foregoing, service and publication of the Bar Date Notice is reasonably designed to reach all interested parties in a cost-effective manner and satisfies the requirements of the relevant provisions of the Bankruptcy Code, Bankruptcy Rules, and Local Rules. Accordingly, the Debtors request that the Court deem the form of Bar Date Notice and mailing and publication thereof good, adequate, and sufficient notice of the Bar Dates set forth herein.

Reservation of Rights

45. Nothing contained in this Motion or any order granting the relief requested in this Motion, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with any such order), is intended as or shall be construed or deemed to be:

(a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in this Motion or any order granting the relief requested by this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

No Prior Request

46. No prior request for the relief sought in this Motion has been made to this or any other court.

Notice

47. The Debtors will provide notice of this Motion to the following parties or their respective counsel: (a) the U.S. Trustee for the District of New Jersey; (b) the holders of the thirty (30) largest unsecured claims against the Debtors (on a consolidated basis); (c) Wells Fargo Bank, National Association, as Prepetition ABL Agent; (d) Crystal Financial LLC d/b/a SLR Credit Solutions, as Prepetition Term Loan Agent; (e) counsel to Mithaq Capital SPC, as prepetition unsecured lender; (f) the office of the attorney general for each of the states in which the Debtors operate; (g) the United States Attorney's Office for the District of New Jersey; (h) the Internal Revenue Service; (i) the Canada Revenue Agency; and (j) any party that has requested notice

pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

[*Remainder of Page Intentionally Left Blank*]

WHEREFORE, the Debtors respectfully request that the Court enter the Bar Date Order, in substantially the form attached hereto as **Exhibit A**, (a) granting the relief requested herein and (b) granting such other relief as is just and proper.

other parties in interest; and this Court having found that the Debtors' notice of the Motion was appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon all of the proceedings had before the Court and after due deliberation and sufficient cause appearing therefor **IT IS HEREBY ORDERED THAT**:

1. The Motion is **GRANTED** on the basis as set forth herein.

2. Except as otherwise provided herein, all persons and entities including, without limitation, individuals, partnerships, corporations, joint ventures, and trusts, that assert a Claim (as defined in section 101(5) of the Bankruptcy Code) against the Debtors that arose before the Petition Date, including Claims pursuant to section 503(b)(9) of the Bankruptcy Code (each, a "503(b)(9) Claim"), shall submit a written proof of such Claim so that it is ***actually received*** by Omni Agent Solutions, Inc. (the "Notice and Claims Agent") before **11:59 p.m. prevailing Eastern Time on January 6, 2027** (the "General Claims Bar Date"), in accordance with this Bar Date Order.

3. Notwithstanding any other provision of this Bar Date Order, Proofs of Claim submitted by governmental units must be submitted so as to be ***actually received*** by the Notice and Claims Agent before **11:59 p.m. prevailing Eastern Time on May 7, 2027** (the "Governmental Bar Date").

4. Any person or entity that holds a Claim arising from the rejection of an executory contract or unexpired lease must submit a Proof of Claim based on such rejection on or before the later of (a) the applicable Bar Date and (b) thirty (30) calendar days from the date of entry of such order, unless otherwise ordered by the Court (the "Rejection Damages Bar Date"). The Debtors will provide notice of the Rejection Damages Bar Date to the contract or lease counterparty whose contract or lease is being rejected at the time the Debtors reject such executory contract or unexpired lease.

5. Unless otherwise agreed to by the Debtors, in the event the Debtors amend or supplement their Schedules, the Debtors shall give notice of any such amendment to the holders of any Claim affected thereby, and such holders must submit their Claims by the later of (a) the General Claims Bar Date or the Governmental Bar Date, as applicable, and (b) **11:59 p.m., prevailing Eastern Time, on the date that is thirty (30) calendar days** after such person or entity is served with notice that the Debtors have amended their Schedules in a manner that affects such person or entity (any such date, the "Amended Schedules Bar Date").

6. In accordance with Bankruptcy Rule 3003(c)(2) any holder of a Claim that is not excepted from the requirements of the Bar Date Order and fails to timely submit a Proof of Claim in the appropriate form shall be forever barred, estopped, and enjoined from (a) asserting a Claim against the Debtors (b) voting on any chapter 11 plan filed in these chapter 11 cases on account of such Claim, (c) participating in any distribution in these chapter 11 cases on account of such Claim, and (d) receiving further notices regarding such Claim.

7. The following procedures for the submission of Proofs of Claim asserting Claims against the Debtors in these chapter 11 cases shall apply:

a. ***Contents***. Each Proof of Claim must: (i) be written in English (*provided* that a Proof of Claim submitted by a creditor located in Canada may be written in English or French, and the Debtors shall, to the extent reasonably practicable, arrange for the translation of any Proof of Claim submitted in French through the Notice and Claims Agent); (ii) be denominated in United States dollars; (iii) conform substantially with a Proof of Claim Form provided by the Debtors or the Official Form 410; and (iv) be signed or electronically transmitted through the interface available on Notice and Claims Agent's website at https://omniagentsolutions.com/TCP by the claimant or by an authorized agent or legal representative of the claimant;

b. ***Section 503(b)(9) Claims***. In addition to the requirements set forth in (a) above, any Proof of Claim asserting a 503(b)(9) Claim must also: (i) include the value of the goods delivered to and received by the Debtors in the twenty days prior to the Petition Date; (ii) attach documentation of the date on which the goods were delivered to and received by the Debtors; (iii) attach any documentation identifying the particular invoices for which the 503(b)(9) Claim is being asserted; (iv) attach documentation of any reclamation demand made to any Debtor under section 546(c) of the Bankruptcy Code (if applicable); and (v) set forth whether any portion of the 503(b)(9) Claim was satisfied by payments made by the Debtors pursuant to any order of the Court authorizing the Debtors to pay prepetition Claims;

c. ***Receipt of Service***. Claimants submitting a Proof of Claim through non-electronic means who wish to receive a proof of receipt of their Proofs of Claim from the Notice and Claims Agent must also include with their Proof of Claim a copy of their Proof of Claim and a self-addressed, stamped envelope;

d. ***Identification of the Debtor Entities***. Each Proof of Claim must specify by name and case number the Debtor against which the Claim is submitted by selecting the applicable Debtor at the top of a proposed Proof of Claim Form. A Proof of Claim submitted under Case No. 26-22682 (SLM) or that does not identify a Debtor will be deemed as submitted only against THE CHILDREN'S PLACE, INC. A Proof of Claim that names a subsidiary

Debtor but is submitted under Case No. 26-22682 (SLM) will be treated as having been submitted against the subsidiary Debtor with a notation that a discrepancy in the submission exists;

e. ***Claim Against Multiple Debtor Entities***. Each Proof of Claim must state a Claim against only one Debtor and clearly indicate the Debtor against which the Claim is asserted. To the extent more than one Debtor is listed on the Proof of Claim, such Claim may be treated as if filed only against THE CHILDREN'S PLACE, INC.; and

f. ***Supporting Documentation***. Each Proof of Claim must include supporting documentation in accordance with Bankruptcy Rules 3001(c) and 3001(d). If, however, such documentation is voluminous, upon prior written consent of the Debtors' counsel, such Proof of Claim may include a summary of such documentation or an explanation as to why such documentation is not available; *provided* that any creditor that received such written consent shall be required to transmit such supporting documentation to Debtors' counsel upon request no later than ten days from the date of such request.

PROOFS OF CLAIM MUST BE SUBMITTED BY MAIL, BY HAND DELIVERY, OR THROUGH OMNI'S WEBSITE.

PROOFS OF CLAIM SUBMITTED BY FAX OR EMAIL WILL NOT BE ACCEPTED AND WILL NOT BE DEEMED TIMELY SUBMITTED.

8. Persons or entities need ***not*** submit a Proof of Claim on behalf of a Claim in these chapter 11 cases on or prior to the applicable Bar Date if the Claim falls into one of the following categories:

a. any Claim that has already been asserted in a Proof of Claim against the Debtors with the Notice and Claims Agent in a form substantially similar to Official Bankruptcy Form No. 410 (unless such person or entity wishes to assert a Claim against a Debtor not identified in the prior Proof of Claim, in which case an additional Proof of Claim must be filed);

b. any Claim that is listed on the Schedules filed by the Debtors, provided that (i) the Claim is ***not*** scheduled as "disputed," "contingent," or "unliquidated"; (ii) the claimant does not disagree with the amount, nature, and priority of the Claim as set forth in the Schedules; and (iii) the claimant does not dispute that the Claim is an obligation only of the specific Debtor against which the Claim is listed in the Schedules;

c. any Claim that has previously been allowed by order of this Court;

d. any Claim that has already been paid in full by any of the Debtors;

e. any Claim for which a different deadline has previously been fixed by this Court;

f. any Claim held by a Debtor against another Debtor or any of the non-Debtor subsidiaries (whether direct or indirect) of THE CHILDREN'S PLACE, INC.;

g. any person or entity that holds an equity interest in the Debtors, which interest is based exclusively upon the ownership of common or preferred stock, membership interests, partnership interests, warrants, options, or rights of purchase, or who sell or subscribe to such a security or interest; provided that any holder of an equity interest in the Debtors who wishes to assert a Claim (as opposed to an ownership interest) against the Debtors (including a Claim relating to such equity interest or the purchase or sale of such equity interest), must file a Proof of Claim on or before the applicable Bar Date;

h. any Claim held by a current employee of the Debtors if an order of the Court authorizes the Debtors to honor such Claim in the ordinary course of business as a wage, commission, or benefit; provided, however, that a current or former employee must submit a Proof of Claim by the General Claims Bar Date for all other Claims arising before the Petition Date, including Claims for wrongful termination, discrimination, harassment, hostile work environment, and retaliation;

i. any Professional Compensation Claim;[3]

[3] "*Professional Compensation Claims*" means, at any given moment, all Claims for accrued fees and expenses (including success fees) for services rendered by a Professional (as defined below) through and including the

j. any Claim held by a current officer or director for indemnification, contribution, or reimbursement;

k. as provided in any interim or final order entered by the Court authorizing the Debtors to obtain postpetition financing and/or use cash collateral (each, a ("Financing Order"), the financing parties thereunder, on account of any claims arising under or in connection with the Financing Order documentation or the ABL Credit Facility or SLR Term Loan, it being understood that no Bar Date shall apply to such claims, such parties shall not be required to file requests for allowance of administrative expenses on account of such claims, and each of the Prepetition ABL Agent and the Prepetition Term Loan Agent may file proofs of claim, including aggregate or master proofs of claim, as and to the extent provided in any Financing Order; and

l. any Claim held by any person or entity solely against a non-Debtor entity.

9. Nothing in this Bar Date Order shall prejudice the right of the Debtors or any other party in interest to dispute or assert offsets or defenses to any Claim reflected in the Schedules.

10. The Bar Date Notice, substantially in the form attached to this Order as **Exhibit 2**, and the Proof of Claim Form, substantially in the form attached to this Order as **Exhibit 1**, are hereby approved.

11. The Debtors shall cause the Bar Date Notice and the Proof of Claim Form, substantially in the forms annexed as **Exhibit 2** and **Exhibit 1**, respectively, to this Order, to be

---

Effective Date, to the extent such fees and expenses have not been paid pursuant to any other order of the Court and regardless of whether a fee application has been filed for such fees and expenses. To the extent the Court denies or reduces by a final order any amount of a Professional's fees or expenses, then the amount by which such fees or expenses are reduced or denied shall reduce the applicable Professional Compensation Claim.

"*Professional*" means an entity: (a) retained in these chapter 11 cases pursuant to a Final Order in accordance with sections 327, 328, 363, or 1103 of the Bankruptcy Code and to be compensated for services rendered and expenses incurred before or on the confirmation date, pursuant to sections 327, 328, 329, 330, 363, or 331 of the Bankruptcy Code; or (b) awarded compensation and reimbursement by the Bankruptcy Court pursuant to section 503(b)(4) of the Bankruptcy Code.

12. After the initial emailing and mailing of the Bar Date Notices and Proof of Claim Forms, the Debtors may, in their discretion, make supplemental mailings of notices,

including in the event that: (a) notices are returned by the post office with forwarding addresses;[4] (b) notices served by email are confirmed to be undeliverable; (c) certain parties acting on behalf of parties in interest (*e.g.*, banks and brokers with respect to equity or interest holders) decline to distribute notices to these parties and instead return their names and addresses to the Debtors for direct mailing; and (d) additional potential claimants or parties in interest become known to the Debtors. In this regard, the Debtors may make supplemental mailings of the Bar Date Notices and Proof of Claim Forms in these and similar circumstances at any time up to seven (7) days in advance of the applicable Bar Date, with any such mailings being deemed timely and the appropriate Bar Date being applicable to the recipient creditors.

13. To the extent reasonably practicable, the Debtors will cause the Bar Date Notice, the Publication Notice and the Proof of Claim Form to be translated into French for all known creditors with an address in the Province of Québec.

[4] If notices are returned as "return to sender" without a forwarding address or bounceback (via email), the Debtors request that they should not be required to mail additional notices to such creditors.

14. Any person or entity who desires to rely on the Schedules will have the responsibility for determining that such person's or entity's Claim is accurately listed in the Schedules.

15. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an implication or admission as to the amount of, basis for, or validity of any particular claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in this Order or the Motion or any order granting the relief requested by the Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission by the Debtors as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors', or any other party in interest's, claims, causes of action, or other rights under the Bankruptcy Code or any other applicable law; (h) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code; (i) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in the Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent,

validity, or perfection or seek avoidance of all such liens; (j) a waiver of the obligation of any party in interest to file a Proof of Claim; or (k) otherwise affecting the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease.

16. The Debtors' and their Notice and Claims Agent are authorized to take all actions and make any payments necessary to effectuate the relief granted pursuant to this Bar Date Order in accordance with the Motion.

17. Notwithstanding anything to the contrary, the terms and conditions of this Bar Date Order are immediately effective and enforceable upon its entry.

18. Entry of this Bar Date Order is without prejudice to the right of the Debtors to seek a further order of this Court fixing a date by which holders of Claims or interests not subject to the General Claims Bar Date established herein must submit such Proofs of Claim or interest or be barred from doing so.

19. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of the Bankruptcy Rules and the Local Rules are satisfied by such notice.

20. Notwithstanding anything to the contrary, the terms and conditions of this Order are immediately effective and enforceable upon its entry.

Who Must Submit a Proof of Claim

You MUST submit a Proof of Claim to vote on a chapter 11 plan filed by the Debtors or to share in distributions from the Debtors' estates if you have a Claim that arose before the Petition Date and it is ***not*** one of the types of Claims described under the heading "Claims for Which Proofs of Claim Need Not Be Filed" below. Claims based on acts or omissions of the Debtors that occurred before the Petition Date must be submitted on or prior to the applicable Bar Date, even if such Claims are not now fixed, liquidated, or certain or did not mature or become fixed, liquidated, or certain before the Petition Date.

Under section 101(5) of the Bankruptcy Code and as used in this notice, "Claim" means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.

What To Submit

The Debtors are enclosing a Proof of Claim form for use in these chapter 11 cases. If your Claim is scheduled by the Debtors, the form indicates the amount of your Claim as scheduled by the Debtors, the specific Debtor against which the Claim is scheduled, and whether the Claim is scheduled as disputed, contingent, or unliquidated. You will receive a different Proof of Claim Form for each Claim scheduled in your name by the Debtors. You may utilize the Proof of Claim form(s) provided by the Debtors to submit your Claim.

Your Proof of Claim Form must not contain complete social security numbers or taxpayer identification numbers (only the last four digits), a complete birth date (only the year), the name of a minor (only the minor's initials) or a financial account number (only the last four digits of such financial account).

Additional Proof of Claim Forms may be obtained by contacting the Debtors' notice and claims agent, Omni Agent Solutions, Inc. (the "Notice and Claims Agent"), by calling (866) 205-3149 for callers in the United States and Canda or by calling (818) 510-4678 for callers outside the United States and/or visiting the Debtors' restructuring website at: https://omniagentsolutions.com/TCP.

The following procedures for the submission of Proofs of Claim against the Debtors in these chapter 11 cases shall apply:

a. ***Contents***. Each Proof of Claim must: (i) be written in English (*provided* that a Proof of Claim submitted by a creditor located in Canada may be written in English or in French, and the Debtors shall, to the extent reasonably practicable, arrange for the translation of any Proof of Claim submitted in French through the Notice and Claims Agent); (ii) be denominated in United States dollars; (iii) conform substantially with a Proof of Claim Form provided by the Debtors or the Official Form 410; and (iv) be signed or electronically transmitted through the interface available on the Notice and Claims Agent's website at https://omniagentsolutions.com/TCP by the claimant or by an authorized agent or legal representative of the claimant;

b. ***Section 503(b)(9) Claim***. In addition to the requirements set forth above, any Proof of Claim asserting a 503(b)(9) Claim must also: (i) include the value of the goods delivered to and received by the Debtors in the twenty days prior to the Petition Date; (ii) attach documentation of the date on which the goods were delivered to and received by the Debtors; (iii) attach any documentation identifying the particular invoices for which the 503(b)(9) Claim is being asserted; (iv) attach documentation of any reclamation demand made to any Debtor under section 546(c) of the Bankruptcy Code (if applicable); and (v) set forth whether any portion of the 503(b)(9) Claim was satisfied by payments made by the Debtors pursuant to any order of the Court authorizing the Debtors to pay prepetition Claims;

c. ***Receipt of Service***. Claimants submitting a Proof of Claim through non-electronic means who wish to receive a proof of receipt of their Proofs of Claim from the Notice and Claims Agent must also include with their Proof of Claim a copy of their Proof of Claim and a self-addressed, stamped envelope;

d. ***Identification of the Debtor Entity***. Each Proof of Claim must specify by name and case number the Debtor against which the Claim is submitted by selecting the applicable Debtor at the top of a proposed Proof of Claim Form. A Proof of Claim submitted under Case No. 26-22682 (SLM) or that does not identify a Debtor will be deemed as submitted only against THE CHILDREN'S PLACE, INC. A Proof of Claim that names a subsidiary Debtor but is submitted under Case No. 26-22682 (SLM) will be treated as having been submitted against the subsidiary Debtor with a notation that a discrepancy in the submission exists;

e. ***Claim Against Multiple Debtor Entities***. Each Proof of Claim must state a Claim against only one Debtor and clearly indicate the Debtor against which the Claim is asserted. To the extent more than one Debtor is listed on the Proof of Claim, such Claim may be treated as if filed only against THE CHILDREN'S PLACE, INC.; and

f. ***Supporting Documentation***. Each Proof of Claim must include supporting documentation in accordance with Bankruptcy Rules 3001(c) and 3001(d). If, however, such documentation is voluminous, upon prior written consent of the Debtors' counsel, such Proof of Claim may include a summary of such documentation or an explanation as to why such documentation is not available; *provided* that any creditor that received such written consent shall be required to transmit such supporting documentation to Debtors' counsel upon request no later than ten days from the date of such request.

When and Where to Submit

Each Proof of Claim, including supporting documentation, must be submitted so that the Notice and Claims Agent ***actually receives*** the Proof of Claim on or before the applicable Bar Date by: (i) electronically using the interface available on the Notice and Claims Agent's website at https://omniagentsolutions.com/TCP, or (ii) first-class U.S. Mail, which Proof of Claim must include an ***original*** signature, at the following address: THE CHILDREN'S PLACE, INC. Claims Processing Center, c/o Omni Agent Solutions, Inc., 5955 De Soto Ave., Suite 100, Woodland Hills, CA 91367, or (iii) overnight mail, or other hand-delivery system, which Proof of Claim must include an original signature, at the following address: THE CHILDREN'S PLACE, INC. Claims Processing Center, c/o Omni Agent Solutions, Inc., 5955 De Soto Ave., Suite 100, Woodland Hills, CA 91367.

PROOFS OF CLAIM MUST BE SUBMITTED BY MAIL, BY HAND DELIVERY, OR THROUGH OMNI'S WEBSITE.

PROOFS OF CLAIM SUBMITTED BY FAX OR EMAIL WILL NOT BE ACCEPTED AND WILL NOT BE DEEMED TIMELY SUBMITTED.

Claims for Which Proofs of Claim Need Not Be Filed

Persons or entities need ***not*** submit a Proof of Claim on behalf of a Claim in these chapter 11 cases on or prior to the applicable Bar Date if the Claim falls into one of the following categories:

a. any Claim that has already been asserted in a Proof of Claim against the Debtors with the Notice and Claims Agent in a form substantially similar to Official Bankruptcy Form No. 410 (unless such person or entity wishes to assert a Claim against a Debtor not identified in the prior Proof of Claim, in which case an additional Proof of Claim must be filed);

b. any Claim that is listed on the schedules of assets and liabilities and statements of financial affairs (collectively, the "Schedules") filed by the Debtors, provided that (i) the Claim is not scheduled as "disputed," "contingent," or "unliquidated"; (ii) the claimant does not disagree with the amount, nature, and priority of the Claim as set forth in the Schedules; and (iii) the claimant does not dispute that the Claim is an obligation only of the specific Debtor against which the Claim is listed in the Schedules;

c. any Claim that has previously been allowed by order of this Court;

d. any Claim that has already been paid in full by any of the Debtors;

e. any Claim for which a different deadline has previously been fixed by this Court;

f. any Claim held by a Debtor against another Debtor or any of the non-Debtor subsidiaries (whether direct or indirect) of THE CHILDREN'S PLACE, INC.;

g. any Person or Entity that holds an equity interest in the Debtors, which interest is based exclusively upon the ownership of common or preferred stock, membership interests, partnership interests, warrants, options, or rights of purchase, or who sell or subscribe to such a security or interest; provided that any holder of an equity interest in the Debtors who wishes to assert a Claim (as opposed to an ownership interest) against the Debtors (including a Claim relating to such equity interest or the purchase or sale of such equity interest), must file a Proof of Claim on or before the applicable Bar Date;

h. any Claim held by a current employee of the Debtors if an order of the Court authorizes the Debtors to honor such Claim in the ordinary course of business as a wage, commission, or benefit; any current or former employee must submit a Proof of Claim by the General Claims Bar Date for all other Claims arising before the Petition Date, including Claims for wrongful termination, discrimination, harassment, hostile work environment, and retaliation;

i. any Professional Compensation Claim;[5]

[5] "*Professional Compensation Claims*" means, at any given moment, all Claims for accrued fees and expenses (including success fees) for services rendered by a Professional (as defined below) through and including the Effective Date, to the extent such fees and expenses have not been paid pursuant to any other order of the Court and regardless of whether a fee application has been filed for such fees and expenses. To the extent the Court denies or reduces by a final order any amount of a Professional's fees or expenses, then the amount by which such fees or expenses are reduced or denied shall reduce the applicable Professional Compensation Claim.

"*Professional*" means an entity: (a) retained in these chapter 11 cases pursuant to a Final Order in accordance with sections 327, 328, 363, or 1103 of the Bankruptcy Code and to be compensated for services rendered and

j. any Claim held by a current officer or director for indemnification, contribution, or reimbursement;

k. as provided in any interim or final order entered by the Court authorizing the Debtors to obtain postpetition financing and/or use cash collateral (each, a ("Financing Order"), the financing parties thereunder, on account of any claims arising under or in connection with the Financing Order documentation or the ABL Credit Facility or SLR Term Loan, it being understood that no Bar Date shall apply to such claims, such parties shall not be required to file requests for allowance of administrative expenses on account of such claims, and each of the Prepetition ABL Agent and the Prepetition Term Loan Agent may file proofs of claim, including aggregate or master proofs of claim, as and to the extent provided in any Financing Order; and

l. any Claim held by any person or entity solely against a non-Debtor entity.

THIS NOTICE IS BEING SENT TO MANY PERSONS AND ENTITIES THAT HAVE HAD SOME RELATIONSHIP WITH OR HAVE DONE BUSINESS WITH THE DEBTORS BUT MAY NOT HAVE AN UNPAID CLAIM AGAINST THE DEBTORS. THE FACT THAT YOU HAVE RECEIVED THIS NOTICE DOES NOT MEAN THAT YOU HAVE A CLAIM OR THAT THE DEBTORS OR THE COURT BELIEVE THAT YOU HAVE ANY CLAIM.

When and Where to Submit

Each Proof of Claim, including supporting documentation, must be submitted so that the Notice and Claims Agent ***actually receives*** the Proof of Claim on or before the applicable Bar Date by: (i) electronically using the interface available on the Notice and Claims Agent's website at https://omniagentsolutions.com/TCP, (ii) first-class U.S. Mail, which Proof of Claim must include an original signature, at the following address: THE CHILDREN'S PLACE, INC. Claims Processing Center, c/o Omni Agent Solutions, Inc., 5955 De Soto Ave., Suite 100, Woodland Hills,

[2] "503(b)(9) Claims" are Claims for the value of goods received by the Debtors within twenty (20) days before the Petition Date, where such goods were sold to the Debtors in the ordinary course of such Debtors' businesses. See 11 U.S.C. § 503(b)(9).

CA 91367, or (iii) overnight mail, or other hand-delivery system, which Proof of Claim must include an original signature, at the following address: THE CHILDREN'S PLACE, INC. Claims Processing Center, c/o Omni Agent Solutions, Inc., 5955 De Soto Ave., Suite 100, Woodland Hills, CA 91367.

PROOFS OF CLAIM MUST BE SUBMITTED BY MAIL, BY HAND DELIVERY, OR THROUGH OMNI'S WEBSITE.

PROOFS OF CLAIM SUBMITTED BY FAX OR EMAIL WILL NOT BE ACCEPTED AND WILL NOT BE DEEMED TIMELY SUBMITTED.

Contents of Proofs of Claim. Each Proof of Claim must: (i) be written in English (*provided* that a Proof of Claim submitted by a creditor located in Canada may be written in English or French, and the Debtors shall, to the extent reasonably practicable, arrange for the translation of any Proof of Claim submitted in French through the Notice and Claims Agent); (ii) be denominated in United States dollars; (iii) conform substantially with the Proof of Claim Form provided by the Debtors or Official Form 410; and (iv) be signed or electronically transmitted through the interface available on the Notice and Claims Agent's website at https://omniagentsolutions.com/TCP by the Claimant or by an authorized agent or legal representative of the Claimant. **Please note** that each Proof of Claim must specify by name and case number the Debtor against which the Claim is submitted by selecting the applicable Debtor at the top of the proposed Proof of Claim Form. A Proof of Claim submitted under Case No. 26-22682 (SLM) or that does not identify a Debtor will be deemed as submitted only against THE CHILDREN'S PLACE, INC. A Proof of Claim that names a subsidiary Debtor but is submitted under Case No. 26-22682 (SLM) will be treated as having been submitted against the subsidiary Debtor with a notation that a discrepancy in the submission exists.

Section 503(b)(9) Claims. Vendors and suppliers of goods may be entitled to request an administrative priority Claim under section 503(b)(9) of the Bankruptcy Code to the extent they delivered, and the Debtor received, goods within the twenty-day period prior to the Petition Date. The Court has deemed the submission of a Proof of Claim as satisfying the procedural requirements for asserting such a Claim under section 503(b)(9) of the Bankruptcy Code. Multiple Claims. To the extent a claimant seeks to assert a Claim against more than one Debtor, the claimant must file a separate proof of Claim against each Debtor and identify with

specificity the Debtor against whom each Claim is asserted, unless otherwise agreed by the Debtors and the claimant.

Consequences of Failing to Timely Submit Your Proof of Claim. Any Claimant who is required, but fails, to submit a Proof of Claim in accordance with the Bar Date Order on or before the applicable Bar Date shall be forever barred, estopped, and enjoined from asserting such Claim against the Debtors (or submitting a Proof of Claim with respect thereto). In such event, the Debtors' property shall be forever discharged from any and all indebtedness or liability with respect to such Claim, and such holder shall not be permitted to vote to accept or reject any plan of reorganization filed in these chapter 11 cases or participate in any distribution on account of such Claim or receive further notices regarding such Claim.

Reservation of Rights. Nothing contained in this notice is intended to or should be construed as a waiver of the Debtors' right to: (a) dispute, or assert offsets or defenses against, any submitted Proof of Claim or any Claim listed or reflected in the Schedules as to the nature, amount, liability, or classification of such Claims; (b) subsequently designate any scheduled Claim as disputed, contingent, or unliquidated; and (c) otherwise amend or supplement the Schedules.

Proposed Co-Counsel to the Debtors and Debtors in Possession

UNITED STATES BANKRUPTCY COURT
DISTRICT OF NEW JERSEY

In re: THE CHILDREN'S PLACE, INC., *et al*., Debtors.[1]	Chapter 11 Case No. 26-22682 (SLM) (Joint Administration Requested)

[1] A complete list of each of the Debtors, including each Debtor's federal tax identification number, in these chapter 11 cases may be obtained on the website of the Debtors' proposed claims and noticing agent at https://omniagentsolutions.com/TCP. The location of the Debtors' service address for purposes of these chapter 11 cases is 500 Plaza Drive, Secaucus, New Jersey 07094.

DEBTORS' MOTION FOR ENTRY OF AN ORDER (I) APPROVING THE BIDDING PROCEDURES AND STALKING HORSE BID PROTECTIONS, (II) SCHEDULING CERTAIN DATES AND DEADLINES WITH RESPECT THERETO, (III) APPROVING THE FORM AND MANNER OF NOTICE THEREOF, (IV) ESTABLISHING NOTICE AND PROCEDURES FOR THE ASSUMPTION AND ASSIGNMENT OF CONTRACTS AND LEASES, (V) AUTHORIZING THE ASSUMPTION AND ASSIGNMENT OF ASSUMED CONTRACTS, (VI) AUTHORIZING THE SALE OF ASSETS, AND (VII) GRANTING RELATED RELIEF

TO THE HONORABLE UNITED STATES BANKRUPTCY JUDGE:

The above-captioned debtors and debtors in possession (collectively, the "Debtors") state as follows in support of this motion (this "Motion"):[2]

Preliminary Statement

1. The Debtors commenced these chapter 11 cases to, among other things, identify a buyer or buyers for some or all, or substantially all, of their assets, including their intellectual property and brands (including "The Children's Place" and "Gymboree" brands), and operations (including the Amazon operations) (the "Assets"). Prior to the Petition Date, the Debtors commenced store closings and merchandise sales across their portfolio of retail locations to maximize recoveries for the benefit of their estates.[3] To further maximize value for all stakeholders, the Debtors, through this Motion, seek to pursue and consummate one or more value-maximizing sale transactions (each, a "Sale Transaction") involving all or substantially all of the

[2] A detailed description of the Debtors and their business, including the facts and circumstances giving rise to the Debtors' chapter 11 cases, is set forth in the *Declaration of Rudolph Morando, Co-Chief Restructuring Officer of the Debtors, in Support of the Debtors' Chapter 11 Petitions and First Day Motions* (the "First Day Declaration"), filed contemporaneously herewith. Capitalized terms used but not defined in this Motion have the meaning ascribed to them in the First Day Declaration or the Bidding Procedures (as defined herein), as applicable.

[3] As further described in the *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Assume the Consulting Agreement; (II) Authorizing and Approving the Conduct of Store Closing Sales and the Related Sale Guidelines, with such Sales to be Free and Clear of all Liens, Claims, and Encumbrances; (III) Modifying Customer Programs at the Closing Stores; and (IV) Granting Related Relief*, filed contemporaneously herewith.

Assets. Accordingly, the Debtors file these proposed Bidding Procedures to facilitate a competitive, value-maximizing sale process.

2. As part of their ongoing analysis of all potential paths to maximize the value of their estates for the benefit of all parties in interest, the Debtors engaged Cascadia Capital, LLC ("Cascadia"), the Debtors' proposed investment banker, in September 2026. Immediately following the engagement of Cascadia, the Debtors launched a formal, comprehensive sale and marketing process for the Assets (the "Prepetition Sale Process"), whether as a going concern or liquidation, or a standalone sale of discrete assets or revenue streams. In connection with the Prepetition Sale Process, Cascadia contacted a broad range of strategic and financial parties, including approximately thirty-three (33) strategic prospects and approximately seventeen (17) financial prospects, at least thirty (30) of which have executed nondisclosure agreements and have been provided with access to the Debtors' virtual data room (the "Data Room"). The Data Room contains a confidential information presentation and additional financial, operational, and legal diligence materials to assist potential bidders for the Debtors' Assets.

3. To date, the Debtors have received nine (9) proposals relating to their Assets, including six (6) proposals for going concern and IP-related transactions, and three (3) "equity" liquidation proposals involving substantially all of the Debtors' assets. These proposals reflect ongoing interest in the Debtors' Assets. Following receipt of these proposals, the Debtors, together with Cascadia, conducted a comprehensive review of each proposal and have engaged and continue to engage in extensive negotiations with the interested parties to refine and enhance their initial bids. The Debtors also received three (3) fee-based liquidation bids for the liquidation of the Debtors' inventory and certain of their assets.

4. Because of limited liquidity and lack of currently actionable going-concern bids, the Debtors concluded in their business judgment that continuing the Prepetition Sale Process on a postpetition basis while the store closings and merchandise sales continue is in their best interest in order to maximize value to their estates.

5. The Debtors are in advanced discussions with various parties regarding a variety of transaction structures, including various transactions involving the Debtors' intellectual property, retail footprint, and real estate assets (or a combination of the foregoing). However, the Debtors have not yet selected (and may not elect to select) a stalking horse to serve as a committed buyer of the applicable Assets. In order to preserve this value maximizing tool, the Bidding Procedures (as defined herein) provide the Debtors with flexibility to select one or more Stalking Horse Bidders (as defined herein) and grant Stalking Horse Bid Protections (as defined herein) after notice and an opportunity to object. Through the Bidding Procedures, the Debtors seek a sale timeline that provides sufficient time for potential bidders to complete diligence and submit bids while also minimizing administrative expenses and business disruption as they work to complete these chapter 11 cases on an efficient and expeditious timeline. The Debtors continue to incur significant administrative expenses without sufficient income to meet their financial obligations; accordingly, an expedited process is necessary to reduce further cash burn and preserve the Debtors' estates. The Debtors believe that their proposed approximately forty (40) day postpetition process is sufficient to close out any remaining leads from their Prepetition Sale Process and assess any potential bidders that may emerge. If the Bidding Procedures are not approved or there is any material delay to the proposed sale timeline—including delay resulting from the fourteen-day stay under Bankruptcy Rule 6004(h)—the Debtors' ability to maximize value for the benefit of all stakeholders will be jeopardized.

6. To ensure the orderly transfer of assets following any Sale Transaction in accordance with section 365 of the Bankruptcy Code, the Debtors also seek approval of assumption and assignment procedures by which the Debtors and counterparties to the Executory Contracts (as defined herein) or Unexpired Leases (as defined herein) transferred in connection with any Sale Transaction can (a) reconcile cure obligations, if any, in accordance with section 365 of the Bankruptcy Code and (b) object to the assumption and assignment of the Executory Contracts or Unexpired Leases and/or related cure payments (the "Assumption and Assignment Procedures") as set forth in detail in the Bidding Procedures Order (as defined herein).

7. The Bidding Procedures provide the Debtors with the opportunity to maximize value and potentially continue as a going concern while at the same time providing for an expedited resolution of these chapter 11 cases. This will reduce the expenses associated with administering these cases, and allow the Debtors to emerge as quickly as possible, which will inure to the benefit of all stakeholders. The Bidding Procedures comply with the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules (each as defined herein). The Debtors request that the Court approve the Bidding Procedures and other relief as set forth herein.

Relief Requested

8. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the "Bidding Procedures Order"): (a) authorizing and approving the proposed marketing, auction, and bidding procedures (the "Bidding Procedures") attached as Exhibit 1 to the Bidding Procedures Order, by which the Debtors will solicit and, if value maximizing, will select the highest or otherwise best offer(s) for the sale or sales of all, substantially all, or any portion of their Assets (each successful bidder for the sale of some or all of the Debtors' Assets, a "Successful Bidder"); (b) approving the Stalking Horse Bid Protections relating to the stalking horse bidder (the "Stalking Horse Bidder"), if any; (c) establishing certain dates and deadlines

related thereto and scheduling an auction, if needed, to determine the highest or otherwise best Bid available (the "Auction"); (d) approving the form and manner of notice of the Auction, if any, and any hearing to approve a sale of some, all, or substantially all of the Debtors' assets, (the "Sale Hearing"), as may be necessary; (e) approving procedures for the assumption and assignment of certain Executory Contracts and Unexpired Leases in connection with the Sale Transaction; and (f) granting related relief.

9. Additionally, if applicable, the Debtors will seek entry of one or more orders (each, a "Sale Order") (a) authorizing and approving the Sale Transaction with the Successful Bidder on the terms substantially set forth in the Successful Bid; (b) authorizing and approving the sale of the Debtors' Assets free and clear of liens, claims, encumbrances, and other interests to the extent set forth in an asset purchase agreement with any Successful Bidder; (c) authorizing the assumption and assignment of Executory Contracts and Unexpired Leases as set forth in an asset purchase agreement with any Successful Bidder; and (d) granting any related relief. If applicable, THE CHILDREN'S PLACE, INC. (as foreign representative) (the "Foreign Representative"), if appointed, the Foreign Representative shall seek an Order pursuant to section 49 of the CCAA (as defined below) (the "Canadian Sale Order") of the Ontario Superior Court of Justice (Commercial List) (the "Canadian Court") in the Canadian Proceedings (as defined below), among other things, (a) recognizing and enforcing the Sale Order in Canada, and (b) to the extent necessary, approving the sale of the Assets of the Canadian Debtors and the Assets otherwise located in Canada to the applicable Successful Bidder or Successful Bidders in accordance with the applicable binding purchase agreement(s).

10. In support of this Motion, the Debtors respectfully submit the *Declaration of Lorie Beers in Support of the Debtors' Bidding Procedures Motion* (the "Beers Declaration") (filed contemporaneously herewith).

Jurisdiction and Venue

11. The United States Bankruptcy Court for the District of New Jersey (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of Reference to the Bankruptcy Court Under Title 11*, entered July 23, 1984, and amended on June 6, 2025 (Bumb, C.J.). The Debtors confirm their consent to the Court's entry of a final order in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

12. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

13. The bases for the relief requested herein are sections 105(a), 363, 365, 503, and 507 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code"), rules 2002, 6004, and 6006(a) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), rules 1002-2, 6004-1, 6004-2, and 9013-1(a)(3) of the Local Rules of the United States Bankruptcy Court for the District of New Jersey dated August 1, 2025 (the "Local Rules") and the *General Order Governing Chapter 11 Complex Case Procedures*.

Background

14. Founded in 1969 and headquartered in Secaucus, New Jersey, the Debtors own and operate a specialty retailer of children's apparel, accessories, and footwear, operating under The Children's Place and Gymboree brands. The Debtors design and source products through third-party manufacturers and sell them at value prices for babies, toddlers, and children. The Debtors reach customers through two digital storefronts, retail stores in North America, and wholesale

marketplaces, including Amazon, a key customer acquisition channel. Internationally, various franchise and wholesale partners distribute the Debtors' products in thirteen countries, generating product sales and royalty revenue for the Debtors.

15. On November 8, 2026 (the "Petition Date"), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases and no official committees have been appointed or designated.

16. Shortly following the filing of this Motion, The Children's Place, Inc., as proposed foreign representative, will commence an ancillary proceeding in Canada (the "Canadian Proceedings") on behalf of the Debtors' estates under Part IV of the Companies' Creditors Arrangement Act, R.S.C. 1985, c. C-36 (the "CCAA"), seeking, among other things, Orders of the Canadian Court recognizing these chapter 11 cases as a "foreign main proceeding" in respect of the Debtors, including Debtors TCP Investment Canada I Corp., TCP Investment Canada II Corp., and The Children's Place (Canada), LP (collectively, the "Canadian Debtors"), and recognizing and giving effect to the Bidding Procedures Order, if granted, in Canada.

The Proposed Sale Process and Selection of Stalking Horse Bidder

I. The Bidding Procedures.

17. The Debtors seek approval of the Bidding Procedures to establish an open process for the solicitation, receipt, and evaluation of bids in a fair, accessible, and expeditious manner. The Bidding Procedures describe, among other things, the procedures for interested parties to access due diligence, the manner in which bidders and Bids become "acceptable" and/or

"qualified," the conduct of any Auction, the selection and approval of a successful bidder or bidders and back-up bidders, and the deadlines with respect to the foregoing.

18. The timelines set forth in the Bidding Procedures are calculated to balance the need to provide adequate notice to parties in interest and any person or entity interested in purchasing the Assets (a "Potential Bidder") with the Debtors' need to run an expeditious and efficient sale process, taking into account the robust Prepetition Sale Process they have already completed. The Bidding Procedures are designed to generate the highest or otherwise best available recoveries to the Debtors and their stakeholders by encouraging prospective bidders to submit competitive, value-maximizing bids. Furthermore, the Bidding Procedures provide each Potential Bidder with ample notice, as well as a meaningful opportunity to conduct due diligence and submit binding Bids in advance of the Auction, if one is held. For these reasons, the Debtors believe that the Bidding Procedures and the timeline set forth therein are in the best interests of their estates, will establish whether and to what extent any additional market for the Assets exists, and provide interested parties with sufficient opportunity to participate.

19. Because the Bidding Procedures are attached as Exhibit 1 to the Bidding Procedures Order, they are not restated in their entirety herein. Generally speaking, however, the Bidding Procedures establish the following, among other things:[4]

a. **Public Announcement of Auction**. As soon as reasonably practicable after entry of the Bidding Procedures Order, the Debtors shall (i) cause (A) a notice of the Auction substantially in the form attached to the Bidding Procedures Order as Exhibit 2 (the "Auction Notice"), (B) the Bidding Procedures Order, and (C) the Bidding Procedures to be served on the parties that received notice of this Motion; (ii) post the Auction Notice on the website of the Debtors' proposed claims and noticing agent at

[4] The following summary is provided in accordance with Local Rule 6004-2(b) and for the convenience of the Court and parties in interest. All capitalized terms that are used in this summary but not otherwise defined shall have the meanings given to such terms in the Bidding Procedures. To the extent there is any conflict between this summary and the Bidding Procedures, the Bidding Procedures shall govern in all respects.

https://omniagentsolutions.com/TCP; and (iii) publish the Auction Notice, with any modifications necessary for ease of publication, on one occasion in *The New York Times* (National Edition) and/or another national publication reasonably acceptable to the Debtors, including, if any of the Canadian Debtors or Assets that are located in Canada are implicated by the Auction, the *Globe and Mail* (National Edition) in English and in Le Devoir (or such other French-language newspaper as the Debtors may select). Any information officer appointed by the Canadian Court in the Canadian Proceedings will also post the Auction Notice on its case website.

See Bid. Proc., at § II.

b. **Potential Bidder Requirements**. To participate in the bidding process or otherwise be considered for any purpose hereunder, including to receive access to due diligence materials, a Potential Bidder must deliver or have previously delivered to the Debtors and their advisors the following preliminary documentation (collectively, the "Preliminary Bid Documents"):

(i) an executed confidentiality agreement (a "Confidentiality Agreement") in form and substance acceptable to the Debtors;

(ii) identification of the Potential Bidder and any principals and representatives thereof who are authorized to appear and act on its behalf for all purposes regarding the contemplated Sale Transaction;

(iii) a statement of the portion of the Assets that the Potential Bidder intends to acquire;

(iv) sufficient information to demonstrate that the Potential Bidder has or can reasonably obtain the financial capacity to close a purchase of any portion, all, or substantially all of the Debtors' Assets, the adequacy of which must be acceptable to the Debtors; and

(v) a statement detailing whether the Potential Bidder is partnering with or otherwise working with any other interested party in connection with the potential submission of a joint Bid, the identity of any such party or parties, and a concise description of the nature of such partnership or joint Bid.

The Debtors, in consultation with their advisors, and in consultation with the Consultation Parties,[5] will determine and notify each Potential Bidder

[5] "Consultation Parties" means the Prepetition Agents, any agent under a postpetition financing facility, and any statutory committee appointed in these chapter 11 cases; *provided*, *however*, that to the extent any Prepetition Agent or agent under a postpetition financing facility submits any Bid (including a Credit Bid that is either revocable or subject to amendment) for any Assets, such Prepetition Agent or agent under a postpetition financing facility shall not be a Consultation Party.

whether such Potential Bidder has submitted adequate documents so that such Potential Bidder may proceed to conduct due diligence and submit a Bid (such Potential Bidder, an "Acceptable Bidder"). For the avoidance of doubt, any party that has already executed a Confidentiality Agreement and submitted a non-binding indication of interest prior to the Petition Date and, in the judgment of the Debtors, and in consultation with the Consultation Parties, has provided adequate forms of the preliminary documentation requested above, shall be deemed to be an Acceptable Bidder and automatically be authorized to conduct due diligence and submit a Bid. An Acceptable Bidder shall not be eligible to participate in the Auction unless such Acceptable Bidder meets the requirements set forth in subsection c below.

See Bid. Proc., at § III.

c. **Qualified Bid Requirements**. To be eligible to participate in the Auction, an Acceptable Bidder must deliver to the Debtors and their advisors an irrevocable offer to purchase some or all of the Assets in the form of a document signed by the Acceptable Bidder (each, a "Bid"), and shall meet the following criteria, in each case, on or prior to the Bid Deadline:

(i) ***Purchased Assets and Assumed Liabilities***. Each Bid must clearly state the following: (A) which particular Assets are to be included in the applicable Sale Transaction; (B) if applicable, the liabilities and obligations to be assumed, including any cure costs to be assumed; and (C) any executory contracts (the "Executory Contracts") and unexpired leases (the "Unexpired Leases") proposed to be assumed by the Debtors and assigned to the Acceptable Bidder;

(ii) ***Good Faith Deposit***. Each Bid must be accompanied by a cash deposit equal to ten percent (10%) of the applicable Purchase Price, to be held in an escrow account to be identified and established by the Debtors (the "Good Faith Deposit"). To the extent that a Bid is modified to increase its proposed Purchase Price at or prior to the Auction, the applicable Acceptable Bidder must adjust its Good Faith Deposit such that it equals ten percent (10%) of the increased aggregate Purchase Price promptly and in no event later than one business day following the conclusion of the Auction. Each Bid shall include a written acknowledgement from the bidder that, in the event of the Acceptable Bidder's breach of, or failure to perform under the applicable purchase agreement, the Debtors and their estates shall be entitled to retain the Good Faith Deposit as part of the damages to the Debtors and their estates resulting from such breach or failure to perform, and the Debtors shall be entitled to pursue all other available legal and equitable remedies that may be available to the Debtors. The Debtors' retention of a Good Faith

Deposit shall not constitute a waiver of any of the Debtors' legal or equitable rights relating to a Successful Bidder's or Back-Up Bidder's breach or failure to perform, and all such rights and remedies are preserved;

(iii) ***Purchase Price***. Each Bid must: (A) clearly specify the purchase price to be paid for the applicable Assets (the "Purchase Price"); (B) identify separately any cash and non-cash components of the Purchase Price; and (C) indicate the allocation of the Purchase Price among the applicable Assets (including liabilities and obligations to be assumed in connection with any Sale Transaction), including an allocation of the Purchase Price to any Assets of the Canadian Debtors or other Assets located in Canada. The Purchase Price should be a single point value in U.S. dollars on a cash-free, debt-free basis. Any Bid for substantially all of the Assets must also include a statement as to whether the Bid is conditioned on purchasing all of the Assets or whether the Bid should be viewed as a separate Bid for one or more sets of Assets;

(iv) ***Sources of Financing***. To the extent that a Bid is not accompanied by evidence of the Acceptable Bidder's capacity to consummate the Sale Transaction set forth in its Bid with cash on hand, such Bid must include evidence of committed financing from a reputable financing institution, documented to the satisfaction of the Debtors, that demonstrates that the Acceptable Bidder has received sufficient funding commitments to satisfy the Acceptable Bidder's obligations under the applicable Sale Transaction as well as any other obligations under its Bid. Such funding commitments or other financing must be unconditional and must not be subject to any internal approvals, syndication requirements, diligence, or credit committee approvals and shall have covenants and conditions acceptable to the Debtors. The Debtors will view more positively Acceptable Bidders that have, or have immediate access to, the cash necessary to fund the Purchase Price directly themselves;

(v) ***Bid Documents***. Each Bid must include duly executed and non-contingent transaction documents necessary to effectuate any Sale Transaction contemplated in the Bid (the "Bid Documents") and must be submitted by the Bid Deadline. The Bid Documents shall include, at a minimum: (A) a purchase agreement, the form of which will be provided to any Acceptable Bidder prior to the Bid Deadline (the "Form APA"), including the exhibits and schedules related thereto and any related material documents integral to such Bid pursuant to which the Acceptable Bidder proposes to effectuate any Sale Transaction, along with copies that are marked to reflect any amendments and modifications from the Form APA, which amendments and modifications may not be materially more

burdensome than the Form APA or otherwise inconsistent with the Bidding Procedures; (B) a schedule of Executory Contracts and Unexpired Leases proposed to be assumed by the Debtors and assigned to the Acceptable Bidder pursuant to the applicable Bid; (C) a statement from the Acceptable Bidder specifying what, if any, other materials, conditions, due diligence, documents, exhibits, schedules, and/or ancillary materials are integral to such Bid or the Debtors' consideration thereof; (D) any other material documents integral to such Bid; and (E) a statement from the Acceptable Bidder that (1) it is prepared to consummate the applicable Sale Transaction, subject to any necessary regulatory approvals, as specified by the Acceptable Bidder in such Bid Documents and (2) to the extent such Acceptable Bid is designated as a Qualified Bid pursuant to the Bidding Procedures, such Qualified Bid will be irrevocable (whether or not such Qualified Bid is selected as the Successful Bid or next highest or otherwise best bid (the "Back-Up Bid")) until the consummation of the applicable Sale Transaction;

(vi) ***No Qualified Bidder Bid Protections***: Unless such Qualified Bid is selected as a stalking horse bid (a "Stalking Horse Bid"), a Qualified Bid must include a statement that the bid does not entitle such bidder to any break-up fee, termination fee, expense reimbursement, or similar type of payment or reimbursement and a waiver of any substantial contribution administrative expense claim under section 503(b) of the Bankruptcy Code related to bidding for the applicable Assets;

(vii) ***Employee Obligations***. Each Bid must indicate whether the Acceptable Bidder intends to hire all employees of the Debtors. If the Acceptable Bidder does not intend to hire all employees of the Debtors, the Acceptable Bidder must include a description of the Acceptable Bidder's intentions with respect to the relevant members of the Debtors' current management team and other employees who are employed primarily in connection with the applicable Assets, and a description of any contemplated incentive plan, to the extent applicable;

(viii) ***Contingencies; No Financing or Diligence Outs***. The Bid must not contain any contingencies as to the validity, effectiveness, or binding nature of the Bid, including, without limitation, contingencies for due diligence and inspection or financing of any kind (including any conditions pertaining to financial performance, conditions, or prospects), and all diligence must be completed before the Bid Deadline;

(ix) ***Identity & Corporate Authority***. Each Bid must: (A) fully disclose the identity of each entity that will be participating in connection

with such Bid (including any equity owners, sponsors, or other co-investors), and the complete terms of any such participation, along with sufficient evidence that the Acceptable Bidder is legally empowered, by power of attorney or otherwise, to complete the applicable Sale Transaction on the terms contemplated by the parties; and (B) include contact information for the specific person(s) and counsel whom the Debtors' advisors should contact regarding such Bid. A Bid must also fully disclose any business relationships, affiliations, or agreements with the Debtors, any other known, potential, prospective bidder, Acceptable Bidder, or Qualified Bidder, or any officer, director, or equity security holder of the Debtors. Each Bid must contain evidence that the Acceptable Bidder has obtained all necessary authorizations or approvals from its shareholders and/or its board of managers or directors, or any other internal and other approvals, as applicable, with respect to the submission of its Bid and the consummation of the transactions contemplated in such Bid;

(x) ***As-Is, Where-Is***. Each Bid must include a written acknowledgement and representation that the Acceptable Bidder: (A) has had an opportunity to conduct any and all due diligence regarding the applicable Sale Transaction prior to making its offer; (B) has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or the applicable Assets in making its Bid; (C) did not rely, is not relying, and will not rely, on or receive from any person or entity (including any of the Debtors or their advisors or other representatives, or any information officer appointed by the Canadian Court in the Canadian Proceedings) any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied, by operation of law, or otherwise, including regarding the completeness of any information provided in connection therewith, except as expressly stated in the Acceptable Bidder's proposed purchase agreement; and (D) agrees that, upon Closing, the Debtors shall sell and transfer to the Successful Bidder, and the Successful Bidder shall accept, the Assets identified in the Successful Bidder's proposed purchase agreement, to the extent expressly provided in the Court's order approving the applicable Sale Transaction with respect to such Assets. Neither the Debtors nor any of their advisors will be liable for or bound by any express or implied warranties, guaranties, statements, representations, or information pertaining or relating to the Assets that the Debtors, any advisor, or any agent representing or purporting to represent the Debtors might have made or furnished, directly or indirectly, orally or in writing, to any person whatsoever unless (with respect to the Debtors only) specifically set forth in the Court's order approving a Sale Transaction with respect to such Assets;

(xi) ***Adequate Assurance of Future Performance and Information***. Each Bid must: (A) identify the Executory Contracts and Unexpired Leases to be assumed or assumed and assigned in connection with the applicable Sale Transaction; (B) provide for payment of Cure Payments (as defined in the Bidding Procedures Order) related to such Executory Contracts and Unexpired Leases by the Acceptable Bidder; (C) be accompanied by financial and other information (the "Adequate Assurance Information") that, in the Debtors' business judgment, is sufficient and adequate to demonstrate that such Acceptable Bidder (1) has the financial wherewithal and ability to consummate the applicable Sale Transaction, and (2) can satisfy the adequate assurance requirements of sections 365(b)(3) and 365(f)(2)(B) of the Bankruptcy Code; and (D) identify a contact person that parties may contact to obtain additional Adequate Assurance Information;

(xii) ***Privacy Policies***. The Acceptable Bidder must comply in all respects with the Debtors' consumer privacy practices, which do not restrict the transfer of the personally identifiable information of its customers, and, with respect to the personal information of individuals in Canada, with applicable Canadian federal and provincial privacy legislation, and each Bid must contain a statement acknowledging such compliance;

(xiii) ***No Collusion***. The Acceptable Bidder must acknowledge in writing: (A) that it has not engaged in any collusion with respect to any Bids or the applicable Sale Transaction, including specifying that it did not agree with any Acceptable Bidders or Potential Bidders to control price; and (B) agree not to engage in any collusion with respect to any Bids, the Auction, or the applicable Sale Transaction. For the avoidance of doubt, this requirement does not restrict Potential Bidder(s) from working with other Potential Bidder(s) with the Debtors' prior written consent (with e-mail from the Debtors' advisors being sufficient);

(xiv) ***Joint Bids***. The Debtors will be authorized to approve joint Bids in their reasonable business judgment on a case-by-case basis, so long as a joint bid meets the Qualified Bid requirements and the applicable bidders otherwise comply with the Bidding Procedures;

(xv) ***Acknowledgement of Compliance with the Bidding Procedures, the Bidding Procedures Order, the Bankruptcy Code, and Non-Bankruptcy Law***. Each Bid must acknowledge its compliance in all respects with the Bidding Procedures, the Bidding Procedures Order, the Bankruptcy Code, the CCAA and any orders of the

Canadian Court in the Canadian Proceedings (if applicable), and any applicable non-bankruptcy law;

(xvi) ***Good Faith Offer***. Each Bid must constitute a good faith, *bona fide* offer to consummate any Sale Transaction;

(xvii) ***Back-Up Bid***. Each Bid shall provide that the Acceptable Bidder will serve as a Back-Up Bidder if the Acceptable Bidder's Bid is, in the Debtors' business judgment, the next highest or otherwise best bid for some or all of the Assets after the Successful Bid and that, in the event such Bid is chosen as the Back-Up Bid, it shall remain irrevocable until the Debtors and the Successful Bidder consummate the applicable Sale Transaction;

(xviii) ***Regulatory Approvals and Covenants***. Each Bid must set forth each regulatory and third-party approval, if any, required for the Acceptable Bidder to consummate the applicable Sale Transaction and the time period within which the Acceptable Bidder expects to receive such regulatory and third-party approvals (and in the case that receipt of any such regulatory or third-party approval is expected to take more than thirty days following execution and delivery of the applicable purchase agreement and/or confirmation of the Debtors' chapter 11 plan, those actions the Acceptable Bidder will take to ensure receipt of such approvals as promptly as possible), and any further information necessary for, or related to the likelihood of, obtaining such approvals;

(xix) ***Expected Closing Date***. Each Bid must state the Acceptable Bidder's expected date of closing of the applicable Sale Transaction (the "Closing"). A Bid by an Acceptable Bidder must be reasonably likely, in the Debtors' business judgment, to be consummated within a time frame acceptable to the Debtors;

(xx) **No Fees**. Each Acceptable Bidder presenting a Bid or Bids will bear its own costs and expenses (including legal fees) in connection with the proposed Sale Transaction, and by submitting its Bid(s) is agreeing to disclaim any right to receive any payments or amounts analogous to a break-up fee, expense reimbursement, termination fee, or other similar form of compensation; *provided* that the Debtors are authorized to provide the Stalking Horse Bid Protections to one or more Stalking Horse Bidders in accordance with the Bidding Procedures.

(xxi) ***Adherence to Bidding Procedures***. By submitting its Bid, each Acceptable Bidder is agreeing to abide by and honor the terms of the Bidding Procedures and agrees not to submit a Bid or seek to reopen the Auction after the conclusion of the Auction;

(xxii) ***Consent to Jurisdiction***. Any Bidder must submit to the jurisdiction of the Court and waive any right to a jury trial in connection with any disputes relating to the Debtors' qualification of Bids, to the Auction, the Sale Transaction(s), and the construction and enforcement of the Bidding Procedures, any written indications of interest, Preliminary Bid Documents, the Bids, the Bid Documents, and any and all other agreements entered into in connection with any proposed Sale Transaction, and the Closing, as applicable, and must also submit to the jurisdiction of the Canadian Court with respect to any matter relating to the Assets of the Canadian Debtors or other Assets in Canada or any Canadian Sale Order;

(xxiii) ***Conditions to Closing***. Each Bid must identify with particularity any conditions to Closing, including the Executory Contracts and Unexpired Leases for which assumption and assignment is required; and

(xxiv) ***Transition Services***. Each Bid must describe the types of transition services, if any, the Acceptable Bidder would require of and/or provide to the Debtors or any of the Debtors' non-Debtor affiliates, including an estimate of the time any such transition services would be required of and/or provided to the Debtors or any of the Debtors' non-Debtor affiliates, and that the Acceptable Bidder will be responsible for the actual costs of providing any such services.

See Bid. Proc., at § IV.

d. **Stalking Horse Bid Protections**. Pursuant to the Bidding Procedures Order, the Debtors may designate, in consultation with the Consultation Parties, one or more Bidders to be a Stalking Horse Bidder, which are entitled to certain bid protections in the amounts set forth in, and in accordance with the terms of the Bidding Procedures Order, consisting of (i) a break-up fee (the "Break-Up Fee") not to exceed three percent (3%) of the aggregate amount of the Purchase Price and/or (ii) reimbursement of reasonable and documented out of pocket fees and expenses (the "Expense Reimbursement" and together with the Break-Up Fee, the "Stalking Horse Bid Protections"). For the avoidance of doubt, except for the Stalking Horse Bidder, and as otherwise set forth herein, no other party submitting an offer, a Bid, or a Qualified Bid shall be entitled to any Expense Reimbursement, Break Up Fee, termination fee, or similar fee or payment.

Except as otherwise set forth herein, no person or entity, other than a Stalking Horse Bidder, shall be entitled to any Expense Reimbursement, Break Up Fees, "topping," termination, or other similar fee or payment, and by submitting a bid, such person or entity is deemed to have waived their right to request or to file with the Court any request for Expense

Reimbursement or any fee of any nature, whether by virtue of Bankruptcy Code section 503(b) or otherwise.

See Bid. Proc., at § IX.

e. **Modification of the Bidding Procedures**. The Debtors reserve their rights, in consultation with the Consultation Parties, to modify the Bidding Procedures in good faith to further the goal of attaining the highest or otherwise best offer or impose, at or prior to the Auction (if held), additional terms and conditions on the Sale Transaction(s) in any manner that will best promote the goals of the bidding process including, without limitation: (i) extending the deadlines set forth in the Bidding Procedures; (ii) adjourning the Auction; (iii) adding procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction (if held); (iv) canceling the Auction; (v) rejecting any or all Bids or Qualified Bids; and (vi) adjusting the applicable Minimum Overbid. Notwithstanding anything to the contrary herein, the Debtors may elect to consummate the Sale with the Successful Bidder or Successful Bidders under section 363 of the Bankruptcy Code (and the CCAA, if applicable) as opposed to pursuant to the Plan.

See Bid. Proc., at § XVI.

20. Importantly, the Bidding Procedures recognize and comply with the Debtors' fiduciary obligations to maximize value, and, as such, do not impair the Debtors' ability to consider all Qualified Bids and preserve the Debtors' right to modify the Bidding Procedures as necessary or appropriate to maximize the value of the Debtors' estates.

II. The Proposed Schedule.

21. The Debtors are seeking approval of the Bidding Procedures and the proposed sale schedule (the "Schedule") set forth below to establish a clear and open process for the solicitation, receipt, and evaluation of Bids on an efficient timeline that allows the Debtors to consummate one or more Sale Transactions. Moreover, the Debtors, in their sound business judgment, reserve the right, in consultation with the Consultation Parties, to alter the timing of the Schedule as necessary under the circumstances, or to conduct multiple Sale Transactions across one or more than one Auction in order to maximize the value of the estates, in each case in accordance with the Bidding

Procedures. The Debtors respectfully request that the Court approve the Schedule, subject to the Court's availability.

Action	Description	Deadline

Bid Deadline	The deadline by which any Acceptable Bidders must submit all binding Bids to be evaluated as Qualified Bids to participate in the Auction, if any.	December 9, 2026, at 5:00 p.m. prevailing Eastern Time.

Notice of Successful Bidder	As soon as reasonably practicable after the conclusion of the Auction (or, if no Auction is held, the Bid Deadline), the Debtors will file on the docket, but not serve, a notice identifying the Successful Bidder (as defined in the Bidding Procedures), Assets, and key terms of the agreement.	As soon as reasonably practicable after the conclusion of the Auction (or, if no Auction is held, the Bid Deadline).
Sale Objection Deadline	The deadline by which objections to the entry of an order by the Court approving any Sale Transaction or objections to the ability of the Successful Bidder to provide adequate assurance of future performance with respect to any Executory Contract or Unexpired Lease (the "Sale Objection Deadline") must be filed with the Court and served so as to be actually received by the appropriate notice parties.	December 14, 2026, at 5:00 p.m. prevailing Eastern Time.

December 15, 2026, or such other date as may be scheduled by the Court, at a time to be announced.

22. The Debtors believe that the proposed timeline provides the Debtors with sufficient opportunity to conclude their Prepetition Sale Process and pursue the highest or otherwise best offer(s) for the Assets without unduly burdening their estates. During the Debtors' Prepetition Sale Process, relevant information regarding the Debtors' business was made available in the Data Room, allowing potential bidders to conduct diligence on the Debtors' business prior to the Petition Date. To the extent any bidder has not previously conducted such diligence, such bidder will have immediate access to the information in the Data Room, subject to the execution of a confidentiality agreement.

23. Moreover, the Debtors will utilize the time prior to, and after, entry of the Bidding Procedures Order to actively market the Assets to solicit higher or otherwise better Bids. In light of the foregoing, the Debtors have determined that the proposed Schedule is in the best interests of the Debtors' estates, is essential for the Debtors' swift emergence from chapter 11 and preserving the value of the Debtors' estates, and will provide interested parties with sufficient opportunity to participate in the Sale Transaction(s).

III. The Form and Manner of Auction Notice.

24. The Auction, if needed, will be held on December 11, 2026, at 10:00 a.m., prevailing Eastern Time (or such other date as selected by the Debtors in consultation with the Consultation Parties) at the offices of the Debtors' proposed counsel: White & Case LLP, 1221 Avenue of the Americas, New York, New York 10020.

25. As soon as reasonably practicable after entry of the Bidding Procedures Order, the Debtors will cause the Auction Notice to be served on the parties that receive notice of this Motion. In addition, as soon as reasonably practicable after entry of the Bidding Procedures Order, the Debtors will post the Auction Notice on the website of the Debtors' proposed claims and noticing agent at https://omniagentsolutions.com/TCP and publish the Auction Notice, with any

modifications necessary for ease of publication, on one occasion in *The New York Times* (National Edition) and/or another national publication reasonably acceptable to the Debtors, including, if any Assets of the Canadian Debtors or Assets that are located in Canada are implicated by the Auction, the *Globe and Mail* (National Edition) in English and in Le Devoir in French (or such other French-language newspaper as the Debtors may select). Any information officer appointed by the Canadian Court in the Canadian Proceedings will also post the Auction Notice on its case website. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

26. The Auction Notice is reasonably calculated to provide all interested parties with timely and proper notice of the proposed Sale Transaction(s), including the date, time, and place of the Auction (if any), the Bidding Procedures, and the dates and deadlines related thereto. Accordingly, the Debtors request that the form and manner of the Auction Notice be approved and no other or further notice of the Auction be required.

Basis for Relief

I. The Relief Sought in the Bidding Procedures Order Is in the Best Interests of the Debtors' Estates and Should Be Approved.

27. "When conducting an asset sale, the ultimate responsibility of the debtor, and the primary focus of the bankruptcy court, is the maximization of the value of the assets sold." John J. Jerome & Robert D. Drain, *Bankruptcy Court is Newest Arena for M&A Action*, N.Y.L.J., June 3, 1991; *see In re Mushroom Transp. Co.*, 382 F.3d 325, 339 (3d Cir. 2004) (debtor-in-possession "had a fiduciary duty to protect and maximize the estate's assets"); *In re Adams Res. Expl. Corp.*, No. 17-10866, 2017 WL 5493616, at *12 (Bankr. D. Del. May 24, 2017) ("The relief requested in the Sale Motion is a necessary and appropriate step toward enabling the Debtor to maximize the value of its bankruptcy estate, and it is in the best interests of the

Debtor, its estate and its creditors."). To further that goal, bidding procedures and bid protections, such as those proposed here, may be used in court-supervised sales because they streamline the acquisition process, "help to provide an adequate basis by which to compare offers," and maximize value. Jerome & Drain (1991) at 8, col. 4; *see In re Edwards*, 228 B.R. 552, 561 (Bankr. E.D. Pa. 1998) ("The purpose of procedural bidding orders is to facilitate an open and fair public sale designed to maximize value for the estate."); *In re O'Brien Env't Energy, Inc.*, 181 F.3d 527, 535 (3d Cir. 1999) (recognizing that bid protections "encourage a prospective bidder to do the due diligence that is the prerequisite to any bid by assuring the prospective bidder that it will receive compensation for that undertaking if it is unsuccessful"); *In re Dura Automotive Sys., Inc.*, No. 06-11202, 2007 WL 7728109, at *90 (Bankr. D. Del. Aug. 15, 2007) (recognizing that bidding procedures "intended to enhance competitive bidding are consistent with the goal of maximizing the value received by the estate and therefore are appropriate in the context of bankruptcy sales"); *Off. Comm. of Subordinated Bondholders v. Integrated Res., Inc. (In re Integrated Res., Inc.)*, 147 B.R. 650, 659 (S.D.N.Y. 1992) (bidding procedures and bid protections "are important tools to encourage bidding and to maximize the value of the debtor's assets"); *In re Metaldyne Corp.,* 409 B.R. 661, 670 (Bankr. S.D.N.Y. 2009) ("[b]idder protections are granted when a bidder provides a floor for bidding by expending resources to conduct due diligence and allowing its bid to be shopped around for a higher offer"). In overseeing a sale subject to an auction process, the bankruptcy court must weigh:

> on the one hand, providing for an orderly bidding process, recognizing the danger that absent such a fixed and fair process bidders may decline to participate in the auction; and, on the other hand, retaining the liberty to respond to differing circumstances so as to obtain the greatest return for the bankrupt estate.

In re Fin. News Network, Inc., 980 F.2d 165, 166 (2d Cir. 1992). Because the bankruptcy court must perform this balancing act, "a bankruptcy judge's broad discretionary power in conducting

the sale of a debtor's assets should not be narrowed by technical rules mindlessly followed" that "reduce the broad discretion and flexibility a bankruptcy court must necessarily have to enhance the value of the estates before it." *Id.* at 169–70; *see Dura Automotive*, 2007 WL 7728109, at *90 ("The paramount goal in any proposed sale of property of the estate is to maximize the proceeds received by the estate."). Where there is a court-approved auction process, the assets are presumed to sell for a full and fair price because the best way to determine value is exposure to the market. *See Bank of Am. Nat'l Trust & Sav. Ass'n. v. 203 N. LaSalle St. P'ship*, 526 U.S. 434, 457 (1999); *see also In re Trans World Airlines, Inc.*, No. 01-00056, 2001 WL 1820326, at *4 (Bankr. D. Del. 2001) (while a "sale transaction does not require an auction procedure[,] [t]he auction procedure has developed over the years as an effective means for producing an arm's length fair value transaction.").

28. Approval of bidding procedures on or around the petition date following the first-day hearing is appropriate where the debtors have demonstrated that such approval will maximize estate value, and this Court has approved bidding procedures on such a timeline several times. *See, e.g., In re Invitae Corporation*, No. 24-11362 (MBK) (Bankr. D.N.J. Feb. 16, 2024) (approving bidding procedures entered one day after the first-day hearing); *In re Rite Aid Corp.*, No. 23-18993 (MBK) (Bankr. D.N.J. Oct. 18, 2023) (approving bidding procedures entered two days after the first-day hearing); *In re Bed Bath & Beyond Inc.*, No. 23-13359 (VFP) (Bankr. D.N.J. April 25, 2023) (approving bidding procedures entered one day after the first-day hearing); *In re David's Bridal, LLC*, No. 23-13131 (CMG) (Bankr. D.N.J. April 19, 2023) (same); *In re SLT Holdco, Inc.*, No. 20-18368 (MBK) (Bankr. D.N.J. July 13, 2020) (approving bidding procedures entered three days after the first-day hearing).

29. Here, the Debtors submit that the Bidding Procedures are a valid exercise of their business judgment, fair and appropriate under the circumstances, consistent with procedures routinely approved by courts in this circuit, and in the best interest of their estates. Courts have consistently held that a debtor's business judgment is entitled to substantial deference with respect to selling an estate's assets, including with respect to the procedures used to solicit bids in connection with such sale. *See, e.g.*, *In re Culp*, 550 B.R. 683, 697 (D. Del. 2015) ("'In determining whether to authorize use, sale or lease of property of the estate under Section 363, courts require the [debtor] to show that a sound business purpose justifies such actions.' If the [debtor's] decision evidences a sound business purpose, then the Bankruptcy Court should approve the sale.") (quoting *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999)); *In re Martin*, 91 F.3d 389, 395 (3d Cir. 1996) (citing *In re Schipper*, 933 F.2d 513, 515 (7th Cir. 1991)); *Schipper*, 933 F.2d at 515 (internal citations and quotations omitted) ("Under Section 363, the debtor in possession can sell property of the estate . . . if he has an 'articulated business justification' . . . ."); *see Integrated Res.*, 147 B.R. at 656 (applying business judgment rule to bidding procedures and incentives and noting that "[c]ourts are loath to interfere with corporate decisions absent a showing of bad faith, self-interest, or gross negligence").

30. The Debtors believe that the proposed Bidding Procedures will promote active bidding from seriously interested parties. The proposed Bidding Procedures will allow the Debtors to conduct an Auction in a controlled, fair, and open fashion that will encourage participation by financially capable bidders that can demonstrate the ability to consummate a Sale Transaction. In particular, the Bidding Procedures contemplate an open and public marketing process with minimum barriers to entry and provide potential purchasers with sufficient time to perform due diligence and acquire the information necessary to submit a timely and well-informed Bid.

31. The Debtors respectfully submit that the proposed Bidding Procedures will encourage competitive bidding, are appropriate under the relevant standards governing auction proceedings in bankruptcy proceedings, and are consistent with the controlling legal standard in the Third Circuit. Accordingly, the Debtors request that the Court approve the Bidding Procedures as a valid exercise of the Debtors' business judgment.

II. The Stalking Horse Bid Protections Are Necessary and Appropriate and Should Be Approved.

32. In the event the Debtors seek to appoint a Stalking Horse Bidder, the Debtors seek authority to offer customary bid protections, including the Break-Up Fee, which shall not exceed three percent (3%) of the Purchase Price, and an Expense Reimbursement. The use of a stalking horse in a public auction process for the sale of a debtor's assets is a customary practice in chapter 11 cases, as the use of a stalking horse bid is, in many circumstances, the best way to maximize value in an auction process by "establish[ing] a framework for competitive bidding and facilitat[ing] a realization of that value." *Off. Comm. of Unsecured Creditors v. Interforum Holding LLC*, No. 11-CV-219, 2011 WL 2671254, at *1 (E.D. Wis. July 7, 2011).

33. Generally, bid protections such as a break-up fee and expense reimbursement are a normal and, in many cases, necessary component of stalking horse agreements for assets sold under the Bankruptcy Code. *See Integrated Res.*, 147 B.R. at 659–60 ("Break-up fees are important tools to encourage bidding and to maximize the value of the debtor's assets. . . . In fact, because the . . . corporation has a duty to encourage bidding, break-up fees can be ***necessary*** to discharge [such] duties to maximize value.") (emphasis added). As a result, courts routinely approve such bid protections in connection with proposed bankruptcy sales where a proposed fee or reimbursement provides a benefit to the estate. *See In re Energy Future Holdings Corp.*, 904 F.3d 298 (3d Cir. 2018) (holding that "[T]he allowability of break-up fees . . . depends upon the

requesting party's ability to show that the fees [a]re actually necessary to preserve the value of the estate.") (internal quotations omitted) (alterations in original); *In re Reliant Energy Channelview LP*, 594 F.3d 200, 206 (3d Cir. 2010); *O'Brien*, 181 F.3d 527. The Debtors believe that the allowance of the Stalking Horse Bid Protections is in the best interests of the Debtors' estates and their creditors, as a Stalking Horse Bidder, if designated, will establish a floor for further bidding that may increase the consideration obtained in exchange for the Assets for the benefit of the Debtors' estates.

34. In the Third Circuit, bid protections such as those proposed here are subject to the general standard used for administrative expenses under section 503 of the Bankruptcy Code. *Energy Future*, 904 F.3d at 313 (citing *O'Brien*, 181 F.3d at 535); *Reliant Energy*, 594 F.3d at 206 (holding that the general standard used for all administrative expenses applies to break-up fees). Thus, "the allowability of break-up fees, like that of other administrative expenses, depends upon the requesting party's ability to show that the fees were actually necessary to preserve the value of the estate." *Reliant Energy*, 594 F.3d at 206 (internal quotations omitted) (quoting *O'Brien*, 181 F.3d at 535).

35. The Debtors propose to pay the Stalking Horse Bid Protections only in the event they determine, after good faith, arm's-length negotiations, that designating one or more Stalking Horse Bidder(s) would be necessary and beneficial for the sale process. Without the ability to provide Stalking Horse Bid Protections, certain bidders may elect not to participate in the process at all. The Bidding Procedures do not require the payment of the Stalking Horse Bid Protections. Rather, the Debtors have the option of paying or otherwise incurring such obligations in the event that they determine in their business judgment that offering such Stalking Horse Bid Protections is necessary to foster a competitive bidding process and will create more value for the estates than

they will cost. Granting the Debtors the authority to offer the Stalking Horse Bid Protections sends a strong signal to the market that the Debtors are serious about running a competitive sale process aimed at generating the best result for the Debtors and their estates. To the extent any party objects to the Debtors' granting Stalking Horse Bid Protections, such party's ability to object is preserved, since there will be an objection deadline following the filing of the Stalking Horse Notice and an opportunity for a hearing.

36. The Break-Up Fee shall not exceed three percent (3%) of any proposed purchase price. This is an amount that is well within market for transactions of this type, and which has been routinely approved by courts in this district. *See, e.g.*, *In re Eddie Bauer LLC*, No. 26-11422 (SLM) (Bankr. D.N.J. Feb. 10, 2026) (approving stalking horse bid protections, including a break-up fee not to exceed three percent of the proposed purchase price and reasonable and documented expense reimbursements); *In re Careismatic Brands, LLC*, No. 24-10561 (VFP) (Bankr. D.N.J. Feb. 29, 2024); *In re Invitae Corp.*, No. 24-11362 (MBK) (Bankr. D.N.J. Feb. 16, 2024) (same); *In re Rite Aid Corp.*, No. 23-18993 (MBK) (Bankr. D.N.J. Oct. 18, 2023) (approving stalking horse bid protections, including a break-up fee and expense reimbursement, not to exceed three percent or three and a half percent, as applicable, of the proposed purchase price in the aggregate); *In re Cyxtera Tech., Inc.*, No. 23-14853 (JKS) (Bankr. D.N.J. June 29, 2023) (approving stalking horse bid protections, including a break-up fee not to exceed three percent of the proposed purchase price and reasonable and documented expense reimbursements); *In re Bed Bath & Beyond Inc.*, No. 23-13359 (VFP) (Bankr. D.N.J. April 25, 2023) (same); *In re David's Bridal, LLC*, No. 23-13131 (CMG) (Bankr. D.N.J. April 17, 2023) (same).[6]

[6] Because of the voluminous nature of the orders cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request to the Debtors' proposed counsel.

37. Accordingly, for the reasons set forth above, the Debtors respectfully request that the Court grant the Debtors the authority to incur and pay the Stalking Horse Bid Protections to the extent they determine that such protections are necessary to preserve the value of the Debtors' estates.

III. The Form and Manner of Notice Should Be Approved.

38. Pursuant to Bankruptcy Rule 2002(a), the Debtors are required to provide creditors with twenty-one (21) days' notice of the Auction. Pursuant to Bankruptcy Rule 2002(c), such notice must include the time and place of the Auction and the deadline for filing any objections to such a sale. As soon as reasonably practicable following entry of the Bidding Procedures Order, the Debtors will cause the Auction Notice to be served upon parties that receive notice of this Motion.

39. The Debtors submit that the Auction Notice constitutes good and adequate notice of the Auction and the proceedings with respect thereto in compliance with, and satisfaction of, the applicable requirements of Bankruptcy Rule 2002 and Local Rule 2002-1. Accordingly, no further notice is necessary and the Debtors request that this Court approve the form and manner of the Auction Notice.

IV. The Assumption and Assignment Procedures Are Appropriate and Should be Approved.

40. As set forth in detail in Section III of the Bidding Procedures Order, any Sale Transaction will contemplate the assumption and assignment of Executory Contracts and Unexpired Leases (the "Assumed Contracts") to a Successful Bidder (including, for the avoidance of doubt, a Stalking Horse Bidder, if any). In connection with this process, the Debtors believe it is necessary to establish assumption and assignment procedures by which: (a) the Debtors and counterparties to the Executory Contracts or Unexpired Leases (the "Contract or Lease

Counterparties") can reconcile cure obligations, if any, in accordance with section 365 of the Bankruptcy Code; and (b) such Contract or Lease Counterparties can object to the assumption and assignment of the contracts and/or related cure payments in a streamlined and orderly manner. As set forth in the Bidding Procedures Order, the Debtors also request that any Contract or Lease Counterparty that fails to object to the proposed assumption and assignment of any Executory Contract or Unexpired Lease be deemed to consent to the assumption and assignment of the applicable Executory Contract or Unexpired Lease pursuant to section 365 of the Bankruptcy Code on the terms set forth in the Sale Order, along with the cure payments identified in the Assumption Notice (as defined in the Bidding Procedures Order). *See, e.g., In re Boy Scouts of Am.*, 642 B.R. 504, 569 (Bankr. D. Del. 2022) ("The lack of objection of a [creditor] is also consensual for purposes of § 363 and, again, permissible under § 363(f)(2)."); *In re Christ Hosp.*, No. CIV.A. 14-472 ES, 2014 WL 4613316, at *14 (D.N.J. Sept. 12, 2014) (same); *In re Congoleum Corp.*, No. 03-51524, 2007 WL 1428477, at *1 (Bankr. D.N.J. May 11, 2007) (same); *Hargrave v. Township of Pemberton (In re Tabone, Inc.)*, 175 B.R. 855, 858 (Bankr. D.N.J. 1994) (same); *In re Elliot*, 94 B.R. 343, 345 (E.D. Pa. 1988) (same).

41. Section 365 of the Bankruptcy Code authorizes a debtor to assume and/or assign its executory contracts and unexpired leases, subject to the approval of the court, provided that the defaults under such contracts and leases are cured and adequate assurance of future performance is provided. The Debtors' decision to assume or reject an executory contract or unexpired lease must only satisfy the "business judgment rule" and will not be subject to review unless such decision is clearly an unreasonable exercise of such judgment. *See, e.g., Grp. of Inst'l Invrs. v. Chicago, Milwaukee, St. Paul & Pacific Ry. Co.*, 318 U.S. 523 (1943) (applying Bankruptcy Act section 77(b), predecessor to section 365 of the Bankruptcy Code, and rejecting test of whether

executory contract was burdensome in favor of whether rejection is within debtor's business judgment); *Sharon Steel Corp. v. Nat'l Fuel Gas Distrib. Corp.*, 872 F.2d 36, 40 (3d Cir. 1989) (describing deference to a debtor's business judgment as "breathing space afforded [to] the debtor to consider whether to reject or assume executory contracts under the Code"); *In re S.A. Holding Co., LLC*, 357 B.R. 51, 56 (Bankr. D.N.J. 2006) (applying the business judgment test in determining whether to approve a contract rejection); *In re Cent. Jersey Airport Servs., LLC*, 282 B.R. 176, 183 (Bankr. D.N.J. 2002) ("Although the [Bankruptcy Code] does not provide the standard to be applied in determining the propriety of the [debtor's] decision [to assume or reject a contract], most Circuits, including the Third Circuit have adopted the business judgment test.").

42. Upon finding that a debtor has exercised its business judgment in determining that assuming an executory contract or unexpired lease is in the best interest of its estate, courts must then evaluate whether the assumption meets the requirements of section 365(b) of the Bankruptcy Code, specifically that a debtor (a) cure, or provide adequate assurance of promptly curing, prepetition defaults in the executory contract, (b) compensate parties for pecuniary losses arising therefrom, and (c) provide adequate assurance of future performance thereunder. *Carlisle Homes, Inc. v. Azzari (In re Carlisle Homes, Inc.)*, 103 B.R. 524, 538 (Bankr. D.N.J. 1988). This section "attempts to strike a balance between two sometimes competing interests, the right of the contracting non-debtor to get the performance it bargained for and the right of the debtor's creditors to get the benefit of the debtor's bargain." *Id.* (quoting *In re Bon Ton Restaurant & Pastry Shop, Inc.*, 53 B.R. 789, 803 (Bankr. N.D. Ill. 1985)).

43. Here, the Court should approve the decision to assume and assign the Assumed Contracts in connection with any Sale Transaction as a sound exercise of the Debtors' business judgment. ***First***, the Assumed Contracts are necessary to operate the Assets, integral to any

Sale Transaction, and, as such, are essential to inducing the best offer for the Assets. ***Second,*** it is unlikely that any purchaser would want to acquire the Assets unless the Executory Contracts and Unexpired Leases needed to manage the Debtors' day-to-day operations were included in the transaction. ***Third,*** proposed purchase agreements submitted by Potential Bidders likely will provide that the assumption and assignment of the Assumed Contracts is integral to, and inextricably integrated in, any proposed Sale Transaction. ***Finally,*** the Assumed Contracts will be assumed and assigned through the process approved by the Court pursuant to the Bidding Procedures Order and, thus, will be available for review by key constituents in these chapter 11 cases.

44. Moreover, the Debtors submit that the statutory requirements of section 365(b) will be promptly satisfied because (a) each Bid must provide for the payment of all Cure Payments, (b) the Assumption and Assignment Procedures (once approved) provide a clear process by which to resolve disputes over Cure Payments or other defaults, (c) the Debtors will evaluate the financial wherewithal of Potential Bidders to ensure that they can demonstrate adequate assurance of future performance, and (d) the Assumption and Assignment Procedures provide the Court and other interested parties ample opportunity to evaluate and, if necessary, challenge proposed Cure Payments or the ability of the Successful Bidder to provide adequate assurance of future performance.

45. The Debtors believe that the Assumption and Assignment Procedures are fair and reasonable, provide sufficient notice to parties to the Executory Contracts and Unexpired Leases, and provide certainty to all parties in interest regarding their obligations and rights in respect thereof. Accordingly, the Debtors request that the Court approve the Assumption and Assignment Procedures set forth in the Bidding Procedures Order.

V. The Sale Transaction(s) and the Debtors' Entry into One or More Asset Purchase Agreements Should be Approved as an Exercise of Sound Business Judgment.

46. Section 363(b) of the Bankruptcy Code permits a debtor, subject to court approval, to enter into a transaction outside the ordinary course of its business so long as there is a "sound business purpose" that justifies such action. *See* 11 U.S.C. § 363(b)(1); *see also Myers v. Martin (In re Martin)*, 91 F.3d 389, 395 (3d Cir. 1996) ("[U]nder normal circumstances the court would defer to the trustee's judgment so long as there is a legitimate business justification.") (citation omitted); *Stanziale v. Nachtomi (In re Tower Air, Inc.)*, 416 F.3d 229, 238 (3d Cir. 2005) (stating that "[o]vercoming the presumptions of the business judgment rule on the merits is a near-Herculean task"); *Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063, 1071 (2d Cir. 1983) (holding that judicial approval under section 363 of the Bankruptcy Code requires a showing that there is a good business reason).

47. The business judgment rule shields a debtor's decisions from judicial second-guessing. Once a debtor articulates a valid business justification, the business judgment rule "is a presumption that in making a business decision the directors of a corporation acted on an informed basis, in good faith, and in the honest belief that the action taken was in the best interests of the company." *In re S.N.A. Nut Co.*, 186 B.R. 98, 102 (Bankr. N.D. Ill. 1995) (citations omitted); *In re Filene's Basement, LLC*, No. 11-13511 (KJC), 2014 WL 1713416, at *12 (Bankr. D. Del. Apr. 29, 2014) ("If a valid business justification exists, then a strong presumption follows that the agreement at issue was negotiated in good faith and is in the best interests of the estate.") (citations omitted); *see also In re Johns-Manville Corp.*, 60 B.R. 612, 615–16 (Bankr. S.D.N.Y. 1986) ("[A] presumption of reasonableness attaches to a debtor's management decisions."). Thus, if a debtor's actions satisfy the business judgment rule, then the transaction in question should be approved under section 363(b)(1) of the Bankruptcy Code.

48. Generally, courts in the Third Circuit have applied four factors in determining whether a sale of a debtor's assets should be approved: (a) whether a sound business purpose exists for the sale; (b) whether the proposed sale price is fair; (c) whether the debtor has provided adequate and reasonable notice; and (d) whether the buyer acted in good faith. *See In re Summit Glob. Logistics, Inc.*, No. 08-11566, 2008 WL 819934, at *9 (Bankr. D.N.J. Mar. 26, 2008) (citing *In re Exaeris, Inc*., 380 B.R. 741, 744 (Bankr. D. Del. 2008)); *see also In re Abbotts Dairies of Pennsylvania, Inc.*, 788 F.2d 143, 149–50 (3d Cir. 1986) (noting that the element of "good faith" is of particular importance in the Third Circuit); *In re Delaware & Hudson Ry.*, 124 B.R. 169, 176 (D. Del. 1991) ("Once a court is satisfied that there is a sound business reason or an emergency justifying the pre-confirmation sale the court must also determine that the trustee has provided the interested parties with adequate and reasonable notice, that the sale price is fair and reasonable and that the purchaser is proceeding in good faith.").

A. A Sound Business Purpose Exists for the Sale Transaction(s).

49. The Sale Transaction(s) are supported by a sound business purpose—maximizing the value of the Debtors' estates. As previously discussed, it is well-settled that, where there is a court-approved auction process, a full and fair price is presumed to have been obtained for the assets sold, as the best way to determine value is exposure to the market. *See 203 N. LaSalle St. P'ship*, 526 U.S. at 457 (1999); *see also In re Trans World Airlines, Inc.*, No. 01-00056, 2001 WL 1820326, at *4 ("[I]t is worth noting that a [section] 363(b) sale transaction does not require an auction procedure. The auction procedure has developed over the years as an effective means for producing an arm's length fair value transaction."). Consequently, the ultimately successful bid, after being subject to a "market check" in the form of the Auction, will constitute, in the Debtors' business judgment, the highest or otherwise best offer for the Assets and will provide a greater recovery for their estates than any known or practicably available alternative. *See, e.g., In re*

Trans World Airlines, Inc., No. 01-00056, 2001 WL 1820326, at *4 (Bankr. D. Del. 2001) (while a "[section] 363(b) sale transaction does not require an auction procedure[,] [t]he auction procedure has developed over the years as an effective means for producing an arm's length fair value transaction.").

50. As noted above, prior to the Bid Deadline, Cascadia will continue to market the Assets, discuss bids with parties that have already been in the process, and solicit offers consistent with the Bidding Procedures. The Debtors will provide Acceptable Bidders with data room access and requested information, and Cascadia will otherwise assist the Debtors with all efforts to increase transaction value. The Debtors will submit additional evidence at the Sale Hearing if necessary to support the results of this process. All of these considerations, together, support the Debtors' pursuit of a Sale Transaction pursuant to the Bidding Procedures.

51. The Debtors' determination to sell the Assets through the competitive process outlined in the Bidding Procedures and subsequently to enter into a purchase agreement with the Successful Bidder is a valid and sound exercise of the Debtors' business judgment. Therefore, the Debtors request that the Court make a finding that the proposed sale of the Assets is a proper exercise of the Debtors' business judgment and is rightly authorized.

B. Adequate and Reasonable Notice of the Auction and Sale Transactions Will Be Provided.

52. The Auction Notice: (a) will be served in a manner that provides parties in interest notice of the date, time, and location of the Sale Hearing; (b) informs parties in interest of the deadlines for objecting to the Sale Transaction(s) or the assumption and assignment of the Executory Contracts and Unexpired Leases; and (c) otherwise includes all information relevant to parties interested in or affected by the Sale Transaction(s). Significantly, the form and manner of

the Auction Notice will have been approved by this Court pursuant to the Bidding Procedures Order after notice and a hearing before the Auction Notice is served on parties in interest.

C. The Sale Transaction(s) Have Been Proposed in Good Faith Without Collusion, and the Successful Bidder Is a "Good-Faith Purchaser."

53. The Debtors request that the Court find the Successful Bidder is entitled to the benefits and protections provided by section 363(m) of the Bankruptcy Code in connection with the sale of Assets. Section 363(m) of the Bankruptcy Code provides, in pertinent part, that:

> [t]he reversal or modification on appeal of an authorization under subsection (b) or (c) of this section of a sale or lease or property does not affect the validity of a sale or lease under such authorization to an entity that purchased or leased such property in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale or lease were stayed pending appeal.

11 U.S.C. § 363(m).

54. Section 363(m) of the Bankruptcy Code thus protects the purchaser of assets sold pursuant to section 363 of the Bankruptcy Code from the risk that it will lose its interest in the purchased assets if the order allowing the sale is reversed on appeal, as long as such purchaser leased or purchased the assets in "good faith." *See id*. While the Bankruptcy Code does not define "good faith," courts have held that a purchaser shows its good faith through the integrity of its conduct during the course of the sale proceedings, finding that where there is a lack of such integrity, a good-faith finding may not be made. *See, e.g., In re Abbotts Dairies of Pennsylvania, Inc.*, 788 F.2d 143, 147 (3d Cir. 1986) (quoting *In re Rock Indus. Mach. Corp.*, 572 F.2d 1195, 1198 (7th Cir. 1978)) ("Typically, the misconduct that would destroy a [buyer's] good faith status at a judicial sale involves fraud, collusion between the [proposed buyer] and other bidders or the trustee, or an attempt to take grossly unfair advantage of other bidders."); *In the Matter of Andy Frain Services, Inc.*, 798 F.2d 1113 (7th Cir. 1986) (same); *In re Sasson Jeans, Inc.*, 90 B.R. 608,

610 (S.D.N.Y. 1988) (same) *abrogated on other grounds, Pioneer Inv. Servs. Co. v. Brunswick Assocs. Ltd. P'ship*, 507 U.S. 380 (1993).

55. The Debtors submit that the Successful Bidder will be a "good faith purchaser" within the meaning of section 363(m) of the Bankruptcy Code, and that the Stalking Horse APA, if any, or the Form APA, and any marked versions thereof, would be a good-faith, arms'-length agreement entitled to the protections of section 363(m) of the Bankruptcy Code.[7]

56. ***First,*** as set forth in more detail above, the consideration to be received by the Debtors from a Successful Bidder will be substantial, fair, and reasonable. ***Second,*** any sale agreement with a Successful Bidder will be the culmination of a competitive Auction process in which all parties will be represented by counsel and all negotiations will be conducted on an arm's-length, good-faith basis. ***Third,*** there is no indication of any "fraud, collusion between the purchaser and other bidders or the trustee, or an attempt to take grossly unfair advantage of other bidders," or similar conduct that would cause or permit the Sale Transaction to be avoided under section 363(n) of the Bankruptcy Code. *Abbotts Dairies of Pennsylvania*, 788 F.2d at 147 (citing *Rock Indus. Mach. Corp.*, 572 F.2d at 1198). With respect to potential bidders, the Bidding Procedures are designed to ensure that no party is able to exert undue influence over the process. ***Finally***, any Bids that the Debtors ultimately determine to be Successful Bids will have been evaluated and approved by the Debtors in consultation with their advisors and the Consultation Parties. Accordingly, the Debtors believe that the Successful Bidder, if any, and any purchase

[7] The Debtors believe that a finding of good faith within the meaning of section 363(m) of the Bankruptcy Code will be appropriate for any Successful Bidder. Pursuant to the Bidding Procedures, any Successful Bidder will have had to present a proposal in accordance with the Bidding Procedures. In addition, the Debtors will not choose as the Successful Bidder or Back-Up Bidder any entity whose good faith under section 363(m) of the Bankruptcy Code can reasonably be doubted and will be prepared to present the Court with sufficient evidence to allow the Court to find that the "good faith" standard of section 363(m) of the Bankruptcy Code has been satisfied.

agreement associated with a Successful Bid should be entitled to the full protections of section 363(m) of the Bankruptcy Code.

D. The Sale Transaction(s) Should be Approved "Free and Clear" under Section 363(f) of the Bankruptcy Code.

57. Section 363(f) of the Bankruptcy Code permits a debtor to sell property free and clear of another party's interest in the property if: (a) applicable nonbankruptcy law permits such a free and clear sale; (b) the holder of the interest consents; (c) the interest is a lien and the sale price of the property exceeds the value of all liens on the property; (d) the interest is the subject of a bona fide dispute; or (e) the holder of the interest could be compelled in a legal or equitable proceeding to accept a monetary satisfaction of its interest. *See* 11 U.S.C. § 363(f).

58. Section 363(f) is drafted in the disjunctive. Thus, satisfaction of any of the requirements enumerated therein will suffice to warrant the Debtors' sale of the Assets free and clear of all encumbrances, except with respect to any interests that may be assumed liabilities under the applicable purchase agreement. *See In re Kellstrom Indus., Inc.*, 282 B.R. 787, 793 (Bankr. D. Del. 2002) ("[I]f any of the five conditions are met, the debtor has the authority to conduct the sale free and clear of all liens."); *see also Citicorp Homeowners Servs., Inc. v. Elliot (In re Elliot)*, 94 B.R. 343, 354 (E.D. Pa. 1988) (holding that a sale "free and clear" may be approved provided the requirements of at least one subsection are met).

59. The Debtors submit that, to the extent that any interest in the Assets will not be an assumed liability, any such interest in the Assets satisfies or will satisfy at least one of the five conditions of section 363(f) of the Bankruptcy Code, and any such interest will be adequately protected by either being paid in full at the Closing, or by having it attach to the net proceeds of such Sale Transaction(s), subject to any claims and defenses the Debtors may possess with respect thereto. The Debtors accordingly request authority to convey the Assets to the Successful Bidder

arising from the Auction, if any, free and clear of all encumbrances, with any such encumbrances to attach to the proceeds of the applicable Sale Transaction.

Relief Under Bankruptcy Rules 6004(h) and 6006(d) Is Appropriate

60. Bankruptcy Rule 6004(h) provides that an "order authorizing the use, sale, or lease of property . . . is stayed until the expiration of fourteen days after the entry of the order, unless the court orders otherwise." Additionally, Bankruptcy Rule 6006(d) provides that an "order authorizing the trustee to assign an executory contract or unexpired lease . . . is stayed until the expiration of fourteen days after the entry of the order, unless the court orders otherwise." The Debtors request that the Sale Order be effective immediately upon its entry by providing that the fourteen (14) day stays under Bankruptcy Rules 6004(h) and 6006(d) are waived.

61. The purpose of Bankruptcy Rules 6004(h) and 6006(d) is to provide sufficient time for an objecting party to appeal before an order can be implemented. *See* Advisory Committee Notes to Fed. R. Bankr. P. 6004(h) and 6006(d). Although Bankruptcy Rules 6004(h) and 6006(d) and the Advisory Committee Notes are silent as to when a court should "order otherwise" and eliminate or reduce the fourteen (14) day stay period, the leading treatise on bankruptcy suggests that the fourteen (14) day stay should be eliminated to allow a sale or other transaction to close immediately "where there has been no objection to procedure." 10 *Collier on Bankruptcy* 6004.10 (15th rev. ed. 2006). Furthermore, if an objection is filed and overruled, and the objecting party informs the court of its intent to appeal, the stay may be reduced to the amount of time actually necessary to file such appeal. *Id.*

62. To maximize the value received for the Assets, the Debtors seek to close the Sale Transaction(s) as soon as possible after a hearing on the Sale Order. Accordingly, the Debtors hereby request that the Court waive the fourteen (14) day stay period under Bankruptcy Rules 6004(h) and 6006(d).

Disclosures Under Local Rule 6004-1

63. Local Rule 6004-1 requires, among other things, that a debtor include the "material terms of the proposed sale" in a sale motion. As set forth in this Motion, the Debtors and their professionals are in the midst of marketing the Assets, the continuation of a process that began almost two months ago. Nevertheless, the Debtors do not, as yet, have a signed agreement. Moreover, because the Debtors continue to negotiate with parties in interest, they cannot, as yet, identify, with any reasonable specificity, the terms of the sale or sales of some or all of the Assets. Accordingly, the Debtors are unable, at this time, to make the disclosures required under Local Rule 6004-1. In the event the Debtors secure one or more Stalking Horse Bidder(s), the Debtors will file a Stalking Horse Agreement and make the requisite disclosures.

Request for Waiver of Stay

64. To the extent that the relief sought in this Motion constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the fourteen-day stay under Bankruptcy Rule 6004(h). Further, to the extent applicable, the Debtors request that the Court find that the provisions of Bankruptcy Rule 6003 are satisfied. As explained herein, the relief requested in this Motion is immediately necessary for the Debtors to be able to continue to operate their business and preserve the value of their estates.

Reservation of Rights

65. Notwithstanding anything to the contrary herein, nothing contained in this Motion or any actions taken pursuant to any order granting the relief requested by this Motion is intended or should be construed as: (a) an implication or admission as to the amount of, basis for, or validity of any particular claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d)

an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in this Motion or any order granting the relief requested by this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission by the Debtors as to the validity, priority, enforceability, or perfection of any lien (contractual, common law, statutory, or otherwise) on, security interest in, or other encumbrance on property of the Debtors' estates and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens; (g) a waiver or limitation of the Debtors' or any other party in interest's claims, causes of action, or other rights under the Bankruptcy Code or any other applicable law; or (h) a waiver of the obligation of any party in interest to file a proof of claim.

No Prior Request

66. No prior request for the relief sought in this Motion has been made to this Court or any other court.

Notice

67. The Debtors will provide notice of this Motion to the following parties or their respective counsel: (a) the U.S. Trustee for the District of New Jersey; (b) the holders of the thirty (30) largest unsecured claims against the Debtors (on a consolidated basis); (c) Wells Fargo Bank, National Association, as Prepetition ABL Agent; (d) Crystal Financial LLC d/b/a SLR Credit Solutions, as Prepetition Term Loan Agent; (e) Mithaq Capital SPC, as prepetition unsecured lender; (f) the office of the attorney general for each of the states in which the Debtors operate; (g) the United States Attorney's Office for the District of New Jersey; (h) the Internal Revenue Service; (i) the parties that have expressed interest in purchasing the Assets; and (j) any party that

has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

[*Remainder of Page Intentionally Left Blank*]

WHEREFORE, the Debtors request that the Court enter an order in the form submitted herewith granting the relief requested herein and such other relief as is just and proper under the circumstances.

Proposed Co-Counsel to the Debtors and
Debtors in Possession

In re: THE CHILDREN'S PLACE, INC., *et al.*, Debtors.[1]	Chapter 11 Case No. 26-22682 (SLM) (Joint Administration Requested)

ORDER (I) APPROVING THE BIDDING PROCEDURES AND STALKING HORSE BID PROTECTIONS, (II) SCHEDULING CERTAIN DATES AND DEADLINES WITH RESPECT THERETO, (III) APPROVING THE FORM AND MANNER OF NOTICE THEREOF, (IV) ESTABLISHING NOTICE AND PROCEDURES FOR THE ASSUMPTION AND ASSIGNMENT OF CONTRACTS AND LEASES, (V) AUTHORIZING THE ASSUMPTION AND ASSIGNMENT OF ASSUMED CONTRACTS, (VI) AUTHORIZING THE SALE OF ASSETS, AND (VII) GRANTING RELATED RELIEF

The relief set forth on the following pages, numbered three (3) through and including twenty (20), is **ORDERED**.

[1] A complete list of each of the Debtors, including each Debtor's federal tax identification number, in these chapter 11 cases may be obtained on the website of the Debtors' proposed claims and noticing agent at https://omniagentsolutions.com/TCP. The location of the Debtors' service address for purposes of these chapter 11 cases is 500 Plaza Drive, Secaucus, New Jersey 07094.

Upon the Debtors' motion (the "Motion")[2] for entry of an order (this "Bidding Procedures Order"): (a) authorizing and approving the proposed marketing, auction, and bidding procedures (the "Bidding Procedures") attached hereto as **Exhibit 1**, by which the Debtors will solicit and, if value maximizing, will select the highest or otherwise best offer(s) for the sale or sales of all, substantially all, or any portion of their Assets; (b) approving the Stalking Horse Bid Protections relating to the Stalking Horse Bidder, if any; (c) establishing certain dates and deadlines related thereto and scheduling an Auction, if needed, to determine the highest or otherwise best Bid available; (d) approving the form and manner of notice of the Auction, if any, and any hearing to approve a sale of some, all, or substantially all of the Debtors' assets, as may be necessary; (e) approving procedures for the assumption and assignment of certain Executory Contracts and Unexpired Leases in connection with the Sale Transaction; and (f) granting related relief, all as more fully set forth in the Motion; and upon the First Day Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of Reference to the Bankruptcy Court Under Title 11* of the United States District Court for the District of New Jersey, entered July 23, 1984, and amended on June 6, 2025 (Bumb, C.J.); and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b); and this Court having found that it may enter a final order consistent with Article III of the United States

[2] Capitalized terms used but not otherwise defined herein have the meaning ascribed to them in the Motion.

Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"), if any; and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing, if any, establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, **IT IS HEREBY ORDERED THAT**:

1. The Motion is **GRANTED** as set forth herein.

2. The Debtors have articulated good and sufficient reasons for authorizing and approving the Bidding Procedures, which are fair, reasonable, and appropriate under the circumstances. The Bidding Procedures are designed to maximize value for the benefit of the Debtors' estates, their creditors, and other parties, including with respect to the proposed procedures for providing Stalking Horse Bid Protections as determined by the Debtors in an exercise of their business judgment in accordance with the Bidding Procedures.

3. The Debtors' proposed notice of the Motion and the Hearing was (i) appropriate and reasonably calculated to provide all interested parties with timely and proper notice, (ii) in compliance with all applicable requirements of the Bankruptcy Code, the Bankruptcy Rules, and

the Local Rules, and (iii) adequate and sufficient under the circumstances of these chapter 11 cases, and no other or further notice is required. A reasonable opportunity to object or be heard regarding the relief granted by this Order has been afforded to all interested persons and entities.

4. Any objections to the entry of this Order, to the extent not withdrawn or settled, are overruled.

I. Important Dates and Deadlines.

5. **The Final Bid Deadline**. December 9, 2026, at 5:00 p.m. prevailing Eastern Time, is the deadline by which all Qualified Bids must be ***actually received*** by the parties specified in the Bidding Procedures.

6. **Stalking Horse Bidders and Stalking Horse Bid Protections**. The Debtors, upon entry of this Order, shall be authorized, but are not obligated or directed, in an exercise of their reasonable business judgment, to designate one or more Stalking Horse Bidders, in consultation with the Consultation Parties, with respect to the applicable Assets and enter into a stalking horse agreement (the "Stalking Horse APA") by no later than November 17, 2026 at 5:00 p.m. (prevailing Eastern time).

7. In the event that the Debtors enter into a Stalking Horse APA with one or more Stalking Horse Bidders, within two business days of entry, the Debtors shall file a notice and proposed form of order with the Court designating a Stalking Horse Bidder and authorizing entry into a Stalking Horse APA (the "Stalking Horse Notice") and serve the Stalking Horse Notice on

the Stalking Horse Bidder and the U.S. Trustee. The Stalking Horse Notice shall: (a) set forth the identity of the Stalking Horse Bidder (and if the Stalking Horse Bidder is a newly formed entity, then the Stalking Horse Bidder's parent company or sponsor); (b) set forth the amount of the Bid submitted by the Stalking Horse Bidder and what portion (if any) is cash; (c) state whether the Stalking Horse Bidder has any connection to the Debtors other than those that arise from the Bid submitted by the Stalking Horse Bidder; (d) specify any proposed Stalking Horse Bid Protections (including the amount and calculation thereof); (e) the applicable Assets to which the Stalking Horse Bid relates; (f) attach the Stalking Horse APA, including all exhibits, schedules and attachments thereto; and (g) set forth the deadline to object to the Stalking Horse Bidder designation and any Stalking Horse Bid Protections. If there are no objections to the Stalking Horse Notice within two (2) business days of filing with the Court (the "Notice Period"), the Debtors may submit an order to the Court that incorporates any comments received during the Notice Period that authorizes the Debtors to designate a Stalking Horse Bidder and to enter into a Stalking Horse APA, without the need for further hearing. If a party timely files an objection to the Stalking Horse Notice, the Court shall hold a hearing after the expiration of the Notice Period and as soon thereafter as the Court is available.

8. Upon entry of an order that authorizes the Debtors to designate a Stalking Horse Bidder and to enter into a Stalking Horse APA (the "Stalking Horse Order"), the Debtors, in consultation with the Consultation Parties, are authorized, but not directed, to incur and pay (a) the

Break Up Fee, not to exceed three percent (3%) of the Purchase Price, and (b) the Expense Reimbursement, to one or more Stalking Horse Bidders in accordance with the terms of such Stalking Horse Order and Stalking Horse APA. In accordance with any Stalking Horse Order and Stalking Horse APA, (a) the Stalking Horse Bidder shall provide copies of all invoices submitted in connection with the Expense Reimbursement to counsel to the U.S. Trustee and counsel to any statutory committee appointed in these chapter 11 cases, who shall have five (5) business days' from receipt to review the invoices for reasonableness; (b) in the event that the U.S. Trustee or any statutory committee files with this Court an objection to any such invoice within five (5) business days' of its receipt thereof, the undisputed portion of such invoice shall be paid without further order of the Court, and the portion of such invoice subject to such objection shall not be paid until resolution of such objection by the parties or this Court; and (c) in the event none of the U.S. Trustee or any statutory committee files with this Court an objection to any invoice within five (5) business days' of its receipt thereof, such invoice shall be paid in the manner and subject to the terms and conditions set forth in the Stalking Horse Order and Stalking Horse APA without further order of the Court and shall not be subject to any further review, challenge or disgorgement.

9. Except for the Stalking Horse Bid Protections provided to the Stalking Horse Bidder, if any, no person or entity shall be entitled to any expense reimbursement, break-up fees, "topping," termination, or other similar fee or payment, and by submitting a Bid, such person or entity is deemed to have waived their right to request or to file with the Court any request for

break-up fees, expense reimbursement, or any fee of any nature, whether by virtue of section 503(b) of the Bankruptcy Code or otherwise.

10. **The Auction**. The date and time of the Auction, if needed, is December 11, 2026, at 10:00 a.m. prevailing Eastern Time, which time may be modified by the Debtors, in consultation with the Consultation Parties, upon written notice with the Court. The Auction will be held at the offices of proposed co-counsel to the Debtors: White & Case LLP, 1221 Avenue of the Americas, New York, New York 10020, or such other place as the Debtors determine. Only the Debtors, the Qualified Bidders, the Consultation Parties, the U.S. Trustee, any information officer appointed by the Canadian Court in the Canadian Proceedings and any other parties as the Debtors, in consultation with the Consultation Parties, may determine in their reasonable discretion, in each case, along with their representatives and advisors, shall be entitled to participate in the Auction, and only Qualified Bidders will be entitled to make Overbids (as defined in the Bidding Procedures) at the Auction. The Debtors shall send written notice (e-mail being sufficient) of the date, time, and place of any Auction to the Qualified Bidders no later than two (2) business days before such Auction and will post notice of the date, time, and place of such Auction no later than two (2) business days before such Auction on the website of the Debtors' proposed notice, claims, and solicitation agent, Omni Agent Solutions, Inc. (the "Claims and Noticing Agent") at https://omniagentsolutions.com/TCP. The Debtors may suspend or terminate the auction at any time if the Debtors determine, in consultation with the Consultation Parties, in their reasonable

business judgment, that further bidding is unlikely to result in a different Successful Bid or Successful Bids that would be reasonably acceptable to the Debtors.

11. **Notice of Successful Bidder**. As soon as reasonably practicable upon the conclusion of the Auction, if any (or, if no Auction is held, the Bid Deadline), the Debtors shall file a Notice of Successful Bidder.

12. **Sale Objection Deadline**. Objections to the Sale Transaction(s) and the Sale Order must: (a) be in writing and specify the nature of such objection; (b) comply with the Bankruptcy Code, Bankruptcy Rules, Local Rules, and all orders of the Court; and (c) be filed with the Court and served so as to be ***actually received*** by the Debtors by December 14, 2026, at 5:00 p.m., prevailing Eastern Time ("Sale Objection Deadline").

13. **Failure to Object**. If any party fails to timely file with the Court and serve an objection by the Sale Objection Deadline or otherwise abide by the procedures set forth in the Bidding Procedures regarding an objection to any Sale Transaction(s), such party shall be barred from asserting, at the Sale Hearing or otherwise, any objection to the relief requested in the Motion or to the consummation and performance of any Sale Transaction(s), including the transfer of the applicable Assets to a Successful Bidder, free and clear of all liens, claims, interests, and encumbrances pursuant to section 363(f) of the Bankruptcy Code, and shall be deemed to "consent" to the Sale Transaction(s) for the purposes of section 363(f) of the Bankruptcy Code; *provided*, that nothing in this Bidding Procedures Order or the Bidding Procedures shall (i)

constitute, or be deemed to constitute, the consent of the Prepetition Agents or any agent under a postpetition financing facility to a sale of any Assets free and clear of the any liens, or (ii) limit, waive, or impair any right of such parties under sections 363(f) or 363(k) of the Bankruptcy Code, or any order of the court, each of which rights are expressly reserved.

14. **The Sale Hearing**. December 15, 2026, at a time to be announced, subject to Court availability, or as soon thereafter as the Debtors may be heard, is the date and time for the hearing for the Court to consider approval of the Successful Bid or Successful Bids, if needed (the "Sale Hearing"). The Sale Hearing may be adjourned, in consultation with the Consultation Parties, in the Debtors' business judgment by announcement in open Court or on the Court's calendar without any further notice required.

II. The Auction, Bidding Procedures, Auction Notice, and Related Relief.

15. The Bidding Procedures, substantially in the form attached hereto as **Exhibit 1**, are incorporated herein and are approved in their entirety, and the Bidding Procedures shall govern the submission, receipt, and analysis of all Bids relating to any proposed Sale Transaction. Any party desiring to submit a Bid shall comply with the Bidding Procedures and this Bidding Procedures Order. The Debtors are authorized to take all actions necessary to implement the Bidding Procedures. Subject to the terms of the Bidding Procedures, the Debtors may modify the Bidding Procedures as necessary or appropriate to maximize the value of their estates.

16. Any deposit (including any Good Faith Deposit) provided by a Qualified Bidder shall be held in escrow by the Debtors or their agent and shall not become property of the Debtors' bankruptcy estates unless and until released from escrow to the Debtors pursuant to the terms of the applicable escrow agreement, the Bidding Procedures, or order of this Court, as applicable.

17. The Auction Notice, substantially in the form attached hereto as **Exhibit 2**, is approved. As soon as reasonably practicable following the entry of this Bidding Procedures Order, the Debtors will cause the Auction Notice to be served upon the parties that received notice of the Motion. In addition, as soon as practicable after entry of the Order, the Debtors shall post the Auction Notice on the website of the Debtors' proposed Claims and Noticing Agent, Omni Agent Solutions, Inc., at https://omniagentsolutions.com/TCP and shall publish the Auction Notice, with any modifications necessary for ease of publication, on one occasion in *The New York Times* (National Edition) and/or another national publication reasonably acceptable to the Debtors, including, if any Assets of the Canadian Debtors or Assets that are located in Canada are implicated by the Auction, the *Globe and Mail* (National Edition) in English and in Le Devoir in French (or such other French-language newspaper as the Debtors may select).

18. Pursuant to Local Rule 6004-2: (a) each bidder participating at the Auction shall be required to confirm that it has not engaged in any bad faith or collusion with respect to the bidding or the Sale Transaction, as set forth in the Bidding Procedures; (b) the Auction shall be

conducted openly and all parties in interest will be permitted to attend; and (c) the bidding at the Auction will be documented, recorded, or videotaped.

III. The Assumption and Assignment Procedures.

19. The procedures set forth in paragraph 20 below regarding the assumption and assignment of any Executory Contracts and Unexpired Leases proposed to be assumed by the Debtors pursuant to section 365(b) of the Bankruptcy Code and assigned to the Successful Bidder, if any, pursuant to section 365(f) of the Bankruptcy Code in connection with any Sale Transaction are approved to the extent set forth herein.

20. The Assumption and Assignment Procedures shall govern the assumption and assignment of all of the Debtors' Executory Contracts and Unexpired Leases to be assumed and assigned in connection with any Sale Transaction, subject to the payment of any amount necessary to satisfy all defaults and actual pecuniary loss to the counterparty resulting from such defaults including, but not limited to, all claims, demands, charges, rights to refunds and monetary and non-monetary obligations that the relevant counterparty can assert under an Executory Contract or Unexpired Lease, whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinate, relating to money now owing or owing in the future, arising under or out of, in connection with, or in any way relating to an Executory Contract or Unexpired Lease (the foregoing amounts as stated in the Assumption Notice, the "Cure Payments"):

a. **Notice of Assumption**. As soon as reasonably practicable upon conclusion of any Auction (or, if no Auction is held, the Bid Deadline), the Debtors shall file on the docket and serve a notice of contracts assumed and assigned to any Successful Bidder, in substantially the form attached hereto as **Exhibit 3** (the "Assumption Notice"), via first-class mail on the Contract or Lease Counterparties. The Assumption Notice shall inform each recipient of the timing and procedures relating to such assumption and assignment, and, to the extent applicable, (i) the title of the Executory Contract or Unexpired Lease, (ii) the name of the Contract or Lease Counterparty, (iii) the Debtors' good faith estimates of the Cure Payments, if any, required in connection with the Executory Contract or Unexpired Lease, and (iv) the Sale Objection Deadline; *provided*, however, that service of an Assumption Notice shall not constitute an admission that any Executory Contracts and Unexpired Leases listed thereon is an executory contract or that such stated Cure Payment constitutes a claim against the Debtors or a right against any Successful Bidder, all rights with respect thereto being expressly reserved. Further, the inclusion of a contract on the Assumption Notice is not a guarantee that such contract will ultimately be assumed and assigned.

b. **Cure Payments**. The payment of the applicable Cure Payments by the Debtors and/or the Successful Bidder, as applicable, shall (i) effect a cure of all defaults existing thereunder, (ii) compensate the applicable Contract or Lease Counterparties for any actual pecuniary loss to such counterparty resulting from such default, and (iii) together with the assumption of the Executory Contract or Unexpired Lease by the Debtors and the assignment of such Executory Contract or Unexpired Lease to the Successful Bidder, constitute adequate assurance of future performance thereof.

c. **Supplemental Assumption Notice**. To the extent the Debtors, at any time after the Auction (or, if no Auction is held, the Bid Deadline) (i) identify additional Executory Contracts or Unexpired Leases that may be assumed by and assigned to the Successful Bidder, (ii) remove any Executory Contracts or Unexpired Leases from the list attached to the Assumption Notice, and/or (iii) modify the previously stated Cure Payment associated with any Executory Contract or Unexpired Lease, the Debtors will file with this Court and serve in accordance with the noticing procedures approved for the Assumption Notice attached hereto as **Exhibit 3**, a supplemental notice of contract or lease assumption (a "Supplemental Assumption

Notice") on each of the Contract or Lease Counterparties affected by the Supplemental Assumption Notice as soon as is reasonably practicable. Each Supplemental Assumption Notice will include the same information with respect to listed Executory Contracts or Unexpired Leases as was included in the Assumption Notice. Except as otherwise provided in any purchase agreement, the Debtors (in consultation with the Successful Bidder) may add or remove Executory Contracts and Unexpired Leases from the list of Executory Contracts and Unexpired Leases to be assumed in connection with the Sale Transaction(s) at any time up to and including two (2) business days prior to Closing.

d. **Objections**. Objections, if any, to the proposed assumption and assignment or the Cure Payment proposed with respect thereto, must (i) be in writing, (ii) comply with the applicable provisions of the Bankruptcy Rules and the Local Rules, (iii) state with specificity the nature of the objection and, if the objection pertains to the proposed Cure Payment, state the Cure Payment alleged by the objecting counterparty, together with any applicable and appropriate documentation in support thereof, and (iv) be filed with the Court and served upon (a) proposed counsel to the Debtors, (b) counsel to the Successful Bidder, if any, (c) the Office of the United States Trustee for the District of New Jersey, and (d) any other party that has filed a notice of appearance in these chapter 11 cases, so as to be ***actually received*** **no later than December 14, 2026, at 5:00 p.m., prevailing Eastern Time, or the deadline set forth in a Supplemental Assumption Notice, as applicable**. The Debtors may modify the Sale Objection Deadline and the deadline set forth in a Supplemental Assumption Notice by filing a notice of such modification with the Court.

e. **Dispute Resolution**. In the event that the Debtors and a Contract or Lease Counterparty cannot resolve an objection to a Cure Payment, the Executory Contract or Unexpired Lease at issue may be assumed by the Debtors and assigned to the Successful Bidder; *provided* that the Debtors shall segregate the Cure Payment that the Contract or Lease Counterparty asserts is required to be paid, pending a resolution of the dispute by the Court or mutual agreement by the parties. If an objection to the proposed assumption and assignment of a contract or related Cure Payment proposed in connection with any Sale Transaction remains unresolved as of the Sale Hearing, the Debtors shall seek a hearing before this Court to determine such Cure

Payments, if any, and approve the assumption of the applicable Executory Contracts or Unexpired Leases.

f **Contract or Lease Assumption**. No Executory Contract or Unexpired Lease shall be deemed assumed and assigned pursuant to section 365 of the Bankruptcy Code until the later of (i) the date the Court has entered an order assuming and assigning such Executory Contract or Unexpired Lease or (ii) the date the Sale Transaction has closed.

21. Any party failing to timely file an objection to the Cure Payments or the proposed assumption and assignment of an Executory Contract or Unexpired Lease listed on the Assumption Notice or a Supplemental Assumption Notice is deemed to have consented to (a) such Cure Payment, (b) the assumption and assignment of such Executory Contract or Unexpired Lease, (c) the related relief requested in the Motion, (d) adequate assurance of future performance, and (e) the applicable Sale Transaction. Such party shall be forever barred and estopped from objecting to the Cure Payments, the assumption and assignment of the applicable Executory Contract or Unexpired Lease, adequate assurance of future performance, the relief requested in the Motion, whether or not applicable law excuses such counterparty from accepting performance by, or rendering performance to, the Successful Bidder for purposes of section 365(c)(1) of the Bankruptcy Code, and from asserting any additional cure or other amounts against the Debtors and the Successful Bidder with respect to the applicable Executory Contract or Unexpired Lease.

22. The Debtors shall, at the request of the applicable Executory Contract or Unexpired Lease counterparty, provide evidence to such Executory Contract or Unexpired Lease counterparty that the proposed assignee has the ability to comply with the requirements of adequate assurance

of future performance; *provided* that any such evidence that constitutes nonpublic information shall be provided on a confidential basis. All Bidders are deemed to consent to the transmission of such evidence of adequate assurances of future performance on a confidential basis to counsel for the applicable Executory Contract or Unexpired Lease counterparties via e-mail with such information to be used only for purpose of assessing the applicable Bidder.

23. The inclusion of an Executory Contract or Unexpired Lease in the Assumption Notice or a Supplemental Assumption Notice will not obligate any Debtor to assume such Executory Contract or Unexpired Lease listed thereon or a Successful Bidder to take assignment of such assumed Executory Contract or Unexpired Lease. Only those Executory Contracts and Unexpired Leases that are included on a schedule of assumed and assigned contracts attached to the executed definitive asset purchase agreement with a Successful Bidder (including amendments or modifications to such schedules in accordance with such asset purchase agreement) will be assumed and assigned to the applicable Successful Bidder. No Executory Contract or Unexpired Lease in the Assumption Notice or a Supplemental Assumption Notice shall be assumed other than in connection with (and concurrently with the effectiveness of) the assignment of such Executory Contract or Unexpired Lease to the applicable Successful Bidder.

IV. Miscellaneous.

24. Nothing in this Bidding Procedures Order or the Bidding Procedures shall be deemed a waiver of any rights, remedies or defenses that any party (including the Debtors and the

Stalking Horse Bidder, if any, or any other prospective purchaser) has or may have under applicable bankruptcy and non-bankruptcy law, under any indemnity agreements, or related agreements or any letters of credit relating thereto, or any rights, remedies, or defenses of the Debtors with respect thereto, including seeking Bankruptcy Court relief with respect to the Auction, the Bidding Procedures, the Sale Transaction, and any related items (including, if necessary, to seek an extension of the Bid Deadline).

25. The Debtors, in consultation with the Consultation Parties, may modify any of the dates and deadlines set forth herein without further order of the Court; *provided* that the Debtors will serve notice (with e-mail from proposed co-counsel to the Debtors being sufficient) to any Qualified Bidder, as applicable and appropriate, informing them of such modification. The Debtors are further authorized, but not directed, to conduct multiple Sale Transactions and/or Auctions (as necessary) in substantial conformity with the Schedule and Bidding Procedures established through this Bidding Procedures Order.

26. The failure to include or reference a particular provision of the Bidding Procedures specifically in this Bidding Procedures Order shall not diminish or impair the effectiveness or enforceability of such provision.

27. In the event of any inconsistencies between this Bidding Procedures Order and the Motion and/or the Bidding Procedures, this Bidding Procedures Order shall govern in all respects.

28. The Debtors may modify any Good Faith Deposit as necessary or appropriate, based on the Assets being sold.

29. Notwithstanding anything to the contrary herein, nothing contained in the Motion or any actions taken pursuant to this Bidding Procedures Order granting the relief requested by the Motion is intended as or should be construed or deemed to be: (a) an implication or admission as to the amount of, basis for, priority of, or validity of any particular claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' rights to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or any order granting the relief requested by the Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) an admission by the Debtors as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (f) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law; or (g) a waiver of the obligation of any party in interest to file a proof of claim. Nothing contained in this Bidding Procedures Order shall be deemed to increase, reclassify, elevate to an administrative expense status, or otherwise affect any claim on account of such claim not being paid.

30. Notwithstanding the relief granted in this Bidding Procedures Order, any payment made or to be made by the Debtors pursuant to the authority granted herein, and any relief or

authorization granted herein, shall be subject to, and in compliance with, any interim or final order (each, a "Financing Order") entered by the Court authorizing the Debtors to obtain postpetition financing and/or use cash collateral, including compliance with any budget (as defined in any Financing Order) in connection therewith and any other terms and conditions thereof. Nothing herein is intended to modify, alter, or waive, in any way, any terms, provisions, requirements, or restrictions of any Financing Order. To the extent there is any inconsistency between the terms of any Financing Order and the terms of this Bidding Procedures Order, or any action taken or proposed to be taken hereunder, the terms of any Financing Order and any budget thereunder shall control.

31. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion, and the requirements of the Bankruptcy Rules, the Local Rules, and the Complex Case Procedures are satisfied by such notice.

32. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable, the terms and conditions of this Bidding Procedures Order are immediately effective and enforceable upon its entry.

33. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Bidding Procedures Order in accordance with the Motion.

34. The requirement set forth in Local Rule 9013-1(a)(3) that any motion be accompanied by a memorandum of law is hereby deemed satisfied by the contents of the Motion or otherwise waived.

35. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Bidding Procedures Order.

BIDDING PROCEDURES FOR THE SUBMISSION, RECEIPT, AND ANALYSIS OF BIDS IN CONNECTION WITH THE SALE OF THE DEBTORS' ASSETS

On November 8, 2026, each of the above-captioned debtors and debtors in possession (collectively, the "Debtors") filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the "Bankruptcy Code"), in the United States Bankruptcy Court for the District of New Jersey (the "Court"). On November 9, 2026, THE CHILDREN'S PLACE, INC., as proposed foreign representative (if appointed in such capacity, the "Foreign Representative"), commenced ancillary proceedings in Canada (the "Canadian Proceedings") on behalf of the Debtors' estates under Part IV of the Companies' Creditors Arrangement Act, R.S.C. 1985, c. C-36 the "CCAA") in the Ontario Superior Court of Justice (Commercial List) (the "Canadian Court").

The Debtors propose to, through one or more transactions, sell or dispose of all, substantially all, or any portion of their assets to the highest or otherwise best bidder through a competitive bidding process (each, a "Sale Transaction") designed to generate maximum value for the Debtors, their estates, and other parties in interest followed by a court-supervised wind-down of the Debtors' remaining store operations.

On [__], 2026, the Court entered the *Order (I) Approving the Bidding Procedures and Stalking Horse Bid Protections, (II) Scheduling Certain Dates and Deadlines with Respect Thereto, (III) Approving the Form and Manner of Notice Thereof, (IV) Establishing Notice and Procedures for the Assumption and Assignment of Contracts and Leases, (V) Authorizing the Assumption and Assignment of Assumed Contracts, (VI) Authorizing the Sale of Assets, and (VII) Granting Related Relief* (the "Bidding Procedures Order"),[2] approving, among other things, these

The location of the debtors' service address for purposes of these chapter 11 cases is 500 Plaza Drive, Secaucus, New Jersey 07094.

[2] Capitalized terms used but not defined herein have the meanings ascribed to them later in these Bidding Procedures, in the *Debtors' Motion for Entry of an Order (I) Approving the Bidding Procedures and Stalking Horse Bid Protections, (II) Scheduling Certain Dates and Deadlines with Respect Thereto, (III) Approving the Form and Manner of Notice Thereof, (IV) Establishing Notice and Procedures for the Assumption and Assignment of Contracts and Leases, (V) Authorizing the Assumption and Assignment of Assumed Contracts, (VI) Authorizing the Sale of Assets, and (VII) Granting Related Relief* (the "Bidding Procedures

bidding procedures (the "Bidding Procedures"). These Bidding Procedures set forth the process by which the Debtors are authorized to conduct a marketing process and, if necessary, an auction (the "Auction") for a sale of all, substantially all, or any portion of their assets pursuant to one or more Sale Transactions. On [__], 2026, the Canadian Court granted an order, among other things, recognizing and enforcing the Bidding Procedures Order in Canada.

Copies of the Bidding Procedures Order or any other documents in the Debtors' chapter 11 cases are available upon request to the Debtors' Claims and Noticing Agent, Omni Agent Solutions, Inc. by calling (866) 205-3149 (U.S. / Canada) or 1 (818) 510-4678 (International) or visiting the Debtors' restructuring website at (https://omniagentsolutions.com/TCP).

I. The Assets to be Auctioned.

The Debtors seek to sell all, substantially all, or any portion of their assets to the person or entity making the highest or otherwise best Bid through the process outlined in these Bidding Procedures. These assets being marketed in the sale process include substantially all of the Debtors' assets, including, but not limited to, the Debtors' going-concern business, unexpired leases, executory contracts, real property, equipment, inventory, supplies, intellectual property, insurance proceeds, prepaid expenses and deposits, and books and records, in each case, free and clear of all liens, claims, interests, or other encumbrances (collectively, the "Assets").

II. Public Announcement of the Auction.

As soon as reasonably practicable after entry of the Bidding Procedures Order, the Debtors shall (a) cause (i) a notice of the Auction substantially in the form attached to the Bidding Procedures Order as Exhibit 2 (the "Auction Notice"), (ii) the Bidding Procedures Order, and (iii) these Bidding Procedures to be served on the parties that received notice of the Bidding Procedures Motion; (b) post the Auction Notice on the website of the Debtors' proposed claims and noticing agent at https://omniagentsolutions.com/TCP; and (c) publish the Auction Notice, with any modifications necessary for ease of publication, on one occasion in *The New York Times* (National Edition) and/or another national publication reasonably acceptable to the Debtors, including, if any Canadian Assets are implicated by the Auction, the *Globe and Mail* (National Edition) in English and in Le Devoir (or such other French-language newspaper as the Debtors may select). Any information officer appointed by the Canadian Court in the Canadian Proceedings will also post the Auction Notice on its case website.

III. The Potential Bidder Requirements.

To participate in the bidding process or otherwise be considered for any purpose hereunder, including to receive access to due diligence materials, a person or entity interested in purchasing some or all of the Assets (a "Potential Bidder") must deliver or have previously delivered to the Debtors and their advisors the following preliminary documentation (collectively, the "Preliminary Bid Documents"):

Motion") filed contemporaneously herewith, or in the Bidding Procedures Order, as applicable.

a. an executed confidentiality agreement (a "Confidentiality Agreement") in form and substance acceptable to the Debtors;

b. identification of the Potential Bidder and any principals and representatives thereof who are authorized to appear and act on its behalf for all purposes regarding the contemplated Sale Transaction;

c. a statement of the portion of the Assets that the Potential Bidder intends to acquire;

d. sufficient information to demonstrate that the Potential Bidder has or can reasonably obtain the financial capacity to close a purchase of any portion, all, or substantially all of the Debtors' Assets, the adequacy of which must be acceptable to the Debtors; and

e. a statement detailing whether the Potential Bidder is partnering with or otherwise working with any other interested party in connection with the potential submission of a joint Bid, the identity of any such party or parties, and a concise description of the nature of such partnership or joint Bid.

The Debtors, in consultation with their advisors, and in consultation with the Consultation Parties,[3] will determine and notify each Potential Bidder whether such Potential Bidder has submitted adequate documents so that such Potential Bidder may proceed to conduct due diligence and submit a Bid (such Potential Bidder, an "Acceptable Bidder"). For the avoidance of doubt, any party that has already executed a Confidentiality Agreement and submitted a non-binding indication of interest prior to the Petition Date and, in the judgment of the Debtors, and in consultation with the Consultation Parties, has provided adequate forms of the preliminary documentation requested above, shall be deemed to be an Acceptable Bidder and automatically be authorized to conduct due diligence and submit a Bid. An Acceptable Bidder shall not be eligible to participate in the Auction unless such Acceptable Bidder meets the requirements set forth in Section IV below.

IV. The Qualified Bid Requirements.

To be eligible to participate in the Auction, an Acceptable Bidder must deliver to the Debtors and their advisors an irrevocable offer to purchase some or all of the Assets in the form of a document signed by the Acceptable Bidder (each, a "Bid"), and shall meet the following criteria, in each case, on or prior to the Bid Deadline:

a. ***Purchased Assets and Assumed Liabilities***. Each Bid must clearly state the following: (i) which particular Assets are to be included in the applicable Sale Transaction; (ii) if applicable, the liabilities and obligations to be assumed, including any cure costs to be assumed; and (iii) any executory contracts

[3] "Consultation Parties" means the Prepetition Agents, any agent under a postpetition financing facility, and any statutory committee appointed in these chapter 11 cases; *provided*, *however*, that to the extent any Prepetition Agent or agent under a postpetition financing facility submits any Bid (including a Credit Bid that is either revocable or subject to amendment) for any Assets, such Prepetition Agent or agent under a postpetition financing facility shall not be a Consultation Party.

(the "Executory Contracts") and unexpired leases (the "Unexpired Leases") proposed to be assumed by the Debtors and assigned to the Acceptable Bidder;

b. ***Good Faith Deposit***. Each Bid must be accompanied by a cash deposit equal to ten percent (10%) of the applicable Purchase Price, to be held in an escrow account to be identified and established by the Debtors (the "Good Faith Deposit"). To the extent that a Bid is modified to increase its proposed Purchase Price at or prior to the Auction, the applicable Acceptable Bidder must adjust its Good Faith Deposit such that it equals ten percent (10%) of the increased aggregate Purchase Price promptly and in no event later than one (1) business day following the conclusion of the Auction. Each Bid shall include a written acknowledgement from the bidder that, in the event of the Acceptable Bidder's breach of, or failure to perform under the applicable purchase agreement, the Debtors and their estates shall be entitled to retain the Good Faith Deposit as part of the damages to the Debtors and their estates resulting from such breach or failure to perform, and the Debtors shall be entitled to pursue all other available legal and equitable remedies that may be available to the Debtors. The Debtors' retention of a Good Faith Deposit shall not constitute a waiver of any of the Debtors' legal or equitable rights relating to a Successful Bidder's or Back-Up Bidder's breach or failure to perform, and all such rights and remedies are preserved;

c. ***Purchase Price***. Each Bid must: (i) clearly specify the purchase price to be paid for the applicable Assets (the "Purchase Price"); (ii) identify separately any cash and non-cash components of the Purchase Price; and (iii) indicate the allocation of the Purchase Price among the applicable Assets (including liabilities and obligations to be assumed in connection with any Sale Transaction), including an allocation of the Purchase Price to any Assets of the Canadian Debtors or other Assets located in Canada. The Purchase Price should be a single point value in U.S. dollars on a cash-free, debt-free basis. Any Bid for substantially all of the Assets must also include a statement as to whether the Bid is conditioned on purchasing all of the Assets or whether the Bid should be viewed as a separate Bid for one or more sets of Assets;

d. ***Sources of Financing***. To the extent that a Bid is not accompanied by evidence of the Acceptable Bidder's capacity to consummate the Sale Transaction set forth in its Bid with cash on hand, such Bid must include evidence of committed financing from a reputable financing institution, documented to the satisfaction of the Debtors, that demonstrates that the Acceptable Bidder has received sufficient funding commitments to satisfy the Acceptable Bidder's obligations under the applicable Sale Transaction as well as any other obligations under its Bid. Such funding commitments or other financing must be unconditional and must not be subject to any internal approvals, syndication requirements, diligence, or credit committee approvals and shall have covenants and conditions acceptable to the Debtors. The Debtors will view more positively Acceptable Bidders that have, or have immediate access to, the cash necessary to fund the Purchase Price directly themselves;

e. ***Bid Documents***. Each Bid must include duly executed and non-contingent transaction documents necessary to effectuate any Sale Transaction contemplated in the Bid (the "Bid Documents") and must be submitted by the Bid Deadline. The Bid Documents shall include, at a minimum: (i) a purchase agreement, the form of which will be provided to any Acceptable Bidder prior to the Bid Deadline (the "Form APA"), including the exhibits and schedules related thereto and any related material documents integral to such Bid pursuant to which the Acceptable Bidder proposes to effectuate any Sale Transaction, along with copies that are marked to reflect any amendments and modifications from the Form APA, which amendments and modifications may not be materially more burdensome than the Form APA or otherwise inconsistent with these Bidding Procedures; (ii) a schedule of Executory Contracts and Unexpired Leases proposed to be assumed by the Debtors and assigned to the Acceptable Bidder pursuant to the applicable Bid; (iii) a statement from the Acceptable Bidder specifying what, if any, other materials, conditions, due diligence, documents, exhibits, schedules, and/or ancillary materials are integral to such Bid or the Debtors' consideration thereof; (iv) any other material documents integral to such Bid; and (v) a statement from the Acceptable Bidder that (A) it is prepared to consummate the applicable Sale Transaction, subject to any necessary regulatory approvals, as specified by the Acceptable Bidder in such Bid Documents and (B) to the extent such Acceptable Bid is designated as a Qualified Bid pursuant to these Bidding Procedures, such Qualified Bid will be irrevocable (whether or not such Qualified Bid is selected as the Successful Bid or next highest or otherwise best bid (the "Back-Up Bid")) until the consummation of the applicable Sale Transaction;

f. ***No Qualified Bidder Bid Protections***: Unless such Qualified Bid is selected as a stalking horse bid (a "Stalking Horse Bid"), a Qualified Bid must include a statement that the bid does not entitle such bidder to any break-up fee, termination fee, expense reimbursement, or similar type of payment or reimbursement and a waiver of any substantial contribution administrative expense claim under section 503(b) of the Bankruptcy Code related to bidding for the applicable Assets;

g. ***Employee Obligations***. Each Bid must indicate whether the Acceptable Bidder intends to hire all employees of the Debtors. If the Acceptable Bidder does not intend to hire all employees of the Debtors, the Acceptable Bidder must include a description of the Acceptable Bidder's intentions with respect to the relevant members of the Debtors' current management team and other employees who are employed primarily in connection with the applicable Assets, and a description of any contemplated incentive plan, to the extent applicable;

h. ***Contingencies; No Financing or Diligence Outs***. The Bid must not contain any contingencies as to the validity, effectiveness, or binding nature of the Bid, including, without limitation, contingencies for due diligence and inspection or financing of any kind (including any conditions pertaining to financial performance, conditions, or prospects), and all diligence must be completed

before the Bid Deadline;

i. ***Identity & Corporate Authority***. Each Bid must: (i) fully disclose the identity of each entity that will be participating in connection with such Bid (including any equity owners, sponsors, or other co-investors), and the complete terms of any such participation, along with sufficient evidence that the Acceptable Bidder is legally empowered, by power of attorney or otherwise, to complete the applicable Sale Transaction on the terms contemplated by the parties; and (ii) include contact information for the specific person(s) and counsel whom the Debtors' advisors should contact regarding such Bid. A Bid must also fully disclose any business relationships, affiliations, or agreements with the Debtors, any other known, potential, prospective bidder, Acceptable Bidder, or Qualified Bidder, or any officer, director, or equity security holder of the Debtors. Each Bid must contain evidence that the Acceptable Bidder has obtained all necessary authorizations or approvals from its shareholders and/or its board of managers or directors, or any other internal and other approvals, as applicable, with respect to the submission of its Bid and the consummation of the transactions contemplated in such Bid;

j. ***As-Is, Where-Is***. Each Bid must include a written acknowledgement and representation that the Acceptable Bidder: (i) has had an opportunity to conduct any and all due diligence regarding the applicable Sale Transaction prior to making its offer; (ii) has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or the applicable Assets in making its Bid; (iii) did not rely, is not relying, and will not rely, on or receive from any person or entity (including any of the Debtors or their advisors or other representatives, or any information officer appointed by the Canadian Court in the Canadian Proceedings) any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied, by operation of law, or otherwise, including regarding the completeness of any information provided in connection therewith, except as expressly stated in the Acceptable Bidder's proposed purchase agreement; and (iv) agrees that, upon Closing, the Debtors shall sell and transfer to the Successful Bidder, and the Successful Bidder shall accept, the Assets identified in the Successful Bidder's proposed purchase agreement, to the extent expressly provided in the Court's order approving the applicable Sale Transaction with respect to such Assets. Neither the Debtors nor any of their advisors will be liable for or bound by any express or implied warranties, guaranties, statements, representations, or information pertaining or relating to the Assets that the Debtors, any advisor, or any agent representing or purporting to represent the Debtors might have made or furnished, directly or indirectly, orally or in writing, to any person whatsoever unless (with respect to the Debtors only) specifically set forth in the Court's order approving a Sale Transaction with respect to such Assets;

k. ***Adequate Assurance of Future Performance and Information***. Each Bid must: (i) identify the Executory Contracts and Unexpired Leases to be assumed

or assumed and assigned in connection with the applicable Sale Transaction; (ii) provide for payment of Cure Payments (as defined in the Bidding Procedures Order) related to such Executory Contracts and Unexpired Leases by the Acceptable Bidder; (iii) be accompanied by financial and other information (the "Adequate Assurance Information") that, in the Debtors' business judgment, is sufficient and adequate to demonstrate that such Acceptable Bidder (A) has the financial wherewithal and ability to consummate the applicable Sale Transaction, and (B) can satisfy the adequate assurance requirements of sections 365(b)(3) and 365(f)(2)(B) of the Bankruptcy Code; and (iv) identify a contact person that parties may contact to obtain additional Adequate Assurance Information;

l. ***Privacy Policies***. The Acceptable Bidder must comply in all respects with the Debtors' consumer privacy practices, which do not restrict the transfer of the personally identifiable information of its customers, and, with respect to the personal information of individuals in Canada, with applicable Canadian federal and provincial privacy legislation, and each Bid must contain a statement acknowledging such compliance;

m. ***No Collusion***. The Acceptable Bidder must acknowledge in writing: (i) that it has not engaged in any collusion with respect to any Bids or the applicable Sale Transaction, including specifying that it did not agree with any Acceptable Bidders or Potential Bidders to control price; and (ii) agree not to engage in any collusion with respect to any Bids, the Auction, or the applicable Sale Transaction. For the avoidance of doubt, this requirement does not restrict Potential Bidder(s) from working with other Potential Bidder(s) with the Debtors' prior written consent (with e-mail from the Debtors' advisors being sufficient);

n. ***Joint Bids***. The Debtors will be authorized to approve joint Bids in their reasonable business judgment on a case-by-case basis, so long as a joint bid meets the Qualified Bid requirements and the applicable bidders otherwise comply with these Bidding Procedures;

o. ***Acknowledgement of Compliance with these Bidding Procedures, the Bidding Procedures Order, the Bankruptcy Code, and Non-Bankruptcy Law***. Each Bid must acknowledge its compliance in all respects with these Bidding Procedures, the Bidding Procedures Order, the Bankruptcy Code, the CCAA and any orders of the Canadian Court in the Canadian Proceedings (if applicable), and any applicable non-bankruptcy law;

p. ***Good Faith Offer***. Each Bid must constitute a good faith, *bona fide* offer to consummate any Sale Transaction;

q. ***Back-Up Bid***. Each Bid shall provide that the Acceptable Bidder will serve as a Back-Up Bidder if the Acceptable Bidder's Bid is, in the Debtors' business judgment, the next highest or otherwise best bid for some or all of the Assets

after the Successful Bid and that, in the event such Bid is chosen as the Back-Up Bid, it shall remain irrevocable until the Debtors and the Successful Bidder consummate the applicable Sale Transaction;

r. ***Regulatory Approvals and Covenants***. Each Bid must set forth each regulatory and third-party approval, if any, required for the Acceptable Bidder to consummate the applicable Sale Transaction and the time period within which the Acceptable Bidder expects to receive such regulatory and third-party approvals (and in the case that receipt of any such regulatory or third-party approval is expected to take more than thirty days following execution and delivery of the applicable purchase agreement and/or confirmation of the Debtors' chapter 11 plan, those actions the Acceptable Bidder will take to ensure receipt of such approvals as promptly as possible), and any further information necessary for, or related to the likelihood of, obtaining such approvals;

s. ***Expected Closing Date***. Each Bid must state the Acceptable Bidder's expected date of closing of the applicable Sale Transaction (the "Closing"). A Bid by an Acceptable Bidder must be reasonably likely, in the Debtors' business judgment, to be consummated within a time frame acceptable to the Debtors;

t. ***No Fees***. Each Acceptable Bidder presenting a Bid or Bids will bear its own costs and expenses (including legal fees) in connection with the proposed Sale Transaction, and by submitting its Bid(s) is agreeing to disclaim any right to receive any payments or amounts analogous to a break-up fee, expense reimbursement, termination fee, or other similar form of compensation; *provided* that the Debtors are authorized to provide the Stalking Horse Bid Protections (as defined below) to one or more Stalking Horse Bidders (as defined below) in accordance with these Bidding Procedures.

u. ***Adherence to Bidding Procedures***. By submitting its Bid, each Acceptable Bidder is agreeing to abide by and honor the terms of these Bidding Procedures and agrees not to submit a Bid or seek to reopen the Auction after the conclusion of the Auction;

v. ***Consent to Jurisdiction***. Any Bidder must submit to the jurisdiction of the Court and waive any right to a jury trial in connection with any disputes relating to the Debtors' qualification of Bids, to the Auction, the Sale Transaction(s), and the construction and enforcement of these Bidding Procedures, any written indications of interest, Preliminary Bid Documents, the Bids, the Bid Documents, and any and all other agreements entered into in connection with any proposed Sale Transaction, and the Closing, as applicable, and must also submit to the jurisdiction of the Canadian Court with respect to any matter relating to the Assets of the Canadian Debtors or other Assets located in Canada or any Canadian Sale Order;

w. ***Conditions to Closing***. Each Bid must identify with particularity any

conditions to Closing, including the Executory Contracts and Unexpired Leases for which assumption and assignment is required; and

x. ***Transition Services***. Each Bid must describe the types of transition services, if any, the Acceptable Bidder would require of and/or provide to the Debtors or any of the Debtors' non-Debtor affiliates, including an estimate of the time any such transition services would be required of and/or provided to the Debtors or any of the Debtors' non-Debtor affiliates, and that the Acceptable Bidder will be responsible for the actual costs of providing any such services.

Only Bids fulfilling all of the preceding requirements contained in this Section IV, or otherwise in the Debtors' reasonable business judgment, in consultation with the Consultation Parties, may be deemed to be "Qualified Bids," and only those parties submitting Qualified Bids, as determined in the Debtors' reasonable business judgment in consultation with the Consultation Parties, may be deemed to be "Qualified Bidders."

None of the Debtors, any information officer appointed by the Canadian Court in the Canadian Proceedings or any of their respective advisors or representatives are making or have at any time made any warranties or representations of any kind or character, express or implied, with respect to the Assets and any liabilities and obligations to be assumed in connection with any Sale Transaction, including, but not limited to, any warranties or representations as to operating history or projections, valuation, governmental approvals, the compliance of any Sale Transaction with governmental laws, the truth, accuracy, or completeness of any documents related to the Assets, or any other information provided by or on behalf of the Debtors to a bidder, or any other matter or thing regarding the Assets. All Acceptable Bidders must acknowledge and agree that upon closing the Debtors shall sell and transfer to the Successful Bidder and the Successful Bidder shall accept the applicable Assets, except to the extent expressly provided in the Court's Sale Order and the Canadian Court's Sale Order, if applicable. None of the Debtors, any information officer appointed by the Canadian Court in the Canadian Proceedings or any of their respective advisors or representatives will be liable for or bound by any express or implied warranties, guaranties, statements, representations, or information pertaining or relating to the Assets that the Debtors, any advisor, or any agent representing or purporting to represent the Debtors might have made or furnished, directly or indirectly, orally or in writing, to any person whatsoever unless (with respect to the Debtors only) specifically set forth in the Court's Sale Order and the Canadian Sale Order (as defined below), if applicable.

There shall be no communications between or among Potential Bidders and/or Acceptable Bidders unless the Debtors' advisors have authorized such communication in writing (with e-mail from the Debtors' advisors being sufficient). The Debtors reserve the right, in their business judgment, in consultation with the Consultation Parties, to disqualify any Potential Bidders or Acceptable Bidders that have made communications between or among themselves without the prior authorization of the Debtors. For the avoidance of doubt, the joining of Bids between Potential Bidders or Acceptable Bidders may be permitted by the Debtors in their business judgment, in consultation with the Consultation Parties.

In advance of the Auction, as is reasonably practicable, the Debtors shall determine which Acceptable Bidders are Qualified Bidders, in consultation with the Consultation Parties, and will

notify the Acceptable Bidders whether their Bids constitute Qualified Bids, which will enable such Qualified Bidders to participate in the Auction. The Debtors shall not consider any Bid that they deem is not a Qualified Bid; *provided* that, if the Debtors receive a Bid prior to the Bid Deadline that does not satisfy the requirements of a Qualified Bid, the Debtors, in consultation with the Consultation Parties, may provide (but shall not be obligated to provide) the applicable Acceptable Bidder with the opportunity to remedy any deficiencies prior to the Auction. The Debtors shall have the right, in their business judgment, to deem a Bid a Qualified Bid even if such Bid does not conform to one or more of the requirements above.

V. The Right to Credit Bid.

Notwithstanding anything set forth in these Bidding Procedures, any Qualified Bidder who has a valid, perfected, and unavoidable lien on any Assets of the Debtors' estates (each, a "Secured Creditor") shall have the right, subject to any intercreditor subordination agreement enforceable under section 510(a) of the Bankruptcy Code, to credit bid all or a portion of the value of such Secured Creditor's claims within the meaning of section 363(k) of the Bankruptcy Code; *provided* that a Secured Creditor shall have the right to credit bid its claim only with respect to the collateral by which such Secured Creditor is secured (each, a "Credit Bid").

Any Credit Bid made by a Secured Creditor or their respective assignees, as applicable, will be deemed to be a cash Bid solely for purposes of evaluating Bids (including evaluating Qualified Bids and subsequent Bids). Any Secured Creditor who submits a Credit Bid that satisfies the requirements of these Bidding Procedures before the Bid Deadline shall be deemed to be an Acceptable Bidder, shall be deemed to have submitted a Qualified Bid, and may participate in any Auction with respect to any Assets constituting collateral of such Secured Creditor. For the avoidance of doubt, the Prepetition Agents and any agent under a postpetition financing facility may, to the extent permitted by their applicable loan documents and subject to the terms of the Intercreditor Agreement (as defined in the First Day Declaration), Credit Bid all or any portion of the outstanding Prepetition Obligations, and any obligations under such postpetition financing facility, as applicable. Any Credit Bid shall be a Qualified Bid without the need to provide any Deposit, and the Prepetition Agents and any agent under a postpetition financing facility shall each be a Qualified Bidder in connection with any such Credit Bid and shall not be required to satisfy the requirements of Section IV of these Bidding Procedures with respect to minimum bidding amounts, Good Faith Deposits, financing, or Adequate Assurance Information or any Back-up Bidder requirements. Notwithstanding the foregoing, any Credit Bid in respect of Assets of the Canadian Debtors or other property in Canada shall provide for the payment in cash on closing of all amounts secured by any charges granted by the Canadian Court in the Canadian Proceedings, and any other liens, charges, or encumbrances on such Assets, that rank in priority to the liens of the applicable Secured Creditor, unless otherwise agreed by the holders thereof.

VI. Obtaining Due Diligence Access.

Only Acceptable Bidders shall be eligible to receive due diligence information, access to the Debtors' electronic data room, and additional non-public information regarding the Debtors; *provided* that such access may be terminated by the Debtors in their reasonable discretion, including if: (a) an Acceptable Bidder does not become a Qualified Bidder; (b) the Debtors determine any bidder is no longer an Acceptable Bidder; or (c) these Bidding Procedures are terminated. ***No Acceptable Bidder will be permitted to conduct any due diligence without entry***

into a Confidentiality Agreement. Beginning on the date the Debtors determine that a party is an Acceptable Bidder, or as soon as reasonably practicable thereafter, the Debtors will provide such Acceptable Bidder with access to an electronic data room and reasonable due diligence information, as requested by such Acceptable Bidder, as soon as reasonably practicable after such request.

Acceptable Bidders will not, directly or indirectly, contact or initiate or engage in discussions in respect of matters relating to the Debtors or a potential transaction with any customer, supplier, or other contractual counterparty of the Debtors without the prior written consent of the Debtors. The due diligence period will end on the Bid Deadline, and after the Bid Deadline the Debtors shall have no obligation to furnish any due diligence information.

The Debtors and their advisors shall coordinate all reasonable requests for additional information and due diligence access from Acceptable Bidders; *provided* that the Debtors may decline to provide such information to Acceptable Bidders who, in the Debtors' reasonable business judgment, have not established, or who have raised doubt, that such Acceptable Bidders intend in good faith to, or have the capacity to, consummate a Sale Transaction. For any bidder who is a competitor or customer of the Debtors or is affiliated with any competitors or customers of the Debtors, or otherwise presents a *bona fide* competitive or strategic concern, the Debtors reserve the right to withhold or modify any diligence materials that the Debtors determine are business-sensitive or otherwise inappropriate for disclosure to such bidder.

A. Communications with Acceptable Bidders (including Qualified Bidders).

Notwithstanding anything to the contrary in these Bidding Procedures, all substantive direct communications, including any diligence requests, with Acceptable Bidders (including any Qualified Bidders) shall be through the Debtors' proposed investment banker, Cascadia Capital, LLC ("Cascadia").

The Debtors have designated Lorie Beers and Carl Comstock of Cascadia to coordinate all reasonable requests for additional information and due diligence access. They may be reached at lbeers@cascadiacapital.com and ccomstock@cascadiacapital.com.

B. Due Diligence from Acceptable Bidders (including Qualified Bidders).

Each Acceptable Bidder (including any Qualified Bidder) shall comply with all reasonable requests for additional information and due diligence access requested by the Debtors or their advisors, in consultation with the Consultation Parties, regarding the ability of such Acceptable Bidder (including any Qualified Bidder) to consummate its contemplated Sale Transaction. Failure by an Acceptable Bidder (including any Qualified Bidder, other than the Stalking Horse Bidder, if any) to comply with such reasonable requests for additional information and due diligence access may be a basis for the Debtors to determine, in consultation with the Consultation Parties, that such bidder is no longer an Acceptable Bidder or that a Bid made by such bidder is not a Qualified Bid.

VII. The Bid Deadline.

Binding Bids must be submitted in writing to the following parties (the "Notice Parties") so as to be ***actually received*** no later than 5:00 p.m. (prevailing Eastern Time) on December 9, 2026 (the "Bid Deadline"): proposed co-counsel to the Debtors: (A) White & Case LLP, 1221 Avenue of the Americas, New York, New York 10020, Attn.: Gregory F. Pesce (gregory.pesce@whitecase.com); Andrew F. O'Neill (aoneill@whitecase.com); Amanda Parra Criste (aparracriste@whitecase.com); and Varoon Sachdev (varoon.sachdev@whitecase.com), and (B) Cole Schotz P.C., Court Plaza North, 25 Main Street, Hackensack, New Jersey 07601, Attn: Michael D. Sirota, Esq. (msirota@coleschotz.com), Warren A. Usatine (wusatine@coleschotz.com), Seth Van Aalten, Esq. (svanaalten@coleschotz.com), Justin R. Alberto, Esq. (jalberto@coleschotz.com), and Daniel J. Harris, Esq. (dharris@coleschotz.com); and Cascadia, 477 Madison Avenue, Floor 18, New York, New York 10022, Attn: Lorie Beers (lbeers@cascadiacapital.com) and Carl Comstock (ccomstock@cascadiacapital.com).

The Debtors may, in consultation with the Consultation Parties, extend the Bid Deadline for any reason whatsoever in their business judgment for all or certain Acceptable Bidders.

VIII. Evaluation of Qualified Bids.

The Debtors shall evaluate Qualified Bids and identify the Qualified Bid, or combination of Qualified Bids that are, in the Debtors' business judgment, in consultation with the Consultation Parties, the highest or otherwise best Qualified Bid or combination of Qualified Bids for the Assets, as applicable (the "Starting Bid").

When determining the highest or otherwise best Qualified Bid or combination of Qualified Bids, as compared to other Qualified Bids, the Debtors may consider the following factors, in addition to any other factors that the Debtors deem appropriate: (a) the amount and nature of the total consideration, which may include, but is not limited to, assumed liabilities; (b) the number, type, and nature of any changes to the Form APA requested by each bidder in connection with each proposed asset purchase agreement, including the Assets to be acquired; (c) the likelihood of the Qualified Bidder's ability to close a transaction and the timing thereof; (d) the net economic effect of any changes to the value to be received by each of the Debtors' estates from the transaction contemplated by the Bid Documents; (e) the Debtors' regulatory requirements; (f) the tax consequences of such Qualified Bid; (g) whether the Qualified Bid contemplates a Sale Transaction that would be consummated through a Plan or a sale pursuant to section 363 of the Bankruptcy Code (and the CCAA, if applicable); (h) the certainty of a Qualified Bid leading to a confirmed chapter 11 Plan, and (i) any other consideration that may impact the Debtors or their stakeholders. Prior to commencing the Auction, the Debtors shall notify the Stalking Horse Bidder, if any, and all Qualified Bidders as to which Qualified Bid is the Starting Bid for the Auction with respect to the applicable Assets. At such time, the Debtors shall also distribute copies of the Starting Bid to the Stalking Horse Bidder, if any, and each Qualified Bidder.

IX. The Stalking Horse Bid Protections.

Pursuant to the Bidding Procedures Order, the Debtors may designate, in consultation with the Consultation Parties, one or more Bidders to be a stalking horse bidder (each a "Stalking Horse Bidder"), which are entitled to certain bid protections in the amounts set forth in, and in accordance

with the terms of the Bidding Procedures Order, consisting of (a) a break-up fee (the "Break-Up Fee") not to exceed three percent (3%) of the aggregate amount of the Purchase Price and/or (b) reimbursement of reasonable and documented out of pocket fees and expenses (the "Expense Reimbursement" and together with the Break-Up Fee, the "Stalking Horse Bid Protections"). For the avoidance of doubt, except for the Stalking Horse Bidder, and as otherwise set forth herein, no other party submitting an offer, a Bid, or a Qualified Bid shall be entitled to any Expense Reimbursement, Break-Up Fee, termination fee, or similar fee or payment.

In the event that the Debtors receive multiple Qualified Bids, at any time until November 17, 2026, at 5:00 p.m. (prevailing Eastern Time), the Debtors shall be authorized, but not obligated, in their reasonable business judgment, in consultation with the Consultation Parties, to (a) select one or more Acceptable Bidders to act as the Stalking Horse Bidder in connection with the Auction, and (b) in connection with any stalking horse agreement with a Stalking Horse Bidder (a "Stalking Horse APA") (i) agree to provide the Stalking Horse Bid Protections, consisting of (A) a Break-Up Fee not to exceed three percent (3%) of the Purchase Price and (B) reimbursement of the reasonable and documented out of pocket fees and expenses of such Stalking Horse Bidder(s).

In the event that the Debtors enter into a Stalking Horse APA with one or more Stalking Horse Bidders, within two (2) business days of entry, the Debtors shall file a notice and proposed form of order with the Court designating a Stalking Horse Bidder and authorizing entry into a Stalking Horse APA (the "Stalking Horse Notice") and serve the Stalking Horse Notice on the Stalking Horse Bidder and the U.S. Trustee. The Stalking Horse Notice shall: (a) set forth the identity of the Stalking Horse Bidder (and if the Stalking Horse Bidder is a newly formed entity, then the Stalking Horse Bidder's parent company or sponsor); (b) set forth the amount of the Bid submitted by the Stalking Horse Bidder and what portion (if any) is cash; (c) state whether the Stalking Horse Bidder has any connection to the Debtors other than those that arise from the Bid submitted by the Stalking Horse Bidder; (d) specify any proposed Stalking Horse Bid Protections (including the amount and calculation thereof); (e) specify which Assets the Bid submitted by the Stalking Horse Bidder includes; (f) attach the Stalking Horse APA, including all exhibits, schedules and attachments thereto; and (g) set forth the deadline to object to the Stalking Horse Bidder designation and any Stalking Horse Bid Protections. If there are no objections to the Stalking Horse Notice within two business days of filing with the Court (the "Notice Period"), the Debtors may submit an order to the Court that incorporates any comments received during the Notice Period that authorizes the Debtors to designate a Stalking Horse Bidder and to enter into a Stalking Horse APA, without the need for further hearing. If a party timely files an objection to the Stalking Horse Notice, the Court shall hold a hearing after the expiration of the Notice Period and as soon thereafter as the Court is available.

Upon entry of an order that authorizes the Debtors to designate a Stalking Horse Bidder and to enter into a Stalking Horse APA (the "Stalking Horse Order"), the Debtors, in consultation with the Consultation Parties, are authorized, but not directed, to incur and pay (a) the Break-Up Fee in an amount not to exceed three percent (3%) of the proposed Purchase Price and (b) the Expense Reimbursement to each Stalking Horse Bidder in accordance with the terms of such Stalking Horse Order and Stalking Horse APA.

Except as otherwise set forth herein, no person or entity, other than a Stalking Horse Bidder, shall be entitled to any Expense Reimbursement, Break-Up Fees, "topping," termination,

or other similar fee or payment, and by submitting a bid, such person or entity is deemed to have waived their right to request or to file with the Court any request for Expense Reimbursement or any fee of any nature, whether by virtue of Bankruptcy Code section 503(b) or otherwise.

X. No Qualified Bids.

If no Qualified Bids other than a Bid submitted by a Stalking Horse Bidder, if any, are received for the Assets included in such Stalking Horse Bid by the applicable Bid Deadline, then the Debtors, in consultation with the Consultation Parties, may cancel the Auction with respect to such Assets. If any Stalking Horse Bid is the only Qualified Bid received by the applicable Bid Deadline, the Debtors may decide, in their business judgment, in consultation with the Consultation Parties, to designate such Stalking Horse Bid as the Successful Bid as to the applicable Assets and pursue entry of an order approving a Sale Transaction with respect to such Assets to the Stalking Horse Bidder pursuant to the Stalking Horse APA. The Debtors shall, as soon as reasonably practicable, file notice of any cancellation of the Auction and/or designation of the Stalking Horse Bid, where applicable, as the Successful Bid with the Court.

XI. The Auction.

Except as expressly set forth herein, if the Debtors receive more than one Qualified Bid for any particular Assets or portion of Assets by the Bid Deadline, the Debtors shall conduct the Auction to determine the Successful Bidder (or Back-Up Bidder, as applicable) in their reasonable business judgment with respect to such Assets or portion of Assets in accordance with the Auction Procedures.

The Auction, if necessary, shall commence on December 11, 2026 at 10:00 a.m. (prevailing Eastern Time), or such later time or other place as the Debtors determine. The Auction shall be held at the offices of White & Case LLP, 1221 Avenue of the Americas, New York, New York 10020.

The Auction, if necessary, will be conducted in accordance with the following procedures (the "Auction Procedures"):

a. except as otherwise provided herein, only Qualified Bidders shall be entitled to bid at the Auction;

b. the Qualified Bidders, including the Stalking Horse Bidder, if any, must appear in person or through duly authorized representatives at the Auction; *provided* that Qualified Bidders may appear through a duly authorized representative bearing a valid and enforceable power of attorney or other written proof evidencing their ability to bind the applicable Qualified Bidder, which document(s) shall be delivered to the Debtors and their advisors prior to the commencement of the Auction;

c. only the Debtors, Qualified Bidders, the Consultation Parties, the U.S. Trustee, if applicable, any information officer appointed by the Canadian Court in the Canadian Proceedings, and such parties' representatives and advisors may attend the Auction;

d. the Debtors, with the assistance of their advisors, shall direct and preside over any Auction;

e. at the commencement of the Auction, the Debtors may announce modified or additional procedures for conducting the Auction and related rules governing the Auction, including time periods available to all Qualified Bidders to submit successive bid(s), or otherwise modify these Bidding Procedures;

f. bidding shall begin with the Starting Bid;

g. subsequent bids (each, an "Overbid") may only be made at the Auction and shall be at least (i) a $250,000 increase in cash, cash equivalents, or other such consideration that the Debtors, in their reasonable business judgment, deem equivalent over the previous bid *plus* (ii) in the event that the Debtors have entered into a Stalking Horse APA to which the Overbid relates, the aggregate amount of Stalking Horse Bid Protections (including, for the avoidance of doubt, any Break-Up Fees and/or Expense Reimbursements) under such Stalking Horse APA (a "Minimum Overbid"), and each successive Overbid shall exceed the then-existing Overbid by an incremental amount that is not less than the Minimum Overbid. The Debtors may, in their reasonable business judgment, in consultation with the Consultation Parties, announce increases or reductions to the Minimum Overbid at any time during the Auction. For the avoidance of doubt, each successive Bid that a Qualified Bidder may submit at the Auction must contain a Purchase Price in cash, cash equivalents, or such other consideration that the Debtors, in their reasonable business judgment deem equivalent that exceeds the then existing highest Bid by at least the amount of the Minimum Overbid; *provided*, that a Credit Bid may be increased at the Auction on a dollar for dollar basis by additional Credit Bid amounts, and no credit bidder shall be required to include cash consideration in any overbid except as required by section 363(k) of the Bankruptcy Code or any order of the court, each of which rights are expressly reserved;

h. each Qualified Bidder will be permitted a reasonable time, as determined by the Debtors, to respond to previous bids at the Auction; *provided* that, unless the Debtors determine otherwise, a failure to respond and submit successive bid(s) at the Auction may result in disqualification from participating in the Auction;

i. during the course of the Auction, the Debtors shall, after the submission of each Overbid, promptly inform each Qualified Bidder of the terms of the previous bids and inform each Qualified Bidder which Overbid(s) reflect, in the Debtors' view, the highest or otherwise best bid(s) with respect to the Assets;

j. the Debtors may require each Qualified Bidder to submit an Overbid with respect to each round of bidding in order to remain eligible to participate in the Auction, and, to the extent a Qualified Bidder fails to submit an Overbid with respect to such round of bidding, the Debtors may disqualify such Qualified Bidder from continuing to participate in the Auction;

k. the Auction will be transcribed to ensure an accurate recording of the bidding at the Auction;

l. each Qualified Bidder will be required to confirm on the record that it has not engaged, and will not engage, in any collusion with respect to the bidding or any Sale Transaction. For the avoidance of doubt, this requirement does not restrict Qualified Bidder(s) from working with other Qualified Bidder(s) with the Debtors' prior written consent (with e-mail from the Debtors' advisors being sufficient);

m. each Qualified Bidder will be required to confirm on the record that its Bid is a good faith, *bona fide* offer and that it intends to consummate the applicable Sale Transaction if selected as the Successful Bid in accordance with these Bidding Procedures (as may be modified in accordance herewith at the Auction);

n. subject to each Debtor's fiduciary obligations, including as set forth herein, the Court and the Debtors will not consider Bids made after the Auction has concluded;

o. the Debtors, in their reasonable business judgment, in consultation with the Consultation Parties, may reject, at any time before entry of an order of the Court approving a Successful Bid, any Bid that the Debtors determine is: (i) inadequate or insufficient; (ii) not in conformity with the requirements of the Bankruptcy Code, these Bidding Procedures, the CCAA or any orders of the Canadian Court in the Canadian Proceedings (if applicable), or the terms and conditions of the applicable Sale Transaction; or (iii) contrary to the best interests of the Debtors, their estates, and/or their stakeholders;

p. the Debtors have the right to request any additional information that will allow the Debtors to make a reasonable determination as to a Qualified Bidder's financial and other capabilities to consummate the Sale Transaction contemplated by their proposal and any further information that the Debtors believe is reasonably necessary to clarify and evaluate any Bid made by a Qualified Bidder during the Auction;

q. the Debtors, in consultation with the Consultation Parties, may choose to adjourn the Auction one or more times to, among other things: (i) facilitate discussions between the Debtors and Qualified Bidders; (ii) allow Qualified Bidders the opportunity to consider how they wish to proceed; and (iii) allow Qualified Bidders the opportunity to provide the Debtors with such additional evidence as the Debtors, in their business judgment, may require that the Qualified Bidder has sufficient internal resources or has received sufficient non-contingent debt and/or equity funding commitments to consummate the proposed Sale Transaction at the prevailing amount, or to clarify any Bid; and

r. the Debtors reserve the right to further amend, waive, or otherwise modify the Auction Procedures at any time, in consultation with the Consultation Parties.

For the avoidance of doubt, nothing in these Bidding Procedures, including the Auction Procedures, will prevent the Debtors from exercising their respective fiduciary duties under applicable law (as determined by the Debtors in consultation with counsel).

XII. Acceptance of the Successful Bid.

The Auction shall continue until: (a) there is only one Qualified Bid or a combination of Qualified Bids with respect to all or any portion of the Assets that the Debtors determine, in their reasonable business judgment and in a manner consistent with the exercise of their fiduciary duties and outlined below in further detail, and in consultation with the Consultation Parties, is the highest or otherwise best Bid to purchase the applicable Assets (each, a "Successful Bid"); and (b) the Debtors determine, in their reasonable business judgment, in consultation with the Consultation Parties, that further bidding is unlikely to result in a different Successful Bid or Successful Bids that would be reasonably acceptable to the Debtors, at which point, the Auction will be closed.

When determining the highest or otherwise best Qualified Bid, as compared to other Qualified Bids, the Debtors may consider the following factors in addition to any other factors that the Debtors deem appropriate: (a) the amount and nature of the total consideration, which may include, but is not limited to, assumed liabilities; (b) the likelihood of the Qualified Bidder's ability to close a transaction and the timing thereof; (c) the net economic effect of any changes to the value to be received by each of the Debtors' estates from the transaction contemplated by the Bid Documents; (d) the Debtors' regulatory requirements; (e) the tax consequences of such Qualified Bid; (f) whether the Qualified Bid contemplates a Sale Transaction that would be consummated through a Plan or a sale pursuant to section 363 of the Bankruptcy Code (and the CCAA, if applicable); (g) the certainty of a Qualified Bid leading to a confirmed chapter 11 Plan, and (h) any other consideration that may impact the Debtors or their stakeholders.

Any Qualified Bidder that submits a Successful Bid will be deemed a "Successful Bidder" with respect to the Assets contemplated for purchase pursuant to such Successful Bid. The Debtors shall file notice of the Successful Bid and the Successful Bidder with the Court as soon as reasonably practicable after conclusion of the Auction (or if no Auction is held, the Bid Deadline). Following conclusion of the Auction and selection of one or more Successful Bidders, the Debtors shall present the results of the Auction at a hearing with the Court and shall seek the Sale Order, among other things, (a) making certain findings from the Court regarding the Auction, including, among other things, that (i) the Auction was conducted, and the Successful Bidder or Successful Bidders were selected, in accordance with these Bidding Procedures, (ii) the Auction was fair in substance and procedure, and (iii) consummation of the Successful Bid or Successful Bids will provide the highest or otherwise best value for the Assets and is in the best interests of the Debtors' estates, and (b) authorizing the applicable Debtors to enter into one or more binding purchase agreements with the Successful Bidder or Successful Bidders on the terms of the Successful Bid or Successful Bids; *provided* that, notwithstanding anything to the contrary in these Bidding Procedures, nothing in these Bidding Procedures shall require the board of directors, board of managers, or such similar governing body of any Debtor to take or refrain from taking any action

that the Debtors determined, in consultation with counsel, would be inconsistent with applicable law or its fiduciary obligations under applicable law. If applicable, the Foreign Representative shall seek an Order of the Canadian Court (the "Canadian Sale Order") pursuant to section 49 of the CCAA, among other things, (x) recognizing and enforcing the Sale Order in Canada, and (y) if necessary, approving the sale of the Assets of the Canadian Debtors or Assets otherwise located in Canada to the applicable Successful Bidder or Successful Bidders in accordance with the applicable binding purchase agreement or binding purchaser agreements.

Within one business day of the selection of the Successful Bidder, such Successful Bidder (including both the Stalking Horse Bidder, if any, and Back-Up Bidder, if applicable) shall make a cash deposit, in addition to its Good Faith Deposit, in an amount calculated on the basis of the increased aggregate purchase price such that the Successful Bidder's total cash deposit is equal to ten percent (10%) of the aggregate purchase price contemplated in the Successful Bid, which amount shall be submitted by wire transfer of immediately available funds to an escrow account to be identified and established by the Debtors pursuant to a customary and reasonable escrow agreement. Each Successful Bidder and the Debtors shall, as soon as commercially reasonable and practicable, complete and sign all agreements, contracts, instruments, or other documents evidencing and containing the terms upon which each such Successful Bid was made.

XIII. The Designation of a Back-Up Bidder.

The party that submits the Back-Up Bid, if any, to purchase any applicable Assets (the "Back-Up Bidder") will be determined by the Debtors, in consultation with the Consultation Parties, at the conclusion of the Auction and will be announced at that time to all the Qualified Bidders participating in the Auction. The Debtors' selection of a Back-Up Bid shall be deemed final, and the Debtors shall not accept any further bids or offers to submit a bid after such selection. The Debtors will be authorized, but not required, to consummate the Sale Transaction with the Back-Up Bidder without further order of the Court (or the Canadian Court, if applicable), so long as such Back-Up Bid shall have been approved in connection with the Court's (and Canadian Court's, if applicable) approval of the Successful Bid, or, if not, subject to Court (and Canadian Court, if applicable) approval.

If, for any reason, a Successful Bidder fails to consummate the purchase of the applicable Assets within the time permitted, then the Back-Up Bidder will, unless otherwise determined by the Debtors in their business judgment, automatically be deemed to have submitted the Successful Bid, and the Back-Up Bidder shall be deemed a Successful Bidder and shall be required to consummate any Sale Transaction with the Debtors as soon as is reasonably practicable without further order of the Court (or Canadian Court, if applicable). To the extent any objections to such sale are raised and remain unresolved, the Court (and Canadian Court, if applicable) may schedule a hearing on an expedited basis to adjudicate such objections.

The Back-Up Bid shall remain open and irrevocable until the earliest to occur of (a) ninety days following the hearing to consider the applicable order approving the Sale Transaction(s) (the "Sale Order"), (b) the effective date of a chapter 11 Plan, (c) the consummation of the applicable Successful Bids, and (d) the release of such Back-Up Bid by the Debtors in writing (the "Back-Up Termination Date"). The Debtors shall return the Back-Up Bidder's deposit owed within five business days of the Back-Up Termination Date.

XIV. Approval of the Sale Transaction(s).

A hearing to consider approval of each Sale Transaction (the "Sale Hearing"), is currently scheduled to take place on December 15, 2026, at a time to be announced, or as soon thereafter as the Debtors may be heard, before the Honorable Stacey L. Meisel, United States Bankruptcy Judge, in Courtroom 3A of the United States Bankruptcy Court for the District of New Jersey at 50 Walnut Street, Newark, New Jersey 07102, or conducted consistent with the procedures established pursuant to the Court's standing orders. A hearing to consider approval of each Canadian Sale Order shall be scheduled to the extent a Successful Bid includes Assets of the Canadian Debtors or Assets otherwise located in Canada.

At the Sale Hearing, the Debtors shall present the results of the Auction at a hearing and shall seek the Sale Order, among other things (a) making certain findings from the Court regarding the Auction, including, among other things, that (i) the Auction was conducted, and the Successful Bidder or Successful Bidders were selected, in accordance with these Bidding Procedures, (ii) the Auction was fair in substance and procedure, and (iii) consummation of the Successful Bid or Successful Bids will provide the highest or otherwise best value for the Assets and is in the best interests of the Debtors' estates, and (b) authorizing the applicable Debtors to enter one or more binding purchase agreements with the Successful Bidder or Successful Bidders on the terms of the Successful Bid or Successful Bids. **The Sale Hearing may be continued to a later date by the Debtors, in consultation with the Consultation Parties, by sending notice to creditors or other parties in interest prior to, or by making an announcement at, the Sale Hearing. No further notice of any such continuance will be required to be provided to any party (including any Stalking Horse Bidder, if any). The Sale Hearing may be the confirmation hearing with respect to the Debtors' Plan**. If applicable, the Foreign Representative shall seek the Canadian Sale Order, from the Canadian Court in the Canadian Proceedings as soon as reasonably practicable following entry of the applicable Sale Order.

Objections to the Sale Transaction(s) and the Sale Order must: (a) be in writing and specify the nature of such objection; (b) comply with the Bankruptcy Code, Bankruptcy Rules, Local Rules, and all orders of the Court; and (c) be filed with the Court and served so as to be ***actually received*** by the Debtors by December 14, 2026, at 5:00 p.m., prevailing Eastern Time.

XV. Return of Good Faith Deposit.

The Good Faith Deposit(s) of the Successful Bidder or Successful Bidders, if any, will, upon consummation of the Successful Bid or Successful Bids, become property of the Debtors' estates and be credited to the portion of such Successful Bidder's or Successful Bidders' applicable Purchase Price.

If the Successful Bidder or Successful Bidders (or Back-Up Bidder or Back-Up Bidders, if applicable), if any, fails to consummate the Successful Bid or Successful Bids (or Back-Up Bid or Back-Up Bids, if applicable), then the Good Faith Deposit(s) of such Successful Bidder or Successful Bidders (or Back-Up Bidder or Back-Up Bidders, if applicable) will be irrevocably forfeited to the Debtors and may be retained by the Debtors as liquidated damages, in addition to all rights, remedies, or causes of action that may be available to the Debtors.

The Good Faith Deposits of any unsuccessful Qualified Bidders (except for any Back-Up Bidder or Back-Up Bidders and any Stalking Horse Bidders) will be returned within five (5) business days after consummation of the applicable Sale Transaction or upon the permanent withdrawal of the applicable proposed Sale Transaction.

The Good Faith Deposit(s) of any Back-Up Bidder or Back-Up Bidders, if any, will be returned to such Back-Up Bidder or Back-Up Bidders no later than five business days of the Back-Up Termination Date.

The return of any Good Faith Deposits of any Stalking Horse Bidders will be subject to the terms of the applicable Stalking Horse APA. All such Good Faith Deposits shall be held in escrow and at no time shall be deemed property of the Debtors' estates absent further order of the Court.

XVI. Reservation of Rights.

The Debtors reserve their rights to modify these Bidding Procedures in good faith to further the goal of attaining the highest or otherwise best offer or impose, at or prior to the Auction (if held), additional terms and conditions on the Sale Transaction(s) in any manner that will best promote the goals of the bidding process including, without limitation: (a) extending the deadlines set forth in these Bidding Procedures; (b) adjourning the Auction; (c) adding procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction (if held); (d) canceling the Auction; (e) rejecting any or all Bids or Qualified Bids; and (f) adjusting the applicable Minimum Overbid. Notwithstanding anything to the contrary herein, the Debtors may elect to consummate the Sale with the Successful Bidder or Successful Bidders under section 363 of the Bankruptcy Code (and the CCAA, if applicable) as opposed to pursuant to the Plan.

XVII. Consent to Jurisdiction.

All Qualified Bidders at the Auction will be deemed to have consented to the jurisdiction of the Court and waived any right to a jury trial in connection with any disputes relating to the Auction, the Sale Transaction(s), and the construction and enforcement of these Bidding Procedures, any written indications of interest, Preliminary Bid Documents, the Bids, the Bid Documents, and any and all other agreements entered into in connection with any proposed Sale Transaction, as applicable, and consented to the entry of a final order or judgment in any way related to these Bidding Procedures, the bid process, the Auction, the Sale Hearing, or the construction and enforcement of any agreement or any other document relating to any Sale Transaction if it is determined that the Court would lack Article III jurisdiction to enter such a final order or judgment absent the consent of the parties. Further, all Qualified Bidders at the Auction will also be deemed to have attorned to the jurisdiction of the Canadian Court with respect to any matter relating to the Assets of the Canadian Debtors or other property in Canada or any Canadian Sale Order.

Any parties raising a dispute relating to these Bidding Procedures must request that such dispute be heard by the Court on an expedited basis.

XVIII. Fiduciary Out.

Notwithstanding anything to the contrary in these Bidding Procedures or any document filed with or entered by the Court, nothing in these Bidding Procedures or the Bidding Procedures Order shall require a Debtor or its board of directors, board of managers, or similar governing body to take any action or to refrain from taking any action with respect to any Sale Transaction or these Bidding Procedures, to the extent such Debtor, board of directors, board of managers, or such similar governing body determines, in consultation with counsel, that taking or failing to take such action, as applicable, would be inconsistent with applicable law or its fiduciary obligations under applicable law.

Further, notwithstanding anything to the contrary in these Bidding Procedures or any document filed with or entered by the Court, until the entry of the Sale Order, the Debtors and their respective directors, managers, officers, employees, investment bankers, attorneys, accountants, consultants, and other advisors or representatives shall have the right to: (a) consider, respond to, and facilitate alternate proposals for sales or other transactions involving any or all of the Assets (each, an "Alternate Proposal"); (b) provide access to non-public information concerning the Debtors to any entity or enter into confidentiality agreements or nondisclosure agreements with any entity; (c) maintain or continue discussions or negotiations with respect to Alternate Proposals; (d) otherwise cooperate with, assist, participate in, or facilitate any inquiries, proposals, discussions, or negotiations of Alternate Proposals; and (e) enter into or continue discussions or negotiations with any person or entity regarding any Alternate Proposal.

XIX. Commissions.

NOTICE TO CONTRACT PARTIES TO POTENTIALLY ASSUMED EXECUTORY CONTRACTS AND UNEXPIRED LEASES

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU OR ONE OF YOUR AFFILIATES ARE A COUNTERPARTY TO AN EXECUTORY CONTRACT OR UNEXPIRED LEASE WITH ONE OR MORE OF THE DEBTORS AS SET FORTH ON **EXHIBIT A** ATTACHED HERETO.

PLEASE TAKE NOTICE that on [●], 2026, the United States Bankruptcy Court for the District of New Jersey (the "Court") entered the *Order (I) Approving the Bidding Procedures and Stalking Horse Bid Protections, (II) Scheduling Certain Dates and Deadlines with Respect Thereto, (III) Approving the Form and Manner of Notice Thereof, (IV) Establishing Notice and Procedures for the Assumption and Assignment of Contracts and Leases, (V) Authorizing the Assumption and Assignment of Assumed Contracts, (VI) Authorizing the Sale of Assets, and (VII) Granting Related Relief* [Docket No. [__]] (the "Bidding Procedures Order")[2] in the chapter 11 cases of the above-captioned debtors and debtors in possession (collectively, the "Debtors"). On [__], 2026, the Ontario Superior Court of Justice (Commercial List) granted an order, among other things, recognizing and enforcing the Bidding Procedures Order in Canada.

PLEASE TAKE FURTHER NOTICE that, pursuant to the Bidding Procedures and the terms of any Successful Bid, the Debtors **may** assume and assign to the Successful Bidder the Executory Contracts and Unexpired Leases listed on **Exhibit A** to which you are a counterparty, upon approval of any Sale Transaction. The Debtors have conducted a review of their books and records and have determined that the Cure Payment under such Executory Contract or Unexpired Lease is as set forth on **Exhibit A**.

PLEASE TAKE FURTHER NOTICE that if you disagree with the proposed Cure Payment, object to a proposed assignment to the Successful Bidder of your Executory Contract or Unexpired Lease, or dispute the ability of the Successful Bidder to provide adequate assurance of future performance with respect to any Contract, your objection must: (a) be in writing; (b) comply with the applicable provisions of the Bankruptcy Rules, the Local Rules, and any order governing the administration of these chapter 11 cases; (c) state with specificity the nature of the objection and, if the objection pertains to the proposed Cure Payments, state the correct Cure Payments alleged to be owed to the objecting Contract or Lease Counterparty, together with any applicable and appropriate documentation in support thereof; and (d) be filed with the Court and served and **actually received no later than December 14, 2026, at 5:00 p.m. (prevailing Eastern Time) (the "Sale Objection Deadline")** by the Court and the following parties: (i) proposed co-counsel to the Debtors (A) White & Case LLP, 1221 Avenue of the Americas, New York, New York 10020, Attn.: Gregory F. Pesce (gregory.pesce@whitecase.com); Andrew F. O'Neill (aoneill@whitecase.com); Amanda Parra Criste (aparracriste@whitecase.com); and Varoon Sachdev (varoon.sachdev@whitecase.com), and (B) Cole Schotz P.C., Court Plaza North, 25 Main Street, Hackensack, New Jersey 07601, Attn.: Michael D. Sirota (msirota@coleschotz.com); Warren A. Usatine

[2] Capitalized terms used but not defined in this notice have the meanings given to them in the Bidding Procedures Order.

(wusatine@coleschotz.com), Seth Van Aalten (svanaalten@coleschotz.com); Justin R. Alberto (jalberto@coleschotz.com), and Daniel J. Harris, Esq. (dharris@coleschotz.com); (ii) counsel to the Successful Bidder, if any; (iii) the Office of the United States Trustee for the District of New Jersey, Attn: Fran B. Steele (fran.b.steele@usdoj.gov) and Aiden Murphy (aiden.murphy@usdoj.gov); and (iv) any other party that has filed a notice of appearance in these chapter 11 cases; *provided* that the Debtors may modify the Sale Objection Deadline by filing a notice of such modification on the Court's docket.

PLEASE TAKE FURTHER NOTICE that if no objection to (a) the Cure Payments, the proposed assignment and assumption of any Executory Contract or Unexpired Lease, or adequate assurance of the Successful Bidder's ability to perform is filed by the Sale Objection Deadline, then (i) you will be deemed to have stipulated that the Cure Payments as determined by the Debtors are correct, (ii) you will be forever barred, estopped, and enjoined from asserting any additional Cure Payments are due under the Executory Contract or Unexpired Lease, and (iii) you will be forever barred, estopped, and enjoined from objecting to such proposed assignment to the Successful Bidder on the grounds that the Successful Bidder has not provided adequate assurance of future performance as of the closing date of any Sale Transaction.

PLEASE TAKE FURTHER NOTICE that any objection to the proposed assumption and assignment of an Executory Contract or Unexpired Lease or related Cure Payments in connection with the Successful Bid that otherwise complies with these procedures yet remains unresolved as of the commencement of the Sale Hearing shall be heard at a later date as may be fixed by the Court.

PLEASE TAKE FURTHER NOTICE that, notwithstanding anything herein, the listing of any Executory Contract or Unexpired Lease on the Assumption Notice or any Supplemental Assumption Notice does not require or guarantee that such Executory Contract or Unexpired Lease will be assumed or assumed and assigned by the Debtors, and all rights of the Debtors and the Successful Bidder with respect to such Executory Contracts and/or Unexpired Leases are reserved. Moreover, the Debtors explicitly reserve the right, in their reasonable discretion, to seek to reject or assume each Executory Contract or Unexpired Lease pursuant to section 365(a) of the Bankruptcy Code and in accordance with the procedures allowing the Debtors and/or the Successful Bidder, as applicable, to designate any Executory Contract or Unexpired Lease as either rejected or assumed on a post-closing basis.

PLEASE TAKE FURTHER NOTICE that, nothing herein (i) alters in any way the prepetition nature of the Executory Contracts or Unexpired Leases or the validity, priority, or amount of any claims of a counterparty to any Executory Contract or Unexpired Lease against the Debtors that may arise under such Executory Contract or Unexpired Lease, (ii) creates a postpetition contract or agreement, or (iii) elevates to administrative expense priority any claims of a counterparty to any Executory Contract or Unexpired Lease against the Debtors that may arise under such Executory Contract or Unexpired Lease.

Commitments and availability (including borrowing base formula) Bankruptcy Rule 4001(c)(1)(B); Local Rule 4001-3(b)(2)(A)	ABL commitment: $166,000,000 and estimated initial net availability (based on current borrowing base estimates) of approximately $11,000,000. The Canadian Revolving Credit Ceiling is $16,000,000. The LC sublimit is $20,000,000, including a $1,000,000 Canadian LC sublimit; both the U.S. and Canadian swing line sublimits are zero. DIP ABL Credit Agreement § 1.01 ("Aggregate Revolving Commitments," "Canadian Revolving Credit Ceiling," "Letter of Credit Sublimit," "Canadian Letter of Credit Sublimit," "U.S. Swing Line Sublimit," "Canadian Swing Line Sublimit"). ABL capacity is the lesser of commitments and the aggregate borrowing base, subject to separate U.S./Canadian caps and outstanding exposure. The bases generally comprise 90% of eligible card receivables; 90% of eligible trade receivables net of reserves; and eligible inventory cost, net of reserves, multiplied by the Inventory Advance Rate of net orderly liquidation value. The Inventory Advance Rate is 90% multiplied by 100% multiplied by the inverse of the projected prevailing discount for the following week, as determined by the DIP ABL Agent in its reasonable discretion. In-transit inventory is included, subject to a 25% cap measured against the Revolving Loan Cap without giving effect to the Term Loan Pushdown Reserve (U.S.) or the lesser of the Canadian base and Canadian ceiling (Canada). Warehoused inventory is capped at the lesser of 10% of that applicable cap and $40 million (U.S.) / $4 million (Canada). Availability Reserves, including Carve Out, Canadian Charge and augment-merchandise reserves, reduce availability under the bases; the Term Loan Pushdown Reserve further reduces availability under the aggregate base. DIP ABL Credit Agreement § 1.01 ("U.S. Revolving Borrowing Base," "Canadian Revolving Borrowing Base," "Inventory Advance Rate," "Aggregate Revolving Borrowing Base," "Revolving Loan Cap," "Availability Reserves," "Term Loan Pushdown Reserve"), §§ 2.01, 4.02; Interim Order ¶ 3. Both DIP Facilities require minimum Excess Availability. The DIP ABL Facility requires at least the greater of 10% of the Global Line Cap and $35,000,000 at all times. The DIP Term Facility requires $35,000,000, reduced cumulatively by 50% of cash Net Proceeds actually received from Term Agent-approved dispositions of Intellectual Property or Real Estate, subject to a zero floor. The term step-down does not reduce the ABL minimum. DIP ABL Credit

ABL and Term lenders may not bid for the others' collateral unless such bid provides for the cash payment in full of the outstanding obligations secured by such collateral. Interim Order ¶ 25.
Affiliate funding / joint liability Bankruptcy Rule 4001(c)(1)(B); Local Rule 4001-3(c)(12)–(13)	The Debtors are jointly and severally liable for the obligations under the DIP Facilities without substantive consolidation; collateral and inter-estate exposure follow the applicable loan-party obligations and Lien Priority Annex. Interim Order ¶¶ 2, 4, 50, Ex. A. Nondebtor subsidiaries will be funded using cash collateral in the ordinary course, subject to the DIP budget.
Other local disclosures Local Rule 4001-3	The shared DIP Collateral secures the respective ABL and Term Obligations with reciprocal collateral-class priorities: ABL liens rank ahead of Term liens on ABL Priority Collateral, and Term liens rank ahead of ABL liens on Term Priority Collateral, subject to the Carve Out, the CCAA Priority Charges, and permitted prior liens. Interim Order ¶¶ 5–7, 11–14, Ex. A (Lien Priority Annex).

Background

6. Founded in 1969 and headquartered in Secaucus, New Jersey, the Debtors own and operate a specialty retailer of children's apparel, accessories, and footwear, operating under The Children's Place and Gymboree brands. The Debtors design and source products through third-party manufacturers and sell them at value prices for babies, toddlers, and children. The Debtors reach customers through two digital storefronts, retail stores in North America, and wholesale marketplaces, including Amazon, a key customer acquisition channel. Internationally, various franchise and wholesale partners distribute the Debtors' products in thirteen countries, generating product sales and royalty revenue for the Debtors.

7. On November 8, 2026 (the "Petition Date"), each Debtor filed a voluntary petition

for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases and no official committees have been appointed or designated.

The Debtors' Prepetition Capital Structure

8. Prior to the Petition Date, the Debtors financed their operations in part through a $350 million asset-based revolving credit facility (the "Prepetition ABL Facility") entered into on May 9, 2019, as amended, with Wells Fargo Bank, National Association. The borrowers under the Prepetition ABL Facility include The Children's Place, Inc.; The Children's Place Services Company, LLC; The Children's Place (Canada), LP; TCP Brands, LLC; and The Children's Place International, LLC, with certain additional subsidiaries providing guarantees. As of the Petition Date, note less than $130,412,000 in borrowings, including $19,381,000 in standby letters of credit were outstanding under the Prepetition ABL Facility. The obligations thereunder are secured by first-priority liens on substantially all of the Debtors' assets other than the Term Priority Collateral, on which the ABL lenders hold second-priority liens.

9. The Debtors are also obligors under a $100 million term loan facility entered into on December 16, 2025, as amended, with Crystal Financial LLC d/b/a SLR Credit Solutions (the "Prepetition Term Loan Facility"). The proceeds of the Prepetition Term Loan Facility were used to partially repay borrowings under the Prepetition ABL Facility, and $100 million remained outstanding as of the Petition Date. The obligations under the Prepetition Term Loan Facility are secured by first-priority liens on specified intellectual property, real estate, furniture, fixtures,

equipment, and equity interests constituting Term Priority Collateral, and second-priority liens on the ABL Priority Collateral. The relative lien priorities and certain other rights of the ABL and term loan secured parties are governed by an intercreditor agreement dated December 16, 2025.

10. In addition to their secured debt, the Debtors are party to four unsecured, subordinated promissory notes issued to Mithaq Capital SPC between February 2024 and September 2026 (collectively, the "Mithaq Term Loans"), with approximately $151 million outstanding as of the Petition Date. The Mithaq Term Loans are contractually subordinated in payment priority to the obligations under the Prepetition ABL Facility and the Prepetition Term Loan Facility pursuant to an amended and restated subordination agreement dated December 16, 2025, as amended. Mithaq is also the Company's controlling stockholder, beneficially owning approximately 61.1% of its outstanding common stock. The Debtors' remaining obligations include ordinary-course liabilities to merchandise vendors, landlords, freight and logistics providers, taxing authorities, and other counterparties.

Debtors' Need for DIP Financing

11. The Debtors require immediate access to the DIP Facilities to fund the operations necessary to implement their value-maximizing chapter 11 strategy. Specifically, the DIP Facilities will provide critical liquidity to, among other things, (a) execute an orderly liquidation of inventory through store closing sales, allowing the Debtors to maximize inventory recoveries during the holiday selling season; (b) pay employees and other key stakeholders, including vendors and service providers whose continued support is essential to maintaining the streamlined operations necessary to conduct those sales and preserve enterprise value; and (c) continue marketing the Debtors' business and assets for a potential going-concern sale in accordance with the proposed Bidding Procedures. These parallel processes will permit the Debtors to monetize

inventory while preserving the opportunity to consummate a going-concern transaction that yields greater value for their estates and stakeholders. Without the liquidity provided by the DIP Facilities, the Debtors' ability to execute these processes and maximize recoveries would be materially impaired.

Negotiation of the DIP Facilities

12. In the months leading up to these Chapter 11 Cases, the Debtors and their advisors constructively engaged with the Debtors' prepetition secured lenders regarding the best path forward for the Company. When it became clear that the Company would need to pursue a bankruptcy filing, the parties negotiated debtor-in-possession financing that was informed by the Company's anticipated funding needs during these cases, including the liquidity necessary to implement its proposed sale and orderly liquidation strategy. Those negotiations culminated in the proposed DIP Credit Agreements and Interim Order that are the subject of this Motion.

13. Further, as described in the *Declaration of Lorie Beers in Support of the Debtors' DIP Motion* (the "Beers Declaration"), filed contemporaneously herewith, the Debtors and their advisors market-tested the proposed financing to determine whether more favorable financing was available and whether the proposed DIP Facilities were in the best interests of the Debtors' estates. No party contacted was willing to provide DIP financing on a junior basis or financing sufficient to repay the Company's prepetition secured obligations in full. Moreover, the Company's prepetition secured lenders were unwilling to consent to being primed by a third-party DIP facility. Accordingly, the Debtors determined to proceed with the DIP Facilities provided by the Prepetition Lenders. Beers Declaration ¶¶ 10–12.

Proposed Adequate Protection of Prepetition Lenders

14. The Interim Order will grant adequate protection as follows:

- Adequate Protection Liens. The Prepetition ABL Agent and Prepetition Term Agent will receive liens on the DIP Collateral to protect against diminution in value of their respective interests in Prepetition Collateral, subject to the Carve Out, the CCAA Priority Charges, the ICA and the collateral-specific priorities in the Lien Priority Annex. Interim Order ¶¶ 11–12 and Ex. A.

- Adequate Protection Superpriority Claims. The Prepetition Agents will receive claims under section 507(b) for diminution in value, subject to the Carve Out, the CCAA Priority Charges and the relative priorities in the Lien Priority Annex, including the DIP Superpriority Claims. Interim Order ¶¶ 13–14 and Ex. A.

- Adequate Protection Payments. The proposed Interim Order authorizes payment of principal and interest (at the default rate) due on remaining Prepetition Secured Obligations, subject to preserved Challenge rights, and reasonable documented prepetition and postpetition fees and expenses, subject to the applicable terms of the Interim Order and the ICA. Specified Prepetition Indemnification Obligations are payable as and when they arise, subject to the applicable Prepetition Documents. Interim Order ¶¶ 15, 36.

- Additional Adequate Protection. The Prepetition Secured Parties reserve the right to seek additional protection. Interim Order ¶ 17.

- Budget and Other Covenants. Borrowings and Cash Collateral use remain subject to the approved 13-week budget, agreed variance tests and reporting obligations, and the Debtors must maintain the required cash-management arrangements[4] and comply with collateral-maintenance, reporting and advisor-retention covenants under both DIP Facilities. Interim Order ¶¶ 19–20, 27–28; DIP ABL Credit Agreement §§ 6.13, 6.24–6.29, 7.20; DIP Term Credit Agreement §§ 6.13, 6.24–6.29, 7.20.

Basis for Relief

I. The Debtors Should Be Authorized to Obtain Postpetition Financing Under the DIP Facilities.

15. The Debtors satisfy the requirements for relief under section 364 of the Bankruptcy Code, which authorizes a debtor to obtain secured or superpriority financing. The Debtors were

[4] *See* Debtors' *Motion for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Continue Operating Their Cash Management System and Honor Prepetition Obligations Related Thereto, (B) Maintain Existing Bank Accounts, (C) Perform Intercompany Transactions in the Ordinary Course, and (D) Maintain Existing Business Forms; (II) Granting an Interim Extension and Final Waiver of the Section 345(b) Deposit and Investment Requirements; (III) Granting Related Relief*, filed in connection herewith.

unable to procure sufficient financing in the form of unsecured credit, which would be allowable under section 503(b)(1) or as an administrative expense, in accordance with sections 364(a) or (b) of the Bankruptcy Code. *See* 11 U.S.C. §§ 364(a)–(b). The Debtors also negotiated vigorously, and at arm's length, with the DIP Lenders to secure the DIP Facilities on the terms described herein. For these reasons, as discussed further below, the Debtors satisfy the necessary conditions under section 364 for authority to enter into the DIP Facilities.

A. Entry into the DIP Facilities Is an Exercise of the Debtors' Sound Business Judgment.

16. The Court should authorize the Debtors, as an exercise of their sound business judgment, to enter into the DIP Loan Documents and obtain access to the DIP Facilities. Courts grant a debtor in possession considerable deference in acting in accordance with its business judgment in obtaining postpetition secured credit, so long as the agreement to obtain such credit does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code. *See, e.g.*, *TWA v. Travellers Int'l AG. (In re TWA)*, 163 B.R. 964, 974 (Bankr. D. Del. 1994) (approving a postpetition loan and receivables facility because such facility "reflect[ed] sound and prudent business judgment"); *In re L.A. Dodgers LLC*, 457 B.R. 308, 313 (Bankr. D. Del. 2011) ("[C]ourts will almost always defer to the business judgment of a debtor in the selection of the lender."); *In re Ames Dep't Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) ("[C]ases consistently reflect that the court's discretion under section 364 is to be utilized on grounds that permit reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest.").

17. Specifically, to determine whether the business judgment standard is met, a court need only "examine whether a reasonable business person would make a similar decision under

similar circumstances." *In re Exide Techs.*, 340 B.R. 222, 239 (Bankr. D. Del. 2006); *see also In re Curlew Valley Assocs.*, 14 B.R. 506, 513–14 (Bankr. D. Utah 1981) (noting that courts should not second guess a debtor's business decision when that decision involves "a business judgment made in good faith, upon a reasonable basis, and within the scope of [the debtor's] authority under the [Bankruptcy] Code").

18. Furthermore, in considering whether the terms of postpetition financing are fair and reasonable, courts consider the terms in light of the relative circumstances of both the debtor and the potential lender. *See In re Farmland Indus., Inc.*, 294 B.R. 855, 886 (Bankr. W.D. Mo. 2003) (while many of the terms favored the DIP lenders, "taken in context, and considering the relative circumstances of the parties," the court found them to be reasonable); *see also Unsecured Creditors' Comm. Mobil Oil Corp. v. First Nat'l Bank & Trust Co. (In re Elingsen McLean Oil Co., Inc.)*, 65 B.R. 358, 365 n.7 (W.D. Mich. 1986) (recognizing a debtor may have to enter into "hard bargain[s]" to acquire funds for its reorganization). The Court may also appropriately take into consideration non-economic benefits to the Debtors offered by a proposed postpetition facility.

19. For example, in *In re ION Media Networks, Inc.*, the Bankruptcy Court for the Southern District of New York held that:

> Although all parties, including the Debtors and the Committee, are naturally motivated to obtain financing on the best possible terms, a business decision to obtain credit from a particular lender is almost never based purely on economic terms. ***Relevant features of the financing must be evaluated, including non-economic elements such as the timing and certainty of closing, the impact on creditor constituencies and the likelihood of a successful reorganization***. This is particularly true in a bankruptcy setting where cooperation and establishing alliances with creditor groups can be a vital part of building support for a restructuring that ultimately may lead to a confirmable reorganization plan. That which helps foster consensus may be preferable to a notionally better transaction that carries the risk of promoting unwanted conflict.

No. 09-13125, 2009 WL 2902568, at *4 (Bankr. S.D.N.Y. July 6, 2009).

20. The Debtors' decision to pursue the DIP Facilities reflects a sound exercise of the

Debtors' business judgment in light of the liquidity pressures, declining sales, operating losses and working-capital requirements they face. Access to cash is needed to preserve inventory realizations, maintain streamlined operations and continue marketing assets while orderly store-closing sales proceed. Moreover, the Debtors' extensive market-testing proves that the negotiated financing package is the best available source of that liquidity.

21. The liquidity provided by the DIP Facilities and use of Cash Collateral will support budgeted employee, occupancy, distribution, inventory-sale, critical vendor, and case-administration expenses, helping the Debtors preserve and enhance the value of their assets. Funding also supports continued marketing of the Debtors' assets which may enhance creditor recoveries, including efforts to sell the Debtors' intellectual property, real estate, and operations as a going concern. The liquidity provided by the DIP Facilities provides the Debtors with sufficient liquidity to satisfy its projected expenses, as provided in the Budget, to administer its orderly liquidation and administer the marketing process. First Day Declaration ¶¶ 15, 63–64. Moreover, the fees and expenses incurred by the estates are reasonable and appropriate under the circumstances to allow the Debtors to execute their strategy. Beers Declaration ¶15.

B. The Debtors Should Be Authorized to Grant Liens, Priming Liens, and Superpriority Claims.

22. Section 364 of the Bankruptcy Code distinguishes among (a) obtaining unsecured credit in the ordinary course of business, (b) obtaining unsecured credit out of the ordinary course of business, and (c) obtaining credit with specialized priority or with security. *See* 11 U.S.C. § 364. If a debtor in possession cannot obtain postpetition credit on an unsecured basis, pursuant to section 364(b) of the Bankruptcy Code, a court may authorize a debtor to obtain credit or to incur debt, the repayment of which is entitled to superpriority administrative expense status, or is secured by a senior lien on unencumbered property, or a junior lien on encumbered property, or a

combination of the foregoing. *Id*. In addition, pursuant to section 364(d) of the Bankruptcy Code, a court may authorize a debtor to obtain postpetition credit secured by a lien that is equal or senior in priority to existing liens on encumbered property (*i.e.*, a "priming" lien) when a debtor is unable to obtain credit on other terms and the interests of existing lienholders are adequately protected, or if the existing lienholders consent to such priming.

23. The Debtors propose to grant the DIP Lenders superpriority administrative expense claims for repayment of the DIP Obligations, subject to the Carve Out, the CCAA Priority Charges and the relative priorities in the Lien Priority Annex, and liens on substantially all of the Debtors' assets, including senior liens on unencumbered DIP Collateral and priming or junior liens on encumbered DIP Collateral, subject to the exclusions, the ICA and collateral-specific priorities specified in the Interim Order. Therefore, approval of the DIP Facilities is governed by both sections 364(c) and 364(d) of the Bankruptcy Code. Interim Order ¶¶ 5–7, Ex. A.

i. The Debtors Satisfy Section 364(c)'s Requirements to Obtain Financing on a Senior Secured and Superpriority Basis.

24. In the event that a debtor demonstrates that it is unable to obtain unsecured credit allowable as an administrative expense under section 503(b)(1) of the Bankruptcy Code, section 364(c) provides that a court:

> may authorize the obtaining of credit or the incurring of debt (1) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of [the Bankruptcy Code]; (2) secured by a lien on property of the estate that is not otherwise subject to a lien; or (3) secured by a junior lien on property of the estate that is subject to a lien.

11 U.S.C. § 364(c).

25. Courts have articulated a three-part test to determine whether a debtor is entitled to financing under section 364(c) of the Bankruptcy Code. Specifically, courts look to whether:

a. the debtor is unable to obtain unsecured credit under section 364(b) of the Bankruptcy Code, *i.e.*, by allowing a lender only an administrative claim;

b. the credit transaction is necessary to preserve the assets of the estate; and
c. the terms of the transaction are fair, reasonable, and adequate, given the circumstances of the debtor-borrower and proposed lenders.

See, e.g., In re Crouse Grp., Inc., 71 B.R. 544, 549 (Bankr. E.D. Pa. 1987); *In re Los Angeles Dodgers LLC*, 457 B.R. at 312; *See In re Ames Dep't Stores*, 115 B.R. at 37–40 ; *see also In re St. Mary Hosp.*, 86 B.R. 393, 401–02 (Bankr. E.D. Pa. 1988).

26. *First*, to show that the credit required is not obtainable on an unsecured basis, a debtor need only demonstrate "by a good faith effort that credit was not available without" the protections of sections 364(c) of the Bankruptcy Code. *Bray v. Shenandoah Fed. Savs. & Loan Ass'n (In re Snowshoe Co.)*, 789 F.2d 1085, 1088 (4th Cir. 1986) (stating section 364 "imposes no duty to seek credit from every possible lender before concluding that such credit is unavailable"). As described in detail in the Beers Declaration, no financing party was willing to provide the Debtors with unsecured DIP financing. Beers Declaration ¶ 11.

27. *Second*, the DIP financing and Cash Collateral are needed to preserve the estates during the Debtors' dual-track process. The liquidity provided by the proposed financing package permits orderly inventory realizations and store closings while maintaining the streamlined operations needed to preserve the possibility of a going-concern transaction that could enhance the value of the estates. A funding shortfall would require the Debtors to abandon some or all of these efforts, reducing the recoveries creditors may ultimately receive.

28. *Third*, the terms of the DIP Facilities are fair, reasonable, and adequate under the circumstances. The proposed DIP Facilities provide critical liquidity while including structural features approved in other chapter 11 cases in this district, including interim roll-ups and refinancing of prepetition secured obligations. *See, e.g.*, *In re New Rite Aid, LLC,* No. 25-14861 (MBK) (Bankr. D.N.J. May 7, 2025) [Docket No. 143] (authorizing a DIP facility with certain

refinancing features similar to the proposed DIP Facilities, including an interim roll-up of prepetition revolving obligations and refinancing of remaining prepetition obligations upon entry of a final order); *In re Thrasio Holdings, Inc.*, No. 24-11840 (CMG) (Bankr. D.N.J. Mar. 1, 2024) [Docket No. 81] (authorizing an interim roll-up of prepetition first-lien term loans, with an additional roll-up subject to entry of final order); *In re Cyxtera Techs., Inc.*, No. 23-14853 (JKS) (Bankr. D.N.J. Jun. 6, 2023) [Docket No. 70] (authorizing roll-up of prepetition priority loans upon entry of interim order). Moreover, no other party was willing to provide an actionable alternative financing package. Beers Declaration ¶ 12.

29. In light of the foregoing, the Court should authorize the Debtors, pursuant to sections 364(c)(1) and 364(c)(2) of the Bankruptcy Code, to provide the DIP Lenders with superpriority administrative expense claims and first priority liens on unencumbered property constituting DIP Collateral, subject to the exclusions, Carve Out, CCAA Priority Charges and relative priorities specified in the Interim Order, the ICA and the Lien Priority Annex.

ii. The Debtors Should Be Authorized to Obtain Priming Liens Under Section 364(d) of the Bankruptcy Code.

30. Section 364(d) provides that debtors may obtain credit secured by a senior or equal lien on property of the estate already subject to a lien where the debtor is "unable to obtain such credit otherwise" and "there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted." 11 U.S.C. § 364(d)(1). The Debtors may incur "priming" liens under the DIP Facilities if they are unable to obtain unsecured or junior secured credit and either (a) the affected secured lenders consent, or (b) adequate protection exists for such priming lien. *See Anchor Savs. Bank FSB v. Sky Valley*, Inc., 99 B.R. 117, 122 (N.D. Ga. 1989).

31. When determining whether to authorize a debtor to obtain credit secured by a

"priming" lien as authorized by section 364(d) of the Bankruptcy Code, courts focus on whether the transaction will enhance the value of the debtors' assets. Courts consider a number of factors, including, without limitation:

a. whether alternative financing is available on any other basis (*i.e.*, whether any better offers, bids or timely proposals are before the court);
b. whether the proposed financing is necessary to preserve estate assets and is necessary, essential and appropriate for continued operation of the debtors' business;
c. whether the terms of the proposed financing are reasonable and adequate given the circumstances of both the debtors and proposed lender(s);
d. whether the proposed financing agreement was negotiated in good faith and at arm's length and entry therein is an exercise of sound and reasonable business judgment and in the best interest of the debtor's estate and its creditors; and
e. whether the proposed financing agreement adequately protects prepetition secured creditors.

See, e.g., Ames Dep't Stores, 115 B.R. at 37–39; *Bland v. Farmworker Creditors*, 308 B.R. 109, 113–14 (S.D. Ga. 2003); *see also* 3 Collier on Bankruptcy ¶ 364.04[1] (15th ed. rev. 2008). In particular, courts have authorized financing involving priming liens to avoid imminent liquidation. *See, e.g., In re Prospect Medical Holdings, Inc.*, No. 25-80002-SGJ11 (Bankr. N.D. Tex. Jan. 14, 2025) [Docket No. 101 ¶ 7] (granting senior priming DIP liens to avoid liquidation); *In re Franchise Group, Inc.*, No. 24-12480 (Bankr. D. Del. Nov. 7, 2024) [Docket No. 134 ¶ 6(c)] (same); *In re True Religion Apparel, Inc.*, No. 20-10941 (Bankr. D. Del. Apr. 15, 2020) [Docket No. 78 ¶ 2.1] (same); *In re Patriot Coal Corp.*, No. 15-32450-KLP (Bankr. E.D. Va. May 13, 2015) [Docket No. 67 ¶ 14(a)(iv)] (same).

32. The priming liens contemplated here are consensual and are being granted in favor of the Prepetition Lenders that are providing DIP financing. Moreover, as noted above, the Debtors were unable to find alternative financing proposals on superior terms, including any proposal to refinance the Debtors' prepetition secured debt, and the Debtors have an extremely limited pool of unencumbered assets that was insufficient to attract potential financing counterparties.

33. The Debtors require interim liquidity to fund the budgeted costs of streamlined retail, digital and distribution operations, orderly inventory sales and store closings while pursuing the sale process. Failure to receive the contemplated DIP financing would threaten realizations and transaction optionality. The Debtors and their advisors believe the DIP Facilities and Cash Collateral arrangement are the best available financing alternative for the proposed process. Finally, and as discussed more fully below, the Debtors will provide adequate protection for the Prepetition Lenders' interests in prepetition collateral subject to the DIP Facilities' priming liens.

C. The Debtors' Proposed Adequate Protection Should Be Approved.

34. Parties with an interest in cash collateral or collateral that may be used to secure postpetition financing are entitled to adequate protection, including if such interests are being primed. *See* 11 U.S.C. §§ 363(e), 364(d). While section 361 of the Bankruptcy Code provides examples of forms of adequate protection, such as granting replacement liens and administrative claims, courts decide what constitutes sufficient adequate protection on a case-by-case basis. *See, e.g., In re Satcon Tech. Corp.*, No. 12-12869, 2012 WL 6091160, at *6 (Bankr. D. Del. Dec. 7, 2012). At the same time, it is well-recognized that "adequate protection" is not equivalent to "absolute protection." *In re Beker Indus., Inc.*, 58 B.R. 725, 741 (Bankr. S.D.N.Y. 1986) ("Adequate protection, not absolute protection, is the statutory standard.").

35. The specific adequate-protection package summarized above includes replacement liens, section 507(b) claims for diminution in value, cash payments of interest and principal due on remaining Prepetition Secured Obligations, expense reimbursement, payment of specified Prepetition Indemnification Obligations subject to applicable procedures and preserved objections, and budget and reporting safeguards.

36. The foregoing adequate protection package is appropriate under the circumstances, consistent with the market, and should be approved. *See, e.g.*, *In re New Rite Aid, LLC*, No. 25-

14861 (MBK) (Bankr. D.N.J. May 7, 2025) [Docket No. 143 ¶ 9] (providing adequate protection liens to prepetition secured parties); *In re Thrasio Holdings, Inc.*, No. 24-11840 (CMG) (Bankr. D.N.J. Mar. 1, 2024) [Docket No. 81 ¶ 8] (same); *In re Cyxtera Techs., Inc.*, No. 23-14853 (JKS) (Bankr. D.N.J. June 6, 2023) [Docket No. 70 ¶ 8] (same).

II. The Proposed Roll-Up of Prepetition ABL and Term Loan Obligations Is Appropriate and Should Be Approved.

37. The DIP Facilities incorporate related refinancing features that are integral to the proposed financing and Cash Collateral arrangements. Upon entry of the Interim Order, proceeds of DIP ABL Priority Collateral will be applied to the Prepetition ABL Secured Obligations while the DIP ABL Facility provides revolving credit and letter-of-credit availability subject to its borrowing limits and conditions. This repayment of prepetition debt constitutes the proposed "creeping" ABL roll-up because it frees up DIP availability under the DIP ABL Facility as the Prepetition ABL Facility gets paid down. Existing Letters of Credit and Bank Products will also be deemed DIP ABL Obligations. Upon entry of the Final Order, any remaining Prepetition ABL Secured Obligations will be refinanced into DIP ABL Loans. The DIP ABL Credit Agreement implements that arrangement by applying prepayments first to Prepetition Obligations and requiring their repayment with DIP borrowings no later than one Business Day after entry of the Final Order, subject to the governing Orders.

38. The DIP Term Facility separately contemplates $16,000,000 in new-money interim DIP Term Loans, $15,000,000 of which will be used to pay down Prepetition Revolving Loans. Upon entry of the Interim Order, $16,000,000 in principal amount of Prepetition Term Loans shall be refinanced into DIP Term Loans. Upon entry of the Final Order, any remaining Prepetition Term Secured Obligations will be replaced and refinanced into DIP Term Obligations. Further, accrued interest, fees, expenses and other sums due and payable on the Revolving Loans and

Prepetition Term Loans will be paid in cash on the Closing Date as provided in the proposed Interim Order. Each roll-up is consideration for the applicable DIP Lenders' funding and other consideration, and each roll-up is subject to the challenge rights expressly preserved in paragraph 43 of the Interim Order, including the Court's ability to fashion an appropriate remedy following a successful Challenge. Interim Order ¶¶ I(vii)–(viii), 43.

39. The Debtors submit that approval of these features is a sound exercise of their business judgment because the roll-ups are an essential component of the consideration required to obtain the proposed financing and the Prepetition Secured Parties' consent to use Cash Collateral as provided in the Interim Order. As noted in the Beers Declaration, without the roll-up features, the applicable DIP Lenders would not provide the contemplated funding and other consideration, and the Prepetition Secured Parties would not provide the consents necessary for the proposed financing and Cash Collateral arrangements. Beers Declaration ¶ 14. Accordingly, the financing, application of collateral proceeds and roll-ups should be evaluated as a single, integrated transaction that is necessary to maintain and preserve the value of the Debtors' estates.

40. The benefits of that integrated transaction, inclusive of the roll-up, are manifest. With it comes $15,000,000 of new-money interim term funding to pay down Prepetition Revolving Loans, creating revolving credit and letter-of-credit availability subject to the DIP ABL Facility's borrowing limits and conditions, and the consents needed to fund the Debtors' budgeted operations and administration of these Chapter 11 Cases. Those benefits are particularly important here where the Debtors are pursuing orderly inventory sales and store closings while continuing to market operating assets for a potentially higher-value going-concern transaction. Without the financing and Cash Collateral access conditioned on these arrangements, the Debtors would potentially need to immediately liquidate all assets through a chapter 7 proceeding, destroying the value-

maximizing process that the Debtors have put in place. The Debtors accordingly submit that the proposed roll-ups are warranted and should be approved.

III. The Debtors Should Be Authorized to Pay the Fees Required by the DIP Lenders Under the DIP Loan Documents.

41. The Debtors seek approval of the commitment fees, letter-of-credit fees, fees payable under the applicable fee letters, and expense reimbursement obligations under the DIP Loan Documents. These fees are an integral component of the overall terms of the DIP Facilities and were required by the DIP Lenders as a condition to providing financing.

42. Courts in this district and others have approved similar fees in large chapter 11 cases. *See, e.g.*, *In re Rite Aid Corp.*, No. 23-18992 (MBK) (Bankr. D.N.J. Oct. 17, 2023) (approving 4.0 percent Upfront Fee of the DIP Term Loan Facility); *In re Cyxtera Techs., Inc.*, No. 23-14853 (JKS) (Bankr. D.N.J. Jun. 6, 2023) (approving a backstop fee of 6 percent and a 3 percent commitment fee on New Money Loans); *In re Akorn, Inc.*, No. 20-11177 (KBO) (Bankr. D. Del. May 22, 2022) (approving a commitment fee of approximately 3.0 percent of the DIP loans).

43. Because the fees under the proposed DIP Facilities are integral to the DIP Lenders' agreement to provide postpetition financing and consistent with the market, the Court should authorize the Debtors to pay the fees provided under the DIP Facilities, subject to the terms and conditions of the DIP Loan Documents.

IV. The Debtors Should Be Authorized to Use Cash Collateral

44. Pursuant to section 363(c)(2) of the Bankruptcy Code, a debtor may use cash collateral as long as "(A) each entity that has an interest in such cash collateral consents; or (B) the court, after notice and a hearing, authorizes such use, sale, or lease in accordance with the provisions of this section." 11 U.S.C. § 363(c)(2). Section 363(e) of the Bankruptcy Code

provides for adequate protection of interests in property when a debtor uses cash collateral. Further, section 362(d)(1) of the Bankruptcy Code provides for adequate protection of interests in property due to the imposition of the automatic stay. *See In re Cont'l Airlines*, 91 F.3d 553, 556 (3d Cir. 1996).

45. The Debtors have satisfied the requirements of sections 363(c)(2) and (e) and should be authorized to use the Prepetition Lenders' cash collateral. The Prepetition Lenders are consenting to use of their cash collateral, subject to the approved DIP Budget, and will receive adequate protection that is fair and reasonable and that adequately protects such creditor's interest in its alleged prepetition collateral, including cash collateral, from any postpetition diminution in value. *See supra*, ¶ 14. Accordingly, the Court should authorize the Debtors to use cash collateral under section 363(c)(2) of the Bankruptcy Code.

V. The DIP Lenders Should Be Deemed Good-Faith Lenders Under Section 364(e) of the Bankruptcy Code

46. Section 364(e) of the Bankruptcy Code protects a good-faith lender's right to collect on loans extended to a debtor, and its right in any lien securing those loans, even if the authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. Section 364(e) of the Bankruptcy Code provides that:

> The reversal or modification on appeal of an authorization under this section [364 of the Bankruptcy Code] to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

11 U.S.C. § 364(e).

47. The DIP Lenders qualify as good faith lenders under section 364(e). The DIP Facilities are the product of the Debtors' reasonable and informed determination that the DIP

Lenders provided the best postpetition financing alternative available under the circumstances, as well as extended, arm's length, and good-faith negotiations between the Debtors and the DIP Lenders. The terms and conditions of the DIP Facilities are also fair and reasonable under the circumstances. Further, the proceeds of the DIP Facilities will be used only for purposes that are permissible under the Bankruptcy Code and no consideration is being provided to any party to the DIP Facilities other than as described herein.

48. Accordingly, the Court should find that the DIP Lenders are entitled to the protections afforded by section 364(e) as good faith lenders to the Debtors.

VI. The Automatic Stay Should Be Modified on a Limited Basis

49. The proposed Interim Order modifies the stay to implement the financing, grant and perfect liens and permit authorized payments. Following a Termination Declaration, the proposed order permits remedies after three business days (subject to the Canadian Interim DIP Recognition Order (and, when granted, the Canadian Final DIP Recognition Order), with respect to the Collateral of the Canadian Loan Parties or Collateral otherwise located in Canada), and restricts Cash Collateral use during that period. The Debtors and any Committee may seek an emergency hearing during the Remedies Notice Period, but the Debtors agree not to argue at such hearing that the Interim Order or DIP Documents should be modified or are unenforceable. The order also permits royalty-free use of specified intellectual property and locations for realization on collateral.

50. Stay modifications of this kind are ordinary and standard features of debtor in possession financing arrangements and, in the Debtors' business judgment, are reasonable and fair under the circumstances of these chapter 11 cases. *See, e.g.*, *In re Rite Aid Corp.*, No. 23-18992 (MBK) (Bankr. D.N.J. Oct. 17, 2023) [Docket No. 120] (modifying automatic stay as necessary to effectuate the terms of the order); *In re WeWork, Inc.*, No. 23-19865 (JKS) (Bankr. D.N.J. May

8, 2024) [Docket No. 1883] (same); *In re Thrasio Holdings, Inc.*, No. 24-11840 (CMG) (Bankr. D.N.J. Mar. 1, 2024) [Docket No. 81]; *In re Cyxtera Techs., Inc.*, No. 23-14853 (JKS) (Bankr. D.N.J. Jun. 6, 2023) [Docket No. 70] (same).

The Debtors Require Immediate Access to the DIP Facilities and Cash Collateral

51. The Court may grant interim relief in respect of a motion filed pursuant to section 363(c) or 364 of the Bankruptcy Code where, as here, interim relief is "necessary to avoid immediate and irreparable harm to the estate pending a final hearing." Fed. R. Bankr. P. 4001(b)(2), (c)(2). Bankruptcy Rule 4001(c)(2) governs the procedures for obtaining authorization to obtain postpetition financing and provides, in relevant part:

> The court may begin a final hearing on a motion for authority to obtain credit no earlier than 14 days after it has been served. If the motion so requests, the court may conduct a hearing before that 14 day period ends. After a preliminary hearing, the court may authorize obtaining credit only to the extent necessary to avoid immediate and irreparable harm to the estate pending a final hearing.

Fed. R. Bankr. P. 4001(c)(2)(A).

52. The Debtors require immediate access to Cash Collateral and interim credit to pay the budgeted costs of streamlined operations, inventory sales, store closings and case administration while preserving a potential going-concern transaction. The Debtors will be unable to operate their business in the near term without the ability to access the DIP Facilities and use cash collateral and will suffer immediate and irreparable harm to the detriment of all creditors and other parties in interest.

53. The Debtors, therefore, seek immediate authority to access the DIP Facilities on an interim basis and as set forth in this motion and in the Interim Order to prevent immediate and irreparable harm to their estates pending the Final Hearing pursuant to Bankruptcy Rules 4001(b) and 4001(c). Accordingly, the Debtors respectfully submit that they have satisfied the

requirements of Bankruptcy Rule 4001 to support an expedited preliminary hearing and immediate access to the DIP Facilities and cash collateral on an interim basis.

Request for Waiver of Stay

54. To the extent that the relief sought in this motion constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the fourteen-day stay under Bankruptcy Rule 6004(h). Further, to the extent applicable, the Debtors request that the Court find that the provisions of Bankruptcy Rule 6003 are satisfied. As explained herein, the relief requested in this motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates.

No Prior Request

55. No prior request for the relief sought in this motion has been made to this Court or any other court.

Reservation of Rights

56. Except as expressly provided in the Interim Order, the Final Order, or the DIP Loan Documents, including the Debtors' Stipulations, releases, waivers, allowed claims, payment obligations and proof-of-claim provisions therein, nothing contained in this Motion or any actions taken pursuant to any order granting the relief requested by this Motion is intended or should be construed as: (a) an implication or admission as to the amount of, basis for, or validity of any particular claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in this Motion or any order granting the relief requested by this Motion; (e) a request, approval, or authorization to assume, adopt, or reject any

agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code (or otherwise affect the Debtors' rights under section 365 of the Bankruptcy Code); (f) an admission by the Debtors as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors', or any other party in interest's, claims, causes of action, or other rights under the Bankruptcy Code or any other applicable law; (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are reserved to contest the extent, validity, or perfection or seek avoidance of such liens to the extent preserved in the applicable orders and documents; or (i) a waiver of the obligation of any party in interest to file a proof of claim. Any payment made pursuant to the Court's order shall be subject to the admissions, stipulations, releases, waivers and reservations expressly set forth in the applicable orders and documents, including the Challenge rights preserved in paragraph 43 of the Interim Order.

Notice

57. The Debtors will provide notice of this Application to the following parties or their respective counsel: (a) the U.S. Trustee for the District of New Jersey; (b) the holders of the thirty (30) largest unsecured claims against the Debtors (on a consolidated basis); (c) Wells Fargo Bank, National Association, as DIP ABL Agent and Prepetition ABL Agent; (d) Crystal Financial LLC d/b/a SLR Credit Solutions, as Prepetition Term Loan Agent; (e) Mithaq Capital SPC, as prepetition unsecured lender; (f) the office of the attorney general for each of the states in which the Debtors operate; (g) the United States Attorney's Office for the District of New Jersey; (h) the Internal Revenue Service; and (i) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further

notice need be given.

WHEREFORE, the Debtors request that the Court enter the Interim Order and Final Order, granting the relief requested in this motion and such other and further relief as the Court deems appropriate under the circumstances.

(v) *Default by the Debtors.* The Debtors acknowledge and stipulate that they are in default of their obligations under the Prepetition ABL Documents as a result of the Cases and that an Event of Default has occurred under the Prepetition ABL Documents. (vii) *Prepetition Term Secured Obligations*. The Prepetition Term Facility provided the Prepetition Term Obligors with, among other things, up to $100,000,000 aggregate principal amount of Term Loans (as defined in the Prepetition Term Agreement, the "Prepetition Term Loans"). As of the Petition Date, the aggregate principal amount outstanding under the Prepetition Term Facility was not less than $100,000,000 (collectively, together with accrued and unpaid interest, any reimbursement obligations (contingent or otherwise), any fees, expenses and disbursements (including attorneys' fees, accountants' fees, auditor fees, appraisers' fees and financial advisors' fees, and related expenses and disbursements), prepayment premiums, indemnification obligations, guarantee obligations, and other charges, amounts and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Prepetition Term Obligors' obligations pursuant to, or secured by, the Prepetition Term Documents, including all Obligations (as defined in the Prepetition Term Agreement), and all other amounts that may become allowable under section

506(b) of the Bankruptcy Code, the "Prepetition Term Secured Obligations" and, together with the Prepetition ABL Secured Obligations, the "Prepetition Secured Obligations"), including not less than $100,000,000 in outstanding principal amount of Prepetition Term Loans.

(viii) *Prepetition Term Liens and Prepetition Term Loan Priority Collateral*. As more fully set forth in the Prepetition Term Documents and the DIP Motion, prior to the Petition Date, the Prepetition Term Secured Obligations are secured by (i) first priority security interests in and liens on the Prepetition Term Loan Priority Collateral pursuant to the terms of the ICA, and (ii) second priority security interests in and liens on the Prepetition ABL Priority Collateral pursuant to the terms of the ICA (the immediately foregoing liens and security interests, the "Prepetition Term Liens" together with the Prepetition ABL Liens, the "Prepetition Liens"). Each of the Prepetition Term Guarantors has jointly and severally, absolutely, unconditionally and irrevocably guaranteed the Prepetition Term Secured Obligations.

(ix) *Validity, Perfection, and Priority of Prepetition Term Liens and Prepetition Term Secured Obligations.* The Debtors acknowledge and agree that as of the Petition Date (a) the Prepetition Term Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Prepetition Term Secured Parties for fair consideration and reasonably equivalent value; (b) the Prepetition Term Liens were senior in priority over any and all other liens on the Prepetition Term Loan Priority Collateral, subject only to certain liens senior by operation of law or otherwise permitted by the Prepetition Term Documents (solely to the extent any such permitted liens were valid,

properly perfected, non-avoidable, and senior in priority to the Prepetition Term Liens as of the Petition Date, the "Prepetition Term Permitted Prior Liens", together with the Prepetition ABL Permitted Prior Liens, the "Prepetition Permitted Prior Liens"); (c) the Prepetition Term Secured Obligations constitute legal, valid, binding, and non-avoidable obligations of the Debtors enforceable in accordance with the terms of the applicable Prepetition Term Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims, or counterclaims of any kind or nature to any of the Prepetition Term Liens or Prepetition Term Secured Obligations exist, and no portion of the Prepetition Term Liens or Prepetition Term Secured Obligations is subject to any challenge or defense including avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against any of the Prepetition Term Secured Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees arising out of, based upon or related to the Prepetition Term Facility; (f) the Debtors have waived, discharged, and released any right to challenge any of the Prepetition Term Secured Obligations, the priority of the Debtors' obligations thereunder, and the validity, extent, and priority of the liens securing the Prepetition Term Secured Obligations; and (g) the Prepetition Term Secured Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code, which are entitled to payment

of postpetition interest, fees, and indemnities under section 506(b) of the Bankruptcy Code.

(x) *Default by the Debtors.* The Debtors acknowledge and stipulate that they are in default of their obligations under the Prepetition Term Documents as a result of the Cases, and that an Event of Default has occurred under the Prepetition Term Documents. As of the Petition Date, therefore, interest is accruing on the Prepetition Term Secured Obligations at the default rate.

(xi) *ICA.* Except as otherwise expressly set out herein, (x) the DIP Agents, DIP Lenders, Prepetition ABL Agent, Prepetition Term Agent, and the Prepetition Secured Parties shall remain bound by the terms and conditions set forth in that certain Intercreditor Agreement, dated as of December 16, 2025 (as amended by that certain acknowledgement and consent to intercreditor agreement dated on or about the date hereof (the "ICA Acknowledgment"), and as further amended, restated, amended and restated, supplemented, replaced, or otherwise modified from time to time, the "ICA"), including with respect to the Prepetition Collateral and DIP Collateral, (y) nothing contained in this Interim Order shall be deemed to abrogate or limit the respective rights, claims and obligations of each of the DIP Agents, DIP Lenders, Prepetition ABL Agent, Prepetition Term Agent, and the Prepetition Secured Parties under the ICA, and (z) the ICA shall apply and govern the respective rights, obligations, and priorities of the DIP Agents, DIP Lenders, Prepetition ABL Agent, the Prepetition Term Agent, and the Prepetition Secured Parties with respect to the Prepetition Collateral and DIP Collateral in these Cases. The Prepetition ABL Agent, the Prepetition Term Agent and the Debtors stipulate

and agree that the ICA is a "subordination agreement" within the meaning of section 510(a) of the Bankruptcy Code.

(xii) *No Challenges / Claims*. Subject to an investigation by the Committee and the challenge rights pursuant to paragraphs 41 and 43 herein, the Debtors' estates have no valid Claims (as such term is defined in section 101(5) of the Bankruptcy Code), objections, challenges, causes of action, and/or choses in action against any of the Prepetition Secured Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees with respect to the Prepetition Documents, the Prepetition Secured Obligations, the Prepetition Liens, or otherwise, whether arising at law or at equity, including, without limitation, any challenge, recharacterization, subordination, avoidance, recovery, disallowance, disgorgement, reduction, or other claims arising under or pursuant to sections 105, 502, 510, 541, 542 through 553, inclusive, or 558 of the Bankruptcy Code or applicable state law equivalents. The Prepetition Secured Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code. Subject to paragraph 43 herein, the Debtors have waived, discharged, and released any right to challenge any of the Prepetition Secured Obligations, the priority of the Debtors' obligations thereunder, and the validity, extent, and priority of the Prepetition Liens.

(xiii) *Cash Collateral*. Except as otherwise provided in the Prepetition Documents, all of the Debtors' cash, including, without limitation, the cash in their deposit accounts, wherever located, whether as original collateral or proceeds of other Prepetition

Collateral, constitutes Cash Collateral within the meaning of section 363(a) of the Bankruptcy Code and is Prepetition Collateral of the Prepetition Secured Parties, subject to the ICA and the Lien Priority Annex.

(xiv) *Debtors' Stipulations Regarding Initial Funding*. In accordance with this Interim Order, this Court authorized, among other things: (a) the Borrowers to obtain financing under the DIP Facilities pursuant to the DIP Credit Agreements; (b) the Guarantors to jointly and severally guarantee the DIP Loans and the other DIP Obligations; and (c) the Debtors to execute and deliver the DIP Documents, and perform under the DIP Credit Agreements in accordance with and subject to the terms of this Interim Order and the DIP Documents. Upon entry of this Interim Order, the Debtors shall be authorized to incur the Interim ABL Financing on the terms and conditions set forth in the DIP Documents and in this Interim Order.

(xv) *No Control*. None of the DIP Agents, the DIP Lenders, the Prepetition Agents, or the other Prepetition Secured Parties, controls the Debtors or their operations, has authority to determine the manner in which any of the Debtors' operations are conducted or is a control person or "insider" (as defined in section 101(31) of the Bankruptcy Code) of the Debtors or any of their affiliates by virtue of any of the actions taken through the date of this Interim Order with respect to, in connection with, related to, or arising from this Interim Order, the DIP Facilities, the DIP Documents, the Prepetition Secured Obligations, and/or the Prepetition Documents.

(xvi) Effective as of the date of entry of this Interim Order and subject to

the rights of all parties-in-interest hereunder (including with respect to a Challenge (as defined herein)), other than the Debtors or their affiliates, as set forth in paragraph 43 herein, each of the Debtors, on their own behalf and on behalf of each of their past, present, and future predecessors, successors, heirs, subsidiaries, and assigns, and solely to the extent permitted under applicable law, hereby forever, unconditionally, permanently, and irrevocably releases, discharges, and acquits each of the following solely in their capacity as such: DIP Agents, the DIP Credit Parties, the Prepetition Agents, the other Prepetition Secured Parties, and each of their respective successors, assigns, affiliates, parents, subsidiaries, partners, controlling persons, representatives, agents, attorneys, advisors, financial advisors, consultants, professionals, officers, directors, members, managers, shareholders, and employees, past, present and future, advisors, sub-fund advisors, and collateral managers, and each of their respective heirs, predecessors, successors, and assigns, in each case solely in their capacity as such (collectively, the "***Released Parties***") of and from any and all claims, controversies, disputes, liabilities, obligations, demands, damages, expenses (including, without limitation, attorneys' fees), actions, suits, controversies, proceedings, losses, damages, injuries, debts, liens, actions, judgments, and causes of action of any and every nature whatsoever, whether arising in law or otherwise, and whether known or unknown, matured or contingent, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, pending, or threatened, arising under, in connection with, or relating to the DIP Obligations or DIP Documents, the Prepetition Secured Obligations or the Prepetition Documents, including, without limitation: (a) any so-called "lender liability" or equitable subordination claims or defenses; (b) Claims and

causes of action arising under the Bankruptcy Code; and (c) any and all offsets, defenses, claims, counterclaims, set off rights, objections, challenges, causes of action, and/or choses in action of any kind or nature whatsoever, whether arising at law or in equity, including any recharacterization, recoupment, subordination, avoidance, or other claim or cause of action arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of applicable state, federal, or foreign law, including, without limitation, any right to assert any disgorgement or recovery, in each case, with respect to the extent, amount, validity, enforceability, priority, security, and perfection of any of the DIP Obligations, the DIP Documents, the DIP Liens (as defined herein), the Prepetition Secured Obligations, the Prepetition Documents, or the Prepetition Liens, and further waive and release any defense, right of counterclaim, right of setoff, or deduction to the payment of the DIP Obligations and the Prepetition Secured Obligations that the Debtors now have or may claim to have against the Released Parties, arising under, in connection with, based upon, or related to any and all acts, omissions, conduct undertaken, or events occurring prior to entry of this Interim Order. For the avoidance of doubt, nothing in this paragraph F(xvi) shall relieve the DIP Agents, the DIP Lenders, or the Debtors of their obligations hereunder or under the DIP Obligations.

G. **Permitted Prior Liens**. Nothing herein shall constitute a finding or ruling by this Court that any alleged Prepetition Permitted Prior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing shall prejudice the rights of any party-in-interest, including, but not limited to the Debtors, the DIP Agents, the Prepetition Secured Parties, or the

Committee (if appointed), to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Prepetition Permitted Prior Lien and/or security interests. Given the continuing liens of the Prepetition Secured Parties and the integrated nature of the transactions contemplated of this Interim Order, the right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Prepetition Permitted Prior Lien; rather, any such alleged claim arising or asserted as a right of reclamation (whether asserted under section 546(c) of the Bankruptcy Code or otherwise) shall have the same rights and priority with respect to the DIP Liens as such claims had with respect to the Prepetition Liens.

H. **Findings Regarding Corporate Authority**. Each Debtor has all requisite corporate power and authority to execute and deliver the DIP Documents to which it is a party and to perform its obligations thereunder.

I. **Findings Regarding Postpetition Financing**

(i) *Request for Postpetition Financing*. The Debtors seek authority to (a) use Cash Collateral on the terms described herein to administer their Cases and fund their operations, (b) enter into each DIP Facility on the terms described herein and in the DIP Documents, (c) apply proceeds of DIP Collateral in accordance with paragraph 23 of this Interim Order, and (d) upon entry of the Final Order (1) refinance any remaining Prepetition Revolving Loans into DIP Revolving Loans and (2) refinance any remaining Prepetition Secured Obligations into DIP Term Loan Obligations. At the Final Hearing, the Debtors will seek final approval of the proposed postpetition financing and use of Cash Collateral arrangements pursuant to a proposed

final order (the "Final Order"), which shall be in form and substance acceptable to the DIP Agents and Prepetition Agents.

(ii) *Priming of the Prepetition Liens*. The priming of the Prepetition Liens on the Prepetition Collateral under section 364(d) of the Bankruptcy Code, as contemplated by each DIP Facility and the relative priorities set forth in the Lien Priority Annex, will enable the Debtors to obtain each DIP Facility and to continue to operate their businesses for the benefit of their estates and creditors. The Prepetition Secured Parties are each entitled to receive adequate protection as set forth in this Interim Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, for any Diminution in Value of each of their respective interests in the Prepetition Collateral (including Cash Collateral).

(iii) *Need for Postpetition Financing and Use of Cash Collateral*. The Debtors have a need to use Cash Collateral on an interim basis and to obtain credit on an interim basis pursuant to the DIP Facilities in order to, among other things, administer and preserve the value of their estates. The ability of the Debtors to maintain business relationships with their vendors, suppliers, and customers, to pay their employees, and otherwise finance their operations requires the availability of working capital from the DIP Facilities and the use of Cash Collateral, the absence of either of which would immediately and irreparably harm the Debtors, their estates, and parties-in-interest. The Debtors do not have sufficient available sources of working capital and financing to operate their businesses or maintain their properties in the ordinary course of business pending the Final Hearing without the DIP Facilities and authorized use of Cash

Collateral.

(iv) *No Credit Available on More Favorable Terms*. Given their current financial condition, financing arrangements, and capital structure, the Debtors have been and continue to be unable to obtain financing from sources other than the DIP Credit Parties on terms more favorable than the DIP Facilities. The Debtors are unable to obtain unsecured credit allowable under Bankruptcy Code section 503(b)(1) as an administrative expense. The Debtors have also been unable to obtain: (a) unsecured credit having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a) and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. As described in the DIP Declaration, financing on a postpetition basis on better terms is not otherwise available without granting each DIP Agent, for the benefit of itself and its respective DIP ABL Credit Parties and DIP Term Credit Parties: (1) perfected security interests in and liens on (each as provided herein) substantially all of the Debtors' existing and after-acquired assets with the relative priorities set forth herein; (2) superpriority claims and liens; (3) application of proceeds of DIP Collateral in accordance with paragraph 23 of this Interim Order; (4) upon entry of a Final Order, a roll-up of any remaining Prepetition Revolving Loans into DIP Revolving Loans, and a roll-up of any remaining Prepetition Term Secured Obligations under the Prepetition Term Agreement into the DIP Term Obligations.

(v) *Use of Proceeds of the DIP Facilities*. As a condition to entry into

the DIP Credit Agreements, the extensions of credit under the DIP Facilities, and the authorization to use Cash Collateral, the DIP Agents, the DIP Credit Parties, and the Prepetition Secured Parties require, and the Debtors have agreed, that proceeds of the DIP Facilities shall be used, in each case in a manner consistent with the terms and conditions of this Interim Order and the DIP Documents and in accordance with the budget attached as **Exhibit B** hereto (as the same may be modified from time to time consistent with the terms of the DIP Documents and subject to such variances as are permitted in the DIP Credit Agreements, and as set forth in paragraph 19 hereof, the "Budget"), solely for: (a) the Roll-Up, subject to the rights preserved in paragraph 43 of this Interim Order; provided, that all Letters of Credit and Bank Products shall be deemed DIP ABL Obligations upon entry of this Interim Order; (b) the paydown of the Prepetition Revolving Loans with the Interim Term Financing, (c) working capital and letters of credit; (d) permitted payment of costs of administering the Cases; (e) payment of such other prepetition obligations as are set forth in the Budget or otherwise approved by the DIP Agents and Prepetition Agents in their sole discretion, and as approved by the Court; (f) payment of interest, fees, expenses and other amounts (including legal and other professionals' fees and expenses of the DIP Agents) owed under the DIP Documents; (g) payment of certain adequate protection amounts to the Prepetition Secured Parties, as set forth in paragraph 15 hereof; (h) payment of the costs, fees, and expenses related to the Recognition Proceedings (as defined in the DIP Credit Agreements), including as permitted under the Canadian Recognition Orders (as defined in the DIP Credit Agreements) and (i) other general corporate purposes of the Debtors permitted by the Budget and the DIP Documents.

(vi) *Application of Proceeds of Collateral*. As a condition to entry into the DIP Credit Agreements, the extension of credit under the DIP ABL Facility and authorization to use Cash Collateral, the Debtors, the DIP Agents, the DIP Credit Parties, and the Prepetition Secured Parties have agreed that as of and commencing on the date of the Interim Hearing, the Debtors shall apply the proceeds of DIP Collateral in accordance with this Interim Order including as set forth in paragraph 23 hereof and as provided in the DIP Documents. The extension of credit under the DIP Facilities, the application of proceeds of DIP Collateral under paragraph 23 hereof, and upon entry of the Final Order, the DIP ABL Roll-Up Loans and the DIP Term Roll-Up Loans (each as defined herein) are part of a single, integrated transaction.

(vii) *Roll-up of Prepetition Revolving Loans.*

(a) As a condition to providing the ABL DIP Facility, the DIP ABL Credit Parties have required that the Debtors (i) obtain approval as part of the Interim ABL Financing upon entry of this Interim Order, without any further action by the Debtors or any other party, of (1) proceeds of DIP ABL Priority Collateral being applied to the repayment of Prepetition ABL Secured Obligations as set forth in paragraph 23 of this Interim Order (the "Interim ABL Roll-Up"), (2) all cash management services, bank products, and Letters of Credit issued for the account of the Debtors under the Prepetition ABL Agreement continuing in place and all obligations under or in connection therewith being subject to the DIP ABL Credit Agreement and shall constitute DIP ABL Obligations, and (3) all accrued interest, expenses, fees and other sums due and payable in respect of the Revolving Loans being paid in full, in cash on the Closing Date

(as defined in the DIP Credit Agreement); and (ii) upon entry of the Final Order without any further action by the Debtors or any other party, the repayment and refinancing of any outstanding amount of Prepetition ABL Secured Obligations (together with the Interim ABL Roll-Up, the "ABL Roll-Up" and all amounts repaid and refinanced under the ABL Roll-Up, the "DIP ABL Roll-Up Loans", which constitute DIP Revolving Loans).

(b) The Interim ABL Roll-Up shall be authorized as compensation for, in consideration for, and solely on account of, the agreement of the DIP ABL Lenders to fund amounts, and provide other consideration to the Debtors, under the DIP ABL Facility and not as adequate protection for any Prepetition Secured Obligations or any accommodation made by the Prepetition ABL Credit Parties. The Interim ABL Roll-Up is justified because the DIP ABL Facility will enable the Debtors to obtain urgently needed financing that they need to administer these Cases and fund their operations. Because the ABL Roll-Up is subject to the rights set forth in paragraph 43 below, the ABL Roll-Up will not prejudice the right of any other party in interest.

(viii) *Roll-up of Prepetition Term Loans*.

(a) As a condition to providing the DIP Term Facility, the DIP Term Credit Parties have required that the Debtors obtain approval, (1) upon entry of (A) this Interim Order, (i) to borrow $16,000,000 in new principal amount of DIP Term Loans under the DIP Term Loan Facility (the "Interim Term Financing") with $15,000,000 of such proceeds to be utilized solely to pay down the Prepetition Revolving Loans, and (ii) $16,000,000 in principal

amount of Prepetition Term Loans shall be replaced and refinanced into DIP Term Loans (the "Interim Term Roll-Up"), and (B) the Final Order, any outstanding amount of Prepetition Term Secured Obligations shall be replaced and refinanced into DIP Term Obligations (together with the Interim Term Roll-Up, the "DIP Term Roll-Up Loans" and together with the ABL Roll-Up, the "Roll-Up"), and (2) in connection with entry of this Interim Order, all accrued interest, expenses, fees and other sums due and payable in respect of the Prepetition Term Loans shall be paid in full, in cash as of the Closing Date.

(b) The Interim Term Roll-Up shall be authorized as compensation for, in consideration for, and solely on account of, the agreement of the DIP Term Lenders to fund amounts, and provide certain other consideration to the Debtors under the DIP Term Facility, and not as payments under, adequate protection for, or otherwise on account of, any Prepetition Term Secured Obligations or any accommodation made by the Prepetition Term Credit Parties. The Interim DIP Term Roll-Up Loans are justified because the DIP Term Facility will enable the Debtors to obtain urgently needed financing that they need to administer these Cases and fund their operations. Because the DIP Term Roll-Up Loans will be subject to the reservation of rights in paragraph 43 below, the DIP Term Roll-Up Loans will not prejudice the right of any party in interest.

J. **Adequate Protection**. Each Prepetition Agent, for the benefit of itself and its respective Prepetition ABL Secured Parties and Prepetition Term Secured Parties, is entitled to receive adequate protection to the extent of any Diminution in Value of its interests in the

Prepetition Collateral. Pursuant to sections 361, 363 and 507(b) of the Bankruptcy Code, as adequate protection the Prepetition Secured Parties will receive (a) Adequate Protection Liens (as defined herein) and Adequate Protection Superpriority Claims (as defined herein), as more fully set forth in paragraphs 11 and 13 herein, and (b) as set forth herein, current payment of interest at the default rate, reasonable and documented fees and out-of-pocket expenses (including legal and other professionals' fees and expenses of the Prepetition ABL Agent and the Prepetition Term Agent whether arising before or after the Petition Date), as more fully set forth in paragraph 15 herein.

K. **Sections 506(c) and 552(b).** In light of: (i) the DIP Agents' and DIP Credit Parties' agreement that their liens and superpriority claims shall be subject to the Carve Out, (ii) the Prepetition Agents' and the Prepetition Secured Parties agreement that their liens and Adequate Protection Superpriority Claims shall be subject to the Carve Out and subordinate to the DIP Liens, DIP Superpriority Claims (as defined herein), and (iii) the payment of expenses as set forth in the Budget in accordance with and subject to the terms and conditions of this Interim Order, the DIP Documents, (a) subject to entry of a Final Order, the Prepetition Secured Parties are each entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code, and (b) subject to entry of a Final Order, the DIP Agents, the DIP Credit Parties, and the Prepetition Secured Parties are each entitled to a waiver of the provisions of section 506(c) of the Bankruptcy Code.

L. **Good Faith of the DIP Agents and DIP Credit Parties**.

(i) *Willingness to Provide Financing*. The DIP Credit Parties have indicated a willingness to provide financing to the Debtors subject to: (a) entry of this Interim Order and the Final Order; (b) approval of the terms and conditions of the DIP Facilities and the DIP Documents; (c) application of proceeds of DIP Collateral in accordance with paragraph 23 of this Interim Order, and, subject to entry of a Final Order, (1) an immediate roll-up of any remaining Prepetition Revolving Loans into DIP Revolving Loans, and (2) an immediate roll-up of any remaining Prepetition Term Secured Obligations into DIP Term Obligations; (d) satisfaction of the closing conditions set forth in the DIP Documents; and (e) findings by this Court that the DIP Facilities are essential to the Debtors' estates, that the DIP Agents and DIP Credit Parties are extending credit to the Debtors pursuant to the DIP Documents in good faith, and that the DIP Agents' and DIP Credit Parties' claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Documents will have the protections provided by section 364(e) of the Bankruptcy Code.

(ii) *Business Judgment and Good Faith Pursuant to Section 364(e)*. The terms and conditions of the DIP Facilities and the DIP Documents, and the interest and fees paid and to be paid thereunder, are fair, reasonable, and the best available to the Debtors under the circumstances, are ordinary and appropriate for secured financing to debtors in possession, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration. The terms and conditions of the DIP Facilities and the use of Cash Collateral were negotiated in good faith and at arms' length among

the Debtors, the DIP Agents, the DIP Credit Parties, and the Prepetition Secured Parties, with the assistance and counsel of their respective advisors. Use of Cash Collateral and credit to be extended under the DIP Facilities shall be deemed to have been allowed, advanced, made, or extended in good faith by the DIP Agents, the DIP Credit Parties, and the Prepetition Secured Parties within the meaning of section 364(e) of the Bankruptcy Code.

M. **Immediate Entry**. Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(c)(2).

N. **Interim Hearing**. Notice of the Interim Hearing and the relief requested in the DIP Motion has been provided by the Debtors, whether by facsimile, electronic mail, overnight courier or hand delivery, to certain parties-in-interest, including: (i) the U.S. Trustee; (ii) those entities or individuals included on the Debtors' list of 30 largest unsecured creditors on a consolidated basis; (iii) counsel to the Prepetition ABL Agent; (iv) counsel to the Prepetition Term Agent; and (v) all other parties entitled to notice under the Local Rules. The Debtors have made reasonable efforts to afford the best notice possible under the circumstances and no other notice is required in connection with the relief set forth in this Interim Order.

Based upon the foregoing findings and conclusions, the DIP Motion, the DIP Declaration, the First Day Declaration, and the record before the Court with respect to the DIP Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED that:

1. Interim ABL Financing Approved. The DIP Motion is granted, the Interim

ABL Financing and Interim Term Financing are authorized and approved, and the use of Cash Collateral on an interim basis is authorized, in each case subject to the terms and conditions set forth in the DIP Documents and this Interim Order. All objections to this Interim Order to the extent not withdrawn, waived, settled, or resolved are hereby denied and overruled. Each of the Prepetition Agents has consented to entry of this Interim Order and approval of the DIP ABL Facility and DIP Term Facility, respectively, under the ICA.

DIP Facilities Authorization

2. Authorization of the DIP Facilities. The DIP Facilities, including the Interim ABL Financing, are hereby approved. The Debtors are expressly and immediately authorized and empowered to execute and deliver the DIP Documents, and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Interim Order and the DIP Documents, and to deliver all instruments, certificates, agreements, and documents which may be required or necessary for the performance by the Debtors under the DIP Facilities and the creation and perfection of the DIP Liens described in and provided for by this Interim Order and the DIP Documents, including each Debtor providing its joint and several guarantee of all of the DIP Obligations and such acts as shall be necessary or desirable in order to effect the Interim ABL Financing. The Debtors are hereby authorized and directed to pay, in accordance with this Interim Order, the principal, interest, fees, payments, expenses, and other amounts described in the DIP Documents as such amounts become earned, due and payable and without need to obtain further Court approval, including closing fees, letter of credit fees (including issuance, fronting, and other

related charges), unused line fees, arrangement fees, structuring fees, servicing fees, audit fees, appraisal fees, liquidator fees, administrative agent's fees, the reasonable fees and disbursements of the DIP ABL Agent's and the DIP Term Agent's attorneys, advisors, accountants, and other consultants, whether or not such fees arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, to implement all applicable reserves and to take any other actions that may be necessary or appropriate, all to the extent provided in this Interim Order and/or the DIP Documents. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations, or otherwise, will be deposited and applied as required by this Interim Order and/or the DIP Documents. Upon execution and delivery, the DIP Documents shall represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms.

3. Authorization to Borrow. To prevent immediate and irreparable harm to the Debtors' estates, from the entry of this Interim Order through and including the earliest to occur of (i) entry of the Final Order or (ii) the Termination Date (as defined herein), and subject to the terms, conditions, limitations on availability and reserves (as applicable) set forth in the DIP Documents and this Interim Order, the Debtors are hereby authorized to request extensions of credit (in the form of loans and letters of credit) up to an aggregate outstanding principal amount of not greater than (i) $131,000,000 at any one time outstanding under the DIP ABL Facility and (ii) $116,000,000 at any one time outstanding under the DIP Term Facility (less any outstanding

Prepetition Term Loans). No other corporate action is required for the Debtors to execute and deliver the DIP Documents, perform their obligations thereunder or request any extension of credit under the DIP Facilities as set forth herein.

4. DIP Obligations. The DIP Documents and this Interim Order shall constitute and evidence the validity and binding effect of the DIP Obligations, which shall be enforceable against the Debtors, their estates and any successors thereto, including any trustee or other estate representative appointed in the Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of the Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the "Successor Cases"). Upon entry of this Interim Order, the DIP Obligations will include all loans, letter of credit reimbursement obligations, and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the Debtors to the DIP Agents or any of the DIP Credit Parties, in each case, under, or secured by, the DIP Documents or this Interim Order, including all principal, accrued interest, costs, fees, expenses and other amounts under the DIP Documents. Without limiting the foregoing, the DIP ABL Obligations shall include Letters of Credit, cash management, and bank product exposure and derivative and swap exposure and obligations (if any) to the extent described in, or secured by, the Prepetition ABL Documents (to the extent outstanding as of the Petition Date), and DIP ABL Documents (on and after the Petition Date), including all Other Liabilities (as defined in the DIP ABL Credit Agreement). Upon entry of this Interim Order, all cash management services, bank products and Letters of Credit issued for the account of the Debtors under the

Prepetition ABL Agreement shall continue in place and all obligations under or in connection therewith shall be subject to the DIP ABL Credit Agreement and shall constitute DIP ABL Obligations. The Interim ABL Roll-Up and the Interim Term Roll-Up are approved as provided, and on the terms contained, herein. The Debtors shall be jointly and severally liable for the DIP Obligations. The DIP Obligations shall be due and payable, without notice or demand, and the use of Cash Collateral shall automatically cease on the Termination Date (as defined herein), except as provided in paragraphs 10 and 33 herein. No obligation, payment, transfer, or grant of collateral security hereunder or under the DIP Documents (including any DIP Obligation or DIP Liens, and including in connection with any adequate protection provided to the Prepetition Secured Parties hereunder) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity, except as set forth in paragraph 43 below.

5. DIP ABL Liens.

(a) As security for the DIP ABL Obligations, effective immediately upon entry of this Interim Order, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d)

Notwithstanding the foregoing, DIP Collateral shall not include (i) the Debtors' real property leases, but shall include all proceeds of such leases, (ii) any contract or license under which the granting of the DIP Liens thereon would constitute a breach or termination thereof that would not be excused by operation of the Bankruptcy Code, but shall include the proceeds of such contracts and licenses, and (iii) any other assets or property specifically excluded under the DIP Documents.

(b) As security for the DIP Term Obligations, effective immediately upon entry of this Interim Order, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP Term Agent, for the benefit of itself and the DIP Term Credit Parties, is hereby granted, continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in and liens on (collectively, the "DIP Term Liens" and, together with the DIP ABL Liens, the "DIP Liens") the DIP Collateral,

The DIP Liens securing the DIP Obligations are valid, automatically perfected, non-avoidable, senior in priority, and superior to any security, mortgage, collateral interest, lien, or claim to any of the DIP Collateral, except that the DIP Liens shall be subject to the Carve Out, and the relative priorities set forth in the Lien Priority Annex. Other than as set forth herein or in the DIP Documents, the DIP Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Cases or any Successor Cases, and shall be valid and enforceable against any trustee appointed in the Cases or any Successor Cases, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code (or in any other Successor Case), and/or upon the dismissal of any of the Cases or Successor Cases. The DIP Liens shall not be subject to section 510, 549 or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the DIP Liens. All loans and advances made by the DIP Agents and/or DIP Lenders pursuant to and under the DIP Facilities and all other DIP Obligations outstanding thereunder shall be deemed to be "ABL Obligations" or "Term Obligations" as applicable under the ICA. The DIP ABL Agent is hereby deemed to be the successor to the Prepetition ABL Agent and the DIP Term Agent is hereby deemed to be the successor to the Prepetition Term Agent under the terms of the ICA and each shall have all of the rights, remedies and obligations accorded to the "ABL Agent" or "Term Agent", as applicable, under the ICA. 8. No Obligation to Extend Credit. The DIP Agents and DIP Credit Parties shall have no obligation to make any loan or advance, or to issue, amend, renew or extend any letters of credit or bankers' acceptance under the DIP Documents, unless all of the conditions precedent to the making of such extension of credit or the issuance, amendment, renewal, or extension of such letter of credit or bankers' acceptance under the DIP Documents and this Interim Order have been satisfied in full or waived by the DIP Agents and in accordance with the terms of the applicable DIP Credit Agreement. 12. Priority of Adequate Protection Liens.

(a) The Adequate Protection Liens shall be subject to the Carve Out, and the relative priorities set forth in the Lien Priority Annex, and otherwise the Adequate Protection Liens shall be senior to all other security interests in, liens on, or claims against any of the DIP Collateral.

(b) Except as provided herein or in the DIP Credit Agreements, the Adequate Protection Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter in the Cases or any Successor Cases, and shall be valid and

this Interim Order, payment of the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition ABL Agent and the Prepetition Term Agent arising prior to the entry of this Interim Order, and (iii) the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition ABL Agent and the Prepetition Term Agent arising subsequent to the entry of this Interim Order, subject to the ICA. As part of the adequate protection provided under this paragraph 15, the Prepetition ABL Agent, the Prepetition Term Agent, and, subject to the terms of the Prepetition ABL Agreement and Prepetition Term Agreement, the Prepetition Secured Parties, shall be entitled to current payment of all costs, expenses, and other amounts (including reasonable and documented attorneys' fees) incurred in connection with contingent indemnification, reimbursement or similar continuing obligations arising under the Prepetition ABL Agreement, the Prepetition Term Agreement, the other Prepetition Documents or otherwise in respect of the Prepetition Secured Obligations (the "Prepetition Indemnification Obligations"), including in connection with or responding to (1) formal or informal inquiries and/or discovery requests, any adversary proceeding, cause of action, objection, claim, defense, or other challenge as contemplated in paragraph 43 hereof, or (2) any Challenge (as defined herein) against the Prepetition ABL Agent, the Prepetition Term Agent, or Prepetition Secured Parties related to the

16. [Reserved].

17. Adequate Protection Reservation. Nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided to the Prepetition Secured Parties hereunder is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral during the Cases or any Successor Cases. The receipt by the Prepetition Secured Parties of the adequate protection provided herein shall not be deemed an admission that the interests of the Prepetition Secured Parties are adequately protected. Further, this Interim Order shall not prejudice or limit the rights of the Prepetition Secured Parties to seek additional relief with respect to the use of Cash Collateral

or for additional adequate protection, and the rights of all parties-in-interest are reserved with respect thereto.

In the case of a material amendment, modification, or supplement to the DIP Documents that is adverse to the Debtors' estates, the Debtors shall provide notice (which may be provided through electronic mail or facsimile) to counsel to the Committee (if appointed), the DIP Agents, the Prepetition Agents, and the U.S. Trustee (collectively, the "Notice Parties"), each of whom shall have five (5) days from the date of such notice to object in writing to such amendment, modification or supplement. If all Notice Parties indicate that they have no objection to the amendment, modification or supplement (or if no objections are timely received), the Debtors may proceed to execute the amendment, modification or supplement, which shall become effective immediately upon execution. If a Notice Party timely objects to such amendment, modification or supplement, approval of the Court (which may be sought on an expedited basis) will be necessary to effectuate the amendment, modification or supplement; *provided* that such amendment, modification or supplement shall be without prejudice to the right of any party in interest to be heard. Any material modification, amendment or supplement that becomes effective in accordance with this paragraph 18 shall be

filed with the Court.

19. Budget Maintenance. The use of borrowings and letters of credit under the DIP Facilities and the use of Cash Collateral shall be in accordance with the Budget, subject in all respects to the variances set forth in the DIP Credit Agreements. As set forth in the DIP Credit Agreements, the Budget shall depict, on a weekly and line item basis, (a) projected cash receipts, (b) projected disbursements (including ordinary course operating expenses, bankruptcy-related expenses (including professional fees of the Debtors' professionals and advisors and any Information Officer (as defined in the DIP Credit Agreements) and its counsel, and any other fees and expenses relating to the DIP Credit Agreements, (c) projected net cash flow, (d) projected inventory receipts and levels, and (e) projected U.S. Revolving Borrowing Base, Canadian Revolving Borrowing Base, Term Borrowing Base and Excess Availability (each as defined in the DIP Credit Agreements) for the first thirteen (13) weeks from the Closing Date, with a break-out for stores being closed or proposed to be closed, and shall be in form and substance satisfactory to, and approved by, the DIP Agents and Prepetition Agents in their sole discretion. On or before Wednesday of each week, the Debtors shall deliver to the DIP Agents and Prepetition Agents an Approved Budget Variance Report (as defined in the DIP ABL Credit Agreement) (with delivery of the same to the U.S. Trustee, any Information Officer, and the Committee, if any, each week after delivery to the DIP Agents). During the fifth (5th) week of the initial Budget and thereafter during the fifth (5th) week of each subsequent Budget, the Debtors shall submit a budget for the next successive 13-week period (it being understood that, unless otherwise agreed by the DIP

Agents and Prepetition Agents, each updated budget shall only add projections for periods not previously covered by any Budget and shall not modify any prior periods) to the DIP Agents and Prepetition Agents (with delivery of the same to the U.S. Trustee, any Information Officer, and the Committee, if any, after delivery to the DIP Agents), which budget shall be in form and substance satisfactory to and approved by the DIP Agents and Prepetition Agents in accordance with the DIP Credit Agreements. Until a budget has been approved, the existing Budget shall remain in full force and effect. Each Budget delivered to the DIP Agents and Prepetition Agents shall be accompanied by such supporting documentation as reasonably requested by the DIP Agents and Prepetition Agents and shall be prepared in good faith based upon assumptions the Debtors believe to be reasonable. A copy of any Budget (or updated Budget) shall be delivered to counsel for the Committee (if appointed), any Information Officer, and the U.S. Trustee, after (or if) it has been approved by the DIP Agents and Prepetition Agents.

20. Budget Compliance. It shall be an Event of Default if the Debtors fail to comply with the Budget, on the terms and subject to the variances set forth in the DIP Credit Agreements. The Debtors shall provide all reports and other information as required in the DIP Credit Agreements (subject to the grace periods, if any, provided therein).

21. Modification of Automatic Stay. The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby modified as necessary to effectuate all of the terms and provisions of this Interim Order, including to: (a) permit the Debtors to grant the DIP Liens, Adequate Protection Liens, DIP Superpriority Claims, and Adequate Protection Superpriority

22. Perfection of DIP Liens and Adequate Protection Liens. This Interim Order shall be sufficient and conclusive evidence of the creation, validity, perfection, and priority of all liens granted herein, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording any financing statement, mortgage, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement or mortgage) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens and the Adequate Protection Liens, or to evidence or entitle the DIP Agents, the DIP Credit Parties, and the Prepetition Secured Parties to the priorities granted herein. Notwithstanding the foregoing, each of the DIP Agents and Prepetition Agents is authorized to file, in the applicable registries of deeds and other appropriate public records, as it in its sole discretion deems necessary or advisable, (i) notice of this Interim Order, and (ii) such

financing statements, security agreements, mortgages, notices of liens, and other similar documents to perfect in accordance with applicable non-bankruptcy law or to otherwise evidence the DIP Liens and the Adequate Protection Liens, and all such financing statements, mortgages, notices, and other documents shall be deemed to have been filed or recorded as of the Petition Date; *provided, however*, that no such filing or recordation shall be necessary or required in order to create or perfect the DIP Liens or the Adequate Protection Liens. The Debtors are authorized and directed to execute and deliver promptly upon demand to the DIP Agents and the Prepetition Agents all such financing statements, mortgages, notices, and other documents as the DIP Agents, and the Prepetition Agents may reasonably request. Each DIP Agent, and Prepetition Agent, in its discretion, may file a photocopy of this Interim Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien, or similar instrument. To the extent that a Prepetition Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other collateral documents or relevant Prepetition Documents then automatically and without further action, (i) the DIP Agents shall be deemed to be a secured party under such documents, (ii) the DIP Facilities, together with any refinancings or replacements thereof, shall be deemed to be secured obligations under such documents, and (iii) the applicable provisions of such documents shall apply to the DIP Facilities; all as fully and completely as if each DIP Agent was an original secured party in such documents and each DIP

Facility was an original secured obligation in such documents. To the extent a Prepetition Agent is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agents shall also be deemed to be the secured party under such documents or to be the loss payee or additional insured, as applicable. The Prepetition Agents shall serve as agent for the DIP Agents for purposes of perfecting the DIP Agents' liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Interim Order, is of a type such that perfection of a lien therein may be accomplished only by possession or control by a secured party.

23. Application of Proceeds of DIP Collateral. As a condition to the entry of the DIP Documents, the extension of credit under the DIP Facilities and the authorization to use Cash Collateral, the Debtors have agreed that upon entry of this Interim Order, (i) all proceeds of DIP ABL Priority Collateral received by the DIP ABL Agent or any other Credit Party (as defined in the DIP ABL Credit Agreement) and all proceeds realized by the Debtors on account of the DIP ABL Priority Collateral (whether pursuant to cash dominion or arising from realization on DIP ABL Priority Collateral, setoff or otherwise) shall be applied first to the Prepetition ABL Secured Obligations until paid in full in cash, and second, to the DIP ABL Obligations until paid in full in cash, subject to and as more specifically set forth in the DIP ABL Credit Agreement; and (ii) all net proceeds of Term Priority Collateral shall be deposited into the Term Priority Account; provided, that (a) until the occurrence of a Termination Date under the DIP Term Facility the proceeds of Franchise Receivables (as defined in the ICA) shall be transferred to the Debtors' operating account and may be used in accordance with the Budget; and (b) net proceeds of all other

Term Priority Collateral may be applied in accordance with the DIP Term Credit Agreement and the ICA.

24. Protections of Rights of DIP Agents, DIP Credit Parties and Prepetition Secured Parties.

(a) Unless the DIP ABL Agent, the DIP Term Agent, and the Prepetition Agents, as applicable, shall have provided their prior written consent, or all DIP Obligations and all Prepetition Secured Obligations (excluding contingent indemnification obligations for which no claim has been asserted) have been indefeasibly Paid in Full[2] and the lending commitments under the DIP Facilities have terminated, it shall be an Event of Default if any order shall have been entered in any of these Cases or any Successor Cases (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following: (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage,

[2] "Paid in Full" means the indefeasible repayment in full in cash of all obligations (including principal, interest, fees, prepayment premiums, expenses, indemnities, other than contingent indemnification obligations for which no claim has been asserted) under the applicable credit facility, the cash collateralization or repayment in full in cash of all treasury and cash management obligations, hedging obligations, and bank product obligations, and the cancelation, replacement, backing, or cash collateralization of letters of credit, in each case in accordance with the terms of the applicable credit facility. No facility shall be deemed to have been Paid in Full until such time as, with respect to the applicable facility, (a) the commitments to lend thereunder have been terminated, (b) with respect to the Challenge Deadline (i) the Challenge Deadline shall have occurred without the timely and proper commencement of a Challenge or (ii) if a Challenge is timely and properly asserted prior to the Challenge Deadline, upon the final, non-appealable disposition of such Challenge and (c) the Debtors have entered into a customary and mutually agreeable payoff letter with the applicable DIP Credit Parties and/or Prepetition Secured Parties providing for a release of the applicable DIP Credit Parties and/or Prepetition Secured Parties from any further obligations or liabilities of any kind, including with respect to the Carve Out.

or collateral interest or other lien on all or any portion of the DIP Collateral or Prepetition Collateral and/or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claims, the Prepetition Liens, the Adequate Protection Liens, and/or the Adequate Protection Superpriority Claims; (ii) the use of Cash Collateral for any purpose other than as permitted in the DIP Documents and this Interim Order; (iii) the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any Debtor or any creditor's taking any setoff or recoupment against any of its prepetition indebtedness based upon any such return of goods pursuant to section 553 of the Bankruptcy Code or otherwise; or (iv) any modification of any of the DIP ABL Agent's, the DIP Term Agent's, the DIP Credit Parties', or the Prepetition Secured Parties' rights under this Interim Order, the DIP Documents or the Prepetition Documents, as applicable, with respect any DIP Obligations or Prepetition Secured Obligations.

Any objections raised by the Debtors, the U.S. Trustee, or the Committee (if appointed) with respect to such invoices must be in writing and state with particularity the grounds therefor

and must be submitted to the applicable professional within ten (10) days of the receipt of such invoice; if after ten (10) days such objection remains unresolved, it will be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such invoice will be paid promptly by the Debtors. Notwithstanding the foregoing, the Debtors are authorized and directed to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the DIP Agents, the DIP Credit Parties, and the Prepetition Secured Parties incurred on or prior to such date without the need for any professional engaged by the DIP Agents, the DIP Credit Parties, or the Prepetition Secured Parties to first deliver a copy of its invoice as provided for herein. None of the DIP Credit Parties or the Prepetition Secured Parties shall be responsible for funding into the Carve Out Account any "success", "restructuring", "transaction" or similar fee payable to the Debtors' investment banker or financial advisor, and in no event shall any such amounts be paid out of the Carve Out or any funds in the Carve Out Account, as of the Calculation Date prior

to the Carve Out Trigger Date. For the avoidance of doubt, the DIP Agents shall be entitled to maintain a reserve against the borrowing base, and the Debtors shall reflect in each borrowing base report delivered to the DIP Agents and Prepetition Agents by the Debtors, an amount equal to (i) the Wind Down Carve Out Amount, *plus* (ii) any additional amount to the extent of any insufficient funding of the Professional Fee Escrow Account (as defined below) as of the most recent Calculation Date, *plus* (iii) the amounts contemplated under paragraph (a)(iii) above, *plus* (iv) an amount equal to the amount of fees and expenses set forth in the Budget for the Case Professionals for the first two weeks following the Calculation Date.

The Debtors shall be permitted to pay, or cause to be paid from the Professional Fee Escrow Account, as and when the same may become due and payable,

the allowed professional fees of Case Professionals regardless of whether an Event of Default or the Termination Date has occurred. None of the provisions of this Interim Order or any DIP Documents shall prohibit or restrict the payment of the fees and expenses of any Case Professionals from any retainers held by such Case Professional. Any amounts remaining in the Professional Fee Escrow Account after the payment in full of (i) the allowed professional fees of Case Professionals for the period prior to the Carve Out Trigger Date pursuant to, other than any of the professionals retained by the Debtors in the Recognition Proceedings, the Information Officer, and the Information Officer's counsel, final fee applications and orders, and (ii) the amounts secured by the CCAA Priority Charges, shall be returned to the Debtors, the amounts which shall be applied in accordance with paragraph 23 hereof. Notwithstanding anything to the contrary in this Interim Order, the fees and disbursements of the professionals retained by the Debtors in the Recognition Proceedings, the Information Officer and the Information Officer's counsel shall, in accordance with the Canadian Supplemental Order (as defined in the DIP Credit Agreements), not be subject to approval by the Bankruptcy Court.

(d) Payment of Allowed Professional Fees. Notwithstanding the foregoing, so long as no Carve Out Trigger Notice has been delivered, the Debtors shall be permitted to pay compensation and reimbursement of expenses allowed and payable under sections 328, 330 and 331 of the Bankruptcy Code or the Canadian Supplemental Order (as applicable), as the same may be due and payable and otherwise allowed and payable by order of the Court or the Canadian Court (as applicable), and the same shall not reduce the Wind Down Carve Out Amount.

(e) No Direct Obligation to Pay Professional Fees. Except for funding and/or permitting the funding of the Carve Out Account (as defined herein) and the Professional Fee Escrow Account in accordance with the terms hereof, the DIP Agents, the DIP Credit Parties and the Prepetition Secured Parties shall not be responsible for the direct payment or reimbursement of any fees or disbursements of any Case Professionals incurred in connection with the Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate the DIP Agents, the DIP Credit Parties or the Prepetition Secured Parties, in any way to directly pay compensation to or to reimburse expenses of any Case Professional, or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(f) Funding of Carve Out Following Delivery of Carve Out Trigger Notice. Delivery of the Carve Out Trigger Notice by the DIP Agents or Prepetition Agents to the Debtors shall be deemed a draw request and notice of borrowing by the Debtors for DIP Revolving Loans under the DIP ABL Credit Agreement, or the use of Cash Collateral, in an amount equal to the Carve Out, but without duplication of any amounts that were previously funded into the Professional Fee Escrow Account. The funded amounts in respect of the Carve Out shall be deposited and held in a segregated non-interest bearing account (the "Carve Out Account"), such

account being the Professional Fee Escrow Account.

(g) Payment of Carve Out After Carve Out Trigger Notice. Any payment or reimbursement made on or after the delivery of the Carve Out Trigger Notice in respect of any Allowed Professional Fees incurred after the Carve Out Trigger Date shall permanently reduce the Wind Down Carve Out Amount on a dollar-for-dollar basis. Any funding of the Carve Out shall be added to and made a part of the DIP ABL Obligations, which obligations shall be secured by the DIP Collateral and otherwise entitled to the protections granted under this Interim Order, the DIP Documents, the Bankruptcy Code and applicable law.

41. Limitations on Use of DIP Proceeds, Cash Collateral, and Carve Out. The DIP Facilities, the DIP Collateral, the Prepetition Collateral, the Cash Collateral and the Carve Out may not be used in connection with: (a) preventing, hindering, or delaying any of the DIP Agents, the DIP Credit Parties', or the Prepetition Secured Parties' enforcement or realization upon any of the DIP Collateral or Prepetition Collateral; (b) using or seeking to use Cash Collateral except as provided for in this Interim Order and the DIP Documents; (c) except as permitted in the DIP Documents, selling or otherwise disposing of DIP Collateral without the consent of the DIP Agents; (d) except as permitted in the DIP Documents, using or seeking to use any insurance proceeds constituting DIP Collateral without the consent of the DIP Agents; (e) except as permitted in the DIP Documents, incurring Indebtedness (as defined in the DIP Credit Agreement) without the prior consent of the DIP Agents; (f) seeking to amend or modify any of the rights granted to the DIP Agents, DIP Credit Parties, or the Prepetition Secured Parties under this Interim Order,

the DIP Documents, or the Prepetition Documents, including seeking to use Cash Collateral and/or DIP Collateral on a contested basis; (g) objecting to or challenging in any way the DIP Liens, the DIP Obligations, the Prepetition Liens, the Prepetition Secured Obligations, the DIP Collateral (including Cash Collateral) or, as the case may be, Prepetition Collateral, or any other claims or liens, held by or on behalf of any of the DIP Agents, the DIP Credit Parties, or the Prepetition Secured Parties, respectively; (h) asserting, commencing, or prosecuting any claims or causes of action whatsoever, including any actions under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions to recover or disgorge payments, against any of the DIP Agents, the DIP Credit Parties, the Prepetition Secured Parties, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees; (i) litigating, objecting to, challenging, or contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of the DIP Obligations, the DIP Liens, the Prepetition Liens, the Prepetition Secured Obligations or any other rights or interests of any of the DIP Agents, the DIP Credit Parties, or the Prepetition Secured Parties; or (j) seeking to subordinate, recharacterize, disallow or avoid the DIP Obligations or the Prepetition Secured Obligations; *provided, however*, that the Carve Out and such collateral proceeds and loans under the DIP Documents may be used for allowed fees and expenses, in an amount not to exceed, subject to the Final Order, $50,000 in the aggregate (the "Investigation Budget Amount"), incurred solely by the Committee (if appointed), in investigating (but not prosecuting or challenging) the validity, enforceability, perfection, priority or extent of the Prepetition Liens and the Prepetition Secured

Obligations, in accordance with paragraph 43 of this Interim Order.

42. Payment of Compensation. Nothing herein shall be construed as a consent to the allowance of any professional fees or expenses or shall affect the right of the DIP Agents, the DIP Credit Parties, or the Prepetition Secured Parties to object to the allowance and payment of such fees and expenses. The Debtors shall be permitted to pay fees and expenses allowed and payable by final order (that has not been vacated or stayed, unless the stay has been vacated) under sections 328, 330, 331, and 363 of the Bankruptcy Code or the Canadian Supplemental Order (as applicable), as the same may be due and payable, solely from the Professional Fee Escrow Account.

43. Effect of Stipulations on Third Parties.

(a) *Generally*. The Debtors' Stipulations are and shall be binding on the Debtors. In addition, the Debtors' Stipulations shall be binding on any subsequent trustee, examiner with expanded powers, any other estate representative, and all creditors and parties in interest and all of their successors in interest and assigns, including the Committee (if appointed), unless, and solely to the extent that, a party in interest with standing and requisite authority (other than the Debtors, as to which any Challenge (as defined below) is irrevocably waived and relinquished) (i) has timely filed the appropriate pleadings, and timely commenced the appropriate proceeding required under the Bankruptcy Code and Bankruptcy Rules, including as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 43) challenging the Debtors' Stipulations (each such proceeding or appropriate

pleading commencing a proceeding or other contested matter, a "Challenge") by no later than (a) 60 days from the date of formation of the Committee (if appointed), or (b) 75 days following the entry of this Interim Order in the case that no Committee is appointed (the "Challenge Deadline"), as such applicable date may be extended in writing from time to time in the sole discretion of the Prepetition Agents, or by this Court for good cause shown pursuant to an application filed by a party in interest prior to the expiration of the Challenge Deadline, and (ii) this Court enters judgment in favor of the plaintiff or movant in any such timely and properly commenced Challenge proceeding and any such judgment has become a final judgment that is not subject to any further review or appeal. The Roll-Up shall be subject to any and all potential Challenges that may apply to the applicable Prepetition Loans that were refinanced as part of the ABL Roll-Up or the Term Roll-Up, as applicable.

(b) *Binding Effect*. To the extent no Challenge is timely and properly commenced by the Challenge Deadline, or to the extent such proceeding does not result in a final and non-appealable judgment or order of this Court that is inconsistent with the Debtors' Stipulations, then, without further notice, motion, or application to, order of, or hearing before, this Court and without the need or requirement to file any proof of claim, the Debtors' Stipulations shall, pursuant to this Interim Order, become binding, conclusive, and final on any person, entity, or party in interest in the Cases, and their successors and assigns, and in any Successor Case for all purposes and shall not be subject to challenge or objection by any party in interest, including a trustee, examiner with expanded powers, or other representative of the Debtors' estates.

Notwithstanding anything to the contrary herein, if any such proceeding is properly and timely commenced, the Debtors' Stipulations shall nonetheless remain binding on all other parties in interest and preclusive as provided in subparagraph (a) above except to the extent that any of such Debtors' Stipulations is expressly the subject of a timely and properly filed Challenge, which Challenge is successful as set forth in a final judgment as provided in subparagraph (a) above. To the extent any such Challenge proceeding is timely and properly commenced, the Prepetition Secured Parties shall be entitled to payment of the related costs and expenses, including, but not limited to, reasonable attorneys' fees, incurred under the Prepetition Documents in defending themselves in any such proceeding as adequate protection, subject to the Carve Out. Upon a successful Challenge brought pursuant to this paragraph 43, the Court may fashion any appropriate remedy.

44. No Third Party Rights. Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, or incidental beneficiary.

45. Section 506(c) Claims. Subject to entry of a Final Order, no costs or expenses of administration which have been or may be incurred in the Cases at any time shall be charged against the DIP Agents, the DIP Credit Parties, the Prepetition Secured Parties, or any of their respective claims, the DIP Collateral, or the Prepetition Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of the DIP Agents, the DIP Credit Parties or the Prepetition Secured Parties, as applicable, and no such

consent shall be implied from any other action, inaction, or acquiescence by any such agents or lenders.

46. No Marshaling/Applications of Proceeds. Subject to entry of a Final Order, the DIP Agents, the DIP Credit Parties, and the Prepetition Secured Parties shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral, as the case may be, and proceeds shall be received and applied pursuant to this Interim Order and the DIP Documents notwithstanding any other agreement or provision to the contrary.

47. Section 552(b). Subject to entry of a Final Order, the Prepetition Secured Parties shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties, with respect to proceeds, product, offspring or profits of any of the Prepetition Collateral.

48. Limits on Lender Liability. Subject to entry of a Final Order, nothing in this Interim Order, any of the DIP Documents, Prepetition Documents, or any other documents related thereto, if any, shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agents, the DIP Credit Parties or the Prepetition Secured Parties of any liability for any claims arising from any activities by the Debtors in the operation of their businesses or in connection with the administration of these Cases. The DIP Agents and the DIP Credit Parties shall not, solely by reason of having made loans under the DIP Facilities, be deemed

in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in this Interim Order or the DIP Documents, shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agents, the DIP Credit Parties, or any of the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors.

49. Insurance Proceeds and Policies. Upon entry of this Interim Order and to the fullest extent provided by applicable law, the DIP Agents (on behalf of the DIP Credit Parties) and the Prepetition Agents (on behalf of the Prepetition Secured Parties) shall be, and shall be deemed to be, without any further action or notice, named as additional insured and loss payee on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral.

50. Joint and Several Liability. Nothing in this Interim Order shall be construed to constitute a substantive consolidation of any of the Debtors' estates, it being understood, however, that Debtors shall be jointly and severally liable for the obligations hereunder and all DIP Obligations in accordance with the terms hereof and of the DIP Facilities and the DIP Documents.

51. No Superior Rights of Reclamation. Based on the findings and rulings herein regarding the integrated nature of the DIP Facilities and the Prepetition Facilities and the

relation back of the DIP Liens to the Prepetition Liens, the right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Prior Lien; rather, any such alleged claim arising or asserted as a right of reclamation (whether asserted under section 546(c) of the Bankruptcy Code or otherwise) shall have the same rights and priority with respect to the DIP Liens as such claims had with respect to the Prepetition Liens.

52. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, subject to the DIP Documents, the Prepetition Documents and the ICA, as applicable: (a) the DIP Agents, the DIP Credit Parties' and the Prepetition Secured Parties' right to seek any other or supplemental relief in respect of the Debtors; (b) any of the rights of any of the DIP Agents, the DIP Credit Parties, and/or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Cases or Successor Cases, conversion of any of the Cases to cases under Chapter 7, or appointment of a Chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a Chapter 11 plan or plans; or (c) any other rights, claims or privileges (whether legal, equitable or otherwise) of any of the DIP Agents, the DIP Credit Parties, or the Prepetition Secured Parties. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the Debtors', the Committee's (if appointed), or any party in interest's right to oppose

any of the relief requested in accordance with the immediately preceding sentence except as expressly set forth in this Interim Order. Entry of this Interim Order is without prejudice to any and all rights of any party in interest with respect to the terms and approval of the Final Order.

53. No Waiver by Failure to Seek Relief. The failure of the DIP Agents, the DIP Credit Parties, or Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Interim Order, the DIP Documents, the Prepetition Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of the DIP Agents, the DIP Credit Parties, the Prepetition Secured Parties, the Committee (if appointed), or any party in interest.

54. Binding Effect of Interim Order. Immediately upon execution by this Court, the terms and provisions of this Interim Order shall become valid and binding upon and inure to the benefit of the Debtors, the DIP Agents, the DIP Credit Parties, the Prepetition Secured Parties, all other creditors of any of the Debtors, any Committee (or any other court appointed committee) appointed in the Cases, and all other parties-in-interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in any of the Cases, any Successor Cases, or upon dismissal of any Case or Successor Case.

55. No Modification of Interim Order. Until and unless the DIP Obligations and the Prepetition Secured Obligations (other than contingent obligations with respect to then unasserted claims) have been indefeasibly paid in full in cash, and all letters of credit under the DIP Facilities shall have been cancelled, backed, or cash collateralized in accordance with the

terms thereof (such payment being without prejudice to any terms or provisions contained in the DIP Facilities which survive such discharge by their terms), and all commitments to extend credit under the DIP Facilities have been terminated, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly: (a) without the prior written consent of the DIP Agents (or the Prepetition Agents), (i) any modification, stay, vacatur or amendment to this Interim Order; or (ii) a priority claim for any administrative expense or unsecured claim against the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including any administrative expense of the kind specified in sections 503(b), 506(c), 507(a) or 507(b) of the Bankruptcy Code) in any of the Cases or Successor Cases, equal or superior to the DIP Superpriority Claims or Adequate Protection Superpriority Claims, other than the Carve Out; (b) without the prior written consent of the DIP Agents (or the Prepetition Agents) for any order allowing use of Cash Collateral (other than as permitted during the Remedies Notice Period) resulting from DIP Collateral or Prepetition Collateral; (c) without the prior written consent of the DIP Agents, any lien on any of the DIP Collateral with priority equal or superior to the DIP Liens, except as specifically provided in the DIP Documents (including the Carve Out); or (d) without the prior written consent of the Prepetition Agents, any lien on any of the DIP Collateral with priority equal or superior to the Prepetition Liens or Adequate Protection Liens (other than the DIP Liens and the Carve Out). The Debtors irrevocably waive any right to seek any amendment, modification or extension of this Interim Order without the prior written consent, as provided in the foregoing, of the DIP Agents (or the Prepetition Agents), and no such consent shall be implied

by any other action, inaction or acquiescence of the DIP Agents or the Prepetition Agents.

56. DIP Obligations Paid in Full and Commitments Terminated. In connection with the (i) DIP ABL Obligations and/or DIP Term Obligations being Paid in Full (such payment being without prejudice to any terms or provisions contained in either DIP Facility which survive such discharge by their terms), and (ii) all commitments to extend credit under the DIP ABL Facility and/or DIP Term Facility being terminated, all obligations of the DIP ABL Credit Parties and/or DIP Term Credit Parties to pay or otherwise satisfy any obligations under this Interim Order (including, without limitation, with respect to the Carve Out) and/or the applicable DIP Documents shall be terminated.

57. Interim Order Controls. In the event of any inconsistency between the terms and conditions of the DIP Documents and of this Interim Order, the provisions of this Interim Order shall govern and control; *provided* that, solely with respect to the CCAA Priority Charges, the ABL DIP Charge, the Term DIP Charge, and the Collateral of the Canadian Loan Parties or Collateral otherwise located in Canada, the Canadian Recognition Orders shall govern and control.

58. Canadian Recognition Proceedings. Notwithstanding anything to the contrary in this Interim Order, the Lien Priority Annex or the DIP Documents: (a) with respect to the Collateral of the Canadian Loan Parties or Collateral otherwise located in Canada, the DIP Liens, the Adequate Protection Liens, the Prepetition Liens, the DIP Superpriority Claims and the Adequate Protection Superpriority Claims shall be subject and subordinate to the CCAA Priority Charges, and neither the granting of the CCAA Priority Charges nor any payment secured thereby

shall constitute a breach of this Interim Order or an Event of Default; (b) the DIP Liens and the Adequate Protection Liens on the Collateral of the Canadian Loan Parties or Collateral otherwise located in Canada, and the guarantees and security granted by the Canadian Loan Parties under the DIP Documents shall be effective upon entry of this Interim Order; provided that the ABL DIP Charge and the Term DIP Charge shall become effective in Canada only upon the granting of the Canadian Interim DIP Recognition Order; (c) the fees and disbursements of the professionals retained by the Debtors in the Recognition Proceedings, the Information Officer and the Information Officer's counsel shall be paid in accordance with paragraph 40 of this Interim Order and the Canadian Supplemental Order (and to the extent of any conflict between paragraph 40 of this Interim Order and the Canadian Recognition Orders, the Canadian Supplemental Order shall govern); (d) the exercise of any rights or remedies against the Collateral of the Canadian Loan Parties or Collateral otherwise located in Canada, including following the expiration of the Remedies Notice Period, shall be subject to the Canadian Recognition Orders, and nothing in this Interim Order shall lift or modify any stay of proceedings granted by the Canadian Court in the Recognition Proceedings; and (e) nothing in this Interim Order shall limit the jurisdiction of the Canadian Court in the Recognition Proceedings.

59. Discharge. The DIP Obligations and the obligations of the Debtors with respect to the adequate protection provided herein shall not be discharged by the entry of an order confirming any plan of reorganization in any of the Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been indefeasibly paid in

full in cash (other than contingent indemnification obligations for which no claim has been asserted), on or before the effective date of such confirmed plan of reorganization, unless each of the DIP Agents, the DIP Credit Parties, and the Prepetition Agents, as applicable, has otherwise agreed in writing.

60. Survival. The provisions of this Interim Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in any of the Cases; (b) converting any of the Cases to a case under Chapter 7 of the Bankruptcy Code; (c) dismissing any of the Cases or any Successor Cases; or (d) pursuant to which this Court abstains from hearing any of the Cases or Successor Cases. The terms and provisions of this Interim Order, including the claims, liens, security interests, and other protections granted to the DIP Agents, DIP Credit Parties, and Prepetition Secured Parties granted pursuant to this Interim Order and/or the DIP Documents, notwithstanding the entry of any such orders described in (a)-(d), above, shall continue in the Cases, in any Successor Cases, or following dismissal of the Cases or any Successor Cases, and shall maintain their priority as provided by this Interim Order until: (i) in respect of the DIP Facilities, all the DIP Obligations, pursuant to the DIP Documents and this Interim Order, have been indefeasibly paid in full in cash (other than contingent obligations with respect to then unasserted claims) and all letters of credit under the DIP ABL Facility shall have been cancelled or cash collateralized in accordance with the terms thereof (such payment being without prejudice to any terms or provisions contained in the DIP Facilities which survive such discharge by their terms), and all commitments to extend credit under

the DIP Facilities are terminated, and (ii) in respect of the Prepetition Facilities, all of the Prepetition Secured Obligations pursuant to the Prepetition Documents and this Interim Order, have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted) and the Challenge Deadline has passed without a Challenge being asserted. The terms and provisions concerning the indemnification of the DIP Agents and the DIP Credit Parties shall continue in the Cases, in any Successor Cases, following dismissal of the Cases or any Successor Cases, following termination of the DIP Documents and/or the indefeasible repayment of the DIP Obligations.

If no election as to whether a Canadian Revolving Loan denominated in Canadian Dollars is to be a CORRA Loan or Canadian Base Rate Loan is contained in the applicable request, then the requested Canadian Loan shall be a Canadian Base Rate Loan. All requests for a Committed Borrowing which are not made by electronic request of the Lead Borrower through the Portal shall be subject to (and unless the Administrative Agent elects otherwise in the exercise of its sole discretion, such Committed Borrowing shall not be made until the completion of) the Administrative Agent's authentication process (with results satisfactory to the Administrative Agent) prior to the funding of any such requested Committed Loan.

(c) The Administrative Agent shall promptly notify each Revolving Lender of the amount of its Applicable Percentage of the applicable Committed Loans, and if no timely notice of a conversion or continuation is provided by the Lead Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans described in Section 2.02(b). In the case of a Committed Borrowing, each Revolving Lender shall make the amount of its Committed Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 1:30 p.m. on the Business Day specified in the applicable notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall use reasonable efforts to make all funds so received available to the Borrowers in like funds by no later than 4:00 p.m. on the day of receipt by the Administrative Agent either by (i) crediting the account of the applicable Borrowers on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Lead Borrower.

(d) The Administrative Agent, without the request of the Lead Borrower, may advance any interest, fee, service charge (including direct wire fees), Credit Party Expenses, or other payment to which any Credit Party is entitled from the Loan Parties pursuant hereto or any other Loan Document, as and when due and payable, and may charge the same to the Loan Account notwithstanding that an Overadvance may result thereby. The Administrative Agent shall advise the Lead Borrower of any such advance or charge promptly after the making thereof. Such action

on the part of the Administrative Agent shall not constitute a waiver of the Administrative Agent's rights and the Borrowers' obligations under Section 2.05(d). Any amount which is added to the principal balance of the Loan Account as provided in this Section 2.02(d), shall bear interest at the interest rate then and thereafter applicable to Base Rate Loans.

(e) Except as otherwise provided herein, a SOFR Loan may be continued or converted only on the last day of an Interest Period for such SOFR Loan and a CORRA Loan may be continued or converted only on the last day of an Interest Period for such CORRA Loan. Upon the occurrence and during the continuance of a Default, the Administrative Agent may, and at the direction of the Required Lenders shall, prohibit Loans from being requested as, converted to or continued as, SOFR Loans or CORRA Loans.

(f) The Administrative Agent shall promptly notify the Lead Borrower and the Lenders of the interest rate applicable to any Interest Period for SOFR Loans and CORRA Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Lead Borrower and the Lenders of any change in Wells Fargo Bank's prime rate used in determining the Base Rate or any change of any component rate comprised in the Canadian Base Rate giving rise to a change in the Canadian Base Rate promptly following the public announcement of such change.

(g) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect with respect to Committed Loans.

(h) The Administrative Agent, the Lenders, the Swing Line Lender and the L/C Issuer shall have no obligation to make any Loan or to provide any Letter of Credit if an Overadvance would result. The Administrative Agent may, in its discretion, make Permitted Overadvances without the consent of the Borrowers, the Lenders, the Swing Line Lender and the L/C Issuer and the Borrowers and each Lender and L/C Issuer shall be bound thereby. Any Permitted Overadvance may constitute a Swing Line Loan. A Permitted Overadvance is for the account of the Borrowers and shall constitute a Loan and an Obligation and shall be repaid by the Borrowers in accordance with the provisions of Section 2.05(d). The making of any such Permitted Overadvance on any one occasion shall not obligate the Administrative Agent or any Lender to make or permit any Permitted Overadvance on any other occasion or to permit such Permitted Overadvances to remain outstanding. The making by the Administrative Agent of a Permitted Overadvance shall not modify or abrogate any of the provisions of Section 2.03 regarding the Revolving Lenders' obligations to purchase participations with respect to Letters of Credit or of Section 2.04 regarding the Revolving Lenders' obligations to purchase participations with respect to Swing Line Loans. Without limiting the foregoing, the Administrative Agent shall have no liability for, and no Loan Party or Credit Party shall have the right to, or shall, bring any claim of any kind whatsoever against the Administrative Agent with respect to Unintentional Overadvances regardless of the amount of any such Unintentional Overadvances.

(i) Notwithstanding anything to the contrary in this Agreement (including, without limitation, this Section 2.02) or any other Loan Document, all Revolving Loans (including Swing Line Loans) shall be only Base Rate Loans.

2.03 Letters of Credit.

(a) Subject to the terms and conditions of this Agreement, upon the request of the Lead Borrower made in accordance herewith, and prior to the Maturity Date, the L/C Issuer agrees to

issue, or, in the case of Canadian Letters of Credit, to cause a Canadian Underlying Issuer (including as a Canadian Revolving Lender's agent) to issue, a requested Letter of Credit for the account of one or more of the Loan Parties. If the L/C Issuer, at its option, elects to cause a Canadian Underlying Issuer to issue a requested Canadian Letter of Credit, then the L/C Issuer agrees that it will enter into arrangements relative to the reimbursement of such Canadian Underlying Issuer (which may include, among other means, by becoming an applicant with respect to such Canadian Letter of Credit or entering into undertakings or other arrangements that provide for reimbursement of such Canadian Underlying Issuer with respect to drawings under such Canadian Letter of Credit) with respect to Canadian Letters of Credit issued by such Canadian Underlying Issuer. By submitting a request to the L/C Issuer for the issuance of a Letter of Credit, the Borrowers shall be deemed to have requested that the L/C Issuer issue the requested Letter of Credit. Each request for the issuance of a Letter of Credit, or the amendment, renewal or extension of any outstanding Letter of Credit, shall be (i) irrevocable and be made in writing pursuant to a Letter of Credit Application by a Responsible Officer, (ii) delivered to the L/C Issuer and the Administrative Agent via telefacsimile or other electronic method of transmission reasonably acceptable to the L/C Issuer not later than 11:00 a.m. at least two Business Days (or such other date and time as the Administrative Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the requested date of issuance, amendment, renewal, or extension, and (iii) subject to the L/C Issuer's authentication procedures with results satisfactory to the L/C Issuer. Each such request shall be in form and substance reasonably satisfactory to the Administrative Agent and the L/C Issuer and (i) shall specify (A) the amount of such Letter of Credit, (B) the date of issuance, amendment, renewal, or extension of such Letter of Credit, (C) the proposed expiration date of such Letter of Credit, (D) the name and address of the beneficiary of the Letter of Credit, and (E) such other information (including, the conditions to drawing, and, in the case of an amendment, renewal, or extension, identification of the Letter of Credit to be so amended, renewed, or extended) as shall be necessary to prepare, amend, renew, or extend such Letter of Credit, and (ii) shall be accompanied by such Issuer Documents as the Administrative Agent or the L/C Issuer may request or require, to the extent that such requests or requirements are consistent with the Issuer Documents that the L/C Issuer generally requests for Letters of Credit in similar circumstances. The L/C Issuer's records of the content of any such request will be conclusive. Anything contained herein to the contrary notwithstanding, the L/C Issuer may, but shall not be obligated to, issue a Letter of Credit that supports the obligations of a Loan Party or one of its Subsidiaries in respect of (x) a lease of real property to the extent that the face amount of such Letter of Credit exceeds the highest rent (including all rent-like charges) payable under such lease for a period of one year, or (y) an employment contract to the extent that the face amount of such Letter of Credit exceeds the highest compensation payable under such contract for a period of one year.

(b) The L/C Issuer shall have no obligation to issue a U.S. Letter of Credit if, after giving effect to the requested issuance, (i) the U.S. Total Revolving Outstandings would exceed the lesser of the U.S. Revolving Commitments or the U.S. Revolving Borrowing Base, (ii) the Total Revolving Outstandings would exceed the Revolving Loan Cap, (iii) [reserved], (iv) the aggregate Outstanding Amount of the U.S. Committed Loans (plus the aggregate outstanding principal amount of Prepetition U.S. Revolving Loans) of any U.S. Revolving Lender, plus such U.S. Revolving Lender's Applicable Percentage of the Outstanding Amount of all U.S. L/C Obligations, plus the Applicable Percentage of the Outstanding Amount of all U.S. Swing Line Loans of such U.S. Revolving Lender would exceed such U.S. Revolving Lender's U.S. Revolving Commitment, or (v) the Outstanding Amount of the U.S. L/C Obligations would exceed the Letter of Credit Sublimit. The L/C Issuer shall have no obligation to issue a Canadian Letter of Credit if, after giving effect to the requested issuance, (i) the Canadian Total Revolving Outstandings would exceed the lesser of the Canadian Revolving Commitments or the Canadian Revolving Borrowing

Base, (ii) the Total Revolving Outstandings would exceed the Revolving Loan Cap, (iii) [reserved], (iv) the aggregate Outstanding Amount of the Canadian Committed Loans (plus the aggregate outstanding principal amount of Prepetition Canadian Revolving Loans) of any Canadian Revolving Lender, plus such Canadian Revolving Lender's Applicable Percentage of the Outstanding Amount of all Canadian L/C Obligations, plus the Applicable Percentage of the Outstanding Amount of all Canadian Swing Line Loans of such Canadian Revolving Lender would exceed such Canadian Revolving Lender's Canadian Revolving Commitment, or (v) the Outstanding Amount of the Canadian L/C Obligations would exceed the Canadian Letter of Credit Sublimit.

(c) In the event there is a Defaulting Lender as of the date of any request for the issuance of a Letter of Credit, the L/C Issuer shall not be required to issue or arrange for such Letter of Credit to the extent (i) the Defaulting Lender's participation with respect to such Letter of Credit may not be reallocated pursuant to Section 9.15(a), or (ii) the L/C Issuer has not otherwise entered into arrangements reasonably satisfactory to it and the Borrowers to eliminate the L/C Issuer's risk with respect to the participation in such Letter of Credit of the Defaulting Lender, which arrangements may include the Borrowers cash collateralizing such Defaulting Lender's participation with respect to such Letter of Credit in accordance with Section 9.15(a). Additionally, the L/C Issuer shall have no obligation to issue and/or extend a Letter of Credit, including, without limitation, if (A) any order, judgment, or decree of any Governmental Authority or arbitrator shall, by its terms, purport to enjoin or restrain the L/C Issuer from issuing such Letter of Credit, or any Law applicable to the L/C Issuer or any request or directive (whether or not having the force of Law) from any Governmental Authority with jurisdiction over the L/C Issuer shall prohibit or request that the L/C Issuer refrain from the issuance of letters of credit generally or such Letter of Credit in particular, (B) the issuance of such Letter of Credit would violate one or more policies of the L/C Issuer applicable to letters of credit generally, (C) the expiry date of such requested Letter of Credit that is a Standby Letter of Credit would occur later than the date that is twelve (12) months after the date of issuance thereof, provided, that, such Standby Letter of Credit may provide for the automatic extension thereof for any number of additional periods each of up to one year in duration, subject to the terms hereof (including, without limitation, clause (E) below and Section 2.03(h)), (D) the expiry date of such requested Letter of Credit that is a Commercial Letter of Credit would occur later than the date that is the earlier of (i) 120 days after the date of the issuance of such Commercial Letter of Credit and (ii) the Letter of Credit Expiration Date, and (E) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date (provided that, to the extent the L/C Issuer agrees to issue and/or extend a Letter of Credit, the L/C Issuer may require that such Letter of Credit be Cash Collateralized on or prior to the date of issuance (or such later date as to which the Administrative Agent may agree) or that all Revolving Lenders approve such expiry date).

(d) Any L/C Issuer (other than Wells Fargo Bank, Wells Fargo Canada (or the Canadian Underlying Issuer) or any of their Affiliates) shall notify the Administrative Agent in writing no later than the Business Day immediately following the Business Day on which such L/C Issuer issued any Letter of Credit; provided that (i) until the Administrative Agent advises any such L/C Issuer that the provisions of Section 4.02 are not satisfied, or (ii) unless the aggregate amount of the Letters of Credit issued in any such week exceeds such amount as shall be agreed by the Administrative Agent and such L/C Issuer, such L/C Issuer shall be required to so notify the Administrative Agent in writing only once each week of the Letters of Credit issued by such L/C Issuer during the immediately preceding week as well as the daily amounts outstanding for the prior week, such notice to be furnished on such day of the week as the Administrative Agent and such L/C Issuer may agree. Each Letter of Credit shall be in form and substance reasonably acceptable to the L/C Issuer, including the requirement that the amounts payable thereunder must be payable

in Dollars. If the L/C Issuer makes a payment under a Letter of Credit, the Borrowers shall pay to the Administrative Agent an amount equal to the applicable Letter of Credit Disbursement on the Business Day such Letter of Credit Disbursement is made and, in the absence of such payment, the amount of the Letter of Credit Disbursement immediately and automatically shall be deemed to be a Committed Loan hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 4.02 hereof) and, initially, shall bear interest at the rate then applicable to Committed Loans that are Base Rate Loans. If a Letter of Credit Disbursement is deemed to be a Committed Loan hereunder, the Borrowers' obligation to pay the amount of such Letter of Credit Disbursement to the L/C Issuer shall be automatically converted into an obligation to pay the resulting Committed Loan. Promptly following receipt by the Administrative Agent of any payment from the Borrowers pursuant to this paragraph, the Administrative Agent shall distribute such payment to the L/C Issuer or, to the extent that the Revolving Lenders have made payments pursuant to Section 2.03(e) to reimburse the L/C Issuer, then to such Revolving Lenders and the L/C Issuer as their interests may appear.

(e) Promptly following receipt of a notice of a Letter of Credit Disbursement pursuant to Section 2.03(d), each Revolving Lender agrees to fund its Applicable Percentage of any Committed Loan deemed made pursuant to Section 2.03(d) on the same terms and conditions as if the Borrowers had requested the amount thereof as a Committed Loan and the Administrative Agent shall promptly pay to the L/C Issuer the amounts so received by it from the Revolving Lenders. By the issuance of a Letter of Credit (or an amendment, renewal, or extension of a Letter of Credit) and without any further action on the part of the L/C Issuer or the Revolving Lenders, the L/C Issuer shall be deemed to have granted to each Revolving Lender, and each Revolving Lender shall be deemed to have purchased, a participation in each Letter of Credit issued by the L/C Issuer, in an amount equal to its Applicable Percentage of such Letter of Credit, and each such Revolving Lender agrees to pay to the Administrative Agent, for the account of the L/C Issuer, such Revolving Lender's Applicable Percentage of any Letter of Credit Disbursement made by the L/C Issuer under the applicable Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the L/C Issuer, such Revolving Lender's Applicable Percentage of each Letter of Credit Disbursement made by the L/C Issuer and not reimbursed by Borrowers on the date due as provided in Section 2.03(d), or of any reimbursement payment that is required to be refunded (or that the Administrative Agent or the L/C Issuer elects, based upon the advice of counsel, to refund) to the Borrowers for any reason. Each Revolving Lender acknowledges and agrees that its obligation to deliver to the Administrative Agent, for the account of the L/C Issuer, an amount equal to its respective Applicable Percentage of each Letter of Credit Disbursement pursuant to this Section 2.03(e) shall be absolute and unconditional and such remittance shall be made notwithstanding the occurrence or continuation of a Default or the failure to satisfy any condition set forth in Section 4.02 hereof. If any such Revolving Lender fails to make available to the Administrative Agent the amount of such Revolving Lender's Applicable Percentage of a Letter of Credit Disbursement as provided in this Section, such Revolving Lender shall be deemed to be a Defaulting Lender and the Administrative Agent (for the account of the L/C Issuer) shall be entitled to recover such amount on demand from such Revolving Lender together with interest thereon at the Defaulting Lender Rate until paid in full.

(f) Each Borrower agrees to indemnify, defend and hold harmless each Credit Party (including the L/C Issuer and its branches, Affiliates, and correspondents) and each such Person's respective directors, officers, employees, attorneys and agents (each, including the L/C Issuer, a "Letter of Credit Related Person") (to the fullest extent permitted by Law) from and against any and all claims, demands, suits, judgments, actions, investigations, proceedings, liabilities, losses, fines, costs, penalties, interest and damages, and all reasonable fees and disbursements of attorneys,

experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), which may be incurred by or awarded against any such Letter of Credit Related Person (other than Taxes, which shall be governed by Article III) (the "Letter of Credit Indemnified Costs"), and which arise out of or in connection with, or as a result of:

(i) any Letter of Credit or any pre-advice of its issuance;

(ii) any transfer, sale, delivery, surrender or endorsement (or lack thereof) of any Drawing Document at any time(s) held by any such Letter of Credit Related Person in connection with any Letter of Credit;

(iii) any action or proceeding arising out of, or in connection with, any Letter of Credit (whether administrative, judicial or in connection with arbitration), including any action or proceeding to compel or restrain any presentation or payment under any Letter of Credit, or for the wrongful dishonor of, or honoring a presentation under, any Letter of Credit;

(iv) any independent undertakings issued by the beneficiary of any Letter of Credit;

(v) any unauthorized instruction or request made to the L/C Issuer in connection with any Letter of Credit or requested Letter of Credit, or any error, omission, interruption or delay in such instruction or request, whether transmitted by mail, courier, computer, electronic transmission, SWIFT, or any other telecommunication including communications through a correspondent;

(vi) an adviser, confirmer or other nominated person seeking to be reimbursed, indemnified or compensated;

(vii) any third party seeking to enforce the rights of an applicant, beneficiary, nominated person, transferee, assignee of Letter of Credit proceeds or holder of an instrument or document;

(viii) the fraud, forgery or illegal action of parties other than the Letter of Credit Related Person;

(ix) any prohibition on payment or delay in payment of any amount payable by the L/C Issuer to a beneficiary or transferee beneficiary of a Letter of Credit arising out of Anti-Corruption Laws, Anti-Money Laundering Laws or Sanctions;

(x) the L/C Issuer's performance of the obligations of a confirming institution or entity that wrongfully dishonors a confirmation;

(xi) any foreign language translation provided to the L/C Issuer in connection with any Letter of Credit;

(xii) any foreign law or usage as it relates to the L/C Issuer's issuance of a Letter of Credit in support of a foreign guaranty including without limitation the expiration of

such guaranty after the related Letter of Credit expiration date and any resulting drawing paid by the L/C Issuer in connection therewith; or

(xiii) the acts or omissions, whether rightful or wrongful, of any present or future de jure or de facto governmental or regulatory authority or cause or event beyond the control of the Letter of Credit Related Person;

in each case, including that resulting from the Letter of Credit Related Person's own negligence; provided, however, that such indemnity shall not be available to any Letter of Credit Related Person claiming indemnification under clauses (i) through (xiii) above to the extent that such Letter of Credit Indemnified Costs may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted directly from the gross negligence or willful misconduct of the Letter of Credit Related Person claiming indemnity. The Borrowers hereby agree to pay the Letter of Credit Related Person claiming indemnity on demand from time to time all amounts owing under this Section 2.03(f). If and to the extent that the obligations of the Borrowers under this Section 2.03(f) are unenforceable for any reason, the Borrowers agree to make the maximum contribution to the Letter of Credit Indemnified Costs permissible under applicable Law. This indemnification provision shall survive termination of this Agreement and all Letters of Credit.

(g) The liability of the L/C Issuer (or any other Letter of Credit Related Person) under, in connection with or arising out of any Letter of Credit (or pre-advice), regardless of the form or legal grounds of the action or proceeding, shall be limited to direct damages suffered by the Borrowers that are caused directly by the L/C Issuer's gross negligence or willful misconduct in (i) honoring a presentation under a Letter of Credit that on its face does not at least substantially comply with the terms and conditions of such Letter of Credit, (ii) failing to honor a presentation under a Letter of Credit that strictly complies with the terms and conditions of such Letter of Credit or (iii) retaining Drawing Documents presented under a Letter of Credit. The L/C Issuer shall be deemed to have acted with due diligence and reasonable care if the L/C Issuer's conduct is in accordance with Standard Letter of Credit Practice or in accordance with this Agreement. The Borrowers' aggregate remedies against the L/C Issuer and any Letter of Credit Related Person for wrongfully honoring a presentation under any Letter of Credit or wrongfully retaining honored Drawing Documents shall in no event exceed the aggregate amount paid by the Borrowers to the L/C Issuer in respect of the honored presentation in connection with such Letter of Credit under Section 2.03(d), plus interest at the rate then applicable to Base Rate Loans hereunder. The Borrowers shall take action to avoid and mitigate the amount of any damages claimed against the L/C Issuer or any other Letter of Credit Related Person, including by enforcing its rights against the beneficiaries of the Letters of Credit. Any claim by the Borrowers under or in connection with any Letter of Credit shall be reduced by an amount equal to the sum of (x) the amount (if any) saved by the Borrowers as a result of the breach or alleged wrongful conduct complained of, and (y) the amount (if any) of the loss that would have been avoided had the Borrowers taken all reasonable steps to mitigate any loss, and in case of a claim of wrongful dishonor, by specifically and timely authorizing the L/C Issuer to effect a cure.

(h) The Borrowers are responsible for the final text of the Letter of Credit as issued by the L/C Issuer, irrespective of any assistance the L/C Issuer may provide such as drafting or recommending text or by the L/C Issuer's use or refusal to use text submitted by the Borrowers. The Borrowers understand that the final form of any Letter of Credit may be subject to such revisions and changes as are deemed necessary or appropriate by the L/C Issuer, and Borrowers hereby consent to such revisions and changes not materially different from the application executed in connection therewith. The Borrowers are solely responsible for the suitability of the Letter of

Credit for the Borrowers' purposes. If the Borrowers request the L/C Issuer to issue a Letter of Credit for an affiliated or unaffiliated third party (an "Account Party"), (i) such Account Party shall have no rights against the L/C Issuer, (ii) the Borrowers shall be responsible for the application and obligations under this Agreement, and (iii) communications (including notices) related to the respective Letter of Credit shall be among the L/C Issuer and the Borrowers. The Borrowers will examine the copy of the Letter of Credit and any other documents sent by the L/C Issuer in connection therewith and shall promptly notify the L/C Issuer (not later than three (3) Business Days following the Borrowers' receipt of documents from the L/C Issuer) of any non-compliance with the Borrowers' instructions and of any discrepancy in any document under any presentment or other irregularity. The Borrowers understand and agree that the L/C Issuer is not required to extend the expiration date of any Letter of Credit for any reason. With respect to any Letter of Credit containing an "automatic amendment" to extend the expiration date of such Letter of Credit, the L/C Issuer, in its sole and absolute discretion, may at any time give notice of nonrenewal of such Letter of Credit, and without limiting the foregoing, if the Borrowers do not at any time want the then current expiration date of such Letter of Credit to be extended, the Borrowers will so notify the Administrative Agent and the L/C Issuer at least 30 calendar days before the L/C Issuer is required to notify the beneficiary of such Letter of Credit or any advising bank of such non-extension pursuant to the terms of such Letter of Credit. Subject to clause (g) above, the Borrowers' acceptance or rejection of a Drawing Document presented under or in connection with any Letter of Credit (whether or not the document is genuine) or of any released goods shall preclude the Borrowers from raising a defense, set-off or claim with respect to the L/C Issuer's honor of such presentation.

(i) The Borrowers' reimbursement and payment obligations under this Section 2.03 are absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever, including:

(i) any lack of validity, enforceability or legal effect of any Letter of Credit or amendment thereto, any Issuer Document, this Agreement or any Loan Document, or any term or provision therein or herein;

(ii) payment against presentation of any draft, demand or claim for payment under any Drawing Document that does not comply in whole or in part with the terms of the applicable Letter of Credit or which proves to be fraudulent, forged or invalid in any respect or any statement therein being untrue or inaccurate in any respect, or which is signed, issued or presented by a Person or a transferee of such Person purporting to be a successor or transferee of the beneficiary of such Letter of Credit;

(iii) any delay in giving or failing to give notice (irrespective of whether notice is required) to any Borrower;

(iv) the L/C Issuer or any of its branches or Affiliates being the beneficiary of any Letter of Credit;

(v) the L/C Issuer or any correspondent honoring a drawing against a Drawing Document up to the amount available under any Letter of Credit even if such Drawing Document claims an amount in excess of the amount available under the Letter of Credit;

(vi) the existence of any claim, set-off, defense or other right that any Loan Party or any of its Subsidiaries may have at any time against any beneficiary or transferee beneficiary, any assignee of proceeds, the L/C Issuer or any other Person;

(vii) the L/C Issuer or any correspondent honoring a drawing upon receipt of an electronic presentation under a Letter of Credit requiring the same, regardless of whether the original Drawing Documents arrive at the L/C Issuer's counters or are different from the electronic presentation;

(viii) any other event, circumstance or conduct whatsoever, whether or not similar to any of the foregoing that might, but for this Section 2.03(i), constitute a legal or equitable defense to or discharge of, or provide a right of set-off against, any Borrower's or any of its Subsidiaries' reimbursement and other payment obligations and liabilities, arising under, or in connection with, any Letter of Credit, whether against the L/C Issuer, the beneficiary or any other Person; or

(ix) the fact that any Default shall have occurred and be continuing;

provided, however, that subject to Section 2.03(g) above, the foregoing shall not release the L/C Issuer from such liability to the Borrowers as may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction against the L/C Issuer following reimbursement or payment of the obligations and liabilities, including reimbursement and other payment obligations, of the Borrowers to the L/C Issuer arising under, or in connection with, this Section 2.03 or any Letter of Credit.

(j) Without limiting any other provision of this Agreement, the L/C Issuer and each other Letter of Credit Related Person (if applicable) shall not be responsible to the Borrowers for, and the L/C Issuer's rights and remedies against the Borrowers and the obligation of the Borrowers to reimburse the L/C Issuer for each drawing under each Letter of Credit shall not be impaired by:

(i) honor of a presentation under any Letter of Credit that on its face substantially complies with the terms and conditions of such Letter of Credit, even if the Letter of Credit requires strict compliance by the beneficiary;

(ii) honor of a presentation of any Drawing Document that appears on its face to have been signed, presented or issued (A) by any purported successor or transferee of any beneficiary or other Person required to sign, present or issue such Drawing Document or (B) under a new name of the beneficiary;

(iii) acceptance as a draft of any written or electronic demand or request for payment under a Letter of Credit, even if nonnegotiable or not in the form of a draft or notwithstanding any requirement that such draft, demand or request bear any or adequate reference to the Letter of Credit;

(iv) the identity or authority of any presenter or signer of any Drawing Document or the form, accuracy, genuineness or legal effect of any Drawing Document (other than the L/C Issuer's determination that such Drawing Document appears on its face substantially to comply with the terms and conditions of the Letter of Credit);

(v) acting upon any instruction or request relative to a Letter of Credit or requested Letter of Credit that the L/C Issuer in good faith believes to have been given by a Person authorized to give such instruction or request;

(vi) any errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document (regardless of how sent or transmitted) or for errors

in interpretation of technical terms or in translation or any delay in giving or failing to give notice (irrespective of whether notice is required) to any Borrower;

(vii) any acts, omissions or fraud by, or the insolvency of, any beneficiary, any nominated person or entity or any other Person or any breach of contract between any beneficiary and any Borrower or any of the parties to the underlying transaction to which the Letter of Credit relates;

(viii) assertion or waiver of any provision of the ISP, UCP or eUCP that primarily benefits an issuer of a letter of credit, including any requirement that any Drawing Document be presented to it at a particular hour or place;

(ix) payment to any presenting bank (designated or permitted by the terms of the applicable Letter of Credit) claiming that it rightfully honored or is entitled to reimbursement or indemnity under Standard Letter of Credit Practice applicable to it;

(x) acting or failing to act as required or permitted under Standard Letter of Credit Practice applicable to where the L/C Issuer has issued, confirmed, advised or negotiated such Letter of Credit, as the case may be;

(xi) honor of a presentation after the expiration date of any Letter of Credit notwithstanding that a presentation was made prior to such expiration date and dishonored by the L/C Issuer if subsequently the L/C Issuer or any court or other finder of fact determines such presentation should have been honored;

(xii) dishonor of any presentation that does not strictly comply or that is fraudulent, forged or otherwise not entitled to honor;

(xiii) honor of a presentation made at any location or counter of the L/C Issuer notwithstanding any stated restrictions on presentation locations in the Letter of Credit;

(xiv) delivery of the Letter of Credit to the beneficiary using the L/C Issuer's branch network notwithstanding any advising bank preference by the applicant; or

(xv) honor of a presentation that is subsequently determined by the L/C Issuer to have been made in violation of international, federal, state, provincial or local restrictions on the transaction of business with certain prohibited Persons.

(k) Upon the request of the Administrative Agent, (i) if the L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Obligation that remains outstanding (other than L/C Obligations consisting of the remaining undrawn stated amount resulting from a partial drawing), or (ii) if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the Borrowers shall, in each case, promptly Cash Collateralize the then Outstanding Amount of all L/C Obligations. Sections 2.05 and 8.02(a)(iii) set forth certain additional requirements to deliver Cash Collateral hereunder. For purposes of this Section 2.03, Section 2.05 and Section 8.02(a)(iii), "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the L/C Issuer and the Revolving Lenders, as collateral for the L/C Obligations, cash or deposit account balances in an amount equal to 105% (in the case of Letters of Credit denominated in a currency other than Dollars, in an amount at least equal to 110%) of the Outstanding Amount of all L/C Obligations, pursuant to documentation in form and substance satisfactory to the

Administrative Agent and the L/C Issuer (which documents are hereby Consented to by the Revolving Lenders). The Borrowers hereby grant to the Collateral Agent a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in a Cash Collateral Account. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, the Borrowers will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited as Cash Collateral, an amount equal to the excess of (x) such aggregate Outstanding Amount over (y) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Laws, to reimburse the L/C Issuer and, to the extent not so applied, shall thereafter be applied to satisfy other Obligations.

(l) The Borrowers shall pay to the Administrative Agent, for the account of each Revolving Lender in accordance with its Applicable Percentage, a Letter of Credit fee (the "Letter of Credit Fee") (i) for each Commercial Letter of Credit, equal to 1.75% multiplied by the daily Stated Amount under such Letter of Credit, and (ii) for each Standby Letter of Credit, equal to the Applicable Margin multiplied by the daily Stated Amount under such Letter of Credit. For purposes of computing the daily Stated Amount available to be drawn under any Letter of Credit, the Stated Amount of the Letter of Credit shall be determined in accordance with Section 1.06; provided that, for purposes only of calculating the Letter of Credit Fee owing hereunder, the daily Stated Amount available to be drawn under any Letter of Credit that provides for one or more automatic increases in the Stated Amount thereof shall be deemed to be the maximum Stated Amount then in effect under such Letter of Credit (at the time of each such calculation of the Letter of Credit Fee), rather than the maximum Stated Amount for which such Letter of Credit may be honored. Letter of Credit Fees shall be (i) due and payable on the first Business Day after the end of each month, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand, and (ii) computed on a monthly basis in arrears. Notwithstanding anything to the contrary contained herein, while any Event of Default has occurred and is continuing, the Administrative Agent may, and upon the request of the Required Lenders shall, notify the Lead Borrower that all Letter of Credit Fees shall accrue at the Default Rate and thereafter such Letter of Credit Fees shall accrue at the Default Rate to the fullest extent permitted by applicable Laws.

(m) In addition to the Letter of Credit Fees as set forth in Section 2.03(l) above, the Borrowers shall pay immediately upon demand to the Administrative Agent for the account of the L/C Issuer as non-refundable fees, commissions, and charges (it being acknowledged and agreed that any charging of such fees, commissions, and charges to the Loan Account pursuant to the provisions of Section 2.02(d) shall be deemed to constitute a demand for payment thereof for the purposes of this Section 2.03(m)): (i) a fronting fee which shall be imposed by the L/C Issuer equal to 0.125% per annum times the average amount of the L/C Obligations during the immediately preceding month (or portion thereof), plus (ii) any and all other customary commissions, fees and charges then in effect imposed by, and any and all expenses incurred by, the L/C Issuer, or by any adviser, confirming institution or entity or other nominated person, relating to Letters of Credit, whether at the time of issuance of any Letter of Credit, upon the occurrence of any other activity with respect to any Letter of Credit (including transfers, assignments of proceeds, amendments, drawings, extensions or cancellations), or otherwise (provided, in the case of any Existing Letter of Credit, less any such amounts already paid with respect to such Existing Letter of Credit for a particular period prior to the Petition Date).

(n) Unless otherwise expressly agreed by the L/C Issuer and the Borrowers when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the substantive laws of the jurisdiction specified in the applicable Letter of Credit shall govern such Letter of Credit, or if no governing law is so specified, then the substantive laws of the jurisdiction of the office of the L/C Issuer (or, in the case of a Canadian Letter of Credit issued by a Canadian Underlying Issuer, the office of such Canadian Underlying Issuer) that issued the applicable Letter of Credit shall govern, including, in either case, the Uniform Commercial Code (or other applicable Law governing letters of credit) as in effect from time to time in such jurisdiction (notwithstanding the definition of "Uniform Commercial Code" herein), but excluding any choice of law rules that would apply the law of a different jurisdiction, (ii) the rules of the ISP shall apply to each Standby Letter of Credit, and (iii) the rules of the UCP or eUCP shall apply to each Commercial Letter of Credit.

(o) The L/C Issuer shall act on behalf of the Revolving Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article IX included the L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuer.

(p) The ISP, the UCP and the eUCP shall serve, in the absence of proof to the contrary, as evidence of Standard Letter of Credit Practice with respect to matters covered therein.

(q) In the event of a direct conflict between (i) the provisions of this Section 2.03 and any provision contained in any Issuer Document or Standard Letter of Credit Practice, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other, (ii) the ISP and the UCC (or other applicable Law) or other Standard Letter of Credit Practice, the ISP shall control and govern, (iii) the UCP or the eUCP, as applicable, and the UCC (or other applicable Law) or other Standard Letter of Credit Practice, if the Letter of Credit is governed by the UCP or the eUCP, as applicable, the UCP or the eUCP, as applicable, shall control and govern, and (iv) the eUCP and the UCP, if the Letter of Credit is governed by the eUCP, the eUCP shall control and govern. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.03 shall control and govern.

(r) The provisions of this Section 2.03 shall survive the termination of this Agreement and the repayment in full of the Obligations with respect to any Letters of Credit that remain outstanding.

(s) At the Borrowers' cost and expense, the Borrowers shall execute and deliver to the L/C Issuer such additional certificates, instruments, documents or agreements and take such additional action as may be reasonably requested by the L/C Issuer to enable the L/C Issuer to issue any Letter of Credit pursuant to this Agreement and related Issuer Document, to protect, exercise and/or enforce the L/C Issuer's rights and interests under this Agreement or to give effect to the terms and provisions of this Agreement or any Issuer Document. Each Borrower irrevocably appoints the L/C Issuer as its attorney-in-fact and authorizes the L/C Issuer, without notice to the Borrowers, to execute and deliver ancillary documents and letters customary in the letter of credit business that may include but are not limited to advisements, indemnities, checks, bills of exchange and issuance documents. The power of attorney granted by the Borrowers is limited solely to such

actions related to the issuance, confirmation or amendment of any Letter of Credit and to ancillary documents or letters customary in the letter of credit business. This appointment is coupled with an interest.

(t) The Borrowers, the Agents, the Lenders and the L/C Issuer agree that the Existing Letters of Credit shall be deemed Letters of Credit hereunder as if issued by the L/C Issuer hereunder, from and after the Closing Date, shall be subject to and governed by the terms and conditions hereof.

(u) With respect to each application for a Letter of Credit to cover the shipment or sale of goods, the Borrowers have obtained or will obtain, prior to submission of such application to the L/C Issuer, all import, export or shipping licenses and other governmental approvals required in connection with the transaction(s) contemplated thereby or the issuance by the L/C Issuer of any Letter of Credit.

(v) The L/C Issuer, at its option, shall be subrogated to the applicant's rights against any Person who may be liable to any applicant on any transaction or obligation underlying any Letter of Credit, to the rights of any holder in due course or Person with similar status against the applicant, and to the rights of any beneficiary or any successor or assignee of any beneficiary.

2.04 Swing Line Loans.

(a) The Swing Line.

(i) Subject to the terms and conditions set forth herein, the U.S. Swing Line Lender agrees, in reliance upon the agreements of the other U.S. Revolving Lenders set forth in this Section 2.04, to make loans (each such loan, a "U.S. Swing Line Loan") to the U.S. Borrowers from time to time on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the amount of the U.S. Swing Line Sublimit, notwithstanding the fact that such U.S. Swing Line Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of U.S. Revolving Loans and U.S. L/C Obligations of the U.S. Revolving Lender acting as U.S. Swing Line Lender, may exceed the amount of such U.S. Revolving Lender's U.S. Revolving Commitment; provided, however, that after giving effect to any U.S. Swing Line Loan, (i) the U.S. Total Revolving Outstandings shall not exceed the lesser of (A) the U.S. Revolving Commitments, or (B) the U.S. Revolving Borrowing Base, (ii) the aggregate Outstanding Amount of the U.S. Committed Loans (plus the Prepetition U.S. Revolving Loans) of any U.S. Revolving Lender at such time, plus such U.S. Revolving Lender's Applicable Percentage of the Outstanding Amount of all U.S. L/C Obligations at such time, plus the Applicable Percentage of the Outstanding Amount of all U.S. Swing Line Loans at such time shall not exceed such U.S. Revolving Lender's U.S. Revolving Commitment, and (iii) the Outstanding Amount of all Revolving Credit Extensions (plus the Prepetition Total Revolving Outstandings) shall not at any time exceed the Revolving Loan Cap, and provided, further, that the U.S. Borrowers shall not use the proceeds of any U.S. Swing Line Loan to refinance any outstanding Swing Line Loan.

(ii) Subject to the terms and conditions set forth herein, the Canadian Swing Line Lender agrees, in reliance upon the agreements of the other Canadian Revolving Lenders set forth in this Section 2.04, to make loans (each such loan, a "Canadian Swing Line Loan") to the Canadian Borrowers from time to time on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the

amount of the Canadian Swing Line Sublimit, notwithstanding the fact that such Canadian Swing Line Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Canadian Revolving Loans and Canadian L/C Obligations of the Canadian Revolving Lender acting as Canadian Swing Line Lender, may exceed the amount of such Canadian Revolving Lender's Canadian Revolving Commitment; provided, however, that after giving effect to any Canadian Swing Line Loan, (i) the Canadian Total Revolving Outstandings shall not exceed the lesser of (A) the Canadian Revolving Commitments, or (B) the Canadian Revolving Borrowing Base, (ii) the aggregate Outstanding Amount of the Canadian Committed Loans (plus the Prepetition Canadian Revolving Loans) of any Canadian Revolving Lender at such time, plus such Canadian Revolving Lender's Applicable Percentage of the Outstanding Amount of all Canadian L/C Obligations at such time, plus the Applicable Percentage of the Outstanding Amount of all Canadian Swing Line Loans of such Canadian Revolving Lender at such time shall not exceed such Canadian Revolving Lender's Canadian Revolving Commitment, and (iii) the Outstanding Amount of all Revolving Credit Extensions (plus the Prepetition Total Revolving Outstandings) shall not at any time exceed the Revolving Loan Cap, and provided, further, that the Canadian Borrowers shall not use the proceeds of any Canadian Swing Line Loan to refinance any outstanding Swing Line Loan.

Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall bear interest only at a rate based on the Base Rate or, if a Canadian Swing Line Loan in Canadian Dollars, the Canadian Base Rate. Immediately upon the making of a Swing Line Loan, each applicable Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Revolving Lender's Applicable Percentage times the amount of such Swing Line Loan. The Swing Line Lender shall have all of the benefits and immunities (A) provided to the Agents in Article IX with respect to any acts taken or omissions suffered by the Swing Line Lender in connection with Swing Line Loans made by it or proposed to be made by it as if the term "Administrative Agent" as used in Article IX included the Swing Line Lender with respect to such acts or omissions, and (B) as additionally provided herein with respect to the Swing Line Lender.

(b) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Lead Borrower's irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 3:00 p.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Lead Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent at the request of the Required Lenders prior to 3:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Article IV is not then satisfied, then, subject to the

terms and conditions hereof, the Swing Line Lender shall, not later than 4:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the applicable Borrowers at its office by crediting the account of the Lead Borrower on the books of the Swing Line Lender in immediately available funds.

(c) Refinancing of Swing Line Loans.

(i) The Swing Line Lender, at any time in its sole and absolute discretion, may request, on behalf of the applicable Borrowers (which hereby irrevocably authorize the Swing Line Lender to so request on their behalf), that each Revolving Lender make a Base Rate Loan in an amount equal to such Revolving Lender's Applicable Percentage of the amount of Swing Line Loans then outstanding. Such request shall be made in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the U.S. Revolving Commitments or Canadian Revolving Commitments, as applicable, and the conditions set forth in Section 4.02. Each Revolving Lender shall make an amount equal to its Applicable Percentage of the amount of such Swing Line Loan available to the Administrative Agent in immediately available funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:30 p.m. on the day specified by the Swing Line Lender, whereupon, subject to Section 2.04(c)(ii), each Revolving Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the applicable Borrowers in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Committed Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Revolving Lenders fund its risk participation in the relevant Swing Line Loan and each Revolving Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Revolving Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the Swing Line Lender in accordance with banking industry rules on interbank compensation plus any administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. If such Revolving Lender pays such amount (with interest and fees as aforesaid), the principal amount so paid shall constitute such Revolving Lender's Committed Loan included in the relevant Committed Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Revolving Lender's obligation to make Committed Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Revolving Lender may have against the Swing Line Lender, the Borrowers or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Lender's obligation to make Committed Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrowers to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Revolving Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Revolving Lender its Applicable Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Revolving Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.05 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Lender shall pay to the Swing Line Lender its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender. The obligations of the Revolving Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrowers for interest on the Swing Line Loans. Until each Revolving Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Revolving Lender's Applicable Percentage of any Swing Line Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The Borrowers shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

2.05 Prepayments.

(a) Following (and subject to) the repayment in full of the Prepetition Obligations subject to the terms of the Orders and the Canadian Recognition Orders, the Borrowers may, upon irrevocable notice from the Lead Borrower to the Administrative Agent, at any time or from time to time voluntarily prepay Committed Loans in whole or in part without premium or penalty; provided that (i) such notice must be received by the Administrative Agent not later than 1:00 p.m. (A) three U.S. Government Securities Business Days prior to any date of prepayment of SOFR Loans, (B) three Business Days prior to any date of prepayment of CORRA Loans, and (C) on the date of prepayment of Base Rate Loans; and (ii) any prepayment of SOFR Loans shall be in a

principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof and any prepayment of CORRA Loans shall be in a principal amount of CAD$1,000,000 or a whole multiple of CAD$500,000 in excess thereof. Each such notice shall specify the date and amount of such prepayment and the Type(s) of Loans to be prepaid and, if SOFR Loans or CORRA Loans, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each Revolving Lender of its receipt of each such notice, and of the amount of such Revolving Lender's Applicable Percentage of such prepayment. If such notice is given by the Lead Borrower, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a SOFR Loan or a CORRA Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Each such prepayment shall be applied to the Committed Loans of the Revolving Lenders in accordance with their respective Applicable Percentages.

(b) Following (and subject to) the repayment in full of the Prepetition Obligations subject to the terms of the Orders and the Canadian Recognition Orders, the Borrowers may, upon irrevocable notice from the Lead Borrower to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; provided that (i) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 3:00 p.m. on the date of the prepayment, and (ii) any such prepayment shall be in a minimum principal amount of $100,000 or, as regards Canadian Swing Line Loans in Canadian Dollars, CAD$100,000. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Lead Borrower, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(c) [Reserved].

(d) If for any reason the U.S. Total Revolving Outstandings at any time exceed the lesser of the U.S. Revolving Commitments or the U.S. Revolving Borrowing Base, each as then in effect, the U.S. Borrowers shall immediately prepay, (i) first, Prepetition U.S. Revolving Loans and (ii) second, U.S. Committed Loans and/or U.S. Swing Line Loans and/or Cash Collateralize the U.S. L/C Obligations, in an aggregate amount equal to such excess; provided, however, that the U.S. Borrowers shall not be required to Cash Collateralize the U.S. L/C Obligations pursuant to this Section 2.05(d) unless after the prepayment in full of the Prepetition U.S. Revolving Loans and U.S. Revolving Loans the U.S. Total Revolving Outstandings exceed the lesser of the U.S. Revolving Commitments or the U.S. Revolving Borrowing Base, each as then in effect. If for any reason the Canadian Total Revolving Outstandings at any time exceed the lesser of the Canadian Revolving Commitments or the Canadian Revolving Borrowing Base, each as then in effect, the Canadian Borrowers shall immediately prepay, (i) first, Prepetition Canadian Revolving Loans and (ii) second, Canadian Committed Loans and/or Canadian Swing Line Loans and/or Cash Collateralize the Canadian L/C Obligations, in an aggregate amount equal to such excess; provided, however, that the Canadian Borrowers shall not be required to Cash Collateralize the Canadian L/C Obligations pursuant to this Section 2.05(d) unless after the prepayment in full of the Prepetition Canadian Revolving Loans and Canadian Revolving Loans the Canadian Total Revolving Outstandings exceed the lesser of the Canadian Revolving Commitments or the Canadian Revolving Borrowing Base, each as then in effect. If for any reason the Total Revolving Outstandings exceed the Revolving Loan Cap, each as then in effect, the Borrowers shall immediately prepay, (i) first, Prepetition Revolving Loans and (ii) second, the Committed Loans and/or the Swing Line Loans and/or Cash Collateralize the L/C Obligations, in an aggregate amount equal to such excess; provided, however, that the Borrowers shall not be required to Cash

Collateralize the L/C Obligations pursuant to this Section 2.05(d) unless after the prepayment in full of the Prepetition Revolving Loans and Revolving Loans the Total Revolving Outstandings exceed the lesser of the Revolving Commitments or the Revolving Loan Cap, as then in effect.

(e) [Reserved].

(f) The Borrowers shall prepay the Prepetition Revolving Loans, the Loans and Cash Collateralize the L/C Obligations in accordance with the provisions of Section 6.13 hereof. In addition, the Borrowers shall prepay the Prepetition Revolving Loans, the Loans and Cash Collateralize the L/C Obligations in an amount equal to the Net Proceeds received by a Loan Party on account of each Prepayment Event. The Agents shall not be obligated to release their Liens on any Collateral until such Net Proceeds have been so received (to the extent required in this clause (f)). The application of such Net Proceeds to the Prepetition Revolving Loans and the Loans shall not reduce any Revolving Commitments. Subject to, and in accordance with, the provisions of Section 2.05(i) below, if all Prepetition Obligations and all Obligations then due are paid, any excess Net Proceeds shall be remitted to the operating account of the Borrowers maintained with the Administrative Agent for use in accordance with the Approved Budget.

(g) On the Final Order Entry Date, without any further action by the Loan Parties or any other Person, the repayment and refinancing of any outstanding and remaining Prepetition Obligations shall occur pursuant to a conversion (i.e., roll-up) of such Prepetition Obligations into Obligations.

(h) [Reserved].

(i) Subject to the terms of the Orders and the Canadian Recognition Orders, prepayments made pursuant to this Section 2.05, first, shall be applied to the Prepetition Obligations, second, shall be applied to the Swing Line Loans, third, shall be applied ratably to the outstanding Committed Loans, fourth, shall be used to Cash Collateralize the remaining L/C Obligations, fifth, shall be applied ratably to any other Obligations that are then due and owing, and, sixth, the amount remaining, if any, after the prepayment in full of all Prepetition Obligations, Swing Line Loans and Committed Loans outstanding at such time and the Cash Collateralization of the remaining L/C Obligations in full may be retained by the Borrowers for use in accordance with the Approved Budget. Subject to the terms of the Orders and the Canadian Recognition Orders, upon the drawing of any Letter of Credit that has been Cash Collateralized, the funds held as Cash Collateral shall be applied (without any further action by or notice to or from the Borrowers or any other Loan Party) to reimburse the L/C Issuer or the Revolving Lenders, as applicable, and, to the extent not so applied, shall thereafter be applied to the other Obligations.

2.06 Termination or Reduction of Aggregate Revolving Commitments.

(a) The Borrowers may, upon irrevocable notice from the Lead Borrower to the Administrative Agent, terminate the Aggregate Revolving Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit or from time to time permanently reduce the Aggregate Revolving Commitments, the U.S. Revolving Commitments, the Canadian Revolving Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit; provided that (i) any such notice shall be received by the Administrative Agent not later than 1:00 p.m. (A) thirty (30) days prior to the date of any termination of the Aggregate Revolving Commitments and (B) five (5) Business Days prior to the date of any reduction of the Aggregate Revolving Commitments, the U.S. Revolving Commitments, the Canadian Revolving Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit, (ii) any such partial reduction shall be in an aggregate amount

of $5,000,000 or any whole multiple of $1,000,000 in excess thereof, (iii) the Borrowers shall not terminate or reduce (A) [reserved], (B) the U.S. Revolving Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the U.S. Total Revolving Outstandings would exceed the U.S. Revolving Commitments, (C) the Canadian Revolving Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the Canadian Total Revolving Outstandings would exceed the Canadian Revolving Commitments, (D) the Aggregate Revolving Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the sum of (i) the Outstanding Amount of all Revolving Credit Extensions plus (ii) the Prepetition Total Revolving Outstandings would exceed the Revolving Loan Cap, (E) the Letter of Credit Sublimit if, after giving effect thereto, the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit, (F) the Canadian Letter of Credit Sublimit if, after giving effect thereto, the Outstanding Amount of Canadian L/C Obligations not fully Cash Collateralized hereunder would exceed the Canadian Letter of Credit Sublimit, (G) the U.S. Swing Line Sublimit if, after giving effect thereto, and to any concurrent payments hereunder, the Outstanding Amount of U.S. Swing Line Loans hereunder would exceed the U.S. Swing Line Sublimit, and (H) the Canadian Swing Line Sublimit if, after giving effect thereto, and to any concurrent payments hereunder, the Outstanding Amount of Canadian Swing Line Loans hereunder would exceed the Canadian Swing Line Sublimit. For the avoidance of doubt, the termination of the U.S. Revolving Commitments hereunder shall constitute a termination of the Canadian Revolving Commitments without any further action required on the part of any Person.

(b) If, after giving effect to any reduction of the Aggregate Revolving Commitments, the U.S. Revolving Commitments, the Canadian Revolving Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Aggregate Revolving Commitments, the U.S. Revolving Commitments, the Canadian Revolving Commitments, such Letter of Credit Sublimit or Swing Line Sublimit shall be automatically reduced by the amount of such excess.

(c) The Administrative Agent will promptly notify the Lenders of any termination or reduction of the Letter of Credit Sublimit, Swing Line Sublimit, the U.S. Revolving Commitments, the Canadian Revolving Commitments, or the Aggregate Revolving Commitments under this Section 2.06. Upon any reduction of the Aggregate Revolving Commitments, the U.S. Revolving Commitments or the Canadian Revolving Commitments, the Revolving Commitment of each Lender shall be reduced by such Lender's Applicable Percentage of such reduction amount. All fees (including, without limitation, Commitment Fees and Letter of Credit Fees) and interest in respect of the Aggregate Revolving Commitments, U.S. Revolving Commitments, and Canadian Revolving Commitments accrued until the effective date of any termination of the Aggregate Revolving Commitments, the U.S. Revolving Commitments or the Canadian Revolving Commitments, shall be paid on the effective date of such termination.

(d) In connection with any reduction in the Aggregate Revolving Commitments (or U.S. Revolving Commitments) prior to the Maturity Date, if any Loan Party or any of its Subsidiaries owns any Margin Stock, Borrowers shall deliver to the Administrative Agent an updated Form U-1 (with sufficient additional originals thereof for each Lender), duly executed and delivered by the Borrowers, together with such other documentation as the Administrative Agent shall reasonably request, in order to enable the Administrative Agent and the Lenders to comply with any of the requirements under Regulations T, U or X of the FRB.

2.07 Repayment of Loans. The Borrowers shall repay to the Lenders on the Termination Date all Obligations (including, without limitation, the Committed Loans and the Swing Line Loans) outstanding

on such date (other than contingent indemnification claims for which a claim has not been asserted) and shall cause each Letter of Credit to be returned to the L/C Issuer undrawn or shall Cash Collateralize all L/C Obligations (to the extent not previously Cash Collateralized as required herein).

2.08 Interest.

(a) Subject to the provisions of Section 2.08(b) below and Section 3.03, (i) each Committed Loan that is a SOFR Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to Adjusted Term SOFR for such Interest Period plus the Applicable Margin; (ii) each Committed Loan that is a CORRA Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to Adjusted Term CORRA for such Interest Period plus the Applicable Margin; (iii) each Committed Loan that is a Base Rate Loan in Dollars shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin; (iv) each Committed Loan that is a Canadian Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Canadian Base Rate plus the Applicable Margin; and (v) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to, if in Dollars, the Base Rate and if in Canadian Dollars, the Canadian Base Rate plus the Applicable Margin.

(b) If any amount payable under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(c) If any other Event of Default has occurred and is continuing, then the Administrative Agent may, and upon the request of the Required Lenders shall, notify the Lead Borrower that all outstanding Obligations shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate and thereafter, until such Event of Default has been duly waived as provided in Section 10.01 hereof, such Obligations shall bear interest at the Default Rate to the fullest extent permitted by applicable Laws.

(d) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(e) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment.

(f) For the purpose of complying with the Interest Act (Canada), it is expressly stated that where interest is calculated pursuant hereto at a rate based upon a period of time different from the actual number of days in the year (for the purposes of this Section 2.08(f), the "first rate"), the yearly rate or percentage of interest to which the first rate is equivalent is the first rate multiplied by the actual number of days in the calendar year in which the rate is to be ascertained and divided by the number of days in the shorter period, and the Canadian Loan Parties acknowledge that there is a material distinction between the nominal and effective rates of interest and that they are capable of making the calculations necessary to compare such rates and that the calculations herein are to be made using the nominal rate method and not on any basis that gives effect to the principle of deemed reinvestment of interest. Each Canadian Loan Party hereby confirms that it fully understands and is able to calculate the rate of interest applicable to the Loans based on the

methodology for calculating per annum rates provided for in this Agreement. Each Canadian Loan Party hereby irrevocably agrees not to plead or assert, whether by way of defense or otherwise, in any proceeding relating to this Agreement or any other Loan Document, that the interest payable under this Agreement and the calculation thereof has not been adequately disclosed to the Canadian Loan Parties as required pursuant to Section 4 of the Interest Act (Canada).

2.09 Fees. In addition to certain fees described in subsections (l) and (m) of Section 2.03:

(a) Commitment Fee. The Borrowers shall pay to the Administrative Agent, for the account of each Revolving Lender, in accordance with its Applicable Percentage, a commitment fee (the "Commitment Fee") equal to the Applicable Commitment Fee Percentage times the average daily amount by which the Aggregate Revolving Commitments exceed the Total Revolving Outstandings for the immediately preceding quarter. The Commitment Fee shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable monthly in arrears on the first day of each month (or if such day is not a Business Day, on the next succeeding Business Day), commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period. The Commitment Fee shall be calculated monthly in arrears.

(b) Other Fees. The Borrowers shall pay to the Administrative Agent fees in the amounts and at the times specified in the Fee Letters. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees; Conforming Changes.

(a) All computations of interest and fees shall be made on the basis of a 360-day year (or a 365 day year or 366 day year, as the case may be, in the case of Base Rate Loans at a time when the Base Rate is computed by reference to Wells Fargo Bank's prime rate, Canadian Base Rate Loans and CORRA Loans) and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12, bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Lead Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

(c) In connection with the use or administration of Term CORRA, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Lead Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term CORRA.

2.11 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by the Administrative Agent (the "Loan Account") in the ordinary course of business. In addition, each Lender may record in such Lender's internal records, an appropriate notation evidencing the date and amount of each Loan from such Lender, each payment and prepayment of principal of any such Loan, and each payment of interest, fees and other amounts due in connection with the Obligations due to such Lender. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto. Upon receipt of an affidavit of a Lender as to the loss, theft, destruction or mutilation of such Lender's Note and upon cancellation of such Note, the Borrowers will issue, in lieu thereof, a replacement Note in favor of such Lender, in the same principal amount thereof and otherwise of like tenor.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars or Canadian Dollars, as applicable, and in immediately available funds not later than 2:00 p.m. on the date specified herein. Subject to Section 2.14 hereof, the Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of SOFR Loans or CORRA Loans (or in the case of any Borrowing of Base Rate Loans,

prior to 1:30 p.m. on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrowers severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans. If the Borrowers and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the principal amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrowers; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Lead Borrower prior to the time at which any payment is due to the Administrative Agent for the account of the Lenders or the L/C Issuer hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the L/C Issuer, as the case may be, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders or the L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Lead Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof (subject to the provisions of the last paragraph of Section 4.02 hereof), the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest, within seven (7) days after it is determined by the Administrative Agent that the conditions to the applicable Credit Extension set forth in Article IV have not been satisfied.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Committed Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments hereunder are several and not joint. The failure of any Lender to make any Committed Loan, to fund any such participation or to make any payment hereunder on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Committed Loan, to purchase its participation or to make its payment hereunder.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.13 Sharing of Payments by Lenders. If any Credit Party shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of, interest on, or other amounts with respect to, any of the Obligations resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Obligations greater than its pro rata share thereof as provided herein (including as in contravention of the priorities of payment set forth in Section 8.03), then the Credit Party receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Obligations of the other Credit Parties, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Credit Parties ratably and in the priorities set forth in Section 8.03, provided that:

(a) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section shall not be construed to apply to (x) any payment made by the Loan Parties pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Committed Loans or subparticipations in L/C Obligations or Swing Line Loans to any assignee or participant, other than to the Borrowers or any Subsidiary thereof (as to which the provisions of this Section shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

2.14 Settlement Among Revolving Lenders.

(a) The amount of each Revolving Lender's Applicable Percentage of outstanding Revolving Loans (including outstanding Swing Line Loans) shall be computed weekly (or more frequently in the Administrative Agent's discretion) and shall be adjusted upward or downward based on all Revolving Loans (including Swing Line Loans) and repayments of Loans (including Swing Line Loans) received by the Administrative Agent as of 3:00 p.m. on the first Business Day (such date, the "Settlement Date") following the end of the period specified by the Administrative Agent.

(b) The Administrative Agent shall deliver to each of the Revolving Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Committed Loans for the period and the amount of repayments received for the period. As reflected on the summary

statement, (i) the Administrative Agent shall transfer to each Revolving Lender its Applicable Percentage of repayments, and (ii) each Revolving Lender shall transfer to the Administrative Agent (as provided below) or the Administrative Agent shall transfer to each Revolving Lender, such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of Committed Loans made by each Revolving Lender shall be equal to such Lender's Applicable Percentage of all Committed Loans outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Administrative Agent by the Revolving Lenders and is received prior to 1:00 p.m. on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if received after 1:00 p.m., then no later than 3:00 p.m. on the next Business Day. The obligation of each Revolving Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent. If and to the extent any Revolving Lender shall not have so made its transfer to the Administrative Agent, such Revolving Lender agrees to pay to the Administrative Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, equal to the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

2.15 Certain Bankruptcy Matters.

(a) Except to the extent expressly provided otherwise in the Orders or the Canadian Recognition Orders, the Loan Parties hereby agree that, subject only to the Carve Out, the CCAA Priority Charges, the Prepetition Permitted Senior Liens and the terms of the Intercreditor Agreement (the relative priorities of which are set forth in the Orders (including the Lien Priority Annex attached as Exhibit A thereto) and the Canadian Recognition Orders), the Obligations shall be deemed (i) to constitute Superpriority Claims over all administrative expense claims and claims against the Borrowers or the other Loan Parties now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, all administrative expense claims of the kind specified in Sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c) (subject to entry of the Final Order, all rights to charge the Collateral and all collateral securing the Prepetition Obligations and the Term Obligations under Section 506(c) of the Bankruptcy Code shall be waived), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provisions of the Bankruptcy Code and all superpriority administrative expense claims granted to any other Person the establishment of which superpriority shall have been approved and authorized by the Bankruptcy Court, (ii) pursuant to Section 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code and the Canadian Interim DIP Recognition Order and the Canadian Final DIP Recognition Order, be secured by a perfected first priority senior security interest in and Lien upon all property of the Debtors, whether currently existing or hereafter acquired, of the same nature, scope and type as the Collateral, and any proceeds, products, rents and profits thereof in whatever form received; provided that, subject only to, and effective upon, entry of the Final Order and, with respect to the Collateral of the Canadian Loan Parties or Collateral otherwise located in Canada, subject to the Canadian Final DIP Recognition Order, the Collateral shall include the Avoidance Proceeds.

(b) In the event of a conflict between, or inconsistency among, the Orders or the Canadian Recognition Orders, on the one hand, and any Loan Document, on the other hand, the Orders and the Canadian Recognition Orders shall control.

(c) Notwithstanding anything to the contrary contained herein or elsewhere (except as specifically described below):

(i) the parties hereto agree, and the Orders and the Canadian Recognition Orders shall provide, that the Loan Parties shall not be required to prepare, file, register or publish any financing statements, mortgages, account control agreements, notices of Lien or similar instruments in any jurisdiction or filing or registration office, or to take possession of any Collateral or to take any other action in order to validate, render enforceable or perfect the Liens on the Collateral granted by or pursuant to this Agreement, the Orders, the Canadian Recognition Orders or any other Loan Document. If any Agent (in its sole discretion) from time to time elects to prepare, file, register or publish any such financing statements, mortgages, account control agreements, notices of Lien or similar instruments, take possession of any Collateral, or take any other action to validate, render enforceable or perfect all or any portion of the Collateral Agent's Liens on the Collateral, (A) all such documents and actions shall be deemed to have been filed, registered, published or recorded or taken at the time and on the date that the Interim Order is entered or, in the case of Collateral of the Canadian Loan Parties or Collateral otherwise located in Canada, the date that the Canadian Interim DIP Recognition Order is granted, and (B) shall not negate or impair the validity or effectiveness of this Section 2.15(c) or of the perfection of any other Liens in favor of the Collateral Agent, for the benefit of the Credit Parties, on the Collateral; and

(ii) except as otherwise agreed to by the Lenders (including, without limitation, in the Intercreditor Agreement) or as otherwise permitted or contemplated by this Agreement, the Orders, the Canadian Recognition Orders, or the other Loan Documents, the Liens, Lien priorities, Superpriority Claims and other rights and remedies granted to the Agents and the other Credit Parties pursuant to this Agreement, the Orders, the Canadian Recognition Orders, or the other Loan Documents (specifically including, but not limited to, the existence, perfection, enforceability and priority of the Liens provided for herein and therein, and the Superpriority Claims provided herein and therein) shall not be modified, altered or impaired in any manner by any other financing or extension of credit or incurrence of Indebtedness by the Borrowers or any other Loan Party (pursuant to Section 364 of the Bankruptcy Code or otherwise), or by dismissal or conversion of the Cases or the Recognition Proceedings, or by any other act or omission whatsoever.

2.16 Carve-Out Funding.

(a) Until the delivery of a Carve Out Trigger Notice, the Borrowers may request U.S. Committed Borrowings in accordance with Section 2.02 to fund the Professional Fee Escrow Account as required by the Orders, and the making of each such Borrowing shall be subject to the satisfaction of the conditions set forth in Section 4.02. The proceeds of each such Borrowing shall be disbursed by the Administrative Agent directly into the Professional Fee Escrow Account.

(b) Notwithstanding anything to the contrary in this Agreement (including Sections 2.01, 2.02, 4.02 and 8.02), the delivery of a Carve Out Trigger Notice shall be deemed to constitute a Request for Credit Extension by the Lead Borrower for a U.S. Committed Borrowing in an amount equal to the Carve Out, but without duplication of any amounts that were previously funded into the Professional Fee Escrow Account.

(c) Any payment or reimbursement made on or after the delivery of a Carve Out Trigger Notice in respect of any Allowed Professional Fees incurred after the Carve Out Trigger Date shall permanently reduce the Wind Down Carve Out Amount on a dollar-for-dollar basis.

(d) All Committed Loans made pursuant to this Section 2.16, and all other funding of the Carve Out, shall constitute Obligations secured by the Collateral and shall be entitled to the Superpriority Claims and the other protections granted under this Agreement, the other Loan Documents and the Orders. The Liens of the Collateral Agent shall attach to all cash held in the Professional Fee Escrow Account and the Carve Out Account, subject only to the payment of the Case Professionals from the Carve Out, and any amounts remaining in the Professional Fee Escrow Account or the Carve Out Account after the payment in full of all allowed fees and expenses of the Case Professionals pursuant to final fee applications and orders of the Bankruptcy Court shall be returned to the Loan Parties and applied in accordance with the Orders.

(e) Except for funding the Professional Fee Escrow Account and the Carve Out Account as set forth herein and in the Orders, none of the Credit Parties shall be responsible for the direct payment or reimbursement of any fees or disbursements of any Case Professionals.

(f) For greater certainty, notwithstanding any other provision herein, the fees and disbursements of the professionals retained by the Debtors in the Recognition Proceedings, the Information Officer and the Information Officer's counsel shall, in accordance with the Canadian Supplemental Order, not be subject to approval by the Bankruptcy Court.

ARTICLE III.
TAXES, YIELD PROTECTION AND ILLEGALITY; APPOINTMENT OF LEAD BORROWER

3.01 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Loan Parties hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes except as required by applicable Law. If the Loan Parties shall be required by applicable Law to deduct or withhold any Taxes from such payments, then (i) in the case of any Indemnified Taxes (including any Other Taxes), the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, a Lender or an L/C Issuer, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Loan Parties shall make such deductions and (iii) the Loan Parties shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law.

(b) Payment of Other Taxes by the Loan Parties. Without limiting the provisions of subsection (a) above, the Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Indemnification by the Loan Parties. The Loan Parties shall indemnify the Administrative Agent, each Lender and the L/C Issuer, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent, such Lender or the L/C Issuer, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Lead Borrower by a Lender or the L/C Issuer (with a copy to the Administrative Agent), or by the

Administrative Agent on its own behalf or on behalf of a Lender or the L/C Issuer, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of any Taxes by the Loan Parties to a Governmental Authority pursuant to this Section 3.01, the Lead Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which any Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall deliver to the Lead Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable Law or reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Lead Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

Without limiting the foregoing, in the event that any Borrower is resident for tax purposes in the United States,

(i) any Lender that is a U.S. Person shall deliver to the Lead Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(ii) any Lender that is a Foreign Lender shall deliver to the Lead Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Lead Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(A) duly completed copies of Internal Revenue Service Form W-8BEN-E (or, if applicable, W-8BEN), claiming eligibility for benefits of an income tax treaty to which the United States is a party;

(B) duly completed copies of Internal Revenue Service Form W-8ECI;

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrowers within the meaning of section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation"

described in section 881(c)(3)(C) of the Code and (y) duly completed copies of Internal Revenue Service Form W-8BEN-E (or, if applicable, W-8BEN); or

(D) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States Federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Lead Borrower to determine the withholding or deduction required to be made.

(f) FATCA. If a payment made to a Lender under any Loan Document would be subject to U.S. federal income withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Administrative Agent (or, in the case of a Participant, to the Lender granting the participation only) at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Agent (or in the case of a Participant, the Lender granting the participation) such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Administrative Agent (or in the case of a Participant, the Lender granting the participation) as may be necessary for the Administrative Agent or the Borrowers to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered pursuant to Section 3.01(e) or (f) above expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Lead Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If the Administrative Agent, any Lender or the L/C Issuer determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrowers or with respect to which the Borrowers have paid additional amounts pursuant to this Section, it shall pay to the Borrowers an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent, such Lender or the L/C Issuer, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrowers, upon the request of the Administrative Agent, such Lender or the L/C Issuer, agree to repay the amount paid over to the Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent, such Lender or the L/C Issuer in the event the Administrative Agent, such Lender or the L/C Issuer is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Administrative Agent, any Lender or the L/C Issuer to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrowers or any other Person.

3.02 Illegality. If any Lender determines that any change in market conditions or any change in Law has made it unlawful or impractical, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund SOFR Loans (or Base Rate Loans determined with reference to Term SOFR) or CORRA Loans (or Canadian Base Rate Loans determined with reference to Term CORRA), or to determine or charge interest rates based upon the Term

SOFR Reference Rate, Term SOFR, SOFR, the Term CORRA Reference Rate, Term CORRA or CORRA, or any Governmental Authority has imposed material restrictions on the authority of such Lender to transact bankers' acceptances in the Canadian interbank market, then, on notice thereof by such Lender to the Lead Borrower through the Administrative Agent, any obligation of such Lender to make or continue SOFR Loans (or Base Rate Loans determined with reference to Term SOFR) or CORRA Loans (or Canadian Base Rate Loans determined with reference to Term CORRA) or to convert Base Rate Loans to SOFR Loans (or Base Rate Loans determined with reference to Term SOFR) or CORRA Loans (or Canadian Base Rate Loans determined with reference to Term CORRA) shall be suspended until such Lender notifies the Administrative Agent and the Lead Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, if necessary to avoid such illegality or impracticability, (i) in the case of any SOFR Loans or CORRA Loans, as applicable, of such Lender that are outstanding, the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all SOFR Loans or CORRA Loans, as applicable, of such Lender to Base Rate Loans (and if applicable, without reference to Term SOFR) or Canadian Base Rate Loans (and if applicable, without reference to Term CORRA), as applicable, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such SOFR Loans or CORRA Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such SOFR Loans or CORRA Loans, and (ii) in the case of any such Base Rate Loans or Canadian Base Rate Loans, as applicable, of such Lender that are outstanding and that are determined with reference to Term SOFR or Term CORRA, as applicable, interest upon the Base Rate Loans or Canadian Base Rate Loans, as applicable, of such Lender after the date specified in such Lender's notice shall accrue interest at the rate then applicable to Base Rate Loans or Canadian Base Rate Loans, as applicable, without reference to the Term SOFR or Term CORRA, as applicable, component thereof. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

3.03 Inability to Determine Rates.

(a) General. Subject to Section 3.03(b) below, if the Required Lenders determine that for any reason in connection with any request for a SOFR Loan or CORRA Loan or a conversion to or continuation thereof that (a) [reserved], (b) Adjusted Term SOFR or Adjusted Term CORRA, as applicable, cannot be determined pursuant to the definition of such term on or prior to the first day of any applicable Interest Period, (c) adequate and reasonable means do not exist for determining Adjusted Term SOFR or Adjusted Term CORRA for any requested Interest Period with respect to a proposed SOFR Loan or CORRA Loan, or (d) Adjusted Term SOFR or Adjusted Term CORRA for any requested Interest Period with respect to a proposed SOFR Loan or CORRA Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Lead Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain SOFR Loans or CORRA Loans, as applicable, shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (A) the Lead Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of SOFR Loans or CORRA Loans, as applicable, or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans or Canadian Base Rate Loans, as applicable, in the amount specified therein, and (B) any outstanding affected SOFR Loans or CORRA Loans, as applicable, will be deemed to have been converted into Base Rate Loans or Canadian Base Rate Loans, as applicable, at the end of the applicable Interest Period. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

(b) Benchmark Replacement Setting.

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document (and any Swap Contract shall be deemed not to be a "Loan Document" for purposes of this Section 3.03(b)), upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Lead Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all affected Lenders and the Lead Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from the Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 3.03(b) will occur prior to the applicable Benchmark Transition Start Date.

(ii) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Lead Borrower and the Lenders of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Lead Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 3.03(b)(iv) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.03(b), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.03(b).

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate and the Term CORRA Reference Rate) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (2) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (B) if a tenor that was removed pursuant to clause (A) above either (1) is subsequently displayed on a screen or

information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Benchmark Unavailability Period. Upon the Lead Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (1) the Lead Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans or CORRA Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Lead Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans or Canadian Base Rate Loans, as applicable, and (2) any outstanding affected SOFR Loans or CORRA Loans will be deemed to have been converted to Base Rate Loans or Canadian Base Rate Loans, as applicable, at the end of the applicable Interest Period. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate or Canadian Base Rate, as applicable, based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate or Canadian Base Rate, as applicable.

3.04 Increased Costs.

(a) Increased Costs Generally. If any (i) Change in Law, or (ii) compliance by any Lender or the L/C Issuer with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority (including Regulation D of the FRB as from time to time in effect (and any successor thereto)) shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in (including, without limitation, in respect of any Letter of Credit) by, any Lender or the L/C Issuer;

(ii) subject any Lender or the L/C Issuer to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Loan made by it, or change the basis of taxation of payments to such Lender or the L/C Issuer in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 3.01 and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender or the L/C Issuer); or

(iii) impose on any Lender or the L/C Issuer or the Canadian interbank market any other condition, cost or expense affecting this Agreement or SOFR Loans or CORRA Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase, directly or indirectly, the cost to such Lender of making or maintaining any SOFR Loan (or any Base Rate Loan determined with reference to Term SOFR) or CORRA Loan (or any Canadian Base Rate Loan determined with reference to Term CORRA) (or of maintaining its obligation to make any such Loan), or to increase, directly or indirectly, the cost to such Lender or the L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or the L/C Issuer hereunder (whether of principal, interest or any other

amount) then, and in any such case, the Administrative Agent may, at any time within a reasonable period after the additional cost is incurred or the amount received is reduced, notify the Lead Borrower, and the applicable Borrowers shall pay within 30 days after demand therefor, such amounts as the Administrative Agent may specify to be necessary to compensate such Lender or the L/C Issuer, as the case may be, for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Base Rate Loans hereunder; provided, that (A) the Borrowers shall not be required to provide any compensation pursuant to this Section 3.04(a) for any such amounts incurred more than 180 days prior to the date on which the demand for payment of such amounts is first made to the Lead Borrower, and (B) if an event or circumstance giving rise to such amounts is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by the Administrative Agent of any amount due pursuant to this Section 3.04(a), as set forth in a certificate setting forth the calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

(b) Capital Requirements. If any Lender or the L/C Issuer determines that any Change in Law affecting such Lender or the L/C Issuer or any Lending Office of such Lender or such Lender's or the L/C Issuer's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or the L/C Issuer's capital or on the capital of such Lender's or the L/C Issuer's holding company, if any, as a consequence of this Agreement, the Revolving Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the L/C Issuer, to a level below that which such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the L/C Issuer's policies and the policies of such Lender's or the L/C Issuer's holding company with respect to capital adequacy), then from time to time, the Borrowers will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or the L/C Issuer or its holding company, as the case may be, as specified in subsection (b) of this Section and delivered to the Lead Borrower shall be conclusive absent manifest error. The Borrowers shall pay such Lender or the L/C Issuer, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's or the L/C Issuer's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender or the L/C Issuer pursuant to subsection (b) of this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender or the L/C Issuer, as the case may be, notifies the Lead Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Lead Borrower; or

(c) any assignment of a SOFR Loan or CORRA Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Lead Borrower pursuant to Section 10.13;

including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

Anything to the contrary contained herein notwithstanding, none of any Agent, any Lender or any of their Participants, is required to match fund any Obligation as to which interest accrues based on Term SOFR or Term CORRA.

A certificate of the Administrative Agent or a Lender delivered to the Lead Borrower setting forth the amount that the Administrative Agent or such Lender is entitled to receive pursuant to this Section 3.05 shall be conclusive absent manifest error. The Borrowers shall pay such amount to the Administrative Agent or such Lender, as the case may be, within ten (10) days after receipt thereof.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use commercially reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Borrowers may replace such Lender in accordance with Section 10.13.

3.07 Survival. All of the Borrowers' obligations under this Article III shall survive termination of the Aggregate Revolving Commitments, repayment of all other Obligations hereunder, and resignation of any Agent.

3.08 Designation of Lead Borrower as Borrowers' Agent.

(a) Each Borrower hereby irrevocably designates and appoints the Lead Borrower as such Borrower's agent to obtain Credit Extensions, the proceeds of which shall be available to each Borrower for such uses as are permitted under this Agreement. As the disclosed principal for its agent, each Borrower shall be obligated to each Credit Party on account of Credit Extensions so made as if made directly by the applicable Credit Party to such Borrower, notwithstanding the manner by which such Credit Extensions are recorded on the books and records of the Lead Borrower and of any other Borrower. In addition, each Loan Party other than the Borrowers hereby irrevocably designates and appoints the Lead Borrower as such Loan Party's agent to represent such Loan Party in all respects under this Agreement and the other Loan Documents.

(b) Each Borrower recognizes that credit available to it hereunder is in excess of and on better terms than it otherwise could obtain on and for its own account and that one of the reasons therefor is its joining in the credit facility contemplated herein with all other Borrowers. Consequently, each Borrower shall have joint and several liability in respect of all Obligations, without regard to any defense (other than the defense of payment), setoff or counterclaim which may at any time be available to or be asserted by any other Loan Party against the Credit Parties, or by any other circumstance whatsoever (with or without notice to or knowledge of the Borrowers) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers' liability hereunder, in bankruptcy or in any other instance, and such Obligations of the Borrowers shall not be conditioned or contingent upon the pursuit by the Lenders or any other Person at any time of any right or remedy against any Borrower or against any other Person which may be or become liable in respect of all or any part of the Obligations or against any Collateral or Facility Guaranty therefor or right of offset with respect thereto. Each Borrower hereby acknowledges that this Agreement is the independent and several obligation of each Borrower (regardless of which Borrower shall have delivered a Request for Credit Extension) and may be enforced against each Borrower separately, whether or not enforcement of any right or remedy hereunder has been sought against any other Borrower. Each Borrower hereby expressly waives, with respect to any of the Credit Extensions made to any other Borrower hereunder and any of the amounts owing hereunder by such other Loan Parties in respect of such Credit Extensions, diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Agent, the L/C Issuer or any Lender exhaust any right, power or remedy or proceed against such other Loan Parties under this Agreement or any other agreement or instrument referred to herein or against any other Person under any other guarantee of, or security for, any of such amounts owing hereunder. Without limiting the generality of the foregoing, each Borrower expressly acknowledges and agrees that it is jointly and severally liable for the Obligations of the Canadian Loan Parties, and each Canadian Loan Party expressly acknowledges and agrees that it is jointly and severally liable for the Obligations of the U.S. Loan Parties.

(c) The Lead Borrower shall act as a conduit for each Borrower (including itself, as a "Borrower") on whose behalf the Lead Borrower has requested a Credit Extension. Neither the Administrative Agent nor any other Credit Party shall have any obligation to see to the application of such proceeds therefrom.

ARTICLE IV.
CONDITIONS PRECEDENT TO CREDIT EXTENSIONS

4.01 Conditions of Initial Credit Extension. The obligation of the L/C Issuer and each Lender to make its initial Credit Extension hereunder is subject to satisfaction of the following conditions precedent:

(a) The Administrative Agent's receipt of the following, each of which shall be originals, telecopies or other electronic image scan transmission (e.g., "pdf" or "tif" via e-mail) (followed promptly by originals) unless otherwise specified, each properly executed by a Responsible Officer of the signing Loan Party or the Lenders, as applicable, each dated the Closing Date (or, in the case of certificates of governmental officials, a recent date before the Closing Date) and each in form and substance reasonably satisfactory to the Administrative Agent:

(xiii) (A) all documents and instruments, including Uniform Commercial Code and PPSA financing statements reasonably requested by the Collateral Agent to be filed, registered or recorded to create or perfect the first priority Liens intended to be created under the Loan Documents and all such documents and instruments shall have been so filed, registered or recorded to the satisfaction of the Collateral Agent and (B) to the extent not previously delivered to the applicable Agent or Agents under the Prepetition Credit Agreement, the Credit Card Notifications and Blocked Account Agreements required pursuant to Section 6.13 hereof;

(c) The Administrative Agent shall have received a Borrowing Base Certificate dated November 6, 2026, relating to the most recent week then ended, and executed by a Responsible Officer of the Lead Borrower.

(d) The Administrative Agent shall be reasonably satisfied that any financial statements delivered to it fairly present the business and financial condition of the Loan Parties and that, except with respect to the filing of the Cases and the Events and Circumstances, there has been no Material Adverse Effect since the Petition Date.

(e) Other than the Events and Circumstances, there shall not be any pending litigation or other proceeding, the result of which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

(f) The consummation of the transactions contemplated hereby shall not violate any applicable Law or any Organization Document.

(g) All fees (together with all accrued interest, expenses, fees and other sums due and payable in respect of the Prepetition Obligations) required to be paid to the Agents pursuant to the DIP Facility and the Prepetition Facility on or before the Closing Date shall have been paid in full, and all fees required to be paid to the Lenders pursuant to the DIP Facility and the Prepetition Facility on or before the Closing Date shall have been paid in full; provided that the foregoing fees may be deducted from advances made hereunder on the Closing Date.

(h) The Borrowers shall have paid all fees, charges and disbursements of counsel to the Administrative Agent to the extent invoiced prior to or on the Closing Date, plus such additional

amounts of such fees, charges and disbursements as shall constitute its reasonable estimate of such fees, charges and disbursements incurred or to be incurred by it through the closing proceedings in connection with this Agreement (provided that such estimate shall not thereafter preclude a final settling of accounts between the Borrowers and the Administrative Agent).

(i) The Administrative Agent shall have received all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the Patriot Act and the Canadian AML Legislation.

(j) No material changes in governmental regulations or policies affecting any Loan Party or any Credit Party shall have occurred prior to the Closing Date.

(k) The Debtors shall have commenced the Cases in the Bankruptcy Court. The Debtors shall have complied in full with the notice and other requirements of the Bankruptcy Code, in a manner reasonably acceptable to the Administrative Agent and its counsel, with respect to the Interim Order, and the Administrative Agent shall have received such evidence thereof as it shall reasonably require. No trustee, examiner with expanded powers or other disinterested Person with expanded powers pursuant to Section 1104 of the Bankruptcy Code shall have been appointed or designated with respect to any Loan Party or its business, properties or assets and no motion shall be pending seeking any such relief.

(l) (i) All motions (including the Bid Procedures Motion and the Store Closures Motion), proposed orders (including the "first day" orders) and other documents to be filed with and submitted to the Bankruptcy Court on the Petition Date shall be in form and substance satisfactory to the Administrative Agent, and the Bankruptcy Court shall have approved and entered the "first day" orders, and (ii) a Cash Management Order approving the cash management arrangements of the parties consistent with the requirements hereof shall have been entered by the Bankruptcy Court and shall not have been stayed, vacated or reversed (in whole or in part) or amended or modified other than with the written consent of the Administrative Agent.

(n) The Specified Liquidation Agreement received and approved by the Administrative Agent prior to the Closing Date shall be in full force and effect.

(o) The Administrative Agent shall have received and be satisfied with (i) the Initial Budget and (ii) the form of Approved Budget Variance Report.

(p) The Loan Parties shall have completed all Milestones set forth in Schedule 6.23 that are required to have been completed on or before the Closing Date.

(q) The Administrative Agent shall have received true, correct and complete copies of the DIP Term Credit Agreement and all other material DIP Term Loan Documents, all of which shall be in full force and effect, and the Administrative Agent shall, contemporaneous with the consummation of the transactions contemplated hereby, have received a principal payment under this Agreement in an amount not less than $15,000,000 from the proceeds of the DIP Term Loan thereunder.

Without limiting the generality of the provisions of Section 9.04, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have Consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be Consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

4.02 Conditions to all Credit Extensions. The obligation of each Revolving Lender to honor any Request for Credit Extension (other than a Fixed Rate Loan Notice requesting only a continuation of SOFR Loans or CORRA Loans) and each L/C Issuer to issue each Letter of Credit is subject to the following conditions precedent (provided, however that the conditions set forth in this Section 4.02 shall not apply to any Committed Loans deemed requested by delivery of a Carve Out Trigger Notice pursuant to Section 2.16(b)):

(a) The representations and warranties of each Loan Party contained in Article V or any other Loan Document, or which are contained in any document furnished at any time under or in connection herewith or therewith, shall be true and correct in all material respects on and as of the date of such Credit Extension, except (i) in the case of any representation and warranty qualified by materiality, they shall be true and correct in all respects, and (ii) to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects (or in all respects, as applicable) as of such earlier date.

(b) No Default shall have occurred and be continuing, or would result from such proposed Credit Extension or from the application of the proceeds thereof.

(c) The Administrative Agent and, if applicable, the L/C Issuer or the Swing Line Lender shall have received a Request for Credit Extension in accordance with the requirements hereof.

(d) No injunction, writ, restraining order, or other order of any nature prohibiting, directly or indirectly, the extending of such credit shall have been issued and remain in force by any Governmental Authority against any Borrower, any Agent, any Lender or any of their Affiliates.

(e) The amount of any requested Loan or Letter of Credit shall not exceed and, after giving effect to the requested Loan or other extension of credit hereunder, the U.S. Total Revolving Outstandings shall not exceed the lesser of the Revolving Credit Ceiling or the U.S. Revolving Borrowing Base at such time.

(f) The amount of any requested Loan or Letter of Credit shall not exceed and, after giving effect to the requested Loan or other extension of credit hereunder, the Canadian Total Revolving Outstandings shall not exceed the lesser of the Canadian Revolving Credit Ceiling or the Canadian Revolving Borrowing Base at such time.

(g) The amount of any requested Loan or Letter of Credit shall not exceed and, after giving effect to the requested Loan or other extension of credit hereunder, the Total Revolving Outstandings plus, until the Prepetition Obligations have been paid in full, the Prepetition Total Revolving Outstandings shall not exceed the Revolving Loan Cap at such time.

(h) (i) The Interim Order (or, when applicable, the Final Order) shall be in full force and effect and shall not have been vacated, reversed, modified, amended or stayed in any respect without the consent of the Administrative Agent and (ii) no motion for reconsideration or notice of appeal of the Interim Order (or, when applicable, the Final Order) shall have been timely filed by any Loan Party or any of its Affiliates.

(i) In the case of any Request for Credit Extension or issuance of a Letter of Credit after the Canadian Interim Order Date until the Canadian Final Order Date, the Canadian Initial Recognition Order, the Canadian Supplemental Order and the Canadian Interim DIP Recognition Order shall each be in full force and effect and shall not have been vacated, reversed, modified, amended or stayed in any respect or subject to any motion for appeal or leave to appeal, in each case without the consent of the Administrative Agent.

(j) In the case of any Request for Credit Extension or issuance of a Letter of Credit after the Canadian Final Order Date, the Canadian Final DIP Recognition Order shall be in full force and effect and shall not have been vacated, reversed, modified, amended or stayed in any respect or subject to any motion for appeal or leave to appeal, in each case without the consent of the Administrative Agent.

(k) Each Credit Extension shall be for the purposes and in amounts consistent with the Approved Budget (subject to the Permitted Variance).

(l) Prior to the Final Order Entry Date, after giving effect to the proposed Credit Extension, the Outstanding Amount of all Revolving Credit Extensions shall not exceed the maximum amount authorized to be extended under the Interim Order.

Each Request for Credit Extension (other than a Fixed Rate Loan Notice requesting only a continuation of SOFR Loans or CORRA Loans) submitted by the Lead Borrower shall be deemed to be a representation and warranty by the Borrowers that the conditions specified in Sections 4.02(a), (b), and (d) - (l) have been satisfied on and as of the date of the applicable Credit Extension. The conditions set forth in this Section 4.02 are for the sole benefit of the Credit Parties, but until the Required Lenders otherwise direct the Administrative Agent to cease making Loans and the L/C Issuer to cease issuing Letters of Credit, the Revolving Lenders will fund their Applicable Percentage of all Committed Loans and participate in all Swing Line Loans and Letters of Credit whenever made or issued, which are requested by the Lead Borrower and which, notwithstanding the failure of the Loan Parties to comply with the provisions of this Article IV, are agreed to by the Administrative Agent; provided, however, the making of any such Loans or the issuance of any Letters of Credit shall not be deemed a modification or waiver by any Credit Party of the provisions of this Article IV on any future occasion or a waiver of any rights of the Credit Parties as a result of any such failure to comply.

ARTICLE V.
REPRESENTATIONS AND WARRANTIES

To induce the Credit Parties to enter into this Agreement and to make Loans and to issue Letters of Credit hereunder, each Loan Party represents and warrants to the Administrative Agent and the other Credit Parties that:

5.01 Existence, Qualification and Power. Each Loan Party and each Subsidiary thereof: (a) is a corporation, company, limited liability company, partnership or limited partnership, duly incorporated, organized or formed, validly existing and, where applicable, in good standing under the Laws of the jurisdiction of its incorporation, organization or formation; (b) subject to any entry of the Interim Order (and, when applicable, the Final Order) and all the Canadian Recognition Orders, has all requisite power and authority and all requisite governmental licenses, permits, authorizations, consents and approvals to (i) own or lease its assets and carry on its business as currently conducted or as proposed to be conducted and (ii) execute, deliver and perform its obligations under the Loan Documents to which it is a party; and (c) is duly qualified and is licensed and, where applicable, in good standing under the Laws of each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification or license; except in each case referred to in clause (b)(i) or (c), to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect. Schedule 5.01 annexed hereto sets forth, as of the Closing Date, each Loan Party's name as it appears in official filings in its jurisdiction of incorporation or organization and the name under which each Loan Party conducts its business (if different), its jurisdiction of incorporation or organization, organization type, organization number, if any, issued by its jurisdiction of incorporation, formation or organization, its federal employer identification number, the address of its chief executive office and principal place of business, and, with respect to each Canadian Loan Party, the address of its registered office.

5.02 Authorization; No Contravention. Subject to the entry of the Interim Order (and, when applicable, the Final Order) and the Canadian Recognition Orders, the execution, delivery and performance by each Loan Party of each Loan Document to which such Person is, or is to be, a party has been duly authorized by all necessary corporate or other organizational action and does not and will not: (a) contravene the terms of any of such Person's Organization Documents; (b) conflict in any material respect with, or result in any breach, termination, or contravention of, or constitute a default under, or require any payment to be made under (i) any Material Contract or any Material Indebtedness to which such Person is a party or affecting such Person or the properties of such Person or any of its Subsidiaries, (ii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject, or (iii) any governmental licenses, permits, authorizations, consents and approvals; except, in each case referred to in this clause (b), to the extent that any such conflict, breach, termination, contravention or default could not reasonably be expected to have a Material Adverse Effect; (c) result in or require the creation of any Lien upon any asset of any Loan Party (other than (i) Liens in favor of the Collateral Agent under the Security Documents, (ii) DIP Term Loan Liens and (iii) Prepetition Permitted Senior Liens); or (d) violate any Law.

5.03 Governmental Authorization; Other Consents. Subject to the entry of the Interim Order (and, when applicable, the Final Order) and the Canadian Recognition Orders, no approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with the execution, delivery or performance by, or enforcement against, any Loan Party of this Agreement or any other Loan Document, except for (a) the perfection or maintenance of the Liens created under the Security Documents (including the first priority nature thereof, subject, in the case of Term Priority Collateral, to the Intercreditor Agreement), (b) the entry of the Interim Order (and, when applicable, the Final Order) and the Canadian Recognition Orders, or (c) such as have been obtained or made and are in full force and effect.

5.04 Binding Effect. Subject to the entry of the Interim Order (and, when applicable, the Final Order), this Agreement has been, and each other Loan Document, when delivered, will have been, duly executed and delivered by each Loan Party that is party thereto. This Agreement constitutes, and each other Loan Document when so delivered will constitute, a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is party thereto in accordance with its terms, subject to applicable

bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(b) Except as otherwise set forth in Schedule 5.09, to the knowledge of the Loan Parties, none of the properties currently or formerly owned or operated by any Loan Party or any

Subsidiary thereof is listed or proposed for listing on the NPL or on the CERCLIS or any analogous foreign, state, provincial, municipal or local list or is adjacent to any such property; there are no and never have been any underground or above-ground storage tanks or any surface impoundments, septic tanks, pits, sumps or lagoons in which Hazardous Materials are being or have been treated, stored or disposed on any property currently owned or operated by any Loan Party or any Subsidiary thereof or, to the best of the knowledge of the Loan Parties, on any property formerly owned or operated by any Loan Party or Subsidiary thereof; there is no asbestos or asbestos-containing material on any property currently owned or operated by any Loan Party or Subsidiary thereof; and Hazardous Materials have not been released, discharged or disposed of on any property currently or formerly owned or operated by any Loan Party or any Subsidiary thereof.

Schedule 5.10 sets forth a description of all insurance maintained by or on behalf of the Loan Parties as of the Closing Date. Each insurance policy listed on Schedule 5.10 is in full force and effect and all premiums in respect thereof that are due and payable have been paid.

5.11 Taxes. There is no proposed Tax assessment against any Loan Party or any Subsidiary that would, if made, have a Material Adverse Effect. No Loan Party or any Subsidiary thereof is a party to any Tax sharing agreement.

Each Plan that is intended to qualify under Section 401(a) of the Code has received a favorable determination or opinion letter from the IRS or an application for such a letter is currently

being processed by the IRS with respect thereto and, to the best knowledge of the Lead Borrower, nothing has occurred which would prevent, or cause the loss of, such qualification. The Loan Parties and each ERISA Affiliate have made all required contributions to each Plan subject to Sections 412 or 430 of the Code and to each Multiemployer Plan, and no application for a funding waiver or an extension of any amortization period pursuant to Sections 412 or 430 of the Code has been made with respect to any Plan. (d) All Canadian Pension Plans are duly registered under the Income Tax Act (Canada), applicable pension standards legislation and any other applicable Laws which require registration and no event has occurred which could reasonably be expected to cause the loss of such registered status. Each Loan Party has complied with the Income Tax Act (Canada) and all applicable Laws regarding each Canadian Pension Plan, except in each case where the failure to do so could not reasonably be expected to result in any Lien (except for contribution amounts not yet due and payable) or a Material Adverse Effect. No Loan Party has sponsored, maintained, contributed to or otherwise incurred liability under a Canadian Defined Benefit Plan. All employee and employer payments, contributions or premiums required to be withheld, made, remitted or paid to or in respect of each Canadian Pension Plan and all other amounts that are due to the pension fund of any Canadian Pension Plan from any Loan Party have been withheld, made, remitted or paid on a timely basis in accordance with the terms of such plans, any applicable collective bargaining agreement or employment contract and all applicable Laws in all material respects. Any assessments owed to the Pension Benefits Guarantee Fund (or similar governmental authorities of other jurisdictions) established under the Pension Benefits Act (Ontario) (or similar pension standards legislations of other jurisdictions) in respect of any Canadian Pension Plan have been paid when due, except where the failure to do so has not had or would not reasonably be expected to result in a Material Adverse Effect. No Canadian Loan Party nor any of its Subsidiaries has any liability for any Canadian Pension Plan which has been terminated or discontinued, except where the failure to do so has not had or would not reasonably be expected to result in a Material Adverse Effect.

5.13 Subsidiaries; Equity Interests.

(a) The Loan Parties have no Subsidiaries other than those specifically disclosed in Part (a) of Schedule 5.13, which Schedule sets forth the legal name, jurisdiction of incorporation or formation and authorized Equity Interests of each such Subsidiary, listed by class, and setting forth the number and percentage of the outstanding Equity Interests of each such class owned directly or indirectly by the applicable Loan Party. All of the outstanding Equity Interests in such Subsidiaries have been validly issued, are fully paid and non-assessable and are owned by a Loan Party (or a Subsidiary of a Loan Party) in the amounts specified on Part (a) of Schedule 5.13, free and clear of all Liens except for those created under the Security Documents, DIP Term Loan Liens and Prepetition Permitted Senior Liens. Except for the mandatory redemption permitted under Section 7.03(c)(iii) hereof, no Loan Party or any of its respective Subsidiaries is subject to any obligation (contingent or otherwise) to repurchase or otherwise acquire or retire any shares of any Loan Party's Subsidiaries' Equity Interests or any security convertible into or exchangeable for any such Equity Interests. (a) Neither any Loan Party nor any of its Subsidiaries owns any Margin Stock or is engaged or will be engaged, principally or as one of its important activities, in the business of purchasing or carrying Margin Stock, or extending credit for the purpose of purchasing or carrying Margin Stock. None of the proceeds of the Credit Extensions shall be used directly or indirectly for the purpose of purchasing or carrying any Margin Stock, for the purpose of extending credit to others for the purpose of purchasing or carrying any Margin Stock, or for any purpose that violates the provisions of Regulation T, U or X of the FRB. Neither any Loan Party nor any of its Subsidiaries expects to acquire any Margin Stock.

(b) None of the Loan Parties, any Person Controlling any Loan Party, or any Subsidiary is or is required to be registered as an "investment company" under the Investment Company Act of 1940.

5.15 Disclosure. Each Loan Party has disclosed to the Administrative Agent and the Lenders all agreements, instruments and corporate or other restrictions to which it or any of its Subsidiaries is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. No report, financial statement, certificate or other information furnished (whether in writing or orally) by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the transactions contemplated hereby and the negotiation of this Agreement or delivered hereunder or under any other Loan Document (in each case, as modified or supplemented by other information so furnished), contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to projected financial information, the Loan Parties represent only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time.

5.16 Compliance with Laws. Each of the Loan Parties and each Subsidiary is in compliance (A) in all material respects with the requirements of all applicable Laws (including, without limitation, the provisions of the Bankruptcy Code and any other Debtor Relief Laws) and all orders, writs, injunctions and decrees applicable to it or to its properties, except in such instances in which (i) such requirement of Law or order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted or (ii) the failure to comply therewith, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect, (B) in all material respects with the Bankruptcy Code, the rules of the Bankruptcy Court and any order of the Bankruptcy Court (other than the Orders), (C) in all respects with the Orders and the Canadian Recognition Orders, and (D) with Sections 10.17 and 10.22.

All registered Material Intellectual Property exclusively owned or exclusively licensed by, or otherwise subject to any exclusive interests of, any Loan Party or any Subsidiary is set forth on Schedule 5.17(a) hereto (as such schedule may be updated from time to time in accordance with the terms hereof). The Loan Parties have taken all commercially reasonable actions that in the exercise of their reasonable business judgment should be taken to protect the Borrower Intellectual Property, including Borrower Intellectual Property that is confidential in nature. The Loan Parties are in material compliance with all Franchise Agreements set forth on Schedule 5.17(b).

5.18 Labor Matters. There are no strikes, lockouts, slowdowns or other material labor disputes against any Loan Party or any Subsidiary thereof pending or, to the knowledge of any Loan Party,

Except as set forth on Part (c) of Schedule 5.18, no Loan Party or any Subsidiary is a party to or bound by (i) any collective bargaining agreement or (ii) any management agreement, employment agreement, bonus, restricted stock, stock option, or stock appreciation plan or agreement or any similar plan, agreement or arrangement. There are no complaints, unfair labor practice charges, grievances, arbitrations, unfair employment practices charges or any other claims or complaints against any Loan Party or any Subsidiary pending or, to the knowledge of any Loan Party, threatened to be filed with any Governmental Authority or arbitrator based on, arising out of, in connection with, or otherwise relating to the employment or termination of employment of any employee of any Loan Party or any of its Subsidiaries which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. The consummation of the transactions contemplated by the Loan Documents will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Loan Party or any of its Subsidiaries is bound. Each Loan Party and its Subsidiaries are in material compliance with all requirements pursuant to employment standards, labor relations, health and safety, workers compensation and human rights laws, immigration laws and other applicable employment legislation. To the knowledge of the Loan Parties, no officer or director of any Loan Party who is party to an employment agreement with such Loan Party is in violation of any term of any employment contract or proprietary information agreement with such Loan Party; and to the knowledge of the Loan Parties, the execution of the employment agreements and the continued employment by the Loan Parties of such persons, will not result in any such violation.

The financing statements and other filings (including fixture filings) are in appropriate form and have been or will be filed in the offices specified in Schedule II of the Security Agreement or the Canadian Security Agreement, as applicable. Upon such filing and/or the obtaining of "control", in each case with respect to the relevant Collateral as required under the applicable UCC (including fixture filings) or PPSA (including fixture filings), as applicable, the Collateral Agent will have a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties thereunder in such Collateral, in each case prior and superior in right to any other Person, except for Permitted Encumbrances having priority under applicable Law, DIP Term Loan Liens and Prepetition Permitted Senior Liens.

(c) Subject to the Interim Order (and, when applicable, the Final Order), the Mortgage creates in favor of the Collateral Agent, for the benefit of the Credit Parties, a legal, valid, continuing and enforceable Lien in the Mortgaged Property (as defined in the Mortgage), the enforceability of which is subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law. (i) Permit any representatives that are designated by the Collateral Agent to inspect the insurance policies maintained by or on behalf of the Loan Parties and to inspect books and records related thereto and any properties covered thereby. The Loan Parties shall pay the reasonable fees and expenses of any representatives retained by the Collateral Agent to conduct any such inspection.

(j) If any Loan Party or its Subsidiaries fails to maintain such insurance and/or fails to provide the Collateral Agent with satisfactory evidence thereof, in accordance with this Section 6.07, the Collateral Agent may, in its reasonable discretion, purchase insurance at the Borrowers' expense to protect the Credit Parties' interests ("Lender Insurance"), and the costs for such Lender Insurance (including the insurance premium, interest, and any other charges that may be imposed with the placement of such Lender Insurance, until the effective date of the cancellation or expiration of such Lender Insurance) shall be due and payable by the Borrowers on demand, and may be added to the Borrowers' total outstanding Obligations. Such Lender Insurance may not protect the Loan Parties' interests or claims. The Borrowers may later cancel any Lender Insurance, but only after providing the Collateral Agent with evidence that the Borrowers have obtained the insurance coverage required by this Agreement. Notwithstanding any of the foregoing, there shall be no responsibility on the Collateral Agent's part for obtaining any insurance, the solvency of the insurance companies, the adequacy of the coverage, or the collection of claims.

None of the Credit Parties, or their agents or employees shall be liable for any loss or damage insured by the insurance policies required to be maintained under this Section 6.07. Each Loan Party shall look solely to its insurance companies or any other parties other than the Credit Parties for the recovery of such loss or damage and such insurance companies shall have no rights of subrogation against any Credit Party or its agents or employees. If, however, the insurance policies do not provide waiver of subrogation rights against such parties, as required above, then the Loan Parties hereby agree, to the extent permitted by law, to waive their right of recovery, if any, against the Credit Parties and their agents and employees. The designation of any form, type or amount of insurance coverage by any Credit Party under this Section 6.07 shall in no event be deemed a representation, warranty or advice by such Credit Party that such insurance is adequate for the purposes of the business of the Loan Parties or the protection of their properties.

6.08 Compliance with Laws. Comply (a) in all material respects with the requirements of all Laws and all orders, writs, injunctions and decrees applicable to it or to its business or property, except in such instances in which (i) such requirement of Law or order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted and with respect to which adequate reserves have been set aside and maintained by the Loan Parties in accordance with GAAP; (ii) such contest effectively suspends enforcement of the contested Laws, and (iii) the failure to comply therewith could not reasonably be expected to have a Material Adverse Effect, (b) with Sections 10.17 and 10.22, (c) in all material respects with (i) the Bankruptcy Code, the rules of the Bankruptcy Court and any order of the Bankruptcy Court (other than the Orders), and (ii) Part IV of the CCAA, the rules of the Canadian Court and any order of the Canadian Court (other than the Canadian Recognition Orders), and (d) in all respects with the Orders and the Canadian Recognition Orders, except in the case of the preceding clauses (a) and (b), non-compliance thereof is permitted by the Bankruptcy Code, Part IV of the CCAA or an order of the Canadian Court (including the Canadian Recognition Orders as applicable.

writing to cooperate with, and be available to, the Administrative Agent or its representatives to discuss the Loan Parties' financial performance, financial condition, operating results, controls, and such other matters, within the scope of the retention of such public accounting firm, as may be raised by the Administrative Agent; provided that the Lead Borrower shall be entitled to participate in any such meetings or discussions. The Lead Borrower hereby irrevocably authorizes and directs all auditors, accountants, or other third parties to deliver to the Administrative Agent, at the Borrowers' expense, copies of the Borrowers' financial statements, papers related thereto, and other accounting records of any nature in their possession, and to disclose to the Administrative Agent any information they may have regarding the Collateral or the financial condition of the Borrowers, in each case to the extent permitted by the policies of such auditors, accountants or other third parties at such time; provided that the Lead Borrower shall be entitled to be provided with copies of any such financial statements, papers, accounting records or disclosures contemporaneously therewith.

6.10 Inspection Rights.

(a) Permit, and provide commercially reasonable cooperation with, representatives, Affiliates and independent contractors of the Administrative Agent (including investment bankers, consultants, any Lender Group Consultant, accountants, lawyers, commercial finance examiners and appraisers, each of whom may be Affiliates of the Administrative Agent) (who may be accompanied by the Lenders or representatives thereof) to visit and inspect any of its properties, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom, and to discuss its affairs, finances and accounts with its directors, officers, and public accounting firm, all at the expense of the Loan Parties and at such reasonable times during normal business hours on one occasion per each Fiscal Year, upon reasonable advance notice to the Lead Borrower; provided, however, that when an Event of Default has occurred and is continuing, the Administrative Agent (or any of its representatives, Affiliates or independent contractors) may do any of the foregoing at the expense of the Loan Parties, as often as the Administrative Agent may request in its reasonable discretion, and at any time during normal business hours and without advance notice.

(b) Upon the request of the Administrative Agent after reasonable prior notice, permit, and provide commercially reasonable cooperation with, the Administrative Agent or professionals (including investment bankers, consultants, any Lender Group Consultant, accountants, lawyers, commercial finance examiners and appraisers, each of whom may be Affiliates of the Administrative Agent) retained by the Administrative Agent to conduct appraisals, commercial finance examinations and other evaluations, including, without limitation, of (i) the Lead Borrower's practices in the computation of the Borrowing Base and/or the Term Borrowing Base and (ii) the assets included in the Borrowing Base and/or the Term Borrowing Base and related financial information such as, but not limited to, sales, gross margins, payables, accruals and reserves. During the pendency of the Cases, the Administrative Agent may cause appraisals, commercial finance examinations and other evaluations to be undertaken at such times and with such frequency as the Administrative Agent may determine in its reasonable discretion (and without imposing undue burden on the operation of the business of the Loan Parties), in each case at the expense of the Loan Parties.

(c) [Reserved].

(d) Permit the Administrative Agent, from time to time, to engage a geohydrologist, an independent engineer or other qualified consultant or expert, reasonably acceptable to the Administrative Agent, at the expense of the Loan Parties, to undertake Phase I environmental site

Environmental assessments may include detailed visual inspections of the Real Estate, including, without limitation, any and all storage areas, storage tanks, drains, dry wells and leaching areas, and the taking of soil samples, surface water samples and ground water samples, as well as such other investigations or analyses as are reasonably necessary for a determination of the compliance of the Real Estate and the use and operation thereof with all applicable Environmental Laws. The Borrowers will, and will cause each of their Subsidiaries to, cooperate in all respects with the Administrative Agent and such third parties to enable such assessment and evaluation to be timely completed in a manner reasonably satisfactory to the Administrative Agent.

(e) No Borrowing Base calculation shall include Collateral obtained outside the ordinary course of business until completion of applicable appraisals and commercial finance examinations (which shall not be included in the limits provided above, but such appraisals and commercial finance examinations shall only be conducted with the consent of the Lead Borrower) satisfactory to the Administrative Agent.

6.12 Additional Loan Parties.

(a) Notify the Administrative Agent at the time that any Person becomes a Subsidiary or is otherwise required to join as a Loan Party, and promptly thereafter (and in any event within fifteen (15) days (or such longer period as the Administrative Agent may agree)), cause any such Person to (i) become a Loan Party by executing and delivering to the Administrative Agent a Joinder Agreement or a counterpart of the Facility Guaranty or such other document as the Administrative Agent shall deem appropriate for such purpose, (ii) grant a Lien to the Collateral Agent on such Person's assets to secure the Obligations to the extent required under the Security Documents (it being understood that, to the extent such Person is a Debtor, such Person's assets shall automatically be subject to the Liens created by the Orders and Section 6.28), (iii) deliver to the Administrative Agent documents of the types referred to in clauses (iii) and (iv) of Section 4.01(a) and favorable opinions of counsel to such Person (which shall cover, among other things, the legality, validity, binding effect and enforceability of the documentation referred to in clause (i) above), and (iv) if any Equity Interests or Indebtedness of such Person are owned by or on behalf

of any Loan Party, to pledge such Equity Interests and promissory notes evidencing such Indebtedness to the extent required under the Security Documents. In no event shall compliance with this Section 6.12 waive or be deemed a waiver or Consent to any transaction giving rise to the need to comply with this Section 6.12 if such transaction was not otherwise expressly permitted by this Agreement or constitute or be deemed to constitute, with respect to any Subsidiary, an approval of such Person as a Borrower or permit the inclusion of any acquired assets in the computation of the Borrowing Base. At all times, the Loan Parties shall cause each Subsidiary that is a "Loan Party" (as defined in the DIP Term Credit Agreement) to remain a Loan Party under the Loan Documents, except to the extent a release of such Loan Party from its obligations under the Term Documents and the Loan Documents is permitted pursuant to the terms of the Term Documents and the Loan Documents.

(b) Prior to the acquisition by TCP Canada Inc. of any assets (other than the assets described in Section 5.13(b) hereof or other assets not of the same type that constitute Collateral (which other assets are not used in connection with any of the Loan Parties' business operations)), cause such Person to (A) become a Loan Party by executing and delivering to the Agents a Joinder Agreement or a counterpart of the Facility Guaranty or such other document as the Administrative Agent shall deem appropriate for such purpose, (B) grant a Lien to the Collateral Agent on such Person's assets to the extent required by the Security Documents (it being understood that, to the extent such Person is a Debtor, such Person's assets shall automatically be subject to the Liens created by the Orders and Section 6.28), and (C) deliver to the Agents documents of the types referred to in clauses (iii) and (iv) of Section 4.01(a) and favorable opinions of counsel to such Person (which shall cover, among other things, the legality, validity, binding effect and enforceability of the documentation referred to in clause (A), subject to customary assumptions and qualifications), all of the foregoing to be in form, content and scope reasonably satisfactory to the Administrative Agent.

6.13 Cash Management.

(a) To the extent not previously delivered to the Administrative Agent, if requested by the Administrative Agent:

(i) deliver to the Administrative Agent copies of notifications (each, a "Credit Card Notification") substantially in the form attached hereto as Exhibit H which have been executed on behalf of such Loan Party and delivered to such Loan Party's credit card clearinghouses and processors listed on Schedule 5.21(b); and

(ii) enter into a blocked account agreement for each Blocked Account, in each case in form and substance satisfactory to the Agents (each, a "Blocked Account Agreement"), with the applicable Blocked Account Bank; provided that, for the avoidance of doubt, no Blocked Account Agreements shall be required with respect to any Excluded Accounts; provided further that, notwithstanding anything to the contrary in this Agreement, the Administrative Agent may from time to time, in its sole discretion, elect not to require Blocked Account Agreements on DDAs that are exclusively used for disbursements.

(b) (i) Each Credit Card Notification shall require the ACH or wire transfer no less frequently than daily (and whether or not there are then any outstanding Obligations) to a Blocked Account of all payments due from Credit Card Issuers and Credit Card Processors, and (ii) the Borrowers shall cause each depository institution (including those listed on Schedule 5.21(a)) to cause the ACH or wire transfer no less frequently than daily (and whether or not there are then any

outstanding Obligations) to a Blocked Account of all amounts on deposit in each DDA (other than Excluded Accounts).

(c) Each Blocked Account Agreement shall require, subject to the Cash Management Order, the ACH or wire transfer no less frequently than daily (and whether or not there are then any outstanding Obligations) to each concentration account maintained by the Collateral Agent at Wells Fargo Bank or its Affiliates (each, a "Concentration Account"), of all cash receipts and collections, including, without limitation, the following (except to the extent provided in Section 6.13(l) in respect of the Canadian Operating Account):

(i) all available cash receipts (x) from the sale of Inventory, and (y) from the sale of other assets (whether or not constituting Collateral);

(ii) all proceeds of collections of Accounts;

(iii) all Net Proceeds, and all other cash payments received by a Loan Party from any Person or from any source or on account of any Disposition or other transaction or event, including, without limitation, any Prepayment Event;

(iv) the then contents of each DDA (net of any minimum balance, not to exceed $2,500.00, as may be required to be kept in the subject DDA by the depository institution at which such DDA is maintained);

(v) the then entire ledger balance of each Blocked Account (net of any minimum balance, not to exceed $2,500.00, as may be required to be kept in the subject Blocked Account by the Blocked Account Bank);

(vi) the proceeds of all credit card charges; and

(vii) all Tariff Refund Proceeds.

Prior to the exercise of remedies provided for in Section 8.02 (or before the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), subject to the Cash Management Order, all amounts received in a Concentration Account from any source, including the Blocked Account Banks, shall be applied by the Administrative Agent in the order set forth in Section 2.05(i).

(d) [Reserved].

(e) Each Concentration Account shall at all times be under the sole dominion and control of the Collateral Agent. The Loan Parties hereby acknowledge and agree that (i) the Loan Parties have no right of withdrawal from a Concentration Account, (ii) subject to entry of the Interim Order (and, when applicable, the Final Order) the funds on deposit in a Concentration Account shall at all times be collateral security for all of the Obligations and the Prepetition Obligations, and (iii) subject to the Cash Management Order, the Canadian Interim DIP Recognition Order and/or the Canadian Final DIP Recognition Order, as applicable, the funds on deposit in a Concentration Account shall be applied as provided in this Agreement.

(f) In the event that any Loan Party receives or otherwise has dominion and control of any proceeds or collections described in Section 6.13(c), such proceeds and collections shall be

held in trust by such Loan Party for the Collateral Agent, shall not be commingled with any of such Loan Party's other funds or deposited in any account of such Loan Party and shall, not later than the Business Day after receipt thereof, be deposited into a Concentration Account or dealt with in such other fashion as such Loan Party may be instructed by the Collateral Agent.

(g) Upon the request of the Administrative Agent, the Loan Parties shall cause bank statements and/or other reports to be delivered to the Administrative Agent not less often than monthly, accurately setting forth all amounts deposited in each Blocked Account to ensure the proper transfer of funds as set forth above.

(h) Notwithstanding anything to the contrary contained in this Section 6.13 and in all cases subject to the Orders and the Cash Management Order, prior to the Discharge of Term Obligations, (i) prior to the delivery of an ABL Termination Declaration, all Net Proceeds of Term Priority Collateral (other than Net Proceeds of Franchise Receivables which may be used to pay disbursements in accordance with the Approved Budget) shall be remitted to the Term Loan Priority Account and (ii) on and after the occurrence of delivery of an ABL Termination Declaration, all Net Proceeds (as defined, solely for the purposes of this Section 6.13(h), in the DIP Term Credit Agreement as in effect as of the Closing Date) of Term Priority Collateral shall, to the extent required under the DIP Term Credit Agreement (as in effect as of the Closing Date), be deposited, as and when received, into a Term Loan Priority Account. No Loan Party shall deposit, or cause to be deposited, any funds into the Term Loan Priority Account other than proceeds of the Term Priority Collateral.

(i) [Reserved].

(j) Subject to the Cash Management Order, cause all Tariff Refund Proceeds to be paid directly into a Blocked Account that is subject to a Blocked Account Agreement, and designate such Blocked Account in all CBP, CAPE, customs broker, customs counsel, claims administrator, Governmental Authority, portal, platform and payment-instruction records. If direct deposit of Tariff Refund Proceeds into such a Blocked Account is not available, the Loan Parties shall, subject to the Cash Management Order, use the available payment instruction that is most protective of the Credit Parties, shall hold any such Tariff Refund Proceeds in trust for the Collateral Agent, and shall, not later than the Business Day after receipt thereof, transfer all such Tariff Refund Proceeds into a Blocked Account that is subject to a Blocked Account Agreement.

(k) The Loan Parties shall comply in all respects with the Cash Management Order.

(l) Notwithstanding anything to the contrary in this Section 6.13, and in all cases subject to the Cash Management Order and the Canadian Recognition Orders, with respect to the Deposit Account of the Canadian Borrower maintained at The Toronto-Dominion Bank with an account number ending in 2498, into which cash receipts and collections are concentrated and from which disbursements are made (the "Canadian Operating Account"), the Loan Parties shall: (i) not make, or permit to be made, any disbursement, withdrawal, payment or transfer from the Canadian Operating Account other than disbursements in the amounts, to the payees and of the types set forth as operating disbursements in the then-applicable Approved Budget for the applicable period, in each case subject only to the Permitted Variance; and in no event shall the Loan Parties make any disbursement or transfer from the Canadian Operating Account to any Subsidiary or to any other Loan Party or any Subsidiary of any other Loan Party; (ii) on each Business Day (or at such other intervals as the Administrative Agent may direct), remit, or cause to be remitted, to a Concentration Account the entire then-current ledger balance of the Canadian Operating Account, net only of amounts required to fund the disbursements permitted under clause (i) above for the applicable

period, and the Loan Parties shall not retain, accumulate or hold in the Canadian Operating Account any amounts in excess of the amounts required to fund the disbursements permitted under clause (i) for the then-applicable Approved Budget period; to the extent the Canadian Borrower repatriates any funds to any U.S. Loan Party, such funds shall be remitted to, prior to the Discharge of ABL Obligations, to the Concentration Account maintained at JPMorgan Chase with an account ending in 7701 and thereafter to the Term Loan Priority Account and shall be disbursed or applied solely with the Administrative Agent's consent; (iii) notwithstanding clause (i), nothing herein shall prohibit, and the Loan Parties shall remain obligated to make, disbursements from the Canadian Operating Account consisting of amounts required to comply with any order of a court of competent jurisdiction, including the Bankruptcy Court and any Canadian Court; and (iv) commencing on the first Business Day of the first full week following the Closing Date, and on each Business Day (or at such other intervals as the Administrative Agent may direct) thereafter, deliver to the Administrative Agent, in form and substance satisfactory to the Administrative Agent, bank statements for, and a reconciliation of, the Canadian Operating Account evidencing that (x) only disbursements permitted under clause (i) (or clause (iii)) were made from the Canadian Operating Account and (y) the net balance was remitted to a Concentration Account in accordance with clause (ii). Any failure to comply with this Section 6.13(l) shall constitute an immediate Event of Default. For the avoidance of doubt, nothing in this Section 6.13(l) limits the Loan Parties' obligations under Section 6.13(c) or the Administrative Agent's or Collateral Agent's rights with respect to the Canadian Operating Account under this Agreement, the Cash Management Order or any Blocked Account Agreement.

6.14 Information Regarding the Collateral.

(a) Furnish to the Administrative Agent at least thirty (30) days' prior written notice of any change in: (i) any Loan Party's name or in any trade name used to identify it in the conduct of its business or in the ownership of its properties; (ii) the location of any Loan Party's chief executive office, its principal place of business, any office in which it maintains books or records relating to Collateral owned by it, any location, office or facility at which Collateral owned by it is located (including the establishment of any such new location, office or facility), or, in the case of a Canadian Loan Party, its registered office; (iii) any Loan Party's organizational structure or jurisdiction of incorporation or formation; or (iv) any Loan Party's Federal Taxpayer Identification Number or organizational identification number assigned to it by its jurisdiction of organization. The Loan Parties agree not to effect or permit any change referred to in the preceding sentence unless all filings (including fixture filings) have been made under the UCC, the PPSA or otherwise that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral (subject only to (i) Permitted Encumbrances having priority by operation of applicable Law, (ii) DIP Term Loan Liens and (iii) Prepetition Permitted Senior Liens) for its own benefit and the benefit of the other Credit Parties.

(b) From time to time as may be reasonably requested by the Administrative Agent, the Lead Borrower shall supplement each Schedule hereto, or any representation herein or in any other Loan Document, with respect to any matter arising after the Closing Date that, if existing or occurring on the Closing Date, would have been required to be set forth or described in such Schedule or as an exception to such representation or that is necessary to correct any information in such Schedule or representation which has been rendered inaccurate thereby (and, in the case of any supplements to any Schedule, such Schedule shall be appropriately marked to show the changes made therein). Notwithstanding the foregoing, no supplement or revision to any Schedule or representation shall be deemed the Credit Parties' consent to the matters reflected in such updated Schedules or revised representations nor permit the Loan Parties to undertake any actions otherwise

prohibited hereunder or fail to undertake any action required hereunder from the restrictions and requirements in existence prior to the delivery of such updated Schedules or such revision of a representation; nor shall any such supplement or revision to any Schedule or representation be deemed the Credit Parties' waiver of any Default resulting from the matters disclosed therein.

6.15 Physical Inventories.

(a) Cause not less than one (1) physical inventory to be undertaken, at the expense of the Loan Parties, in each twelve month period, conducted by such inventory takers as are satisfactory to the Collateral Agent and following such methodology as is consistent with the methodology used in the immediately preceding inventory or as otherwise may be satisfactory to the Collateral Agent. The Collateral Agent and any Lender, at the expense of the Loan Parties, may participate in and/or observe each scheduled physical count of Inventory which is undertaken on behalf of any Loan Party. Upon the request of the Collateral Agent, the Lead Borrower shall provide the Collateral Agent with a reconciliation of the results of such inventory (as well as of any other physical inventory undertaken by a Loan Party) and shall post such results to the Loan Parties' stock ledgers and general ledgers, as applicable.

(b) The Collateral Agent, in its discretion, if any Default shall have occurred and be continuing, may cause such additional inventories to be taken as the Collateral Agent determines (each, at the expense of the Loan Parties).

6.16 Environmental Laws. (a) Conduct its operations and keep and maintain its Real Estate in material compliance with all Environmental Laws; (b) obtain and renew all environmental permits appropriate or necessary for its operations and properties; and (c) implement any and all investigation, remediation, removal and response actions that are necessary to maintain the value and marketability of the Real Estate or to otherwise comply with Environmental Laws pertaining to the presence, generation, treatment, storage, use, disposal, transportation or release of any Hazardous Materials on, at, in, under, above, to, from or about any of its Real Estate, provided, however, that neither a Loan Party nor any of its Subsidiaries shall be required to undertake any such cleanup, removal, remedial or other action to the extent that its obligation to do so is being contested in good faith and by proper proceedings and adequate reserves have been set aside and are being maintained by the Loan Parties with respect to such circumstances in accordance with GAAP.

6.17 Further Assurances.

(a) Execute any and all further documents, financing statements, agreements and instruments (including Intellectual Property filings), and take all such further actions (including the filing and recording of financing statements, Intellectual Property filings and other documents), that may be required under any applicable Law, or which any Agent may request, to effectuate the transactions contemplated by the Loan Documents or to grant, preserve, protect or perfect the Liens created or intended to be created by the Security Documents or the validity or priority of any such Lien, all at the expense of the Loan Parties. The Loan Parties also agree to provide to the Agents, from time to time upon request, evidence satisfactory to the Agents as to the perfection and priority of the Liens created or intended to be created by the Security Documents. Notwithstanding anything to the contrary contained in this clause (a), the terms of Article VI to the Security Agreement shall control with respect to all matters relating to Intellectual Property.

(b) If any material assets are acquired by any Loan Party after the Closing Date (other than assets constituting Collateral under the Security Documents that become subject to the Lien of the Security Documents upon acquisition thereof), notify the Agents thereof, and the Loan

Parties will cause such assets to be subjected to a Lien securing the Obligations and will take such actions as shall be reasonably necessary or shall be reasonably requested by any Agent to grant and perfect such Liens, including actions described in paragraph (a) of this Section 6.17, all at the expense of the Loan Parties. In no event shall compliance with this Section 6.17(b) waive or be deemed a waiver or Consent to any transaction giving rise to the need to comply with this Section 6.17(b) if such transaction was not otherwise expressly permitted by this Agreement or constitute or be deemed to constitute Consent to the inclusion of any acquired assets in the computation of the Borrowing Base. Notwithstanding anything to the contrary contained in this clause (b), the terms of Article VI to the Security Agreement shall control with respect to all matters relating to Intellectual Property.

(c) To the extent not previously delivered to the Collateral Agent, (i) upon the request of the Collateral Agent, cause each of its customs brokers, freight forwarders, consolidators and other carriers which, individually, have control over, and/or hold the documents evidencing ownership of, Inventory or other Collateral of the Loan Parties with an aggregate retail value in excess of ten percent (10%) of the retail value of all Inventory or other Collateral of the Loan Parties at such time to deliver a Customs Broker Agreement to the Collateral Agent and (ii) simultaneously with the delivery to the Term Agent, deliver to the Collateral Agent a Customs Broker Agreement with each such customs broker, freight forwarder, consolidator or other carrier for which such an agreement has been provided to the Term Agent.

(d) To the extent not previously delivered to the Collateral Agent, (i) upon the request of the Collateral Agent, cause any of its landlords with respect to Real Estate acquired or leased after the Closing Date to deliver a Collateral Access Agreement to the Collateral Agent in such form as the Collateral Agent may reasonably require if the aggregate retail value of the Inventory or other Collateral of the Loan Parties at any such location exceeds five percent (5%) of the retail value of all Inventory or other Collateral of the Loan Parties at such time and (ii) simultaneously with the delivery to the Term Agent, deliver to the Collateral Agent a Collateral Access Agreement for any Real Estate for which a Collateral Access Agreement has been provided to the Term Agent.

(e) Notwithstanding the foregoing, the Collateral Agent shall not enter into any Mortgage in respect of any improved Real Estate acquired by any Loan Party after the Closing Date unless the Collateral Agent has provided to the Revolving Lenders (i) if such Mortgage relates to an improved Real Estate not located in a "flood hazard area" in any Flood Insurance Rate Map published by the Federal Emergency Management Agency (or any successor agency), a completed Flood Certificate with respect to such improved Real Estate from a third-party vendor at least ten (10) Business Days prior to entering into such Mortgage, or (ii) if such Mortgage relates to an improved real property located in such a "flood hazard area", the following documents with respect to such improved Real Estate at least thirty (30) days prior to entering into such Mortgage: (1) a completed Flood Certificate from a third party vendor; (2) (A) a notification to the Lead Borrower that such real property is located in such a "flood hazard area" and (if applicable) notification to the Lead Borrower that flood insurance coverage is not available and (B) evidence of the receipt by the Lead Borrower of such notice; and (3) if required by applicable Laws (including, without limitation, the National Flood Insurance Program as set forth in the Flood Disaster Protection Act of 1973, as amended and in effect), evidence of required flood insurance; provided that the Collateral Agent may enter into any such Mortgage prior to the notice period specified above if the Collateral Agent shall have received confirmation from each applicable Revolving Lender that such Revolving Lender has completed any necessary flood insurance due diligence to its reasonable satisfaction. Notwithstanding anything to the contrary contained herein (including this Section 6.17 and Section 10.01) or in any other Loan Document, (x) the Collateral Agent shall not accept delivery of any Mortgage from any Loan Party unless each of the Revolving Lenders has

received forty-five (45) days' prior written notice thereof and the Collateral Agent has received confirmation from each Revolving Lender that such Revolving Lender has completed its flood insurance diligence, has received copies of all flood insurance documentation and has confirmed that flood insurance compliance has been completed as required by the Flood Insurance Laws or as otherwise satisfactory to such Revolving Lender, and (y) at any time that the Real Estate or any other real property is included in the Collateral, no addition, increase, renewal or extension of any Loan, Letter of Credit or Commitment hereunder shall be consummated until the completion of flood due diligence, documentation and coverage as required by the Flood Insurance Laws or as otherwise satisfactory to all Revolving Lenders.

(f) Notwithstanding anything to the contrary contained herein (including this Section 6.17) or in any other Loan Document, the Agents shall not accept delivery of any joinder to any Loan Document with respect to any Subsidiary of any Loan Party that is not a Loan Party, if such Subsidiary qualifies as a "legal entity customer" under the Beneficial Ownership Regulation unless such Subsidiary has delivered a Beneficial Ownership Certification in relation to such Subsidiary and the Administrative Agent and the Lenders have completed their respective Patriot Act searches, OFAC/PEP searches, Canadian AML Legislation searches (if applicable), and customary individual background checks for such Subsidiary, the results of which shall be satisfactory to the Administrative Agent and the Lenders.

6.18 Compliance with Terms of Leaseholds.

(a) Except as otherwise expressly permitted hereunder or to the extent non-performance thereof is permitted by the Bankruptcy Code or any order of the Bankruptcy Court or the Canadian Court, and other than as a result of the commencement of the Cases, (i) subject to the provisions of the Bankruptcy Code or any order of the Canadian Court in the Recognition Proceedings and, in all cases, consistent with the Approved Budget (subject to the Permitted Variance), make all payments and otherwise perform all obligations arising after the Petition Date in respect of all Leases of real property to which any Loan Party or any of its Subsidiaries is a party, (ii) keep such Leases in full force and effect and not allow such Leases to lapse or be terminated or any rights to renew such Leases to be forfeited or cancelled, (iii) notify the Administrative Agent of any default by any party with respect to such Leases, and (iv) cooperate with the Administrative Agent in all respects to cure any such default, and cause each of its Subsidiaries to do so except, in each case, with respect to Leases relating to Store locations subject to Specified Store Closing Sales after the effectiveness of the rejection of such applicable Lease. In the event that the Borrowers become delinquent in their rent payments, subject to Section 2.01(e), the Administrative Agent may establish Reserves against any applicable Borrowing Base for the amount of any landlord liens arising from such delinquency.

(b) Other than with respect to Leases relating to Stores subject to the Specified Store Closing Sales, (i) obtain the Administrative Agent's prior written consent prior to rejecting any Lease of real property and (ii) consult with the Administrative Agent regarding any plans to assume or reject any Lease of real property.

6.23 Milestones. The Loan Parties shall satisfy each of the milestones set forth on Schedule 6.23 (each, a "Milestone" and, collectively, the "Milestones") on or before the applicable date set forth therein. The Administrative Agent shall have the ability to extend any Milestone in writing (which may be by electronic mail from counsel to the Administrative Agent). Schedule 6.23 may be amended, supplemented or otherwise modified from time to time by a writing executed by the Administrative Agent and the Lead Borrower, without the need to comply with Section 10.01, and the Administrative Agent shall promptly deliver a copy of any such modified Schedule 6.23 to the Lenders. Each reference in this Agreement or any other Loan Document to Schedule 6.23 or to any Milestone shall mean Schedule 6.23 or such Milestone, as applicable, as so extended, amended, supplemented or otherwise modified from time to time in accordance with this Section 6.23.

Each Approved Budget shall be prepared by the Lead Borrower (in consultation with the Financial Advisor) for the 13-week period covered thereby and shall be prepared in good faith based upon assumptions believed by the Lead Borrower to be reasonable at the time such Approved Budget was prepared and information believed by the Lead Borrower to have been accurate based upon the information available to the Lead Borrower at the time such Approved Budget was prepared, and without awareness of any facts or information that would lead it to believe that such Approved

Nothing in any Approved Budget (including any estimate of a loan balance in excess of any Borrowing Base or other lending limit) shall constitute an amendment or other modification of any Loan Document or of any Borrowing Base or other lending limit set forth herein.

The Loan Parties shall deliver to the Administrative Agent, on a weekly basis, on Wednesday of each week (commencing with December 2, 2026), or, to the extent such day is not a Business Day, the next Business Day thereafter, an Approved Budget Variance Report, and such Approved Budget Variance Report shall be in form and substance satisfactory to the Administrative Agent in its reasonable discretion.

agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Article IX and Article X (including Section 10.04(b)), as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents, as if set forth in full herein with respect thereto.

(c) [Reserved].

(d) In addition, and without limiting any of the foregoing, each of the Credit Parties hereby irrevocably appoints and authorizes the Collateral Agent, for the purposes of holding any hypothec granted pursuant to the laws of the Province of Quebec, and, to the extent necessary, ratifies the appointment and authorization of the Collateral Agent, to act as the hypothecary representative (within the meaning of Article 2692 of the Civil Code of Quebec) for the Credit Parties, and to enter into, to take and to hold on their behalf, and for their benefit, any hypothec as security for any of the Obligations, and to exercise such powers and duties that are conferred upon the Collateral Agent in its capacity as hypothecary representative under any related deed of hypothec. The Collateral Agent in its capacity as hypothecary representative shall have the sole and exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to the Collateral Agent pursuant to any such deed of hypothec and applicable Law. Any Person who becomes a Credit Party shall be deemed to have consented to and confirmed the Collateral Agent as the Person acting as hypothecary representative for the Credit Parties holding the aforesaid hypothecs as aforesaid and to have ratified all actions taken by the Collateral Agent in such capacity. The Collateral Agent acting in its capacity as hypothecary representative shall have the same rights, powers, immunities, indemnities and exclusions from liability as are prescribed in favor of the Collateral Agent in this Agreement, which shall apply *mutatis mutandis*. The substitution of the Collateral Agent pursuant to the provisions of this Article IX also constitute the substitution of the Collateral Agent as hypothecary representative as aforesaid. Each such successor Collateral Agent appointed in accordance with the terms of this Agreement shall automatically (and without any further formality or action) become the successor hypothecary representative for the purposes of each deed of hypothec that was executed prior to the time of the appointment of such successor Collateral Agent.

9.02 Rights as a Lender. The Persons serving as the Agents hereunder shall have the same rights and powers in their capacity as a Lender as any other Lender and may exercise the same as though they were not the Administrative Agent or the Collateral Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent or the Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Loan Parties or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent or the Collateral Agent hereunder and without any duty to account therefor to the Lenders.

9.03 Exculpatory Provisions. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Agents:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that any Agent is required to exercise as directed in writing by the Required Lenders or the Required Supermajority Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that no Agent shall be required to take any action that, in its respective opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Loan Parties or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent, the Collateral Agent or any of its respective Affiliates in any capacity; and

(d) shall not have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, to any Lender or any L/C Issuer, any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates, that is communicated to, obtained or in the possession of, the Administrative Agent, the Collateral Agent or any of their Related Parties in any capacity, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent or the Collateral Agent herein.

No Agent shall be liable for any action taken or not taken by it (i) with the Consent or at the request of the Required Lenders or the Required Supermajority Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a final and non-appealable judgment of a court of competent jurisdiction. No Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to such Agent by the Loan Parties, a Lender or the L/C Issuer. Upon the occurrence of a Default, the Agents shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders. Unless and until an Agent shall have received such direction, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to any such Default as it shall deem advisable in the best interest of the Credit Parties. In no event shall any Agent be required to comply with any such directions to the extent that such Agent believes that its compliance with such directions would be unlawful.

No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Agents.

9.04 Reliance by Agents . Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including, but not limited to, any electronic message, Internet or intranet website posting or other

distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the L/C Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or the L/C Issuer unless the Administrative Agent shall have received written notice to the contrary from such Lender or the L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. Each Agent may consult with legal counsel (who may be counsel for any Loan Party), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.05 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agents and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as such Agent.

9.06 Resignation of Agents. Either Agent may at any time give written notice of its resignation to the Lenders, the L/C Issuer and the Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Lead Borrower, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the L/C Issuer, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; provided that if the Administrative Agent or the Collateral Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by the Collateral Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable, hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Lead Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Section 10.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable, hereunder.

Any resignation by Wells Fargo Bank as Administrative Agent pursuant to this Section shall also constitute the resignation of Wells Fargo Bank as Swing Line Lender and L/C Issuer. Upon the acceptance

of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer and Swing Line Lender, (b) the retiring L/C Issuer and Swing Line Lender shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

9.07 Non-Reliance on Agents and Other Lenders. Each Lender and each L/C Issuer expressly acknowledges that no Agent has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent to any Lender or each L/C Issuer as to any matter, including whether any Agent has disclosed material information in its (or its Related Parties') possession. Each Lender and each L/C Issuer represents to each Agent that it has, independently and without reliance upon any Agent, any other Lender or any of their respective Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis of, appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers hereunder. Each Lender and the L/C Issuer also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Except as provided in Section 9.11, no Agent shall have any duty or responsibility to provide any Credit Party with any other credit or other information concerning the affairs, financial condition or business of any Loan Party that may come into the possession of any Agent. Each Lender and each L/C Issuer represents and warrants that (a) the Loan Documents set forth the terms of a commercial lending facility and (b) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or L/C Issuer for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender or L/C Issuer, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each L/C Issuer agrees not to assert a claim in contravention of the foregoing. Each Lender and each L/C Issuer represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such L/C Issuer, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

9.08 Administrative Agent May File Proofs of Claim. The Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Loan Parties) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer, the Administrative Agent and the other Credit Parties

(including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer, the Administrative Agent, such Credit Parties and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer, the Administrative Agent and such Credit Parties under Sections 2.03(l), 2.03(m), 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, interim receiver, assignee, trustee, monitor, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the L/C Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the L/C Issuer or to authorize the Administrative Agent to vote in respect of the claim of any Lender or the L/C Issuer in any such proceeding.

9.09 Collateral and Guaranty Matters. The Credit Parties irrevocably authorize the Agents, at their option and in their discretion,

(a) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (i) upon termination of the Aggregate Revolving Commitments and payment in full of all Prepetition Obligations and all Obligations (other than contingent indemnification obligations for which no claim has been asserted) and the expiration, termination or Cash Collateralization of all Letters of Credit, (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document (and, to the extent required, approved by the Bankruptcy Court) or, with respect to Term Priority Collateral, as to which the Agents are required to release such Lien pursuant to the Intercreditor Agreement, or (iii) if approved, authorized or ratified in writing by the Required Lenders in accordance with Section 10.01;

(b) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by clause (h) of the definition of Permitted Encumbrances;

(c) to subordinate any Lien on Term Priority Collateral to the Term Agent, in accordance with the Intercreditor Agreement; and

(d) to release any Guarantor from its obligations under the Facility Guaranty if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder; provided that, if such Person is, or continues to be, an obligor with respect to the Term Obligations (whether as a borrower or a guarantor thereunder), the Agents shall not release any such Person from its obligations under the Facility Guaranty unless and until such Person is no longer an obligor with respect to the Term Obligations.

Upon request by any Agent at any time, the Required Lenders will confirm in writing such Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Facility Guaranty pursuant to this Section 9.09. In each case as specified in this Section 9.09, the Agents will, at the Loan Parties' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Facility Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.09.

Notwithstanding the provisions of this Section 9.09, the Collateral Agent shall be authorized, without the consent of any Lender and without the requirement that an asset sale consisting of the sale, transfer or other disposition having occurred, to release any security interest in any building, structure or improvement located in an area determined by the Federal Emergency Management Agency to have special flood hazards.

Notwithstanding anything to the contrary, the Agents shall not be obligated to release their Liens on any Collateral until Net Proceeds of such Collateral have been received as required by this Agreement.

9.10 Notice of Transfer. The Agents may deem and treat a Lender party to this Agreement as the owner of such Lender's portion of the Obligations for all purposes, unless and until, and except to the extent, an Assignment and Assumption shall have become effective as set forth in Section 10.06.

9.11 Reports and Financial Statements. By signing this Agreement, each Lender:

(a) agrees to furnish the Administrative Agent on the first day of each month (or more frequently as the Administrative Agent may reasonably request) with a summary of all Other Liabilities due or to become due to such Lender. In connection with any distributions to be made hereunder, the Administrative Agent shall be entitled to assume that no amounts are due to any Lender on account of Other Liabilities unless the Administrative Agent has received written notice thereof from such Lender;

(b) is deemed to have requested that the Administrative Agent furnish such Lender, promptly after they become available, copies of all financial statements, Borrowing Base Certificates required to be delivered by the Lead Borrower hereunder and all commercial finance examinations and appraisals of the Collateral received by the Agents (collectively, the "Reports");

(c) expressly agrees and acknowledges that the Administrative Agent makes no representation or warranty as to the accuracy of the Reports, and shall not be liable for any information contained in any Report;

(d) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Agents or any other party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel;

(e) agrees to keep all Reports confidential in accordance with the provisions of Section 10.07 hereof; and

(f) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Agents and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender

may reach or draw from any Report in connection with any Credit Extensions that the indemnifying Lender has made or may make to the Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans; and (ii) to pay and protect, and indemnify, defend, and hold the Agents and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including attorney costs) incurred by the Agents and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

9.12 Agency for Perfection. Each Lender hereby appoints each other Lender as agent for the purpose of perfecting Liens for the benefit of the Agents and the Lenders, in assets which, in accordance with Article 9 of the UCC, the PPSA or any other applicable Law of the United States or Canada can be perfected only by possession. Should any Lender (other than the Agents) obtain possession of any such Collateral, such Lender shall notify the Agents thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

9.13 Indemnification of Agents. Without limiting the obligations of the Loan Parties hereunder, the Lenders hereby agree to indemnify the Agents, the L/C Issuer and any Related Party, as the case may be, ratably according to their Applicable Percentages, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against any Agent, the L/C Issuer and their Related Parties in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted to be taken by any Agent, the L/C Issuer and their Related Parties in connection therewith; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from any Agent's, the L/C Issuer's and their Related Parties' gross negligence or willful misconduct as determined by a final and nonappealable judgment of a court of competent jurisdiction.

9.14 Relation among Lenders. The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Agents) authorized to act for, any other Lender.

9.15 Defaulting Lenders.

(a) Notwithstanding the provisions of Section 2.14 hereof, the Administrative Agent shall not be obligated to transfer to a Defaulting Lender any payments made by the Borrowers to the Administrative Agent for the Defaulting Lender's benefit or any proceeds of Collateral that would otherwise be remitted hereunder to the Defaulting Lender, and, in the absence of such transfer to the Defaulting Lender, the Administrative Agent shall transfer any such payments (i) first, to the Swing Line Lender to the extent of any Swing Line Loans that were made by the Swing Line Lender and that were required to be, but were not, paid by the Defaulting Lender, (ii) second, to the L/C Issuer, to the extent of the portion of a Letter of Credit Disbursement that was required to be, but was not, paid by the Defaulting Lender, (iii) third, to each Non-Defaulting Lender ratably in accordance with its Commitments (but, in each case, only to the extent that such Defaulting Lender's portion of a Loan (or other funding obligation) was funded by such Non-Defaulting Lender), (iv) fourth, to the Cash Collateral Account, the proceeds of which shall be retained by the Administrative Agent and may be made available to be re-advanced to or for the benefit of the Borrowers (upon the request of the Lead Borrower and subject to the conditions set forth in Section 4.02) as if such Defaulting Lender had made its portion of the Loans (or other funding obligations) hereunder, and (v) fifth, from and after the date on which all other Obligations have been paid in

full, to such Defaulting Lender. Subject to the foregoing, the Administrative Agent may hold and, in its discretion, re-lend to the Borrowers for the account of such Defaulting Lender the amount of all such payments received and retained by the Administrative Agent for the account of such Defaulting Lender. Solely for the purposes of voting or consenting to matters with respect to the Loan Documents (including the calculation of Applicable Percentages in connection therewith) and for the purpose of calculating the fee payable under Section 2.09(a), such Defaulting Lender shall be deemed not to be a "Lender" and such Lender's Commitment shall be deemed to be zero; provided, that the foregoing shall not apply to any of the matters governed by Section 10.01(a) through (c). The provisions of this Section 9.15 shall remain effective with respect to such Defaulting Lender until the earlier of (y) the date on which all of the Non-Defaulting Lenders, the Administrative Agent, the L/C Issuer, and the Borrowers shall have waived, in writing, the application of this Section 9.15 to such Defaulting Lender, or (z) the date on which such Defaulting Lender pays to the Administrative Agent all amounts owing by such Defaulting Lender in respect of the amounts that it was obligated to fund hereunder, and, if requested by the Administrative Agent, provides adequate assurance of its ability to perform its future obligations hereunder (on which earlier date, so long as no Event of Default has occurred and is continuing, any remaining cash collateral held by the Administrative Agent pursuant to Section 9.15(a) shall be released to the Borrowers). The operation of this Section 9.15 shall not be construed to increase or otherwise affect the Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by any Borrower of its duties and obligations hereunder to the Administrative Agent, the L/C Issuer, the Swing Line Lender, or to the Lenders other than such Defaulting Lender. Any failure by a Defaulting Lender to fund amounts that it was obligated to fund hereunder shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle the Borrowers, at their option, upon written notice to the Administrative Agent, to arrange for a substitute Lender to assume the Commitment of such Defaulting Lender, such substitute Lender to be reasonably acceptable to the Administrative Agent. In connection with the arrangement of such a substitute Lender, the Defaulting Lender shall have no right to refuse to be replaced hereunder, and agrees to execute and deliver a completed form of Assignment and Assumption in favor of the substitute Lender (and agrees that it shall be deemed to have executed and delivered such document if it fails to do so) subject only to being paid its share of the outstanding Obligations (other than any Other Liabilities, but including (1) all interest, fees (except any Commitment Fees or Letter of Credit Fees not due to such Defaulting Lender in accordance with the terms of this Agreement), and other amounts that may be due and payable in respect thereof, and (2) an assumption of its Applicable Percentage of its participation in the Letters of Credit); provided, that any such assumption of the Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Credit Parties' or the Loan Parties' rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund. In the event of a direct conflict between the priority provisions of this Section 9.15 and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 9.15 shall control and govern.

(b) If any Swing Line Loan or Letter of Credit is outstanding at the time that a Lender becomes a Defaulting Lender then:

(i) such Defaulting Lender's participation interest in any Swing Line Loan or Letter of Credit shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent (x) the sum of all Non-Defaulting Lenders' Credit Extensions after giving effect to such reallocation does not

exceed the total of all Non-Defaulting Lenders' Commitments and (y) the conditions set forth in Section 4.02 are satisfied at such time;

(ii) if the reallocation described in clause (a)(i) above cannot, or can only partially, be effected, the Borrowers shall within one Business Day following notice by the Administrative Agent (x) first, prepay such Defaulting Lender's participation in any outstanding Swing Line Loans (after giving effect to any partial reallocation pursuant to clause (a)(i) above) and (y) second, cash collateralize such Defaulting Lender's participation in Letters of Credit (after giving effect to any partial reallocation pursuant to clause (a)(i) above), pursuant to a cash collateral agreement to be entered into in form and substance reasonably satisfactory to the Administrative Agent, for so long as such L/C Obligations are outstanding; provided, that the Borrowers shall not be obligated to cash collateralize any Defaulting Lender's participations in Letters of Credit if such Defaulting Lender is also the L/C Issuer;

(iii) if the Borrowers cash collateralize any portion of such Defaulting Lender's participation in Letters of Credit pursuant to this Section 9.15(a), the Borrowers shall not be required to pay any Letter of Credit Fees to the Administrative Agent for the account of such Defaulting Lender pursuant to Section 2.03 with respect to such cash collateralized portion of such Defaulting Lender's participation in Letters of Credit during the period such participation is cash collateralized;

(iv) to the extent the participation by any Non-Defaulting Lender in the Letters of Credit is reallocated pursuant to this Section 9.15(a), then the Letter of Credit Fees payable to the Non-Defaulting Lenders pursuant to Section 2.03 shall be adjusted in accordance with such reallocation;

(v) to the extent any Defaulting Lender's participation in Letters of Credit is neither cash collateralized nor reallocated pursuant to this Section 9.15(a), then, without prejudice to any rights or remedies of the L/C Issuer or any Lender hereunder, all Letter of Credit Fees that would have otherwise been payable to such Defaulting Lender under Section 2.03 with respect to such portion of such participation shall instead be payable to the L/C Issuer until such portion of such Defaulting Lender's participation is cash collateralized or reallocated;

(vi) so long as any Lender is a Defaulting Lender, the Swing Line Lender shall not be required to make any Swing Line Loan and the L/C Issuer shall not be required to issue, amend, or increase any Letter of Credit, in each case, to the extent (x) the Defaulting Lender's Applicable Percentage of such Swing Line Loans or Letter of Credit cannot be reallocated pursuant to this Section 9.15(a) or (y) the Swing Line Lender or the L/C Issuer, as applicable, has not otherwise entered into arrangements reasonably satisfactory to the Swing Line Lender or the L/C Issuer, as applicable, and the Borrowers to eliminate the Swing Line Lender's or L/C Issuer's risk with respect to the Defaulting Lender's participation in Swing Line Loans or Letters of Credit; and

(vii) The Administrative Agent may release any cash collateral provided by the Borrowers pursuant to this Section 9.15(a) to the L/C Issuer and the L/C Issuer may apply any such cash collateral (i) to the payment of such Defaulting Lender's Applicable Percentage of any Letter of Credit Disbursement that is not reimbursed by the Borrowers pursuant to Section 2.03 or (ii) to the funding of such Defaulting Lender's Applicable Percentage of any Committed Loan deemed made pursuant to Section 2.03(d), as

applicable. Subject to Section 10.24, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

9.16 Providers. Each provider of Bank Products or Cash Management Services (each, a "Provider") in its capacity as such shall be deemed a third party beneficiary hereof and of the provisions of the other Loan Documents for purposes of any reference in a Loan Document to the parties for whom the Agents are acting. Each Agent hereby agrees to act as agent for such Providers and, by virtue of entering into an agreement in respect of Bank Products or Cash Management Services (each, a "Specified Agreement"), the applicable Provider automatically shall be deemed to have appointed each Agent as its agent and to have accepted the benefits of the Loan Documents. It is understood and agreed that the rights and benefits of each Provider under the Loan Documents consist exclusively of such Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to the Collateral Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In addition, each Provider, by virtue of entering into a Specified Agreement, automatically shall be deemed to have agreed that the Administrative Agent shall have the right, but shall have no obligation, to establish, maintain, relax, or release Bank Products Reserves and reserves in respect of Cash Management Services and that if reserves are established there is no obligation on the part of any Agent to determine or insure whether the amount of any such reserve is appropriate or not. The Administrative Agent shall have no obligation to calculate the amount due and payable with respect to any Other Liabilities, but may rely upon a written notice from the applicable Provider provided pursuant to Section 9.11(a). In the absence of an updated written notice, the Administrative Agent shall be entitled to assume that the amount due and payable to the applicable Provider is the amount last certified to the Administrative Agent by such Provider as being due and payable (less any distributions made to such Provider on account thereof). The Borrowers may obtain Bank Products or Cash Management Services from any Provider, although Borrowers are not required to do so. Each Borrower acknowledges and agrees that no Provider has committed to provide any Bank Products or Cash Management Services and that any provision of any Bank Products or Cash Management Services by any Provider is in the sole and absolute discretion of such Provider.

9.17 Erroneous Payments.

(a) Each Lender, each L/C Issuer, each other Credit Party and any other party hereto hereby severally agrees that if (i) the Administrative Agent notifies (which such notice shall be conclusive absent manifest error) such Lender or L/C Issuer or any other Credit Party (or any Affiliate of a Credit Party) or any other Person that the Administrative Agent has determined in its sole discretion that any funds received by such Lender, L/C Issuer, other Credit Party or other Person (each such recipient, a "Payment Recipient") from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Payment Recipient) or (ii) any Payment Recipient receives any payment from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment or (z) that such Payment Recipient otherwise becomes aware was transmitted or received in error or by mistake (in whole or in part) then, in each case, an error in payment shall be presumed to have been made (any such amounts specified in clauses (i) or (ii) of this Section 9.17(a), whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an

"Erroneous Payment") then such Payment Recipient is deemed to have knowledge of such error at the time of its receipt of such Erroneous Payment; provided that nothing in this Section 9.17 shall require the Administrative Agent to provide any of the notices specified in clauses (i) or (ii) above. Each Payment Recipient shall not assert any right or claim to the Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payments, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(b) Without limiting the immediately preceding clause (a), each Payment Recipient agrees that, in the case of clause (a)(ii) above, it shall promptly (and, in all events, within one Business Day of its knowledge (or deemed knowledge) of such error) notify the Administrative Agent in writing of such occurrence.

(c) In the case of either clause (a)(i) or (a)(ii) above, such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and upon demand from the Administrative Agent such Payment Recipient shall (or, with respect to any Payment Recipient who received such funds on its behalf shall cause such Payment Recipient to), promptly, but in all events no later than one Business Day thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds and in the currency so received, together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (c), from any Lender or L/C Issuer that is a Payment Recipient (such unrecovered amount as to such Lender or L/C Issuer, an "Erroneous Payment Return Deficiency"), then at the sole discretion of the Administrative Agent and upon the Administrative Agent's written notice to such Payment Recipient (i) such Payment Recipient shall be deemed to have assigned its Loans (but not its Commitments) with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") to the Administrative Agent or, at the option of the Administrative Agent, the Administrative Agent's Affiliate, in a principal amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") at par plus any accrued and unpaid interest, without further consent or approval of any party hereto. Without any further payment by the Administrative Agent or its Affiliate as the assignee of such Erroneous Payment Deficiency Assignment, the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. As to any Erroneous Payment Deficiency Assignment, the provisions of this clause (d) shall govern in the event of any conflict with the terms and conditions of Section 10.06. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender or L/C Issuer and such Commitments shall remain available in accordance with the terms of this Agreement.

(e) Each party hereto hereby agrees that (x) in the event an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous

Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Payment Recipient with respect to such amount, (y) the receipt of an Erroneous Payment by a Payment Recipient shall not for the purpose of this Agreement be treated as a payment, prepayment, repayment, discharge or other satisfaction of any Obligations owed by any Loan Party, and (z) to the extent that an Erroneous Payment was in any way or at any time credited as payment or satisfaction of any of the Obligations, the Obligations or any part thereof that were so credited, and all rights of the Payment Recipient, as the case may be, shall be reinstated and continue in full force and effect as if such payment or satisfaction had never been received.

(f) Each Payment Recipient hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Payment Recipient under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Payment Recipient from any source, against any amount due to the Administrative Agent pursuant to this Section 9.17 or under the indemnification provisions of this Agreement.

(g) Each party's obligations under this Section 9.17 shall survive the resignation of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Aggregate Revolving Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

9.18 [Reserved].

9.19 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of any Lead Arranger, Bookrunner or Syndication Agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity as a Lender hereunder or, to the extent so appointed in accordance with the terms hereof, an Agent or an L/C Issuer hereunder.

ARTICLE X.
MISCELLANEOUS

10.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no Consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Administrative Agent, with the Consent of the Required Lenders, and the Lead Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or Consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written Consent of such Lender;

(b) as to any Lender, postpone any date fixed by this Agreement or any other Loan Document for (i) any scheduled payment (including the Maturity Date) or mandatory prepayment of principal, interest, fees or other amounts due hereunder or under any of the other Loan Documents without the written Consent of such Lender entitled to such payment, or (ii) any scheduled or mandatory reduction or termination of the Aggregate Revolving Commitments, U.S. Revolving Commitments or Canadian Revolving Commitments hereunder or under any other Loan Document without the written Consent of such Lender;

(c) as to any Lender, reduce the principal of, or the rate of interest specified herein on, any Loan held by such Lender, or (subject to clause (v) of the second proviso to this Section 10.01)

any fees or other amounts payable hereunder or under any other Loan Document to or for the account of such Lender, without the written Consent of each Lender entitled to such amount; provided, however, that only the Consent of the Required Lenders, in the case of amounts owing in respect of Revolving Credit Extensions, shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrowers to pay interest or Letter of Credit Fees at the Default Rate;

(d) as to any Lender, change Section 2.13 or Section 8.03 in a manner that would alter the pro rata sharing of payments required thereby without the written Consent of such Lender;

(e) change any provision of this Section or the definitions of "Required Lenders", "Required Supermajority Lenders", or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written Consent of each Lender;

(f) except as expressly permitted hereunder or under any other Loan Document, release, or limit the liability of, any Loan Party without the written Consent of each Lender;

(g) increase the Aggregate Revolving Commitments without the written Consent of each Lender;

(h) except for Permitted Dispositions, release all or substantially all of the Collateral from the Liens of the Security Documents without the written Consent of each Lender;

(i) change the definition of the terms "Aggregate Revolving Borrowing Base", "Borrowing Base", "Canadian Revolving Borrowing Base", "U.S. Revolving Borrowing Base", "Term Aggregate Borrowing Base" or "Term Borrowing Base", or any component definition of any of the foregoing if as a result thereof the amounts available to be borrowed by the Borrowers would be increased without the written Consent of the Required Supermajority Lenders, provided that the foregoing shall not (i) limit the discretion of the Administrative Agent to change, establish or eliminate any Reserves, or (ii) prevent the Administrative Agent from restoring any component of the Aggregate Revolving Borrowing Base, the Borrowing Base, the Canadian Revolving Borrowing Base, the U.S. Revolving Borrowing Base and/or the Term Borrowing Base which had been lowered by the Administrative Agent back to the value of such component as stated in this Agreement or to an intermediate value;

(j) modify the definition of Permitted Overadvance so as to increase the amount thereof or, except as provided in such definition, the time period which a Permitted Overadvance may remain outstanding without the written Consent of the Required Supermajority Lenders;

(k) except as expressly permitted herein or in any other Loan Document, subordinate the Obligations hereunder or the Liens granted hereunder or under the other Loan Documents, to any other Indebtedness or Lien, as the case may be without the written Consent of each Lender;

and, provided further, that notwithstanding anything to the contrary, (i) no amendment, waiver or Consent shall, unless in writing and signed by the L/C Issuer in addition to the Lenders required above, affect the rights or duties of the L/C Issuer under this Agreement or any Issuer Document relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or Consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; (iii) no amendment, waiver or Consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of

the Administrative Agent under this Agreement or any other Loan Document; (iv) no amendment, waiver or Consent shall, unless in writing and signed by the Collateral Agent in addition to the Lenders required above, affect the rights or duties of the Collateral Agent under this Agreement or any other Loan Document; (v) the Fee Letters and the L/C Fee Letter may be amended or rights or privileges thereunder waived, in a writing executed only by the parties thereto; (vi) no Consent is required to effect any amendment or supplement to the Intercreditor Agreement; and (vii) any amendment contemplated by Section 2.10(b) or Section 3.03 in connection with the use or administration of Term SOFR, Term CORRA or a Benchmark Transition Event shall be effective as contemplated by such Section 2.10(b) or Section 3.03. For the avoidance of doubt, the Administrative Agent shall be permitted to modify the amount of any of the Reserves based upon mathematical calculations without the consent of any Person.

Notwithstanding anything to the contrary herein, (i) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or Consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender, and (ii) no provider or holder of any Bank Products or Cash Management Services shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or any Loan Party.

If any Lender (other than Wells Fargo Bank) does not Consent (a "Non-Consenting Lender") to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the Consent of each Lender and that has been approved by the Required Lenders, the Lead Borrower may replace such Non-Consenting Lender in accordance with Section 10.13; provided that such amendment, waiver, consent or release can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Lead Borrower to be made pursuant to this paragraph).

10.02 Notices; Effectiveness; Electronic Communications.

(a) Notices Generally. Except as provided in subsection (b) below, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows:

(i) if to the Loan Parties, the Agents, the L/C Issuer or the Swing Line Lender, to the address, telecopier number or electronic mail address specified for such Person on Schedule 10.02; and

(ii) if to any other Lender, to the address, telecopier number or electronic mail address specified in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Loan Parties, the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic

communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article II if such Lender or the L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent or any of their respective Related Parties (collectively, the "Agent Parties") have any liability to any Loan Party, any Lender, the L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Loan Parties' or any Agent's transmission of Borrower Materials or any other communications through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to any Loan Party, any Lender, the L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Loan Parties, the Agents, the L/C Issuer and the Swing Line Lender may change its address or telecopier for notices and other communications hereunder, or, solely with respect to communications, may change its telephone number, by notice to the other parties hereto. Each other Lender may change its address or telecopier number for notices and other communications hereunder by notice to the Lead Borrower, the Agents, the L/C Issuer and the Swing Line Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Reliance by Agents, L/C Issuer and Lenders. The Agents, the L/C Issuer and the Lenders shall be entitled to rely and act upon any notices (including, without limitation, all Requests for Credit Extensions) purportedly given by or on behalf of the Loan Parties even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Loan Parties shall indemnify the Agents, the L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Loan Parties (including, without limitation, pursuant to any Requests for Credit Extensions). All telephonic notices to and other telephonic communications with the Agents may be recorded by the Agents and each of the parties hereto hereby consents to such recording.

10.03 No Waiver; Cumulative Remedies. No failure by any Credit Party to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under any other Loan Document preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided herein and in the other Loan Documents are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether any Credit Party may have had notice or knowledge of such Default at the time.

10.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrowers shall pay all Credit Party Expenses.

(b) Indemnification by the Loan Parties. The Loan Parties shall indemnify the Agents (and any sub-agent thereof), each other Credit Party, each Lender Group Consultant and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless (on an after tax basis) from, any and all losses, claims, causes of action, damages, liabilities, settlement payments, costs, and related expenses (including the reasonable fees, charges and disbursements of any counsel for any Indemnitee), incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrowers or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, or, in the case of the Agents (and any of their respective sub-agents) and their Related Parties only, the administration of this Agreement and the other Loan Documents, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), any bank advising or confirming a Letter of Credit or any other nominated person with respect to a Letter of Credit seeking to be reimbursed or indemnified or compensated, and any third party seeking to enforce the rights of a Borrower, beneficiary, nominated person, transferee, assignee of Letter of Credit proceeds, or holder of an instrument or document related to any Letter of Credit, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Loan Party or any of its Subsidiaries, or any Environmental Liability related in any way to any Loan Party or any of its Subsidiaries, (iv) any claims of, or amounts paid by any Credit Party to, a Blocked Account Bank or other Person which has entered into a control agreement with any Credit Party hereunder, or (v) any actual or prospective claim, litigation, investigation or proceeding

relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Borrower or any other Loan Party or any of the Loan Parties' directors, shareholders or creditors, and regardless of whether any Indemnitee is a party thereto, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnitee; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties or (y) result from a claim brought by a Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrowers or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(c) Reimbursement by Lenders. Without limiting their obligations under Section 9.13 hereof, to the extent that the Loan Parties for any reason fail to indefeasibly pay any amount required under subsection (a) or (b) of this Section to be paid by it, each Lender severally agrees to pay to the Agents (and any sub-agents thereof), the L/C Issuer or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agents (or any such sub-agents thereof) or the L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Agents (or any such sub-agents thereof) or L/C Issuer in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Law, the Loan Parties shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(e) Payments. All amounts due under this Section shall be payable not later than ten Business Days after demand therefor.

(f) Survival. The agreements in this Section shall survive the resignation of any Agent and the L/C Issuer, the assignment of any Commitment or Loan by any Lender, the replacement of any Lender, the termination of the Aggregate Revolving Commitments and the repayment, satisfaction or discharge of all the other Obligations.

10.05 Payments Set Aside. To the extent that any payment by or on behalf of the Loan Parties is made to any Credit Party, or any Credit Party exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set

aside or required (including pursuant to any settlement entered into by such Credit Party in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the L/C Issuer severally agrees to pay to the Agents upon demand its Applicable Percentage (without duplication) of any amount so recovered from or repaid by the Agents, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

10.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder or under any other Loan Document without the prior written Consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 10.06(b), (ii) by way of participation in accordance with the provisions of Section 10.06(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.06(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Credit Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans (including for purposes of this Section 10.06(b), participations in L/C Obligations and Swing Line Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate or branch of a Lender or an Approved Fund with respect to a Lender, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than $2,000,000 unless the Administrative Agent consents (such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee

(or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitments assigned, except that this clause (ii) shall not apply to the Swing Line Lender's rights and obligations in respect of Swing Line Loans;

(iii) Required Consents. The following consents shall be required for the assignments described below in this Section 10.06(b)(iii):

(A) the consent of the Lead Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment, (2) such assignment is in connection with any merger, amalgamation, consolidation, sale, transfer or other disposition of all or any substantial portion of the business or loan portfolio of the assigning Lender, or (3) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required unless (1) such assignment is in connection with any merger, amalgamation, consolidation, sale, transfer or other disposition of all or any substantial portion of the business or loan portfolio of the assigning Lender, or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund;

(C) the consent of the L/C Issuer (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Letters of Credit (whether or not then outstanding); and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the assignment of any Commitment;

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $5,000; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(v) Proportional Assignments. In the case of an assignment or transfer by a U.S. Revolving Lender of its U.S. Revolving Commitment (or portion thereof) there is a corresponding assignment or transfer by the related Canadian Revolving Lender (which may, in certain circumstances, be the same institution) to the relevant assignee (or Affiliate or branch thereof, or which may, in certain circumstances, be the same institution) of an amount which bears the same proportion to the related Canadian Revolving Commitment as the amount assigned or transferred by the U.S. Revolving Lender bears to the U.S.

Revolving Lender's U.S. Revolving Commitment, and vice versa in the case of an assignment or transfer by a Canadian Revolving Lender.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, and 10.04 with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, the Borrowers (at their expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.06(d).

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Loan Parties, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Lead Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, with the written consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) and, unless an Event of Default has occurred and is continuing, the Lead Borrower (such consent not to be unreasonably withheld or delayed), sell participations to any Person (other than a natural person or the Loan Parties or any of the Loan Parties' Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Loan Parties, the Agents, the Lenders and the L/C Issuer shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any Participant shall agree in writing to comply with all confidentiality obligations set forth in Section 10.07 as if such Participant was a Lender hereunder.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that affects such Participant. Subject to subsection (e) of this Section, the Loan Parties agree that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest

by assignment pursuant to Section 10.06(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender, provided that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Commitments and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or Loans) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Lead Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 3.01 unless the Lead Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Loan Parties, to comply with Section 3.01(e) as though it were a Lender.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Resignation as L/C Issuer or Swing Line Lender after Assignment. Notwithstanding anything to the contrary contained herein, if at any time any Revolving Lender acting as L/C Issuer and/or Swing Line Lender assigns all of its Revolving Commitment and Committed Loans pursuant to subsection (b) above, (i) such Revolving Lender shall, upon 30 days' notice to the Lead Borrower and the Revolving Lenders, resign as L/C Issuer, if applicable, and/or (ii) such Revolving Lender shall, upon 30 days' notice to the Lead Borrower, resign as Swing Line Lender, if applicable. In the event of any such resignation as L/C Issuer or Swing Line Lender, the Lead Borrower shall be entitled to appoint from among the Revolving Lenders a successor L/C Issuer or Swing Line Lender hereunder; provided, however, that no failure by the Lead Borrower

to appoint any such successor shall affect the resignation of such Revolving Lender as L/C Issuer and/or Swing Line Lender, as the case may be. If any Revolving Lender resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Revolving Lenders to make Base Rate Loans pursuant to Section 2.03(e)). If any Revolving Lender resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Revolving Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the case may be, and (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the resigning L/C Issuer to effectively assume the obligations of the resigning L/C Issuer with respect to such Letters of Credit.

10.07 Treatment of Certain Information; Confidentiality. Each of the Credit Parties agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors, funding sources, attorneys and representatives (including, without limitation, any Lender Group Consultant) in connection with, or as a result of, the performance by such Credit Party or its Affiliates of their respective obligations under this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby or the consummation of the transactions contemplated hereby or thereby, or, in the case of the Agents (and any sub-agents thereof) and their Related Parties only, the administration of this Agreement and the other Loan Documents (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process (including disclosure to the Bankruptcy Court or the Canadian Court in connection with the approval of the transactions contemplated hereby or otherwise in connection with the Cases), (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Loan Party and its obligations, (g) with the consent of the Lead Borrower or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to any Credit Party or any of their respective Affiliates on a non-confidential basis from a source other than the Loan Parties.

For purposes of this Section, "Information" means all information received from the Loan Parties or any Subsidiary thereof relating to the Loan Parties or any Subsidiary thereof or their respective businesses, other than any such information that is available to any Credit Party on a non-confidential basis prior to disclosure by the Loan Parties or any Subsidiary thereof. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Credit Parties acknowledges that (a) the Information may include material non-public information concerning the Loan Parties or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including Federal and state securities Laws.

10.08 Right of Setoff. Subject to the Orders (including the Remedies Notice Period) and the provisions thereof and, in the case of any Canadian Loan Party, the Canadian Recognition Orders, if an Event of Default shall have occurred and be continuing or if any Lender shall have been served with a trustee process or similar attachment relating to property of a Loan Party, each Lender, the L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent or the Required Lenders, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, the L/C Issuer or any such Affiliate to or for the credit or the account of the Borrowers or any other Loan Party against any and all of the Obligations now or hereafter existing under this Agreement or any other Loan Document to such Lender or the L/C Issuer, regardless of the adequacy of the Collateral, and irrespective of whether or not such Lender or the L/C Issuer shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrowers or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender or the L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender, the L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the L/C Issuer or their respective Affiliates may have. Each Lender and the L/C Issuer (through the Administrative Agent) agrees to notify the Lead Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.09 Interest Rate Limitation.

(a) Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrowers. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

(b) In no event shall the aggregate "interest" (as defined in Section 347 of the Criminal Code (Canada), as the same shall be amended, replaced or re-enacted from time to time (the "Criminal Code Section")) payable (whether by way of payment, collection or demand) by any Loan Party to the Administrative Agent or the Lenders under this Agreement or any other Loan Document exceed the effective annual rate of interest on the "credit advanced" (as defined in that section) under this Agreement or such other Loan Document lawfully permitted under that section and, if any payment, collection or demand pursuant to this Agreement or any other Loan Document in respect of "interest" (as defined in that section) is determined to be contrary to the provisions of that section, such payment, collection or demand shall be deemed to have been made by the mutual mistake of the Administrative Agent, the Lenders and such Loan Party, with such "interest" deemed

to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by the Criminal Code Section, to result in a receipt by the Administrative Agent and the Lenders of interest at a rate not in contravention of the Criminal Code Section, such adjustment to be effected, to the extent necessary, as follows: firstly, by reducing the amounts or rates of interest required to be paid to the Administrative Agent and the Lenders; and then, by reducing any fees, charges, commissions, premiums, expenses and other amounts required to be paid to the Administrative Agent or the Lenders which would constitute "interest" under the Criminal Code Section. Notwithstanding the foregoing, and after giving effect to all such adjustments, if the Administrative Agent or the Lenders shall have received an amount in excess of the maximum permitted by the Criminal Code Section, then the applicable Canadian Loan Party shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from the Administrative Agent and the Lenders in an amount equal to such excess.

(c) Any provision of this Agreement or any other Loan Document that would oblige any Loan Party to pay any fine, penalty or rate of interest on any arrears of principal or interest secured by a mortgage on real property, in each case, in Canada, that has the effect of increasing the charge on arrears beyond the rate of interest payable on principal money not in arrears shall not apply to such Loan Party, who shall be required to pay interest on money in arrears at the same rate of interest payable on principal money not in arrears.

10.10 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Execution of any such counterpart may be executed by means of (a) an electronic signature that complies with the federal Electronic Signatures in Global and National Commerce Act, as in effect from time to time, state enactments of the Uniform Electronic Transactions Act, as in effect from time to time, or any other relevant and applicable electronic signatures law; (b) an original manual signature; or (c) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. The Administrative Agent reserves the right, in its sole discretion, to accept, deny, or condition acceptance of any electronic signature on this Agreement or on any notice delivered to the Administrative Agent under this Agreement. Any party delivering an executed counterpart of this Agreement by faxed, scanned or photocopied manual signature shall also deliver an original manually executed counterpart, but the failure to deliver an original manually executed counterpart shall not affect the validity, enforceability and binding effect of this Agreement. The foregoing shall apply to each other Loan Document, and any notice delivered hereunder or thereunder, *mutatis mutandis.*

10.11 Survival. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Credit Parties, regardless of any investigation made by any Credit Party or on their behalf and notwithstanding that any Credit Party may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding. Further, the provisions of Sections 3.01, 3.04, 3.05 and 10.05 and Article IX shall survive and remain in full force and effect regardless of the repayment of the Obligations, the expiration or termination of the

Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. In connection with the termination of this Agreement and the release and termination of the security interests in the Collateral, the Agents may require such indemnities and collateral security as they shall reasonably deem necessary or appropriate to protect the Credit Parties against (x) loss on account of credits previously applied to the Obligations that may subsequently be reversed or revoked, (y) any obligations that may thereafter arise with respect to the Other Liabilities, and (z) any Obligations that may thereafter arise under Section 10.04.

10.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.13 Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender is a Defaulting Lender or a Non-Consenting Lender (other than Wells Fargo Bank), then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.06), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrowers shall have paid to the Administrative Agent the assignment fee specified in Section 10.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) such assignment does not conflict with applicable Laws.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

10.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE. NOTWITHSTANDING THE FOREGOING, SOLELY FOR PURPOSES OF SECTION 6.07(j) AND ANY RELATED STATE

NOTICE REQUIREMENTS, THE PARTIES HERETO AGREE: (I) FOR REAL PROPERTY COLLATERAL (INCLUSIVE OF ANY FIXTURES), THE LAWS OF THE STATE WHERE THE REAL PROPERTY COLLATERAL IS LOCATED SHALL APPLY; AND (II) FOR ALL COLLATERAL OTHER THAN REAL PROPERTY COLLATERAL, THE LAWS OF THE STATE OF ORGANIZATION OF THE LEAD BORROWER SHALL APPLY.

(b) SUBMISSION TO JURISDICTION. EACH LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT AND, IF THE BANKRUPTCY COURT DOES NOT HAVE, OR ABSTAINS FROM, JURISDICTION, THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN THE BANKRUPTCY COURT OR, TO THE EXTENT PROVIDED ABOVE, IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY CREDIT PARTY HERETO MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION; PROVIDED THAT, NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN, THE RECOGNITION PROCEEDINGS AND THE ORDERS OF THE CANADIAN COURT GRANTED THEREIN SHALL BE SUBJECT TO THE EXCLUSIVE JURISDICTION OF THE CANADIAN COURT.

(c) WAIVER OF VENUE. EACH LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE LOAN PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) ACTIONS COMMENCED BY LOAN PARTIES. EACH LOAN PARTY AGREES THAT ANY ACTION COMMENCED BY ANY LOAN PARTY ASSERTING ANY CLAIM OR COUNTERCLAIM ARISING UNDER OR IN CONNECTION WITH THIS

AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL BE BROUGHT SOLELY IN THE BANKRUPTCY COURT OR, IF THE BANKRUPTCY COURT DOES NOT HAVE, OR ABSTAINS FROM, JURISDICTION, IN A COURT OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY OR ANY FEDERAL COURT SITTING THEREIN OR, SOLELY WITH RESPECT TO THE RECOGNITION PROCEEDINGS AND THE ORDERS OF THE CANADIAN COURT GRANTED THEREIN, THE CANADIAN COURT, AS THE ADMINISTRATIVE AGENT MAY ELECT IN ITS SOLE DISCRETION AND CONSENTS TO THE EXCLUSIVE JURISDICTION OF SUCH COURTS WITH RESPECT TO ANY SUCH ACTION.

10.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby, the Loan Parties each acknowledge and agree that: (i) the credit facility provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Loan Parties, on the one hand, and the Credit Parties, on the other hand, and each of the Loan Parties is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each Credit Party is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Loan Parties or any of their respective Affiliates, stockholders, creditors or employees or any other Person; (iii) none of the Credit Parties has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Loan Parties with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any of the Credit Parties has advised or is currently advising any Loan Party or any of its Affiliates on other matters) and none of the Credit Parties has any obligation to any Loan Party or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Credit Parties and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and none of the Credit Parties has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Credit Parties have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. Each of the Loan Parties hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against each of the Credit Parties with respect to any breach or alleged breach of agency or fiduciary duty.

10.17 Patriot Act and Canadian AML Legislation Notice. Each Lender that is subject to the requirements of the Patriot Act and/or the Canadian AML Legislation hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act and/or the Canadian AML Legislation, as applicable, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender to identify each Loan Party in accordance with the Patriot Act and/or the Canadian AML Legislation, as applicable. In addition, each Agent and each Lender shall have the right to periodically conduct due diligence (including, without limitation, in respect of information and documentation as may reasonably be requested by such Agent or such Lender from time to time for purposes of compliance by such Agent or such Lender with applicable Laws (including, without limitation, the Patriot Act, the Canadian AML Legislation and other "know your customer" and Anti-Money Laundering Laws), and any policy or procedure implemented by such Agent or such Lender to comply therewith) on all Loan Parties, their senior management and key principals and legal and beneficial owners. Each Loan Party agrees to cooperate in respect of the conduct of such due diligence and further agrees that the reasonable costs and charges for any such due diligence by the Agents shall constitute Credit Party Expenses hereunder and be for the account of the Borrowers. If the Administrative Agent has ascertained the identity of any Canadian Loan Party or any authorized signatories of any Canadian Loan Party for the purposes of the Canadian AML Legislation, then the Administrative Agent:

(a) shall be deemed to have done so as an agent for each Lender and this Agreement shall constitute a "written agreement" in such regard between each Lender and the Administrative Agent within the meaning of the applicable Canadian AML Legislation; and

(b) shall provide to each Lender, copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each Lender agrees that the Administrative Agent has no obligation to ascertain the identity of any Canadian Loan Party or any authorized signatories of a Canadian Loan Party on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any Canadian Loan Party or any such authorized signatory in doing so.

10.18 Time of the Essence. Time is of the essence of the Loan Documents.

10.19 Press Releases. Each Credit Party executing this Agreement agrees that neither it nor its Affiliates will in the future issue any press releases or other public disclosure using the name of the Administrative Agent or its respective Affiliates or referring to this Agreement or the other Loan Documents without at least two (2) Business Days' prior notice to the Administrative Agent and without the prior written consent of the Administrative Agent unless (and only to the extent that) such Credit Party or Affiliate is required to do so under applicable Law and then, in any event, such Credit Party or Affiliate will consult with the Administrative Agent before issuing such press release or other public disclosure. Each Loan Party consents to the publication by the Administrative Agent, any Lender or their respective representatives of advertising material, including any "tombstone," press release or comparable advertising, on its website or in other marketing materials of the Administrative Agent, relating to the financing transactions contemplated by this Agreement using any Loan Party's name, product photographs, logo, trademark or other insignia. The Administrative Agent or such Lender shall provide a draft reasonably in advance of any advertising material, "tomb stone" or press release to the Lead Borrower for review and comment prior to the publication thereof. The Administrative Agent reserves the right to provide to industry trade organizations and loan syndication and pricing reporting services information necessary and customary for inclusion in league table measurements.

10.20 Additional Waivers.

(a) The Obligations are the joint and several obligation of each Loan Party. To the fullest extent permitted by applicable Law, the obligations of each Loan Party shall not be affected by (i) the failure of any Credit Party to assert any claim or demand or to enforce or exercise any right or remedy against any other Loan Party under the provisions of this Agreement, any other Loan Document or otherwise, (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, this Agreement or any other Loan Document, or (iii) the failure to perfect any security interest in, or the release of, any of the Collateral or other security held by or on behalf of the Collateral Agent or any other Credit Party.

(b) The obligations of each Loan Party shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full of the Obligations in accordance with Section 1.02(d)), including any claim of waiver, release, surrender, alteration or compromise of any of the Obligations, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Loan Party hereunder shall not be discharged or impaired or otherwise affected by the failure of any Agent or any other Credit Party to assert any claim or demand or to enforce any remedy under this Agreement, any other Loan Document or any other agreement, by any waiver or modification of any provision of any thereof, any default, failure or delay, willful or otherwise, in the performance of any of the Obligations, or by any other act or omission that may or might in any manner or to any extent vary the risk of any Loan Party or that would otherwise operate as a discharge of any Loan Party as a matter of law or equity (other than the payment in full of the Obligations in accordance with Section 1.02(d)).

(c) To the fullest extent permitted by applicable Law, each Loan Party waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full of the Obligations in accordance with Section 1.02(d). After the occurrence and during the continuance of an Event of Default, the Collateral Agent and the other Credit Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party, or exercise any other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of any Loan Party hereunder except to the extent that all the Obligations have been paid in full in accordance with Section 1.02(d). Each Loan Party waives any defense arising out of any such election even though such election operates, pursuant to applicable Law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Loan Party against any other Loan Party, as the case may be, or any security.

(d) Each Borrower is obligated to repay the Obligations as joint and several obligors under this Agreement. Upon payment by any Loan Party of any Obligations, all rights of such Loan Party against any other Loan Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior payment in full of the Obligations in accordance with Section 1.02(d). In addition, any indebtedness of any Loan Party now or hereafter held by any other Loan Party is hereby subordinated in right of payment to the prior indefeasible payment in full of the Obligations and no Loan Party will demand, sue for or otherwise attempt to collect any such indebtedness. If any amount shall erroneously be paid to any Loan Party on account of (i) such

subrogation, contribution, reimbursement, indemnity or similar right or (ii) any such indebtedness of any Loan Party, such amount shall be held in trust for the benefit of the Credit Parties and shall forthwith be paid to the Administrative Agent to be credited against the payment of the Obligations, whether matured or unmatured, in accordance with the terms of this Agreement and the other Loan Documents. Subject to the foregoing, to the extent that any Borrower shall, under this Agreement as a joint and several obligor, repay any of the Obligations constituting Loans made to another Borrower hereunder or other Obligations incurred directly and primarily by any other Borrower (an "Accommodation Payment"), then the Borrower making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Borrowers in an amount, for each of such other Borrowers, equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Borrower's Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Borrowers. As of any date of determination, the "Allocable Amount" of each Borrower shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Borrower hereunder without (a) rendering such Borrower "insolvent" within the meaning of Section 101(32) of the Bankruptcy Code, Section 2 of the Uniform Fraudulent Transfer Act ("UFTA") or Section 2 of the Uniform Fraudulent Conveyance Act ("UFCA"), (b) leaving such Borrower with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA, or (c) leaving such Borrower unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code or Section 4 of the UFTA, or Section 5 of the UFCA.

10.21 No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

10.22 Foreign Assets Control Regulations. Neither the advance of the Loans or issuance of Letters of Credit nor the use of the proceeds of any thereof will violate the Trading With the Enemy Act (50 U.S.C. § 1 et seq., as amended) (the "Trading With the Enemy Act") or any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) (the "Foreign Assets Control Regulations") or any enabling legislation or executive order relating thereto (which for the avoidance of doubt shall include, but shall not be limited to (a) Executive Order 13224 of September 21, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)) (the "Executive Order"), (b) the Patriot Act, and (c) the Canadian AML Legislation). Furthermore, none of the Borrowers or their Affiliates (a) is or will become a "blocked person" as described in the Executive Order, the Trading With the Enemy Act or the Foreign Assets Control Regulations or (b) engages or will engage in any dealings or transactions, or be otherwise associated, with any such "blocked person" or in any manner violative of any such order.

10.23 Attachments. The exhibits, schedules and annexes attached to this Agreement are incorporated herein and shall be considered a part of this Agreement for the purposes stated herein, except that in the event of any conflict between any of the provisions of such exhibits and the provisions of this Agreement, the provisions of this Agreement shall prevail.

10.24 Acknowledgment and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be

subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

10.25 Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under the Facility Guaranty in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 10.25 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 10.25, or otherwise under the Facility Guaranty, voidable under applicable Law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until payment in full of the Obligations. Each Qualified ECP Guarantor intends that this Section 10.25 constitute, and this Section 10.25 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

10.26 [Reserved].

10.27 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of each Loan Party in respect of any such sum due from it to any Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by such Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, such Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to any Agent or any Lender from any Loan Party in the Agreement Currency, such Loan Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to any Agent or any Lender in such currency, such Agent or such

Lender, as the case may be, agrees to return the amount of any excess to such Loan Party (or to any other Person who may be entitled thereto under applicable Law).

10.28 Acknowledgment Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

10.29 Intercreditor Agreement.

(a) EACH LENDER UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT LIENS SHALL BE CREATED ON THE COLLATERAL PURSUANT TO THE LOAN DOCUMENTS, WHICH LIENS SHALL BE SUBJECT TO TERMS AND CONDITIONS OF THE INTERCREDITOR AGREEMENT. PURSUANT TO THE EXPRESS TERMS OF THE INTERCREDITOR AGREEMENT, IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF THE INTERCREDITOR AGREEMENT AND ANY OF THE LOAN DOCUMENTS, THE PROVISIONS OF THE INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

(b) EACH LENDER AUTHORIZES AND INSTRUCTS THE AGENTS TO ENTER INTO THE INTERCREDITOR AGREEMENT (AND ANY OTHER DOCUMENT EVIDENCING AN INTERCREDITOR ARRANGEMENT TO THE EXTENT CONTEMPLATED BY THE TERMS HEREOF, WHICH OTHER DOCUMENT IS IN FORM AND SUBSTANCE REASONABLY SATISFACTORY TO THE AGENTS AND THE REQUIRED LENDERS) ON BEHALF OF THE LENDERS, AND TO TAKE ALL ACTIONS (AND EXECUTE ALL DOCUMENTS) REQUIRED (OR DEEMED ADVISABLE) BY THE AGENTS IN ACCORDANCE WITH THE TERMS OF THE INTERCREDITOR AGREEMENT (OR SUCH OTHER DOCUMENT EVIDENCING AN INTERCREDITOR ARRANGEMENT). THE PARTIES HERETO ACKNOWLEDGE THAT THE INTERCREDITOR AGREEMENT OR SUCH OTHER DOCUMENT EVIDENCING AN INTERCREDITOR ARRANGEMENT IS

BINDING UPON THEM. EACH LENDER HEREBY AGREES THAT IT WILL BE BOUND BY AND WILL TAKE NO ACTIONS CONTRARY TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT OR ANY OTHER DOCUMENT EVIDENCING AN INTERCREDITOR ARRANGEMENT ENTERED INTO PURSUANT TO THE IMMEDIATELY PRECEDING SENTENCE.

(c) THE PROVISIONS OF THIS SECTION 10.29 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER ANY AGENT NOR ANY OF ANY AGENT'S AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE INTERCREDITOR AGREEMENT.

1.03 Accounting Terms.

(a) Generally. All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP applied on a consistent basis, as in effect from time to time, applied in a manner consistent with that used in preparing the Audited Financial Statements, except as otherwise specifically prescribed herein.

(b) Changes in GAAP. If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth in any Loan Document, and either the Lead Borrower or the Required Lenders shall so request, the Administrative Agent and the Borrowers shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Lenders); provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (ii) the Borrowers shall provide to the Administrative Agent and the Lenders financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP.

(c) Tariff Refunds. For purposes of calculating Excess Availability, any Borrowing Base, the Aggregate Borrowing Base, any basket or any financial covenant (including the covenant set forth in Section 7.19), Tariff Refund Proceeds shall be included only to the extent actually received in cash by a Loan Party and economically retained after satisfaction of all repayment, remittance, reimbursement, setoff, reserve, sale, factoring, financing and mandatory prepayment obligations, and any non-cash recognition, accrual, receivable, gain, income, expense reduction, cost of goods sold reduction, depreciation reduction, asset carrying-value reduction or other accounting benefit relating to any Tariff Refund Asset shall be excluded from each such computation.

1.04 Rounding. Any financial ratios required to be maintained by the Borrowers pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the

result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

1.05 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

1.06 [Reserved].

1.07 Currency Equivalents Generally. Any amount specified in this Agreement (other than in Article II or as otherwise expressly provided herein or in any of the other Loan Documents) to be in Dollars shall also include the equivalent of such amount in any currency other than Dollars, such equivalent amount thereof in the applicable currency to be determined by the Administrative Agent at such time on the basis of the Spot Rate (as defined below) for the purchase of such currency with Dollars. For purposes of this Section 1.07, the "Spot Rate" for a currency means the rate determined by the Administrative Agent to be the rate quoted by the Person acting in such capacity as the spot rate for the purchase by such Person of such currency with another currency through its principal foreign exchange trading office at approximately 11:00 a.m. on the date two Business Days prior to the date of such determination; provided that the Administrative Agent may obtain such spot rate from another financial institution designated by the Administrative Agent if the Person acting in such capacity does not have as of the date of determination a spot buying rate for any such currency. For purposes of this Agreement and the other Loan Documents, where the permissibility of a transaction or determinations of required actions or circumstances depend upon compliance with, or are determined by reference to, amounts stated in Dollars, unless the context of this Agreement or any other Loan Document clearly requires otherwise, such amounts shall be deemed to refer to Dollars and any requisite currency translation shall be based on the Spot Rate and the permissibility of actions already taken shall not be affected by subsequent fluctuations in the Spot Rate. All certificates, reports and notices delivered under this Agreement shall express any amounts, calculations or determinations in Dollars. Wherever in this Agreement and the other Loan Documents in connection with a borrowing, conversion, continuation or prepayment of the DIP Term Loan, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but the DIP Term Loan is to be denominated in Canadian Dollars, such amount shall be the same dollar figure but denominated in Canadian Dollars. Principal, interest, reimbursement obligations, cash collateral for reimbursement obligations, fees, and all other amounts payable to the Agents, Lenders or other Credit Parties under this Agreement and the other Loan Documents shall be payable (except as otherwise specifically provided herein) in the currency in which such Obligations are denominated.

1.08 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's Laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

1.09 Rates. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, (a) the continuation of, administration of, submission of, calculation of or any other matter related to the Term SOFR Reference Rate, Term SOFR, or any other Benchmark, any component definition thereof or rates referred to in the definition thereof, or with respect to any alternative, successor or replacement rate thereto (including any then-current Benchmark or any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement), as it may or may not be adjusted pursuant to Section 3.03(b), will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Term SOFR Reference Rate, Term SOFR, or any other

Benchmark, prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of the Term SOFR Reference Rate, Term SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto and such transactions may be adverse to a Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain the Term SOFR Reference Rate, Term SOFR or any other Benchmark, any component definition thereof or rates referred to in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to any Borrower, any Lender or any other Person for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

ARTICLE II.
DIP TERM LOAN

2.01 Initial DIP Term Loan; Reserves.

(a) Subject to the terms and conditions set forth herein, on the Closing Date, each Lender shall make to the Borrowers the Initial DIP Term Loan in the principal amount equal to its pro rata share of the Initial DIP Term Loan. On the Closing Date, $16,000,000 of the Prepetition Term Loan shall be rolled over on a cashless basis and converted into an equivalent amount of DIP Term Loans hereunder. On the Final Order Entry Date, the aggregate remaining principal amount of the Prepetition Term Loan shall be rolled over on a cashless basis and converted into DIP Term Loans and the aggregate outstanding amount of the Prepetition Term Loan shall be "Paid in Full" as such term is defined in the Orders. The Term Loan is not a revolving credit facility and if repaid, may not be redrawn, and any repayments or prepayments of principal on the Term Loan shall permanently reduce the Term Loan.

(b) The Availability Reserves as of the Closing Date are set forth in the Borrowing Base Certificate delivered pursuant to Section 4.01(d) hereof.

(c) The Administrative Agent shall have the right, at any time and from time to time on or after the Closing Date in its reasonable discretion to establish, modify or eliminate Reserves (other than the Carve Out Reserve, which shall be determined solely in accordance with the definition of such term, the Orders, and the Canadian Charge Reserve, which shall be determined in accordance with the Canadian Recognition Orders).

2.02 Borrowings of the DIP Term Loan.

(a) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, the DIP Term Loan shall be only a SOFR Loan.

(b) To the extent not paid by the Borrowers when due (after taking into consideration any grace period), the Administrative Agent, without the request of the Lead Borrower, may advance any interest, fee, service charge (including direct wire fees), Credit Party Expenses, or other payment to which any Credit Party is entitled from the Loan Parties pursuant hereto or any other Loan Document, as and when due and payable, and may charge the same to the Loan Account. The Administrative Agent shall advise the Lead Borrower of any such advance or charge promptly after the making thereof. Such action on the part of the Administrative Agent shall not constitute a waiver of the Administrative Agent's rights and the Borrowers' obligations under Section 2.06.

Any amount which is added to the principal balance of the Loan Account as provided in this Section 2.02(b) shall constitute the DIP Term Loan and shall bear interest at the interest rate then and thereafter applicable to the DIP Term Loan.

2.03 [Reserved.]

2.04 [Reserved.]

2.05 Voluntary Prepayments. Following (and subject to) the repayment in full of the Prepetition Obligations subject to the terms of the Orders and the Canadian Recognition Orders, the Borrowers may, upon irrevocable notice from the Lead Borrower to the Administrative Agent, at any time or from time to time voluntarily prepay the DIP Term Loan in whole or in part without premium or penalty; provided that (i) such notice must be received by the Administrative Agent not later than 1:00 p.m. three Business Days prior to any date of prepayment of the DIP Term Loan; (ii) any prepayment of the DIP Term Loan shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Lead Borrower, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of the DIP Term Loan shall be accompanied by all accrued interest on the amount prepaid.

2.06 Mandatory Prepayments. Unless any amount described in clauses (a) or (b) below, solely with respect to ABL Priority Collateral, or any amount described in clauses (d) or (e) below, is required to reduce the ABL Obligations in accordance with the terms of the DIP ABL Credit Agreement prior to the Discharge of ABL Obligations, and is actually applied to reduce the ABL Obligations in accordance with the terms of the DIP ABL Credit Agreement (and otherwise subject to the terms of the Intercreditor Agreement):

(a) If any Loan Party receives Net Proceeds as a result of a Disposition of any property of any Loan Party or Subsidiary thereof as set forth in clause (a) of the definition of Prepayment Event, then within three (3) Business Days after the receipt by any Loan Party of such Net Proceeds, the Borrowers shall make a prepayment of the DIP Term Loan in an amount equal to 100% of such Net Proceeds.

(b) If any Loan Party receives Net Proceeds as a result one or more recovery events in respect of property as set forth in clause (b) of the definition of Prepayment Event, then within three (3) Business Days following the date of receipt of any Net Proceeds, the Borrowers shall make a prepayment of the DIP Term Loan in an amount equal to 100% of the Net Proceeds then received from such Prepayment Event.

(c) Upon the occurrence of an event set forth in clause (c) of Prepayment Event, then within three (3) Business Days following the date of receipt of any Net Proceeds, the Borrowers shall make a prepayment of the DIP Term Loan in an amount equal to 100% of the Net Proceeds then received from such Prepayment Event.

(d) Upon the occurrence of an event set forth in clause (d) of Prepayment Event, then within three (3) Business Days following the date of receipt of any Net Proceeds, the Borrowers shall make a prepayment of the DIP Term Loan in an amount equal to 100% of the Net Proceeds then received from such Prepayment Event.

(e) If an event set forth in clause (e) of Prepayment Event has occurred, then within three (3) Business Days following the date of receipt of any Net Proceeds, the Borrowers shall make a prepayment of the DIP Term Loan in an amount equal to 100% of the Net Proceeds then received from such Prepayment Event.

(f) If for any reason the Combined Total Outstandings at any time exceed the sum of the Aggregate Borrowing Base as then in effect, then (a) until the Discharge of ABL Obligations, the Borrowers shall immediately prepay first, the ABL Obligations and, then, the DIP Term Loan and (b) thereafter, the Borrowers shall immediately prepay the DIP Term Loan in each case of clauses (a) and (b), in an aggregate amount to eliminate such excess.

(g) On the Final Order Entry Date, without any further action by the Loan Parties or any other Person, the repayment and refinancing of any outstanding and remaining Prepetition Term Loans shall occur pursuant to a conversion (i.e., roll-up) of such Prepetition Term Loans into DIP Term Loans.

(h) Each prepayment of the DIP Term Loan made pursuant to this Section 2.06 shall be applied to principal and accompanied by accrued interest to the date of such payment on the amount prepaid.

(i) No later than one (1) Business Day in advance of the making of any mandatory prepayment pursuant to this Section 2.06 (other than Section 2.06(f) above), Borrowers shall deliver, or cause to be delivered, to the Administrative Agent for distribution to the Lenders written notice of the amount and date of such mandatory prepayment.

2.07 Repayment of the DIP Term Loan. The Borrowers shall repay to the Lenders on the Termination Date the aggregate principal amount of the DIP Term Loan outstanding on such date.

2.08 Interest.

(a) Subject to the provisions of Section 2.08(b) below, the DIP Term Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to Term SOFR for such Interest Period plus the Applicable Margin.

(b) If any amount payable under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(c) If any Event of Default has occurred and is continuing, then the Administrative Agent may, and upon the request of the Required Lenders shall, notify the Lead Borrower that all outstanding Obligations shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate and thereafter, until such Event of Default has been duly waived as provided in Section 10.01 hereof, such Obligations shall bear interest at the Default Rate to the fullest extent permitted by applicable Laws.

(d) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(e) Interest on the DIP Term Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest

hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(f) For the purpose of complying with the Interest Act (Canada), it is expressly stated that where interest is calculated pursuant hereto at a rate based upon a period of time different from the actual number of days in the year (for the purposes of this Section 2.08(f), the "first rate"), the yearly rate or percentage of interest to which the first rate is equivalent is the first rate multiplied by the actual number of days in the calendar year in which the rate is to be ascertained and divided by the number of days in the shorter period, and the Canadian Loan Parties acknowledge that there is a material distinction between the nominal and effective rates of interest and that they are capable of making the calculations necessary to compare such rates and that the calculations herein are to be made using the nominal rate method and not on any basis that gives effect to the principle of deemed reinvestment of interest. Each Canadian Loan Party hereby confirms that it fully understands and is able to calculate the rate of interest applicable to the DIP Term Loan based on the methodology for calculating per annum rates provided for in this Agreement. Each Canadian Loan Party hereby irrevocably agrees not to plead or assert, whether by way of defense or otherwise, in any proceeding relating to this Agreement or any other Loan Document, that the interest payable under this Agreement and the calculation thereof has not been adequately disclosed to the Canadian Loan Parties as required pursuant to Section 4 of the Interest Act (Canada).

2.09 Fees. The Borrowers shall pay to the Administrative Agent fees in the amounts and at the times specified in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees; Conforming Changes.

(a) All computations of interest and fees shall be made on the basis of a 360-day year. Interest shall accrue on each outstanding DIP Term Loan for the day on which the DIP Term Loan is made, and shall not accrue on the DIP Term Loan , or any portion thereof, for the day on which the Term Loan or such portion is paid, provided that the DIP Term Loan that is repaid on the same day on which it is made shall, subject to Section 2.12, bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Lead Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

2.11 Evidence of Debt.

(a) The DIP Term Loan made by each Lender shall be evidenced by one or more accounts or records maintained by the Administrative Agent (the "Loan Account") in the ordinary course of business. In addition, each Lender may record in such Lender's internal records, an appropriate notation evidencing the date and amount of the DIP Term Loan from such Lender, each payment and prepayment of principal of any the DIP Term Loan , and each payment of interest, fees and other amounts due in connection with the Obligations due to such Lender. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent

manifest error of the amount of the DIP Term Loan made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's DIP Term Loan in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, amount and maturity of its DIP Term Loan and payments with respect thereto. Upon receipt of an affidavit of a Lender as to the loss, theft, destruction or mutilation of such Lender's Note and upon cancellation of such Note, the Borrowers will issue, in lieu thereof, a replacement Note in favor of such Lender, in the same principal amount thereof and otherwise of like tenor.

2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars or Canadian Dollars, as applicable, and in immediately available funds not later than 2:00 p.m. on the date specified herein. Subject to Section 2.14 hereof, the Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) Payments by Borrowers; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Lead Borrower prior to the time at which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to the Lead Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Obligations of Lenders Several. The obligations of the Lenders hereunder to make the DIP Term Loan to the Borrowers are several and not joint. The failure of any Lender to make the DIP Term Loan on any date required hereunder shall not relieve any other Lender of its

corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its DIP Term Loan hereunder.

(d) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for the DIP Term Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for the DIP Term Loan in any particular place or manner.

2.13 Sharing of Payments by Lenders. If any Credit Party shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of, interest on, or other amounts with respect to, any of the Obligations resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Obligations greater than its pro rata share thereof as provided herein (including as in contravention of the priorities of payment set forth in Section 8.03), then the Credit Party receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Obligations of the other Credit Parties, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Credit Parties ratably and in the priorities set forth in Section 8.03, provided that:

(a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest;

(b) the provisions of this Section shall not be construed to apply to (x) any payment made by the Loan Parties pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its DIP Term Loan to any assignee or participant, other than to the Borrowers or any Subsidiary thereof (as to which the provisions of this Section shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

2.14 Settlement Among Lenders.

(a) The amount of each Lender's Applicable Percentage of outstanding DIP Term Loan shall be computed weekly (or more frequently in the Administrative Agent's discretion) and shall be adjusted upward or downward based on all DIP Term Loan and repayments of the DIP Term Loan received by the Administrative Agent as of 3:00 p.m. on the first Business Day (such date, the "Settlement Date") following the end of the period specified by the Administrative Agent.

(b) The Administrative Agent shall deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding DIP Term Loan for the period and the amount of repayments received for the period. As reflected on the summary statement, (i) the Administrative Agent shall transfer to each Lender its Applicable Percentage of repayments, and (ii) each Lender shall transfer to the Administrative Agent (as provided below) or the Administrative Agent shall transfer to each Lender, such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of the DIP Term Loan made by each Lender shall be equal to such Lender's Applicable Percentage of the DIP Term Loan outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Administrative Agent by the Lenders and is received prior to 1:00 p.m. on a Business Day, such transfers shall be

made in immediately available funds no later than 3:00 p.m. that day; and, if received after 1:00 p.m., then no later than 3:00 p.m. on the next Business Day. The obligation of each Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent. If and to the extent any Lender shall not have so made its transfer to the Administrative Agent, such Lender agrees to pay to the Administrative Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, equal to the greater of the federal funds rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

2.15 Certain Bankruptcy Matters.

(a) Except to the extent expressly provided otherwise in the Orders or the Canadian Recognition Orders, the Loan Parties hereby agree that, subject only to the Carve Out, the CCAA Priority Charges, the Prepetition Permitted Senior Liens and the terms of the Intercreditor Agreement (the relative priorities of which are set forth in the Orders (including the Lien Priority Annex attached as Exhibit A thereto) and the Canadian Recognition Orders), the Obligations shall be deemed (i) to constitute Superpriority Claims over all administrative expense claims and claims against the Borrowers or the other Loan Parties now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, all administrative expense claims of the kind specified in Sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c) (subject to entry of the Final Order), all rights to charge the Collateral and all collateral securing the Prepetition Obligations and the ABL Obligations under Section 506(c) of the Bankruptcy Code shall be waived), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provisions of the Bankruptcy Code and all superpriority administrative expense claims granted to any other Person the establishment of which superpriority shall have been approved and authorized by the Bankruptcy Court, (ii) pursuant to Section 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code and the Canadian Interim DIP Recognition Order and the Canadian Final DIP Recognition Order, be secured by a perfected first priority senior security interest in and Lien upon all property of the Debtors, whether currently existing or hereafter acquired, of the same nature, scope and type as the Collateral, and any proceeds, products, rents and profits thereof in whatever form received; provided that, subject only to, and effective upon, entry of the Final Order and, with respect to Collateral of the Canadian Loan Parties or Collateral otherwise located in Canada, subject to the Canadian Final DIP Recognition Order, the Collateral shall include the Avoidance Proceeds.

(b) In the event of a conflict between, or inconsistency among, the Orders or the Canadian Recognition Orders, on the one hand, and any Loan Document, on the other hand, the Orders and the Canadian Recognition Orders shall control.

(c) Notwithstanding anything to the contrary contained herein or elsewhere (except as specifically described below):

(i) the parties hereto agree, and the Orders and the Canadian Recognition Orders shall provide, that the Loan Parties shall not be required to prepare, file, register or publish any financing statements, mortgages, account control agreements, notices of Lien or similar instruments in any jurisdiction or filing or registration office, or to take possession of any Collateral or to take any other action in order to validate, render enforceable or perfect the Liens on the Collateral granted by or pursuant to this Agreement, the Orders, the Canadian Recognition Orders or any other Loan Document. If any Agent (in its sole

discretion) from time to time elects to prepare, file, register or publish any such financing statements, mortgages, account control agreements, notices of Lien or similar instruments, take possession of any Collateral, or take any other action to validate, render enforceable or perfect all or any portion of the Collateral Agent's Liens on the Collateral, (A) all such documents and actions shall be deemed to have been filed, registered, published or recorded or taken at the time and on the date that the Interim Order is entered or, in the case of Collateral of the Canadian Loan Parties or Collateral otherwise located in Canada, the date that the Canadian Interim DIP Recognition Order is granted, and (B) shall not negate or impair the validity or effectiveness of this Section 2.15(c) or of the perfection of any other Liens in favor of the Collateral Agent, for the benefit of the Credit Parties, on the Collateral; and

(ii) except as otherwise agreed to by the Lenders (including, without limitation, in the Intercreditor Agreement) or as otherwise permitted or contemplated by this Agreement, the Orders, the Canadian Recognition Orders, or the other Loan Documents, the Liens, Lien priorities, Superpriority Claims and other rights and remedies granted to the Agents and the other Credit Parties pursuant to this Agreement, the Orders, the Canadian Recognition Orders, or the other Loan Documents (specifically including, but not limited to, the existence, perfection, enforceability and priority of the Liens provided for herein and therein, and the Superpriority Claims provided herein and therein) shall not be modified, altered or impaired in any manner by any other financing or extension of credit or incurrence of Indebtedness by the Borrowers or any other Loan Party (pursuant to Section 364 of the Bankruptcy Code or otherwise), or by dismissal or conversion of the Cases or the Recognition Proceedings, or by any other act or omission whatsoever.

2.16 Carve-Out Funding. The Carve Out shall be funded in accordance with the Orders and the DIP ABL Credit Agreement. For greater certainty, notwithstanding any other provision herein, the fees and disbursements of the professionals retained by the Debtors in the Recognition Proceedings, the Information Officer and the Information Officer's counsel shall, in accordance with the Canadian Supplemental Order, not be subject to approval by the Bankruptcy Court.

ARTICLE III.
TAXES, YIELD PROTECTION AND ILLEGALITY; APPOINTMENT OF LEAD BORROWER

3.01 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Loan Parties hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes except as required by applicable Law. If the Loan Parties shall be required by applicable Law to deduct or withhold any Taxes from such payments, then (i) in the case of any Indemnified Taxes (including any Other Taxes), the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent or a Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Loan Parties shall make such deductions and (iii) the Loan Parties shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law.

(b) Payment of Other Taxes by the Loan Parties. Without limiting the provisions of subsection (a) above, the Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Indemnification by the Loan Parties. The Loan Parties shall indemnify the Administrative Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent or such Lender, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Lead Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of any Taxes by the Loan Parties to a Governmental Authority pursuant to this Section 3.01, the Lead Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which any Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall deliver to the Lead Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable Law or reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Lead Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

Without limiting the foregoing, in the event that any Borrower is resident for tax purposes in the United States, (i) any Lender that is a U.S. Person shall deliver to the Lead Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient), on or about the date on which such Lender becomes a Lender under this Agreement and from time to time thereafter upon reasonable request of the Lead Borrower or the Administrative Agent, executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax and (ii) any Lender that is a Foreign Lender shall deliver to the Lead Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Lead Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(i) duly completed copies of Internal Revenue Service Form W-8BEN-E (or, if applicable W-8BEN), claiming eligibility for benefits of an income tax treaty to which the United States is a party;

(ii) duly completed copies of Internal Revenue Service Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrowers within the meaning of section 881(c)(3)(B) of the Code, or (B) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (y) duly completed copies of Internal Revenue Service Form W-8BEN-E (or, if applicable W-8BEN); or

(iv) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States Federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Lead Borrower to determine the withholding or deduction required to be made.

(f) FATCA. If a payment made to a Lender under any Loan Document would be subject to U.S. federal income withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Administrative Agent (or, in the case of a Participant, to the Lender granting the participation only) at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Agent (or in the case of a Participant, the Lender granting the participation) such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Administrative Agent (or in the case of a Participant, the Lender granting the participation) as may be necessary for the Administrative Agent or the Borrowers to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered pursuant to Section 3.01(e) or (f) above expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Lead Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If the Administrative Agent or any Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrowers or with respect to which the Borrowers have paid additional amounts pursuant to this Section, it shall pay to the Borrowers an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrowers, upon the request of the Administrative Agent, or such Lender, agree to repay the amount paid over to the Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent, or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrowers or any other Person.

3.02 Illegality. If any Lender determines that any change in market conditions or any change in Law has made it unlawful or impractical, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to maintain SOFR Loans (or Base Rate Loans determined with reference to Term SOFR) or to determine or charge interest rates based upon the Term SOFR Reference Rate, Term SOFR or SOFR, then, on notice thereof by such Lender to the Lead Borrower through the Administrative Agent, any obligation of such Lender to continue SOFR Loans (or Base Rate Loans determined with reference to Term SOFR) shall be suspended until such Lender notifies the Administrative Agent and the Lead Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, if necessary to avoid such illegality or impracticability, in the case of any SOFR Loans of such Lender that are outstanding, the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all SOFR Loans of such Lender to Base Rate Loans (and if applicable, without reference to Term SOFR), as applicable, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such SOFR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such SOFR Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

3.03 Inability to Determine Rates.

(a) General. Subject to Section 3.03(b) below, if the Required Lenders determine that for any reason in connection with any continuation of a SOFR Loan that (a) Term SOFR cannot be determined pursuant to the definition of such term on or prior to the first day of any applicable Interest Period, (b) adequate and reasonable means do not exist for determining Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan, or (c) Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Lead Borrower and each Lender. Thereafter, the obligation of the Lenders to maintain SOFR Loans shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, any outstanding affected SOFR Loans will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period. Upon any such conversion, the Borrowers shall also pay accrued interest on the amount so converted.

(b) Benchmark Replacement Setting.

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document (and any Swap Contract shall be deemed not to be a "Loan Document" for purposes of this Section 3.03(b)), upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Lead Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all affected Lenders and the Lead Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from the Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 3.03(b) will occur prior to the applicable Benchmark Transition Start Date.

(ii) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Lead Borrower and the Lenders of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Lead Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 3.03(b)(iv) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.03(b), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.03(b).

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (2) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (B) if a tenor that was removed pursuant to clause (A) above either (1) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Benchmark Unavailability Period. Upon the Lead Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (1) the Lead Borrower may revoke any pending continuation of SOFR Loans to be continued during any Benchmark Unavailability Period and, failing that, the

Lead Borrower will be deemed to have converted any such request into a conversion to Base Rate Loans, and (2) any outstanding affected SOFR Loans will be deemed to have been converted to Base Rate Loans, at the end of the applicable Interest Period. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.

3.04 Increased Costs.

(a) Increased Costs Generally. If any (i) Change in Law, or (ii) compliance by any Lender with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority (including Regulation D of the FRB as from time to time in effect (and any successor thereto)) shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by any Lender;

(ii) subject any Lender to any tax of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 3.01 and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender); or

(iii) impose on any Lender any other condition, cost or expense affecting this Agreement or SOFR Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase, directly or indirectly, the cost to such Lender of making or maintaining any SOFR Loan (or any Base Rate Loan determined with reference to Term SOFR) (or of maintaining its obligation to make the DIP Term Loan), or to increase, directly or indirectly, the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, and in any such case, the Administrative Agent may, at any time within a reasonable period after the additional cost is incurred or the amount received is reduced, notify the Lead Borrower, and the applicable Borrowers shall pay within 30 days after demand therefor, such amounts as the Administrative Agent may specify to be necessary to compensate such Lender for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Base Rate Loans hereunder; provided, that (A) the Borrowers shall not be required to provide any compensation pursuant to this Section 3.04(a) for any such amounts incurred more than 180 days prior to the date on which the demand for payment of such amounts is first made to the Lead Borrower, and (B) if an event or circumstance giving rise to such amounts is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by the Administrative Agent of any amount due pursuant to this Section 3.04(a), as set forth in a certificate setting forth the calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of

this Agreement, the DIP Term Loan made my such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time, the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (b) of this Section and delivered to the Lead Borrower shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant subsection (b) of this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Lead Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of the DIP Term Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for the DIP Term Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert the DIP Term Loan other than a Base Rate Loan on the date or in the amount notified by the Lead Borrower; or

(c) any assignment of a SOFR Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Lead Borrower pursuant to Section 10.13;

including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

Anything to the contrary contained herein notwithstanding, none of any Agent, any Lender or any of their Participants, is required to match fund any Obligation as to which interest accrues based on Term SOFR.

A certificate of the Administrative Agent or a Lender delivered to the Lead Borrower setting forth the amount that the Administrative Agent or such Lender is entitled to receive pursuant to this Section 3.05 shall be conclusive absent manifest error. The Borrowers shall pay such amount to the Administrative Agent or such Lender, as the case may be, within ten (10) days after receipt thereof.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use commercially reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Borrowers may replace such Lender in accordance with Section 10.13.

3.07 Survival. All of the Borrowers' obligations under this Article III shall survive termination the repayment of all Obligations hereunder and resignation of any Agent.

3.08 Designation of Lead Borrower as Borrowers' Agent.

(a) Each Borrower hereby irrevocably designates and appoints the Lead Borrower as such Borrower's agent to obtain the DIP Term Loan , the proceeds of which shall be available to each Borrower for such uses as are permitted under this Agreement. As the disclosed principal for its agent, each Borrower shall be obligated to each Credit Party on account of the DIP Term Loan so made as if made directly by the applicable Credit Party to such Borrower, notwithstanding the manner by which the DIP Term Loan is recorded on the books and records of the Lead Borrower and of any other Borrower. In addition, each Loan Party other than the Borrowers hereby irrevocably designates and appoints the Lead Borrower as such Loan Party's agent to represent such Loan Party in all respects under this Agreement and the other Loan Documents.

(b) Each Borrower recognizes that credit available to it hereunder is in excess of and on better terms than it otherwise could obtain on and for its own account and that one of the reasons therefor is its joining in the credit facility contemplated herein with all other Borrowers. Consequently, each Borrower shall have joint and several liability in respect of all Obligations, without regard to any defense (other than the defense of payment), setoff or counterclaim which may at any time be available to or be asserted by any other Loan Party against the Credit Parties, or by any other circumstance whatsoever (with or without notice to or knowledge of the Borrowers) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers' liability hereunder, in bankruptcy or in any other instance, and such Obligations of the Borrowers shall not be conditioned or contingent upon the pursuit by the Lenders or any other Person at any time of any right or remedy against any Borrower or against any other Person which may be or become liable in respect of all or any part of the Obligations or against any Collateral or Facility Guaranty therefor or right of offset with respect thereto. Each Borrower hereby acknowledges that this Agreement is the independent and several obligation of each Borrower (regardless of which Borrower shall have delivered the Initial DIP Term Loan Notice) and may be enforced against each Borrower separately, whether or not enforcement of any right or remedy

hereunder has been sought against any other Borrower. Each Borrower hereby expressly waives, with respect to any of the DIP Term Loan made to any other Borrower hereunder and any of the amounts owing hereunder by such other Loan Parties in respect of the DIP Term Loan , diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Agent or any Lender exhaust any right, power or remedy or proceed against such other Loan Parties under this Agreement or any other agreement or instrument referred to herein or against any other Person under any other guarantee of, or security for, any of such amounts owing hereunder. Without limiting the generality of the foregoing, each Borrower expressly acknowledges and agrees that it is jointly and severally liable for the Obligations of the Canadian Loan Parties, and each Canadian Loan Party expressly acknowledges and agrees that it is jointly and severally liable for the Obligations of the U.S. Loan Parties.

(c) The Lead Borrower shall act as a conduit for each Borrower (including itself, as a "Borrower") on whose behalf the Lead Borrower has requested the DIP Term Loan. Neither the Administrative Agent nor any other Credit Party shall have any obligation to see to the application of such proceeds therefrom.

ARTICLE IV.

Each Loan Party and its Subsidiaries are in material compliance with all requirements pursuant to employment standards, labor relations, health and safety, workers compensation and human rights laws, immigration laws and other applicable employment legislation. To the knowledge of the Loan Parties, no officer or director of any Loan Party who is party to an employment agreement with such Loan Party is in violation of any term of any employment contract or proprietary information agreement with such Loan Party; and to the knowledge of the Loan Parties, the execution of the employment agreements and the continued employment by the Loan Parties of such persons, will not result in any such violation.

(c) Subject to the Interim Order (and, when applicable, the Final Order), the Mortgage creates in favor of the Collateral Agent, for the benefit of the Credit Parties, a legal, valid, continuing and enforceable Lien in the Mortgaged Property (as defined in the Mortgage), the enforceability of which is subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law. The Mortgage has been recorded with the appropriate Governmental Authorities and, upon entry of the Interim Order (and, when applicable, the Final Order), the Collateral Agent will have a perfected Lien on, and security interest in, to and under all right, title and interest of the grantors thereunder in all Mortgaged Property that may be perfected by such filing (including without limitation the proceeds of such Mortgaged Property), in each case prior and superior in right to any other Person, but subject to (i) Permitted Encumbrances having priority by operation of applicable Law, (ii) DIP ABL Liens and (iii) Prepetition Permitted Senior Liens.
